PREFACE

The Secretary of State’s office has prepared this brief summary of the statewide minor political party qualification procedures, as printed in [Chapter 293](#) of the Nevada Revised Statutes (NRS) and other pertinent sections of the Nevada Constitution, Title 24 of the NRS, and the Nevada Administrative Code (NAC). The purpose of this guide is to provide a general understanding of the procedures and requirements necessary to qualify as a minor political party and to gain and maintain ballot access. **It is important to note that this guide is for general information only. It does not have the force and effect of Nevada law, regulation, or rule.** Interested citizens should obtain the most recent version of the NRS since Nevada’s election laws are amended each legislative session. Interested parties should also be aware that election issues are periodically addressed by the Attorney General, or by state or federal courts. Due to the general scope of this guide, some of these issues may not be addressed here. Interested parties should review Attorney General Opinions and court decisions, and should contact the Secretary of State or a Nevada attorney with any specific questions.

PROCEDURES TO QUALIFY AS A MINOR POLITICAL PARTY

To qualify as a minor political party, an organization must file a Certificate of Existence and a copy of the constitution or bylaws of the party with the Secretary of State's office ([NRS 293.171](#)). In order to obtain ballot access, a qualified minor party must successfully complete one of the three procedures listed in section (2) below ([NRS 293.1715](#)). Once qualified for ballot access, a minor political party that wishes to place candidates on the ballot for the general election must file a list of its candidates for partisan office with the Secretary of State's office no later than the close of the candidate filing period ([NRS 293.1725](#)).

(1) QUALIFICATION

To qualify as a minor political party, an organization must file a Certificate of Existence with the Secretary of State's office. The Certificate must include the following information:

- a. Name of the political party;
- b. Names of its officers;
- c. Names of the members of its executive committee;
- d. Name of the person authorized to file the list of its candidates for partisan office with the Secretary of State; and
- e. A copy of its constitution or bylaws ([NRS 293.171\(1\)\(2\)](#)).

The constitution or bylaws of a minor political party must provide a procedure for the nomination of its candidates in such a manner that only one candidate may be nominated for each office ([NRS 293.171\(4\)](#)).

A minor political party shall file with the Secretary of State an Amended Certificate of Existence within five (5) days after any change in the information contained on the Certificate of Existence ([NRS 293.171\(3\)](#)).

A minor political party whose candidates for partisan office do not appear on the ballot for the 2022 General Election must file a Notice of Continued Existence with the Secretary of State's office not later than Friday, August 12, 2022. If a minor political party that does not have ballot access fails to file a Notice of Continued Existence by the deadline, it ceases to exist as a minor political party in Nevada ([NRS 293.171\(5\)\(6\)](#)).

(2) OBTAINING BALLOT ACCESS FOR THE 2022 GENERAL ELECTION

A minor political party will be granted ballot access for the 2022 General Election, if:

1. At the 2020 General Election, the minor political party received for any of its candidates 1% or more of the total votes cast for the offices of Representative in Congress ([NRS 293.1715\(2\)\(a\)](#));
2. On January 1, 2022, at least 1% of the total number of registered voters in Nevada have designated the minor political party on applications to register to vote ([NRS 293.1715\(2\)\(b\)](#)); or

3. Not later than June 17, 2022, it has submitted a petition for minor party ballot access containing valid signatures equal to 1% of the total number of votes cast at the 2020 General Election for the offices of Representative in Congress with the appropriate County Clerk/Registrar of Voters for signature verification ([NRS 293.1715\(2\)\(c\)](#) and [293.172\(1\)\(c\)](#)).

The names of candidates for partisan office of a minor political party never appear on the primary election ballot. Instead, candidates of a minor political party only appear on the general election ballot ([NRS 293.1715\(1\)](#)). The name of only one candidate of each minor political party for each partisan office may appear on the ballot for a general election ([NRS 293.1715\(3\)](#)).

Total votes cast for Representative in Congress in the 2020 General Election	1,355,607
1% of total votes cast for Representative in Congress in the 2020 General Election	13,556
Total number of registered voters in Nevada on January 1, 2022	1,848,969
1% of total number of registered voters in Nevada on January 1, 2022	18,490*
Total number of valid signatures needed to qualify for ballot access for the 2022 General Election	13,556

(3) FILING A LIST OF CANDIDATES FOR PARTISAN OFFICE

A minor political party with ballot access, or that is attempting to gain ballot access through the petition process outlined in [NRS 293.1715\(2\)\(c\)](#), must file with the Secretary of State's office a list of its candidate for partisan office not earlier than Monday, March 7, 2022, and not later than 5:00 p.m. on Friday, March 18, 2022. The list must be signed by the person authorized to do so in the Certificate of Existence of the minor party before a notary public or other person authorized to take acknowledgments ([NRS 293.1725\(1\)](#)). Each candidate on the list must file his or her declaration of candidacy with the appropriate filing officer and pay the filing fee not earlier than the date on which the list of candidates for partisan office of the minor political party is filed with the Secretary of State and not later than 5:00 p.m. on Friday, March 18, 2022 ([NRS 293.1725\(3\)](#)).

