Important Information

Rocky Mountain Bighorn Sheep in Unit 101 and 102

Rocky Mountain bighorn sheep are experiencing a disease event this winter, caused by pneumonia. It is unknown how many animals it will effect. At the time of the January 2010 season adjustment meeting the known mortality rates in Units 101 and 102 was relatively low. As of print time in late February, the number of animals that had succumbed to pneumonia had risen substantially. An investigation has been ongoing and the Nevada Department of Wildlife (NDOW) veterinarian and staff are working proactively to treat animals and monitor the situation. Due to the possibility of high mortality in Units 101 and 102, hunters are advised of the potential for low ram numbers and poor hunter success. NDOW urges hunters to check the NDOW website (www.ndow.org) for further developments.

Changes to Bighorn Sheep Hunts this Season

Hunt 9251 - The nonresident Rocky Mountain bighorn hunt has been closed, as the statewide tag quota will be insufficient to allow for one nonresident tag. This closure will have no impact on nonresident hunter's accumulated bonus points due to this season's closure (NAC 502.4187). In addition, applicants will not be able to purchase bonus points for this hunt, as they can only be purchased for an open hunt.

Unit 132 – New hunt available thanks to the success of the bighorn sheep reintroduction program.

Unit 221 – Desert bighorn hunt has been closed due to insufficient information on the status of the bighorn population and availability of mature rams.

Units 243 and 271 -The previous Unit Group 243, 271 was split into separate unit hunts; ample rams exist in both units to allow for separate hunts.

Non-Return Questionnaire Administrative Fee Payment Options

Those hunters who failed to submit last year's big game tag questionnaire by the January 31 deadline will be able to submit the questionnaire and pay the \$50 administrative fee either through the mail to Wildlife Administrative Services or online at www.huntnevada.com. The receipt deadline for submission by mail is March 19, 2010. The deadline for online submission is April 19, 2010.

Pre-Register Your Hunter Education

The Department offers pre-registration of hunter education. The Department recommends hunters check to see if their hunter education records are on file. You can do so by going to www.huntnevada.com. Call 1-800-576-1020 to confirm your faxed records are received before April 12, 2010.

Postcards

Hunters who applied online last year will receive a notification postcard reminding them it is time to apply online for big game. Hunters will be able to go to www.huntnevada.com, to look up their bonus points and species eligibility and access an online link to download this Application Regulation Brochure.

4. As used in this section, "principal and permanent residence" means a place where a person is legally domiciled and maintains a permanent habitation in which he lives and to which he intends to return when he leaves the state in which the permanent habitation is located. The term does not include merely owning a residence in a state.

5. BONUS POINT INFORMATION AND REGULATIONS

Bonus Point Program Guidelines

Hunters will again have the option to apply for a bonus point without applying for a tag for a species. Participation requires a nonrefundable \$10 application fee for each bonus point only application, and the purchase of the hunting or combination hunting and fishing license. An applicant cannot receive a refund on their hunting license. There is a special bonus point code for each hunt and it is listed above the season table.

Resident and nonresident tag applicants receive a bonus point for each hunt that has a quota set by the Wildlife Commission when they are unsuccessful in drawing a tag through the computerized random draw system.

Bonus points are awarded by specific species categories, each encompassing all separate weapons hunts available in that category. Those categories are: antlered mule deer; antlerless mule deer; mule deer depredation; antelope horns longer than ears; antelope horns shorter than ears; bull elk; spike bull elk; cow elk; depredation elk; desert (Nelson) bighorn sheep; California bighorn sheep; Rocky Mountain bighorn sheep; mountain goat.

Those points cannot be transferred to another person, or into another species category. Applicants are only able to accumulate one bonus point per species category each year. So if you applied for an antlered deer any legal weapon tag and were unsuccessful, and then applied for an antlered deer archery tag in a separate drawing, and were unsuccessful, you still only accrue one point because these are both in the antlered deer category. However, if you apply for an antlered deer any legal weapon tag and are unsuccessful, and then apply for a antlerless tag and are unsuccessful, you would receive a bonus point for each because they are in two different categories-antlered deer and antlerless deer.

Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 4 years of application for the junior hunt. See details, page 16.

Those applying as a "party hunt" will have their points averaged (total points of all hunters in the party, divided by the number of hunters) and rounded to the closest whole number. Bonus points are squared by species category, resulting in the number of draw numbers that an individual hunter or hunt party will receive in that drawing. A hunter's bonus points revert to zero in a particular species category when he is successful at obtaining a tag or fails to apply for that species category for two consecutive years.

If a person requests a hunting license refund, they will not earn bonus points for the current year.

NAC 502.4188 Bonus points: Categories of species

1. **Except as otherwise provided in subsection 2**, any bonus points awarded by the Department pursuant to the bonus point program must be awarded in one of the following categories of species:

- (a) Antlered mule deer;
- (b) Antlerless mule deer;

- (c) Mule deer, either antlered or antlerless;
- (d) Antlered Rocky Mountain elk;
- (e) Antlerless Rocky Mountain elk;
- (f) Rocky Mountain elk, either antlered or antlerless;
- (g) Spike Rocky Mountain elk;
- (h) Pronghorn antelope whose horns are longer than their ears;
- (i) Pronghorn antelope whose horns are shorter than their ears;
- (j) Rams, from one of the following subspecies:
 - (1) Nelson bighorn sheep;
 - (2) California bighorn sheep; or
 - (3) Rocky Mountain bighorn sheep; or
- (k) Mountain goats.

2. Bonus points awarded by the Department pursuant to the bonus point program for wild turkey and depredation hunts must be awarded by hunt number.

NAC 502.4187 Bonus points: Award and accumulation; effect of refund

1. Except as otherwise provided in NAC 502.416 to 502.4225, inclusive, an applicant to obtain a tag for a season who is unsuccessful, or an applicant for a bonus point who does not wish to obtain a tag and is applying for the sole purpose of earning a bonus point, must be awarded a bonus point for:

- (a) The hunt number of the species for which he applied if he applied for a:
 - (1) Tag to hunt wild turkey;
 - (2) Depredation hunt tag; or
 - (3) Bonus point for a tag described in subparagraph (1) or (2); or
- (b) The category of the species for which he applied if he applied for a tag to hunt deer, elk, mountain goat, antelope or bighorn sheep, or for a bonus point for such a tag.

Regardless of the number of applications to obtain a tag or bonus point for a season submitted by a person, the Department shall not award him more than one bonus point per season for each species or category of a species for which the person applied.

2. Except as otherwise provided in subsection 3, the bonus points awarded to a person accumulate until he is successful in drawing a tag for a season for that species or category of a species or he fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open. If an applicant is successful in drawing a tag for a season for a species or category of a species or fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open, he loses all of his bonus points for that species or category of a species.

3. Except as otherwise provided in NAC 502.4189, a person may not use any bonus points awarded to him for being unsuccessful in a junior hunt to apply for a drawing for a tag for any other type of hunt after the person is no longer eligible to participate in a junior hunt.

4. If an applicant requests and receives a refund for the value of his hunting license, the Department shall not award him a bonus point for any species or category of species applied for during the period that the applicant possessed the hunting license.

NAC 502.4177 Submission of application for sole purpose of obtaining bonus point

1. Except as otherwise provided in subsection 2, a person who is at least 12 years of age and does not wish to obtain a tag may apply to the Department for the sole purpose of obtaining a bonus point for a tag other than a restricted nonresident deer tag. Such an application may be submitted by a person who is under 12 years of age if he will attain the age of 12 years before the commencement of the earliest season for the category of the species to which the application relates.

2. A person who is ineligible to apply for a tag for a category of species may not apply for a bonus point for that category of species.

3. The Department shall award a bonus point to a person described in subsection 1 if the person has complied with all applicable provisions of chapter 502 of NRS and the regulations adopted pursuant thereto.

