**INCLINE VILLAGE  
 RECREATION & TENNIS CENTER**  
 980 & 964 Incline Way • 775-832-1300

Our public Recreation Center includes an indoor pool, sauna, group fitness classes, a cardiovascular room, gymnasium, childcare and a variety of programs and services. The Tennis Center, located next to the Recreation Center, offers eleven courts, eight Pickleball courts, and a Pro Shop with demo racquets. Lessons, socials, tournaments and camps are offered throughout the summer.

**INCLINE VILLAGE  
 WEDDINGS & EVENTS**  
 955 Fairway Blvd • 775-832-1240

Create an unforgettable experience for your Lake Tahoe wedding, meeting, celebration or golf event. Our facilities include The Chateau at Incline Village™, Aspen Grove, The Championship and Mountain Golf Courses, and Diamond Peak Ski Resort. The Chateau features a 5,200 sq. ft. ballroom that can be divided for large or small meetings and events. Aspen Grove is the perfect outdoor venue for up to 200 people.

**INCLINE VILLAGE  
 CHAMPIONSHIP GOLF COURSE**  
 955 Fairway Blvd • 775-832-1146

A classic 18-hole public Lake Tahoe golf course featuring a Robert Trent Jones Sr. design and incredible lake views, the par-72 Championship Course was ranked #19 on GolfAdvisor's "Top 50 Best Courses to Play in the U.S." list and "Best in State" 2012-2015 by Golf Digest magazine. Facilities include a 23,000 sq. ft. event space, Pro Shop, driving range, and a top-of-the-line restaurant, The Grille at The Chateau.

**INCLINE VILLAGE  
 MOUNTAIN GOLF COURSE**  
 690 Wilson Way • 775-832-1150

Enjoy the great outdoors at this public 18-hole par-58 course featuring an amazing mountain layout and beautiful views. This course is fun, affordable, and quick to play with special 9-hole and twilight rate options. Bring the family out for fun events like Nine & Wine, Sunday Family Fun Days, and Thrill & Grill.

# from our Community Services Director...

*Summer is here and the IVGID Community Services facilities are in full swing.*

As I meet people out in the community I am often asked, "What exactly is community services?" Great question! It is a new consolidation of all of the recreation and quality of life offerings into one department.

The department of Community Services includes Beaches, Parks, Facilities/Food and Beverage, Tennis, Recreation, Diamond Peak Ski Resort, The Golf Courses at Incline Village, and Marketing. These divisions were consolidated into one department to provide better working efficiencies, coordination, and communication since each venue serves many of our same residents.

Our residents and their guests will have much to choose from this summer. The Golf Courses at Incline Village, which include the par-72 Championship Course and the par-58 Mountain Course, have exceptional course conditions this year, and we have implemented some new programs. A new pricing structure will provide several price options depending on the time of the day. This dynamic pricing allows golfers to choose the price best for their budget, and helps balance out the demand for golf throughout the day, providing better utilization of the courses. There will also be some new fun options for play. An after-work Golf League will kick off in August and the Championship Course will host two evening Glow Golf Extravaganzas with neon glow putting challenges, glow in the dark chipping contests and shoot outs on the driving range, as well as glowing cocktails and live music will be during the event.

The community's Parks & Recreation Department will see their highest number of programs and events on record. Within this issue you will find activities for all age groups and interests. The popular Starlight Cinema - our family-friendly movie night at Aspen Grove - will begin in July. Of note for our kids are the Science Specialty Camps, both Junior and Adult tennis camps and clinics, teens will learn leadership and life skills in our Leaders in Training and Education (LITE) program and of course you can learn to swim in the gorgeous setting of Burnt Cedar Pool. For the grown-ups, summer is a great time to focus on fun and fitness, and this year some new offerings will take advantage of the great setting of Diamond Peak Ski Resort - new Yoga and Tai Chi classes will be hosted on the Base Lodge deck, Community Hikes will go to Snowflake Lodge.

With the great snow pack we had this year, the lake level is rising and it should be a terrific season at our beaches. We expect the higher lake level will make boat launching easier. Based on feedback from the community, the Burnt Cedar pool facility will have a longer season this year. We opened May 14 which was our earliest opening on record, and we plan to be open until October 2. With the success of our Paddleboard programs last season we have expanded our offerings including Paddleboard Camps for kids and Paddleboard Yoga for adults. Plan to spend your days enjoying our incredible beaches and be sure to take advantage of an outdoor massage while you are there.

Finally, we hope to see you as we partner with Red, White, and Tahoe Blue for the Community's Annual 4th of July festivities that will run July 1 through July 4. Enclosed is this issue are the full details of new shuttle schedules, parking, beach entry fees, and event details.

*Have a great summer - Let's go outside and play!*

Sharon Heider, Director of Community Services

# THE INCLINE TENNIS CENTER

964 Incline Way, Incline Village, NV 89451  
(775) 832-1235 • [www.inclinetennis.com](http://www.inclinetennis.com)

Welcome back to the Incline Tennis Center. We hope you had a great winter, and we look forward to hitting the courts with you this Spring & Summer. We are expecting a great 2016 season at the Incline Tennis Center with the return of our fantastic Tennis Pros. Our USPTA certified teaching Pros will be available for private, semi-private and group lessons. We are excited to announce the return of some of our most popular clinics, camps, programs, social mixers and tournaments, as well as an addition of new programs including Junior Play & Pizza, a Family tournament, and some good 'ole fashion drop-in tennis.

## Junior Play & Pizza:

June 3rd and July 1st, 4:00pm-6:00pm.

Come out and play matches and stay for pizza and ping pong.

\$10 per person

## 36th Annual Incline Open:

The Incline Tennis Center will be holding a fun filled tennis competition for players of all skill levels. Come and enjoy the festivities! Men's, Women's and Mixed, Singles and Doubles levels 2.5 - 5.0.

Dates: Friday, July 8 - Sunday, July 10, 2016

(Entry deadline is Wednesday, July 6 @ 7:00 pm)

## Family Tournament:

July 23rd.

Play with your kids or grandparents, uncles and aunts or visiting friends, and enjoy a fun social party afterwards.

\$25 per team. Sign-up in the pro shop. All levels accepted. Junior player must be able to serve and score.

## Back to School Night:

August 19, 4:00pm

Come and enjoy some pizza & tennis

## Bye Bye Mixed Doubles Social /Tournament:

August 31st, 3:00-7:00pm

This will be our 'farewell' tournament for those getting ready to leave for the year or for those who just want to come out to play some good tennis. This will be a fun competitive event.

Free for IVGID pass holders, \$10 for non-pass holders.

## Drop-In Play:

Saturdays, 10:00am - 12:00pm; Check-in with the Pro Shop. Days/Times are subject to change.

You can't beat some good old fashion drop-in tennis.

Show up, get matched up, and play. Must be a 3.0 or above to participate.

## Have you always wanted to play but don't know where to begin?

Try Beginners Tennis Clinics. We can help you with the basics to get you started.

Monday/Saturdays, 10:00 am - 11: 00 am. Fee: \$25/person, \$20 IVGID Pass Holder, \$15 Membership Pass Holders.

## Our youth programs have grown in popularity.

Get the kids signed up for our Junior All Star Clinics, Quick Start Tennis Camps, and Competitive Junior Tennis Academy.

## Advanced Pickleball Clinics\*:

Every Tuesday, 3:00pm-4:00pm

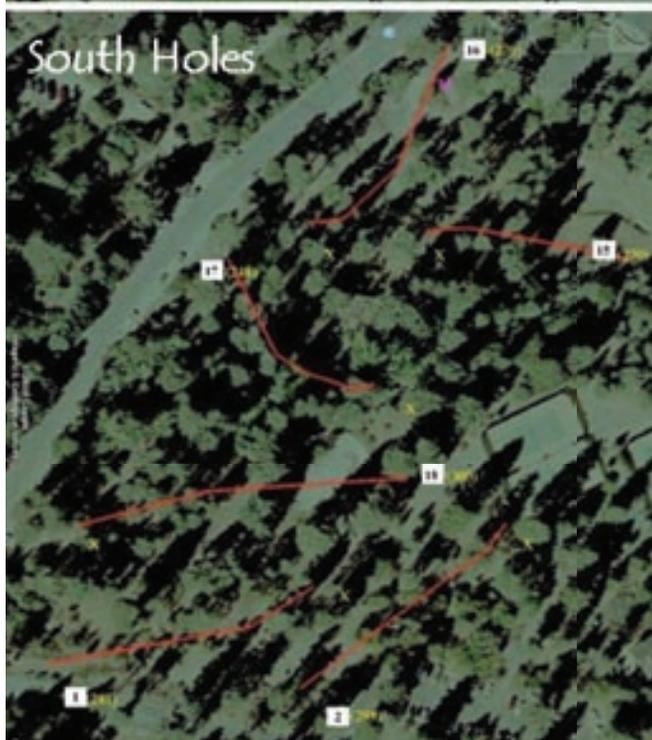

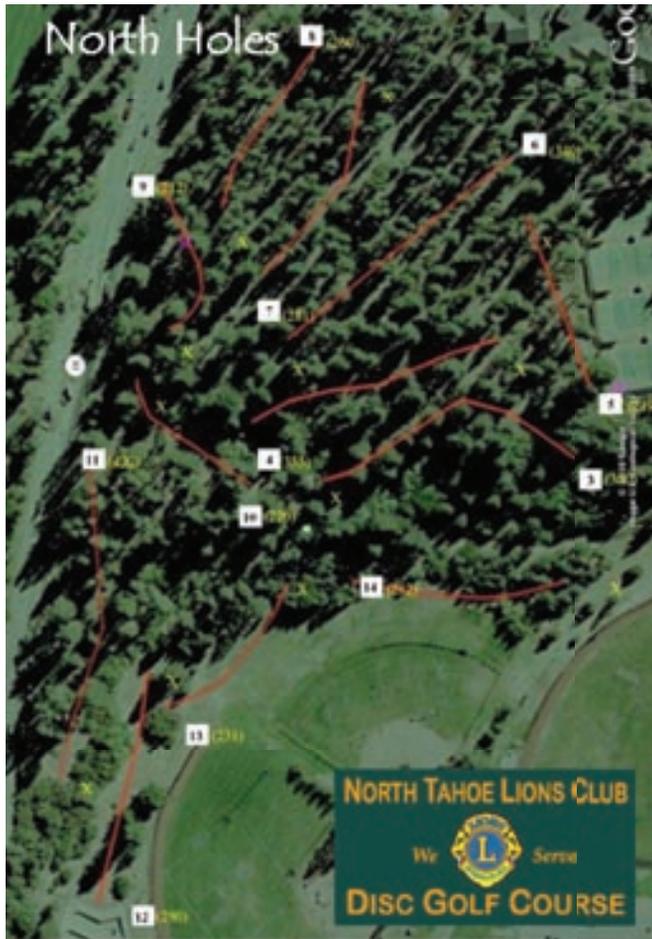

\$10 per player. \*Must have had taken a pickleball clinic to participate.

