# REPORT OF OFFICE OF SECRETARY OF STATE.

## STATE BOARD OF EXAMINERS.

In accordance with law the members of the State Board of Examiners have regularly assembled and transacted the duties appurtenant to their respective positions. During all the sessions of the Board my associates, to wit, the Governor and Attorney-General, and I have had the most cordial and friendly relations towards one another, all of us endeavoring to protect and ameliorate the best interests of the State. To the Clerks of said Board I desire at this time to extend my thanks for the faithful manner in which they performed their duties during my term. Following is the detailed statement of the very numerous matters the Board in performing its duties has disposed of:

In compliance with law, and under contracts duly entered into with M. W. Wiard, the stationery required was purchased and distributed as follows:

## STAMP ACCOUNT.

During the past two years of my incumbency, I have purchased stamps for the use of the various offices of the State, as required by law, which account of purchase is as follows:

## STAMP ACCOUNT.

Offices.	1905-1906.
Governor .....	\$75.70
Lieutenant-Governor .....	400.00
Secretary of State .....	509.55
State Controller .....	304.65
State Treasurer .....	96.00
State Land Office .....	524.00
Attorney-General .....	174.00
Supreme Court and Clerk .....	55.10
Library .....	42.50
Superintendent of Public Instruction .....	108.00
Total for the two years .....	\$2,289.50

There is necessarily required in the office of Secretary of State a great number of stamps, owing to the necessity of forwarding Reports, Statutes and general exchange of data, as well as the answering of countless communications. Comparatively reporting, as many stamps are required by the Clerk of the Supreme Court's Department and the Library Department as are required by the Department of Secretary of State. I have studiously essayed to be as economical in this matter as the circumstances would permit.

## BALLOT PAPER AND ELECTIONS.

In the discharge of my duty relative to the purchasing of ballot paper for election purposes, as well as my other duties respecting certificates of nomination to the several County Clerks of the State, I have always tried to protect the interests of the State as well as satisfy the dictates of my own conscience and judgment.

Following is an itemized account indicating the election expenses of 1906:

1906.	Articles.	Amount.
Sept. 7	Ballot paper from Carson News	\$360.00
Oct. 16	Lumber, etc.	7.55
Oct. 23	Expressage	113.25
	Total	\$480.90

## DISTRIBUTION OF REPORTS, BOOKS, ETC.

In preparing, distributing, transmitting and delivering the Statutes of 1905 and the Journals of the Senate and Assembly of the State of Nevada for the year 1905, I most earnestly exercised the greatest promptness, as I realized the desire on the part of the people of our State to be informed as quickly as possible of the enactment of any law that might affect their interests individually and collectively.

## ENROLLED LAWS.

Pursuant to law (Comp. Laws 1900, sec. 1944) the Enrolled Laws and Resolutions of the Legislature were bound at the following cost:

1905—Nevada Press Company, binding 1905 Enrolled Laws in patent flexible backs, half Morocco leather binding.....	\$10.00
---	---------

## NEW STATUTES.

There is a constant growing demand for the Nevada Statutes, and I respectfully suggest that the present law be amended so as to enable this office to secure at least twelve hundred copies.

## INCREASE OF RECEIPTS.

During the four years last past the receipts of the office of Secretary of State have materially increased by reason of the tremendous amount of work entailed by the formation of new corporations and other matters incident thereto.

## BOARD OF PRISON COMMISSIONERS.

As a member of this Board, I personally know that said Board has faithfully endeavored to better and manage the affairs of the State Prison in a manner that would tend to give the State an economical and honest administration of the affairs concerning the Prison.

## STATE BOARD OF PRINTING COMMISSIONERS.

At all times and on all occasions the officials of this Board, and the subordinates thereof have sincerely and devotedly assisted in a thorough, honest and prompt discharge of the various duties involved in their respective capacities, so far as my official relations with them are concerned.

## EMERGENCIES.

In order to comply with the extraordinary demand for the Statutes of the State of Nevada enacted during the sessions of the Legislature for the years 1901, 1903, and 1905 the State Board of Examiners at a regular session thereof borrowed the sum of \$2,500 from The State Bank and Trust Company of Carson City, Nevada, to defray the expenses of printing and binding said statutes. The total cost of printing and binding the above statutes was \$2,474.76. In this connection I respectfully refer you to the report of the State Printer. I wish to personally thank The State Bank and Trust Company for its kindness in advancing the money necessarily required.

