Important Information

New to the 2014 Big Game Seasons

- Application Eligibility Changes and several NEW Elk Hunt/Harvest Strategies were approved by the Wildlife Commission to increase elk harvest to meet population objectives.
- Application Eligibility and Draw changes allow an applicant to either:
 - Apply for and draw both an Antlered Elk and Antlerless (Cow) Elk Tag in same draw.
 - Apply for and draw both a Spike Elk Only and Antlerless Elk Tag in same draw.
 - Apply for all antlerless elk hunts (Antlerless Elk, Antlerless Elk Management, and Antlerless Elk Depredation) in the same draw but only draw one (1) of these tags in the same year.
- You are not allowed to apply for both an Antlered Elk and Spike Elk hunt in the same draw.
- Spike Elk Only rifle and archery hunts in all Area 6 unit groups.
- Combination Antlerless Elk Management hunt and Mule Deer hunt - allows a successful mule deer tag applicant to draw an antlerless elk management tag for the same season dates and within the same unit group as the mule deer tag. This will hopefully increase cow elk harvest without additional hunters and added hunter congestion.
- Combination Antlerless Elk Management hunt and Antlered Elk hunt - allows a successful antlered elk tag applicant to draw an antlerless elk management tag for the same season dates and within the same unit group as the antlered elk tag.
- With the new Ewe hunts a person will need to choose between applying for ram or ewe hunts in the same subspecies. They will not be able to apply for both in the same subspecies.

Changes to the 2014 Big Game Seasons

- Added an additional pronghorn doe hunt for Units 131 and 145.
- The early antlerless elk rifle season was moved to Sept. 17 – Oct. 6 in place of the elk muzzleloader season to have a more successful weapon class to increase cow elk harvest to meet population objectives. The primary October antlerless elk rifle “mid” season runs Oct. 7–20. A late antlerless elk season was added for Unit Groups 061, 071 and 062, 064, 068, running Nov 21–Jan 15.
- Shift both Area 6 unit group’s bull muzzleloader hunts and the Unit Group 062, 064, 066-068 antlerless elk muzzleloader hunt to Sept. 1–16, and eliminate Unit 061, 071 antlerless elk muzzleloader season due to too much congestion with bull muzzleloader hunt.
- Shift Area 6 unit group’s bull archery season to Aug. 16–31 and antlerless elk archery to Aug. 1-15.
- All late antlerless elk rifle seasons were extended to January 15 to allow for more elk harvest.

- “Wilderness Only” antlerless elk rifle seasons were established in Unit 162, 222, and 231 where hunters may only hunt within the designated wilderness areas managed by either the Bureau of Land Management or U.S. Forest Service.
- Unit 144, 145 Depredation Bull Elk Hunt was expanded to 3 consecutive seasons to accommodate more tags.
- For Hunt 4107, Antlerless Elk Depredation hunt, multiple season set for Unit 121 and Units 144, 145 to accommodate more tags and increase cow elk harvest and for Units 101–103 only a single long season due to very low hunter success in past years.
- For desert bighorn ram hunt in Unit 212, Lone Mountain, 2 split seasons to reduce hunter congestion.
- Nonresident desert bighorn ram hunts closed in Units 262 and 266.
- Nonresident California bighorn ram hunt closed in Unit 033.
- Resident Rocky Mountain bighorn hunt closed in Unit 091.
- Bighorn Ewe Hunts initiated in desert bighorn Units 212, 213, and 268 and in California bighorn Unit 068 due to herds exceeding their sustainable management levels and limited acceptable transplant opportunities.

Alternate Tag Process

Every year hundreds of tags are returned to the Department prior to the start of the season. Most of these returned tags are not reissued. In an effort to give more hunters the opportunity to hunt big game, the process was changed last year.

During the online application process an applicant will affirm their willingness to be an alternate and accept an alternate tag by marking a check-off box on each species they are applying for.

For example: When someone applies for an antelope tag, they will be able to check a box that affirms “If I am unsuccessful I will accept an alternate tag if it becomes available and (the/ my) charge card will be charged immediately.”

If you are unsuccessful in drawing an antelope tag you are then automatically placed on the alternate list for the choices on your application. To learn more check out NAC 502.4175 Application for tag or bonus point; fees (Page 13).

Pre-Register Your Hunter Education

The Department offers pre-registration of hunter education. The Department recommends hunters check to see if their hunter education records are on file. You can do so by going to www.huntnevada.com. Call 1-800-576-1020 to confirm your faxed records are received before April 14, 2014.

Hunt Unit Advisories

In an effort to improve your hunting experience, the Nevada Department of Wildlife has put together a table for hunter access restrictions and other advisories for specific hunts and unit groups. This information may affect your decision on where to apply this year. You can find the 2014 Hunt Unit Advisory on the NDOW website at www.ndow.org.

