REPORT OF SECRETARY OF STATE

STATE OF NEVADA, DEPARTMENT OF STATE,
CARSON CITY, December 31, 1920.

To His Excellency, EMMETT D. BOYLE, *Governor of Nevada.*

SIR: I have the honor to transmit herewith my fifth biennial report, covering the years 1919 and 1920, for the office of Secretary of State.

The office is in excellent working order and with the system employed, which is as up-to-date, simple, and practical as can be made, expense considered, the vast amount of business transacted in or through the office is handled with the greatest possible dispatch.

It is gratifying to note the continued and substantial growth of the office business, and although a large proportion of business is done free of charge, the receipts total $246,562.72. There were filed and recorded 1,481 domestic corporations; 44 foreign corporations; 511 land patents, and miscellaneous documents, consisting of commissions, deeds, contracts, etc., too numerous to publish. There were registered and licenses issued for 9,304 automobiles and trucks, 124 motorcycles, and 65 dealers for 1919; and 10,464 automobiles and trucks, 140 motorcycles, and 75 dealers for 1920.

The records of the office have been thoroughly searched and indexed by card system back to the territorial records. The territorial records will be indexed this year, which will bring the office up to the minute.

Wish to thank you and the other State Officers for many courtesies received.

Respectfully submitted,

George Brodigan

Secretary of State.

[23]The Legislature of 1877 abolished the office of State Printer (to take effect January 1, 1879), and state printing was done by contract in 1879 and 1880 (Stats. 1877, p. 161). The contract system having proven unsatisfactory and detrimental to the interests of the State, the Legislature of 1879 reestablished the office under the name of "Superintendent of State Printing" (Stats. 1879, p. 138), and made an appropriation to purchase necessary materials.

[24]Appointed by Board of State Printing Commissioners under Stats. 1879, p. 138, for the years 1881–1882, since which time, under the law, the Superintendent of State Printing has been elected by the people every four years, as is the case with all other state officers.
