

What's New in 2007

CHECK YOUR CALENDAR - Standard Dates for Opening and Closing of Seasons; *not* based on Saturday opening and Sunday closing day.

In 2007 seasons were set for two-years by a calendar date and not for a particular day of the week. This allows seasons to be consistent from year-to-year. The long-term goal is to pursue standard seasons and eliminate unnecessary changes and confusion to tag applicants and hunters.

- **Antelope** - buck any legal weapon seasons to start August 22 and lengthen from 9 to 15 days; archery seasons will start one week earlier than last year.
- **Elk** - bull any legal weapon hunt for Units 076, 077, 079, 081 are split into an early and late hunt; all bull muzzleloader seasons start October 20. Most bull rifle seasons start November 4. Cow elk seasons for Units 061, 071 have been added.
- **Rocky Mountain Bighorn Sheep** - new hunt in Unit 114.
- **California Bighorn Sheep** – closed in Unit 041. New hunt in Unit 022. In nonresident hunt, Unit 035 replaced with Unit group 066, 068.
- **Desert Bighorn Sheep** – added two new units, Unit 131 and Unit 204; Unit 161 has been split into an early and late hunt; Unit 205 is split into north and south subunits; new nonresident hunt for Unit group 243, 271.
- **Mountain Goat** – for nonresidents, separate hunts for Unit 101 and Unit 102.
- **Mule Deer** – new antlerless deer hunt in Area 6 units; there are now early and late split rifle seasons for many Unit groups; resident junior deer rifle seasons were not split (single 22-day season); some interstate deer herds have all three weapon class hunts in December. Split seasons (16 days each) afford many benefits including the ability to recognize and manage “opportunity hunters” and “trophy hunters” who have different hunter expectations and demands. Harvest questionnaires have shown that the average days hunted for these seasons has only been five to six days. Unit groups with limited deer herds did not receive split seasons.

UNIT BOUNDARY CHANGES

Pilot Peak in eastern Elko County is now unit 091; the previous Unit 079 still exists but only includes the Toana Range and surrounding area.

Other units with revised boundaries include: 072 - 075, 102, 104, 111, 114, 131, and 221; **please review the unit reference map and boundary descriptions on back of map.**

NAC 503.142 Hunting big-game mammal with firearm. The Board of Wildlife Commissioners hereby establishes the following exceptions to paragraph (b) of subsection 1 of NRS 503.150:

1. During a type of hunt that is restricted to muzzle-loading firearms, a person may hunt a big game mammal only with a muzzle-loading rifle or muzzle-loading musket, and may use only a lead ball, a lead bullet, a semijacketed bullet or a metal alloy bullet that expands. The use of smokeless powder is prohibited. Only black powder or a black powder substitute such as Pyrodex or Triple 7 may be used as a propellant. A sabot round may be used. 2. During a type of hunt that is restricted to muzzle-loading firearms, it is unlawful for a person hunting under the authority of a tag for such a hunt to carry in the field a firearm or longbow and arrow except for:

- (a) A muzzle-loading rifle or a muzzle-loading musket with the characteristics set forth in subsection 1; or

(b) Expandable, mechanical broadheads that are at least 7/8-inch wide at the widest point when the broadhead is in the open position.

(e) The Commission may adopt regulations setting forth:

(1) The species of wild birds or mammals which may be hunted or trapped without a license or permit; or

(2)***

(f) ***

2. This section does not apply to the protection of persons or property from unprotected wild birds or mammals on or in the immediate vicinity of home or ranch premises.

NRS 502.060 Information to be furnished by applicant; signature and statement of parent or guardian required for minors; penalties for false statements; use of invalid license unlawful.

1. A person applying for and procuring a license, as provided in this chapter, shall give to the license agent his name and residence address, which must be entered

2. Except as otherwise provided in subsection 3, any person who makes any false statement or furnishes false information to obtain any license, tag or permit issued pursuant to the provisions of this title is guilty of a misdemeanor.

3. Any person who makes any false statement or furnishes false information to obtain any big game tag issued pursuant to the provisions of this title is guilty of a gross misdemeanor.

4. It is unlawful for any person to hunt, fish or trap using any hunting, fishing or trapping license which is invalid by reason of expiration or a false statement made to obtain the license.

5. As used in this section, "big game tag" means a tag permitting a person to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk.

4. Hunter Safety Requirements

NRS 502.330 Safety for hunters: Requirements for license; completion of course in responsibilities of hunters.

