PREFACE

The Secretary of State's office has prepared this brief summary of the statewide minor political party qualification procedures as printed in Chapter 293 of the Nevada Revised Statutes (NRS) and other pertinent sections of the Nevada Constitution, Title 24 Election Laws of NRS and Nevada Administrative Code (NAC). The purpose of this booklet is to provide an understanding of the procedures and requirements necessary to qualify a minor political party and to gain and maintain ballot access. **It is important to note that this guide is for general information only and does not have the force and effect of Nevada law, regulation or rule.** Interested citizens should obtain the most recent version of NRS, as Nevada's Election Laws are amended each legislative session. Interested parties should also be aware that election issues are periodically addressed by the Attorney General, or by State or Federal courts. Due to the general scope of this guide, some of these issues may not be addressed here. Interested parties should review Attorney General Opinions and court decisions, and should contact the Secretary of State or a Nevada attorney with any specific questions.

MINOR POLITICAL PARTY

QUALIFICATION GUIDE

Procedures to Qualify a Minor Political Party:

To qualify as a minor political party, an organization must: (1) file a **Certificate of Existence** with the Secretary of State's office; (2) obtain ballot access; and (3) file a list of its candidate(s) for partisan office with the Secretary of State's office.

(1) Filing a Certificate of Existence

An organization must file a Certificate of Existence with the Secretary of State's office. The Certificate must include the following:

- a. Name of the political party;
- b. Name of its officers;
- c. Names of the members of its executive committee;
- d. Name of the person authorized to file the list of its candidates for partisan office with the Secretary of State; and
- e. A copy of its constitution or bylaws. (NRS 293.171(1),(2)).

The constitution or bylaws of a minor political party must provide a procedure for the nomination of its candidates in such a manner that only **one candidate** may be nominated for each office. (NRS 293.171(4)).

A minor political party shall file with the Secretary of State an **Amended Certificate of Existence** within five days after any change in the information contained on the Certificate of Existence. (NRS 293.171(3)).

After filing the Certificate of Existence, the minor political party must follow the procedures listed below to obtain ballot access.

(2) Obtaining Ballot Access for the 2010 General Election

A minor political party may obtain ballot access for the 2010 General Election through one of the following four ways. The minor political party will be granted with ballot access if:

- a. At the 2008 General Election, received for any of its candidates, 1% or more of the total votes cast for the offices of Representative in Congress, Districts 1, 2 and 3; (NRS 293.1715(2)(a)).
- b. At least 1% of the total number of registered voters in Nevada have designated the minor political party on applications to register to vote; (NRS 293.1715(2)(b)).

c. Has submitted a petition for minor party ballot access containing valid signatures equal to 1% of the total number of votes cast at the last General Election for the offices of Representative in Congress, Districts 1, 2 and 3 with the appropriate County Clerk/Registrar of Voters for signature verification, no later than July 7, 2010, and after verification, filed with the Secretary of State's offices, no later than August 8, 2010; (NRS 293.1715(2)(c), 293.172(1)(c));

Total votes cast for Representative in Congress in the 2008 General Election.....	908,254
Total number of valid signatures needed to qualify a minor political party for 2010.....	9,083*

d. Qualified one or more of its candidates for partisan office, other than the office of the President or Vice President, on the ballot by filing a petition on behalf of a candidate for statewide office containing 250 valid signatures or a petition containing 100 valid signatures for any office except a statewide office. (NRS 293.1715(3)).

(3) Filing a List of Its Candidates For Partisan Office

A minor political party must file with the Secretary of State's office a list of its candidate(s) for partisan office not earlier than March 1, 2010, nor later than 5:00 p.m. on March 12, 2010. The list must be signed by the person authorized in the Certificate of Existence before a notary public or other person authorized to take acknowledgments.

