## Picking a Non-stick Pan

What if I told you using the right pan meant you could have dessert? That's right, which pan you choose will ultimately decide not just what flavors you will create, but also how much fat you need to properly cook your food. Cooking comes down to ingredients, techniques and what equipment you need to conduct heat efficiently and effectively to produce great results.

Nonstick pans are a great tool and offer more than just easy cleanup. We recommend nonstick pans for cooking eggs, fish and batter items like pancakes and crepes. Here are three things to consider when choosing a nonstick pan.

### What is the pan made of and is it safe to use?

All non-stick pans have a coating of some type. For safety, definitely look for a pan that is PFOA free. Pans made with PFOA coating (mainly Teflon) have been found to be harmful when the pan is overheated and the PFOA "off gasses" into the room. Not good! So please, if you have any scratched up, old non-stick pans, throw them away. Notice I did not say to donate them either. This brings up a key point though for all nonstick cookware—nonstick pans, because of the coating, are designed to be medium heat pans. To get the best performance and durability, do not heat your nonstick pan above 400-450 degrees.

### How does the pan perform?

Just like in other cookware, the main thing you are looking for is a pan that will conduct the heat effectively and evenly around the

pan. Ideally, you are looking for a 3-ply pan (Stainless Steel-Aluminum-Stainless Steel) with a top of the line nonstick coating. Our "go-to" nonstick pans are:

1. Cristel Casteline- 5-ply core cooking base with 3-ply sides—a dream to cook on because of its amazing heat distribution. Cristel uses Excellis, a top of the line, PFOA free coating, that is manufacture using a 3 layer coating process. It has a 10 year warranty which is virtually unheard of in the nonstick cookware industry. \$195-\$295
2. Chantal Induction 21- The Chantal nonstick frypan incorporates a 3-ply diffuser cooking base with titanium and copper infused stainless steel sides. The coating is a very durable nonstick silicone ceramic coating, think a high tech pyrex and you get the picture. \$60-\$120
3. Frieling Black Cube- This pan is interesting and works great, especially if you like to use metal utensils. The Black Cube is a "hybrid" 3-ply core pan that incorporates stainless steel pixels/cubes with nonstick coating in the valleys for its cooking surface. Food essentially cooks on the stainless steel pixels which keeps the coating safe from scratching when using metal utensils. \$50-\$110

### How durable is a non-stick pan?

They do have a shelf life. Each manufacturer will have slightly different standards of care for their pan. As long as your pan doesn't contain PFOA then it will never be "unsafe" to cook in, but the non-stick property may diminish over time requiring you to use fat to cook in the pan. Generally, non-stick pans have a shelf life around 3 years. Cristel offers a 10 year guarantee for their non-stick pan, so you won't have to replace it as often as a lesser quality pan. Remember it is very important to not overheat these pans to extend their useful life.

The fun part of cooking is placing flavor where you want it. These non-stick pan gives you grace when you don't want to use fat. What makes cooking easy is having a pan that works for you rather than you doing the heavy lifting. A pan that conducts heat efficiently and that is easy to clean makes cooking fun.

## GUIDE TO PASSES

This Guide to Passes is a simplified, one page sheet that covers the important points of interest from Ordinance 7 and is designed as a quick reference for our residents. Please refer to IVGID's Ordinance 7 for the complete information regarding all passes.

### Resident Passes

Parcel Owners receive five (5) resident passes per assessed single family dwelling. Resident passes can be assigned only by the listed property owner or the authorized agent for the property. Signing Agents must have a completed Agent Authorization form on file with the Parks & Recreation Department.

### Resident passes are issued in two forms; IVGID Picture Pass

An IVGID Picture Pass is valid for the passholder only. It allows the pass-holder free access\* to District-owned beaches, and entitles the cardholder to the current resident rates at the Incline Village Golf Courses, Tennis Center, Recreation Center, Diamond Peak Ski Resort and the Wetlands Hunting Program.

Persons eligible for an IVGID Picture Pass include first and second degree family members of the property owner and long-term leasing renters/tenants.

Family members receiving passes must have a completed Assignment of Recreation Privileges green form on file at the Parks & Recreation Department in order to be eligible for an IVGID Picture Pass. An IVGID Picture Pass is issued for a minimum

term of six (6) months up to a maximum term of five (5) years. The desired term must be specified by the property owner or authorized agent on the Assignment of Recreation Privileges form. If no expiration date is specified, the minimum term\*\* shall apply. Passholders will receive a renewal letter to notify them when their pass is about to expire, as well as renewal instructions.