1. During a type of hunt that is restricted to muzzle-loading firearms, a person may hunt a big game mammal only with a muzzle-loading rifle or muzzle-loading musket, and may use only a lead ball, a lead bullet, a semi-jacketed bullet or a metal alloy bullet that expands. (c) Hunt any game mammal or game bird with a longbow that uses any mechanical device that can anchor a nocked arrow at full draw or partial draw unless the person:

(1) Carries written documentation, signed and dated by a licensed physician, stating that the person has a permanent disability in the upper torso; or

(b) A license to fish is not required of a nonresident of this State who is under 12 years of age, but the number of fish taken by the nonresident must not exceed 50 percent of the daily creel and possession limits as provided by law.

(c) Except as otherwise provided in subsection 5 or 6 of NRS 202.300 and NRS 502.066, it is unlawful for any child who is under 18 years of age to hunt any wildlife with any firearm, unless the child is accompanied at all times by the child's parent or guardian or is accompanied at all times by an adult person authorized by the child's parent or guardian to have control or custody of the child to hunt if the authorized person is also licensed to hunt.

(d) A child under 12 years of age, whether accompanied by a qualified person or not, shall not hunt big game in the State of Nevada. This section does not prohibit any child from accompanying an adult licensed to hunt.

(e) The Commission may adopt regulations setting forth:

(2) The circumstances under which a person may fish without a license, permit or stamp in a lake or pond that is located entirely on private property and is stocked with lawfully acquired fish.

2. Except as otherwise provided in subsection 3, any person who makes any false statement or furnishes false information to obtain any license, tag or permit issued pursuant to the provisions of this title is guilty of a misdemeanor.

3. Any person who makes any false statement or furnishes false information to obtain any big game tag issued pursuant to the provisions of this title is guilty of a gross misdemeanor.

5. Any person convicted of violating the provisions of subsection 2 or 3 forfeits any bonus point or other increased opportunity to be awarded a tag in a subsequent drawing conducted for that tag if the bonus point or other increased opportunity was acquired by the false statement or false information.

6. As used in this section, "big game tag" means a tag permitting a person to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk.

Bonus Point Information and Regulations

Bonus Point Program Guidelines

Hunters will have the option to apply for a bonus point without applying for a tag for a species. Participation requires a nonrefundable \$10 application fee for each bonus point only application, and the purchase of the hunting or combination hunting and fishing license. An applicant cannot receive a refund on their hunting license. There is a special bonus point code for each hunt and it is listed above the season table in this book.

Resident and nonresident tag applicants receive a bonus point for each hunt category that has a quota set by the Wildlife Commission when they are unsuccessful in drawing a tag through the computerized random draw system.

Bonus points are awarded by specific species categories, each encompassing all separate weapons hunts available in that category. Those categories are: antlered mule deer; antlerless mule deer; antelope horns longer than ears; antelope horns shorter than ears; bull elk; spike bull elk; cow elk; ram and ewe categories for desert (Nelson) bighorn sheep; California bighorn sheep; Rocky Mountain bighorn sheep; mountain goat and black bear. (See NAC 502.4188)

Bonus points cannot be transferred to another person, or to another species category. Applicants are only able to accumulate one bonus point per species category each year. For example, if you applied for an antlered deer any legal weapon tag and were unsuccessful, and then applied for an antlered deer archery tag in a separate drawing, and were unsuccessful, you still only accrue one point because these are both in the antlered deer category. However, if you apply for an antlered deer any legal weapon tag and are unsuccessful, and then apply for a antlerless deer tag and are unsuccessful, you would receive a bonus point for each because they are in two different categories - antlered deer and antlerless deer.

Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 5 years of application for the junior hunt.

Those applying as a "party hunt" for deer or antlerless elk will have their points averaged (total points of all hunters in the party, divided by the number of hunters) and rounded to the closest whole number. Bonus points are squared by species category, resulting in the number of draw numbers that an individual hunter or hunt party will receive in that drawing. A hunter's bonus points revert to zero in a particular species category when he is successful at obtaining a tag or fails to apply for that species category for two consecutive years.

If a person requests a hunting license refund, they will not earn bonus points for the current year.

Depredation Hunts and Management Hunts do not earn bonus points.

NAC 502.4188 Bonus points: Categories of species

1. Except as otherwise provided in subsection 2, any bonus points awarded by the Department pursuant to the bonus point program must be awarded in one of the following categories of species, **subspecies and gender**:

- (a) Antlered mule deer;
- (b) Antlerless mule deer;
- (c) Mule deer, either antlered or antlerless;
- (d) Antlered Rocky Mountain elk;
- (e) Antlerless Rocky Mountain elk;
- (f) Rocky Mountain elk, either antlered or antlerless;
- (g) Spike Rocky Mountain elk;

(h) Pronghorn antelope whose horns are longer than their ears;

(i) Pronghorn antelope whose horns are shorter than their ears;

(j) Rams, from one of the following subspecies:

- (1) Nelson bighorn sheep;
- (2) California bighorn sheep; or
- (3) Rocky Mountain bighorn sheep; or

(k) **Ewes, from one of the following subspecies:**

- (1) **Nelson bighorn sheep;**
- (2) **California bighorn sheep; or**
- (3) **Rocky Mountain bighorn sheep;**

(l) Mountain goats; or

(m) Black bear

2. Bonus points awarded by the Department pursuant to the bonus point program for wild turkey hunts must be awarded by hunt number.