Requirements of Petitions to Qualify for Ballot Access:

As stated above, two of the four ways that a minor political party may qualify for ballot access involve a petition. The petition requirements are as follows:

The party must first file a copy of the petition with the Secretary of State before the petition may be circulated for signatures. The format of the petition is described on page 6. If the office to which the candidate is to be nominated is a county office, only the registered voters of that county may sign the petition. If the office to which the candidate is to be nominated is a district office, only the registered voters of that district may sign the petition. The signatures obtained must then be verified by the County Clerks/Registrars in the counties where the petition was circulated. The signature verification process is described on page 7. After signature verification, the County Clerks/Registrars notify the Secretary of State's office. The Secretary of State then notifies the petitioners whether the petition qualified based on the results of the signature verification. (NRS 293.1715(5), 293.172(1)(c),(2)).

* The number is rounded up due to the 1% of the total votes cast for Representative in Congress being 908,254. Therefore, to meet the statutory requirement of at least 1%, the number must be rounded up to the next highest number.

Procedure for Continued Existence As a Minor Political Party:

If a minor political party does not place the name of at least one candidate on the 2010 General Election ballot, the minor political party must file a **Notice of Continued Existence** with the Secretary of State no later than June 11, 2010. A minor political party which fails to file a Notice of Continued Existence **ceases to exist as a minor political party in this state.** (NRS 293.171(5)(6)).

Maintaining Ballot Access After the 2010 General Election:

A minor political party maintains ballot access for the 2010 General Election if:

- a. Any of its candidates for partisan office receives a number of votes equal to at least 1% or more of the total number of votes for the office of Representative in Congress, Districts 1, 2 and 3 at the 2010 General Election; (NRS 293.1715(2)(a)); or
- b. At least 1% of the total number of registered voters in Nevada has designated the minor political party on applications to register to vote. (NRS 293.1715(2)(b)).

If a minor political party meets either of these requirements, it will not have to petition to maintain ballot access for the 2010 General Election.

Each candidate on the list must file the Declaration of Candidacy with the appropriate filing officer and pay the appropriate fee, if any. Please note that no change may be made on the ballot after June 15, 2010. If a nominee dies after that date, such nominee's name must remain on the ballot and if the deceased nominee is elected, a vacancy is created. (NRS 293.165(4)).

MINOR POLITICAL PARTY PETITION

VERIFICATION PROCESS

Step 1:

All documents of a petition must be submitted to the appropriate County Clerk/Registrar at the same time. The Clerk/Registrar counts the **total** number of signatures on the petition and forwards that number to the Secretary of State. This is the “**raw count.**” (NRS 293.12758; 293.1276).

Time frame: The County Clerk/Registrar must complete the raw count within 4 days after submission of the petition excluding Saturdays, Sundays, holidays. (NRS 293.1276(1)).

Step 2:

Based on the **raw count** information received from the County Clerk/Registrar, the Secretary of State determines whether the number of signatures is 100% of the number needed. If the **raw count** indicates that the petition contains less than 100% of the signatures needed, the Secretary of State notifies the person who submitted the petition and the County Clerk/Registrar that no further action will be taken on the petition. If the **raw count** indicates that the petition contains 100% or more of the number of signatures required, the Secretary of State notifies the County Clerk/Registrar. (NRS 293.1276; 293.1277(1)).

Time frame: Immediately after the Secretary of State receives the **raw count** from all counties the Secretary of State determines if the petition contains the number of signatures needed to declare the petition sufficient. (NRS 293.1277(1)).

Step 3:

If the Secretary of State notifies the County Clerk/Registrar that the petition contains the number of signatures required, the County Clerk/Registrar shall verify the petition. The Clerk/Registrar shall allow the person who submitted the petition or a member of the petitioner’s committee to witness the signature verification. If more than 500 names have been submitted, the County Clerks/Registrar shall randomly sample 500 or 5% of the signatures whichever is greater. Upon completing the examination, each County Clerk/Registrar shall transmit the documents with a certificate showing the results of his examination to the Secretary of State. The County Clerks/Registrar shall also notify the Secretary of State of requests to remove a name from the petition (NRS 293.1277(2)(4)).

Time frame: Signature verification must be completed **within 9 days** after notification from the Secretary of State, excluding Saturdays, Sundays and holidays. (NRS 293.1277(1)).