1. No hunting license may be obtained by any person born after January 1, 1960, unless he presents to the Department, or one of its authorized licensing agents:

(a) A certificate of successful completion of a course of instruction in the responsibilities of hunters as provided by NRS 502.340;

(b) An equivalent certificate of completion of a course in the responsibilities of hunters provided by a state or an agency of a Canadian province for the management of wildlife; or

(c) A hunting license issued to him in a previous year by the Department, a state or an agency of a Canadian province, which bears a number or other unique mark evidencing successful completion of a course of instruction in the responsibilities of hunters.

2. Any person who has been convicted of violating NRS 503.165 or 503.175 may not obtain a hunting license until he has successfully completed a course in the responsibilities of hunters conducted pursuant to NRS 502.340.

5. Bonus Point Information and Regulations

Bonus Point Program Guidelines

In 2007, hunters will again have the option to apply for a bonus point without applying for a tag for a species. Participation requires a nonrefundable \$10 application fee for each bonus point only application, and the purchase of the hunting or combination hunting and fishing license. An applicant cannot receive a refund on their hunting license. There is a special bonus point code for each hunt and it is listed above the season table.

Resident and nonresident tag applicants receive bonus points for all hunts that have a quota set by the Wildlife Commission when they are unsuccessful in drawing a tag through the computerized random draw system.

Bonus points are awarded by specific species categories, each encompassing all separate weapons hunts available in that category. Those categories are: antlered mule deer; antlerless mule deer; mule deer depredation; antelope buck; antelope

doe; bull elk; spike bull elk; cow elk; depredation elk; desert (Nelson) bighorn sheep; California bighorn sheep; Rocky Mountain bighorn sheep; mountain goat.

Those points cannot be transferred to another person, or into another species category. Applicants are only able to accumulate one bonus point per species category each year. So if you applied for an antlered deer any legal weapon tag and were unsuccessful, and then applied for an antlered deer archery tag and were unsuccessful, you still only accrue one point because these are both in the antlered deer category. However, if you apply for an antlered deer any legal weapon tag and are unsuccessful, and then apply for a antlerless tag and are unsuccessful, you would receive a bonus point for each because they are in two different categories- antlered deer and antlerless deer.

Those applying as a "party hunt" will have their points averaged (total points of all hunters in the party, divided by the number of hunters) and rounded to the closest whole number. Bonus points are squared by species category, resulting in the number of draw numbers that an individual hunter or hunt party will receive in that drawing. A hunter's bonus points revert to zero in a particular species category when he is successful at obtaining a tag or fails to apply for that species category for two consecutive years.

If a person requests a hunting license refund, they will not earn bonus points for the current year.

NAC 502.4188 Bonus points: Categories of species.

1. Except as otherwise provided in subsection 2, any bonus points awarded by the Department pursuant to the bonus point program must be awarded in one of the following categories of species:

- (a) Antlered mule deer;
- (b) Antlerless mule deer;
- (c) Mule deer, either antlered or antlerless;
- (d) Antlered Rocky Mountain elk;
- (e) Antlerless Rocky Mountain elk;
- (f) Rocky Mountain elk, either antlered or antlerless;
- (g) Spike Rocky Mountain elk;
- (h) Pronghorn antelope whose horns are longer than their ears;
- (i) Pronghorn antelope whose horns are shorter than their ears;
- (j) Rams, from one of the following subspecies:
 - (1) Nelson bighorn sheep;
 - (2) California bighorn sheep; or
 - (3) Rocky Mountain bighorn sheep; or
- (k) Mountain goats.

2. Bonus points awarded by the Department pursuant to the bonus point program for wild turkey and depredation hunts must be awarded by hunt number.

NAC 502.4187 Bonus points: Award and accumulation; effect of refund.

1. Except as otherwise provided in NAC 502.416 to 502.4225, inclusive, an applicant to obtain a tag for a season who is unsuccessful, or an applicant for a bonus point who does not wish to obtain a tag and is applying for the sole purpose of earning a bonus point, must be awarded a bonus point for:

- (a) The hunt number of the species for which he applied if he applied for a:
 - (1) Tag to hunt wild turkey;
 - (2) Depredation hunt tag; or
 - (3) Bonus point for a tag described in subparagraph (1), (2) or (3); or
- (b) The category of the species for which he applied if he applied for a tag to hunt deer, elk, mountain goat, antelope or bighorn sheep, or for a bonus point for such a tag.