Private Pickleball Lessons now available.

Sign-up to received e-Newsletters. Like us on Facebook, and check our website for upcoming events and programs: [www.inclinetennis.com](http://www.inclinetennis.com). Again, we look forward to a great year of tennis here in the mountains, so here's to a healthy season for everyone!

(775) 832-1235

The North Tahoe Lions Club Disc Golf course includes 18 par 3's in a picturesque setting located within Incline Park adjacent to the Tennis Center, Recreation Center, skateboard park and the ball fields. This is a multi use area to be enjoyed by all ages. Parking is available at the Recreation Center, 980 Incline Way. Parking is not permitted at the Tennis Center. The 1st hole is located on the west side of the Recreation Center entrance road.

### Please adhere to the following North Tahoe Lions Club Disc Golf Course Rules:

This is a multi-use area. Please respect our neighbors, the environment, and other uses.

- NO glass, littering or loud music
- Please adhere to the course Mandatory Signs (M)
- If your disc lands in water: 1 stroke penalty and play out (10-15 feet) of stream zone.
- Please do not throw from out-of-bounds areas, including Tennis Courts, Ball Fields and Roadways
- It's the forest...NO SMOKING

# CHAMPIONSHIP & MOUNTAIN GOLF COURSES

The Incline Village Golf Courses offer two distinct must-play golf experiences to fit any budget. Our facilities include two 18 hole courses – the par-58 Mountain Course and the par-72 Championship Course, as well as a driving range, putting and chipping greens, fully stocked golf shops, food & beverage, and special event facilities. IVGID Pass Holders can receive a discount on green fees, Golf Season Passes and most merchandise at the golf shop. The Championship Course and Mountain Course are typically open mid-May through mid-October (weather permitting). Visit [www.golfincline.com](http://www.golfincline.com) or call (866) 925-GOLF for tee times and more information.

## *Championship Course*

**955 Fairway Blvd; Incline Village, NV 89451 • Golf Shop: (775) 832-1146 [www.golfincline.com](http://www.golfincline.com)**

Designer Robert Trent Jones Sr. called the course “the ideal mountain layout” with “views you will never forget.” This challenging par-72 course offers everything you look for in a mountain design- towering trees, elevation changes, and natural water features – all of which complement its picturesque setting.

### **The Grille at The Chateau**

Located on the Championship Course, diners enjoy a beautiful view of the 18th green, mountains, and Lake Tahoe from the dining room and outdoor seating area. The Grille serves quality, fresh, wholesome ingredients and thoughtful service every day during the golf season. Open for lunch (11-3pm) and happy hour (3-7pm).

### **Practice Facilities & Golf Shop**

The Championship Course offers excellent facilities to practice your game or warm up for your round. The 28-stall driving range offers five target greens ranging from 40 to 200 yards, with top-of-the-line hitting mats and the option of inserting your own tees. The driving range opens 30 minutes before the first scheduled tee time and closes with the Golf Shop. The Championship Course putting and chipping greens are just steps away from the driving range and parking lot.

The Golf Shop at the Championship Course has the region’s best selection of golf equipment, apparel and accessories. We showcase the innovative golf club technology and fit carts from companies such as Callaway, Cobra and TaylorMade. Our PGA golf staff is qualified to provide custom club fitting.

### **Tahoe Golf Tech – Club Repair, Service & Sales**

Tahoe Golf Tech is conveniently located at the Championship Course driving range to service your clubs and help with any customization. You can also drop off your clubs at the Golf Shop or contact Tahoe Golf Tech directly when they are not onsite. Visit [TahoeGolfTech.com](http://TahoeGolfTech.com) for more information, hours and services.

## *Mountain Course*

**690 Wilson Way; Incline Village, NV 89451 • Golf Shop: (775) 832-1150 [www.golfincline.com](http://www.golfincline.com)**

Nestled amid towering pines, this 18-hole, par-58 course is fun and affordable. You can play this par-58 course quickly and be back with the family to enjoy the rest of your day; or better yet, bring them with you and enjoy family time together in the great outdoors. The Mountain Course hosts a number of family-friendly events throughout the season and also offers 9-hole rates and twilight specials.

### **New! Wild Bill’s BBQ at The Mountain Course**

New for 2016, the popular Wild Bill’s BBQ from Diamond Peak will debut at the Mountain Course with authentic BBQ fare including slow smoked meats and homemade sauces. Fuel up before your round or just come enjoy lunch on our deck that overlooks the beautiful course.

### **Practice Facilities & Golf Shop**

The Mountain Course offers a large practice green where golfers can work on their short game and putting before heading out on the course. The golf shop at the Mountain Course is fully stocked with golf apparel, souvenirs, golf balls, rental clubs and other essentials.

## *Events, Lessons and More*

### **Get Golf Ready 2016: Level 1 & 2**

- Level 1: Are you new to golf or returning after many years? Get Golf Ready is a series designed to teach everything you’ll need to play golf in just five lessons. Each lesson will focus on essential golf skills. Topics covered include putting, chipping, short iron shots, long irons, hybrids, fairway woods, driving, course etiquette, and rules.
- Level 2: This clinic series is designed for Get Golf Ready 1 graduates or golfers who have played 2 or more years.

Cost: \$135; includes club rentals upon request. Sessions run select weeks (Mon-Fri) through mid-August. Visit [Golfincline.com](http://Golfincline.com) for schedule. Space is limited; contact Robyn Bradford at [rrc@golfincline.com](mailto:rrc@golfincline.com) or 775-832-1339 to register.

### Junior Golf Programs

Golf Incline provides excellent Junior Golf Programs for kids ages 5-15 of all skill levels. Junior Season Golf Passes (ages 17 & under) are available for IVGID Picture Pass Holders for \$99 (Mountain Course) or \$195 (both courses with restrictions). Junior daily rates are 50% off the current applicable daily rate or free with a paying adult at the Mountain Course Sunday Family Fun Days.

### Glow Golf Extravaganza at the Championship Course: June 17 & August 26

Bring the whole family for glow golf putt-putt, a glow in the dark chipping contest, shootout on the driving range and more! There will be drinks and appetizers available for purchase, free live music, and fun activities for all ages!

### Sunday Family Fun Days at the Mountain Course

Every Sunday at the Mountain Course, kids (17 and under) play free with a paying adult. Sundays feature traditional 3" and larger 8" cups on every hole, kid friendly tees, and a 3-hole putt-putt course.

### Nine & Wine/Thrill & Grill at the Mountain Course

For the social golfers, Nine & Wine is a fun event of 9 holes at the Mountain Course followed by wine tasting and gourmet appetizers on Thursday evenings. Mix it up with Thrill & Grill on Sunday afternoons with a Build-Your-Own-Bloody and silly 9-hole scramble followed by a BBQ dinner and beer. Reservations required as space is limited. Call the Mountain Course Golf Shop to book (775) 832-1150.

- Nine & Wine 2016: Thursdays June 30- August 18
- Thrill & Grill 2016: June 26, July 10, July 17, July 24

### Demo Day at the Championship Course: June 25

Are your golf clubs outdated? Don't miss our big multi-vendor demo day at the Championship Course Driving Range on Saturday, June 25, 2016 (12-4pm). This is your opportunity to try the latest and greatest golf technology from the leading vendors in the golf industry.

### Incline Golf Clubs

The Tahoe Incline Golf Club, Mountain Niners, and Incline Village Teesters invite IVGID Picture Pass Holders to join their clubs this season. Each golf club provides their members with great benefits including tournaments, social outings, couples play, daily tee times, and great ways to make new friends. Inquire at the Golf Shops for more details.

Visit [GolfIncline.com](http://GolfIncline.com) for more events and details.

## DIAMOND PEAK TO CELEBRATE 50<sup>TH</sup> ANNIVERSARY SEASON

**W**ay back in 1966, while the community of Incline Village was still in its defining stages, Oklahoma native Art Wood envisioned a four-season resort community – a “Pebble Beach of the Sierra” as many have said – and hired Austrian ski consultant Luggi Foeger to design and build Ski Incline (as it was then called) as one of the pillars of that vision.

After only four months of construction, Ski Incline opened its lifts in November of 1966 with a skier-friendly layout on the lower mountain of the resort. In 1987, ski resort manager Jurgen Wetzstein led the development of the upper mountain with the addition of the Crystal Quad to the top of the peak – an expansion that doubled the resort’s skiable acreage and added more advanced terrain. The addition also spurred the name change to Diamond Peak.

During the upcoming 2016-17 winter season, Diamond Peak will celebrate its golden anniversary – 50 years of skiing and snowboarding in the most beautiful setting on earth – and we are inviting the entire community of Incline Village/Crystal Bay as well as our extended Diamond Peak family around the world to help us commemorate this milestone.

### *How to get involved in the fun*

There are many ways you can contribute to the Diamond Peak 50th Anniversary celebration. Whether you’ve been a season pass holder since that first 1966 season, or you just discovered the resort this past winter, we’d love to hear your stories and see your photos or videos of spending time on our slopes.

### *We’d love to hear about:*

#### **If you (or your children) learned to ski/snowboard at Diamond Peak:**

What was it like back then? Who taught you to ski/ride? Why did you learn at Diamond Peak?

#### **If you’re a long-time Diamond Peak skier/ rider:**

When did you first ski/ride Diamond Peak? What did you love about the mountain back in the day? What have the biggest changes been?

#### **If you ever worked at the ski resort:**

When did you work here? What department were you in? Who were the memorable characters amongst the employees? What is the best story you remember from that time period?

**If you are relatively new to the Diamond Peak family:**

What attracted you to this mountain? What's your favorite run and why?

*And we want to see:*

**Your old photos:**

We would LOVE to see and potentially reprint some of your old photos of Ski Incline/Diamond Peak and the resort's employees. We're especially interested in photos from the 1960s through the 1980s, but any era is great. We'll scan them and make sure to give you back your originals unharmed. Or you can scan and email them to us yourself.

**Your old videos/movies:**

Anybody got old Super-8 movies shot at Diamond Peak? How about classic VHS home movies? We've got folks who can digitize those and edit them into a commemorative video we're making.

**Your old ski/snowboard outfits:**

We want to put together a fashion show of 50 years of ski outfit history, and we need your help! Dig through those closets and loan us those 1960s-era ski boots or that 1970s ski jacket for a one-of-a-kind fashion show down memory lane.