MINOR POLITICAL PARTY PETITION

VERIFICATION PROCESS - DETERMINATION OF SUFFICIENCY

The Secretary of State determines whether or not the petition is sufficient based on the County Clerks/Registrars' certified results of the signature verification.

1. If the Secretary of State finds that the number of valid signatures is **less than 100%** of the number of registered voters required to declare the petition sufficient (or less than 90% if the verification was conducted pursuant to a random sampling):

Result: The petition **fails to qualify**, and the Secretary of State shall immediately notify the petitioners and the County Clerks/Registrars. No further action is taken. (NRS 293.1278(1)).

2. If the Secretary of State finds that the number of valid signatures, not including those who requested their signature to be removed before verification, is equal to or greater than 100% of the number of registered voters required to declare the petition sufficient:

Result: The petition is **deemed qualified** as of the date the Secretary of State receives the final certificates of results. The Secretary of State immediately notifies the County Clerks/Registrars and the petitioners. (NRS 293.1278(2)).

3. If the signature verification was conducted pursuant to a **random sampling** of the greater of 500 signatures or 5% of the total contained on the petition, and the Secretary of State finds the number of valid signatures, not including those who requested their signature to be removed before verification, is **90% or greater, but less than 100%** of the required number of registered voters needed to declare the petition sufficient:

Result: The Secretary of State directs the County Clerks/Registrars to **reexamine the signatures** for verification. The County Clerks/Registrars will verify each signature on the petition to determine whether 100% or more of the required number of voters signed the petition.

The County Clerks/Registrars must complete this process **within 12 working days** after receiving the order of the Secretary of State.

After completing the reexamination of signatures for verification, the County Clerks/Registrars will forward an **amended certificate of results** to the Secretary of State. NRS 293.1279; 293.1278(2).

MINOR POLITICAL PARTY PETITION
VERIFICATION PROCESS - FILING AN APPEAL

If a petition for a minor party qualification fails for lack of signatures, the person who submitted the petition may contest the signature verification by filing an appeal with the Secretary of State. The appeal must:

- a. Be filed within 5 working days after receipt of the Secretary of State's Notice of Determination of Sufficiency;
- b. Include the reasons for the appeal; and
- c. Include a statement of the number of signatures, if any, that the County Clerk/Registrar determined were invalid.

If the appeal is based on the results of the signature verification, the Secretary of State will:

- a. If the Secretary of States agrees with the persons who filed the appear, order the County Clerk/Registrar to recertify the petition to include all contested signatures which the Secretary of State determines are valid as verified signatures.
- b. If the Secretary of State does not agree with the persons who filed the appeal, notify that person and the County Clerk/Registrar that the petition remains insufficient.
- c. If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted, he may order the County Clerk/Registrar to reverify the signatures.
- d. The decision of the Secretary of State is a final decision for the purposes of judicial review. The decision of the Secretary of State may be appealed, but only in the First Judicial District Court in Carson City, Nevada. (NRS 293.12793; 293.12795).

MINOR POLITICAL PARTY / CANDIDATE PETITION
COURT CHALLENGES

The qualification of a minor political party may be challenged in court. If such a challenge is filed, all affidavits and supporting documents must be filed by 5 p.m., August 20, 2010, in the First Judicial District Court in Carson City, Nevada. (NRS 293.174(1)).

The qualification of a Minor Political Party candidate, other than a candidate for the office of the President or Vice President, may also be challenged in court. If such a challenge is filed, all affidavits and supporting documents must be filed by 5 p.m., March 22, 2010, in either the First Judicial District Court in Carson City, Nevada if the Secretary of State is the candidate's filing officer or in the district court for the county where the candidate's Declaration of Candidacy was filed. (NRS 293.174(2)).

The area must be reasonable and may be inside or outside of the building. Each public officer or employee in control of the operation of a building governed by this subsection shall:

(a) Designate the area at the building for the gathering of signatures; and

(b) On an annual basis, submit to the Secretary of State and the county clerk for the county in which the building is located a notice of the area at the building designated for the gathering of signatures on a petition. The Secretary of State and the county clerks shall make available to the public a list of the areas at public buildings designated for the gathering of signatures on a petition.

