BIENNIAL REPORT

OF THE

SECRETARY OF STATE

GEORGE BRODIGNAN, Secretary of State

CARSON CITY, NEVADA
STATE PRINTING OFFICE - FOR FURNISHED BY SUBSCRIPTION
1910

REPORT OF THE SECRETARY OF STATE

STATE OF NEVADA, DEPARTMENT OF STATE,
CARSON CITY, December 31, 1918.

To His Excellency, EMMET D. BOYLE, Governor of Nevada.

SIR: I have the honor to transmit herewith my fourth biennial report, covering the years 1917 and 1918, for the office of Secretary of State.

The business of the office is shown in detail in the several tables, with the exception of land patents, of which 585 were placed on record during this biennial period. Lists of motor-vehicle owners were published in pamphlet form, early in each year, and copies furnished to various officials to facilitate the enforcement of the provisions of the motor-vehicle law and the collection of licenses, and I congratulate these officials upon the thoroughness of their work in this respect.

The receipts of the office total \$124,132.07. This is very gratifying, as it continues to show a substantial increase over late preceding years.

The office is in excellent working order and with the system employed the vast amount of business transacted in the office is handled with the greatest possible dispatch.

I wish to thank you and the other state officers for many courtesies received.

Respectfully submitted,

George Brodigan

Secretary of State.

The contract system having proven unsatisfactory and detrimental to the interests of the State, the Legislature of 1879 reestablished the office under the name of "Superintendent of State Printing" (Stats. 1879, p. 138), and make an appropriation to purchase necessary materials.

⁶Appointed by Board of State Printing Commissioners under Stats. 1879, p. 138, for the years 1881—1882, since which time, under the law, the Superintendent of State Printing has been elected by the people every four years, as is the case with all other state officers.