*Be part of the celebration - contribute:*

To contribute a story, historic photos, videos, a historic outfit, or anything else to our 50th anniversary celebration, please email your content to 50th@diamondpeak.com or call (775) 832-1120 to speak with Marketing Manager Paul Raymore.

If you would like to mail us any historic materials, we'd love to see them. We will not be able to return any materials by mail, but can hold them for pickup at the resort. Send those to:

## FACILITY ENHANCEMENTS AT THE IVGID BEACHES

Photo courtesy Talbot Photography

**O**n February 24, 2016, the Incline Village General Improvement District's Board of Trustees approved, via unanimous vote, the IVGID Beaches Recreation Enhancement Opportunities Plan. The approval of this document, which can be viewed at [www.ivgidbeachstudy.com](http://www.ivgidbeachstudy.com), was the culmination of two years of work to develop comprehensive recommendations to guide future capital investment made by the District at Burnt Cedar, Incline, Ski, and Hermit Beaches. The development of the Enhancement Plan included two publically held meetings (one to discuss site analysis findings and one to discuss survey results and site improvement opportunities), dozens of hours of operations and site use observations, numerous interviews with operations staff and concessionaires, and extensive surveying that included an intercept survey of beach users (with 267 responses) and a mailed and on-line community survey (with 2,149 responses).

Based on this comprehensive effort, the Enhancement Plan identifies numerous potential improvements to the facilities at the Beaches and their estimated costs. These include:

- Improvement of entries and pedestrian access at all Beach properties to expedite the check-in process and enhance pedestrian safety.

- Replacement of the restroom/concession building at Incline Beach to create a beachfront hospitality zone.
- Replacement of the restroom building at Burnt Cedar Beach to improve use, increase the number of available fixtures, and replace aging infrastructure.
- Enhancement of the Burnt Cedar Pool House for improved concession operations.
- Enhancement of the Burnt Cedar Pool mechanical equipment for improved and more reliable operations.
- Enhancement of the group and individual picnic/BBQ areas at all Beach properties with additional focus on the individual sites on the western side of Burnt Cedar Beach to improve customer experience and enhance use.
- Enhancement of beachfront access and pedestrian connectivity at all Beach properties with additional focus on connectivity between the western site amenities and the eastern beachfront areas at Burnt Cedar Beach to improve customer experience and enhance use.
- Provision of non-motorized watercraft storage and a formal launching area on the western side of Burnt

Cedar Beach, similar to operations at Hermit Beach, to reduce the waiting list presently in place for storage at Hermit Beach.

- Development of a consistent design aesthetic for all architectural and site finishes across all Beach properties including buildings, shelters, signage (including fonts and colors), landscape/retaining walls, curbs, and walkways.

The recommendations in the Enhancement Plan are simply recommendations and the purpose of the document is to guide the major capital improvements that could be completed at the Beach Properties over the next 10 to 15 years. Ultimately, the projects selected for implementation and the pace at which those projects are completed must be decided by the District's Board of Trustees based on input from the residents of Incline Village.

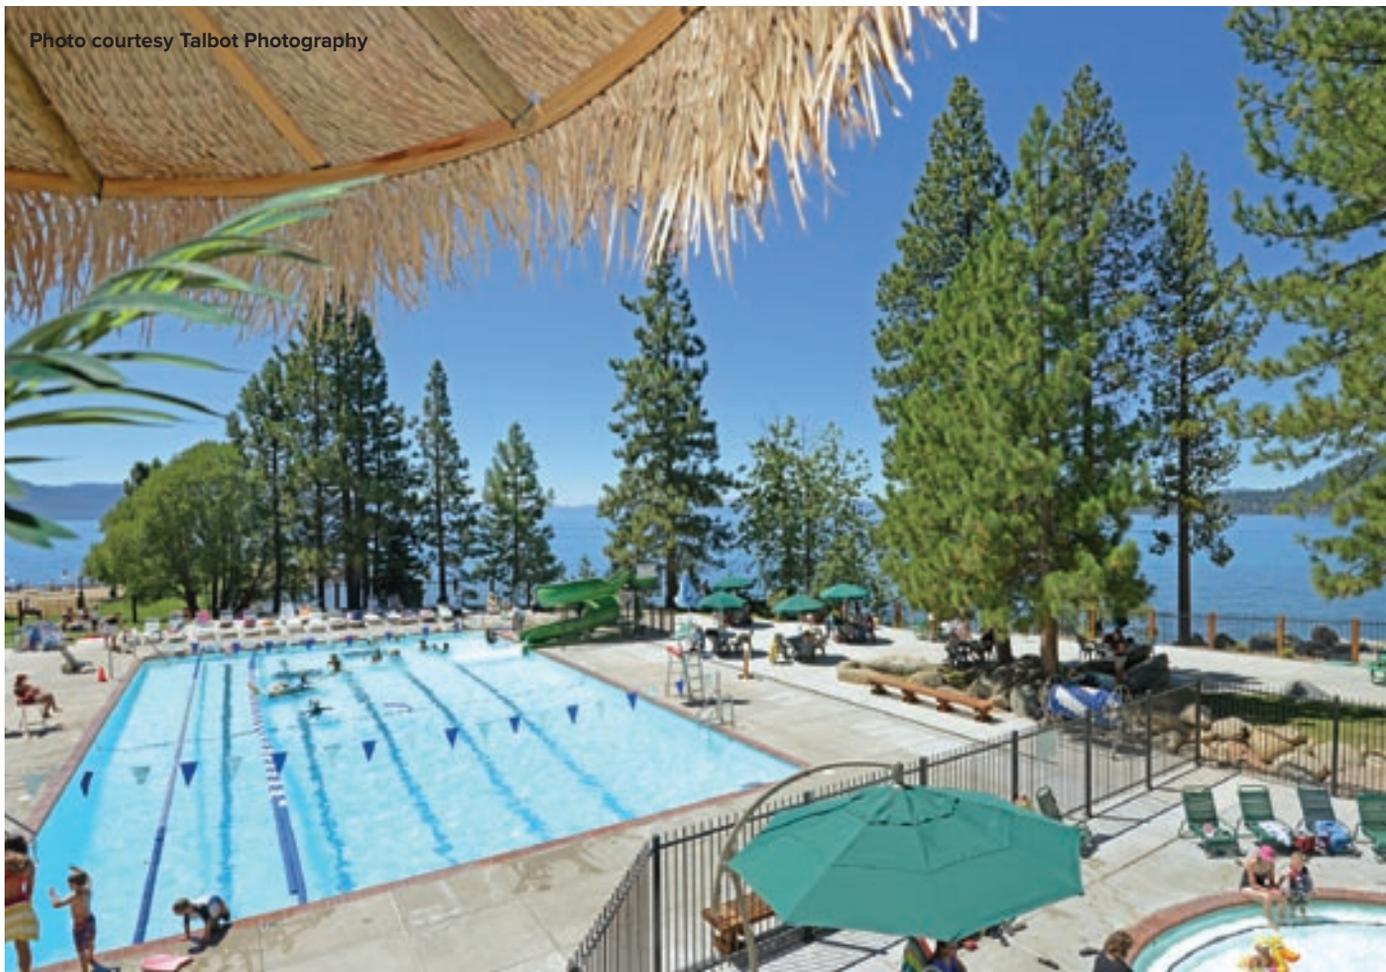

Of the improvements identified in the Enhancement Plan, the project overwhelmingly identified by the community surveys as the top priority is the replacement of the restroom/concession building at Incline Beach. Funds to complete design of this work were included in the District's FY 2015/2016 budget as well as the proposed FY 2016/2017 budget. A comprehensive Request for Qualifications process to select a design team was completed this spring. The

goal of the project is to replace the over capacity and aging 1970s structure with a robust and modern facility that meets the capacity needs of today's operations at Incline Beach and the expectations of Incline Village residents. A new facility will enhance food and beverage operations and customer service by incorporating current industry best practices for food and beverage concessions and commercial kitchen design.

Additionally, a new facility will enhance the quality, size, and number of restrooms available at Incline Beach and will also provide restrooms capable of use during the winter to allow the elimination of the temporary portable toilets during the cold weather months. Finally, a new facility will enhance the customer experience at Incline Beach by including a shaded outdoor seating area, outdoor showers, and improved customer flow from the drop-off area and parking lots to the beachfront.

Once a design contract is approved by the District's Board of Trustees, design work will begin aggressively over the summer, fall, and winter of 2016. Construction schedule of the new facility will be dictated by the scope of work developed during design and future budget approvals by the Board of Trustees but would begin no sooner than the fall of 2017. The design process will include extensive community outreach and information sessions as well as opportunities for public comment and feedback. Stay tuned this summer for more information on this exciting District project!

## Community Services Master Plan

This summer we will be kicking off a year-long process of master planning for the future of IVGID Community Services, and we need to hear what the community wants for its' facilities and programs. Community Services encompasses the Beaches, Parks, Recreation Programs, the Recreation Center, The Golf Courses at Incline, and Diamond Peak Ski Resort. The last effort was in 2000 when the Incline Village Recreational Facilities Master Plan was completed. Updating these plans every ten to fifteen years is good practice as it provides road map for maintaining or revitalizing the existing community amenities and/or expanding the venues to provide the new features the community desires.

Together, we will develop a long-range community services master plan to identify and plan for the future of community driven recreation activities and facilities in Incline Village and Crystal Bay. To date, the District has undertaken significant effort to assess many of the existing recreation facilities and operations and has developed planning documents, by venue, that identify the capital maintenance needs as well as the operational enhancement and future infrastructure investment opportunities. Now is the time to assess the community priorities for future infrastructure investment in the existing venues or evaluate what services/ facilities not presently provided by the District that are desired by the community.

Throughout this project we will conduct public meetings and community surveys to assess expectations, help set priorities, evaluate the opportunities for additional/expanded recreational offerings and facilities, and if identified - assess the community's willingness to fund new or different facilities and programs. Look for Community Workshops this summer and plan to join your neighbors in a dialogue about what IVGID Community Services should be to serve our residents in the next 20 years.

