Every now and then you need to defy convention with a good dose of whoop it up, let your hair down and paint the town red. In Nevada, we pit Lady Luck and her late night shenanigans against Mother Nature and her untracked early morning glades. This winter, discover the stunning natural terrain of Lake Tahoe's 18 world-class resorts.

ALL YOU NEED IS LOVE

John, Paul, George and Ringo. As The Beatles, they changed the world. LOVE, Cirque du Soleil's interpretation of their legacy, has changed entertainment.

With LOVE, Cirque du Soleil celebrates the musical legacy of The Beatles through their timeless, original recordings. These songs, so well-known and yet reinvented, are brought to electric, exuberant life by some of the best aerialists, acrobats and dancers in the world. Using the master tapes at Abbey Road studios, Sir George Martin and Giles Martin have created a unique soundscape of The Beatles music for this unforgettable show. With panoramic sound and visuals, you will experience The Beatles as never before.

The Beatles lent so much to the consciousness of our culture. We agree wholeheartedly with this – LOVE is all you need.

ROD STEWART ROCKS THE COLOSSEUM

A high-energy concert celebration, **Rod Stewart: The Hits** showcases a set list of the iconic rock and R&B favorites that have defined Stewart's unparalleled five-decade-long career including "Maggie May," "Do You Think I'm Sexy," and "Some Guys Have All the Luck" mixed with a few rarities like, "Broken Arrow" and "The Killing of Georgie" and some sizzling covers. This high-impact show will give you that intimate, only-in-Las Vegas concert experience – with no fan more than 120 feet from the magnificent stage.

With his soulful, singular voice and passionate live performances, Rod Stewart has paved one of the most iconic and successful musical careers of all time. His return to Las Vegas continues on the heels of his hotly anticipated autobiography with publishing giant Random House, released in October 2012, and his record-setting second induction into the Rock and Roll Hall of Fame, one of only 18 artists with multiple nominations in the museum's history. A Grammy Living Legend, he has garnered an amazing 18 Grammy nominations and an estimated 250 million album and single sales throughout his prolific career.

ADVENTURES

OVERNIGHT CABINS
& MUCH MORE!

Come and explore Grand Canyon West, the closest Grand Canyon destination to Las Vegas, just 120 miles east of the city. Plan a day visit or an overnight stay in the cabins at the Hualapai Ranch or the Hualapai Lodge on Historic Route 66.

Spread over 9000 acres of the Grand Canyon's West Rim, Grand Canyon West is the only place in the Canyon where you can access a boat ride on the Colorado River via helicopter and is home to the Grand Canyon Skywalk, a glass walkway 4000 feet above the canyon floor. Other attractions include: the Native American Village with authentic dwellings of multiple tribes and live Native American performances; and the Hualapai Ranch, a western town with cowboy entertainment, horseback riding, wagon rides and overnight cabins facing the Canyon rim.

Private vehicles are welcome or all inclusive tours are available from Las Vegas by plane, helicopter, coach and SUV. Grand Canyon West and The Hualapai Lodge are open daily all year, while the Hualapai River Runners, the only one-day whitewater rafting trip through the Grand Canyon, operates March – October.

THE SKY'S THE LIMIT

By Bobbie Katz

Maverick Aviation Group is the only way to fly in Vegas. A leader in the Las Vegas air excursion industry and known for its tours of the Grand Canyon, Maverick boasts two aviation divisions, both of which are experiencing remarkable growth. **Maverick Airlines**, which is located about 20 minutes from the Las Vegas Strip, flies tourists to the **Grand Canyon** and also supplies charter flights. They recently debuted a 37,000-square-foot facility housing a new state-of-the-art hangar and corporate offices. In addition, the airline has three new Cessna Grand Caravan 208 airplanes joining its three existing Beechcraft 1900 planes. The new aircraft will be used for travel to the Grand Canyon West Rim, while the Beechcraft planes will continue to fly to the South Rim.

Likewise, the 18-year-old Strip-located **Maverick Helicopters**, the only company in the world to receive two of the **Travel Channel's "10 Best Helicopter Thrills"** honors and the only helicopter company in Las Vegas to receive the **FAA Award of Excellence "Diamond Award"** for maintenance is planning facility renovations and is adding on to its 30-helicopter fleet. Maverick is the largest operator in the world of the ECO Star helicopter, the premium tourism helicopter. It recently ordered 50 EC130 T2 helicopters, the next evolution of the ECO-Star helicopter. The new helicopters will arrive in Las Vegas beginning in late 2012.

"Our helicopter tours are known for landing at the bottom of the Grand Canyon," says Bryan Kroten, vice president of marketing for Maverick Aviation Group. "Our **Wind Dancer Tour** is one of the most popular excursions we offer. Once

the helicopter lands, people are treated to champagne, drinks and hors d'oeuvres at the bottom of the canyon before departing for Las Vegas. Maverick Helicopters also offers both night and day tours of the Las Vegas Strip. Our **Vegas Night Flight** is very popular. It's about 15 minutes long and people can take great photos of the lit-up boulevard."

"Insofar as our new airplanes, while the helicopters can fly to the West Rim, the airplanes can travel to both the West and South Rims," he continues. "The new Caravans can fly at a lower altitude and have a high-winged design so we can do a sightseeing flight over the **Hoover Dam** as part of the Grand Canyon flight. These planes also have a nine-passenger configuration that allows window seating for each guest. To further enhance each customer's excursion, an air-conditioned cabin and leather bucket seating with extra legroom are offered."

All of Maverick's aircraft offer comfort, security, safety and noise reduction – the company is devoted to giving the best of the best. It has more than 65 helicopter pilots and 12 airline pilots on staff full-time and passengers are briefed before each flight.

The sky's the limit when it comes to Maverick and adventure!

A STEP BACK INTO THE OLD WEST.

GHOST TOWNS & GUNFIGHTERS

[BEATTY / RHYOLITE] From old west shootouts along the streets of Beatty to the desolate quietness of Rhyolite Ghost Town, you'll feel as if you've stepped back in time, to the days when outlaws like Billy the Kid ran-a-muck. The gunslingers that walk these streets today are just having fun, and while reenactments of old west shootouts are a daily occurrence, you'll find nothing but friendly folks and plenty of adventure to be had.