NAC 502.4187 Bonus points (RO91-13): Award and accumulation; effect of refund

1. Except as otherwise provided in NAC 502.416 to 502.4225, inclusive, an applicant to obtain a tag for a season who is unsuccessful, or an applicant for a bonus point who does not wish to obtain a tag and is applying for the sole purpose of earning a bonus point, must be awarded a bonus point for:

(a) The hunt number of the species for which he applied if he applied for a:

(1) Tag to hunt wild turkey; or

(2) Bonus point for a tag described in subparagraph (1); or

(b) The category of the species for which he applied if he applied for a tag to hunt deer, elk, mountain goat, antelope, bighorn sheep or bear, or for a bonus point for such a tag.

Regardless of the number of applications to obtain a tag or bonus point for a season submitted by a person, the Department shall not award him more than one bonus point per season for each species or category of a species for which the person applied.

2. Except as otherwise provided in subsection 3, the bonus points awarded to a person accumulate until he is successful in drawing a tag for a season for that species or category of a species or he fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open. If an applicant is successful in drawing a tag for a season for a species or category of a species or fails to apply for a season for 2 consecutive calendar years during which that type of hunt for a season is open, he loses all of his bonus points for that species or category of a species.

3. Except as otherwise provided in NAC 502.4189, a person may not use any bonus points awarded to him for being unsuccessful in a junior hunt to apply for a drawing for a tag for any other type of hunt after the person is no longer eligible to participate in a junior hunt.

4. If an applicant requests and receives a refund for the value of his hunting license, the Department shall not award him a bonus point for any species or category of species applied for during the period that the applicant possessed the hunting license.

5. The Department shall not award bonus points for depredation hunts or management hunts.

6. As used in this section, "management hunt" means a hunt established to seek the harvest of additional wildlife within a population.

Bonus Point Information and Regulations (Continued)

NAC 502.4177 Submission of application for sole purpose of obtaining bonus point

1. Except as otherwise provided in subsection 2, a person who is at least 12 years of age and does not wish to obtain a tag may apply to the Department for the sole purpose of obtaining a bonus point for a tag other than a restricted nonresident deer tag. Such an application may be submitted by a person who is under 12 years of age if he will attain the age of 12 years before the commencement of the earliest season for the category of the species to which the application relates.

2. A person who is ineligible to apply for a tag for a category of species may not apply for a bonus point for that category of species.

3. The Department shall award a bonus point to a person described in subsection 1 if the person has complied with all applicable provisions of chapter 502 of NRS and the regulations adopted pursuant thereto.

NAC 502.4189 Bonus points: Use; transfer; applications by group for deer tags

1. Each applicant in a drawing for a tag for a season receives a number of additional draw numbers that is equal to the number of bonus points that he has accumulated squared, as expressed in the following equation: $n=b^2$ where "n" is the number of additional draw numbers and "b" is the number of bonus points. The number of additional draw numbers determines the number of draw numbers for the species or category of the species for which the application was submitted. The applicant's lowest randomly assigned draw number is the number used for the drawing.

2. Except as otherwise provided in subsection 5, bonus points accumulated by a person for a **species or category of species** cannot be transferred to any other person or any other **species or category of species**.

3. **An applicant may transfer bonus points to himself or herself as a resident or nonresident of this State, as appropriate, if:**

- (a) The applicant changes his or her state of residence;
- (b) The applicant requests in writing that the Department transfer those bonus points; and

(c) The Department approves the request for the transfer. Bonus points transferred pursuant to this subsection apply to the same **species or category of species** to which they applied before the transfer.

4. The number of bonus points applicable to applications submitted by a group pursuant to NAC 502.4185 for tags is the quotient of the total number of points held by the members of the group divided by the number of members in the group, rounded to the nearest whole number.

5. If a person has applied for a junior hunt **for deer** for 5 years or becomes ineligible to participate in a junior hunt **for deer** because of his or her age, each unused bonus point accumulated by that person for a junior hunt **for deer** automatically transfers to the category for antlered mule deer. The provisions of this subsection do not apply to a bonus point accumulated by the person for a junior hunt **for deer** in a year in which the person also accumulated a bonus point in the category for antlered mule deer.

