2.3.3	Freedom in the Classroom. ....	3
2.3.4	Faculty as Citizens. ....	3
2.3.5	Obligations and Responsibilities. ....	3

## Section 2.1 Declaration of Policy

- 2.1.1 Higher Education and the Common Good.** Institutions of higher education are conducted for the common good and not to further the interest of either the individual member of the faculty or the institution. The continued existence of the common good depends upon the free search for truth and knowledge and their free exposition.
- 2.1.2 Academic Freedom.** Academic freedom is essential to these purposes and is applicable to both teaching and research. Freedom in teaching is fundamental for the protection of the rights of the teacher in teaching and of the student in learning. Freedom in research is fundamental to the advancement of truth and knowledge. A member of the faculty has freedom and an obligation, in the classroom or in research, to discuss and pursue the faculty member's subject with candor and integrity, even when the subject requires consideration of topics which may be politically, socially or scientifically controversial. In order to insure the freedom to seek and profess truth and knowledge, as stated in Section 2.3 of the Nevada System of Higher Education Code, the faculty member, as defined in Section 2.2 of this chapter, shall not be subjected to censorship or discipline by the Nevada System of Higher Education on grounds that the faculty member has expressed opinions or views which are controversial, unpopular or contrary to the attitudes of the Nevada System of Higher Education or the community. (B/R 4/02)
- 2.1.3 Academic Responsibility.** The concept of academic freedom is accompanied by the equally demanding concept of academic responsibility. A member of the faculty is responsible for the maintenance of appropriate standards of scholarship and instruction.
- 2.1.4 Acts Interfering with Academic Freedom.** The Nevada System of Higher Education is committed to the solution of problems and controversies by the method of rational discussion. Acts of physical force or disruptive acts which interfere with Nevada System of Higher Education activities, freedom of movement on the campuses or freedom for students to pursue their studies are the antithesis of academic freedom and responsibility, as are acts which in effect deny freedom of speech, freedom to be heard and freedom to pursue research of their own choosing to members of the faculty or to invited guests of the Nevada System of Higher Education. (B/R 4/02)

## **Section 2.2 Applicability**

Academic freedom is the right of all members of the faculty, part-time or full-time, including graduate assistants and fellows, in the Nevada System of Higher Education. Academic freedom is also extended to the invited guests of the Nevada System of Higher Education. (B/R 4/02)

## **Section 2.3 Freedoms and Responsibility**

- 2.3.1 Freedom in Research.** A member of the faculty is entitled to full freedom in research and in the professional publication of the results, subject to the satisfactory performance of the faculty member's other academic duties.
- 2.3.2 Freedom to Publish.** A member of the faculty is entitled to full freedom to publish literary, academic, technical or other noteworthy works as required in the performance of the faculty member's duties and/or obligations to the Nevada System of Higher Education. (B/R 4/02)
- 2.3.3 Freedom in the Classroom.** A member of the faculty is entitled to freedom in the classroom in discussing a subject, but the faculty member should be careful not to persist in discussing matters, which have no relation to the subject taught.
- 2.3.4 Faculty as Citizens.** A member of the faculty is a citizen of the community, a member of a learned profession and an employee of an educational institution. A faculty member speaking, writing or acting as a citizen shall be free from institutional censorship or discipline.
- 2.3.5 Obligations and Responsibilities.** The special position of a member of the faculty imposes special obligations and responsibilities. - 3.1.2 Conditions on Tenure.** The major objectives of tenure are to provide a faculty committed to excellence and to provide a substantial degree of security to those persons who have exhibited excellent abilities, sufficient to convince the University of Nevada community that their expected services and performances in the future justify the privileges afforded by tenure.

### **Section 3.2 Eligibility for Tenure**

- 3.2.1 University of Nevada, Reno; University of Nevada, Las Vegas.** Except as provided in this chapter, full-time and part-time academic faculty in Rank II, Rank III, and Rank IV positions at the University of Nevada, Reno, and the University of Nevada, Las Vegas shall be eligible for tenure. For the purpose of this section, part-time academic faculty shall be equal to at least .5 FTE. Administrators may be included in this condition of eligibility, but only in the capacity of academic faculty. Full-time academic faculty in these institutions in Rank O or Rank I positions are not eligible for appointment with, nor shall have, tenure under any circumstances. (B/R 4/99)
- 3.2.2 Academic Faculty Paid with Short Term, Nonstate Funds.**
- (a) Except as provided in paragraph (c) herein, academic faculty whose initial appointments are in positions paid with more than .5 FTE short term, nonstate funds are not eligible for such appointment with, nor shall have, tenure under any circumstances. (B/R 4/99)
  - (b) Faculty whose salaries are paid in whole or in major part with short term, nonstate funds and who have already been appointed with tenure prior to July 1, 1983, shall continue to be employed with tenure subject to the provisions of this Code.
  - (c) In the event that a member of the academic faculty whose initial appointment was in a position paid in whole or in major part with short term, nonstate funds is subsequently appointed to a position which confers eligibility for tenure, up to three years of uninterrupted full-time employment in the former position may be counted, upon the request of the academic faculty member and the approval of the president, as part of the probationary period for appointment with tenure. Such decision must be made at the time of the subsequent appointment.

### **3.2.3 Rank O.**

- (a) Faculty placed in Rank O positions shall not be eligible for appointment with, nor shall have, tenure under any circumstances. A faculty member must agree to placement in a Rank O position.
- (b) Upon the request of the academic faculty member and the approval of the president, up to three years of uninterrupted full-time employment in a Rank O position may be counted towards completion of a probationary period for tenure in the event an academic faculty member employed in a Rank O position is subsequently appointed to a rank capable of conferring eligibility for appointment with tenure. Such decision must be made at the time of the subsequent appointment.
- (c) Academic faculty at the University of Nevada, Reno and the University of Nevada, Las Vegas who have been placed in Rank O positions may be given such academic titles as the member institution, at the president's discretion, may consider appropriate, but such academic faculty shall not be eligible for appointment with, nor shall have, tenure under any circumstances by reason of the granting of such academic titles.

## **Section 3.3 Probation**

### **3.3.1 Probationary Period.**

- (a) Academic faculty eligible for appointment with tenure must serve in a probationary period in a member institution identified in Subsection 3.2.1 before receiving such an appointment. Except as provided herein, the total probationary period for all academic faculty eligible for such appointment shall not exceed seven years of uninterrupted full-time employment in Ranks I through IV.
- (b1) At the discretion of the Board of Regents, an academic faculty member may be exempt from the requirement of serving a probationary period and tenure shall be awarded on a case-by-case basis in negotiation with the president or the president's designee. Prior to recommending such an appointment, the president shall seek a recommendation from the appropriate faculty on whether an academic faculty member may be exempt from the requirement of serving a probationary period under procedures set forth in the member institution's bylaws. (B/R 1/04)

- (b2) The President of the institution, without seeking Board of Regents' approval, may grant tenure upon hire to an academic faculty member who at the time of hire holds tenure at another institution. Prior to making such an appointment, the President shall seek a recommendation from the appropriate faculty on whether an academic faculty member should be appointed with tenure. The President of each institution shall submit an annual report to the Board of Regents which shall include the name of any individual to whom tenure upon hire was granted, the department within which the individual was hired and whether the faculty of such department voted to approve such tenure upon hire. This report shall be presented to the Board of Regents at the first meeting of the board after the beginning of each fiscal year. (B/R 12/05)
- (c) Authorized periods of leave, paid or unpaid, may be excluded from service toward the seven-year probationary period upon written request of the faculty member and approval of the president. The decision of whether to grant the faculty member's request to exclude periods of leave shall be based upon the sole discretion of the president. The president's decision is final. The request for leave must state if the leave is to be excluded from service toward the probationary period. (B/R 4/99)
- (d) The period of probation may exceed seven years upon written request of the faculty member and approval of the president. The decision of whether to grant the faculty member's request to exceed the seven-year probationary period shall be based upon the sole discretion of the President. The decision of the President is final. The request for an extension of the seven-year period of probation must state the reasons for such extension.

**3.3.2** **Consideration for Tenure during Probation.** Upon the request of the academic faculty member and the approval of the president, academic faculty eligible for appointment with tenure may be considered for such appointment at the appropriate time during each year of employment during the probationary period. Member institutions shall make no provisions requiring members of the eligible academic faculty to be considered for appointment with tenure at any time prior to the next to the last year of the probationary period.

**3.3.3** **Full-Time Service at Other Institutions.** Upon the request of the academic faculty member and the approval of the president, up to three years full-time employment at other accredited institutions of postsecondary education, including such institutions in the System, in positions equivalent to positions providing eligibility for appointment with tenure may be included in the probationary period. Such decision must be made at the time of initial employment.

- 3.3.4 Completion of Probationary Period.** After completion of a probationary period, an academic faculty member eligible for appointment with tenure shall not be reappointed at any rank providing eligibility for such appointment unless such appointment is with tenure.

**Section 3.4 Appointment with Tenure**

- 3.4.1 Recommendations and Appointment.** At the expiration of a probationary period or at any time during a probationary period, academic faculty eligible for appointment with tenure may be recommended to the president for such appointment through regular personnel procedures. Recommendations for appointment with tenure shall be made by the president to the Board of Regents. The Board has final authority in making an appointment with tenure and such appointment shall not be granted to any member of the academic faculty without an affirmative majority vote of the Board of Regents at a meeting of the Board, a quorum being present. (B/R 1/04)

**3.4.2 Standards for Recommending Appointment with Tenure.**

- (a) The consideration of a recommendation for appointment of an academic faculty member with tenure shall include the application of the three standards and the ratings contained in this subsection, which shall be applied in consideration of the conditions for appointment with tenure stated in Subsection 3.1.2 of the Nevada System of Higher Education Code. The burden of demonstrating that these standards have been met lies with the applicant for appointment with tenure. (B/R 1/04)

In standards one and two, an academic faculty member being recommended for appointment with tenure must receive an “excellent” rating in one of these standards and no less than a “satisfactory” rating in the other. (B/R 1/04)

1. Standard One: Teaching/Performance of Assigned Duties

Either of the following:

- (A) If applying for tenure as a university instructor, a record of effectiveness as a teacher including, but not limited to, demonstrated teaching competence and efficiency in a classroom, laboratory, and/or clinical setting, the ability to communicate effectively with students and demonstrated skill in handling classroom and other duties related to teaching. (Such a record may include, for example, a showing of the ability to impart knowledge, to excite students' interest in the subject matter, to evoke response in students and to demonstrate competence in advising students.)

- (B) If applying for tenure as a member of the academic faculty whose role does not include instruction, a record of effectiveness, efficiency and ability to perform assigned duties.

(B/R 1/04)

2. Standard Two: Scholarly and Creative Activity

Demonstrated continuing professional growth related to the academic faculty member's discipline or program area as shown by a record of scholarly research or creative activity resulting in publication or comparable productivity.

(B/R 1/04)

3. Standard Three: Service

In addition to standards one and two, an academic faculty member being recommended for appointment with tenure must receive a "satisfactory" rating or better in the area of service, which may include, but not be limited to:

- (A) Membership and participation in professional organizations;
- (B) Ability to work with the faculty and students of the member institution in the best interests of the academic community and the people it serves, and to the extent that the job performance of the academic faculty member's administrative unit may not be otherwise adversely affected;
- (C) Service on university or System committees;
- (D) Recognition among colleagues for possessing integrity and the capacity for further significant intellectual and professional achievement; and
- (E) Recognition and respect outside the System community for participation in activities that use the faculty member's knowledge and expertise or further the mission of the institution, or that provide an opportunity for professional growth through interaction with industry, business, government, and other institutions of our society, within the state, the nation or the world.

(B/R 10/04)

(B/R 1/04)

- (b) In rating applicants for appointment with tenure under the standards set forth in this subsection, the applicable member institutions and their respective administrative units shall rate applicants as (i) “excellent,” (ii) “commendable,” (iii) “satisfactory,” or (iv) “unsatisfactory.” No other rating terminology shall be used in evaluating the applicant for appointment with tenure. (B/R 1/04)
- (c) The standards and the ratings set forth in this subsection are the standards that must be used by the applicable member institutions and their respective administrative units in recommending academic faculty for appointment with tenure. However, the applicable member institutions and their respective administrative units may provide in their respective bylaws for criteria within the ratings set forth in this subsection for recommending academic faculty for such appointment. Such criteria must be consistent with the provisions of the Nevada System of Higher Education Code and must not be less stringent than the standards provided in this subsection of the Nevada System of Higher Education Code. (B/R 1/04)

Any such criteria that are not published in adopted bylaws of the applicable member institutions and their respective administrative units, are void and of no effect whatever. (B/R 1/04)

**3.4.3 Recommendations for Tenure.** The president shall seek a recommendation concerning appointment with tenure for an academic faculty member under procedures, which shall be established in the member institution's bylaws. The procedures shall include a review of the faculty member's annual evaluations and any rejoinders to those evaluations and/or peer evaluations. (B/R 1/04)

**3.4.4 Notice of Tenure.** When a member of the academic faculty has been granted appointment with tenure, the academic faculty member shall be informed immediately by the president in writing. Any defect in the notice or any misstatement of the Board of Regents' actions shall not create any enforceable legal obligations against, or on the part of, the University of Nevada.

**3.4.5 Reasons for and Reconsideration of Denial of Appointment with Tenure.** An eligible academic faculty member who has been denied appointment with tenure after being specifically considered for such appointment shall be entitled to reasons for, and the reconsideration of, such denial as provided in Subsections 5.2.3 and 5.2.4 of the Nevada System of Higher Education Code.

**3.4.6 Tenure for Academic Faculty Occupying Administrative Positions.** An administrator who is not otherwise ineligible for appointment with tenure qualifies for appointment with tenure but only in the capacity of academic faculty. Employment in an administrative position is a separate and distinct concept from employment as a member of the academic faculty. An administrator serves in an administrative position at the pleasure of the appointing authority. An administrator who also holds an appointment with tenure, whether granted during or before employment in the administrative position, may be removed from the administrative position without cause, reasons or right of reconsideration of the action, but shall be reassigned in an appropriate capacity within the member institution in which the appointment with tenure was made.

**3.4.7 Relinquishment of Tenure.**

- (a) An appointment with tenure shall be made within a specific member institution identified in Subsection 3.2.1 of the Nevada System of Higher Education Code.
- (b) Except as otherwise provided in the Nevada System of Higher Education Code, in the event a tenured faculty member transfers employment from the member institution granting an appointment with tenure to another System institution, the faculty member shall be deemed to have relinquished appointment with tenure in the former entity and shall not carry over such appointment to the latter entity. This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983, who transfer employment to another System institution after July 1, 1983.
- (c) Notwithstanding the above provisions, a tenured faculty member may transfer employment with tenure to another System institution under the following conditions:
  - 1. The president of a member institution identified in Subsections 3.2.1, 4.2.1, and 7.1.1 of the Nevada System of Higher Education Code to which the tenured faculty member transfers approves appointment with tenure. Prior to making such an appointment, the President shall seek a recommendation from the appropriate faculty on whether an academic faculty member should be appointed with tenure. The President of each institution shall submit an annual report to the Board of Regents which shall include the name of any individual to whom tenure upon hire was granted, the department within which the individual was hired and whether the faculty of such department voted to approve such tenure upon hire. This report shall be presented to the Board of Regents at the first meeting of the board after the beginning of each fiscal year; (B/R 3/10) or

2. An administrative unit in which a tenured faculty member is employed is transferred to another System institution. Regardless of whether or not the System institution to which the administrative unit is transferred is authorized to make appointments with tenure, a tenured faculty member will continue to hold a tenured appointment under the same rights and obligations provided by the Nevada System of Higher Education Code for such appointment.

