REPORT OF SECRETARY OF STATE

STATE OF NEVADA, DEPARTMENT OF STATE,
CARSON CITY, December 31, 1922.

To His Excellency, EMMET D. BOYLE, Governor of Nevada.

SIR: I have the honor to transmit herewith my sixth biennial report, covering the years 1921 and 1922, for the office of Secretary of State.

During my incumbency have completely rearranged the office and introduced up-to-date, simple and practical methods, and am proud to state that the changes have facilitated matters so that any and all office business is transacted in record time. The indexes have been centralized by the new card system and every record from the first filing of the Territorial to the last State record is located in an instant. The office is in excellent working order.

Please note that, although a large proportion of business is done free of charge, the receipts total \$323,220.38. There were filed and duly recorded 614 domestic corporations; 28 foreign corporations; 542 land patents, and miscellaneous documents, consisting of commissions, deeds, contracts, etc., too numerous to publish. There were registered, and licenses issued, for 11,000 automobiles and trucks, 166 motorcycles, and 73 dealers for 1921; and 12,894 automobiles and trucks, 112 motorcycles, and 73 dealers for 1922.

Wish to thank you and the other State Officers for many courtesies received.

Respectfully submitted,

George Brodigan

Secretary of State.

³⁰Decided by Supreme Court to be constitutional office.

³¹Died January 21, 1915, and H. R. Mighels appointed January 22, 1915.

³²The Legislature of 1877 abolished the office of State Printer (to take effect January 1, 1879), and state printing was done by contract in 1879 and 1880 (Stats. 1877, p. 161). The contract system having proven unsatisfactory and detrimental to the interests of the State, the Legislature of 1879 reestablished the office under the name of "Superintendent of State Printing" (Stats. 1879, p. 138), and made an appropriation to purchase necessary materials.

³³Appointed by Board of State Printing Commissioners under Stats. 1879, p. 138, for the years 1881-1882, since which time, under the law, the Superintendent of State Printing has been elected by the people every four years, as is the case with all other state officers.