FAQS ON SHEEP ELIGIBILITY

What combination of bighorn ram and ewe hunt applications are allowed under the new regulations? The key point to remember is an applicant cannot apply for both a ram and ewe of the same bighorn subspecies in the same draw. Let's say, you are eligible (not in a waiting period) for all three ram subspecies hunts (Rock Mountain, California, and Desert) and you want to apply for a ewe hunt this year. You could apply for the Rocky Mountain ram hunt for sure since we don't have any Rocky Mountain ewe hunts. You decide to apply for the California bighorn ram and not the desert ram hunt, which allows you to apply for the desert bighorn ewe hunt. If you happen to be ineligible for the California bighorn ram hunt this year because you recently had a tag, then it would make sense to apply for the California bighorn ewe hunt in the first draw this year.

I decide to purchase a bonus point for Desert bighorn ram in the first draw, can I apply for a Desert bighorn ewe hunt in the first draw? No. Since you are eligible to apply for a Desert bighorn ram tag, regardless of whether you apply for it or only purchase a bonus point, you cannot apply for the a ewe hunt of the same subspecies. If there were leftover desert bighorn ewe tags in the second draw, you could apply for the ewe hunt since it is a separate draw from your desert bighorn ram bonus point purchase.

I am in a waiting period for the Nelson (Desert) bighorn sheep ram hunt. Can I apply for the Silver State Nelson (Desert) bighorn sheep ram hunt and the Nelson (Desert) bighorn sheep ewe hunt? No. Because the applications are for the same subspecies of bighorn sheep you will have to choose between the Silver State Nelson (Desert) bighorn sheep ram hunt or the Nelson (Desert) bighorn sheep ewe hunt.

Note: For FAQs on Elk Eligibility, check out pages 21.

Elk Hunt Eligibility and Application Information - New

Applying for elk: New this year applicants will be able to apply for both antlered and antlerless elk in the same draw period. This is for elk only. All other species will remain one application per species in the draw. Additionally, if a person is interested they can apply for multiple antlerless elk hunts in the same draw but only draw one antlerless elk tag.

Spike Bull - With the addition of the spike bull hunt an applicant will need to choose between the antlered elk hunt and spike hunt. They ARE NOT eligible to apply for both bull hunts in the same draw.

Antlerless Elk Management tags – This year the Department is implementing these new management hunts in combination with antlered deer (buck) or antlered elk (bull) tag applications. Further information is listed below.

As a result of all these changes a person could possibly draw an antlered elk tag and an antlerless elk tag in the same draw in 2014.

ANTLERLESS ELK MANAGEMENT TAG AWARDED IF DEER TAG DRAWN

Background –The premise for this antlerless elk management tag opportunity is to increase cow elk harvest without adding additional hunters and hunter congestion during existing mule deer hunt seasons. This antlerless elk tag is considered a “management” antlerless elk tag without any bonus points associated with it.

Guidelines

- Resident Mule deer applicant (for Hunts 1341, 1371, 1331) would select the option on their application indicating they would want to draw an antlerless elk management tag if they were to draw a deer tag.
- Antlerless elk management hunt would be resident only.
- The option to participate in the antlerless elk management tag program will only be available online.
- The season for both the deer and antlerless elk management tags issued in this method would be the same season dates as the deer tag.
- The antlerless elk management tag may be a select set of hunt units within the mule deer unit group depending on where the Department identifies the need for cow elk harvest (i.e., cow elk tag may only be good for Unit 061 or 062 within deer unit group 061 – 068).
- The area biologist will recommend a quota for these antlerless elk management tags at the May Commission meeting.
- The drawing of an antlerless elk management tag will occur in the order of the lowest draw number of its associated deer application.
- Management hunt tags will not earn bonus points.
- Nonrefundable application fees will be charged for the antlerless elk management application selection.
- If a client is successful in drawing both the deer and the antlerless elk management tag the client will be charged for the deer tag (\$30) and the antlerless elk management tag (\$120)

- Return card questionnaire would be required on antlerless elk management tags pursuant to permanent regulation.

ANTLERLESS ELK MANAGEMENT TAG AWARDED IF ANTLERED (BULL) ELK TAG DRAWN

Background - The premise for this antlerless elk tag opportunity is to increase cow elk harvest without adding additional hunters and hunter congestion during existing antlered elk hunt seasons. This antlerless elk tag is considered a “management” antlerless elk tag without any bonus points associated with it.

Guidelines

- Resident Antlered elk (bull) applicant (for Hunts 4151, 4156, 4161) would select the option on their application if he or she wants to draw an antlerless elk management tag if they were to draw a bull tag.
- The option to participate in the antlerless elk management tag program will only be available online.
- The season for both the bull and antlerless elk management tags issued in this method would be the same season dates as the bull tag.
- The antlerless elk management tag may only be a select set of hunt units within the bull tag unit group depending on where the Department identifies the need for additional cow elk harvest (i.e., cow elk tag may only be good for Unit 111 within bull unit group 111-115).
- The area biologist will recommend a quota for these antlerless elk management tags at the May Commission meeting.
- The drawing of an antlerless elk management tag will occur in the order of the lowest draw number of its associated bull elk application
- Nonrefundable application fees would be charged for the antlerless elk management application selection.
- If a client is successful in drawing both the bull tag and the antlerless elk management tag the client will be charged for the bull tag (\$120) and the antlerless elk management tag (\$120).
- Return card questionnaire is required on antlerless elk management tags pursuant to permanent regulation.