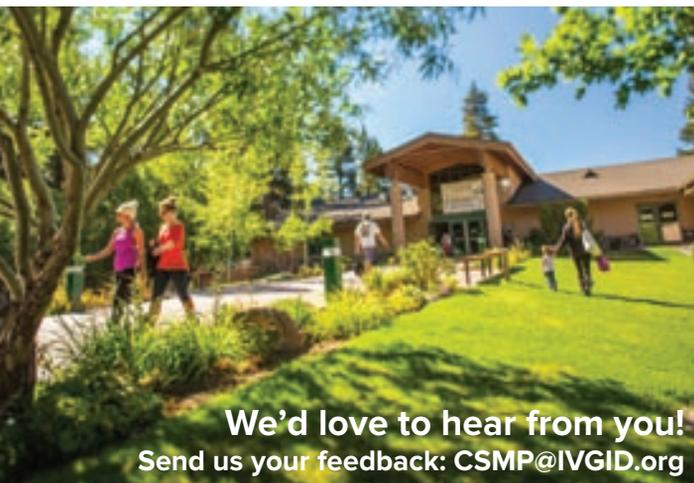

## NEW THIS SUMMER!

### *Diamond Peak*

#### **Peaceful ~ Centered ~Balanced Workshop Series at Diamond Peak**

Come enjoy the serenity of Diamond Peak's Base Lodge deck Sundays at 12:30pm for yoga, Tai Chi, Meditation, and Pilates – take the classes individually or the whole Workshop for a **Peaceful ~ Centered ~Balanced Summer**.

- **June 12 & July 10 — Gong Workshop, Suzy Husted**  
Unwind in relaxing sound waves inviting you to drift in and out of a deep meditative state. Gong Immersion has been known to provide healing and relief from pain, stress and emotional imbalance. Every session is unique and each experience is individualized.
- **June 26 & August 14 —Tai Chi, Paul De Luca**  
Join Instructor Paul De Luca for an hour of Tai Chi. No previous experience is necessary to enjoy this class built on fluid, balanced movement. Tai chi is known to reduce stress and anxiety while improving balance and flexibility.
- **July 17\* & August 21 — Co-Op Yoga, Robin Elley**  
Engage in this vibrant, rewarding practice exploring trust, relationship building and play. Hands-on therapeutic tandem postures will be introduced involving body weight support for increased strength, flexibility and relaxation. Singles and couples welcome. Come with a friendly open mind and a playful spirit.  
**\*Alternate location July 17 the Rec. Center "Backyard"**

**We'd love to hear from you!**

Send us your feedback: [CSMP@IVGID.org](mailto:CSMP@IVGID.org)

- **July 24, August 7 & August 28 — Restorative Yoga, Deborah Scarborough**  
Dive deeper into the experience of Classical Yoga through the practice of mudra, mantra, pranayama, physical postures and meditation with Instructor, Barb Ricotta. Each class will be meticulously designed to promote awareness, surrender, restoration and relaxation of body and mind.

- **July 31 — Mat Pilates, Peggy Paterson**  
Experience how Mat Pilates improves balance, coordination, core integration, stability of major joints and flexibility of major muscle groups. Using the fundamentals and core work of Mat Pilates balance and release work of a foam roller -functional strength of light resistance training

For more information, call 775.832.1310, email [sal@IVGID.org](mailto:sal@IVGID.org) or visit the Recreation Counter.

Workshop Series Pricing: \$315 or \$250 w/IVGID Pass, \$200 for IVGID Pass 55+ or students with a valid 2015/2016 student ID. Individual Workshops: \$38 or \$30 with an IVGID Pass, \$25 for IVGID Pass 55+ or students with a valid 2015/2016 student ID.

### *En Plein Air Painting Workshops*

The spectacular view from Snowflake Lodge has been named one of the top nine most magical places in the world. Now is your chance to see it in the summer and capture its views and vistas on canvas. Join us for a short 1.2 mile hike, an Appetizer and Wine Social and an “Open” Air painting workshop.

- **En Plein Air: Summer Solstice - June 19**  
Meet at the Diamond Peak Base Lodge at 3:00pm for the Hike to Snowflake Lodge for an Appetizer and Wine Social. The workshop will begin at 5:15 and the hike back to the Base Lodge will begin at 7:15pm.

### **Additional En Plein Air Workshops and Locations**

- **En Plein Air: Champ Course Hole 18**  
July 17 - the Chateau/ Grille 4:00pm – 7:30pm
- **En Plein Air: Aspens at Aspen Grove**  
August 14 - 4:00pm – 7:30pm

For more information, call 775.832.1310, email [sal@IVGID.org](mailto:sal@IVGID.org) or visit the Recreation Counter.

Workshop Series Pricing: \$260; \$210 w/IVGID Pass or Rec Center Membership. Individual Workshops: \$94; \$75 with an IVGID Pass or Rec Center membership

### *Community Hikes to Snowflake Lodge*

Embrace the beauty of our community! Join us on this easy 1.2 mile hike to Snowflake Lodge where breathtaking views, time spent with family and friends and delicious food makes this an event you won't want to miss!

- **June 20, Welcome Summer Solstice Hike** to Snowflake Lodge
- **August 6, Midsummer's Night Dream Hike** to Snowflake Lodge

For more information, call 775.832.1310, email [sal@IVGID.org](mailto:sal@IVGID.org) or visit the Recreation Counter.

Pricing: \$32; \$25 w/IVGID Pass or Rec Center Membership

### *Community Open House at Snowflake Lodge* **August 18, 2016**

Back by popular demand, it's time for the whole community to gather and enjoy the views from Snowflake Lodge. 

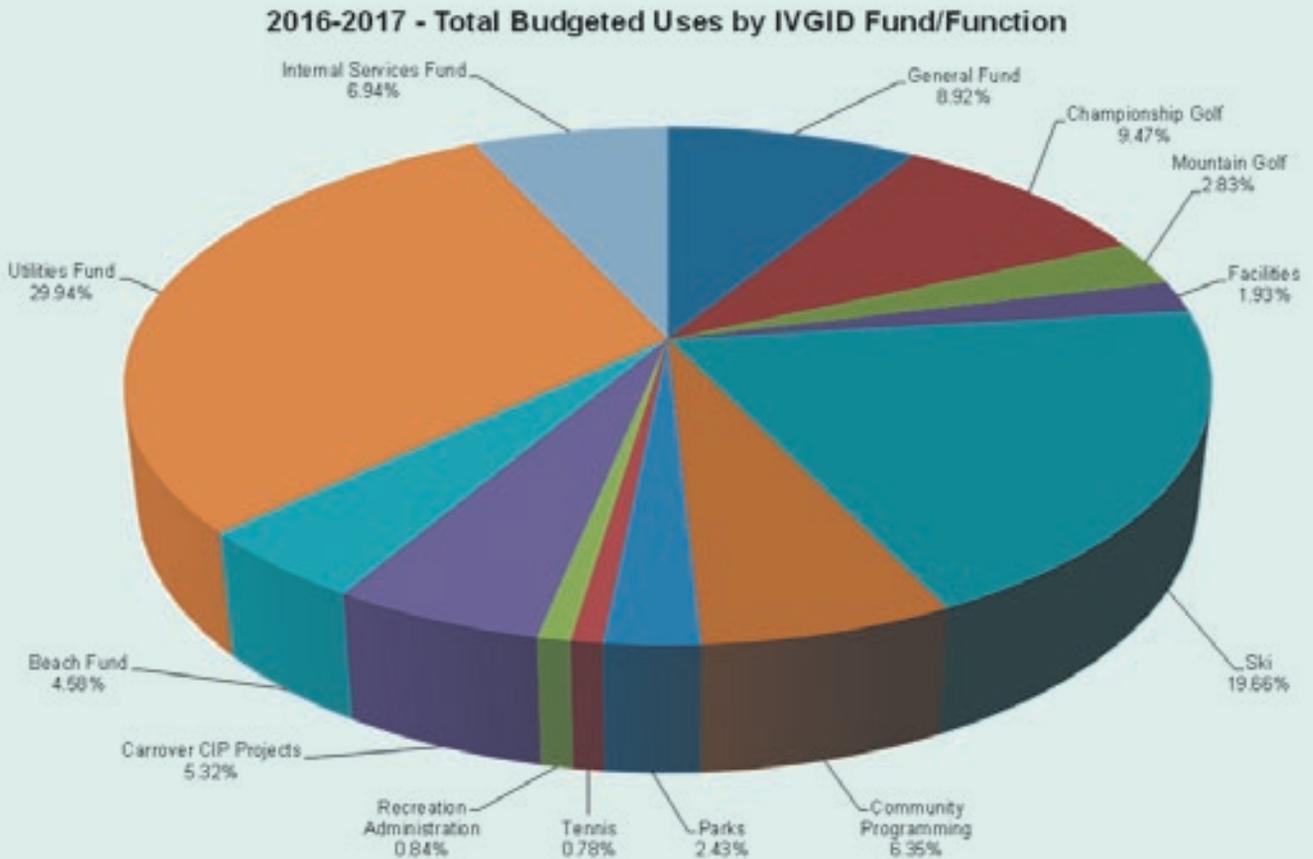

## Facility Fees

Your Recreation Facility Fee is used to provide an availability of service for recreational amenities to the parcel owners and residents of the Incline Village/Crystal Bay Community. Your Beach Facility Fee provides an availability of service for Burnt Cedar, Incline, Hermit and Ski Beaches and is assessed only to parcels within the District as of June 1, 1968, per deed restrictions listed on the beach property. Both fees are annually billed on the Washoe County property tax bills and are listed as separate items. Billing the Recreation Facility Fee and Beach Facility Fee, on the Washoe County property tax bill, is a cost effective method.