This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983.

- 3.4.8 Transfer to the Chancellor's Office.** A tenured faculty member who elects to transfer employment to the Chancellor's Office retains such appointment for up to three years in the member institution from which the tenured faculty member transferred, unless such period is extended by the Chancellor after consultation with the President of the institution in which the faculty member has tenure. In the case of the Chancellor, approval for an extension rests with the Board of Regents upon the affirmative recommendation of the Board Chair. Such faculty member cannot transfer appointment with tenure to the Chancellor's Office under any circumstances. If such faculty member's employment at the Chancellor's Office is terminated within the aforesaid three year period or such period as extended, such faculty member shall be reassigned to the member institution in which such faculty member was previously employed with tenure. (B/R 3/10)
- 3.4.9 Resignation or Termination.** A tenured faculty member relinquishes appointment with tenure upon resignation or termination of employment from the System.

- (a) An appointment with tenure shall be made within a specific member institution identified in Subsection 4.2.1 of the Nevada System of Higher Education Code.

- (b) Except as otherwise provided in the Nevada System of Higher Education Code, in the event a tenured faculty member transfers from the member institution granting an appointment with tenure to another System institution, the tenured faculty member shall be deemed to have relinquished appointment with tenure in the former entity and shall not carry over such appointment to the latter entity. This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983, who transfer employment to another System institution after July 1, 1983.
- (c) Notwithstanding the above provisions, a tenured faculty member may transfer employment with tenure to another System institution under the following conditions:
  - 1. The president of a member institution identified in Subsections 3.2.1, 4.2.1, and 7.1.1 of the Nevada System of Higher Education Code to which the tenured faculty member transfers approves appointment with tenure. Prior to making such an appointment, the President shall seek a recommendation from the appropriate faculty on whether an academic faculty member should be appointed with tenure. The President of each institution shall submit an annual report to the Board of Regents which shall include the name of any individual to whom tenure upon hire was granted, the department within which the individual was hired and whether the faculty of such department voted to approve such tenure upon hire. This report shall be presented to the Board of Regents at the first meeting of the board after the beginning of each fiscal year; (B/R 3/10) or
  - 2. An administrative unit in which a tenured faculty member is employed is transferred to another System institution. Regardless of whether or not the System institution to which the administrative unit is transferred is authorized to make appointments with tenure, a tenured faculty member will continue to hold tenure under the same rights and obligations provided by the Nevada System of Higher Education Code for such appointment.

This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983.

**4.4.8**     **Transfer to the Chancellor's Office.** A tenured faculty member who elects to transfer employment to the Chancellor's Office retains such appointment for up to three years in the member institution from which the tenured faculty member transferred, unless such period is extended by the Chancellor after consultation with the President of the institution in which the faculty member has tenure. In the case of the Chancellor, approval for an extension rests with the Board of Regents upon the affirmative recommendation of the Board Chair. Such faculty member cannot transfer appointment with tenure to the Chancellor's Office under any circumstances. If such faculty member's employment at the Chancellor's Office is terminated within the aforesaid three year period or such period as extended, such faculty member shall be reassigned to the member institution in which such faculty member was previously employed with tenure. (B/R 3/10)

**4.4.9**     **Resignation or Termination.** A tenured faculty member relinquishes appointment with tenure upon resignation or termination of employment from the System.

## Section 5.1 Applicability

Unless otherwise stated, the provisions of this chapter apply to all faculty of the System having an employment contract provided for herein, but excluding letters of appointment.

## Section 5.2 Personnel Actions

- 5.2.1 Recommendations for Action.** All recommendations for personnel actions shall be directed through regular administrative channels.
- 5.2.2 Final Approval.** The president must approve all recommendations concerning appointments to employment, nonreappointment to employment of nontenured faculty members, salary, promotion, or appointment with tenure within the president's System institution. However, an appointment with tenure shall also require, before becoming effective, the approval of the Board of Regents. The president must provide 5 working days notice to the institutional faculty senate prior to approving a promotion to the position of Associate Professor (Rank III) or Professor (Rank IV). (B/R 4/99) In accordance with the requirements of NRS 281.210, employees who are related to the institution president within the third degree of consanguinity or affinity must be appointed by the Board of Regents.
- 5.2.3 Denial of Appointment with Tenure, Promotion or Reappointment.** A faculty member who has been denied appointment with tenure, promotion, reappointment to employment, or who has received a notice of termination may, within 15 calendar days after notification of such denial or termination, provide a written request to the department chair, supervisor, or dean who rendered the negative decision asking for a statement in writing of the reasons for the denial or notice of termination. The response must be received by the faculty member within 15 calendar days after the appropriate administrator receives the written request for reasons. (B/R 12/06)
- 5.2.4 Reconsideration of Personnel Action Denying Appointment with Tenure, Promotion or Reappointment.** Within 15 calendar days after receipt of the written reasons for denial of appointment with tenure, promotion or reappointment to employment, or for the issuance of a notice of termination, a faculty member may request reconsideration. The request shall be submitted in writing to the faculty member's department chair, supervisor, or dean who rendered the negative decision together with the reasons, arguments and documentation supporting the request for reconsideration. The request for reconsideration shall be promptly directed through regular administrative channels with recommendations for or against reconsideration of the decision. Final action shall be taken within a reasonable time by the president after receipt of the recommendations, except that if the president, after reconsideration, decides to recommend appointment with tenure should be granted, the final decision must be made by the Board of Regents. (B/R 12/06)
- 5.2.5 Faculty Not Eligible for Tenure.** Faculty of the special units and the Desert Research Institute shall not be eligible for appointment with, nor shall have, tenure under any circumstances, except for such tenured appointments as have already been made prior to July 1, 1983.

### **Section 5.3 Appointing Authority**

The president of each System institution shall be the appointing authority for all faculty of the System institution. No employment contract is valid without the president's signature and a contract form which has not been signed by the president is considered an instrument of negotiation and is not a binding contract or offer. The president shall have the authority to issue a contract for employment for any approved or budgeted position, except as otherwise stated in Subsections 1.6.1 and 5.4.2 of the Nevada System of Higher Education Code.

### **Section 5.4 Appointment and Termination**

**5.4.1 Recruitment Procedures.** Each System institution shall develop procedures for recruitment and selection of faculty. These procedures shall be published in the administrative manual of the System institution. Such procedures shall be consistent with the provisions of the Nevada System of Higher Education Code.

#### **5.4.2 Duration of Employment Contracts.**

- (a) Except as provided in this subsection, an employment contract shall be for a term not to exceed twelve months. In any case, an employment contract's termination shall coincide with the conclusion of a fiscal year of the System. Except as provided in this subsection, an employment contract for a term in excess of twelve months or which overlaps a fiscal year requires the approval of the Board of Regents prior to being issued or becoming binding.
- (b) At the time of the initial appointment to employment of a faculty member who would otherwise be eligible for tenure and after consultation with the applicable department or other similar administrative unit, a president may offer at the president's discretion, and the faculty member may agree to accept, an employment contract for a period of up to three years which would not provide for eligibility for an appointment with tenure. A faculty member employed under such a contract shall not be eligible for appointment with, nor shall have, tenure during the period of such contract under any circumstances. At the termination of such an initial employment contract, succeeding employment contracts for periods of up to three years each under the same conditions as stated in this paragraph may be offered by the president at the president's discretion and accepted by the faculty member. Alternatively, the contract, at the discretion of the president, may be renewed on an annual basis and accepted as such by the faculty member. Faculty members accepting employment contracts authorized by this paragraph shall be placed in Rank O or Range O, as the case may be. During the term of such contracts such faculty members shall be eligible to receive salary increases and faculty benefits authorized under Subsection 5.6 of the Nevada System of Higher Education Code at the same time and under the same conditions as other faculty members of the System. An initial employment contract authorized by this paragraph for a term of up to one year shall require at least 90 calendar days notice of nonrenewal of appointment prior to the contract's termination, such a contract for a term

of two years shall require at least 180 calendar days notice of nonrenewal of appointment prior to the contract's termination and such a contract for a term of three years shall require at least 365 calendar days notice of nonrenewal of appointment prior to the contract's termination. All succeeding employment contracts authorized by this paragraph of whatever duration shall require 365-calendar days notice of nonrenewal of appointment prior to the contract's termination. Nothing in this paragraph shall prevent the president from offering at the president's discretion, and the faculty member from accepting, an employment contract for a position providing eligibility for tenure after the termination of any employment contract authorized by this paragraph.

- (c) Except as provided in this paragraph, after the third year of employment, a president may offer at the president's discretion, and a nontenured faculty member may accept, an employment contract for a period of up to three years. At the termination of such an employment contract, succeeding employment contracts for periods of up to three years each may be offered by the president at the president's discretion and accepted by the nontenured faculty member. Alternatively, the contract, at the discretion of the president, may be renewed on an annual basis and accepted as such by the faculty member. During the term of such contracts, such nontenured faculty members shall be eligible to receive salary increases and faculty benefits authorized under Subsection 5.6 of the Nevada System of Higher Education Code at the same time and under the same conditions as other faculty members of the System. The minimal notice of nonrenewal of appointment shall be as provided in Section 5.9 of the Nevada System of Higher Education Code. The provisions of this paragraph shall not be applicable to faculty employed for a probationary period in a position providing eligibility for tenure or employed under paragraph (b) herein. The president may establish specific criteria in the institutional bylaws for issuance of extended contracts under this paragraph. Nothing in this paragraph shall give rise to any appointment or eligibility for appointment with tenure under any circumstances.
- (d) Nontenured faculty at the William S. Boyd School of Law, after the third year of employment, may be offered and may accept an employment contract for a period of up to five years. At the termination of such an employment contract, succeeding employment contracts for periods of up to five years each may be offered. All such employment contracts shall be on the same basis as, and subject to the same limitations, terms and conditions as those described in paragraph (c) herein. (B/R 12/08)
- (e) The appointment of athletic coaches and assistant coaches, including interim or acting appointments, shall require only Chancellor approval as long as a) the contract does not exceed 24 months, including option periods and b) the salary is \$150,000 or less for a contract year. For these purposes salary does not include standard perquisites available to all NSHE employees nor does it include performance bonuses if such bonuses would not exceed \$25,000 in any contract year. Such appointments shall not take effect, and no employment contracts for such

positions shall be issued or binding, until the Chancellor approves the appointments. The appointments shall be reported to the Board of Regents by the President on approval by the Chancellor. (B/R 8/08)

**5.4.3 Terms and Conditions of Employment.** All employment contracts shall be in writing and shall specify therein the terms and conditions of employment. The provisions of the Nevada System of Higher Education Code, in their entirety, shall be a part of the terms and conditions of every employment contract, except as may be varied in writing by the parties to the contract. Any understanding, promise, term, condition or representation not contained in the contract is of no effect.

**5.4.4 When Binding.** An employment contract shall not be binding until executed by both the appointee and the appointing authority and approved as may be provided in this Nevada System of Higher Education Code.

**5.4.5 Financial Reasons for Termination.**

- (a) A faculty member may be furloughed or laid off as an employee before the end of the contract term because of a financial exigency declared by the Board of Regents. For faculty members of the Desert Research Institute, however, refer to Section 5.8 of the Nevada System of Higher Education Code.
- (b) Faculty members may be furloughed or laid off under this subsection for a financial exigency upon a declaration of the Board of Regents, after a recommendation for same by the chancellor and by the presidents of the System institutions to be affected by the proposed financial exigency, that a financial exigency exists in the System, a System institution, or an administrative unit of a System institution. Nothing in this provision shall prevent the layoff of a faculty member under this subsection without such a declaration of the Board of Regents when such faculty member's employment contract contains the specific provision that such faculty member's continued employment during the term of the contract is dependent on the availability of funds.
- (c) Before a recommendation is made to the Board of Regents by the chancellor and the president or presidents that a financial exigency should be declared:
  - 1. The chancellor and the president or presidents shall be satisfied that all available means to reduce the expenditure levels (i) are exhausted, (ii) would not be adequate, (iii) would not be feasible or (iv) would not be appropriate.
  - 2. The president or presidents shall seek the advice of the senates or senate representatives of System institutions to be affected by the proposed declared financial exigency concerning said exigency and such advice shall be forwarded to the Board of Regents along with recommendations of the chancellor and the president or presidents.

- (d) After a financial exigency has been declared by the Board of Regents, depending upon the circumstances, the Board may choose to immediately implement a financial exigency or authorize the following provisions to be put into effect:
1. Each System institution affected shall select an ad hoc financial exigency committee to prepare recommendations for a plan to implement the discontinuance or reduction in size of administrative units, projects, programs or curricula, to include furloughs or faculty lay-offs if necessary, due to the financial exigency. Each such plan shall establish the criteria necessary for recommending and determining such actions.
  2. The president shall determine the number of persons to serve on the ad hoc financial exigency committee, shall choose the chair of the committee and, in addition, shall choose one half of the remaining membership of the committee. The senate shall elect one half of the membership of the committee. The chair shall vote only in case of a tie vote. The plan recommended by the committee must receive the approval of the president.
  3. The plan, as approved by the president, must be submitted to the chancellor within a time limit agreed to by the president and the chancellor. If the plan is not submitted within that time, the chancellor, at the chancellor's option, may extend the time for such submission or may prepare a plan for the System institution which fails to submit such plan within the time limit set or as may be extended.
  4. In the case of a System-wide financial exigency, all plans must be forwarded to the Council of Presidents for review and recommendations as to any necessary coordination between the System institutions in the implementation of the plans and to harmonize or eliminate any material conflicts in the plans.
  5. All plans must be reviewed by the chancellor and the president or presidents before being forwarded to the Board of Regents.
  6. All plans must be forwarded to the Board of Regents with the recommendations of the chancellor and the president or presidents and all plans must receive the approval of the Board, which shall be final. The Board may appoint an ad hoc financial exigency committee composed of members of the Board to work with the System institutions in preparing and reviewing plans and to report to the Board concerning plans prior to their consideration by the full Board.
  7. A plan shall take into consideration the affirmative action goals of the System, the responsibility of the System and the System institutions to continue to offer the appropriate ranges of programs or curricula to its enrolled students and the missions of the University of Nevada.

- (e) A financial exigency, once declared, may be reviewed every 180-calendar days or sooner if appropriate, by the Board of Regents on the issue of whether it should continue or be declared ended. Before making a recommendation to the Board of Regents on whether a state of financial exigency should be continued or be declared ended, the president or presidents shall seek the advice of the senates of the System institutions to be affected by the financial exigency and shall obtain their respective recommendations concerning whether the state of financial exigency should continue or be declared ended. The senate recommendations shall be forwarded to the Board of Regents along with the recommendations of the chancellor and the president or presidents.

**5.4.6 Curricular Reasons for Termination.** A faculty member may be laid off because an administrative unit, project, program or curriculum has been discontinued, reduced in size or reorganized for bona fide reasons pertaining to the missions of the System institutions resulting in the elimination of the faculty member's position. Such curricular revisions shall come as a consequence of the academic planning process as established in writing and approved by the presidents of the member institutions affected, and which may be set forth in the institutional bylaws. For faculty members of the Desert Research Institute, however, refer to Section 5.8 of the Nevada System of Higher Education Code.