*The number is rounded up in order to meet the statutory requirement of at least 1%.

REQUIREMENTS OF PETITIONS TO QUALIFY FOR BALLOT ACCESS

Before a petition for ballot access may be circulated for signatures, the minor political party must first file a copy of the petition with the Secretary of State's office ([NRS 293.1715\(4\)](#)). The format of the petition is described on page 9 of this guide. If the office to which the candidate is to be nominated is a county office, only the registered voters of that county may sign the petition. If the office to which the candidate is to be nominated is a district office, only the registered voters of that district may sign the petition ([NRS 293.172\(2\)](#)). The signatures obtained must be verified by the County Clerk/Registrar of Voters in the county where the petition was circulated. The signature verification process is described on page 10 of this guide. After signature verification, the County Clerks/Registrars of Voters notify the Secretary of State's office of the results. The Secretary of State then notifies the petitioners whether the petition qualified or failed.

○ PROCEDURE FOR CONTINUED EXISTENCE AS A MINOR POLITICAL PARTY

A minor political party whose candidates for partisan office do not appear on the ballot for the 2022 General Election must file a Notice of Continued Existence with the Secretary of State's office not later than Friday, August 12, 2022. If a minor political party that does not have ballot access fails to file a Notice of Continued Existence by the deadline, it ceases to exist as a minor political party in Nevada ([NRS 293.171\(5\)\(6\)](#)).

○ MAINTAINING BALLOT ACCESS AFTER THE 2020 GENERAL ELECTION

A minor political party will maintain ballot access for the 2020 General Election if:

1. At the 2022 General Election, the minor political party receives for any of its candidates 1% or more of the total votes cast for the offices of Representative in Congress ([NRS 293.1715\(2\)\(a\)](#)); **or**
2. On January 1, 2024, at least 1% of the total number of registered voters in Nevada have designated the minor political party on applications to register to vote ([NRS 293.1715\(2\)\(b\)](#)).

If a minor political party meets either of these requirements, it will not have to petition to maintain ballot access for the 2024 General Election.

IMPORTANT DATES

- January 1, 2022** A minor political party may qualify for ballot access if at least 1% of the total number of registered voters in Nevada have designated the minor political party on applications to register to vote by this date ([NRS 293.1715\(2\)\(b\)](#)).
- March 7, 2022 through March 18, 2022** Period during which a minor political party may file a list of candidates with the Secretary of State. The list of candidates may not be amended after 5:00 p.m. on March 18, 2022 ([NRS 293.1725\(1\)](#)).
- March 7, 2022 through March 18, 2022** Period during which a minor political party candidate may file a Declaration of Candidacy and pay the appropriate filing fee for the purpose of having the candidate's name appear on the 2022 General Election ballot ([NRS 293.1725\(3\)](#)).
- May 17, 2022** Last day for a minor political party seeking ballot access to submit a petition containing the signatures of at 1% of the total number of votes cast at the 2020 General Election for the offices of Representative in Congress to the County Clerks/Registrars of Voters for signature verification ([NRS 293.172\(1\)\(c\)](#)).
- June 1, 2022** Last day for a minor political party ballot access petition containing the signatures of at least 1% of the total number of votes cast at the 2020 General Election for the offices of Representative in Congress to be submitted to the Secretary of State after signature verification by the County Clerks/Registrars of Voters ([NRS 293.1715\(2\)\(c\)](#)).
- August 12, 2022** Last day for a minor political party that does not qualify for 2022 General Election ballot access to file a Notice of Continued Existence with the Secretary of State. Failure to file the Notice of Continued Existence by the deadline causes the minor political party to cease to exist ([NRS 293.171\(5\)\(6\)](#)).

LIST OF CANDIDATES AND VACANCIES

A list of candidates must be filed with the Secretary of State between March 7, 2022, and March 18, 2022, before any minor political party candidates may file for office. The list must be signed by the person authorized in the minor political party's Certificate of Existence before a notary public or other person authorized to take acknowledgements. The list may be amended until 5 p.m. on the last day that the list may be filed ([NRS 293.1725\(1\)](#)).

