Important Information

The Process to Obtain an Alternate Tag is Changing

In 2012 over 600 tags were returned to the Department prior to the start of the season. Most of these returned tags were not reissued. In an effort to give move hunters the opportunity to hunt big game, we are changing the process!

During the online application process an applicant would affirm their willingness to be an alternate and accept an alternate tag by marking a check-off box on each species they are applying for.

For example: When someone applies for an antelope tag, they will be able to check a box that affirms "If I am unsuccessful I will accept an alternate tag if it becomes available and (the/my) charge card will be charged immediately".

If you are unsuccessful in drawing an antelope tag you are automatically on the alternate list for the choices on your application. To learn more check out NAC 502.4175 Application for tag or bonus point; fees (Page 12).

Pre-Register Your Hunter Education

The Department offers pre-registration of hunter education. The Department recommends hunters check to see if their hunter education records are on file. You can do so by going to www.huntnevada.com. Call 1-800-576-1020 to confirm your faxed records are received before April 8, 2013.

Changes to Party Applications

Starting in 2013 party applications will be allowed for mule deer, antlerless elk and horns shorter than ears antelope. There are separate forms for these hunts. Learn more on page 19.

Check Out the Nevada Dream Tags

The Nevada Dream Tags Program (page 47) is a raffle that allows resident and nonresident sportsmen a chance at the hunt of a lifetime, while contributing to wildlife habitat restoration in the Silver State. To learn more or to purchase Nevada Dream Tags go to www.NVDreamTag.org.

Hunt Unit Advisories

In an effort to improve your hunting experience, the Nevada Department of Wildlife has put together a table for hunter access restrictions and other advisories for specific hunts and unit groups. This information may affect your decision on where to apply this year. You can find the 2013 Hunt Unit Advisory on the NDOW website at www.ndow.org.

Postcards

Hunters who applied online last year will receive a notification postcard reminding them it is time to apply online for big game. Hunters will be able to go to www.huntnevada.com to look up their bonus points and species eligibility and access an online link to download this application regulation brochure.

Hunt Unit Changes

Several changes have been made to the hunt unit boundaries this year. Hunters are advised to closely check the Hunt Unit Reference Map found in the middle of this publication. Specific changes can be found on the boundary unit descriptions on the back of the map and a

brief explanation of each change will be included on affected hunt unit advisories found on the NDOW website.

4. As used in this section, "principal and permanent residence" means a place where a person is legally domiciled and maintains a permanent habitation in which the person lives and to which the person intends to return when he or she leaves the state in which the permanent habitation is located. The term does not include merely owning a residence in a state.

NRS 502.060 Information to be furnished by applicant; signature and statement of parent or guardian required for minors; penalties for false statements; use of invalid license unlawful

1. A person applying for and procuring a license, tag or permit, as provided in this chapter, shall give to the license agent the person's name and residence address, which must be entered by the license agent, manually or electronically in a record specified by the Department, together with the date of issuance and a description of the person. If a child under the age of 18 years is applying for a license to hunt, the child's parent or legal guardian must sign the application and an attached statement acknowledging that the parent or legal guardian has been advised of the provisions of NRS 41.472.

5. Any person convicted of violating the provisions of subsection 2 or 3 forfeits any bonus point or other increased opportunity to be awarded a tag in a subsequent drawing conducted for that tag if the bonus point or other increased opportunity was acquired by the false statement or false information.

6. As used in this section, "big game tag" means a tag permitting a person to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk.

Bonus Point Information and Regulations

Bonus Point Program Guidelines

Hunters will again have the option to apply for a bonus point without applying for a tag for a species. Participation requires a nonrefundable \$10 application fee for each bonus point only application, and the purchase of the hunting or combination hunting and fishing license. An applicant cannot receive a refund on their hunting license. There is a special bonus point code for each hunt and it is listed above the season table.

Resident and nonresident tag applicants receive a bonus point for each hunt category that has a quota set by the Wildlife Commission when they are unsuccessful in drawing a tag through the computerized random draw system.