**5.4.7 Procedures for Furlough or Termination of Employment Due to Financial Exigency or Curricular Reasons.**

- (a) If a faculty member is furloughed or is threatened with lay off or is laid off because of financial exigency or for curricular reasons as provided in this chapter, the provisions of this subsection shall be applicable.
- (b) The faculty member shall be continued in employment, if possible and if such employment does not result in the termination of employment of another faculty member, in an appropriate qualified professional capacity within the System institution involved.
- (c) If a faculty member is laid off for the above stated reasons, the faculty member's position will not be filled within a period of two years, unless a reasonable attempt to offer reappointment has been unsuccessful or reappointment has been offered in writing and the faculty member has not accepted the same in writing within 20 calendar days of the receipt of the offer. The reappointment referred to herein shall be at the faculty member's previous rank or salary level.
- (d) If a faculty member is notified of a lay off for curricular reasons on or before December 1 of the faculty member's current contract year, the layoff shall not be in effect until the following June 30. If a faculty member is notified of a lay off for curricular reasons after December 1 of the faculty member's current contract year, the layoff shall not be in effect until the completion of the contract year immediately following the June 30 of the contract year of notice.

- (e) A lay off for financial exigency shall require at least 60 calendar days notice, except that if a financial exigency is such that adequate funds do not exist to pay the salary of the faculty member being laid off for such period, the notice period of termination may be shortened to a period commensurate with the amount of funds reasonably available to make such payments. Notice of furlough for financial exigency shall require at least 15-calendar days notice.
- (f) Notice of the furlough of faculty members for financial exigency or notice of a lay off for financial exigency or curricular reasons, except for notice of nonreappointment to employment of faculty members given under Subsections 5.4.2, 5.8.2, 5.9.1 or 5.9.2 of the Nevada System of Higher Education Code, shall be in writing and shall furnish the faculty member with a reasonably adequate statement of the basis for the decision to furlough or lay off the faculty member, a reasonably adequate description of the manner in which the decision was arrived at and a reasonably adequate disclosure of the information and data upon which the decision-maker or makers relied. The notice shall also inform the faculty member of the right to reconsideration, the procedures for reconsideration and the identity of the person or persons to whom a request for reconsideration should be directed.
- (g) Within 15 calendar days after receipt of the notice of furlough or lay off, the faculty member may request reconsideration of the decision to furlough or to lay off at which time the following provisions and procedures are applicable:
  - 1. The reconsideration process shall be limited in its scope to the issue of whether there is sufficient evidence to support the specific decision to furlough or to lay off the faculty member requesting the reconsideration or whether there has been material deviation from the procedures established on which such a specific furlough or lay off decision has been based, or both. There shall be no reconsideration of the policy decisions to declare a financial exigency, to discontinue or reduce in size an administrative unit, project, program or curriculum because of financial exigency or to discontinue, reduce in size or reorganize an administrative unit, project, program or curriculum because of curricular reasons.
  - 2. In the event decisions are made to furlough or to lay off faculty members under this section because of financial exigency or because of curricular reasons, the president shall establish one or more employment review committees. The president shall determine the number of persons to serve on each committee, shall determine their terms of service, shall choose the chair of each committee and, in addition, shall choose one half of the remaining membership of each committee. The senate shall elect one half of the membership of each committee. A chair shall vote only in case of a tie vote. No one who took part in making the

specific recommendation to the president to furlough or to lay off the faculty member requesting the reconsideration may be a member of an employment review committee.

3. The request for reconsideration shall be submitted in writing to the president, together with the reasons, arguments and documentation supporting the request for reconsideration. The president shall immediately send the request for reconsideration, together with a copy of the notice of furlough or lay off, to the employment review committee.
  4. The employment review committee shall hold a hearing on the request for reconsideration within 15 calendar days of its receipt or, given the number of requests that may be received, as soon after that time limit as is reasonably feasible. The hearing shall be informal and nonadversarial in nature. The committee shall have the discretion to consolidate hearings.
  5. The faculty member requesting reconsideration may have an advisor. Evidence presented must possess reasonably probative value, materiality and relevancy to the employment decision. The faculty member requesting reconsideration has the burden of showing that the decision to furlough or to lay off cannot be sustained.
  6. The System institution in which the furlough or the layoff is due to take place shall have an opportunity through its representatives to respond to the contentions of the faculty member requesting reconsideration or to otherwise correct any erroneous or misleading information presented to the committee.
  7. The employment review committee shall forward its written recommendation to the president on the issue or issues presented by the request for reconsideration within 10 calendar days after the conclusion of the hearing. The president shall make a decision within 5 calendar days after receipt of the recommendation. The president's decision shall be final and shall be sent, in writing, to the faculty member requesting reconsideration.
- (h) The review provided by this subsection for furloughs or for lay-offs because of financial exigency or curricular reasons shall be the exclusive means of review of such decisions. However, such review shall not be applicable to the issuance of notices of nonreappointment to employment of faculty members as provided in Subsections 5.4.2, 5.8.2, 5.9.1 and 5.9.2 of the Nevada System of Higher Education Code.

**5.4.8 Reassignment of Administrators.** An administrator who is not otherwise employed with tenure serves in an administrative capacity at the pleasure of the appointing authority. Such an administrator may be removed from the administrative position without cause, reasons or right of reconsideration. However, if such an administrator is relieved of the administrative title and duties for the position which the administrator occupied, the administrator shall continue

as a member of the faculty, with all rights and privileges of the faculty, of the System institution in which the administrator was employed until the completion of the administrator's contract of employment unless the contract provides otherwise. During that period of time, the administrator shall be reassigned to duties within the System institution. Nothing in this section shall be interpreted as abrogating the notice of nonreappointment provisions of Subsections 5.4.2, 5.8.2, 5.9.1 and 5.9.2 of the Nevada System of Higher Education Code.

## **Section 5.5 Salaries**

- 5.5.1 Development and Review of Salary Schedules.** Salary schedules for the universities, special units, state college, and the community colleges shall be reviewed every four years, in an odd numbered year, by joint efforts of the faculty, the presidents and the chancellor. The salaries paid to part-time instructors shall be reviewed every four years, including a review of benefits paid. Any proposed revisions to the schedules shall not go into effect until approved by the Board of Regents. (B/R 2/08)
- 5.5.2 Salary Schedule - Universities.** The salary schedule for academic faculty at the universities shall be related to academic rank, as defined in Section 5.11 of the Nevada System of Higher Education Code, except for faculty in Rank O as provided in Subsection 3.2.3 of the Nevada System of Higher Education Code. Employment contracts for administrators who also hold academic rank, as defined in Section 5.11 of the Nevada System of Higher Education Code, shall state what part of their salaries is subject to reconsideration should they be discontinued as administrators. (B/R 1/03)
- 5.5.3 Salary Schedule – State College.** The salary schedule for academic faculty at the state college shall be related to academic rank, as defined in Section 5.11 of the Nevada System of Higher Education Code, except for faculty in Rank 0 as provided in Subsection 7.2.3 of the Nevada System of Higher Education Code. Employment contracts for administrators who also hold academic rank, as defined in Section 5.11 of the Nevada System of Higher Education Code, shall state what part of their salaries is subject to reconsideration should they be discontinued as administrators. (B/R 1/03)
- 5.5.4 Salary Schedule – Community Colleges.** All community colleges in the Nevada System of Higher Education shall adopt a single salary for the academic faculty, except for faculty in Rank 0 as provided in Subsection 4.2.3 of the Nevada System of Higher Education Code. Employment contracts for administrators who also hold academic rank, as defined in Section 5.10 of the Nevada System of Higher Education Code, shall state what part of their salaries is subject to reconsideration should they be discontinued as administrators. (B/R 1/03)
- 5.5.5 Salaries for Faculty in Rank 0 and Range 0.** Faculty employed in Rank 0 and Range 0 shall receive such salaries as are approved by the presidents. Salaries for such faculty may be identical with salary schedules establishing ranks or ranges, but this provision shall not be interpreted to mean that such faculty is employed in any rank or range other than 0, nor to mean that such faculty is eligible for tenure.

**5.5.6**     **DRI Salaries.** The Desert Research Institute will determine initial salaries of its faculty based upon their qualifications and the requirements of the rank and position. Annual salary adjustments thereafter will be based on cost of living changes, incentive and/or merit, promotion and equity. The DRI shall utilize a ranking system for its personnel, to consist of Ranks 0 through IV. (B/R 6/05)  
(B/R 1/03)

**5.5.7**     **Unpaid Leave or Temporary Workload Increases**

Notwithstanding Title 2, Section 5.4, as the 75th Session of the Nevada Legislature has explicitly appropriated a lower amount for NSHE salaries than would otherwise be authorized and appropriate according to the NSHE salary policies, the Board of Regents does hereby and for the 2009-2011 biennium only, temporarily reduce salaries through the use of unpaid leave in an amount equivalent to the amount of legislative salary cut for FY 2011. The Board shall, to the extent feasible, devise methods that protect base compensation and benefits and shall offer tenured faculty an alternative of unpaid teaching workload increases in lieu of unpaid leave. The various Presidents shall consult with their respective faculty senates regarding the implementation of this section. Unpaid leave or temporary workload increases required by this section are final and not subject to appeal, grievance or reconsideration. The provisions of this section shall constitute constructive notice to all faculty and no individual notice to any such faculty member shall be required hereunder to implement the foregoing. To the extent any conflict or inconsistency between this and any other section of the Code exists, the provisions of this section shall control. This section will terminate on June 30, 2011.

(B/R 09/09)

**Section 5.6**   **Faculty Benefits**

5.6.1     The Board of Regents, with the consultation of the officers of the System and the senates, may adopt such policies concerning fringe benefits for faculty as are considered appropriate. These may include, but are not limited to, policies concerning annual leave, sick leave, sabbatical leave, consulting services, retirement, insurance, tax-sheltered annuities and grants-in-aid. These policy statements shall be codified as provided by the Board of Regents' Bylaws, and it shall be the responsibility of each president to include such policy statements, or a summary thereof, in the administrative manual or faculty handbook of the member institution or special unit. Failure to include such policy statements or summary in an administrative manual or faculty handbook shall not inure to the benefit of a faculty member.

5.6.2     Personnel and payroll files of Nevada System of Higher Education professional staff are confidential. Personnel and payroll records may only be released pursuant to the written authorization of the professional staff member or pursuant to a court order directing the release of the records that has been signed by a judge with jurisdiction over the matter. The provisions of Title 2, Chapter 5, Sections 5.6.2 and 5.6.3 apply to letters of appointment. (B/R 12/05)

- (a) The professional staff member shall have access to his or her official personnel and payroll files, and the professional staff member may grant access to such files to a representative with a written authorization from the staff member. (B/R 1/04)
- (b) The following information in these personnel files is public information and must be disclosed to the public upon request: the employee's name, title, job description, compensation and perquisites, business address and business telephone numbers, beginning date of employment and ending date of employment, educational background and work history. ## **Section 5.7 Grievance Procedures**

- 5.7.1 **Authority to Establish Grievance Procedures.** Each System institution may establish in their respective institutional bylaws procedures for reviewing faculty grievances as defined in Subsection 5.7.2 of the Nevada System of Higher Education Code.
- 5.7.2 **Scope of Grievance Procedures.** A grievance is an act or omission to act by the respective administrations of the System institutions, allegedly resulting in an adverse impact on the employment conditions of a faculty member relating to promotion, appointment with tenure or other aspects of contractual status, or relating to alleged violations of the Nevada System of Higher Education Code or institutional bylaws. Decisions of the Board of Regents are not subject to review by grievance procedures. Any decision which involves the nonreappointment to or termination of employment of faculty as provided in Subsections 5.4.2, 5.8.2, 5.9.1, 5.9.2, 5.9.3 and 5.9.4 of the Nevada System of Higher Education Code, or

the furlough or lay off of faculty for financial exigency or curricular reasons is not subject to review by grievance procedures. (B/R 12/06)

**5.7.3 Grievance Procedures.** In a System institution, which elects to establish grievance procedures, the institutional bylaws shall establish the procedures to be used in reviewing grievances. However, if a multi-member grievance committee, board or panel is established, the institutional bylaws must provide that each such grievance committee, board or panel shall represent the administration and the faculty of the System institution. Such institutional bylaws must also provide that hearings before a grievance officer, committee, board or panel shall be informal in nature. The institutional bylaws must provide that the decisions of the grievance officer, committee, board or panel shall be in the form of recommendations and are advisory only. Such recommendations shall be sent to the president.

## **Section 5.8 Continuation and Termination of Faculty Appointments at Desert Research Institute (DRI)**

**5.8.1 Declaration of Policy.** The DRI derives the vast majority of its funding for salaries of its research faculty from grants and contracts. While it is in the best interest of the DRI and its faculty either to have grants and contracts renewed or to replace them in new areas of research, this is not always possible. It is, therefore, necessary that the DRI have the flexibility to fund faculty during times of reduced funding so that they may recover their funding and remain productive.

**5.8.2 Bridge Funding.** Bridge funding defines conditions and mechanisms under which research faculty, otherwise in good scientific standing, who find themselves in serious financial circumstances, can be helped to bridge such temporary times. This process is intended to smooth out unpredictable and unavoidable fluctuations through an opportunity to recover stability through short-term changes of direction and fields of endeavor. Bridge funding is available to all research faculty but not available to Executive Directors and Vice Presidents and Rank 0 Faculty.

Faculty on bridge funding remain in good standing and are entitled to all faculty rights and privileges defined by the NSHE and DRI. The faculty member will continue to accrue service days and is eligible for all funds within DRI. Bridge funding is not severance pay nor is it a benefit earned without further obligation. Bridge funding is available only to faculty in Professor ranks II, III, and IV and those in Research Associate ranks I, II, III, and IV. Bridge funding duration is based on service days, which are defined as one day for each calendar month of uninterrupted employment and are prorated as a percent of contract (i.e. 0.50 FTE is one half day per month). The maximum number of service days is one year. Rank days are: 20 working days for Rank I and II personnel, 40 working days for Rank III personnel and 60 working days for Rank IV personnel. Postdoctoral positions accumulate no rank or service days.

(a) **Conditions.** A faculty member will be placed on bridge funding by the Executive Director of their Research Unit if for three consecutive months the faculty member generates less than 50% of their appointment salary and benefits from all funding sources external to their research unit and approved for use (including but not limited to grants, contracts, other

external funding, recharge centers, institutional project assignments, sabbatical leave, and other DRI funds). The Executive Director, with the faculty member approval, may seek a temporary waiver from the President of DRI so that the faculty member is not placed on bridge funding. Placement on bridge funding may be appealed by a faculty member to a DRI-wide committee established by the Faculty Senate and reporting to the President. If the committee finds and the President concurs that bridge funding was not justified, then the faculty member shall be reinstated with all service days restored.

Bridge funding shall not begin until after three consecutive months of reduced (<50%) funding. A recovery plan shall be negotiated by the faculty member and Research Unit Executive Director (or designated representative) during the first two weeks of bridge funding. If the faculty member and the Executive Director are unable to reach concurrence on the recovery plan, the faculty member or the Executive Director may appeal to a DRI-wide committee established by the Faculty Senate and reporting to the President. If the faculty member does not follow the agreed upon recovery plan termination for cause may follow. Bridge funding shall be used to support faculty salary to further proposal development and other duties negotiated with the Research Unit or DRI Administration. Faculty receiving bridge funding shall meet all contract requirements and may change their appointment percentage with approval of the Research Unit Executive Director. The minimum level of appointment during bridge funding is 51% of a full-time equivalent position.