The Secretary of State will forward a certified copy of the minor political party's list of candidates for partisan office to the filing officer with whom each candidate must file a Declaration of Candidacy. Each candidate on the list must file a Declaration of Candidacy with the appropriate filing officer and pay the appropriate fee, if any. The minor party candidate may file a Declaration of Candidacy during the period from March 7, 2022 to March 16, 2018 ([NRS 293.1725\(2\)\(3\)](#)).

The names on the list of candidates of a minor political party will not appear on the 2022 Primary Election ballot; however, the names will appear on the 2022 General Election ballot. Please note that each minor party may have only one candidate for each office appearing on the 2022 General Election ballot ([NRS 293.1715\(1\)\(2\)](#)).

When applicable, a minor political party that wishes to place candidates for the offices of President and Vice President of the United States on the ballot and has qualified to place the names of its candidates for partisan office on the ballot for the general election, must file with the Secretary of State a certificate of nomination for these offices not later than the last Tuesday in August ([NRS 293.1725\(4\)](#) and [NRS 298.035\(2\)](#)).

○ FILLING A VACANCY

A vacancy occurring in a minor political party's nomination for a partisan office may be filled by a candidate designated by the minor party's executive committee, except for a vacancy occurring in a party nomination for the office of State Senator or Assemblyperson from a multi-county legislative district. The designation must be filed before 5:00 p.m. on Friday, July 22, 2022. The nominated candidate must file a declaration of candidacy and pay the filing fee by 5:00 p.m. on the date the designation is filed ([NRS 293.165\(1\)\(5\)](#)).

For the procedure to fill a vacancy occurring in a minor party nomination for the office of State Senator or Assemblyperson from a multi-county legislative district, please see [NRS 293.166\(1\)](#).

Please note that no change may be made on the 2022 General Election ballot after Friday, July 22, 2022. If a nominee dies after that date, or a vacancy in the nomination is otherwise created, the nominee's name must remain on the ballot and if the nominee is elected, a vacancy is created ([NRS 293.165\(4\)](#) and [NRS 293.166\(3\)](#)).

BALLOT ACCESS PETITION FORMAT

Pursuant to [NRS 293.172](#), [NRS 293.12757](#), [NRS 293.12758](#), and [NAC 293.182](#) the following are the requirements of a minor political party ballot access petition:

- The petition may consist of more than one document;
- Each document of the petition may consist of one or more pages and must be bound together;
- Each document must bear the name of the minor political party, and if applicable, the candidate and office to which the candidate is to be nominated;
- Each document must bear the name of a county, and only registered voters of that county may sign the document;
- Each document must contain sequentially numbered spaces for the name of each person who signs the petition, the signature of that person, the residence address of that person, the name of the county where that person is registered to vote, and the date of the signature;
- Each document must contain an affidavit of the person who circulated the document, verifying that the signers, to the best of his or her belief, are registered voters in the State and were signed in his/her presence. The affidavit must be on the last page of each document and be signed before a person authorized by law to administer oaths in the Nevada (e.g., a notary public);

Please Note: The circulator is **not** required to be a registered voter in Nevada. ([Attorney General Opinion No. 99-37](#), dated 12/01/99)

- The circulator of the petition must be 18 years of age or older.
- Each signature on the petition must be in ink. The County Clerk/Registrar of Voters will disregard any signature that is not signed in ink; and
- Each page of the document must be sequentially numbered, beginning with the number one (1) for each document. The County Clerk/Registrar of Voters cannot accept a petition unless each page of the document is numbered.

THE SECRETARY OF STATE DOES NOT APPROVE THE LEGALITY OF THE PETITIONS

A challenge to the form of the petition must be made in a district court in the county that is named on the document.

NOTE: Sample petition is provided in the Appendix.

PETITION VERIFICATION PROCESS

Step 1:

All documents of a petition must be submitted to the appropriate County Clerk/Registrar of Voters at the same time. The County Clerk/Registrar of Voters counts the total number of signatures on the petition and forwards that number to the Secretary of State. This is known as the “raw count” ([NRS 293.12758](#) and [NRS 293.1276](#)).

Time frame: The County Clerk/Registrar of Voters must complete the raw count within two (2) days after submission of the petition, excluding Saturdays, Sundays, and holidays ([NRS 293.1276\(1\)](#)).