Bonus points are awarded by specific species categories, each encompassing all separate weapons hunts available in that category. Those categories are: antlered mule deer; antlerless mule deer; mule deer depredation; antelope horns longer than ears; antelope horns shorter than ears; bull elk; spike bull elk; cow elk; depredation elk; desert (Nelson) bighorn sheep; California bighorn sheep; Rocky Mountain bighorn sheep; mountain goat and bear.

Bonus points cannot be transferred to another person, or into another species category. Applicants are only able to accumulate one bonus point per species category each year. So if you applied for an antlered deer any legal weapon tag and were unsuccessful, and then applied for an antlered deer archery tag in a separate drawing, and were unsuccessful, you still only accrue one point because these are both in the antlered deer category. However, if you apply for an antlered deer any legal weapon tag and are unsuccessful, and then apply for a antlerless tag and are unsuccessful, you would receive a bonus point for each because they are in two different categories-antlered deer and antlerless deer.

Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 5 years of application for the junior hunt.

Those applying as a "party hunt" will have their points averaged (total points of all hunters in the party, divided by the number of hunters) and rounded to the closest whole number. Bonus points are squared by species category, resulting in the number of draw numbers that an individual hunter or hunt party will receive in that drawing. A hunter's bonus points revert to zero in a particular species category when he is successful at obtaining a tag or fails to apply for that species category for two consecutive years.

If a person requests a hunting license refund, they will not earn bonus points for the current year.

NAC 502.4188 Bonus points: Categories of species

1. Except as otherwise provided in subsection 2, any bonus points awarded by the Department pursuant to the bonus point program must be awarded in one of the following categories of species:

- (a) Antlered mule deer;
- (b) Antlerless mule deer;
- (c) Mule deer, either antlered or antlerless;
- (d) Antlered Rocky Mountain elk;
- (e) Antlerless Rocky Mountain elk;

- (f) Rocky Mountain elk, either antlered or antlerless;
- (g) Spike Rocky Mountain elk;
- (h) Pronghorn antelope whose horns are longer than their ears;
- (i) Pronghorn antelope whose horns are shorter than their ears;
- (j) Rams, from one of the following subspecies:
 - (1) Nelson bighorn sheep;
 - (2) California bighorn sheep; or
 - (3) Rocky Mountain bighorn sheep;
- (k) Mountain goats; or
- (l) Black bear

2. Bonus points awarded by the Department pursuant to the bonus point program for wild turkey and depredation hunts must be awarded by hunt number.

NAC 502.4187 Bonus points: Award and accumulation; effect of refund

1. Except as otherwise provided in NAC 502.416 to 502.4225, inclusive, an applicant to obtain a tag for a season who is unsuccessful, or an applicant for a bonus point who does not wish to obtain a tag and is applying for the sole purpose of earning a bonus point, must be awarded a bonus point for:

- (a) The hunt number of the species for which he applied if he applied for a:
 - (1) Tag to hunt wild turkey;
 - (2) Depredation hunt tag; or
 - (3) Bonus point for a tag described in subparagraph (1) or (2); or

- (b) The category of the species for which he applied if he applied for a tag to hunt deer, elk, mountain goat, antelope, bighorn sheep or bear, or for a bonus point for such a tag.

Regardless of the number of applications to obtain a tag or bonus point for a season submitted by a person, the Department shall not award him more than one bonus point per season for each species or category of a species for which the person applied.

2. Except as otherwise provided in subsection 3, the bonus points awarded to a person accumulate until he is successful in drawing a tag for a season for that species or category of a species or he fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season

Bonus Point Information and Regulations (Continued)

is open. If an applicant is successful in drawing a tag for a season for a species or category of a species or fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open, he loses all of his bonus points for that species or category of a species.

3. Except as otherwise provided in NAC 502.4189, a person may not use any bonus points awarded to him for being unsuccessful in a junior hunt to apply for a drawing for a tag for any other type of hunt after the person is no longer eligible to participate in a junior hunt.

4. If an applicant requests and receives a refund for the value of his hunting license, the Department shall not award him a bonus point for any species or category of species applied for during the period that the applicant possessed the hunting license.