REMOVAL DEPREDATION HUNTS FROM BONUS POINT PROGRAM.

Guidelines

- At the December Commission meeting the Commission approved a regulation change to remove depredation hunts from the bonus point program. Clients applying for depredation hunts during a draw will no longer earn bonus points if unsuccessful.
- Those clients with current bonus points in depredation hunts would maintain those points until they draw a tag.

Elk Hunt Eligibility and Application Information (Continued)

FAQS FOR ELK ELIGIBILITY

Can I put in for both a bull tag and a cow tag in 2014?

Yes. New for 2014, clients will be able to put in for both a bull tag and a cow tag in the same draw. As a result they could possibly draw both tags and those tags could be in different unit groups. We advise applicants to be aware of that possibility and make their choices wisely with this in mind.

With all these changes this year just exactly how many elk tags could I obtain in the draw? Only one antlerless elk tag and one bull elk tag.

What are these combination hunts? In December the Commission approved the ability for the Department to allow applicants to apply for more than one elk hunt in the same draw to address some herd management issues in parts of the state. One option approved was allowing applicants to select an option to obtain an antlerless elk management tag in addition to an antlered deer tag in the same unit and season. This same type of option was approved for antlered elk also. The antlerless elk management tags will have the same season as the “base” hunt (the antlered deer or antlered elk). The unit groups for these management tags may be all of the same units as the base hunt or a selection of the same units to target the harvest of the management tag.

I put in for bull elk. Can I also apply for the antlered elk and the new spike elk hunt in the same draw? No. You can only apply for one type of hunt for antlered (bull) elk.

I put in for bull elk. Can I also apply for the new spike elk hunt and the antlered elk depredation hunt in the same draw? No. You can only apply for one type of hunt for antlered (bull) elk.

I am in a waiting period for antlered elk, can I apply for the new spike bull hunt? Yes.

I read about the combination hunts where a person can apply for bull elk and opt to obtain an antlerless elk management tag. I had a bull tag 2 years ago am I eligible for these combination hunts? If you are in a waiting period on bull elk you are ineligible to participate in the elk combination hunt. You must be eligible for the base hunt to be eligible for the combination hunt.

However, there are other selections available, you could apply for the combination hunt on antlered deer. Also you are eligible to apply for the new spike bull elk hunt and an antlerless cow elk tag on separate applications.

Can I earn bonus points on the spike elk hunt if unsuccessful? Yes, it is its own bonus point category.

Can I apply for the combination bull elk and the antlerless elk management tag and a regular antlerless elk any legal weapon hunt and the antlerless elk depredation hunt? Yes. However be advised you will be paying the nonrefundable application fees for each application you submit. You will only be able to draw one antlerless elk tag. You could have a low draw number for the antlerless elk depredation hunt, draw that tag and all other antlerless elk applications will be unsuccessful. Your bull tag application will still be processed and you could still draw that tag.

Can I apply for both the new spike bull hunt and an antlerless elk hunt in the same draw? Yes. Be advised you could possibly draw both so make your selections wisely. You can do this by clearly understanding the season dates and where the unit groups are in the state. Also, if unsuccessful for either hunt, bonus points will be earned separately on each.

How many antlerless elk applications can I submit in the same draw? You can only submit one application for each type antlerless elk hunt in the same draw. That means you could apply for an antlerless elk tag in a combination hunt, antlerless elk hunt, and antlerless elk depredation if you choose to. Be advised that you will be paying the nonrefundable application fees for each application submitted. You will only be able to draw one antlerless elk tag.

I put in for bull elk. Can I also apply for the antlered deer and antlerless elk management option combination hunt and the antlered elk and antlerless elk management option combination in the same draw? Yes. However you can only draw one antlerless elk tag. So if you are lucky and draw your deer tag and are issued the antlerless elk management tag first and draw your antlered elk tag you will not receive a second antlerless elk management tag, it will already be marked unsuccessful.

NONRESIDENTS purchasing a hunting license with the big game application, leave the hunting license section blank.

Step 16: Nonresidents: mark the box if you want your hunting license fee refunded and do not want to earn any bonus points if unsuccessful in the draw. Boxes left blank will be processed as a "No" response and a hunting license will be issued to you. No refunds are available for a combination hunting and fishing license selection.

Step 17: Sign your application. All applicants must sign their application.

Online Application Instructions

Have the following items available to you and be prepared to apply online with the interactive application process and a credit card at www.huntnevada.com.

Questions During Transaction – If you have any questions during your transaction, please call 1-800-576-1020 for assistance.