## RECOMMENDATIONS.

Owing to the immense increase of business coming to the office of the Secretary of State and the office of the Clerk of the Supreme Court of the State of Nevada by reason of the great and valuable mineral regions discovered within the boundaries of the State, I find that it is utterly impossible to properly arrange the various papers, books and documents necessarily deposited in the above-named offices, and I earnestly request

that some action be taken by the Legislature to secure steel cases for said offices, and quote, as my reason, the following, which is practically in accord with the views of my predecessors for years past:

"I agree most emphatically with my predecessors that the various departments which I have the honor to control—to wit, the office of Secretary of State and the Clerk of the Supreme Court—do most urgently require that steel cases be placed in the office of each of the departments named, as it is nearly impossible to properly arrange and place papers and documents, etc., where they can be found at times when parties desire the same at once. With proper cases all State papers can be very easily placed in positions of convenience and safety. I most earnestly recommend some action in this particular respect."

This request is predicated solely upon the ground that a perfect and proper system of filing, recording and placing all documents appurtenant to our offices can be accomplished by placing the aforesaid offices in a condition equal to that of other States.

#### CORPORATIONS.

Following will be found a list designating the names of all corporations in the State from 1895 to 1907. The number of incorporations, by way of comparison, has been extensively increased by reason of the favorable provisions and inducements offered under the General Incorporation Act of the State adopted and approved on the 16th day of March, 1903, entitled "An Act providing a general corporation law," as amended and approved March 14, 1905:

## POLITICAL DATA.

### In Relation to the Territorial Government, Constitution and State Government of Nevada.

The first public meeting, in what is now Nevada, of which any record was kept, was held at "Mormon Station" (now Genoa), November 12, 1851. The object of this meeting was to organize a squatter government, and to adopt local rules for the government of the settlers and their property. The meeting agreed upon a petition to the National Congress for a Territorial Government. A second meeting was held November 19th, same year, and the next day a local form of government was adopted.

Carson County, Utah, was organized by the following Act:

*An Act defining the boundaries of Carson County, and providing for the organization thereof.*

SECTION 1. Be it enacted by the Governor and Legislative Assembly of the Territory of Utah: That all that portion of the country bounded north by Desert County, east by the parallel of longitude 118°, south by the boundary line of this Territory, and west by California, is hereby included within the limits of Carson County, and until organized is attached to Millard County for election, revenue and judicial purposes.

SEC. 2. The Governor is hereby authorized to appoint a Probate Judge for said county, when he shall deem it expedient, and said Probate Judge, when appointed, shall proceed to organize said county, by dividing the county into precincts and causing an election to be held according to law, to fill the various county and precinct offices, and locate the county seat thereof.

W. RICHARDS,  
President of the Council.

J. M. GRANT,  
Speaker of the House of Representatives.

Approved January 17, 1854:

BRIGHAM YOUNG,  
Governor of Utah Territory.

TERRITORY OF UTAH,  
SECRETARY'S OFFICE.

I, Elijah Sells, Secretary of Utah Territory, do hereby certify that the above and foregoing is a true copy.

Witness my hand and the Great Seal of the Territory this 22d day of October, 1892.

ELIJAH SELLS,  
Secretary of Utah Territory.

This embraced all of Washoe, Douglas, Lyon, Ormsby and Storey Counties, the greater part of Esmeralda and Churchill Counties, and a portion of Humboldt.

The first attempt at representation at Washington was made by electing James W. Crane as a delegate to represent the claims of the settlers to a Territorial Government. Crane having died, John J. Musser was elected his successor November 12, 1859.

On June 6, 1859, a mass meeting of delegates from the several districts was held, at which the 14th day of July, 1859, was fixed for holding an election for the purpose of electing delegates to a constitutional convention. Delegates so elected met at Genoa on the 18th day of the same month, and in a ten days' session adopted a declaration of rights and a constitution.

This constitution was submitted to the people September 1, 1859. The constitution was adopted, and Isaac Roop elected Governor, with a Legislature and other State officers. Roop was the only officer who attempted to qualify.

The Legislature met at Gonoa on the 15th day of December, 1859, and adjourned to meet in July, 1860. They never met again.

John Cradlebaugh, one of the United States District Judges for Utah Territory, arrived at Genoa in the summer of 1859, and impaneled the first grand jury that ever met in what is now the State of Nevada.

#### TERRITORIAL GOVERNMENT.

The Territory of Nevada was organized by an Act of Congress entitled "An Act to organize the Territory of Nevada," approved March 2, 1861.

In pursuance of this Act, James W. Nye of New York was appointed and commissioned Governor of Nevada Territory by President Lincoln March 22, 1861.