- (b) Review of Recovery Plan. The faculty member and appropriate Executive Director will review the recovery plan before 50% of the bridge funding is spent. If they concur that the Recovery Plan is inadequate, then the plan shall be rewritten within two weeks. The approval and review mechanism that applies to the original recovery plan shall also apply to rewrites of the recovery plan.
- (c) Extension and Service Days. While a faculty member is receiving bridge funding, any work performed to complete other funded responsibilities shall be charged to those sources. Expenditure of time not covered by these sources shall be charged to a bridge funding account. Bridge funding will be considered a pool of funds similar to any other account that a faculty member may use. It is up to the faculty member to manage these funds in a manner that best benefits him or her. Charges to accounts other than the bridge funding account shall extend the duration of bridge funding in an amount equal to the time charged to extramural sources. Time will be charged based on percent of effort, similar to other accounts. Use of bridge funding shall expend service days that a faculty member has accumulated based on length of service.
- (d) Reinstatement. Bridge funding shall end and the faculty member will not face termination when 70% or more funding of salary and benefits of the desired contract has been demonstrated for the past nine months or upcoming nine months or more from all funding sources external to the research unit. Service days expended under bridge funding shall not be reinstated.

- (e) Notice of Nonreappointment. An executive director or vice president shall determine whether a professional contract of a DRI faculty member shall be given a notice of nonreappointment. A notice of nonreappointment must be approved by the President. Rank III research faculty with two total years of full-time employment and Rank IV research faculty with one total year of full-time employment at DRI are not subject to nonreappointment as a means for termination. The minimum notice for full-time employees shall be 1) one working day of notice for each calendar month of uninterrupted employment for all rank I associate track employees, 2) one working day of notice for each calendar month of uninterrupted employment plus 20 working days for rank II employees, 3) one working day of notice for each calendar month on interrupted employment plus 40 working days for rank III employees, and 4) one working day of notice for each calendar month of uninterrupted employment plus 60 working days for rank IV employees. All service days are prorated as a percent of contract (i.e. 0.50 FTE is one half day per month). Administrative Faculty (rank 0) employed by DRI after (July 1, 2005), will receive 60 working days of notice of nonreappointment. Administrative faculty already employed by DRI on or before July 1, 2005, may use 60 working days or their earned service days; whichever is larger as their nonreappointment notice. The maximum amount of notice that any faculty member can accrue shall not extend beyond 12 calendar months. The affected faculty member can request a review by a DRI-wide committee established by the Faculty Senate. The committee reports only to the President, who makes the final decision. (B/R 12/05)

**5.8.3 Termination of Faculty Appointments.** Vice Presidents and Executive Directors, determine continuation and termination of appointments of personnel who report to them. Termination decisions shall be made in consultation with the President or appropriate Vice President as set forth in Chapter 5 of the NSHE Code. Employment may be terminated for:

- (a) Cause (Chapter 8 of the NSHE Code). Termination for cause involves any prohibited activity, listed in Section 8.3 of NSHE Code.

A decision resulting in the termination of a faculty member for cause may be appealed to the Board of Regents. See, Chapter 8, Sections 8.4.6, NSHE Code. (B/R 12/05)

- (b) Programmatic or Adverse Financial Conditions (Chapter 5 of the NSHE Code). DRI Faculty function through their diverse disciplines coupled to their ability, directly or indirectly, to raise funds from outside the Institute for their projects and associated personnel. The Institute derives much of its strength from this combined function. It is inevitable that some individuals will experience extremes of funding – both increasing and decreasing.

The minimum level of appointment during bridge funding is 51% of a full-time equivalent position. The Research Unit Executive Director shall advise and counsel faculty members on bridge funding to implement the recovery plan and obtain funding to return to regular faculty status. The faculty member has the primary responsibility to recover their funding.

1. Notice of Termination. A DRI research faculty member's employment may be terminated during the contract term for programmatic or adverse institutional financial conditions. Notice of termination shall follow the period of bridge funding for research faculty (for those faculty in Professorial ranks II, III, and IV and Research Associate ranks I, II, III, and IV) if the faculty member is unable to generate sufficient funds to meet the requirements for reinstatement. Termination is the only option available for a decision "not to reinstate." Research Faculty will receive a termination time equal to their rank days as defined under bridge funding. A faculty member receiving notice of termination shall remain under contract (full or partial at a minimum of 51% of an annual "A" contract) and work to meet the conditions of reinstatement. Faculty who choose to remain under contract while receiving termination funding shall remain in good standing and are entitled to all faculty rights and privileges defined by the NSHE and DRI. The deadline for termination shall not be extended for faculty who renegotiate their contract to less than 100% of an annual "A" contract (each rank day will count as one termination day). The faculty who elect to remain under contract are expected to meet the obligations of their contract to obtain termination funding. The faculty member may request review of termination by a DRI-wide committee established by the Faculty Senate. This committee reports only to the President, who makes the final decision.
2. Conditions. For research faculty, notice of termination shall be given when bridge funding is exhausted and the faculty member has not regained at least 70% funding of salary and benefits from all sources external to the research unit for the upcoming nine months for the desired contract. The date of termination shall be computed from the point of bridge funding exhaustion until all rank days are expended. Rank days are defined above in the bridge funding section. The Executive Director(s) or designated representative will continue to advise and counsel faculty members on termination funding to obtain extramural funding to end the termination.
3. Reinstatement. Faculty members who have received notice of termination may be reinstated by demonstrating 70% funding or more from all sources external to the research unit for the upcoming nine months for their desired contract. At this point, the faculty member's termination notice shall be revoked and all rank days reinstated.
4. Contract Discontinuance for Research Faculty. If a faculty member who has received notice of termination is unable, by the termination date, to regain 70% funding or more from all sources for the upcoming nine months for their desired contract it will be terminated immediately. Faculty who choose to remain under contract while receiving termination funding shall remain in good standing and are entitled to all faculty rights and privileges defined

by the NSHE and DRI. Faculty who elect to remain under contract are expected to meet the obligations of their contract.

5. Notice of Termination for Rank 0 Faculty. Rank 0 Faculty may receive employment termination due to programmatic or adverse financial conditions. Administrative Faculty employed by DRI after the time of the adoption of this document June 23, 2005, will receive 60 working days of termination notice before contract will be terminated during the contract term. Administrative faculty already employed by DRI at the time of the adoption of this document June 23, 2005 may use sixty (60) working days or their earned service days, whichever is larger as their termination notice. The maximum termination notice by accumulated service days cannot exceed one year. The faculty member may request review of termination by a DRI-wide committee established by the Faculty Senate. This committee reports to the President, who makes the final decision. (B/R 11/07)
6. Notice of Termination or Non-Reappointment of Post Doctoral Faculty. Post-doctoral employees will receive a minimum notice for termination of existing contract of 60 working days and the cause for this termination. They may also file a request for a review by a DRI-wide committee established by the Faculty Senate. The committee reports only to the President, who makes the final decision.

(B/R 6/05)

- (b) Not later than December 15 of the second academic or fiscal year of service, if the employment contract terminates at the end of that year, or if the second employment contract for a one year appointment terminates during an academic or fiscal year, at least 180 calendar days in advance of its termination;

- (c) At least 365 calendar days in advance of the termination of each succeeding employment contract of one academic or fiscal year's duration after the second year of service;
- (d) For employment contracts of less than one academic or fiscal year's duration, for a period of time which may be mutually agreed upon by the parties to such employment contracts, but, in all events, no less than 14 calendar days in advance of the termination of such contracts.

**5.9.2 Shortened Notice of Nonreappointment for Nontenured Academic and Administrative Faculty for Financial Exigency. (B/R 2/05)**

- (a) Nonreappointment of a nontenured academic or administrative faculty member at the end of an existing employment contract by a System institution because of a financial exigency declared by the Board of Regents under Subsection 5.4.5 of the Nevada System of Higher Education Code shall require at least 60 calendar days notice, except that if a financial exigency is such that adequate funds do not exist to pay the terminating faculty member's salary for such period, the notice of nonreappointment may be shortened to a period commensurate with the amount of funds reasonably available to make such payments. (B/R 2/05)
- (b) If a nontenured academic or administrative faculty member is not reappointed to employment under the shortened notice of nonreappointment because of financial exigency, the faculty member's position will not be filled by a new appointee within a period of two years, unless a reasonable attempt to offer reappointment has been unsuccessful or reappointment has been offered in writing and the faculty member has not accepted the same in writing within 20 calendar days of the receipt of the offer. The reappointment referred to herein shall be at the faculty member's previous rank or salary level. (B/R 2/05)

## **Section 5.10 Termination Upon Exhaustion of Leave or Falsification of Credentials**

### **5.10.1 Notice of Termination of Faculty after Exhaustion of Leave.**

- (a) A tenured or nontenured faculty member who is not able to return to work after the exhaustion of all available leave and the expiration of any extended sick leave granted under Title 4, Chapter 3, Section 12 (7) or Title 4, Chapter 3, Section 12 (8) shall be entitled to 15 calendar days notice of termination.
- (b) The provisions of Title 2, Chapter 6, do not apply where an employee is unable to return to work after the exhaustion of all available leave and the expiration of any extended sick leave.

(B/R 2/05)

### **5.10.2 Termination for Falsification of Credentials.**

- (a) It is the policy of the Nevada System of Higher Education that all academic faculty (including academic faculty on letters of appointment) and professional staff positions shall require a minimum of a bachelor's degree, or appropriate professional experience in lieu of post secondary education equivalent to such degree, and that all such academic degrees shall have been awarded by an accredited institution as recognized by the United States Department of Education and/or the Council on Higher Education Accreditation (CHEA). All vacancy announcements or advertisements for faculty and professional staff positions shall include explicit reference to these requirements. If the applicant earned their degrees outside of the United States, the applicant must have their transcripts evaluated by an approved evaluating entity. The expense of the evaluation shall be born by the applicant. Each institution shall independently verify academic credentials within 30 calendar days from the effective date of employment and develop a procedure to ensure that the verification process takes place. Further, each institution shall independently verify academic credentials obtained after an employee's original hire date prior to recognizing such credentials in official personnel files, academic catalogues, institutional publications, other official documents, or for the purpose of promotion or title change. (B/R 12/06)
- (b) Each candidate interviewed for a professional position within the NSHE shall sign a pre-employment declaration before they are interviewed. making other false or fraudulent representation in securing employment is prohibited.

- (c) Falsification or misrepresentation of credentials, or evidence that degrees offered in support of candidacy for employment have been issued from non-accredited institutions, shall invalidate the employment contract and shall be grounds for immediate termination. The provisions of Title 2, Chapter 6, do not apply when employment is terminated under these circumstances.

(B/R 6/04)

## **Section 5.11 Academic and Equivalent Ranks and Titles**

**5.11.1 Academic Rank.** The universities & state college shall provide in their institutional bylaws for policies and procedures pertinent to the use of academic ranks, such academic ranks to consist of lecturer or instructor, which shall be at Rank I; assistant professor, which shall be at Rank II; associate professor, which shall be at Rank III; and professor, which shall be at Rank IV. Such bylaws, which shall be consistent with the Nevada System of Higher Education Code and with generally accepted practice among universities and colleges in the United States, shall establish policies and procedures for appointment of faculty to these ranks and promotion through the ranks. (B/R 1/03)

**5.11.2 Community College Titles.** After prior consultation with the faculty senate, each president of a community college, at the president's option, may establish academic titles for the college's faculty as provided in this subsection. Nontenured faculty shall have the academic title of "Instructor." Tenured faculty shall have the title of "Community College Professor." Community College titles shall not be related to salaries or salary levels in any form whatsoever. (B/R 2/90)

## **Section 5.12 Evaluation**

**5.12.1 Evaluations.** Faculty shall be evaluated in writing at least once annually by department chairs, supervisors or heads of administrative units. The performance evaluations of executive and supervisory faculty shall include consultation with the professional and classified staff of the administrative unit.

**5.12.2 Procedures.** All performance evaluations of untenured faculty shall include a rating of (i) "excellent," (ii) "commendable," (iii) "satisfactory," or (iv) "unsatisfactory." All performance evaluations of tenured faculty shall include a rating of (i) "excellent," (ii) "commendable," (iii) "satisfactory," or (iv) "unsatisfactory" unless institutional bylaws require a rating of only (i) "satisfactory" or (ii) "unsatisfactory." The areas of evaluation and procedures for evaluation of academic faculty and administrative faculty shall be established in Board policies and institutional bylaws. All performance evaluations shall include a narrative addressing each area of performance, and at least every three years a narrative addressing progress toward tenure and/or promotion, if applicable. The three year narrative progress assessment shall be prepared in consultation with the appropriate tenure review committee or promotion committee, if any.

Evaluations of instructional faculty shall include an assessment incorporating teaching evaluations completed by their students.

(B/R 10/08)

- 5.12.3 Review of Evaluations.** Each institution and the System Office shall adopt, in their respective bylaws, a procedure for review of a faculty member's adverse annual evaluation rating, as provided in Section 5.16 of the NSHE Code. Academic and administrative faculty who disagree with the supervisor's evaluation may submit a written rejoinder, as provided for in Title 4, Ch. 3, Sec. 4(5).

(B/R 12/06)

### **Section 5.13 Annual Performance Evaluation of Tenured Faculty**

- 5.13.1 Declaration of Policy.** It is the policy of this System to expect the continued commitment of its faculty to excellence after the granting of appointments with tenure. Under this policy, tenured faculty will be encouraged to realize the academic community's expectations to such excellence in their future services and performances. This policy shall be taken into consideration in the annual performance evaluation of tenured faculty, as provided in Section 5.11 of the Nevada System of Higher Education Code. (B/R 1/04)

**5.13.2 Evaluation Procedure.**

- (a) If the annual performance evaluations provided for in Section 5.11 of the Nevada System of Higher Education Code result in a tenured faculty member receiving an overall unsatisfactory rating for two consecutive years, a hearing shall be held for the purpose of determining if the tenured faculty member should be retained in employment.
- (b) An overall "unsatisfactory" rating in two consecutive annual performance evaluations as provided in this section shall be cause for termination of employment. Hearings to consider terminations initiated by this section shall be held by a special hearing officer and special hearing committee under Section 6.12 of the Nevada System of Higher Education Code. All other provisions of Chapter 6 of the Nevada System of Higher Education Code should be followed to the extent applicable. (B/R 1/04)

Notwithstanding the provisions of Subsections 6.12.4, 6.13.1 and 6.14.2 of the Nevada System of Higher Education Code, the only option for recommendations or decisions upon the completion of the hearing or appeal process is the continuation or termination of employment of the tenured faculty member. If, after the hearing or appeal process is completed, the decision is made to continue the tenured faculty member's employment, the annual performance evaluations which initiated the hearing shall be revised to eliminate the unsatisfactory ratings. The burden of demonstrating that termination of employment should occur lies with the administrative authorities of the System institution.

- (c) The provisions of this section shall not apply to administrators who hold tenure as academic faculty members at the universities as long as they continue as administrators. Only the performance of such administrators of their assigned administrative duties shall be evaluated under Section 5.11 of the Nevada System of Higher Education Code. Commencing five years after such administrators are discontinued as administrators, the provisions of this section shall be applied to them as tenured faculty members.
- (d) After the completion of the annual performance evaluations provided for in Section 5.11 of the Nevada System of Higher Education Code, the presidents shall submit an annual report to the Board of Regents detailing the process and outcomes of the annual performance evaluations.