Regardless of the number of applications to obtain a tag or bonus point for a season submitted by a person, the Department shall not award him more than one bonus point per season for each species or category of a species for which the person applied.

2. Except as otherwise provided in subsection 3, the bonus points awarded to a person accumulate until he is successful in drawing a tag for a season for that species or category of a species or he fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open. If an applicant is successful in drawing a tag for a season for a species or category of a species or fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open, he loses all of his bonus points for that species or category of a species.

3. A person may not use any bonus points awarded to him for being unsuccessful in a junior hunt to apply for a drawing for a tag for any other type of hunt after the person is no longer eligible to participate in a junior hunt.

4. If an applicant requests and receives a refund for the value of his hunting license, the Department shall not award him a bonus point for any species or category of species applied for during the period that the applicant possessed the hunting license.

NAC 502.4177 Submission of application for sole purpose of obtaining bonus point.

1. Except as otherwise provided in subsection 2, a person who is at least 12 years of age and does not wish to obtain a tag may apply to the Department for the sole purpose of obtaining a bonus point for a tag other than a restricted nonresident deer tag. Such an application may be submitted by a person who is under 12 years of age if he will attain the age of 12 years before the commencement of the earliest season for the category of the species to which the application relates.

2. A person who is ineligible to apply for a tag for a category of species may not apply for a bonus point for that category of species.

3. The Department shall award a bonus point to a person described in subsection 1 if the person has complied with all applicable provisions of chapter 502 of NRS and the regulations adopted pursuant thereto.

NAC 502.4189 Bonus points: Use; transfer; applications by group for deer tags.

1. Each applicant in a drawing for a tag for a season receives a number of additional draw numbers that is equal to the number of bonus points that he has accumulated squared, as expressed in the following equation: $n=b^2$ where "n" is the number of additional draw numbers and "b" is the number of bonus points. The number of additional draw numbers determines the number of draw numbers for the species or category of the species for which the application was submitted. The applicant's lowest randomly assigned draw number is the number used for the drawing.

2. Bonus points accumulated by a person for a season cannot be transferred to any other person or any other season unless:

(a) The applicant changes his state of residence;

(b) The applicant requests in writing that the Department transfer those bonus points; and

(c) The Department approves the request for the transfer.

Bonus points transferred pursuant to this subsection apply to the same type of hunt to which they applied before the transfer.

3. The number of bonus points applicable to applications submitted by a group pursuant to NAC 502.4185 for tags to hunt deer is the quotient of the total number of points held by the members of the group divided by the number of members in the group, rounded to the nearest whole number.

6. Applications and Rejection of Applications

NAC 502.331 Limitation on number of big game tags; application and fee for tag or bonus point.

1. Unless otherwise authorized by the Commission, it is unlawful for any person to obtain more than one tag for an antelope, any subspecies of bighorn sheep, an elk or a mountain goat for a season.

2. An application for a tag or bonus point must be:

(a) Completed in accordance with the regulations of the Commission and the instructions on the application.

(b) Made for one applicant only. If two or more persons apply on one application, the application must be rejected.

3. The following nonrefundable fees must be charged for acting upon each application for a tag or bonus point:

(a) Elk tag \$15

(b) Any other tag, other than a mountain lion tag \$10

(c) Bonus point \$10

Hunt Application Information

Please read Sections One and Two below before proceeding with your application. Online instructions are on page 24.

Section One

You may apply for only one category of hunt for each **Animal Species**.

Mule Deer: For mule deer, the categories are: antlered, antlerless, deprecation, or junior. **Again, you may only apply for one mule deer hunt category. Party applications are only allowed for mule deer hunts.**

An applicant who submits an application for restricted nonresident deer guided hunt #1235, tags pursuant to this subsection ***may not apply*** for a ***nonresident deer tag in the main draw in the same year***. (NAC 502.4237)

Elk: For elk, the categories are antlered, antlerless, or deprecation hunt. **Again, you may only apply for one elk hunt category.**

Antelope: For antelope, the categories are animals with horns longer than their ears or horns shorter than their ears. **Again, you may only apply for one antelope hunt category.**

Bighorn Sheep: For bighorn sheep, you may apply for Nelson (desert) bighorn sheep and California bighorn sheep, and Rocky Mountain bighorn sheep. **Remember, you may apply for one, two or all three bighorn sheep hunts!**

Mountain Goat: For mountain goat, there is only one category, "any goat."

