LEGISLATORS

1861-2025

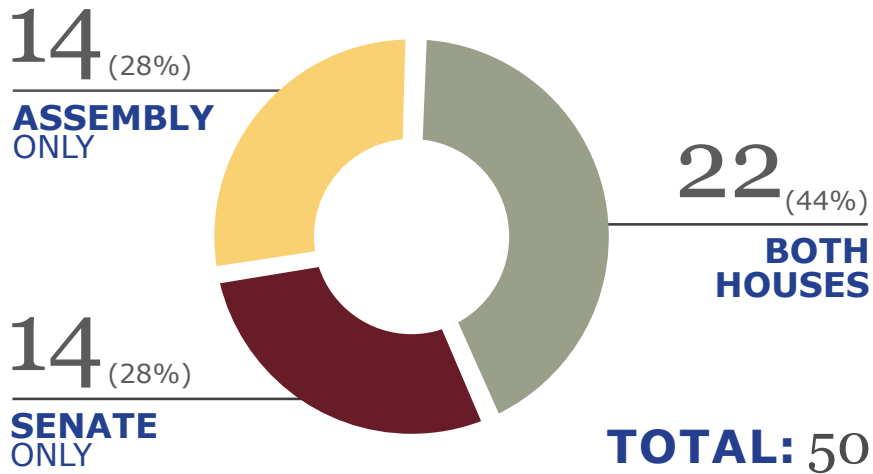

FAST FACTS

LEGISLATORS WITH 20 OR MORE YEARS OF SERVICE

Since statehood in 1864, 50 Nevada Legislators have served for 20 or more years. Fourteen served in the Assembly only; 14 served in the Senate only; and 22 served in both Houses during their tenure.

Potential length of service has been affected by term limits that were approved by voters in 1996 and first applied during the 1998 election cycle. Now, in most cases, Legislators are limited to 12 years in each House, for a total of 24 years.