### **Section 5.14 Oaths or Affirmations**

No affirmation or oath shall be required of faculty, except that oath provided by Article 11, Section 5 and Article 15, Section 2 of the Nevada Constitution.

### **Section 5.15 Resignations/Leave**

#### **1. Resignations.**

- a. All resignations by a member of the academic or administrative faculty should be in writing and should be submitted to the appointing authority at least 30 calendar days in advance of its effective date. The resignation must be accepted in writing by the appointing authority (or designee).
- b. If a resignation is tendered verbally or is conveyed to an employee other than the appointing authority, the resignation must still be accepted in writing by the appointing authority (or designee).
- c. A resignation should indicate an effective date. If the resignation does not specify an effective date, the resignation shall be effective on the fourth working day after acceptance and this date must be reflected in the written acceptance.
- d. Once an employee's resignation is accepted by the appointing authority, the employee shall have three working days after such acceptance to revoke the resignation. Thereafter, the employee may not revoke the resignation, regardless of the effective date set forth in it. A revocation of a resignation must be in writing and must be delivered to the appointing authority within the foregoing time period to be effective.
- e. The decision of an appointing authority not to accept a request to rescind a resignation more than three working days after its written acceptance is not subject to grievance or appeal processes.

## 2. Leave

Leave may only be taken in accordance with the policies in Title 4, Chapter 3. Unauthorized leave is charged as leave without pay pursuant to Title 4, Chapter 3, Section 39, and may subject the employee to disciplinary action under Title 2, Chapter 6.

(B/R 12/06)

### **Section 5.16 Review of Evaluations and/or Denial of Salary Increase.**

Each institution and the System Office shall adopt, in their respective bylaws, a procedure for review of a faculty member's adverse annual evaluation rating and a procedure to review denial of a salary increase. In connection with review of merit pay, "denial of a salary increase" means review of the step or level of merit at those institutions that award a standard amount of merit pay based on a certain step or level. The procedure adopted must include at least one of the following review processes:

- a. Reconsideration pursuant to the Nevada System of Higher Education Code, Section 5.2 (except that the supervisor is not required to state reasons for an adverse annual evaluation under Section 5.2.3 if the reasons for the evaluation are stated in the evaluation);
- b. Grievance pursuant to the Nevada System of Higher Education Code, Section 5.7;
- c. Peer review pursuant to Title 4, Chapter 3, Section 4(5); or
- d. Any other similar review procedure that provides reasonable opportunity to challenge an adverse annual evaluation or denial of a salary increase.

The result of any review procedure must be in the form of a recommendation to the president for a final decision (or in the case of the System Office, to the Chancellor), except that if the bylaws authorize a grievance, peer review, or other similar review procedure and also authorize reconsideration, then the bylaws may provide that the request for reconsideration terminates at a level below the president (or Chancellor), such as at the provost, executive vice president, academic vice president or dean level. In the event the bylaws provide for more than one review process, the bylaws may also specify an order in which the procedures are initiated.

In addition to the procedure for review adopted in the bylaws, the faculty member also has the right to submit a rejoinder as specified in Title 4, Chapter 3, Section 4(5).

If a merit pay determination is directly tied to the outcome of a faculty member's evaluation review, then the bylaws shall provide that the same process is followed for both the evaluation review and the merit pay determination.

Regardless of the review procedure, the process for the president to adopt or reject the recommendation regarding an annual evaluation shall be the same as that specified for peer evaluations in Title 4, Chapter 3, Section 4(5).

In the event the bylaws fail to specify a procedure for review of an adverse annual evaluation rating or denial of merit, the faculty member will have the right to pursue reconsideration and a grievance, in addition to submitting a written rejoinder.

## Section 6.1 Scope of the Chapter

- 6.1.1 **Applicability of Procedures and Sanctions.** The procedures and sanctions established in this chapter are applicable to the resolution and determination of charges against members of the community of the Nevada System of Higher Education for allegedly engaging in conduct prohibited by the Nevada System of Higher Education Code or by other applicable stated policies, procedures, rules, regulations or bylaws of the System institutions. Except as otherwise provided in this chapter, the NSHE institutions and professional schools may establish written policies, procedures and sanctions for the discipline of its students that may be used in lieu of the policies, procedures and sanctions of this chapter, including but not limited to the establishment of student judicial councils, subject to the prior review by the Chief Counsel and to the approval of the president of the institution. (B/R 1/07)
- 6.1.2 **Proceedings Concurrent.** Action under the procedures established by this chapter shall go forward regardless of other possible or pending administrative, civil or criminal proceedings arising out of the same or other events.

## Section 6.2 Cause

- 6.2.1 **Prohibited Activity - Faculty Only.** The following conduct, being incompatible with the purposes of an academic community, is prohibited for all members of the faculty of the System, shall constitute cause for discipline and may lead to the procedures and disciplinary sanctions established in Section 6.3 of the Nevada System of Higher Education Code.

(B/R 1/07)

### **6.2.3 Disciplinary Actions.**

- (a) Individuals charged with investigating or reviewing acts of misconduct at an NSHE institution or professional school must receive training approved by NSHE legal counsel.
- (b) Any final action resulting from a disciplinary proceeding shall become part of the student's disciplinary record.
- (c) In the absence of institutional or professional school policies and procedures authorized under Section 6.1.1, the provisions of this chapter apply to the investigation and resolution of charges of student misconduct.

(B/R 1/07)

**6.2.4 Mental or Physical Incapacity.** The inability or incapacity to perform the duties for which the faculty member is employed due to mental or physical reasons may lead to suspension or termination of employment as provided in Subsections 6.3.6(b) and 6.3.7(b) of the Nevada System of Higher Education Code, due consideration being given to the provisions of NRS 284.379.

(B/R 1/07)

### **6.2.5 Sexual Harassment.**

- (a) The Board of Regents deems the sexual harassment of students and employees to be unacceptable and prohibited.
  - 1. Because of the particularly offensive and degrading nature of sexual harassment, the danger of academic or employment retaliation for accusations of sexual harassment and the difficult and tense academic or employment environment which can result while allegations of sexual harassment are investigated or heard, it is the policy of the Board of Regents that, pending the completion of an investigation and/or disciplinary hearing into the allegations of sexual harassment, and only to the extent deemed necessary by the facts of each case, contacts between the complainant(s) and the person accused of sexual harassment shall be kept to a minimum or eliminated altogether by physical separation, assignment to other duties or classes or placement on administrative leave.
  - 2. Such action shall be deemed to be without prejudice to any person involved or determination of the truth or falsity of the allegations.
  - 3. Any such action shall be taken or maintained in such manner as to afford the least possible disruption to the day-to-day activities of the institution but the ease of reassigning students or employee subordinates in place of instructors or supervisors shall not be a factor in taking such action.

(B/R 3/93)

- (b) An alleged victim of sexual harassment shall have the opportunity to select an independent advisor for assistance, support and advice. The alleged victim shall be advised at the beginning of the complaint process that he or she may select an independent advisor and it shall become the choice of the alleged victim to utilize or not utilize the independent advisor. The independent advisor may be brought into the process at any time at the request of the alleged victim. The institutional affirmative action officer or the administrative officer shall advise the alleged victim of this right. The means and manner by which an independent advisor shall be made available shall be determined by each institution or unit. (B/R 3/93)

(B/R 1/07)

### **Section 6.3 Disciplinary Sanctions**

The following sanctions are applicable to members of the community of the Nevada System of Higher Education for conduct prohibited by Section 6.2 of the Nevada System of Higher Education Code. Depending on the seriousness of the misconduct, these sanctions may be imposed in any order.

- 6.3.1 Warning.** Notice, oral or written, that continuation or repetition of prohibited conduct may be the cause for more severe disciplinary action.
- 6.3.2 Reprimand.** A formal censure or severe reproof administered in writing to a person engaging in prohibited conduct.
- 6.3.3 Restitution.** The requirement to reimburse the legal owners for a loss due to defacement, damage, fraud, theft or misappropriation of property. The failure to make restitution shall be the cause for more severe disciplinary action.
- 6.3.4 Probation.** Probation is applicable to students only. It consists of a trial period not exceeding one year in which the conduct of the student will be evaluated in terms of whether any prohibited acts are committed. Probation may include exclusion from participation in privileged or extracurricular activities of the System. The person placed on probation shall be notified, in writing that the commission of prohibited acts will lead to more severe disciplinary sanctions. The official transcript of the student on probation may be marked "DISCIPLINARY PROBATION" for the period of the probation and any exclusions may also be noted. Parents or legal guardians of minor students shall be notified of the action.
- 6.3.5 Reduction in Pay.** A reduction in pay may be imposed at any time during the term of an employment contract upon compliance with the procedures established in this chapter.

**6.3.6 Suspension.**

(a) For Students Only:

1. Exclusion for a definite period of time from attending classes and from participating in other activities of the System, as set forth in a written notice to the student. The official transcript of the student shall be marked "DISCIPLINARY SUSPENSION EFFECTIVE \_\_\_\_ TO \_\_\_\_." Parents or legal guardians of minor students shall be notified of the action.
2. A student who is enrolled in his or her last semester before graduation or is not currently enrolled in the System and who was not registered during the previous semester or who graduated at the end of the previous semester may request that the notation of the disciplinary suspension be removed from the official transcript when two years have elapsed since the expiration of the student's suspension. Such request must be submitted in writing to the president or his designee in accordance with 6.3.8. If the request is not granted, the student at yearly intervals thereafter may submit a request for removal of the notation.

- (b) For Employees Only. Exclusion from assigned duties for one or more workweeks without pay, as set forth in a written notice to the employee. The phrase "workweek" has the meaning ascribed to it in the Fair Labor Standards Act; 29 U.S.C. § 207(a).

(B/R 4/08)

**6.3.7 Expulsion or Termination.**

- (a) For Students Only. Termination of student registration and status for an indefinite period of time. Permission of the president shall be required for readmission. The official transcript of the student shall be marked "DISCIPLINARY EXPULSION EFFECTIVE \_\_\_\_\_." The parents or legal guardians of minor students shall be notified of the action.

A student who is enrolled in his or her last semester before graduation or is not currently enrolled in the System and who was not registered during the previous semester or who graduated at the end of the previous semester may request that the notation of the disciplinary expulsion or termination be removed from the official transcript when four years have elapsed since the expiration of the student's expulsion or termination. Such request must be submitted in writing to the President or designee in accordance with 6.3.8. If the request is not granted, the student at yearly intervals thereafter may submit a request for removal of the notation.

- (b) For Employees Only. Termination of employment for cause. A hearing held under the procedures established in Section 6.9 and other applicable provisions of this chapter shall be required before the employment of an employee may be terminated for cause.

(B/R 4/08)

**6.3.8**     **Expunging of Student Disciplinary Records**. Records of disciplinary actions resulting in a student's suspension, expulsion, or termination shall be maintained for a period of at least six years from the date of the disciplinary action unless, pursuant to a written request, an official order to expunge a specific disciplinary record and remove from the student's transcript is issued by the President or designee as prescribed in 6.3.6 and 6.3.7.

A student may request that his or her disciplinary record be expunged and any such notation be removed from the student's transcript during the student's last semester before graduation or any time following graduation. The burden demonstrating reasonable cause for considering the expunging of a disciplinary record lies with the student. In considering such requests, the institution may consider the:

- (a)     Stated reason for request and circumstances surrounding request;
- (b)     Date and seriousness of the violation;
- (c)     Student's behavior and disciplinary record since the violation, including successful completion of any imposed sanctions;
- (d)     The impact, if any, on the public that failure to give such notice may cause; and
- (e)     Consequences of denying request.

The grant or denial of a request to expunge a student's disciplinary record shall rest solely within the discretion of the institution, and the enumeration of the foregoing factors shall not in any way imply a duty on the institution to grant such a request by means of a balancing or other test. If a request is not granted, the student at yearly intervals thereafter may request that his or her disciplinary record be expunged. The denial of a request to expunge is not appealable.

(B/R 1/07)

**6.3.9**     **Revocation of a Degree**

- (a)     The Board and its institutions reserve the right to withdraw academic degrees in the event that a case is brought after graduation for material academic misconduct that impacts the reputation of the institution, including misrepresentation of academic credentials or material falsification in an application, if the act occurred before graduation and during the time the student applied to, or was enrolled at an NSHE institution, but a complaint had not been filed prior to graduation. Institutions who are investigating acts of misconduct prior to a student graduating may postpone the awarding of a degree pending the outcome of the investigation and imposing of appropriate disciplinary sanctions.

- (b) Upon receipt of a complaint that a degree was conferred to a student accused of academic misconduct under subsection (a), the institution shall commence an investigation under Section 6.8. The purpose of the investigation is for the administrative officer to make a recommendation to the President whether the charges are warranted, and if so, whether the violation is of such severity to warrant revocation of degree.
- (c) If the President determines that the charges are warranted and the violation, if proven, is of sufficient severity to warrant revocation of degree, then a special hearing committee and special hearing officer shall be appointed in accordance with Section 6.11.
- (d) The charged party shall receive all due process required by this Chapter in the investigation and hearing.
- (e) The President may consider alternatives to revocation of degree, depending on the severity of the offense.
- (f) After receiving the recommendation of the special hearing officer and special hearing committee, if it is determined that revocation of the degree is warranted, the President may revoke the degree. The charged party shall have an opportunity to appeal to the Board of Regents based on the procedure and grounds for appeal specified in Section 6.13.
- (g) On appeal, the Board may take such action as specified in Section 6.13.2(d).
- (h) The fact of degree revocation will appear permanently on the student's transcript.
- (i) Events of misconduct discovered more than 7 years following graduation from an NSHE institution are not subject to the provisions of this section.
- (j) NSHE institutions shall appropriately inform students of the Board's degree revocation policy.

(B/R 4/08)

#### **Section 6.4 Authority of the President**

- 6.4.1 Exercise of Authority.** The president shall exercise authority in disciplinary actions in accordance with the procedures established in this chapter and other laws and regulations as are applicable.
- 6.4.2 President Has Final Decision-Making Authority.** All determinations and findings made within the System institutions are in the nature of recommendations to the president who shall have the final decision making authority, except as otherwise provided in the Nevada System of Higher Education Code.

**6.4.3 Designation of Hearing Officers.** The designation of hearing officers and decisions on the challenges of any hearing officer for cause, as provided in this chapter, shall be made by the president or the president's designee.

**6.4.4 Delegation of Authority.** The functions of the president, as prescribed in this chapter, may be delegated by the president to individual designees who are members of the staff of the System institution and such designees shall exercise these functions in the president's name. All references in the procedures established by this chapter to the president include such designees.