Section Two

You may choose up to five hunter choice numbers for each hunt category you wish to apply for except for mountain goat. In addition, you may mix and match your hunter choice numbers by specific weapon type within a species category: **archery**; **muzzleloader**; or **any legal weapon**. For example, for resident antlered mule deer, your five choices could be for one muzzleloader hunt, two any legal weapon hunts, and two archery hunts. You would simply select the correct hunter choice number for each, as listed on pages 34-53, and enter them in your personal order of preference, one through five, on your application. Your odds are best if you select five hunter choice numbers.

Once you have completed your application, we urge you to take the time to review and double-check the hunter choice selections you have entered to ensure they are what you really want.

This 4-digit code is your CID.

Debit cards: It is NOT recommended that you use debit cards. Because of the timing of the charges after the draw, and the way some banks handle overdrafts, it is possible that you may incur substantial penalties if there are insufficient funds in the account when charges are made either now or after the draw. These penalties WILL NOT be reimbursed by the Department. It is recommended that you use a credit card rather than a debit card to avoid these potential problems.

Important Information – First time applicants to Nevada and born after 1/1/1960 will need to submit a paper application and a copy of proof of hunter education in the mail. Or preregister your proof of hunter education up to seven days prior to the tag application deadline. Go to www.huntnevada.com for instructions on how to preregister. This is to satisfy statutory requirements for proof of hunter education certification, NRS 502.330. Once established in the program the hunter education information is retained and will be utilized in future applications.

NOTE: All applications in the party must list the same hunt category and the same hunter choice numbers. I.E. – All antlered deer (resident & nonresident); or all antlerless deer (residents only); All junior deer (residents that meet the junior hunt age requirements). Do not mix antlered, antlerless, and junior type of hunt categories for a party hunt.

Staple the Party Applications Together.

Antlerless Mule Deer Hunt 1181 and Junior Mule Deer Hunt 1107 are strictly resident hunts and not available to nonresidents.

Step 10: Hunt category section - select only one type of hunt category per species.

Step 11: Applying for bonus points only. If you know you will be unable to hunt in Nevada for a species you have the option to apply for a bonus point only without drawing a tag. At the top of each hunt category season table there is a three-digit code for bonus points only. **Print the three-digit bonus point code in the hunter choice box on the application.**

As per NAC 502.4175 (pages 14-15), applications for bonus points are required to submit the nonrefundable fees, purchase a Nevada hunting license (if not already purchased) and not receive a refund on the hunting license to earn the bonus point. Only one point can be earned per hunt category. If both the bonus point code and hunter choice numbers are listed for a hunt category the application will *only* be processed for the bonus point.

Step 12: Hunter choice section - select up to five hunter choices for your chosen type of hunt category.

Print the correct three-digit hunter choice number(s) for the type of hunt category, unit group(s) and weapon type(s) for which you are applying in the box provided. To select hunter choices, refer to the hunt season tables in this application brochure for the type of hunt category you have selected.

Step 13: Partnership in Wildlife (PIW) - write your initials in the box provided if you wish to participate in the PIW drawing (see info on page 54). If PIW is marked no refund of donation is available.

Step 14: License Number section - **this is necessary for bonus points only too.** RESIDENTS and NONRESIDENTS who have purchased a current hunting license prior to applying, must print the hunting license CLASS NUMBER, hunting LICENSE NUMBER, and YEAR. NONRESIDENTS purchasing a hunting license with the big game application, leave the hunting license section blank.

Nonresidents born after 1/1/60 must attach proof of hunter education. See Section No. 4 on page 11 for the Hunter Safety requirements. Note: NRA Certificates Are NOT Accepted.

Youth Hunters: For the purpose of acknowledging potential liability, the parent's or legal guardian's signature is required for a nonresident youth, 12 through 17 years of age, who is applying for a license. (See *NRS 41.472 on page 29).

Step 15: If you are unsuccessful and wish to donate all or part of your refund to Operation Game Thief or Predator Management, print an amount in the donation box.

Step 16: Nonresidents: mark the box if you want your hunting license fee refunded and do not want to earn any bonus points if unsuccessful in the draw. Boxes left blank will be processed as a "No" response and a hunting license will be issued to you. No refunds are available for a combination hunting and fishing license selection.

Step 17: Sign your application. All applicants must sign their application.

Step 18: Submit the total tag, license (nonresidents), application fees and or bonus point only fees payable to Nevada Department of Wildlife (NDOW).

Nonresidents must submit guaranteed funds (cashier's check or money order). No out-of-state personal checks accepted. Nonresidents applying for both mule deer and big game only submit the license fee once.