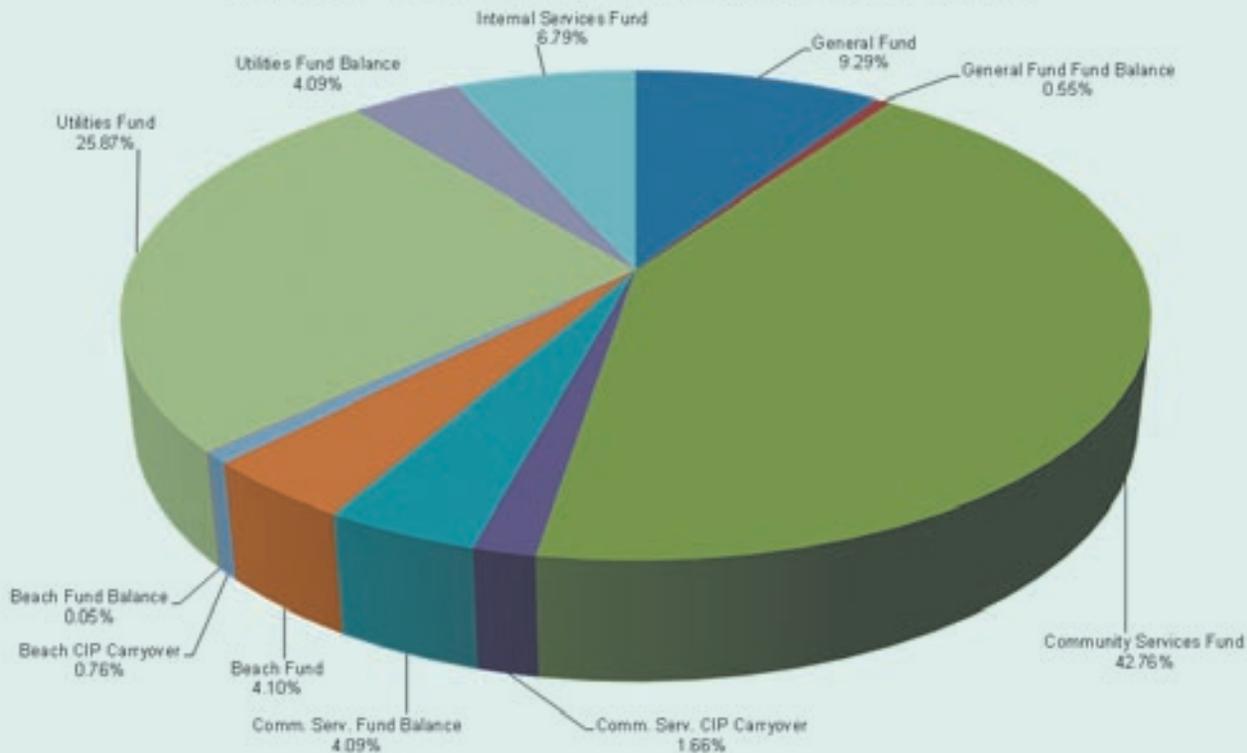

### Charts for the 2016-2017 Annual Budget

The District utilizes two primary measures for its sources and uses. One is the Fund or Function which indicates the area of service and the other is objects which indicates the type of transaction. In 2015 the District began tracking carryover capital projects which use previously funded resources held in fund balance as we move from one fiscal year to another. For further details on District finances refer to the website, [yourtahoeplace.com](http://yourtahoeplace.com) under Financial Transparency.

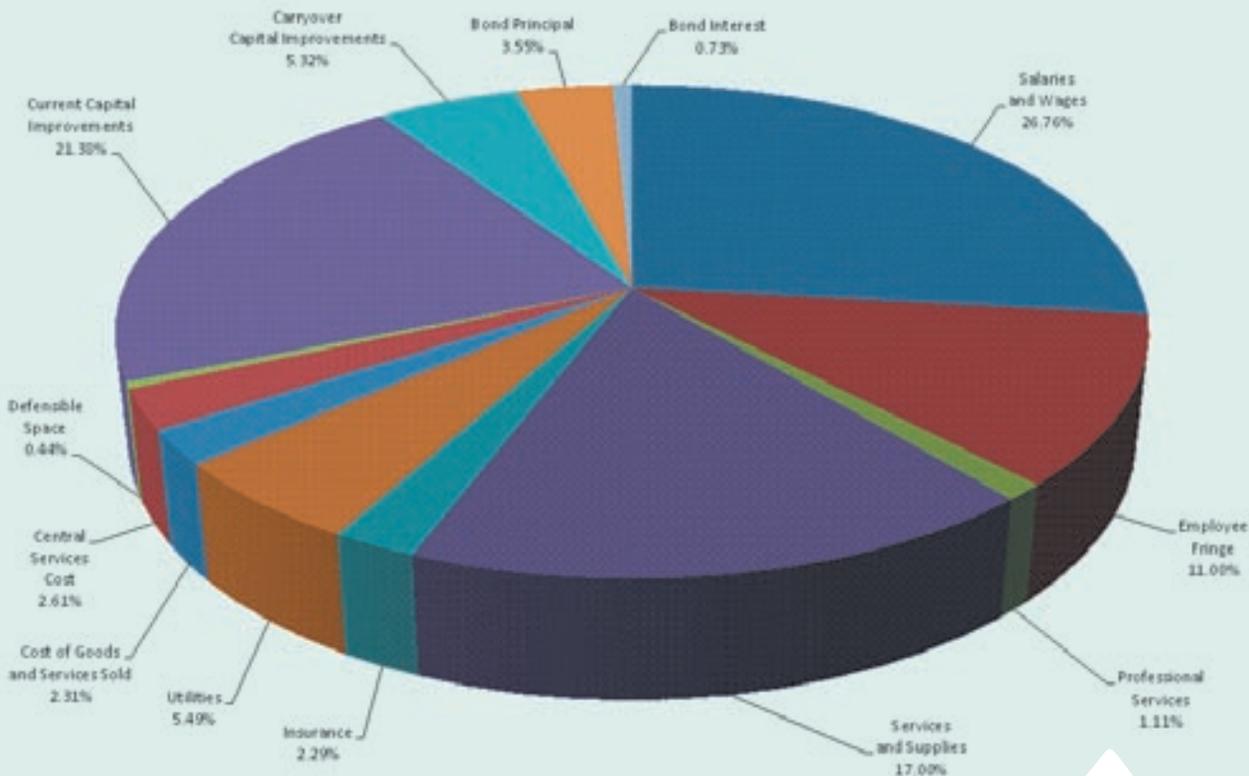

The District has budgeted Total Uses of \$45.1 Million, they will provide these service areas.

### 2016-2017 - Total Budgeted Sources by IVGID Fund/Function

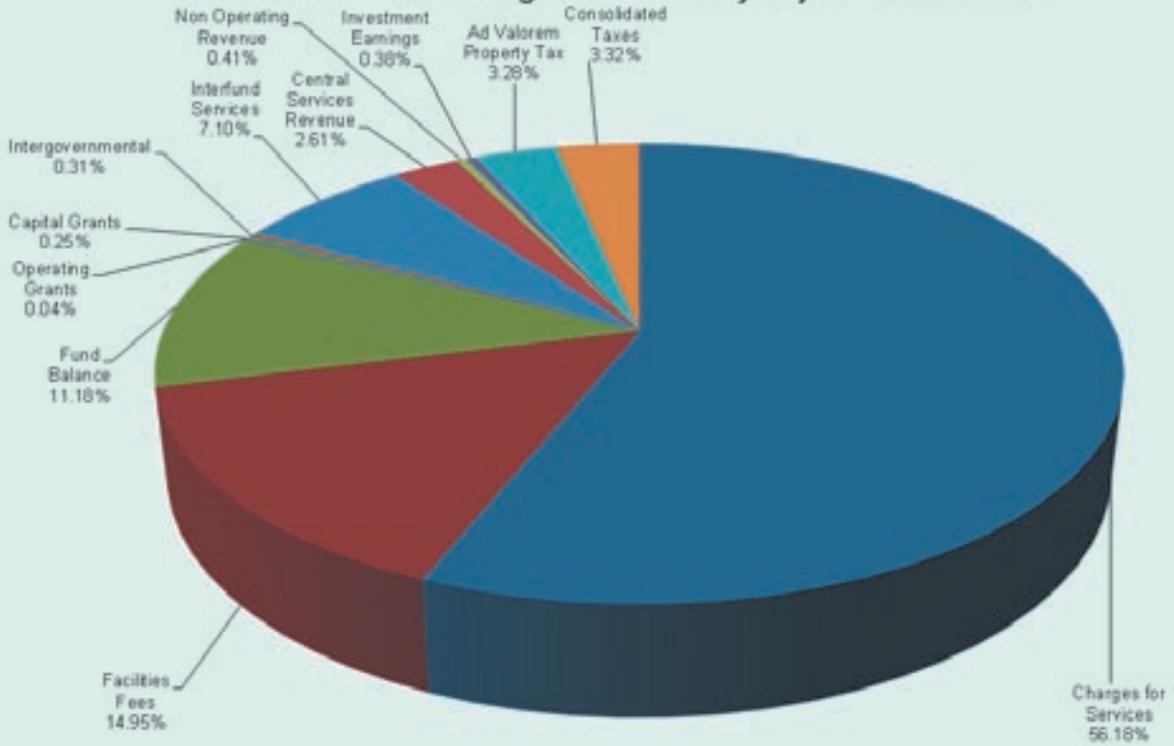

The District has budgeted Total Sources of \$451 Million, they originate from these Funds.

### 2016-2017 - Total Budgeted Uses by Object - District Wide

The District's \$451 Million in budgeted Sources will come from these transaction types.

## 2016-2017 - Total Budgeted Sources by Object - District Wide

The District's \$45.1 Million in budgeted Sources will come from these transaction types.

### Incline Village General Improvement District

### Facility Fee Reconciliation by Parcel and Venue Component

# A Hometown Celebration featuring 45+ Events!

July 1-4 • Incline Village

For the latest schedule and information:

[RedWhiteTahoeBlue.org](http://RedWhiteTahoeBlue.org)

Get the free app:  
**RWTB 2016**

## Beer & Brats

Friday, July 1 • 4:00 – 7:00 pm  
Aspen Grove

Back by popular demand, this is an event not to be missed. Join us under the aspen trees for brats and trimmings along with a selection of great beers from over 25 breweries. Local band, Jacked Up, will provide the music.

Adults: \$40 advance/\$50 at the door  
Under 21: \$20 advance/\$25 at the door  
Kids under 2 are free.

## Wine & Cheese

Sunday, July 3 • 5:00 – 7:00 pm  
Aspen Grove

Sample exquisite wines and mingle with family and friends! Featuring wines from California and Oregon as well as culinary delights from Austin's Restaurant, artisan cheeses and gourmet meats. Delight your senses as you explore the aroma, flavor and finish of each sip and delicious bite. Must be 21+.

\$50 advance/\$60 at door.

Rain or shine - no refunds. (No pets.)

**Purchase Your Tickets Now! [RedWhiteTahoeBlue.org](http://RedWhiteTahoeBlue.org) or (877) 987-6487**

Rescue on the Lake

8th Annual Rubber Duck Races

Pie Eating Contest

*Fireworks*

The IVGID Public Works Department is responsible for the drinking water system and the sewer system for Incline Village and Crystal Bay. In order to treat and supply an average of 1 billion gallons of water annually our water system infrastructure assets include:

- A UV & Ozone Water Treatment Plant able to treat up to 8.5 million gallons daily
- 100 Miles of Water Mains between 4” to 24”
- 2,031 Gate Valves
- 13 Water Tanks with 7 Million Gallons of Storage
- 14 Water Pumping Stations with 26 Pressure Zones
- Service connections to over 4,300 Water Meters

And in order to treat an average of 474 million gallons of sewage annually our sewer infrastructure assets include:

- 105 Miles of Gravity Lines and 14 Miles of Sewer Force Main between 6” to 24”
- 1,926 Sewer Manholes
- 19 Sewer Pump Stations
- A wastewater treatment plant able to treat up to 2.1 million gallons daily
- 20 Miles of Effluent Pipeline to Carson Valley
- A 900 acre wetland site located in the Carson Valley for effluent water

It has been estimated that the replacement value of the water and sewer system is over \$600 million. This is why a utility rate study is conducted every year to make sure that your water and sewer system is fully funded for years to come. Public Works uses federally recognized benchmarks and management strategies to maximize our resources, improve performance, and safeguard the community’s assets for the future. The primary purpose of our annual rate study is to make sure we utilize the management strategy of financial viability.