## **Section 6.5 Administrative Leave (B/R 5/92)**

**6.5.1 President to Order Administrative Leave.** The president of each System institution may order any member of the System community to be placed on administrative leave for the interim period pending a disciplinary hearing whenever the president determines that administrative leave is required in order: (B/R 5/92)

- (a) To protect life, limb or property;
- (b) To ensure the maintenance of order; or
- (c) To remove a person from the University of Nevada System community when an act of sexual harassment has been alleged against such person and the accuser or the accused person cannot be assigned to other duties or classes or placed elsewhere in the System institution apart from each other pending the completion of an investigation and/or disciplinary hearing into the allegation. (B/R 5/92)

**6.5.2 Hearing.** Any person placed on such administrative leave shall be afforded an opportunity to a hearing with respect to the issue of the leave. The hearing on the administrative leave will be held no later than 10 college working days of the leave, unless the person placed on leave agrees to delay the hearing to a later time. The hearing shall be held under the hearing procedures established in Section 6.9 of the Nevada System of Higher Education Code, so far as can be made applicable, and by a general hearing officer as established in Section 6.10 of the Nevada System of Higher Education Code. The president's decision upon the hearing officer's recommendation shall be final. The issue shall be limited to whether the continued administrative leave of the individual involved pending the outcome of a disciplinary hearing is warranted. (B/R 5/92)

**6.5.3 Expulsion from Premises.** Administrative leave under this section will be coupled with a withdrawal of consent by the System for the individual involved to remain on System premises whenever there is reasonable cause to believe that life, limb, property or the maintenance of order are in danger. (B/R 5/92)

**6.5.4 Administrative Officer's Duties.** The administrative officer, as established in Section 6.7 of the Code, shall be responsible for presenting evidence that the administrative leave, withdrawal of consent to remain on System premises, or both, should be continued. (B/R 5/92)

**6.5.5** **Administrative Leave With Pay.** Administrative leave under this section shall be with pay and other benefits. (B/R 5/92)

## **Section 6.6** **Disciplinary Sanctions for Professional Employees**

**6.6.1** **Authority of Administrators to Discipline.** Vice presidents, deans, directors and persons in equivalent positions shall have the authority to issue reprimands or warnings (as defined under 6.3.1 and 6.3.2) to faculty members and other professional employees under procedures stated in 6.6 of the NSHE Code. Procedures under 6.6 differ from procedures established in Sections 6.7 to 6.14 of the NSHE Code. Code 6.6 procedures are to be used whenever possible, as an alternative to those in 6.7 to 6.14. (B/R 06/99)

**6.6.2** **Right to Notice.** Before issuing a warning or reprimand, a person proposing to issue the disciplinary sanction shall notify the person whom it is proposed to so discipline in writing of the charges involved. The notice shall also schedule a meeting between the person charged and the person proposing to issue the disciplinary sanction for the purpose of discussing the charges. At least fifteen (15) working days before issuing a warning or reprimand, the vice president or dean, director or persons in equivalent positions proposing to issue the disciplinary sanction shall notify the affected person in writing of the charges involved and the proposed action. The notice shall:

1. Include all materials and documentation to support the charges;
2. Clearly state that it activates the processes set forth in 6.6 of the NSHE Code, and also state the alternatives available under 6.6.3 to the affected person; and
3. Advise the affected person of his or her rights according to 6.6.6.

After the person proposing the disciplinary action has sent the notification, ten (10) working days must elapse before section 6.6.3 is implemented, during which time no documentation of the proposed action may be placed in the affected person's personnel file. (B/R 06/99)

**6.6.3** **Choice of Response.** The person affected by the proposed disciplinary action shall have:

1. the right to mediation as outlined in 6.6.4, or through 6.6.8.
2. the right to accept the reprimand or warning or to respond, in writing to the warning or reprimand and to have that response immediately placed in his or her personnel file.
3. The right to grieve the warning or reprimand unless mediation is selected. If the affected person elects to grieve the warning or reprimand, mediation may not be used.

Choice of mediation shall delay the filing of any warning or reprimand in the affected person's file until after the mediation proceeding is concluded and a final decision rendered:

- 6.6.4 Use of Mediation.** If the person affected by the proposed decision to reprimand or warn chooses to select mediation procedures outlined below, he or she must notify, in writing, the vice president or dean within ten (10) working days of receiving notification of the intent to reprimand or warn. The mediator will be selected within fifteen (15) working days following request for mediation using a procedure jointly developed by the campus administration and Faculty Senate. All materials relevant to the proposed disciplinary sanction shall be delivered to the mediator within five (5) working days of the appointment of the mediator. All parties may view all materials deposited with the mediator.
- 6.6.5 Mediation.** The mediator will call a meeting of both parties to facilitate an informal resolution of the matter. Both parties must participate in good faith in the mediation procedures. The meeting will take place within fifteen (15) working days after the appointment of the mediator. The mediator shall conduct the meeting with attention to fairness and due process, and shall seek to preserve the rights of all affected parties. The mediator shall have the right to call witnesses if deemed necessary by the mediator.
- 6.6.6 Rights of the Affected Person When Mediation has Been Chosen.** The person shall have:
1. the right to access all materials and documents relevant to the proposed disciplinary action at least (10) working days prior to the meeting with the mediator;
  2. the right to have a colleague present, and the right to introduce materials in response to the proposed warning or reprimand; and
  3. the right to appeal any decision to the president.  
(B/R 6/99)
- 6.6.7 Burden of Proof.** The burden of proof rests with the administrator or the person issuing the charges.
- 6.6.8 Decision.** Any agreement reached by the affected person and the administrator through the mediation process shall be placed in the affected persons' personnel file. This agreement may not be appealed through any grievance process. If there is not an agreement between the parties, the mediator will submit a written report within fifteen (15) working days to the immediate supervisor of the administrator bringing the charges. A copy of the mediator's report shall also be given to the administrator bringing the charges and the affected person. The immediate supervisor must make a decision within ten (10) working days about whether the warning or reprimand will be issued. If the decision is to warn or reprimand the affected person the affected person may appeal to the president. The affected person may file a written appeal with the president within 15 working days. The person so assigned to these duties shall serve in this assignment at the pleasure of the president.

It is the intent of the Board that this position shall not be used to create the basis for an on-campus staff attorney appointment that will report directly or indirectly to the institutional president. In order to assure an appropriate separation of responsibilities, the job description of the person appointed as administrative officer must be approved by the Executive Vice Chancellor & Chief Counsel prior to appointment. The person appointed to perform the duties of administrative officer shall not represent the System institution nor engage in the practice of law on behalf of the System institution, including, but not limited to, the rendering of legal advice or opinions.

**6.7.2 Titles.** Although termed the "administrative officer" for the purposes of this chapter, the person selected as administrative officer may use such local, administrative title as the president may determine.

**6.7.3 Assistants.** All references in this chapter to the administrative officer shall include other persons who are authorized by the president to assist the administrative officer and to act in the administrative officer's name.

**6.7.4 Combined Duties.** The president may combine the duties of the administrative officer with those of any other person employed by the System institution, but may not combine such administrative officer duties with those performed by hearing officers or hearing committee members under the procedures of this chapter.

The complaint shall be in writing, shall be signed by the complainant and shall, to the extent reasonably possible, specify the date, time, place, person or persons involved and the circumstances of the alleged prohibited conduct, including the name or names of persons who may have witnessed the alleged prohibited conduct.

**6.8.2 Investigation, Informal Resolution or Recommendation for Hearing.**

The president shall make this decision within 7 college working days after receipt of the administrative officer's recommendation. Within the above-referenced time, the president shall inform the administrative officer of the president's decision and, if deciding to hold a hearing under Section 6.9 of the Nevada System of Higher Education Code, shall also inform the faculty senate chair of the decision. If the hearing is to be held under Section 6.9 of the Nevada System of Higher Education Code on a charge or charges of sexual harassment under Subsection 6.2.2(p) of the Nevada System of Higher Education Code, the president shall also inform the president of the appropriate student government within the above-referenced time period if a student or graduate student is involved in the charge as an alleged victim.

(B/R 4/08)

- (f) If it is determined by the president that the matter should not proceed to a hearing, then unless new evidence, sufficient in the opinion of the president to reopen the case, is subsequently discovered, the complaint shall be dismissed and the disciplinary procedure shall be considered closed. All documents relating to the case shall be deposited with the president's office where they shall be retained for a period of one year, after which time they shall be released to the person charged, if requested by that person, or shall be destroyed unless destroyed sooner pursuant to regulations, policies or procedures established by the System institution.

**6.8.3 Types of Hearings.** Except as mandated by Subsections 6.3.7(b) and 6.5.2 of the Nevada System of Higher Education Code, based upon the recommendation of the administrative officer and such other considerations as may be pertinent, the president shall decide whether a disciplinary hearing shall be held:

**6.8.5 Factors to be Considered.** In making a recommendation or decision to hold a type of hearing, the administrative officer or the president, respectively, may consider as nonbinding factors the wishes of the person charged, the degree of apparent complexity of the facts or issues and the seriousness of the offense.

**6.8.6 Waiver of Hearing.** The person charged may waive a hearing and accept a disciplinary sanction recommended by the administrative officer and approved by the president as provided in Subsection 6.8.2 of the Nevada System of Higher Education Code.

  5. Such other information as the administrative officer may wish to include.

Notices shall be either personally delivered to the person charged or shall be sent to the person charged by certified or registered mail, return receipt requested. Notice delivered by mail shall be considered delivered when sent, provided that 3 additional college working days shall be added to the time period set forth for minimum notice. A copy of the applicable disciplinary hearing procedures shall accompany each notice.

**6.9.4 Evidence.**

Evidence shall be admitted if it possesses reasonably probative value, materiality and relevancy. No evidence other than that received at the hearing shall be considered in the decision. Upon request, the person charged, the person's advisor, if any, and the administrative officer shall have the right to examine, at least 5 college working days prior to the hearing during reasonable business hours, any documentary evidence to be presented at the hearing. An advisor will not be permitted at the hearing without such notice. (B/R 1/06)

(b) Should a person charged advise that the person will be accompanied by an attorney as advisor, the administrative officer shall advise the Executive Vice Chancellor & Chief Counsel so that an attorney will be present at the hearing to represent and advise the administrative officer and to present the evidence on behalf of the administrative officer. (B/R 1/06)

**6.9.7 Technical Errors.** Technical departures from or errors in following the procedures established in the Nevada System of Higher Education Code or in any applicable stated prohibition, policy, procedure, rule, regulation or bylaw of a System institution under which disciplinary procedures are being invoked shall not be grounds to withhold disciplinary action unless, in the opinion of the president, the technical departures or errors were such as to have prevented a fair and just determination of the charges.

**6.9.8 Closed Hearings.** The hearing shall be closed unless the person charged requests an open hearing. Only the person charged and one advisor, the administrative officer and one advisor, the person or persons conducting the hearing, a person designated to record a hearing, as may be provided in this chapter, and witnesses while such witnesses are presenting evidence may be present for a closed hearing. (B/R 6/92)

**6.9.9 Consolidated Hearings.**

- (a) When more than one person is charged with prohibited conduct arising out of a single occurrence, or out of multiple occurrences, a single hearing may be held for all of the persons so charged. Such persons may request that their cases be consolidated with others or separated from others. The administrative officer shall make determinations regarding consolidation. All such determinations shall be subject to revision by the general hearing officer, institutional hearing committee or special hearing officer, as the case may be. In the event of such revision, all cases affected shall be rescheduled for hearing.
- (b) The separation of one or more cases from a group of cases previously set for a consolidated hearing shall not be considered to affect the consolidation of the remaining cases in the group.

**6.9.10 Absence of the Person Charged.** If the person charged does not appear, either personally or through an advisor, at a hearing without satisfactory explanation for the absence having been made at the earliest opportunity, or should the person charged leave the hearing before its conclusion, the hearing shall proceed without the person charged and the general hearing officer, institutional hearing committee or the special hearing officer and special hearing committee, as the case may be, shall make findings of fact, recommendations or a report, as the case may be, on the available evidence. The fact that an administrative hearing or a civil or criminal trial for the person charged is pending shall not be considered a satisfactory explanation for absence unless the actual hearing or trial date conflicts with a date for a hearing held under this chapter, or unless it is physically impossible for the person charged, through no fault of that person, to attend a hearing held under this chapter.

**6.9.11 Subpoena.** The president shall issue subpoenas to compel the attendance of persons and the presentation of documents at all hearings established under this chapter upon the request of the person charged or of the administrative officer. - (c) Extension of time for hearings shall be authorized by general hearing officers, institutional hearing committee chairs or special hearing officers only upon good and compelling reasons. The possibility or pendency of administrative, civil or criminal proceedings against the person charged is not such a good and compelling reason for extension of time unless the

hearing or trial of such is scheduled for the same date as a hearing to be held under this chapter, or unless it is physically impossible for the person charged, through no fault of that person, to attend a hearing to be held under this chapter.

- 6.9.13 Repetition of Hearing.** A hearing may not be held more than once on the basis of any specific complaint after a hearing process has been completed except as may be provided in this chapter.

In the event any person who is not a member of the System community should engage in conduct prohibited by this chapter, the president or the president's designee shall inform that person that the person is not authorized to remain on the premises owned or occupied by the System and shall direct such person to leave the premises. In the event such person fails to leave the premises after being ordered to do so, the president or the president's designee may cause such person to be ejected. Nothing herein shall be so construed as to authorize or prohibit the presence of any such person prior to such violation nor to affect such person's liability for trespass or loitering as prescribed by law.

## **Section 7.1 Declaration of Policy**

**7.1.1 Limited to State College.** Except as may be provided otherwise in this chapter, the provisions of this chapter are applicable to the faculty of the state college of the System only.

**7.1.2 Conditions on Tenure.** The major objectives of tenure are to provide a faculty committed to excellence and to provide a substantial degree of security to those persons who have exhibited excellent abilities, sufficient to convince the University of Nevada community that their expected services and performances in the future justify the privileges afforded by tenure.

## **Section 7.2 Eligibility for Tenure**

**7.2.1 Nevada State College.** Except as provided in this chapter, full-time and part-time academic faculty in Rank II, Rank III, and Rank IV positions at Nevada State College shall be eligible for tenure. For the purposes of this section, part-time academic faculty shall be equal to at least .5 FTE. Administrators may be included in this condition of eligibility, but only in the capacity of academic faculty. Full-time academic faculty in these institutions in Rank O or Rank I positions are not eligible for appointment with, nor shall have, tenure under any circumstances.

### **7.2.2 Academic Faculty Paid with Short Term, Nonstate Funds.**

- (a) Except as provided in paragraph (c) herein, academic faculty whose initial appointments are in positions paid with more than .5 FTE short term, nonstate funds are not eligible for such appointment with, nor shall have, tenure under any circumstances.
- (b) In the event that a member of the academic faculty whose initial appointment was in a position paid in whole or in major part with short term, nonstate funds is subsequently appointed to a position which confers eligibility for tenure, up to three years of uninterrupted full-time employment in the former position may be counted, upon request of the academic faculty member and the approval of the president, as part of the probationary period for appointment with tenure. Such decision must be made at the time of the subsequent appointment.

### **7.2.3 Rank O.**

- (a) Faculty placed in Rank O positions shall not be eligible for appointment with, nor shall have, tenure under any circumstances. A faculty member must agree to placement in a Rank O position.

- (b) Upon request of the academic faculty member and the approval of the president, up to three years of uninterrupted full-time employment in a Rank O position may be counted towards the completion of a probationary period for tenure in the event an academic faculty member employed in a Rank O position is subsequently appointed to a rank capable of conferring eligibility for appointment with tenure. Such decision must be made at the time of the subsequent appointment.
- (c) Academic faculty at Nevada State College who have been placed in Rank O positions may be given such academic titles as the member institution, at the president's discretion, may consider appropriate, but such academic faculty shall not be eligible for appointment with, nor shall have, tenure under any circumstances by reason of the granting of such academic titles.