✓ Sportsman ID/Social Security Number and Date of Birth or Social Security Number/Sportsman ID number and PIN number (provided on previous applications). For each person in transaction.

✓ 2014 Hunt category, season and hunter choices for which you want to apply. Refer to the hunt season tables in this booklet.

✓ Hunting license number if Nevada hunting or combination hunting and fishing license has been purchased prior to this process.

✓ A current valid credit card with CID number.

*A CID is a special security code feature on your credit card.
CID Location:*

• Discover/Visa/MasterCard: On the back of the card, you should see a 16-digit credit card number followed by a special 3-digit code. This 3-digit code is your CID.

• American Express: There is a 4-digit code printed on the front of your card just above and to the right of your main credit card number. This 4-digit code is your CID.

Debit Cards: It is NOT recommended that you use debit cards. Because of the timing of the charges after the draw, and the way some banks handle overdrafts, it is possible that you may incur substantial penalties if there are insufficient funds in the account when charges are made either now or after the draw. These penalties WILL NOT be reimbursed by the Department. It is recommended that you use a credit card rather than a debit card to avoid these potential problems.

Pre-registration of Hunter Education – First time applicants to Nevada and those born after 1/1/1960 will need to pre-register their proof of hunter education up to seven days prior to the tag application deadline. Go to www.huntnevada.com for instructions on how to preregister **OR** submit a paper application and a copy of proof of hunter education. This is to satisfy statutory requirements for proof of hunter education certification, NRS 502.330. Once established in the program the hunter education information is retained and will be utilized in future applications.

Proof Your Work – There are multiple opportunities to edit the hunts being applied for during the transaction. Proof your work prior to submitting the credit card. Once submitted, the application cannot be updated except through the application

withdrawal process (see page 13). It is the applicant's responsibility to ensure all information is current. Check all fields for accuracy.

Email: When you apply online, make sure to provide your email address to receive your confirmation and any other notices from NDOW.

When applying online you pay the following fees up front:

- Nonrefundable application fees: \$15 for elk, \$20 for Silver State tag application, \$10 all other species except for mountain lion.
- Predator control fee \$3 per application.
- \$2 fee per application for Residents, \$3.50 fee per application for Nonresidents filing electronically.
- Donations.
- License fee if you select to purchase the license regardless of whether you are successful in drawing a tag or not (for bonus points if unsuccessful).
- Stamps purchased at the time of application.
- Dream Tag raffle tickets at \$5 per ticket.

The following fees will be collected after the results of the draw:

- Tag fees from successful clients.
- Partnership In Wildlife (PIW) fees.
- License fee if you select to receive the license only if you draw a tag.

Make sure there are sufficient funds available on your credit card. If the card is declined, your tag could go to an alternate.

Please Note - There are circumstances where your applications could still be rejected after submission:

- A paper application submitted in addition to an online application will cause all applications for that species to reject, unless one is withdrawn (see page 13).
- Hunting and fishing revocations identified after submission of application.
- Hunting citations identified after submission of application.

Applicants Responsibility: It is the applicant's responsibility to contact the Wildlife Administrative Services Office if they do not receive any notice (tag, refund, letter) prior to the start of the hunt. Wildlife Administrative Services Office, P.O. Box 1345, Fallon, NV 89407-1345 or call 1-800-576-1020.

Help NDOW Give These Markers the Boot

Hollow plastic pipes were historically used to mark the boundaries of mining claims in Nevada. Unfortunately, these pipes are often seen by birds as a cavity suitable for nesting and are believed to be responsible for tens of thousands of dead birds in Nevada each year.

It's extremely important that hunters know about this issue and help out by knocking them down. Many

of these markers can be found scattered throughout pinyon-juniper and other woodland habitats, and these are the ones that seem to be attracting and killing the most mountain bluebirds, owls, and woodpeckers.

NDOW asks anyone who is out hunting or recreating to please knock down these pipes if you come across one. You can also record the GPS coordinates and send them to Christy Klinger at christy@ndow.org.

**RESIDENT JUNIOR MULE DEER - ANTLERED - OR - ANTLERLESS
 LONGBOW ARCHERY, MUZZLELOADER, OR ANY LEGAL WEAPON HUNT 1107**

The junior youth hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the longbow archery season when the unit is open for longbow archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon (including crossbow) when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt.

Note: Any bonus points accrued in the junior hunt will automatically transfer to the antlered deer category at the time the junior hunter becomes ineligible for the junior hunt by either age, or after 5 years of application for the junior hunt.

Youth must be 12 prior to the opening of the first hunt season applied for (usually longbow archery), and will not attain their 18th birthday until after the last day of the last season applied for (usually rifle). A person who is otherwise eligible to apply for a junior hunt may apply for a junior hunt for not more than 5 years.