Step 2:

Based on the raw count information received from the County Clerk/Registrar of Voters, the Secretary of State determines whether the number of signatures is 100% or more of the number needed. If the raw count indicates that the petition contains less than 100% of the signatures needed, the Secretary of State notifies the person who submitted the petition that it fails and no further action will be taken on the petition. If the raw count indicates that the petition contains 100% or more of the number of signatures required, the Secretary of State notifies the County Clerk/Registrar of Voters ([NRS 293.1276](#) and [NRS 293.1277\(1\)](#)).

Time frame: Immediately after the Secretary of State receives the raw count from all the counties, the Secretary of State determines if the petition contains the number of signatures needed to proceed to the signature verification process ([NRS 293.1277\(1\)](#)).

Step 3:

If the Secretary of State notifies the County Clerk/Registrar of Voters that the petition contains 100% or more of the number of signatures required, the County Clerk/Registrar of Voters will verify the signatures. The County Clerk/Registrar of Voters must allow the person who submitted the petition or a member of the petitioner’s committee to witness the signature verification. If more than 500 names have been submitted, the County Clerks/Registrar of Voters will randomly sample 500 or 5% of the signatures, whichever is greater. Upon completing the examination, each County Clerk/Registrar of Voters will transmit the documents with a certificate showing the results of his or her examination to the Secretary of State. The County Clerk/Registrar of Voters will also notify the Secretary of State of requests to remove a name from the petition ([NRS 293.1277\(2\)\(4\)](#)).

Time frame: Signature verification must be completed within three (3) days after notification from the Secretary of State, excluding Saturdays, Sundays, and holidays ([NRS 293.1277\(1\)](#)).

○ DETERMINATION OF SUFFICIENCY

The Secretary of State determines whether or not the petition is sufficient based on the County Clerks'/Registrars' of Voters certified results of the signature verification.

1. If the Secretary of State finds that the number of valid signatures is less than 100% of the number of registered voters required to declare the petition sufficient (or less than 90% if the verification was conducted pursuant to a random sampling):

Result: The petition fails to qualify, and the Secretary of State shall immediately notify the petitioners and the County Clerks/Registrars of Voters. No further action is taken regarding the petition ([NRS 293.1278\(1\)](#)).

2. If the Secretary of State finds that the number of valid signatures is equal to or greater than 100% of the number of registered voters required to declare the petition sufficient plus the total number of requests to remove a name:

Result: The petition is deemed qualified as of the date the Secretary of State receives the final certificates of results. The Secretary of State immediately notifies the County Clerks/Registrars of Voters and the petitioners ([NRS 293.1278\(2\)](#)).

3. If the signature verification was conducted pursuant to a random sampling of the greater of 500 signatures or 5% of the total signatures contained on the petition, and the Secretary of State finds the number of valid signatures is 90% or greater, but less than 100% of the required number of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name:

Result: The Secretary of State directs the County Clerks/Registrars of Voters to reexamine the signatures. The County Clerks/Registrars of Voters will verify each signature on the petition to determine whether 100% or more of the required number of voters signed the petition ([NRS 293.1279\(1\)](#)). The County Clerks/Registrars of Voters must complete this process within five (5) working days after receiving the order of the Secretary of State. After completing the reexamination of signatures, the County Clerks/Registrars of Voters will forward an amended certificate of results to the Secretary of State ([NRS 293.1279\(1\)](#)).

○ FILING AN APPEAL

If a petition for a minor party qualification fails for lack of signatures, the person who submitted the petition may contest the signature verification by filing an appeal with the Secretary of State. The appeal must:

- a. Be filed within five (5) working days after receipt of the Secretary of State's determination of insufficiency;
- b. Include the reason(s) for the appeal; and
- c. Include a statement of the number of signatures, if any, that the County Clerk/Registrar of Voters determined were invalid.

The Secretary of State will consider the allegations and conduct an investigation, if necessary. If the Secretary of States agrees with the persons who filed the appeal, he/she will order the County Clerk/Registrar of Voters to recertify the petition to include all contested signatures which the Secretary of State determines are valid as verified signatures.

If the Secretary of State does not agree with the persons who filed the appeal, he/she will notify that person and the County Clerk/Registrar of Voters that the petition remains insufficient. If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted, he/she may order the County Clerk/Registrar of Voters to re-verify the signatures.

The decision of the Secretary of State is a final decision for the purposes of judicial review. The decision of the Secretary of State may be appealed, but only in the First Judicial District Court in Carson City, Nevada ([NRS 293.12793](#) and [NRS 293.12795](#)).

○ **COURT CHALLENGES**

The qualification of a minor political party to place the names of candidates on the ballot may be challenged in court. If such a challenge is filed, all affidavits and supporting documents must be filed by 5 p.m., June 24, 2022, in the First Judicial District Court in Carson City, Nevada. Any judicial proceeding resulting from the challenge must be set for hearing later than June 29, 2022. The district court must give priority to such proceedings over all other matters pending with the court, except for criminal proceedings. ([NRS 293.174](#)).