### **Section 7.3 Probation**

#### **7.3.1 Probationary Period.**

- (a) Academic faculty eligible for appointment with tenure must serve in a probationary period in a member institution identified in Subsection 7.1.1 before receiving such an appointment. Except as provided herein, the total probationary period for all academic faculty eligible for such appointment shall not exceed seven years of uninterrupted full-time employment in Ranks I through IV. (B/R 1/04)
- (b1) At the discretion of the Board of Regents, an academic faculty member may be exempt from the requirement of serving a probationary period and tenure shall be awarded on a case-by-case basis in negotiation with the president or the president's designee. Prior to recommending such an appointment, the president shall seek a recommendation from the appropriate faculty on whether an academic faculty member may be exempt from the requirement of serving a probationary period under procedures set forth in the member institution's bylaws. (B/R 1/04)
- (b2) The President of the institution, without seeking Board of Regents' approval, may grant tenure upon hire to an academic faculty member who at the time of hire holds tenure another institution. Prior to making such an appointment, the president shall seek a recommendation from the appropriate faculty on whether an academic faculty member should be appointed with tenure. The President of each institution shall submit an annual report to the Board of Regents which shall include the name of any individual to whom tenure upon hire was granted, the department within which the individual was hired and whether the faculty of such department voted to approve such tenure upon hire. This report shall be

presented to the Board of Regents at the first meeting of the board after the beginning of each fiscal year. (B/R 12/05)

- (c) Authorized periods of leave, paid or unpaid, may be excluded from service toward the seven-year probationary period upon written request of the faculty member and approval of the president. The decision of whether to grant the faculty member's request to exclude periods of leave shall be based upon the sole discretion of the president. The president's decision is final. The request for leave must state if the leave is to be excluded from service toward the probationary period.
- (d) The period of probation may exceed seven years upon written request of the faculty member and approval of the president. The decision of whether to grant the faculty member's request to exceed the seven-year probationary period shall be based upon the sole discretion of the president. The decision of the president is final. The request for an extension of the seven-year period of probation must state the reasons for such an extension.

(B/R 1/04)

**7.3.2 Consideration for Tenure during Probation.** Upon the request of the academic faculty member and the approval of the president, academic faculty eligible for appointment with tenure may be considered for such appointment at the appropriate time during each year of employment during the probationary period. Member institutions shall make no provisions requiring members of the eligible academic faculty to be considered for appointment with tenure at any time prior to the next to the last year of the probationary period.

**7.3.3 Full-time Service at Other Institutions.** Upon request of the academic faculty member and the approval of the president, up to three years full-time employment at other accredited institutions of postsecondary education, including such institutions in the System, in positions equivalent to positions providing eligibility for appointment with tenure may be included in the probationary period. Such decision must be made at the time of initial employment.

**7.3.4 Completion of Probationary Period.** After completion of a probationary period, an academic faculty member eligible for such appointment with tenure shall not be reappointed at any rank providing eligibility for such appointment unless such appointment is with tenure.

## **Section 7.4 Appointment with Tenure**

**7.4.1 Recommendations and Appointment.** At the expiration of a probationary period or at any time during a probationary period, academic faculty eligible for appointment with tenure may be recommended to the president for such appointment through regular personnel procedures. Recommendations for appointment with tenure shall be made by the

president to the Board of Regents. The Board has final authority in making an appointment with tenure and such appointment shall not be granted to any member of the academic faculty without an affirmative majority vote of the Board of Regents at a meeting of the Board, a quorum being present. (B/R 1/04)

#### **7.4.2 Standards for Recommending Appointment with Tenure.**

(a) The consideration of a recommendation for appointment of an academic faculty member with tenure shall include the application of the three standards and the ratings contained in this subsection, which shall be applied in consideration of the conditions for appointment with tenure stated in Subsection 7.1.2 of the Nevada System of Higher Education Code. The burden of demonstrating that these standards have been met lies with the applicant for appointment with tenure. (B/R 1/04)

1. Standard One: Teaching or Other Professional Duties  
An academic faculty member being recommended for appointment with tenure must receive an “excellent” rating in one of the following areas, whichever is applicable:

(A) If applying for tenure as a college instructor, a record of effectiveness as a teacher including, but not limited to, demonstrated teaching competence and efficiency in a classroom, laboratory, and/or clinical setting, the ability to communicate effectively with students, demonstrated skill in handling classroom and other duties related to teaching, mentoring, and student advisement. (Such a record may include, for example, a showing of the ability to impart knowledge, to excite students’ interest in the subject matter, to evoke response in students.)

(B) If applying for tenure as a member of the academic faculty whose role does not include instruction, a record of effectiveness, efficiency and ability to perform assigned duties.

(B/R 1/04)

In addition to standard one, an academic faculty member being recommended for appointment with tenure must receive at least a “satisfactory” rating in standards two and three: (B/R 1/04)

2. Standard Two: Scholarship/Creative Activity

Demonstrated continuing professional growth in the academic faculty member’s discipline or program area as shown by a record of scholarship and/or creative activity, including, but not limited to, creation, application, synthesis, or transmission of knowledge; cross-disciplinary collaboration; acquiring and sustaining faculty expertise;

and, in appropriate fields or disciplines, visual, performing, and literary arts that express original ideas, interpretations, imaginations, thoughts, or feelings.

(B/R 1/04)

3. Standard Three: Service

Including, but not limited to:

- (A) Interest and ability in advising students;
- (B) Membership and participation in professional organizations;
- (C) Ability to work with the faculty and students of the member institution in the best interests of the academic community and the people it serves, and to the extent that the job performance of the academic faculty's administrative unit may not be otherwise adversely affected;
- (D) Service on college or System committees;
- (E) Recognition among colleagues for possessing professional integrity and the capacity for further significant intellectual and professional achievement; and
- (F) Recognition and respect outside the System community for participation in activities that use the faculty member's knowledge and expertise or further the mission of the institution, or that provide an opportunity for professional growth through interaction with industry, business, government, and other institutions of our society, within the state, the nation or the world. (B/R 10/04).

(B/R 1/04)

- (b) In rating applicants for appointment with tenure under the standards set forth in this subsection, the applicable member institutions and their respective administrative units shall rate applicants as (i) "excellent," (ii) "commendable," (iii) "satisfactory," or (iv) "unsatisfactory." No other rating terminology shall be used in evaluating the applicant for appointment with tenure. (B/R 1/04)
- (c) The standards and the ratings set forth in this subsection are the standards that must be used by the applicable member institutions and their respective administrative units in recommending academic faculty for appointment with tenure. However, the applicable member institutions and their respective administrative units may provide in their respective bylaws for criteria within the ratings set forth in this subsection for recommending academic faculty for such appointment. Such criteria must be consistent with the provisions of the Nevada System of Higher Education Code and must not be less stringent than the standards provided in the Nevada System of Higher Education Code. (B/R 1/04)

Any such criteria that are not published in adopted bylaws of the applicable member institutions and their respective administrative units, are void and of no effect whatever. (B/R 1/04)

- 7.4.3 Recommendations for Tenure.** The president shall seek a recommendation concerning appointment with tenure for an academic faculty member under procedures which shall be established in the member institution's bylaws. The procedures shall include a review of the faculty member's annual evaluations and any rejoinders to those evaluations and/or peer evaluations. (B/R 1/04)
- 7.4.4 Notice of Tenure.** When a member of the academic faculty has been granted appointment with tenure, the academic faculty member shall be informed immediately by the president in writing. Any defect in the notice or any misstatement of the Board of Regents' actions shall not create any enforceable legal obligations against, or on the part of, the University of Nevada.
- 7.4.5 Reasons for and Reconsideration of Denial of Appointment with Tenure.** An eligible academic faculty member who has been denied appointment with tenure after being specifically considered for such appointment shall be entitled to reasons for, and the reconsideration of, such denial as provided in Subsections 5.2.3 and 5.2.4 of the Nevada System of Higher Education Code.
- 7.4.6 Tenure for Academic Faculty Occupying Administrative Positions.** An administrator who is not otherwise ineligible for appointment with tenure qualifies for appointment with tenure but only in the capacity of academic faculty. Employment in an administrative position is a separate and distinct concept from employment as a member of the academic faculty. An administrator serves in an administrative position at the pleasure of the appointing authority. An administrator who also holds an appointment with tenure, whether granted during or before employment in the administrative position, may be removed from the administrative position without cause, reason or right of reconsideration of the action, but shall be reassigned in an appropriate capacity within the member institution in which the appointment with tenure was made.
- 7.4.7 Relinquishment of Tenure.**
- (a) An appointment with tenure shall be made within a specific member institution identified in Subsection 7.1.1 of the Nevada System of Higher Education Code. (B/R 1/04)
  - (b) Except as otherwise provided in the Nevada System of Higher Education Code, in the event a tenured faculty member transfers employment from the member institution granting an appointment with tenure to another System institution, the faculty member shall be deemed to have relinquished appointment with tenure in the former entity and shall not carry over such appointment to the latter

entity. This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983, who transfer employment to another System institution after July 1, 1983.

- (c) Notwithstanding the above provisions, a tenured faculty member may transfer employment with tenure to another System institution under the following conditions:
1. The president of a member institution identified in Subsections 3.2.1, 4.2.1, and 7.1.1 of the Nevada System of Higher Education Code to which the tenured faculty member transfers approves appointment with tenure. Prior to making such an appointment, the President shall seek a recommendation from the appropriate faculty on whether an academic faculty member should be appointed with tenure. The President of each institution shall submit an annual report to the Board of Regents which shall include the name of any individual to whom tenure upon hire was granted, the department within which the individual was hired and whether the faculty of such department voted to approve such tenure upon hire. This report shall be presented to the Board of Regents at the first meeting of the board after the beginning of each fiscal year; (B/R 3/10) or
  2. An administrative unit in which a tenured faculty member is employed is transferred to another System institution. Regardless of whether or not the System institution to which the administrative unit is transferred is authorized to make appointments with tenure, a tenured faculty member will continue to hold a tenured appointment under the same rights and obligations provided by the Nevada System of Higher Education Code for such appointment.

This provision is also applicable to faculty members who have been employed with tenure in special units prior to July 1, 1983.

**7.4.8 Transfer to the Chancellor's Office.** A tenured faculty member who elects to transfer employment to the Chancellor's Office retains such appointment for up to three years in the member institution from which the tenured faculty member transferred, unless such period is extended by the Chancellor after consultation with the President of the institution in which the faculty member has tenure. In the case of the chancellor, approval for an extension rests with the Board of Regents upon the affirmative recommendation of the Board Chair. Such faculty member cannot transfer appointment with tenure to the Chancellor's Office under any circumstances. If such faculty member's employment at the Chancellor's Office is terminated within the aforesaid three year period or such period as extended, such faculty member shall be reassigned to the member institution in which such faculty member was previously employed with tenure. (B/R 3/10)

**7.4.9 Resignation or Termination.** A tenured faculty member relinquishes appointment with tenure upon resignation or termination of employment from the System.

## **Section 8.1 Scope of the Chapter**

Desert Research Institute (DRI) expects good standards of conduct and work performance from all employees and these standards will be enforced in a just and systematic way. Employees should have a fair opportunity to remedy problems of conduct or performance. To this end, should an employee fail to meet the DRI's required standards, the following procedure is outlined and is approved by Nevada System of Higher Education (NSHE) Board of Regents for Desert Research Institute. All matters relating to the disciplinary procedure are strictly confidential to the parties and their representatives involved and breaches of this confidentiality may in itself result in disciplinary action.

The President of DRI shall exercise authority in disciplinary actions in accordance with the procedures established below and with other laws and regulations as applicable. All determinations and recommendations go to the President who shall have the final decision making authority. The President or the President's designee shall make the designation of an administrative officer. The function of the President may be delegated by the President to individual designees who are members of the staff of NSHE and such designees shall exercise these functions in the President's name.

## **Section 8.2 Informal Discipline (Counseling – Informal Discussion)**

Counseling consists of an informal discussion between an employee and his or her supervisor regarding problems with the employee's work performance or conduct. Counseling should consist of a private discussion to define a desired course of action to improve the employee's performance or behavior and identify the supervisor's expectation for the employee. The counseling session is documented in a written memo to the employee that identifies the expected actions, and a copy of the memo should be retained in the supervisor's files and not the employee's personnel file. The employee may be referred to the employee assistance program (EAP) at this time if the issue can best be addressed by the EAP.

## **Section 8.3 Cause**

The objective of this procedure is to ensure consistent and equitable treatment of an employee who is liable to disciplinary action. At every stage in the procedure the employee will be advised of the nature of the complaint and will be provided with all relevant information and the potential scope of the disciplinary action. A supervisor may stop the disciplinary action at any stage with documentation that satisfactory conduct or performance has been achieved.

Disciplinary action should primarily be corrective and provide the employee with the opportunity where necessary to improve conduct and/or job performance to a standard acceptable by DRI. Disciplinary action is appropriate when an employee fails to meet satisfactory standards with regard to the prohibited activity listed in NSHE Code, Subsections 8.3.1, 8.3.2, 8.3.3 and 8.3.4.

**8.3.1 Prohibited Activity.** The following conduct or performance, being incompatible with the purposes of an academic community, is prohibited for all employees of the DRI, shall constitute cause for discipline and may lead to the procedures and disciplinary sanctions established in this chapter of the NSHE Code.

- (a) Failure to perform the duties for which the employee is employed (lack of funding is not considered a prohibited activity).
- (b) Failure to maintain a required level of performance as indicated by a rating of unsatisfactory.
- (c) Incompetence or inefficiency in performing the duties of the employee's position.
- (d) Insubordination.
- (e) Falsification of employment applications or documents submitted to the DRI, its member institutions or its special units, or making other false or fraudulent representations in securing employment.
- (f) Dishonesty.
- (g) Conviction of any criminal act involving moral turpitude.
- (h) Being under the influence of intoxicants, or, without a valid medical excuse, being under the influence of controlled substances as defined in the Nevada Revised Statutes (284.406), while on duty, due consideration being given to NRS 284.379. In compliance with the drug-free workplace Act of 1988, the unlawful manufacture, distribution, dispensing, possession or use of controlled substances is prohibited in the work place.
- (i) Unauthorized absence from duty or abuse of leave privileges.
- (j) Personal or professional conduct which shows that the employee is unfit to remain in his or her position or which has an ascertainable harmful or adverse effect on the efficiency of his or her research or administrative unit.

**8.3.2 Additional Prohibited Activity.** The following conduct, being incompatible with the purposes of DRI, is prohibited for all employees of the DRI. This prohibited conduct shall constitute cause for discipline and may lead to the procedures and disciplinary sanctions established in this chapter of the NSHE Code.

- (a) Commission of any of the acts specified in Subsection 2.1.4 of the NSHE Code.
- (b) The use of, or threat to use, force or violence against any member or guest of the System community, except when lawfully permissible.
- (c) Interference by force, threat or duress with the lawful freedom of movement of persons or vehicles on the premises of the System.
- (d) The intentional disruption or unauthorized interruption of functions of the System, including but not limited to classes, convocations, lectures, meetings, recruiting interviews and social events, on or off premises of the System.