- BEFORE YOU APPLY -

It is the responsibility of the applicant to do his or her homework on the hunter choices chosen on their application. For some hunts there are access restrictions, low hunter success compared to statewide averages, and variable big game densities and trophy quality compared to the past.

The Department maintains several informational resources on our website at www.ndow.org to help with "doing your homework" including: Hunter Information Sheets (facts on terrain, vegetation, land ownership, hunter access, map references, local services and recommended hunting areas), hunt application advisories, big game draw odds, hunter success rates, harvest point class and bighorn sheep age and scores.

GUIDELINES TO APPLY AS A PARTY

Party applications for game tags are authorized for mule deer, antlerless elk and horns shorter than ears antelope. **Do Not** include applications for Bonus Points Only in a party.

Party applications can be in the following manner: Mule deer – Hunts 1331, 1341, 1371 (Party applications can include residents and nonresidents), Hunt 1107 (resident junior hunters), Hunt 1101 (residents only), Hunt 1181 (residents only) and resident depredation hunts (resident only). Antlerless elk – (The antlerless elk hunts are specific to residency. Parties must be all resident clients OR all nonresident clients, not mixed.) Hunts 4111, 4176, 4181 (Residents only in the party), Hunt 4281 (Nonresidents only in the party). Horns shorter than ears antelope – Hunt 2181 (Resident only).

Paper Applications: The party box needs to be completed on the application for each member in the party.

There is no limit to the party size that can be submitted, but a limiting factor is the number of tags that have been available historically. For example, a party of six may not want to apply for a hunter choice that only had three tags in the previous year.

To be able to apply as a party all applicants must apply for the same species hunt and hunter choice numbers i.e. all antlered deer (resident and nonresident); or all antlerless

deer (residents only); all junior deer hunts (residents that meet the junior hunt age requirements), resident antlerless elk (resident clients only), nonresident antlerless elk (nonresident clients only) and resident horns shorter than ears antelope (resident clients only).

Look at the season and hunter choice tables for the weapon type(s) you are interested in and select the hunter choice numbers for the unit groups and seasons you wish to apply for.

As a reference for your party, check the quota column to see how many tags were available in the previous year. If the column displays “N/A” there was not a season set for that residency type and there will be no quota for that unit group and residency type. Any hunter choices listing “N/A” are not recommended for mixed resident and nonresident mule deer party applications, as there must be a quota in both columns for the party to potentially successful in drawing tags.

During the online process multiple clients can be added to the transaction. Once you have reached the screen for the hunt selection and have selected a hunt that allows for party there will be a screen prompting you to select the hunter or hunters (party) for that hunt. Next to the name of each hunter there will be a box. You will need to mark that box to select that hunter for the hunt or you can select multiple hunters if you want the hunt to be a party application.

Partnership in Wildlife (PIW) Hunts

Partnership in Wildlife (PIW) is a voluntary and optional participation program that offers unique hunting opportunities to hunters for a few statewide big game tags. A person with a PIW tag may hunt in any unit with an open season for the species listed on the tag, during the season dates when that unit is open for that species, and only with the weapon authorized to be used during that open season.

Application Instructions: Applicants who are eligible and apply for hunts in the first big game drawing of the year can apply for PIW hunts at the same time. Marking the PIW box for the same species you applied for in the first drawing will let us know that you want to participate in the PIW drawing for some very special tags. (Doe, cow, depredation and junior hunt applicants are not eligible for PIW hunts.) The PIW tag fee is \$10 for each species applied for. If successful for a PIW hunt tag, the entire tag fee the participant submitted with their main draw application will pay for the PIW tag. If unsuccessful in the PIW draw, \$10 will be placed in the Wildlife Heritage Trust Account. The remainder of the tag fee received from an unsuccessful applicant for a big game tag will be refunded to the applicant.

Funds Benefit Wildlife Heritage Trust

The funds donated through PIW are placed in the Wildlife Heritage Trust Account. According to NRS 501.3575, 75 percent of the money deposited in this account in the previous year and the total interest earned on the account during the previous year, may be used by the Department annually for the protection, propagation, restoration, translocation, introduction and management of any game fish, mammal, bird or furbearing mammal and the management and control of predatory wildlife in the state. The Board of Wildlife Commissioners is responsible for reviewing and approving expenditures from the account.

Every year wildlife management projects are funded through this account. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing additional financial support for game management programs and providing a hunting opportunity that would not otherwise be available to most sportsmen in Nevada.

2014 Partnership in Wildlife (PIW) Hunts

Legal Weapon: Longbow archery when the season for that species and management unit is restricted to archery. Muzzleloader when the season for that species and management unit is restricted to muzzleloader. Any legal weapon, including crossbow, when the season for that species and management unit allows any legal weapon.

Limit: One.

Hours: One-half hour before sunrise to sunset.