(Added to NRS by 1985, 1090; A 1987, 1361; 1993, 2665; 1997, 750; 1999, 2147)

NRS 293.1277 Verification of signatures by county clerks.

1. If the secretary of state finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, he shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in his county.

2. If more than 500 names have been signed on the documents submitted to him, a county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, he shall ensure that every application in the file is examined, including any application in his possession which may not yet be entered into his records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his determination.

4. Except as otherwise provided in subsection 6, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of his examination and transmit the documents with the certificate to the secretary of state. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the secretary

of state, the county clerk shall notify the secretary of state of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

5. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

6. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the secretary of state the documents containing the signatures of the registered voters.

7. The secretary of state may by regulation establish further procedures for carrying out the provisions of this section.

(Added to NRS by 1985, 1090; A 1987, 1361; 1993, 2665; 1995, 2257; 1997, 750; 1999, 2147; 2001, 641)

NRS 293.1278 Qualification or disqualification of petition upon receipt of certificates or amended certificates by secretary of state.

1. If the certificates received by the secretary of state from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the secretary of state shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the petition shall be deemed to qualify as of the date of receipt by the secretary of state of those certificates, and the secretary of state shall immediately so notify the petitioners and the county clerks.

3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to NRS 295.055 or 306.015 shall remove each name as requested, amend the certificate and transmit the amended certificate to the secretary of state. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient, the petition shall be deemed to qualify as of the date of receipt by the secretary of state of the amended certificates, and the secretary of state shall immediately so notify the petitioners and the county clerks.

(Added to NRS by 1985, 1091; A 1993, 2666; 2001, 642)

NRS 293.1279 Qualification or disqualification of petition upon verification of signatures.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. If the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until he has removed each name as requested pursuant to NRS 295.055 or 306.015.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk shall determine from the records of registration what number of registered voters have signed the petition. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records

of registration what number of registered voters have signed the petition, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which he receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, he shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

(Added to NRS by 1985, 1091; A 1985, 551; 1987, 1362; 1993, 2666; 1997, 751; 1999, 2148; 2001, 642; 2003, 2174)

The appeal must:

(a) Be filed within 5 working days after receipt of notification of the determination of the secretary of state;

(b) Include each reason for the appeal; and

(c) Include a statement of the number of signatures, if any, that the county clerk determined were invalid.

2. The secretary of state shall:

(a) If the petition was circulated pursuant to chapter 306 of NRS, immediately notify the public officer who is the subject of the petition of the appeal by the person who submitted the petition; and

1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to NRS 293.1277 or 293.1279, the secretary of state shall:

(a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the secretary of state determines are valid. If the county clerk has not yet removed each name as requested pursuant to NRS 295.055 or 306.015, the county clerk shall do so before recertifying the petition.

(b) If he does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the secretary of state is unable to make a decision on the appeal based upon the documents submitted to him, the secretary of state may order the county clerk to reverify the signatures.

3. The decision of the secretary of state is a final decision for the purposes of judicial review. The decision of the secretary of state may only be appealed in the first judicial district court.

2. A vacancy occurring in a nonpartisan nomination after the close of filing and on or before 5 p.m. of the second Tuesday in June must be filled by filing a nominating petition that is signed by registered voters of the State, county, district or municipality who may vote for the office in question. Each board of county commissioners shall first meet separately and determine the single candidate it will nominate to fill the vacancy. Then, the boards shall meet jointly and the chairmen on behalf of the boards shall cast a proportionate number of votes according to the percent, rounded to the nearest whole percent, which the population of its county is of the population of the entire district. Populations must be determined by the last decennial census or special census conducted by the Bureau of the Census of the United States Department of Commerce. The person who receives a plurality of these votes is appointed to fill the vacancy. If no person receives a plurality of the votes, the boards of county commissioners of the respective counties shall each as a group select one candidate, and the nominee must be chosen by drawing lots among the persons so selected.

2. No change may be made on the ballot after the first Tuesday after the primary election of the year in which the general election is held. If a nominee dies after that date, his name must remain on the ballot and, if elected, a vacancy exists.