Without fully funding a Utility, the value of the community asset will suffer and jeopardize disinfection and the delivery of safe potable water and the collection and treatment of wastewater. Conversely, performing long term financial planning ensures that future generations, like our customers today, will be able to rely on safe potable drinking water and properly collected and treated wastewater. The water and sewer rates are made up of three main components: fixed charges, variable charges, and capital improvement charges. Each major division in the water and sewer budget has a portion of fixed and variable costs and the rates are designed to fund these expenses.

### **Fixed Charges (Water and Sewer Base and Water and Sewer Admin Rates)**

To provide water and sewer services, there is a portion of the costs that are fixed charges or “ready-to-serve costs.” Essentially, there is a certain level of costs that are incurred to staff, operate and maintain our system prior to delivering any water or treating any wastewater from our customers. There is a regulatory requirement for minimum staffing to be prepared to provide service, a certain amount of supplies such as tools, training, and equipment that are needed to be ready to serve and there are electrical and gas charges to our facilities so that they can be ready to serve.

## Variable Charges (Water and Sewer Use Rates)

To provide water and sewer services, there is a portion of the costs that are variable charges. These charges are the costs to treat and distribute water and to collect, treat and dispose wastewater. The variable charge for water is essentially the cost to pump it out of Lake Tahoe, treat the water and deliver it to the customer. The variable charge for sewer is essentially what it costs to collect the wastewater from each property and deliver it to the wastewater plant, treat the wastewater, pump and dispose of the effluent and biosolids to the Carson Valley per State and TRPA requirements. This requires staff, chemicals, supplies, tools, equipment, and energy to perform these services. You could also call this the commodity cost or product cost.

## Water and Sewer Capital Improvement Rates

The capital improvement charge funds the replacement of water and sewer infrastructure. There are separate connection fees to new customers to buy into existing infrastructure. The capital charge is based on funding the costs of the five-year capital improvement plan with a consideration for the multi-year capital plan out a total of twenty years.

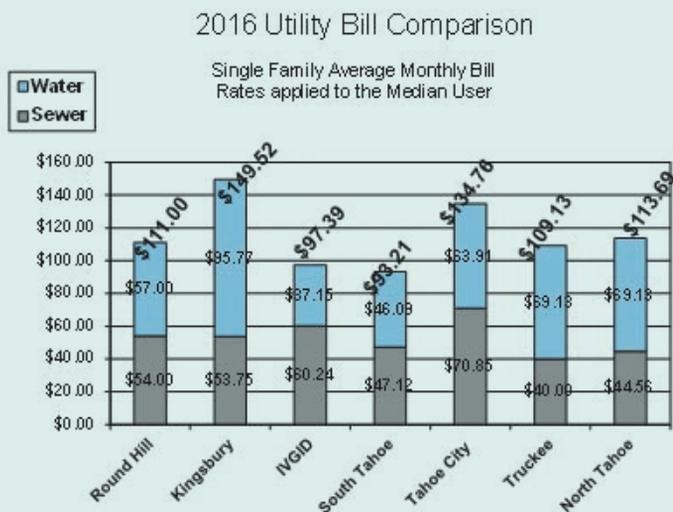

The 2016 Rate Study and Presentation which were presented to the BOT on January 14, 2016 are available on our website: [www.yourtahoeplace.com/public-works/rates-billing/about-rates-billing](http://www.yourtahoeplace.com/public-works/rates-billing/about-rates-billing). The documents detail our rate structure and why a rate increase was adopted. Copies of the ordinances are also available on our website at: [www.yourtahoeplace.com/ivgid/resources/ivgid-ordinances](http://www.yourtahoeplace.com/ivgid/resources/ivgid-ordinances).

The following table provides the historical monthly water and sewer utility bill for our average residential user (71,578 gallons water use per year) in the District's service area from 2011 to the 2016.

Year	Monthly Water Charge	Monthly Sewer Charge	Total Monthly Water & Sewer Charge
2011	\$32.81	\$43.42	\$76.23
2012	\$33.97	\$46.04	\$80.01
2013	\$34.66	\$51.24	\$85.90
2014	\$35.41	\$55.75	\$91.16
2015	\$36.15	\$57.96	\$94.11
2016	\$37.15	\$60.24	\$97.39

The average residential rate has increased \$21.16 per month from \$76.23 in 2011 to \$97.39 in 2016. There has been an increase of \$11.78 per month to pay for the effluent export project which is 55% of the total rate increase of \$ 21.16 per month over the last five years.

Over the last five years, the residential family median user has seen an average rate increase of 5% per year. The capital rate has increased by 3.9% and the operating rate has increased by (a total of \$5.12) 1.3% per year for 5 years. The figure below shows the area water and sewer rates using the average residential IVGID customer for the water use pattern and then applying the appropriate agency rates to get a total water and sewer bill.

## Effluent Export Pipeline

In 1970, the District constructed a 21-mile pipeline as part of the bi-state effort to protect Lake Tahoe's water quality by requiring all wastewater effluent to be exported out of the basin. This came about after President Nixon signed the bi-state compact which created the TRPA. Paul Laxalt was the Nevada Governor and the California Governor was Ronald Reagan at the time of ratification.

This effluent export pipeline, now 45 years old, is reaching the end of its useful life and ongoing corrosion has caused failure at multiple locations. Early phases of this project investigated the whole pipeline and prioritized the replacement schedule to maintain this critical infrastructure. The original project included replacing four miles of pipeline along State Route 28 (between Incline Village and Sand Harbor) and two miles of pipeline that crosses through Spooner State Park. Another critical component of this project was the elimination of two small wastewater treatment plants located at Sand Harbor and Memorial Point State Parks which are located next to Lake Tahoe. The wastewater is now pumped directly to IVGID for treatment at the regional plant.

Overall, IVGID has been diligently pursuing the replacement of the effluent export pipeline since 2003 in the Lake Tahoe Basin. Total capital expenditures to date have been \$20.6 million over the last 13 years to replace the aging effluent export system. IVGID has also received \$15.4 million in funding from the Federal WRDA Section 595 program through a Project Cooperation Agreement with the United State Army Corps of Engineers.

The District has now placed in its 10-year capital improvement plan an additional \$23 million in expenditures for Phase II of the Effluent Export Project to replace the remaining six miles of effluent pipeline in the Lake Tahoe Basin, between Sand Harbor and Spooner Summit. The IVGID Board of Trustees approved four consecutive years of 10% sewer rate increases, a 45% total increase to sewer rates, to accumulate the funds for this critical infrastructure replacement. These project related rate increases are now complete. The District is now collecting from our rate payers an additional \$2 million per year more than we were collecting five years ago to fund this project.

The six miles of pipeline is comprised of approximately 17,300 linear feet of welded, cement mortar lined, high pressure pipe and 13,700 linear feet of bell and spigot, cement mortar lined, low pressure steel pipe. This pipeline experienced significant leaks in 2009 and 2014. Subsequent investigations confirmed progressive corrosion of this pipeline that necessitates replacement

The District has worked with the Tahoe Transportation District (TTD) for the last three years on the feasibility of co-locating the new section of effluent export pipeline with the segment of the proposed Stateline-to-Stateline bikeway that runs from Sand Harbor to Spooner Summit. Co-location of the pipeline and the bikeway would leverage economies of scope and scale between the two projects, significantly reduce traffic and road impacts by removing the project from the State Route 28 right-of-way, and significantly enhance construction productivity and schedule by removing the work zone and schedule restrictions placed on the project by the Nevada Department of Transportation for work within SR-28. At the October 2014 Board of Trustees meeting, the District entered into an amendment of the existing Interlocal Agreement between the two agencies that would allow the completion of the next steps of the project: completion of preliminary engineering and design and conducting the necessary environmental analysis of the proposed alignment to satisfy the National Environmental Policy Act (NEPA) and the Tahoe Regional Planning Agency (TRPA) requirements.

Should TTD be able to secure funding for the final design and construction of the proposed SR-28 bikeway, District Staff estimates there will be substantial savings by co-locating the pipeline within the bikeway. Depending on the total length of pipeline eventually replaced, the District could save upwards of \$7,000,000 via co-location and cost sharing with TTD over replacing the pipeline entirely within the SR-28 roadway. 🚧

# BEST TASTING WATER & PW WALKS

## *Award Winning Water – Tahoe Tap*

Tahoe locals have known about the superb drinking water in our communities for a long time and now the word is out. Tahoe Tap® has been receiving awards for being some of the best drinking water in the nation. IVGID won the “Best Tasting Water in Nevada” competition at the Nevada Rural Water Conference in March 2016. This honor will be taken further in January 2017 as IVGID plans to compete in the national taste test for the first time. IVGID and Glenbrook Water Cooperative are founding members of the Tahoe Water Suppliers Association (TWSA) which encourages residents and visitors to go without bottled water and instead DRINK TAHOE TAP®. IVGID and Glenbrook utilize state of the art ozone and ultraviolet disinfection to provide exceptional drinking water to their residents and both IVGID and Glenbrook hold filtration exemptions for drinking water treatment from the US EPA which is rare. There are only 60 US exemptions and TWSA members hold 6 of these attesting to the high quality and purity of Lake Tahoe’s source water. Please keep in mind small systems such as IVGID and Glenbrook along with tens of thousands other small water providers must meet the same water quality standards as those systems serving millions of people in large cities. So we are proud to say... DRINK TAHOE TAP®!

(Left to Right): Joe Pomroy, Mike Murphy, Jim Hammerel, Bob Foerster, Kendra Wong, Matthew Dent, Phil Horan

## *3rd Friday Walk & Learn* with our Director of Public Works, Joe Pomroy

Our Director of Public Works, Joe Pomroy will lead tours at some of our infrastructure sites. Join us for tours and learn more about Public Works operations while enjoying our beautiful scenery.