NAC 502.4177 Submission of application for sole purpose of obtaining bonus point

1. Except as otherwise provided in subsection 2, a person who is at least 12 years of age and does not wish to obtain a tag may apply to the Department for the sole purpose of obtaining a bonus point for a tag other than a restricted nonresident deer tag. Such an application may be submitted by a person who is under 12 years of age if he will attain the age of 12 years before the commencement of the earliest season for the category of the species to which the application relates.

2. A person who is ineligible to apply for a tag for a category of species may not apply for a bonus point for that category of species.

3. The Department shall award a bonus point to a person described in subsection 1 if the person has complied with all applicable provisions of chapter 502 of NRS and the regulations adopted pursuant thereto.

NAC 502.4189 Bonus points: Use; transfer; applications by group for deer tags

1. Each applicant in a drawing for a tag for a season

receives a number of additional draw numbers that is equal to the number of bonus points that he has accumulated squared, as expressed in the following equation: $n=b^2$ where "n" is the number of additional draw numbers and "b" is the number of bonus points. The number of additional draw numbers determines the number of draw numbers for the species or category of the species for which the application was submitted. The applicant's lowest randomly assigned draw number is the number used for the drawing.

2. Except as otherwise provided in subsection 5, bonus points accumulated by a person for a **species or category of species** cannot be transferred to any other person or any other **species or category of species**.

3. An applicant may transfer bonus points to himself or herself as a resident or nonresident of this State, as appropriate, if:

- (a) The applicant changes his or her state of residence;
- (b) The applicant requests in writing that the Department transfer those bonus points; and
- (c) The Department approves the request for the transfer.

Bonus points transferred pursuant to this subsection apply to the same **species or category of species** to which they applied before the transfer.

4. The number of bonus points applicable to applications submitted by a group pursuant to NAC 502.4185 for tags is the quotient of the total number of points held by the members of the group divided by the number of members in the group, rounded to the nearest whole number.

5. If a person has applied for a junior hunt **for deer** for 5 years or becomes ineligible to participate in a junior hunt **for deer** because of his or her age, each unused bonus point accumulated by that person for a junior hunt **for deer** automatically transfers to the category for antlered mule deer. The provisions of this subsection do not apply to a bonus point accumulated by the person for a junior hunt **for deer** in a year in which the person also accumulated a bonus point in the category for antlered mule deer.

Hunt Application Information

Please read Sections One and Two below before proceeding with your application.

Section One

You may apply for only one category of hunt for each **Animal Species**.

Mule Deer: For mule deer, the categories are: **antlered, antlerless, depredation, or junior**. **Again, you may only apply for one mule deer hunt category. Party applications are allowed for mule deer hunts.**

An applicant who submits an application for restricted nonresident deer guided hunt #1235, tags pursuant to this subsection **may not apply for a nonresident deer tag in the main draw in the same year.** (NAC 502.4237) However, they are eligible for the Silver State deer tag as that is a separate draw.

Elk: For elk, the categories are **antlered, antlerless, or depredation hunt**. Again, you may only apply for one elk hunt category. **New: Party applications are now allowed for antlerless elk (cow) only.**

Antelope: For antelope, the categories are animals with **horns longer than their ears or horns shorter than their ears**. **Again, you may only apply for one antelope hunt category. New: Party applications are now allowed for horns shorter than ears (doe) only.**

Bighorn Sheep: For bighorn sheep, you may apply for Nelson (desert) bighorn sheep **and** California bighorn sheep, **and** Rocky Mountain bighorn sheep. **Remember, you may apply for one, two or all three bighorn sheep hunts!**

Mountain Goat: For mountain goat, there is only one category, "any goat."

Section Two

You may choose up to five hunter choice numbers for each hunt category you wish to apply. In addition, you may mix and match your hunter choice numbers by specific weapon type within a species category: **longbow archery; muzzleloader; or any legal weapon**. For example, for resident antlered mule deer, your five choices could be for one muzzleloader hunt, two any legal weapon hunts, and two longbow archery hunts. You would simply select the correct hunter choice number for each, as listed on pages 23-45, and enter them in your personal order of preference, one through five, on your application. Your odds are best if you select five hunter choice numbers.

Once you have completed your application, we urge you to take the time to review and double-check the hunter choice selections you have entered to ensure they are what you really want.

Online Application Instructions

Have the following items available to you and be prepared to apply online with the interactive application process and a credit card at www.huntnevada.com.