NRS 293.127565 Use of public buildings to gather signatures on petitions; remedy for violation; regulations.

1. At each building that is open to the general public and occupied by the government of this State or a political subdivision of this State or an agency thereof, other than a building of a public elementary or secondary school, an area must be designated for the use of any person to gather signatures on a petition at any time that the building is open to the public. The area must be reasonable and may be inside or outside of the building. Each public officer or employee in control of the operation of a building governed by this subsection shall:
 - (a) Designate the area at the building for the gathering of signatures; and
 - (b) On an annual basis, submit to the Secretary of State and the county clerk for the county in which the building is located a notice of the area at the building designated for the gathering of signatures on a petition. The Secretary of State and the county clerks shall make available to the public a list of the areas at public buildings designated for the gathering of signatures on a petition.
2. Before a person may use an area designated pursuant to subsection 1, the person must notify the public officer or employee in control of the operation of the building governed by subsection 1 of the dates and times that the person intends to use the area to gather signatures on a petition. The public officer or employee may not deny the person the use of the area.
3. Not later than 3 working days after the date of the decision that aggrieved the person, a person aggrieved by a decision made by a public officer or employee pursuant to subsection 1 or 2 may appeal the decision to the Secretary of State. The Secretary of State shall review the decision to determine whether the public officer or employee violated subsection 1 or 2. If the Secretary of State determines a public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Secretary of State shall order that the deadline for filing the petition provided pursuant to [NRS 293.128](#), [293.165](#), [293.172](#), [293.200](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#) must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.
4. The decision of the Secretary of State is a final decision for the purposes of judicial review. Not later than 7 days after the date of the decision by the Secretary of State, the decision of the Secretary of State may only be appealed in the First Judicial District Court. If the First Judicial District Court determines that the public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Court shall order that the deadline for filing the petition provided pursuant to [NRS 293.128](#), [293.165](#), [293.172](#), [293.200](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#) must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.
5. The Secretary of State may adopt regulations to carry out the provisions of subsection 3.

1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 2 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#), the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.
2. If the Secretary of State finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, the Secretary of State shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.
3. After the petition is submitted to the county clerk, it must not be handled by any other person except by an employee of the county clerk’s office until it is filed with the Secretary of State.
4. The Secretary of State may adopt regulations establishing procedures to carry out the provisions of this section.

(Added to NRS by [1985, 1090](#); A [1987, 1361](#); [1993, 2665](#); [1997, 750](#); [1999, 2147](#); [2009, 2588](#); [2011, 1784, 3271](#); [2015, 3568](#))

NRS 293.1277 Verification of signatures by county clerks; regulations.

1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. After the notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk’s county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk’s county. This determination must be completed within 9

days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 3 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#). For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsection 3, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater. If documents were submitted to the county clerk for more than one petition district wholly contained within that county, a separate random sample must be performed for each petition district.
3. If a petition district comprises more than one county and the petition is for an initiative or referendum proposing a constitutional amendment or a statewide measure, and if more than 500 names have been signed on the documents submitted for that petition district, the appropriate county clerks shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.
4. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.
5. If:
 - (a) Pursuant to [NRS 293.506](#), a county clerk establishes a system to allow persons to register to vote by computer; or
 - (b) A person registers to vote pursuant to [NRS 293D.230](#) and signs his or her application to register to vote using a digital signature or an electronic signature, the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.
6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to [NRS 293.675](#).
7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to [NRS 295.055](#) or [306.015](#).

8. A person who submits a petition to the county clerk which is required to be verified pursuant to [NRS 293.128](#), [293.172](#), [293.200](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#) must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.
9. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.
10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

[NRS 293.1278](#) Qualification or disqualification of petition upon receipt of certificates or amended certificates by Secretary of State.

1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.
2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#) and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.
3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#) shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

[NRS 293.1279](#) Qualification or disqualification of petition upon verification of signatures; regulations.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#).
2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of

100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#). In the case of a petition for initiative or referendum that proposes a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to [NRS 295.012](#) plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to [NRS 295.055](#), the Secretary of State may order a county clerk to examine every signature for verification.

3. After the receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. This determination must be completed within 12 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 5 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#). If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.
4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition for initiative or referendum to propose a constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.
5. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.
6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.
7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.
8. The Secretary of State shall adopt regulations to carry out the provisions of this section.

 - (a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the secretary of state determines are valid.
