from our Director...

Welcome to the 2015/2016 Fall/Winter edition of the IVGID Recreation Activity Guide (part of the IVGID Quarterly). I am honored to introduce this special edition and share with you the activities and events we will be offering this Fall/Winter!

I am grateful for our dynamic, professional staff and the programs, facilities & events we operate within the Parks and Recreation Department. It would not be possible to provide exciting, safe and successful programs and events without the dedicated, hard-working employees of the Parks and Recreation Department.

This past summer, creative programs like the children's "Author Academy," and the adult's "Five Peaks in Five Weeks" were at an all time high attendance and satisfaction. Additionally the beaches, ball fields, and the Tennis Center provided outstanding recreational opportunities all summer. We strive to focus on providing valuable programs and events here in Incline Village and Crystal Bay.

This Fall/Winter season, the Parks and Recreation Department will be offering programs and events for ages zero to 100 years old! From infant "Mommy & Me" swim lessons, PreK enrichment programs, the afterschool program, teen dances, Adult Volleyball Leagues, Winter Sports and Conditioning classes and the Senior Conversation Café & Wine Tasting Trips. We guarantee to offer something for everyone!

In a previous North Lake Tahoe Bonanza newspaper column, Steve Pinkerton IVGID General Manager said, "many people don't realize that nearly one of five residents is under the age of 18. That is a lot of young people to keep busy"...as the Parks and Recreation Director, I am dedicated to supporting the Parks & Recreation staff in their endeavors to create programs and events with an emphasis on healthy and safe activities for our youth.

We encourage you to come by the Recreation Center and enjoy the many amenities including an indoor pool, cardiovascular room, full gymnasium and an outstanding variety of group fitness and aqua fitness classes taught by our experienced and professional high level instructors. The Recreation Center is a great place to spend an evening after a day up on the slopes at Diamond Peak. Please inquire about our excellent personal trainers and massage therapists. If you are not a current member, please stop by for a tour and a chance to hear about the variety of membership options we offer from our friendly and knowledgeable staff.

A few of the exceptional programs, events, and services we will offer are: the Community Snowshoe Hikes, Tahoe Tiny Timbers Gym Time, Shotokan Karate, Trail of Treats and Terror, Youth Basketball leagues and clinics, 55+ Snowshoe Hikes, Youth Group & Private Swim Lessons, Fairytale Ballet, Kids Jazz/Hip Hop Fusion, Adult Beginning Ballet, Yoga and Gong Workshops. Don't forget to check out our drop-in Pickleball program in the gym all winter. Pickleball is a great activity for all ages and abilities.

I encourage you to drop by the Parks and Recreation Counter located in the Incline Village Recreation Center to have your questions answered about the benefits and privileges offered to IVGID Pass holders and their guests along with information about all of our programming and events.

If you do not have a hard-copy of the Fall/Winter Recreation Guide/IVGID Quarterly, please access the latest copy at inclinerecreation.com.

Have a happy, healthy and active Fall and Winter!

Indra Winquest
Parks and Recreation Director

Annual Holiday Giving Program -

Warm A Senior's Heart This Holiday Season!

IVGID Senior Programs coordinates a philanthropic way for donors to provide local seniors in need with a variety of "wish list" items during the holiday season. Both donors and recipients remain anonymous to each other as gift items are collected and distributed by IVGID Senior Programs staff. The HGP has grown since its inception in 2005 when there were four senior recipients. In 2014, the HGP provided holiday cheer and support for 35 seniors living in the Incline Village/Crystal Bay community. The HGP is not restricted to financial need alone. Seniors who are alone, without family, may also benefit from the joy of receiving a holiday gift. Gifts may include a wish list item and/or a Raley's gift card to purchase supplies for a home-style holiday meal. The success of the HGP is due to the generosity of community members and businesses. If you are interested in getting involved or making a donation, please contact IVGID Senior Programs at (775) 832-1310.