Questions During Transaction – If you have any questions during your transaction, please call 1-800-576-1020 for assistance.

✓ Sportsman ID/Social Security Number and Date of Birth or Social Security Number/Sportsman ID number and PIN number (provided on previous applications).

✓ 2013 Hunt category, season and hunter choices for which you want to apply. Refer to the hunt season tables in this booklet.

✓ Hunting license number if Nevada hunting or combination hunting and fishing license has been purchased prior to this process.

✓ A current valid credit card with CID number.

A CID is a special security code feature on your credit card. CID Location:

• Discover/Visa/MasterCard: On the back of the card, you should see a 16-digit credit card number followed by a special 3-digit code. This 3-digit code is your CID.

• American Express: There is a 4-digit code printed on the front of your card just above and to the right of your main credit card number. This 4-digit code is your CID.

Debit Cards: It is NOT recommended that you use debit cards. Because of the timing of the charges after the draw, and the way some banks handle overdrafts, it is possible that you may incur substantial penalties if there are insufficient funds in the account when charges are made either now or after the draw. These penalties WILL NOT be reimbursed by the Department. It is recommended that you use a credit card rather than a debit card to avoid these potential problems.

Pre-registration of Hunter Education – First time applicants to Nevada and those born after 1/1/1960 will need to pre-register their proof of hunter education up to seven days prior to the tag application deadline. Go to www.huntnevada.com for instructions on how to preregister **OR** submit a paper application and a copy of proof of hunter education. This is to satisfy statutory requirements for proof of hunter education certification, NRS 502.330. Once established in the program the hunter education information is retained and will be utilized in future applications.

Proof Your Work – There are multiple opportunities to edit the hunts being applied for during the transaction. Proof your work prior to submitting the credit card. Once submitted, the application cannot be updated except through the application withdrawal process (see page 12). It is the applicant's responsibility to ensure all information is current. Check all fields for accuracy.

Make sure there are sufficient funds available on your credit card. If the card is declined, your tag could go to an alternate.

- Hunting and fishing revocations identified after submission of application.
- Hunting citations identified after submission of application.

Applicants Responsibility: It is the applicant's responsibility to contact the Wildlife Administrative Services Office if they do not receive any notice (tag, refund, letter) prior to the start of the hunt. Only one point can be earned per hunt category. If both the bonus point code and hunter choice numbers are listed for a hunt category the application will only be processed for the bonus point.

Step 11: Hunter choice section - select up to five hunter choices for your chosen type of hunt category. Print the correct three-digit hunter choice number(s) for the type of hunt category, unit group(s) and weapon type(s) for which you are applying in the box provided. Step 17: Sign your application. All applicants must sign their application.

Step 18: Submit the total tag, license (nonresidents), application fees and or bonus point only fees payable to Nevada Department of Wildlife (NDOW).

Nonresidents must submit guaranteed funds (cashier's check or money order). No out-of-state personal checks accepted. Nonresidents applying for both mule deer and big game only submit the license fee once.

One check is for big game applications and one check for mule deer applications is preferred.

If you choose to purchase a mountain lion tag, don't forget to add that to your total.

Return Checks – There is a \$25 return check fee for checks returned by the bank. Applications associated with a return check will be rejected from the draw. After the draw, applicants who had returned checks will be ineligible for other draw processes until the return check fee and nonrefundable application fees have been cleared.

**RESIDENT JUNIOR MULE DEER - ANTLERED - OR - ANTLERLESS
 LONGBOW ARCHERY, MUZZLELOADER, OR ANY LEGAL WEAPON HUNT 1107**

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the longbow archery season when the unit is open for longbow archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon (including crossbow) when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt.

Note: Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 5 years of application for the junior hunt.

Youth must be 12 prior to the opening of the first hunt season applied for (usually longbow archery), and will not attain their 18th birthday until after the last day of the last season applied for (usually rifle). A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 5 years.

- BEFORE YOU APPLY -

It is the responsibility of the applicant to do his or her homework on the hunter choices chosen on their application. For some hunts there are access restrictions, low hunter success compared to statewide averages, and variable big game densities and trophy quality compared to the past.

