POLITICAL DATA

In Relation to the Territorial Government, Constitution, and the State Government of Nevada

The first public meeting, in what is now Nevada, of which any record was kept, was held at "Mormon Station" (now Genoa), November 12, 1851. The object of this meeting was to organize a squatter government, and to adopt local rules for the government of the settlers and their property. The meeting agreed upon a petition to the National Congress for a Territorial Government. A second meeting was held November 19th, same year, and the next day a local form of government was adopted.

Carson County, Utah, was organized by the following Act:

An Act defining the boundaries of Carson County, and providing for the organization thereof.

SECTION 1. Be it enacted by the Governor and Legislative Assembly of the Territory of Utah: That all that portion of the country bounded north by Desert County, east by the parallel of longitude 118° , south by the boundary line of this Territory, and west by California, is hereby included within the limits of Carson County, and until organized is attached to Millard County for election, revenue and judicial purposes.

SEC. 2. The Governor is hereby authorized to appoint a Probate Judge for said county, when he shall deem it expedient, and said Probate Judge, when appointed, shall proceed to organize said county, by dividing the county into precincts and causing an election to be held according to law, to fill the various county and precinct offices, and locate the county-seat thereof.

W. RICHARDS,
President of the Council.

J. M. GRANT,
Speaker of the House of Representatives.

Approved January 17, 1854.

BRIGHAM YOUNG,
Governor of Utah Territory.

TERRITORY OF UTAH,
SECRETARY'S OFFICE.

* { SEAL } * I, Elijah Sells, Secretary of Utah Territory, do hereby certify that the above and foregoing is a true copy.
* { SEAL } * Witness my hand and the Great Seal of the Territory this 22d day of October, 1892.

ELIJAH SELLS,
Secretary of Utah Territory.

This embraced all of Washoe, Douglas, Lyon, Ormsby and Storey Counties, the greater part of Esmeralda and Churchill Counties, and a portion of Humboldt.

The first attempt at representation at Washington was made by electing James W. Crane as a delegate to represent the claims of the settlers to a Territorial Government. Crane having died, John J. Musser was elected his successor November 12, 1859.

On June 6, 1859, a mass meeting of delegates from the several districts was held, at which the 14th day of July, 1859, was fixed for holding an election for the purpose of electing delegates to a constitutional convention. Delegates so elected met at Genoa on the 18th day of the same month, and in a ten days' session adopted a declaration of rights and a constitution.

This constitution was submitted to the people September 1, 1859. The constitution was adopted, and Isaac Roop elected Governor, with a Legislature and other state officers. Roop was the only officer who attempted to qualify.

The Legislature met at Genoa on the 15th day of December, 1859, and adjourned to meet in July, 1860. They never met again.

John Cradlebaugh, one of the United States District Judges for Utah Territory, arrived at Genoa in the summer of 1859, and impaneled the first grand jury that ever met in what is now the State of Nevada.

On the 2d day of November, 1863, the members elected to form a convention were called to order by Orion Clemens, Territorial Secretary, and the body was organized by the election of John W. North as President, and Wm. M. Gillespie as Secretary. This convention was in session thirty-two days, and adjourned on the 11th day of December, 1863. On the 19th day of January, 1864, the Constitution framed by this convention was submitted to a vote and at the same time the following ticket was voted for state officers:

- For Representative in Congress—John B. Winters of Lyon County.
- For Governor—Miles N. Mitchell of Storey County.
- For Lieutenant-Governor—M. S. Thompson of Humboldt County.
- For Attorney-General—H. C. Worthington of Lander County.
- For Justices Supreme Court—J. B. Harmon of Storey County; M. D. Larrowe of Lander County; R. S. Mesick of Esmeralda County.
- For Clerk Supreme Court—Alfred Helm of Ormsby County.
- For Secretary of State—Orion Clemons of Ormsby County.
- For State Treasurer—W. B. Hickok of Lyon County.
- For State Controller—Edwin A. Sherman of Esmeralda County.
- For Superintendent of Public Instruction—A. F. White of Ormsby County.
- For State Printer—G. W. Bloor of Storey County.

The Constitution was overwhelmingly defeated, while the officers were elected, but found their honors empty because there were no offices to fill.

The question of statehood was still agitated, particularly by aspiring politicians. A session of the Territorial Legislature was held in January and February, 1864, but no provision was made for another convention. On the 21st of March, 1864, the Congress of the United States passed an Act, the title of which reads: "An Act to enable the people of the Territory of Nevada to form a Constitution and State Government, and for the admission of such State into the Union on an equal footing with the original States."

Under the Congressional Act delegates to a convention were elected, and on the 4th day of July, 1864, met at Carson City, Nevada. The Constitution of 1863 was taken as a basis, and, after a session of twenty-three days, the present Constitution was formulated, differing in but few material features from that of 1863.

John Church was chosen State Printer, and Thomas Wells the Governor's Private Secretary.

An Act of the Legislature of 1861 provided for a Territorial Seal, designed as follows:

Mountains with a stream of water coursing down their sides and falling on the overshot wheel of a quartz mill at the base. A miner leaning on his pick and upholding a United States flag with a motto expressing the two ideas of loyalty to the Union and the wealth to sustain it. *Volens et Potens*.

Several designs were made and submitted for a State Seal, none of which proved acceptable. The Legislature in 1866 passed an Act providing for "a Seal of State for the State of Nevada." It is described in the Act as follows: "The Great Seal of the State of Nevada," the design of which shall be as follows, to wit: In the foreground two large mountains, at the base of which, on the right, there shall be located a quartz mill, and on the left a tunnel penetrating the silver leads of the mountain, with a miner running out a carload of ore and a team loaded with ore for the mill. Immediately in the foreground there shall be emblems indicative of the agricultural resources of the State; a plow, a sheaf and a sickle; in the middle ground a train of railroad cars passing a mountain gorge; also a telegraph line extending along the line of the railroad. In the extreme background a range of snow-clad mountains, with the rising sun in the east; thirty-six stars to encircle the whole group in an outer circle, the words "The Great Seal of the State of Nevada," to be engraven, with these words for the motto of the State: "All for Our Country."
