LETTER OF TRANSMITTAL

STATE OF NEVADA, DEPARTMENT OF STATE,
CARSON CITY, December 31, 1926.

To His Excellency, J. G. SCRUGHAM, *Governor of Nevada.*

SIR: I have the honor to transmit herewith my second biennial report of the office of Secretary of State for the years 1925–1926.

In the several statements herewith submitted will be found sufficient detail to show the business of the office clearly, but in concise form.

The receipts for corporation fees for 1925 amounted to $49,751.25. For 1926, $94,672.65, an increase over 1925 of $44,921.40 under a 50% cut in the fees.

The additional work required to properly handle the detail in connection with this added volume of business has been executed with efficiency and dispatch, while the force of employees has remained the same and been held to the minimum during the period shown. It will be noted that several tables heretofore carried in reports of this Department have been omitted from this report. This is done in the interest of economy, as all omitted tables are carried in the reports of other departments of the State Government.

I take this opportunity to gratefully acknowledge the many courtesies extended this Department by you and other State and county officers.

Respectfully submitted,

W. G. GREATHOUSE,
Secretary of State.

[23]The Legislature of 1877 abolished the office of State Printer (to take effect January 1, 1879), and state printing was done by contract in 1879 and 1880 (Stats. 1877, p. 161). The contract system having proven unsatisfactory and detrimental to the interests of the State, the Legislature of 1879 reestablished the office under the name of "Superintendent of State Printing" (Stats. 1879, p. 138), and made an appropriation to purchase necessary materials.

[24]Appointed by Board of State Printing Commissioners under Stats. 1879, p. 138, for the years 1881–1882, since which time, under the law, the Superintendent of State Printing has been elected by the people every four years, as is the case with all other state officers.

[25]Resigned November 9, 1868, and B. C. Whitman appointed to fill vacancy.

[26]Died April 21, 1867, and J. Neely Johnson appointed to fill vacancy.