The Department maintains several informational resources on our website at www.ndow.org to help with "doing your homework" including: Hunter Information Sheets (facts on terrain, vegetation, land ownership, hunter access, map references, local services and recommended hunting areas), hunt application advisories, big game draw odds, hunter success rates, harvest point class and bighorn sheep age and scores.

GUIDELINES TO APPLY AS A PARTY

Party applications for game tags are authorized for mule deer, antlerless elk and horns shorter than ears antelope. **Do Not** include applications for Bonus Points Only in a party.

Party applications can be in the following manner: Mule deer – Hunts 1331, 1341, 1371 (Party applications can include residents and nonresidents), Hunt 1107 (resident junior hunters), Hunt 1101 (residents only), Hunt 1181 (residents only) and resident depredation hunts (resident only). Antlerless elk – (Parties must be all resident clients OR all nonresident clients, not mixed. The antlerless elk hunts are specific to residency), Hunts 4111, 4176, 4181 (Residents only in the party), Hunt 4281 (Nonresidents only in the party). Horns shorter than ears antelope – Hunt 2181 (Resident only) .

Paper Applications: The party box needs to be completed on the application for each member in the party.

There is no limit to the party size that can be submitted, but a limiting factor is the number of tags that have been available historically. A party of six may not want to apply for a hunter choice that only had three tags in the previous year.

To be able to apply as a party all applicants must apply for the same species hunt and hunter choice numbers i.e. all antlered deer (resident and nonresident); or all antlerless deer (residents only); all junior deer hunts (residents that

meet the junior hunt age requirements), resident antlerless elk (resident clients only), nonresident antlerless elk (nonresident clients only) and resident horns shorter than ears antelope (resident clients only).

Look at the season and hunter choice tables for the weapon type(s) you are interested in and select the hunter choice numbers for the unit groups and seasons you wish to apply for.

As a reference for your party, check the quota column to see how many tags were available in the previous year. If the column displays “N/A” there was not a season set for that residency type and there will be no quota for that unit group and residency type. Any hunter choices listing “N/A” are not recommended for mixed resident and nonresident mule deer party applications, as there must be a quota in both columns for the party to potentially successful in drawing tags.

During the online process multiple clients can be added to the transaction. Once you have reached the screen for the hunt selection and have selected a hunt that allows for party there will be a screen prompting you to select the hunter or hunters (party) for that hunt. Next to the name of each hunter there will be a box. You will need to mark that box to select that hunter for the hunt or you can select multiple hunters if you want the hunt to be a party application.

Partnership in Wildlife (PIW) Hunts

Partnership in Wildlife (PIW) is a voluntary and optional participation program that offers unique hunting opportunities to hunters for a few statewide big game tags. A person with a PIW tag may hunt in any unit with an open season for the species listed on the tag, during the season dates when that unit is open for that species, and only with the weapon authorized to be used during that open season.

Application Instructions: Applicants who are eligible and apply for hunts in the first big game drawing of the year can apply for PIW hunts at the same time. Marking the PIW box with your initials for the same species you applied for in the first drawing will let us know that you want to participate in the PIW drawing for some very special tags. (Doe, cow, depredation and junior hunt applicants are not eligible for PIW hunts.) The PIW tag fee donation is \$10 for each species applied for. If successful for a PIW hunt tag, the entire tag fee the participant submitted with their main draw application will pay for the PIW tag. If unsuccessful in the PIW draw, \$10 of the tag fee received will be placed in the Wildlife Heritage Trust Account. The remainder of the tag fee received from an unsuccessful applicant for a big game tag will be refunded to the applicant.

Funds Benefit Wildlife Heritage Trust

The funds donated through PIW are placed in the Wildlife Heritage Trust Account. According to NRS 501.3575, 75 percent of the money deposited in this account in the previous year and the total interest earned on the account during the previous year, may be used by the Department annually for the protection, propagation, restoration, transplantation, introduction and management of any game fish, mammal, bird or furbearing mammal and the management and control of predatory wildlife in the state. The Board of Wildlife Commissioners is responsible for reviewing and approving expenditures from the account.