NAC 502.4189 Bonus points: Use; transfer; applications by group for deer tags

1. Each applicant in a drawing for a tag for a season receives a number of additional draw numbers that is equal to the number of bonus points that he has accumulated squared, as expressed in the following equation: $n=b^2$ where "n" is the number of additional draw numbers and "b" is the number of bonus points. The number of additional draw numbers determines the number of draw numbers for the species or category of the species for which the application was submitted. The applicant's lowest randomly assigned draw number is the number used for the drawing.

2. Except as otherwise provided in subsection 4, bonus points accumulated by a person for a season cannot be transferred to any other person or any other season unless:

(a) The applicant changes his state of residence;

(b) The applicant requests in writing that the Department transfer those bonus points; and

(c) The Department approves the request for the transfer.

Bonus points transferred pursuant to this subsection apply to the same type of hunt to which they applied before the transfer.

3. The number of bonus points applicable to applications submitted by a group pursuant to NAC 502.4185 for tags to hunt deer is the quotient of the total number of points held by the members of the group divided by the number of members in the group, rounded to the nearest whole number.

4. If a person has applied for a junior hunt for 4 years or becomes ineligible to participate in a junior hunt because of his age, each unused bonus point accumulated by that person for a junior hunt automatically transfers to the category for antlered mule deer. The provisions of this subsection do not apply to a bonus point accumulated by the person for a junior hunt in a year in which the person also accumulated a bonus point in the category for antlered mule deer.

6. APPLICATION PROCESS, PAYMENTS, REJECTION OF APPLICATIONS

NAC 502.331 Limitation on number of big game tags; application and fee for tag or bonus point

Hunt Application Information

Please read Sections One and Two below before proceeding with your application. Online instructions are on page 30.

Section One

You may apply for only **one category** of hunt for each **Animal Species**.

Mule Deer: For mule deer, the categories are: **antlered**, **antlerless**, **depredation**, or **junior**. Again, you may only apply for one mule deer hunt category. Party applications are only allowed for mule deer hunts.

An applicant who submits an application for restricted nonresident deer guided hunt #1235, tags pursuant to this subsection **may not apply** for a **nonresident deer tag in the main draw in the same year.** (NAC 502.4237)

Elk: For elk, the categories are **antlered**, **antlerless**, or **depredation hunt**. Again, you may only apply for one elk hunt category.

Antelope: For antelope, the categories are animals with **horns longer than their ears** or **horns shorter than their ears**. Again, you may only apply for one antelope hunt category.

Bighorn Sheep: For bighorn sheep, you may apply for Nelson (desert) bighorn sheep **and** California bighorn sheep, **and** Rocky Mountain bighorn sheep. **Remember, you may apply for one, two or all three bighorn sheep hunts!**

Mountain Goat: For mountain goat, there is only one category, "any goat."

Section Two

You may choose up to five hunter choice numbers for each hunt category you wish to apply. In addition, you may mix and match your hunter choice numbers by specific weapon type within a species category: **longbow archery; muzzleloader; or any legal weapon**. For example, for resident antlered mule deer, your five choices could be for one muzzleloader hunt, two any legal weapon hunts, and two longbow archery hunts. You would simply select the correct hunter choice number for each, as listed on pages 38-61, and enter them in your personal order of preference, one through five, on your application. Your odds are best if you select five hunter choice numbers.

Once you have completed your application, we urge you to take the time to review and double-check the hunter choice selections you have entered to ensure they are what you really want.

Online Application Instructions

Have the following items available to you and be prepared to apply online with the interactive application process and a credit card at www.huntnevada.com.

Questions During Transaction – If you have any questions during your transaction, please call 1-800-576-1020 for assistance.

- ✓ Sportsman ID/Social Security Number and Date of Birth or Social Security Number/Sportsman ID number and PIN number (provided on previous applications).
- ✓ 2010 Hunt category, season and hunter choices for which you want to apply. Refer to the hunt season tables in this booklet.
- ✓ Hunting license number if Nevada hunting or combination hunting and fishing license has been purchased prior to this process.
- ✓ A current valid credit card with CID number.

A CID is a special security code feature on your credit card.

CID Location:

- Discover/Visa/MasterCard: On the back of the card, you should see a 16-digit credit card number followed by a special 3-digit code. This 3-digit code is your CID.
- American Express: There is a 4-digit code printed on the front of your card just above and to the right of your main credit card number. This 4-digit code is your CID.