One check for big game applications and one check for mule deer applications preferred.

Return Checks – There is a \$25 return check fee for checks returned by the bank. Applications associated with a return check will be rejected from the draw. After the draw applicants that had returned checks will be ineligible for other draw processes until the return check fee and nonrefundable application fees have been cleared.

Please Note: It is the applicant's responsibility to contact the Wildlife Administrative Services Office if they do not receive any notice (tag, refund, letter) prior to the start of the hunt. Wildlife Administrative Services Office, P.O. Box 1345, Fallon, NV 89407-1345 or call 1-800-576-1020.

Resident Junior Mule Deer - Antlered - or - Antlerless - Archery, Muzzleloader, or Any Legal Weapon Hunt 1107

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the archery season when the unit is open for archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt. Junior hunt applicants are not eligible for the Partnership in Wildlife draw.

Youth must be 12 prior to the opening of the first hunt season applied for (usually archery), and will not attain their 17th birthday until after the last day of the last season applied for (usually rifle). See junior hunt definition on page 7.

Note: Three thousand (3,000) youth tags will be available this year and will be allotted to Units based on demand.

Guidelines to Apply as a Party for Antlered Mule Deer Hunts 1331, 1341, 1371

General Information

Party applications for game tags are only authorized for mule deer.

Do Not include applications for Bonus Points Only in a party.

Party applications can be either all resident applicants, all nonresident applicants or mixed resident and nonresident applicants.

The party box needs to be completed on the application for each member in the party.

There is no limit to the party size that can be submitted, but a limiting factor is the number of tags that have been available historically. A party of six may not want to apply for a hunter choice that only had three tags in the previous year.

To be able to apply as a party all applicants must apply for the same species category and hunter choice numbers i.e.: all antlered deer (resident and nonresident); or all antlerless deer (residents only); all junior deer hunts (residents that meet the junior hunt age requirements).

Look at the season and hunter choice tables for the weapon type(s) you are interested in and select the hunter choice numbers for the unit groups and seasons you wish to apply for.

As a reference for your party, check the quota column to see how many tags were available in the previous year. There is a column for the resident quota and one for the nonresident quota.

All resident parties should focus on the resident previous years quota column. All nonresident parties should focus on the nonresident previous years quota column. If the column displays "N/A" there was not a season set for that residency type and there will be no quota for that unit group and residency type in 2007. Any hunter choices listing "N/A" are not recommended for mixed party applications, as there must be a quota in both columns for the party to potentially be successful in drawing tags.

Antlerless Mule Deer Hunt 1181, and Junior Mule Deer Hunt 1107 are strictly resident hunts and are not available to nonresidents.

2007 Partnership in Wildlife Hunt Information

Partnership in Wildlife (PIW) is a voluntary and optional participation program that offers unique hunting opportunities to hunters for a few statewide big game tags. A person with a PIW tag may hunt in any unit with an open season for the species listed on the tag, during the season dates when that unit is open for that species, and only with the weapon authorized to be used during that open season.

PIW Application Instructions

Applicants who are eligible and apply for hunts in the first big game drawing of the year can apply for PIW hunts at the same time. Marking the PIW box with your initials for the same species you applied for in the first drawing will let us know that you want to participate in the PIW drawing for some very special tags. (Doe, cow, depredation and junior hunt applicants are not eligible for PIW hunts). The PIW tag fee donation is \$10 for each species applied for. If successful for a PIW hunt tag, the entire tag fee the participant submitted with their main draw application will pay for the PIW tag. If unsuccessful in the PIW draw, \$10 of the tag fee received will be placed in the Wildlife Heritage Trust Account. The remainder of the tag fee received from an unsuccessful applicant for a big game tag will be refunded to the applicant.

Funds Benefit Wildlife Heritage Trust

The funds donated through PIW are placed in the Wildlife Heritage Trust Account. According to NRS 501.3575, 75 percent of the money deposited in this account in the previous year and the total interest earned on the account during the previous year, may be used by the Department annually for the protection, propagation, restoration, transplanted, introduction and management of any game fish, mammal, bird or furbearing mammal and the management and control of predatory wildlife in the state. The Board of Wildlife Commissioners is responsible for reviewing and approving expenditures from the account.

Every year wildlife management projects are funded through this account. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing additional financial support for game management programs and providing a hunting opportunity that would not otherwise be available to most sportsmen in Nevada.