Every year wildlife management projects are funded through this account. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing additional financial support for game management programs and providing a hunting opportunity that would not otherwise be available to most sportsmen in Nevada.

2013 Partnership in Wildlife (PIW) Hunts

Legal Weapon: Longbow archery when the season for that species and management unit is restricted to archery. Muzzleloader when the season for that species and management unit is restricted to muzzleloader. Any legal weapon, including crossbow, when the season for that species and management unit allows any legal weapon.

Limit: One.

* Fallon NAS - There are portions of Unit 181 in Naval Air Station (NAS) Fallon where public access is restricted. To hunt Nelson (desert) bighorn sheep in the NAS portions of this unit, the tag holder is required to attend a NAS hunter safety briefing.

*Portions of Hunt Units 252, 280, 281, 282 are within the Nevada Test and Training Range (NTTR) where public access is restricted. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR portion of Unit 252 limit party size to 5 including tag holder. Additional party members may complete background check and safety briefing, but only

maximum of 5 party members including tagholder may be present within the NTTR portion of Unit 252 at any given time.

*Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tagholder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations.

*The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.

The Nevada Dream Tags Program is a raffle that allows resident and nonresident sportsmen a chance at the hunt of a lifetime while also contributing to Nevada's wildlife habitat. The tags are similar to other western states' raffle tags and "hunt of a lifetime" tags.

All that is required to get started in the raffle is to first purchase a Resource Enhancement Stamp (RES) for \$10. Once you have your stamp, you can purchase an unlimited number of raffle tickets for each species available for only \$5 each. You can purchase both the RES Stamp and the raffle tickets at www.NVDreamTag.org.

One of the best aspects of this raffle is the ability to purchase tickets for your family and friends. Anyone can go online and purchase their favorite hunter chances at the hunt of a lifetime for their birthday or Christmas or any special occasion.

Tickets for the Nevada Dream Tag raffle are available now and will be sold until June 30. The winners will be announced in early July.

- You can hunt anywhere in the state. All other rules for weapon class and seasons for that weapon must be followed.
- \$5 each, Purchase an unlimited number of raffle tickets.

- 5 species in 2013 – mule deer, antelope, desert bighorn sheep, California bighorn sheep and elk.
- All of the money raised by the raffle benefits wildlife habitat restoration, helps in wildlife emergencies and purchases emergency equipment.
- First purchase a \$10 Resource Enhancement Stamp (RES) to "buy-in" to the raffle. Then you can purchase an unlimited number of raffle tickets for each species for \$5 each.
- You can purchase a RES and raffle tickets for family members for birthdays, holidays, etc.
- Waiting periods do not apply.

Silver State Tag

The Silver State Tag is similar to the state's Heritage Tags and will provide lucky recipients with the opportunity to hunt a specific big game animal statewide in those hunt units where there is an established season for the species specified on the tag. But unlike the Heritage Tags, which generally sell at auction for thousands of dollars, Silver State Tags will be available through Nevada's normal tag application process at a far lesser price.

Tag applicants can expect to pay a nonrefundable application fee of \$20 plus the \$3 predator control and \$2 online convenience fee, which brings the total to \$25 for mule deer, Nelson (desert) bighorn sheep and pronghorn antelope. An additional \$5 is required for the elk application. Tag recipients will be charged the current fees established for the tag received. Applications may only be submitted electronically at www.huntnevada.com.

In addition to expanded choice of hunt location, tag holders also will have an extended season in which to harvest their game animal. Tag holders also can use their legal firearm of choice throughout the season's duration – bow, muzzleloader or rifle.

The Silver State Tag draw is open to both resident and nonresident hunters who are eligible to hunt big game, even those who are fulfilling waiting period requirements for the species available. If an applicant is in a waiting period he is only eligible to apply for the Silver State Tag for that species. If he is not in a waiting period, an applicant could apply for a Silver State Tag, a regular big game tag and a Partnership in Wildlife tag all in the same year. But once an applicant is awarded a tag his application will not be considered in subsequent drawings for the same species in that year. With the exception of tags for certain depredation hunts, a hunter may obtain only one tag per species per year.

Bonus points are not considered nor awarded in the Silver State Tag draw. Applicants who receive a Silver State Tag will retain their bonus points for that species.