**Friday, June 17, 10:00 AM: MILL CREEK DIVERSION AND WATER RESOURCE RECOVERY FACILITY -**  
Meet at 1220 Sweetwater Rd, Incline Village

**Friday, July 15, 10AM: ALLISON WATER TANK –**  
Meet at 729 Allison Drive, Incline Village

**Friday, August 19, 10am: SEWER PUMPING STATION AND CREEK RESTORATION –**  
Meet at IVGID Recreation Center, 980 Incline Way

**Friday, September 16, 10am: CRYSTAL BAY WATER TANK –**  
Meet at the start of the Lookout Road, Crystal Bay

Meeting location maps are available on our website: [www.ivgidpublicworks.com](http://www.ivgidpublicworks.com).  
Call (775) 832-1203 for details.

## *Flushable Wipes are NOT Flushable!*

- They cause wastewater backups into homes.
- Flushable wipes create blockages in wastewater pipes.
- They damage pumps and motors in the wastewater system.
- Please dispose of flushable wipes into a trash container.

## *2016 Watermain Replacement and Fire Flow Enhancement Project*

The Incline Village General Improvement District (IVGID) currently maintains 90 miles of watermain to deliver safe and reliable potable water to all areas of Incline Village and Crystal Bay. Unfortunately, water infrastructure doesn't last forever and, as a substantial portion of the District was developed during the 1960s using corrosion and leak prone thin wall steel pipe, the District has a robust annual watermain replacement program. Since 1982, the District has replaced nearly 38 miles of steel watermain throughout Incline Village and Crystal Bay at a cost of \$17-million, not adjusted for inflation. There is approximately six miles of steel watermain (roughly seven percent of the District's total watermain inventory) still slated for replacement.

The criteria for selecting which watermain are replaced each year are threefold: replace those watermain with the most leaks that are the most challenging to repair and do so in streets with aging pavement. IVGID collaborates with the Washoe County Road Department to ensure failing watermain are replaced in advance of any County project to reconstruct, repave, or slurry the streets. We also work closely with the North Lake Tahoe Fire Protection District to determine areas where fire flows may not be optimum or additional fire hydrants may be necessary. Doing so ensures that any new watermain installed is adequately sized to meet both potable and fire flow capacity requirements. This partnership and focus of fire flow capacity allows the District's watermain replacement projects to qualify for grants from the United States Forest Service (USFS) that support fire fighting infrastructure in the Tahoe Basin. To date the District has received over \$3.5-million in grant funds from the USFS to support fire flow capacity enhancements in Incline Village and Crystal Bay.

When a new watermain is installed, the District utilizes modern materials and industry best practices to ensure the greatest possible design life of the new infrastructure. The IVGID Engineering Division performs the design, engineering, bidding, contract administration, and inspection tasks associated with the project. An outside contractor, selected via competitive public bidding, performs the installation work. This summer, the District will be replacing watermain and installing new fire hydrants on North Enterprise Street and Oriole Way in Incline Village as well as on Teresa Court and Wassou Road in Crystal Bay.

### **The 2016 project scope of work includes:**

- Replacing approximately 1,100 linear feet of undersized and failing six inch steel watermain with eight inch ductile iron or C900 PVC pipe and installing one new fire hydrant on North Enterprise Street in Incline Village.
- Replacing approximately 220 linear feet of failing six inch steel watermain with new six inch ductile iron or C900 PVC pipe and installing one new fire hydrant on Oriole Way in Incline Village.
- Replacing approximately 325 linear feet of undersized and failing six inch steel watermain with eight inch ductile iron or C900 PVC pipe and installing two new fire hydrants on Teresa Court and Wassou Road in Crystal Bay.

This work will improve available fire flow capacity in these residential areas of Incline Village and Crystal Bay, will help reduce unaccounted for water loss, and will reduce service interruptions to customers and costly pavement patch penalties that result from water leak repair activities.

Construction will take place between August 1 and October 15, 2016, with normal construction hours Monday - Friday, 7 am - 6 pm, and possibly on Saturdays (if required to expedite the project). Some water shutdowns in the impacted areas will be required during construction. When possible, water outages will be planned during off-peak hours to minimize resident and business impacts. It is the District's goal to have all water shutdowns not to exceed eight hours and residents will be given 48 hour advanced notice of any water outages. IVGID resources will be available for emergency response if necessary. Specific project details and a final schedule will be determined once a construction contract has been awarded by the District's Board of Trustees.

Construction impacts to the project areas may include trench excavation and pavement restoration in the streets, driveways, and parking areas. The project is designed to limit the extents and duration of business impacts and any affected property improvements will be restored to pre-construction conditions. We ask parcel owners to please advise your guests or tenants of the upcoming project and encourage anyone to contact IVGID Engineering at 775-832-1267 with any questions or concerns. IVGID will work to ensure minimal impacts to parking access and business operations.

Some properties may experience temporary discoloration of the water or trapped air in the pipes once the new watermain is put on-line and water service is restored. This is to be expected and is standard during watermain replacements. IVGID suggests running all cold water taps to clear affected pipes of any sediment. If any customer still experiences problems after 24 hours, please call IVGID's 24-hour hotline at 775-832-1203.

The District would like to thank the residents of Incline Village and Crystal Bay for their continued support of this critical infrastructure replacement program and for their cooperation and patience throughout the construction of the project. IVGID strives to ensure minimal inconvenience to you as it works to reliably deliver life's most precious resource – water. If you have any questions or concerns regarding this year's project or the program in general, please contact IVGID's Engineering Division at 775-832-1267. Construction updates are available on our website: <https://www.yourtahoepace.com/ivgid/resources/construction-updates>. 

## Join an Amazing Team

Our employees enjoy sharing a smile and creating one of a kind experiences for our customers in one of the most beautiful locations in North America – Lake Tahoe!

## Meet your Board of Trustees

**Kendra Wong** earned an M.B.A. from Arizona State University and a B.S. in Economics from UC Davis, where she also minored in Communication. She began her professional career with PricewaterhouseCoopers, LLP in their audit practice. Kendra has worked in the ski resort, medical device, and power industries and maintains an active CPA license in California. Although her educational foundation is in economics, Kendra's professional concentration since 2001 has been in accounting and finance. She has extensive experience in general ledger accounting, SEC reporting, and SOX audits. Kendra joined the Sierra Nevada College faculty as an adjunct in spring 2007. She teaches accounting, finance, entrepreneurship, and general management courses and serves as a student academic advisor. Kendra has been recognized by faculty, staff, and students as an outstanding advisor and faculty member. Kendra was promoted to Business Department Chair in Fall 2013. Kendra was recognized as the Faculty Advisor of the Year by Nevada's Center for Entrepreneurship and Technology in 2013. In 2014, Kendra stepped up to lead Nevada's higher education institutions to put on the D.W. Reynolds Governor's Cup business plan competition. Outside of the classroom, Kendra enjoys the outdoors just as much as her students do. Kendra is an avid skier during the winter and enjoys running, hiking, and biking during the summer.

Ms. Wong is currently serving her first term on the IVGID board of trustees after being elected in 2014, and currently holds the position as the board Chairperson, and her terms expires in 2018.

After having the opportunity to live in several mountain communities across the US and Canada including Boulder, Aspen, and Whistler, **Jim Hammerel** and his wife established roots in Incline Village in 2005. Trustee Hammerel earned a bachelor's degree in business administration with an information systems emphasis from the Leeds School of Business at the University of Colorado. His professional background includes working for several technology companies including a wireless internet service provider, and now owns and operates a digital marketing agency with clients across North America for the past 11 years. He enjoys volunteering for organizations such as Red, White, and Tahoe Blue, Tahoe's Connection for Families, the Incline Tahoe Foundation, Tahoe Family Solutions, and READ Global. When he has any free time, Trustee Hammerel enjoys skiing, mountain biking, flying, and spending time with his two-year old daughter.

Mr. Hammerel is currently serving his first term on the IVGID Board of Trustees after being elected in 2012, and currently holds the position as Treasurer, and his term expires in 2016.

**Matthew Dent** is from a small agricultural community in Watsonville, CA and moved to Nevada with his wife Tara in 2007. Since then, they have established roots in Incline Village as year-round residents and plan to have children in the next couple years. After earning a bachelor's degree in Construction Management from California State University, Chico and a Masters in Business Administration from University of Nevada, Reno, and Matthew worked in heavy civil construction. He has worked on an array of executive teams managing large infrastructure projects in both California and Nevada which totaled more than \$500 million. To establish a full-time way of life in Incline Village, Matthew founded two companies in separate industries: real estate investment and development and international education. When not running these companies, Matthew enjoys volunteering for several local and national organizations, reading, boating, skiing, golfing, and playing chess with his wife.

Matthew has been serving as our current IVGID Board of Trustee since appointed in 2015 and has filed for the 2016 candidacy to continue serving our community. He enjoys meeting local residents and encourages you to connect with him via email (matthew.ivgid@gmail.com).

**Tim Callicrate** is a sole-owner proprietor business owner and full-time, year-round resident since June of 1985. Tim has been a professional pianist/vocalist for over 30 years. He has been the staff pianist at the Hyatt's Lone Eagle Grille, Martis Camp, as well as the Director of Music at St. Francis Catholic Church. Additionally, Tim has been a substitute teacher at Lake Tahoe School and a Docent at the Thunderbird Lodge. He produced two compact discs of background piano music entitled 'Serenade From Tahoe' which have been steadily climbing the charts on Pandora, iTunes, Amazon and CD Baby, to name a few.

Tim had previously served on the Board of Trustees in 1997 - 2000. Tim is currently serving his second term as IVGID Trustee after being elected in 2014, and holds the position of the board Secretary, and his term expires in 2018.

**Phil Horan** and his wife Jan and have been property owners in IVCB since September 1990 and have been full time residents since March 2001. Trustee Horan graduated from Creighton University with a degree in Business Administration. Prior to retirement in 2001 Phil worked 28 years for Bank of America and 9 years with Perot Systems with many years of executive management experience. He also spent more than 15 years living and working internationally.

For the past 15 years, Phil has been active and participated in a variety of local and Washoe County community activities in leadership positions which currently include Washoe County Planning Commission and Washoe County Board of Equalization. Locally he is a past President of Incliners and Treasurer of Marine 9.

Trustee Horan was appointed to the Board December 3, 2015 to fulfill a vacancy. He currently serves as Vice Chairman of the Board and is Chairman of the Boards Audit Committee; He is currently a candidate to be elected for a 4 year term beginning 2017. 

# LET'S CONNECT

The Incline Village General Improvement District adopted a Strategic Plan on July 1, 2015, which provides direction and a planned pursuit of the mission, vision, values, long range principles and objectives and actions of the District. The Strategic Plan includes Long Range Principle #6, Communication.

## *Long Range Principle #6 - Communication*

The District will engage, interact and educate to promote understanding of the programs, activities, services, and ongoing affairs.