A Renter/Tenant applying for an IVGID Pass must present a current, valid lease agreement in their name and a completed Assignment of Recreation Privileges yellow form to the Parks & Recreation Department in order to receive an IVGID Picture Pass. The expiration date for a Renter/Tenant IVGID Pass is determined by the property owner or authorized agent, not to be extended past the valid term of the lease agreement, and must be indicated on the Assignment of Recreation Privileges form. If no expiration date is specified, the minimum term\*\* shall apply.

*A lost IVGID Pass can be replaced for a \$15 fee.*

### Recreation Punch Card

A Recreation Punch Card is a transferable, non-picture card with a specific dollar value, which can be used by the resident's guests. Recreation Punch Cards are valid June 1st through the following May 31st and are issued annually. The holder of the Recreation Punch Card will gain free access to District-owned beaches\*, and is eligible for the daily resident rate at the Incline Village Golf Courses, Tennis Center, Recreation Center and Diamond Peak Ski Resort. IVGID will deduct the full entrance

fee to the beaches, and the difference between the non-resident and resident rates will be deducted from the card for all other facilities. Resident fees will not be deducted from the card. Residents may use a Recreation Punch Card to pay for a daily boat launch.

*A lost or stolen Recreation Punch Card can be replaced for a \$15 fee.*

### Additional Passes

Additional IVGID Passes can be purchased by a property owner or person(s) authorized by a property owner and are valid for one year from the date of purchase. Additional Recreation Punch Cards can be purchased by the owner or person(s) authorized by a property owner and are valid until the May 31st expiration date. Any additional pass (IVGID PASS or Recreation Punch Card) will have no golf privileges and will be labeled NO GOLF (and NO BEACH if applicable). These passes cannot be used to obtain resident rates at the Incline Village golf courses.

Visit [www.inclinerecreation.com](http://www.inclinerecreation.com) for more on recreation privileges. The Assignment of Recreation Privilege Form is available online.

### Daily Beach Passes

Daily beach and boat launch passes can be purchased at the Parks & Recreation Department for guests who will not be accompanied to the beach by an Incline Village Resident. Daily passes must be purchased by the holder of a current beach access IVGID Pass, and current beach rates will apply.

### Beach and Boat Launch Guest Access Tickets

Beach and Boat Launch Guest Access Tickets can be picked up at the Parks & Recreation Department at no charge. These tickets, when authorized and requested by a property owner with beach access or authorized agent, allows the guest to pay daily beach entrance and/or boat launch fees to access Burnt Cedar, Incline and Ski Beaches, or to purchase daily beach or boat launch passes at the Parks & Recreation Department.

*\*No Beach Parcels: If your parcel has been assessed as "No Beach," your IVGID Pass or Recreation Punch Card will not grant you beach access, but does retain all other IVGID privileges. \*\*The minimum term is equal to six (6) months OR the expiration date of the Lease Agreement.*

Golf instruction is available on all areas of the game, including full swing, pitching, chipping and putting, as well as on-course playing lessons. Lessons

and clinics that use the practice areas include practice balls and clubs are available upon request.

# EDDY ♥ HOUSE

Since 2011, Eddy House has provided resources towards stabilizing youth who have experienced homelessness and/or are considered high risk. Homelessness experienced by those who have been in the foster care system, are runaways, or are considered at-risk. We continue to strive with our provided services to end youth homeless in Northern Nevada.

## The Future at Eddy House

Eddy House is moving into 2019 with plans for a 24-hour homeless youth drop-in center. The new facility will have:

- 50 overnight beds (cots)
- commercial kitchen
- laundry facilities
- lockers
- classroom/therapy space
- showers/bathrooms
- clothing closet
- technology space,
- private space for medical testing/first aid.

This facility will continue to serve as the central intake and assessment facility for all homeless youth in northern Nevada. This project will address the immediate overnight and emergency needs of Eddy House's extremely marginalized, non-system population of high-risk youth, ages 12-24.

## Ways You Can Help Eddy House Youth

Many have reached out to us and want to know "how can they help?" They've seen the work at Eddy House, they are aware of the needs of the growing homeless

population and they understand our approach toward help and hope will help create stability and the necessary hand up towards becoming a productive member of society. We appreciate the support and partnership we have with the many individuals and organizations who are committed to the mission and work of Eddy House.

Eddy House has helped me to get back on my feet. Supplied me with food when I didn't have any. They helped me to get my birth certificate and essential documents so I could get a job.

# THE VOICE OF LAKE TAHOE LUXURY