Governor Nye arrived in Carson July 8, 1861, and on the 11th day of that month issued a proclamation declaring the Territorial Government organized.

The population, as shown by a census taken by Henry DeGroot, July, 1861, was 16,347. The following officers constituted the Territorial Government: J. W. Mitchell, Edward C. Ing, James H. Sturtevant, William J. Osborn, John C. Wright. The officers of the Assembly were: Miles N. Mitchell, Speaker; William Martin Gillespie, Clerk; Samuel E. Wetherell, Assistant Clerk; J. B. McCormack, Sergeant-at-Arms; Charles C. Conger, Assistant Sergeant-at-Arms; C. S. Piersen, Messenger; Robert T. Haslan, Page.

The Territorial Legislature of 1862 passed an Act entitled "An Act to frame a Constitution and State Government for the State of Washoe," which was approved December 20, 1862, providing for an election on the first Wednesday in September, 1863, at which election the question of State Government or no State Government was submitted at the same time delegates were voted for as members of the convention. At this election the vote showed a popular demand for Statehood, and elected the following citizens as members of a convention:

Kinkead, John H.	Ormsby County
Gibson, George L.	Ormsby County
Wasson, Warren	Ormsby County
Johnson, J. Neely	Ormsby County

On the 2d day of November, 1863, the members elected to form a convention were called to order by Orion Clemens, Territorial Secretary, and the body was organized by the election of John W. North as President, and Wm. M. Gillespie as Secretary. This convention was in session thirty-two days, and adjourned on the 11th day of December, 1863. On the 19th day of January, 1864, the Constitution framed by this convention was submitted to a vote, and at the same time the following ticket was voted for for State officers:

For Representative in Congress—John B. Winters of Lyon County.  
 For Governor—Miles N. Mitchell of Storey County.  
 For Lieutenant-Governor—M. S. Thompson of Humboldt County.  
 For Attorney-General—H. C. Worthington of Lander County.  
 For Justices Supreme Court—J. B. Harmon of Storey County; M. D. Larrowe of Lander County; R. S. Mesick of Esmeralda County.  
 For Clerk Supreme Court—Alfred Helm of Ormsby County.  
 For Secretary of State—Orion Clemens of Ormsby County.  
 For State Treasurer—W. B. Hickok of Lyon County.  
 For State Controller—Edwin A. Sherman of Esmeralda County.  
 For Superintendent of Public Instruction—A. F. White of Ormsby County.  
 For State Printer—G. W. Bloor of Storey County.

The Constitution was overwhelmingly defeated, while the officers were elected, but found their honors empty because there were no offices to fill.

The question of Statehood was still agitated, particularly by aspiring politicians. A session of the Territorial Legislature was held in January and February, 1864, but no provision was made for another convention. On the 21st of March, 1864, the Congress of the United States passed an Act, the title of which reads: "An Act to enable the people of the Territory of Nevada to form a Constitution and State Government, and for the admission of such State into the Union on an equal footing with the original States."

Under the Congressional Act delegates to a convention were elected, and on the 4th day of July, 1864, met at Carson City, Nevada. The Constitution of 1863 was taken as a basis, and, after a session of twenty-three days, the present Constitution was formulated, differing in but few material features from that of 1863.

The personnel of this convention was as follows:

John Church was chosen State Printer, and Thomas Wells the Governor's Private Secretary.

An Act of the Legislature of 1861 provided for a Territorial Seal, designed as follows:

Mountains with a stream of water coursing down their sides and falling on the overshot wheel of a quartz mill at the base. A miner leaning on his pick and upholding a United States flag with a motto expressing the two ideas of loyalty to the Union and the wealth to sustain it: *Volens et Potens*.

Several designs were made and submitted for a State Seal, none of which proved acceptable. The Legislature in 1866 passed an Act providing for "a Seal of State for The State of Nevada." It is described in the Act as follows: "The Great Seal of the State of Nevada," the design of which shall be as follows, to wit: In the foreground two large mountains, at the base of which, on the right, there shall be located a quartz mill, and on the left a tunnel penetrating the silver leads of the mountain, with a miner running out a carload of ore and a team loaded with ore for the mill. Immediately in the foreground there shall be emblems indicative of the agricultural resources of the State; a plow, a sheaf and a sickle; in the middle ground a train of railroad cars passing a mountain gorge; also a telegraph line extending along the line of the railroad. In the extreme background a range of snow-clad mountains, with the rising sun in the east; thirty-six stars to encircle the whole group in an outer circle, the words "The Great Seal of the State of Nevada," to be engraven, with these words for the motto of the State: "All for Our Country."