- Promote transparency in all areas including finance, operations and public meetings.
- Provide clear, concise and timely information in multiple, publicly accessible formats.
- Ensure that both internal and external communication is responsive, comprehensive and inclusive.

### **Objectives for 2015-2017**

1. Create function and dedicate full time staff to communications.
2. Invest in technology to improve access to information, better track citizen requests and inquiries and streamline customer service operations at venues.
3. Employ tools to enhance internal communications.
4. Implement best practices for sharing information with the public.

### **Budgeted Initiatives for 2015-2016**

- A. Expand the District's approach to communication decisions for the entire District for sales, marketing and communications. All venues and Funds will be served by the new Communications Coordinator.
- B. The District will be utilizing several online tools to improve Citizen Request Management and Financial Transparency.
- C. The District will replace existing Point of Sale systems to improve service delivery and extend capacity for registration and purchases.

The following are some tools to stay connected to IVGID:

### **Talk2IVGID**

Talk2IVGID is an app that can be accessed via mobile devices or our website to quickly and conveniently report non-emergency service requests and inquiries directly to IVGID staff (i.e. report a water leak, check the status of an IVGID Picture Pass). Submissions will be responded to quickly and you will be notified the instant a comment is posted to your inquiry. Users can track progress with a unique tracking number.

Download the app: Google play & App Store

Visit the website: [www.yourtahoeplace.com/ivgid/talk2ivgid](http://www.yourtahoeplace.com/ivgid/talk2ivgid)

### **Nextdoor**

**Nextdoor** is the private social network for you; your neighbors connect and share information. It's the easiest way for you and your neighbors to talk online, enhance communication and community. And it's free. Thousands of neighborhoods are already using Nextdoor to build happier, safer, and more informed community. IVGID uses [nextdoor.com](http://nextdoor.com) to make announcements, engage citizens, and increase public outreach and awareness. Go to [nextdoor.com](http://nextdoor.com) or download the app.

**Subscribe for our email club!** There are a variety of subscriptions available to learn about IVGID Board of Trustee and Venue news, events, and announcements, special offers and discounts: <https://www.yourtahoeplace.com/email-subscribe>

### **OPENGOV** [yourtahoeplace.com/ivgid/financial-transparency](http://yourtahoeplace.com/ivgid/financial-transparency) click 'opengov data tool'

In an effort to enhance transparency in financial reporting, IVGID is offering an interactive reporting tool that allows citizens to explore IVGID's financial data online in various graphical formats selected by the user. **OpenGov**, a company specializing in data accessibility, pioneered this online application. This OpenGov Data Tool provides you the opportunity to view, filter, and analyze financial data for IVGID.

Connect with us on Social Media:

Our website is a great source of information: [www.yourtahoeplace.com](http://www.yourtahoeplace.com). We want to hear from you! Let us know how we can better communicate with you. Email us, [info@ivgid.org](mailto:info@ivgid.org), subject line 'COMMUNICATE.'

# 4TH OF JULY IS COMING... ARE YOU READY?

[www.YourTahoePlace.com/IVGID/FourthOfJuly](http://www.YourTahoePlace.com/IVGID/FourthOfJuly)

*Find info on:*

**IVGID PUNCH CARDS • IVGID PICTURE PASSES  
IVGID BEACH SHUTTLE • BEACH ACCESS TICKETS  
*and more!***

# 4<sup>TH</sup> OF JULY — KNOW BEFORE YOU GO

# IVGID FACILITIES OVERVIEW

## *The Recreation Center, Beach Picnic Areas and Fields* (775) 832-1310 [www.inclinerecreation.com](http://www.inclinerecreation.com)

If you are looking for a place to hold a social, sporting or special event in Incline Village, we have several venues available. The Recreation Center offers year round facilities for indoor events with amenities that include a lobby for birthday parties, indoor gymnasium and indoor pool. Incline and Burnt Cedar beaches have several Group Picnic areas available to beach access pass holders to reserve for spring or summer events. The designated beach sites include barbecue grills and tables offering you and your friends an area to picnic and enjoy the beach. Two sites are available at Burnt Cedar and two at Incline Beach. These sites can only be reserved with a valid beach access Recreation Photo ID. Each guest is still responsible for beach access fees. There is also one site available at Preston Park which is perfect for a family gathering or your child's birthday party and can be reserved by both IVGID pass holders & non pass holders

In addition, Village Green, Preston Field and Incline Park offer wide open spaces for activities and have multi-use fields for your soccer, softball and baseball needs. These sites are available to both IVGID pass holders & non pass holders. Reservations for all sites are taken on a first-come, first-served basis at the Parks & Recreation Department Counter. Payment is required with your application. For more information on rates, availability or to make a reservation please, call (775) 832-1310 or visit our website at [www.inclinerecreation.com](http://www.inclinerecreation.com).

## *Tennis Center*

**964 Incline Way, Incline Village**  
(775) 832-1235 [www.inclinetennis.com](http://www.inclinetennis.com)

The Incline Village Tennis Center, located next to the Recreation Center, offers eleven courts in a picturesque alpine setting along a year-round creek. Available in the Pro Shop is a selection of Babolat and Head racquets and tennis products, as well as the newest apparel and shoes. Racquet stringing is available with a wide variety of synthetic and natural gut strings.

## *Disc Golf*

The North Tahoe Lions Club Disc Golf course includes 18 par 3 holes in a picturesque setting located within Incline Park adjacent to the Tennis Center, Recreation Center, Skateboard Park and the Ball Fields. This is a free multi-use area to be enjoyed by all ages. Parking is available at the Recreation Center at 980 Incline Way. Parking is not permitted at the Tennis Center. The 1st hole is located on the west side of the Recreation Center entrance road (980 Incline Way, Incline Village). Discs are available for purchase or rent at the Recreation Center.

## *Incline Village Fitness Trail*

The Incline Village Fitness Trail (previously known as the Exercourse) is an 18-station exercise course adjacent to the Village Green. The .8 mile course winds through the forest next to Incline Creek. The course contains accessible walking, running, snowshoeing, biking and exercise trails, and is used by many residents and visitors year-round.

## *Incline Village Golf Courses*

**955 Fairway Blvd & 690 Wilson Way; Incline Village**  
(866) 925-GOLF [www.GolfIncline.com](http://www.GolfIncline.com)

The Incline Village Golf Courses offer complete facilities to meet your golfing needs. Our facilities include two 18 hole golf courses, driving range, putting and chipping greens, food and beverage facilities and special event facilities. The golf shops are stocked with full lines of men's, ladies' and kids' apparel as well as the top club, golf ball products and shoes. PGA teaching professionals are available for private and group instruction. All Incline Village and Crystal Bay Residents with a valid IVGID Recreation Picture Pass can receive a discount on green fees and most merchandise at the golf shop. Visit [www.golfincline.com](http://www.golfincline.com) or call (866) 925-GOLF for more information.

## *The Chateau at Incline Village™*

955 Fairway Blvd; Incline Village, NV 89451  
(775) 832-1240 [www.InclineFacilities.com](http://www.InclineFacilities.com)

The Chateau at Incline Village™ features classic Tahoe stone and timber construction with a modern edge. This 13,500 square foot venue has vaulted timber ceilings, massive stone pillars, a spacious covered deck and offers expansive views of the mountains, the Championship Golf Course and Lake Tahoe. It is beautiful, multi-functional and flexible. It is the perfect venue for wedding ceremonies and receptions, golf events and small and large parties. You dream up the event and we'll make it happen! Our professional Food & Beverage team has earned quite a reputation for providing great food, outstanding service and a wonderful experience. From a large formal wedding to a small meeting, the Chateau at Incline Village™ can be customized to fit your needs. Choose us for your next meeting, wedding and reception, party, fundraiser or special event.

For reservations or more information, please call (775) 832-1240 or go to [www.InclineFacilities.com](http://www.InclineFacilities.com) and click on Meetings & Weddings, click on Inquiry Form.

## *Aspen Grove*

960 Lakeshore Drive, Incline Village, NV 89451  
(775) 832-1240 [www.InclineFacilities.com](http://www.InclineFacilities.com)

Named for its beautiful location, Aspen Grove is located across the street from the stunning Lake Tahoe beaches and nestled among the Aspen trees next to tranquil Third Creek. Outdoor amenities include picnic tables and a huge barbeque grill. The outdoor area can accommodate up to 250 guests; inside can comfortably seat up to 50 guests. Catering and bar tending services are available through our outstanding professional food service team for your convenience. With its stunning mountain and forest views, Aspen Grove is one of the most affordable venues on the North Shore and perfect location for spring, summer and fall events. For reservations or more information, please call (775) 832-1240 or go to [www.YourTahoePlace.com](http://www.YourTahoePlace.com) and click on Meetings & Weddings.

Talbot Photography

## *Incline Skate Park*

Hwy 28 & Southwood Blvd., Incline Village, NV  
(775) 832-1310

Incline Skate Park, centrally located on the corner of Tahoe Blvd (Hwy 28) and Southwood Blvd. in Incline Park, has something to offer everyone. There is an intermediate/advanced section of the park consisting of two 5-foot side-by-side bowls connected with a spine. In the middle of the park is a 3-foot tall fun box, and the entire right side of the small end is a 2.5-foot tall bowl for beginners. The street course is laid out on top, flowing in a circle with an 8-foot long flat rail, 6-foot long down rail, a set of 4 stairs, and a 10-foot long downward ramp leading into the bowls.

## *Diamond Peak Ski Resort (Dec. - Apr.)*

1210 Ski Way, Incline Village, NV 89451  
(775) 832-1177 [www.diamondpeak.com](http://www.diamondpeak.com)

Diamond Peak is the ultimate family and kid-friendly ski resort featuring spectacular Lake Tahoe views, uncrowded terrain and affordable lift tickets with a laid-back atmosphere.

The Child Ski Center (for 3-7 years olds) is nationally recognized for its innovative programs and contribution to lifetime fun. The Child Ski Center offers both one-on-one private instruction and small group lessons with no more than five children per instructor.

The Ski and Snowboard School is for ages 7 and up. They offer group lessons, private lessons and family and friends lesson packages. There is a Sierra Scout all day adventure package for ages 7-14 that includes morning and afternoon group lesson, rental equipment, lift ticket and supervised lunch.

Don't forget to experience the most unique event in Lake Tahoe - Last Tracks. Take the last chairlift up to our mid-mountain Snowflake Lodge and enjoy wine tasting and appetizers before skiing or snowboarding down a freshly groomed run to the base area at sunset. Last Tracks events are held every Saturday from early February through mid-April. Last Tracks is also available on a private basis for your own group event.

For more information, check out [www.diamondpeak.com](http://www.diamondpeak.com) or call (775) 832-1177.