*Portions of Hunt Units 252, 280, 281, 282 are within the Nevada Test and Training Range (NTTR) where public access is restricted. Hunters and everyone in their respective hunting parties, must comply with all Nevada hunting requirements and all NTTR safety and security requirements including the following: 1) consent to and pass a criminal history background check, 2) be at least 14 years old on opening day of the respective hunting season, 3) attend the Nellis Air Force Base hunter safety briefing, and 4) within the NTTR portion of Unit 252 limit party size to 5 including tag holder. *Hunters and members of their parties who fail to comply with these requirements may be denied access to the NTTR. Hunters and members of their parties may not access the NTTR after a tag is filled and animal has been removed and in possession of tagholder. No pets are allowed on NTTR. It is the hunter's responsibility to meet and/or comply with all NTTR eligibility requirements. In some units there may be adjustments to season dates to accommodate Department of Defense operations.

*The Nevada Board of Wildlife Commissioners hereby delegates authority to the Nevada Department of Wildlife to adjust season dates to accommodate Department of Defense operations so long as there is no change to the overall length of the season.

Nevada Dream Tags

NVDreamTag.org

The Nevada Dream Tags Program is a raffle that allows resident and nonresident sportsmen a chance at the hunt of a lifetime while also contributing to Nevada's wildlife habitat. The tags are similar to other western states' raffle tags and "hunt of a lifetime" tags.

All that is required to get started in the raffle is to first purchase a Resource Enhancement Stamp (RES) for \$10. Once you have your stamp, you can purchase an unlimited number of raffle tickets for each species available for only \$5 each. You can purchase both the RES Stamp and the raffle tickets at www.NVDreamTag.org.

One of the best aspects of this raffle is the ability to purchase tickets for your family and friends. Anyone can go online and purchase their favorite hunter chances at the hunt of a lifetime for their birthday or Christmas or any special occasion.

Tickets for the Nevada Dream Tag raffle are available now and will be sold until June 30. The winners will be announced in early July.

- You can hunt anywhere in the state. All other rules for weapon class and seasons for that weapon must be followed.
- \$5 each, purchase an unlimited number of raffle tickets.

- 5 species in 2014 – mule deer, antelope, desert bighorn sheep, California bighorn sheep and elk.
- All of the money raised by the raffle benefits wildlife habitat restoration, helps in wildlife emergencies and purchases emergency equipment.
- First purchase a \$10 Resource Enhancement Stamp (RES) to "buy-in" to the raffle. Then you can purchase an unlimited number of raffle tickets for each species for \$5 each.
- You can purchase a RES and raffle tickets for family members for birthdays, holidays, etc.
- Waiting periods do not apply.

Silver State Tag

The Silver State Tag is similar to the state's Heritage Tags and will provide lucky recipients with the opportunity to hunt a specific big game animal statewide in those hunt units where there is an established season for the species specified on the tag. But unlike the Heritage Tags, which generally sell at auction for thousands of dollars, Silver State Tags will be available through Nevada's normal tag application process at a far lesser price.

In addition to expanded choice of hunt location, tag holders also will have an extended season in which to harvest their game animal. Tag holders also can use their legal firearm of choice throughout the season's duration – bow, muzzleloader or rifle.

NEW: This year several sportsmen's groups have teamed up to include additional items to the lucky hunters who draw a Silver State Tag. These prizes include: **Mule Deer:** The Nevada Muleys is donating a Yeti Cooler (35 Qrt) and a Canvas Bedroll. **Elk:** Sportsworld in Ely Nevada is donating a \$500 gift card for their store. White Pine County chapter of the Rocky Mountain Elk Foundation is donating a Winchester 264 mag. 26 inch barrel RMEF edition. **Desert Bighorn:** Browning X-Bolt 300WM rifle with a Leupold scope donated by Nevada Bighorns Unlimited, a Minox optics package donated by the Fraternity of the Desert Bighorn, full Sitka gear and Kenetrek Mountain Extreme boots donated by the Wild Sheep Foundation and guiding services provided by Hide N Seek Outfitters and White River Guide Service.

The Silver State Tag draw is open to both resident and nonresident hunters who are eligible to hunt big game, even those who are fulfilling waiting period requirements for the species available. If an applicant is in a waiting period he is only eligible to apply for the Silver State Tag for that species. If he is not in a waiting period, an applicant could apply for a Silver State Tag, a regular big game tag and a Partnership in Wildlife tag all in the same year. But once an applicant is awarded a tag his application will not be considered in subsequent drawings for the same species in that year.

Tag applicants pay a nonrefundable application fee of \$20 plus the \$3 predator control and \$2 online fee, which brings the total to \$25 for mule deer, Nelson (desert) bighorn sheep and pronghorn antelope. An additional \$5 is required for the elk application. Tag recipients will be charged the current fees established for the tag received. Applications may only be submitted electronically at www.huntnevada.com.

Bonus points are not considered nor awarded in the Silver State Tag draw. Applicants who receive a Silver State Tag will retain their bonus points for that species.