Debit Cards: It is NOT recommended that you use debit cards. Because of the timing of the charges after the draw, and the way some banks handle overdrafts, it is possible that you may incur substantial penalties if there are insufficient funds in the account when charges are made either now or after the draw. These penalties WILL NOT be reimbursed by the Department. It is recommended that you use a credit card rather than a debit card to avoid these potential problems.

Preregistration of Hunter Education – First time applicants to Nevada and those born after 1/1/1960 will need to submit a paper application and a copy of proof of hunter education in the mail **OR** preregister your proof of hunter education up to seven days prior to the tag application deadline (April 12, 2010). Go to www.huntnevada.com for instructions on how to preregister. This is to satisfy statutory requirements for proof of hunter education certification, NRS 502.330. Once established in the program the hunter education information is retained and will be utilized in future applications.

Proof Your Work – There are multiple opportunities to edit the hunts being applied for during the transaction. Proof your work prior to submitting the credit card. Once submitted, the application cannot be updated. It is the applicant's responsibility to ensure all information is current. Check all fields for accuracy.

When applying online you pay the following fees up front:

- Nonrefundable application fees, \$15 for elk, \$10 all other species except for mountain lion.
- Predator control fee \$3 per application.
- \$2 fee per application for Residents, \$3.50 fee per application for Nonresidents filing electronically.
- Donations.
- License fee if you select to purchase the license regardless of whether you are successful in drawing a tag or not (for bonus points if unsuccessful).

The following fees will be collected after the results of the draw:

- Tag fees from successful clients.
- Partnership In Wildlife (PIW) fees.
- License fee if you select to receive the license only if you draw a tag.

Make sure there are sufficient funds available on your credit card. If the card is declined, your tag could go to an alternate.

Please Note - There are circumstances where your applications could still be rejected after submission:

- A paper application submitted in addition to an online application will cause all applications for that species to reject.
- Hunting and fishing revocations identified after submission of application.
- Hunting citations identified after submission of application.

Applicants Responsibility: It is the applicant's responsibility to contact the Wildlife Administrative Services Office if they do not receive any notice (tag, refund, letter) prior to the start of the hunt. Wildlife Administrative Services Office, P.O. Box 1345, Fallon, NV 89407-1345 **or** call 1-800-576-1020.

Step 1: Residents complete the number of years and months of residency.

Step 2: Fill in your Social Security Number and sportsman's ID number if available. **Note:** Laws regarding child support mandate that any person who is required by federal law to have a social security number must provide the number to obtain a business, occupational or recreational license. Federal Law – Public Law 104 – 193; Nevada Statute – NRS 502.063, 503.5833, 504.390 .

Step 7: Print your height, weight, gender, hair color and eye color.

Step 8: Party applications are for mule deer only. Complete the party box on each application with the total number in the party. If left blank the applicant will be processed as an individual and not a member of the party.

NOTE: All applications in the party must list the same hunt category and the same hunter choice numbers. I.E. – All antlered deer (resident & nonresident); or all antlerless deer (residents only); all junior deer (residents that meet the junior hunt age requirements). Do not mix antlered, antlerless, and junior type of hunt categories for a party hunt. **Staple the Party Applications Together.**

Antlerless Mule Deer Hunt 1181 and Junior Mule Deer Hunt 1107 are strictly resident hunts and not available to nonresidents.

Step 9: Hunt category section - select only one type of hunt category per species. (See hunt category information on page 29.)

Step 10: Applying for bonus points only. You now have the option to apply for a bonus point only without drawing a tag. No refund on license is available. At the top of each hunt category season table there is a three-digit code for bonus points only. **Print the three-digit bonus point code in the hunter choice box on the application.** One check for big game applications and one check for mule deer applications preferred.

As per NAC 502.4175 (pages 17-18), applications for bonus points are required to submit the nonrefundable fees, purchase a Nevada hunting license (if not already purchased) and not receive a refund on the hunting

license to earn the bonus point. Only one point can be earned per hunt category. If both the bonus point code and hunter choice numbers are listed for a hunt category the application will only be processed for the bonus point.

