David Rich

We have great horseback riding areas throughout the Carson Valley, from the Pine Nuts to Fay-Luther Trail, plus many areas both north and south. There aren't too many places you can ski and snowmobile in the morning and horseback or ATV ride in the afternoon.

Ride Easy, Ride Hard

A great motorcycle ride in the Carson Valley and Lake Tahoe area might be all pavement, or mostly dirt, or a combination of both. The Carson Valley is fortunate to be very close to hundreds of miles – thousands, really – of scenic, twisty,

uncongested roads. If you are a street rider and new to the area, head out for some of the High Sierra passes. Carson Pass, Ebbetts Pass, and Monitor Pass are all within about an hour's ride of the Carson Valley. Sonora Pass, Tioga Pass, and Donner Pass are all within two hours.

And the roads to any of those passes are beautiful in their own right. A ride over five of these great mountain passes in a single day is completely feasible. To do it, you'll ride hard, return tired, and won't have a lot of time to stop and see the sights. But you will have one of the best days of your life.

If you're looking for rides on dirt and gravel roads, some of the best dirt riding you'll find anywhere is in the Pine Nut Mountains, on the eastern edge of the Carson Valley. Wide, maintained main roads with firm dirt and loose gravel surfaces can get you into and across the mountains at surprisingly fast speeds. More technical routes will include steep slopes, deep sand, loose rocks, short sight lines, and some water crossings.

And all of this backcountry adventure is just a short ride on paved rural roads from friendly and affordable Carson Valley hotels and restaurants. If you are hauling dirt bikes, there are several

OHV staging areas with plenty of free parking for your truck and trailer. Our area offers a huge variety of great adventure motorcycle rides, whatever type of bike you like to ride, and however you define adventure. Grab your gear, decide whether you want to ride pavement or dirt, and then ask yourself, "How hard do I want to ride today?"

Carson Valley provides a perfect base camp to the Eastern Sierra. It's a fishing paradise, with the numerous rivers, streams and creeks providing a habitat for trophy catch-and-release, wild trout.

clockwise from upper left: Eagles and Agriculture, Music in the parks, Genoa Candy Dance, Harvest Festival,

Carson Valley has many unique and exciting family events throughout the year. Here are some highlights:

Carson Valley Days

The second weekend of June each year, the community celebrates Carson Valley Days. This five-day event showcases small-town U.S.A. and features a parade, carnival, concerts and a variety of unique activities that have been a tradition for over 100 years.

The Annual Genoa Candy Dance

The Candy Dance Arts and Crafts Faire is on the last full weekend of September each year. Come to Genoa and enjoy over 300 craft and food vendors with live music, from rock-n-roll, country-western, swing and hop to waltzes for all ages, and of course candy!

Eagles and Agriculture

The Eagles & Agriculture celebration, every February, is a chance to observe the raptors that visit Carson Valley during the calving season each winter, including bald eagles! Get exclusive access to ranches for viewing, hear directly from the ranchers, and share experiences with other birders and wildlife lovers.

Fourth of July

Carson Valley steps back in time as our local community celebrates with unique family events in small-town style.

left: Cowboy Festival, right: Fourth of July

Genoa Cowboy Festival

Featured artists, like Waddie Mitchell, Dave Stamey, Paul Zarzyski and a host of others, have put this festival, in its first five years, on the map. Put those artists in Genoa, add Native American infusion, dances, dinners, workshops and fine art, and you have three days in May that are not to be missed.

Music in the Parks

Throughout the summer, the parks feature outdoor music events. Choose your spot – Genoa Park, Minden Park, Mormon Station or Gardnerville’s Heritage Park – and drop your blanket.

Harvest Festival

Each October, The Corley Ranch celebrates fall with its Harvest Festival, featuring a corn maze, pig races, miniature horse rides, pick-your-own-pumpkins, and other fun activities.

Christmas in the Valley

Join us in December for a delightful family holiday shopping season in the valley with tree lightings, concerts, German Market Place, an outdoor Christmas market, Breakfast with Santa and the Parade of Lights.

Genoa Concerts on the Green

On warm summer evenings in Genoa, when the sun begins to dip behind the Sierra Nevada, and the shadows grow long, and the light turns amber and gold, people gather in the Genoa Town Park on the green grass with their picnic dinners to listen to music.

Topaz Lodge Fishing Derby

Popular fishing spot on the California-Nevada border, Topaz Lake, hosts its annual Fishing Derby beginning New Year’s Day and going through mid-April, in which anglers catch tagged fish for cash and prizes. A great way to start the New Year!

And More!

On the next page are some more of the wonderful events held in and around Carson Valley. For complete dates and details, visit our website at VisitCarsonValley.org or call 800-727-7677.

Terri Arnold, Carson Valley Rider

While Meha enjoys Carson Valley dining at its roots – home-grown quality alfalfa hay – I recommend experiencing the valley's heritage through its cuisine. Stop at any of the Basque-style family dining choices. Originally from France and Spain, the Basque people brought their sheepherding and culinary talents to the region during the mining boom of the 1880s. The area offers an eclectic mix of – French, Thai, sushi, barbecue, classic steak houses – and fine and casual dining options.