Step 11: Hunter choice section - select up to five hunter choices for your chosen type of hunt category.

Print the correct three-digit hunter choice number(s) for the type of hunt category, unit group(s) and weapon type(s) for which you are applying in the box provided. To select hunter choices, refer to the hunt season tables in this application brochure for the type of hunt category you have selected.

Step 12: Partnership in Wildlife (PIW) - write your initials in the box provided if you wish to participate in the PIW drawing (see info on page 62). If PIW is marked no refund of donation is available.

Step 13: You have the option to purchase one mountain lion tag now or only if successful in obtaining other big game tags. Mark the appropriate box and submit fee or leave it blank if no mountain lion tag is desired.

Step 14: License Number section - **this is necessary for bonus points only too.** RESIDENTS and NONRESIDENTS who have purchased a current hunting license prior to applying, must print the hunting license CLASS NUMBER, hunting LICENSE NUMBER and YEAR. NONRESIDENTS purchasing a hunting license with the big game application, leave the hunting license section blank.

Nonresidents born after 1/1/60 must attach proof of hunter education. See Section No. 4 on page 14 for the Hunter Safety requirements. Note: NRA Certificates Are NOT Accepted.

Youth Hunters: For the purpose of acknowledging potential liability, the parent's or legal guardian's signature is required for a nonresident youth, 12 through 17 years of age, who is applying for a license.

Step 15: If you are unsuccessful and wish to donate all or part of your refund to Operation Game Thief or Predator Management, print an amount in the donation box.

Step 16: Nonresidents: mark the box if you want your hunting license fee refunded and do not want to earn any bonus points if unsuccessful in the draw. Boxes left blank will be processed as a "No" response and a hunting license will be issued to you. No refunds are available for a combination hunting and fishing license selection.

Step 17: Sign your application. All applicants must sign their application.

Step 18: Submit the total tag, license (nonresidents), application fees and or bonus point only fees payable to Nevada Department of Wildlife (NDOW).

Nonresidents must submit guaranteed funds (cashier's check or money order). No out-of-state personal checks accepted. Nonresidents applying for both mule deer and big game only submit the license fee once.

One check is for big game applications and one check for mule deer applications is preferred. If you choose to purchase a mountain lion tag, don't forget to add that to your total.

Return Checks – There is a \$25 return check fee for checks returned by the bank. Applications associated with a return check will be rejected from the

draw. After the draw, applicants who had returned checks will be ineligible for other draw processes until the return check fee and nonrefundable application fees have been cleared.

Applicants Responsibility: It is the applicant's responsibility to contact the Wildlife Administrative Services Office if they do not receive any notice (tag, refund, letter) prior to the start of the hunt. Wildlife Administrative Services Office, P.O. Box 1345, Fallon, NV 89407-1345 or call 1-800-576-1020.

BEFORE YOU APPLY

It is the responsibility of the applicant to do his or her homework on the hunter choices chosen on their application. For some hunts there are access restrictions, low hunter success compared to statewide averages, and variable big game densities and trophy quality compared to the past.

The Department maintains several informational resources on our website at **www.ndow.org** to help with "doing your homework" including: Hunter Information Sheets (facts on terrain, vegetation, land ownership, hunter access, map references, local services, and recommended hunting areas), hunt application advisories, big game draw odds, hunter success rates, harvest point class, and bighorn sheep age and scores.

Special Regulations: A person, so long as they apply in separate drawings, may obtain a tag for this hunt, #1101, and obtain an additional deer tag from one of the following hunt categories: 1107, 1331, 1341, 1371, or 1181 during the 2010 hunting season. Applicants who apply for two different deer hunt categories in a single drawing will be rejected.

Resident Junior Mule Deer - Antlered - or - Antlerless - Longbow Archery, Muzzleloader, or Any Legal Weapon Hunt 1107

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the longbow archery season when the unit is open for longbow archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon (including crossbow) when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt.

Note: Any bonus points accrued in the junior hunt will transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt.

Youth must be 12 prior to the opening of the first hunt season applied for (usually longbow archery), and will not attain their 17th birthday until after the last day of the last season applied for (usually rifle). See junior hunt definition on page 7. A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 4 years.

Guidelines to Apply as a Party for Mule Deer Hunts

General Information

Party applications for game tags are only authorized for mule deer.

Do Not include applications for Bonus Points Only in a party.

Party applications can be either all resident applicants, all nonresident applicants or mixed resident and nonresident applicants.

The party box needs to be completed on the application for each member in the party.

There is no limit to the party size that can be submitted, but a limiting factor is the number of tags that have been available historically. A party of six may not want to apply for a hunter choice that only had three tags in the previous year.

To be able to apply as a party all applicants must apply for the same species category and hunter choice numbers i.e. all antlered deer (resident and nonresident); or all antlerless deer (residents only); all junior deer hunts (residents that meet the junior hunt age requirements).

Look at the season and hunter choice tables for the weapon type(s) you are interested in and select the hunter choice numbers for the unit groups and seasons you wish to apply for.

As a reference for your party, check the quota column to see how many tags were available in the previous year. There is a column for the resident quota and one for the nonresident quota.

All resident parties should focus on the resident previous years quota column. All nonresident parties should focus on the nonresident previous years quota column. If the column displays "N/A" there was not a season set for that residency type and there will be no quota for that unit group and residency type. Any hunter choices listing "N/A" are not recommended for mixed resident and nonresident party applications, as there must be a quota in both columns for the party to potentially successful in drawing tags.

Antlerless Mule Deer Hunt 1181, and Junior Mule Deer Hunt 1107 are strictly resident hunts and are not available to nonresidents.

OPERATION GAME THIEF

Game wardens cannot solve wildlife crime without the help of sportsmen and outdoor enthusiasts. Every year, Operation Game Thief takes calls from the public on suspected wildlife crime, solving cases and paying rewards to those people who stand up to help protect Nevada's precious wildlife resources.

Just as game wardens need your help to stop wildlife crime; Operation Game Thief needs your support in the form of information and donations to pay rewards. Make a difference, call OGT at **1-800-992-3030** if you suspect any wildlife crime, or if you are interested in donating and supporting OGT now and into the future.

2010 Partnership in Wildlife Hunt Information

Partnership in Wildlife (PIW) is a voluntary and optional participation program that offers unique hunting opportunities to hunters for a few statewide big game tags. A person with a PIW tag may hunt in any unit with an open season for the species listed on the tag, during the season dates when that unit is open for that species, and only with the weapon authorized to be used during that open season.

PIW Application Instructions

Applicants who are eligible and apply for hunts in the first big game drawing of the year can apply for PIW hunts at the same time. Marking the PIW box with your initials for the same species you applied for in the first drawing will let us know that you want to participate in the PIW drawing for some very special tags. (Doe, cow, depredation and junior hunt applicants are not eligible for PIW hunts.) The PIW tag fee donation is \$10 for each species applied for. If successful for a PIW hunt tag, the entire tag fee the participant submitted with their main draw application will pay for the PIW tag. If unsuccessful in the PIW draw, \$10 of the tag fee received will be placed in the Wildlife Heritage Trust Account. The remainder of the tag fee received from an unsuccessful applicant for a big game tag will be refunded to the applicant.

Funds Benefit Wildlife Heritage Trust

The funds donated through PIW are placed in the Wildlife Heritage Trust Account. According to NRS 501.3575, 75 percent of the money deposited in this account in the previous year and the total interest earned on the account during the previous year, may be used by the Department annually for the protection, propagation, restoration, transplantation, introduction and management of any game fish, mammal, bird or furbearing mammal and the management and control of predatory wildlife in the state. The Board of Wildlife Commissioners is responsible for reviewing and approving expenditures from the account.

Every year wildlife management projects are funded through this account. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing additional financial support for game management programs and providing a hunting opportunity that would not otherwise be available to most sportsmen in Nevada. Go to www.ndow.org/hunt/seasons/bg/heritage.shtm to see what projects have been supported by your donations.