- (e) Willful damage, destruction, defacement, theft or misappropriation of equipment or property belonging to, in the possession of or on premises occupied by, the System.
- (f) Knowing possession on any premises of the System of any firearms, explosives, dangerous chemicals or other instruments of destruction, or other dangerous weapons as defined by the laws of the State of Nevada, without the written authorization of the president of any System institution or the president's authorized agent, unless such possession reasonably relates to duly recognized System functions by appropriate members of the faculty, other employees or students.
- (g) Continued occupation of buildings, structures, grounds or premises belonging to, or occupied by, the System after having been ordered to leave by the president of a System institution or the president's designee.
- (h) Forgery, alteration, falsification or destruction of System documents or furnishing false information in documents submitted to the NSHE.
- (i) Making an accusation which is intentionally false or is made with reckless disregard for the truth against any member of the System community by filing a complaint or charges under this NSHE Code or under any applicable established grievance procedures in the System.
- (j) The repeated use of obscene or abusive language in a classroom or public meeting of the System where such usage is beyond the bounds of generally accepted good taste and which, if occurring in a class, is not significantly related to the teaching of the subject matter.
- (k) Willful incitement of persons to commit any of the acts herein prohibited.
- (l) Disorderly, lewd or indecent conduct occurring on System premises or at a System sponsored function on or off such premises.
- (m) Any act prohibited by local, state or federal law which occurs on System premises or at a System sponsored function on or off such premises.
- (n) The use of threats of violence against an employee or the employee's family in order to secure preferential treatment for grades, loans, employment or other service or privilege accorded by the System.
- (o) Any act of unlawful discrimination based on race, creed, color, sex, age, handicap or national origin or any act of employment or educational retaliation against any person who has made a complaint about such discrimination.
- (p) Any act of sexual harassment when submission to a request or demand of a sexual nature is either an explicit or implicit term or condition of employment or of academic study or grading, or where verbal or physical conduct of a sexual nature has the effect of creating an intimidating, offensive or hostile work or educational environment.

- (q) Acts of academic dishonesty, including but not limited to cheating, plagiarism, falsifying research data or results, or assisting others to do the same.
- (r) Willfully destroying, damaging, tampering, altering, stealing, misappropriating, or using without permission any system, program or file of the NSHE.
- (s) Acts of hazing. Hazing is defined as any method of initiation into or affiliation with the university or community college community, a student organization, a sports team, an academic association, or other group engaged in by an individual that intentionally or recklessly endangers another individual.
- (t) Any other conduct which violates applicable stated prohibitions, policies, procedures, rules, regulations or bylaws of the Board of Regents or a System institution.

**8.3.3 Mental or Physical Incapacity.** The inability or incapacity to perform the duties for which the faculty member is employed due to mental or physical reasons may lead to suspension or termination of employment as provided in Subsection 8.4.5 in this Chapter, due consideration being given to the provisions of NRS 284.379.

**8.3.4 Sexual Harassment.**

- (a) The Board of Regents deems the sexual harassment of students and employees to be unacceptable and prohibited.
  - 1. Because of the particularly offensive and degrading nature of sexual harassment, the danger of academic or employment retaliation for accusations of sexual harassment and the difficult and tense academic or employment environment which can result while allegations of sexual harassment are investigated or heard, it is the policy of the Board of Regents that, pending the completion of an investigation and/or disciplinary hearing into the allegations of sexual harassment, and only to the extent deemed necessary by the facts of each case, contacts between the complainant(s) and the person accused of sexual harassment shall be kept to a minimum or eliminated altogether by physical separation, assignment to other duties or classes or placement on administrative leave.
  - 2. Such action shall be deemed to be without prejudice to any person involved or determination of the truth or falsity of the allegations.
  - 3. Any such action shall be taken or maintained in such manner as to afford the least possible disruption to the day-to-day activities of the institution but the ease of reassigning students or employee subordinates in place of instructors or supervisors shall not be a factor in taking such action.

- (b) An alleged victim of sexual harassment shall have the opportunity to select an independent advisor for assistance, support and advice. The alleged victim shall be advised at the beginning of the complaint process that he or she may select an independent advisor and it shall become the choice of the alleged victim to utilize or not utilize the independent advisor. The independent advisor may be brought into the process at any time at the request of the alleged victim. The institutional affirmative action officer or the administrative officer shall advise the alleged victim of this right. The means and manner by which an independent advisor shall be made available shall be determined by each institution or unit.

## **Section 8.4 Formal Discipline**

Disciplinary action will normally follow the progressive stages. In special situations involving threats to life, limb or property the President of DRI will determine if a misconduct or failure to perform is serious enough to warrant eliminating stages 1 and 2.

Formal disciplinary procedures normally follows five stages:

- Stage 1 Formal Verbal Warning
- Stage 2 Written Warning
- Stage 3 Final Written Warning
- Stage 4 Review
- Stage 5 Appeal and Disciplinary Action

**8.4.1 Administrative Leave.** In certain cases where serious allegations have been made, including cases of gross misconduct, administrative leave may be imposed pending an investigation. Administrative leave is defined as leave for an interim period pending a disciplinary review whenever the president determines that administrative leave is required in order to 1) protect, life, limb, or property, 2) ensure the maintenance of order, or 3) remove a person from NSHE when an act of sexual harassment has been alleged against such a person and the accuser or the accused person cannot be assigned to other duties apart from each other pending the completion of an investigation and or disciplinary review into the allegation. During administrative leave an employee maintains his or her full salary and benefits but is not permitted on DRI property and has no job responsibilities.

**8.4.2 Stage 1 Formal Verbal Warning.** An employee will receive a formal verbal warning if the employee fails to respond to earlier informal discipline. At a private meeting with the employee, the supervisor will advise the employee that he or she is being given a formal verbal warning, a record of which will be put in the employee's personnel file. The warning shall include all documents and records to support the disciplinary action

The employee will also be told the improvement required and when the conduct or performance will be reviewed (not less than 20 working days). This warning will be confirmed in writing and a copy of the warning will be placed in the employee's personnel file. The employee may write a written response to this warning if he or she does not agree, which will also be placed in the employee's personnel file. All written material through stage 3, including the employee responses will be placed in the employee's personnel file.

The employee may request mediation within 5 working days of a verbal warning. The President will select the mediator and the meeting(s) and final resolution will be completed and reported in 10 working days. If both the employee and supervisor accept the mediator's recommendations the subsequent stages will be terminated. If either one does not accept the recommendations the procedure will continue. The mediation process will run concurrent with 20 working days for the next review.

**8.4.3 Stage 2 Written Warning.** If an employee does not sufficiently improve in the described period of time after the formal verbal warning, a written warning will be issued. Disciplinary warnings should specify standards required and/or the extent to which performance or conduct falls short, and as far as possible detail the remedies required to rectify the situation and the likely consequences if the required improvement is not forthcoming. The employee may write a response to this written warning if he or she does not agree. The employee will be told that a first written warning is being given, and that a copy of the warning will be retained in the employee's personnel file. The written warning will specify how the employee must improve and establish a time period (not less than 20 working days) when the conduct or performance will be reviewed. Depending on the nature and seriousness of the offence involved, a first written warning may be given where no previous verbal warning has been given (section 8.4).

**8.4.4 Stage 3 Final Written Warning.** If, following a first written warning, an employee persists in not improving conduct or performance, the Director of Human Resources and the supervisor will meet with the employee to review the increasingly serious nature of the situation, and to advise the employee that a final written warning will be issued. A copy of the warning will be retained in the employee's personnel file. The employee may write a response to this final written warning if he or she does not agree. The employee will be told that a final written warning is being issued which will indicate the improvement required and establish a time period (not less than 20 working days) when the conduct or performance will be reviewed. The employee will be advised that failure to improve his or her conduct or performance may result in disciplinary sanctions up to and including termination. In more serious cases where no verbal or written warnings have previously been given, a final written warning may be issued (section 8.4).

If required improvement in conduct or performance is not accomplished within the established time period then an investigation of the factual basis for the final written warning will be conducted to review the documents and records which support the disciplinary action and the actions to date. An administrative officer chosen by the President will conduct the investigation into the action. The employee may object to the choice of the administrative officer if a reasonable basis to believe a bias or conflict exists. The administrative officer shall investigate all material for the purposes of clarifying the facts and positions taken by the employee and the supervisor. The investigation shall be completed within 10 working days of the issuance of the charge to the administrative officer. The administrative officer shall make a written recommendation to the President as to whether a faculty review should occur (stage 4) or all disciplinary action should be dropped. The President will make the final decision within 5 working days of receiving the administrative officer's recommendation. No sanctions will be taken against an employee until the case has been investigated and the facts established.

**8.4.5 Stage 4 Review.** Stage 4 applies after the completion of Stage 3, a Division Executive Director or Vice President replaces the supervisor (if other than an Executive Director or Vice President) in conducting the disciplinary action.

The President may order any employee to be placed on administrative leave if he or she believes the situation warrants that type of action (subsection 8.4.1).

A faculty review will occur unless the employee specifically requests that a review not be conducted. If there is no review the process will move directly to sanctions. The Faculty Senate will form a review committee for the President (composed of at least three members of the faculty who are not employed in the employee's unit), which will review all documents and records and determine what additional information is needed to complete their review. During this review the employee must be able make a statement to the committee and present documents contesting the final written warning. At the chair's discretion the committee may interview witnesses. The chair will be responsible for the confidential records (written and/or taped) of all review proceedings and maintain all documents and records. The President will select the chair and the employee or supervisor may challenge any committee member if a reasonable basis to believe a bias or conflict exists. Both the Executive Director or Vice President and employee have the right to review and comment on all material prior to the final report being delivered to the President. A written recommendation of the Faculty Senate Review committee shall be submitted to the President, within 10 working days of receiving its charge. The President shall make the final decision in the matter. The President will provide both the employee and Executive Director or Vice President with a summary of the findings and his or her decision within 10 working days.

**8.4.6 Stage 5 Appeal and Sanctions.** The employee may appeal for action (in writing, within 5 working days) to the President for the following:

1. The procedures under which the person was charged are invalid or were not followed;
2. The person charged did not have adequate opportunity to prepare and present a defense to the charges;
3. The information presented for the review was not substantial enough to justify the decision; or
4. The sanction, except termination, imposed was not in keeping with the seriousness of the conduct or performance.

The employee may appeal for action (in writing, within 5 working days) to the Board of Regents for the sanction of termination.

The President or the Board of Regents, as the case may be, may:

1. Dismiss the charge
2. Affirm the charge
3. Impose a lesser or greater sanction; or
4. Order a new review.

The possible sanctions are:

1. Restitution. Is the requirement to reimburse the legal owners for a loss due to defacement, damage, fraud, theft or misappropriation of property. The failure to make restitution shall be the cause for a more severe sanction.
2. Reduction in Pay. A reduction in pay may be imposed at any time during the term of an employment contract upon compliance with the procedures established in this chapter.
3. Suspension. Exclusion from assigned duties for one or more workweeks without pay. The normal workweek for DRI employees is 40 hours. The workweek begins at 12:01 a.m. Sunday and ends 11:59 p.m. on Saturday.
4. Termination. Immediate ending of employment after the appropriate completion of all the stages in this chapter.

**8.4.7 Proceedings Concurrent.** Action under the procedures established by this chapter shall go forward regardless of other possible or pending administrative, civil or criminal proceedings arising out of the same or other events.

## **Section 8.5 Research Technologists**

Research technologists of the Desert Research Institute shall be disciplined and sanctioned only under the procedures established in the DRI Technologists Manual, as authorized by the Board of Regents. The causes resulting in disciplinary action will be the same for technologists as for other employees.

<b>Section 4.</b>	<b>Nevada Revised Statute, Chapter 396 .....</b>	<b>7</b>

## **Section 1. Introductory Statement**

The University of Nevada was created by the Nevada State Constitution. The Constitution further set forth certain requirements concerning the University of Nevada and prescribed certain powers, duties and limitations upon the Board of Regents. Pertinent provisions of the Constitution and digests of the Nevada Supreme Court decisions interpreting some of these provisions are included in this chapter.

## **Section 2. Pertinent Constitutional Provisions**

The following are provisions in the Nevada State Constitution which affect the University of Nevada:

- a. Article 11, Section 4 – Establishment of state university; control by board of regents.  
The Legislature shall provide for the establishment of a State University which shall embrace departments of Agriculture, Mechanic Arts, and Mining to be controlled by a Board of Regents whose duties shall be prescribed by Law.
- b. Article 11, Section 5 – Establishment of normal school and grades of schools; oath of teachers and professors.  
The Legislature shall have power to establish normal schools, and such different grades of schools, from the primary department to the University, as in their discretion they may deem necessary, and all Professors in said University, or Teachers in said Schools of whatever grade, shall be required to take and subscribe to the oath as prescribed in Article Fifteen of this Constitution. No Professor or Teacher who fails to comply with the provisions of any law framed in accordance with the provisions of this Section, shall be entitled to receive any portion of the public monies set apart for school purposes.

The Governor, Secretary of State, and Superintendent of Public Instruction, shall for the first four years and until their successors are elected and qualified constitute a Board of Regents to control and manage the affairs of the University and the funds of the same under such regulation as may be provided by law. But the Legislature shall at its regular session next preceding the expiration of the term of office of said Board of Regents provide for the election of a new Board of Regents and define their duties.

Article 11, Section 7 – Board of Regents: Creation; organization; appointment of members; duties. {Effective November 23, 2010, if the proposed amendment is agreed to and passed by the 2009 Legislature and approved and ratified by the voters at the 2010 General Election.}

1. There is hereby created a Board of Regents to control and manage the affairs of the University and the funds of the same under such regulations as may be provided by law.
2. The Legislature shall provide by law for:

### **Section 3. Supreme Court Interpretations**

The Nevada Supreme Court has had few occasions to interpret constitutional provisions relating to the University. However, such interpretations have great bearing on the authority of the Board of Regents and the manner in which the University is to be operated. The following are digests of these decisions as contained in Nevada Digests.

- a. Attorney general, who was added as ex officio member of board of regents by legislative act, was not entitled to discharge duties of regent because he was not elected to that position in manner provided by previously enacted sec. 2, ch. 37, Stats, 1887 (cf. NRS 396.040), provided for election of three members of such board, or by Nev. Art. 11, & 7, requiring legislature to provide for election of member of board. State ex re. Mach v. Torreyson, 21 Nev. 517, 34 Pac. 870 (1893), cited, King v. Board of Regents, 65 Nev. 533, at 544, 200 P.2d 221 (1948), distinguished, State ex. Rel. Dickerson v. Elwell, 73 Nev. 187, at 189, 313 P.2d 796 (1957).
- b. Nev. Art. 11, & 4, provides that legislature shall establish state university to be controlled by board of regents who duties shall be prescribed by law, and language of several statutes beginning 1887 that “powers and duties” of board shall be those prescribed by statutes did not establish practical construction broadening legislative authority, because where inescapable meaning of constitution is apparent from instrument itself, it is not permissible to adopt any different construction however long continued or however distinguished its authorship. King v. Board of Regents, 65 Nev. 533, 200 P.2d 221 (1948).
- c. Nev. Art. 11, & 4, provides that state university shall be controlled by board of regents and unquestioned right of legislature to appropriate required funds for maintaining university does not indicate that constitution does not best exclusive and plenary control in regents, because right to provide and limit funds is entirely different from administration and control of university itself. King v. Board of Regents, 65 Nev. 533, 200 P.2d 221 (1948).
- d. Nev. Art. 11, & 4, provides that legislature shall establish state university to be controlled by board of regents whose duties shall be prescribed by law and right of regents to control university in their constitutional, executive and administrative capacity is exclusive of such right in any other department of government, except for right of legislature to prescribe duties and for other legislative rights. King v. Board of Regents, 65 Nev. 533, 200 P.2d 221 (1948), distinguished, State ex rel Richardson v. Board of Regents, 70 Nev. 144, at 147, 261 P.2d 515 (1953).
- e. Nev. Art. 11, & 7, provides for election of board of regents to control state university, and provision of statute creating advisory board that governor appoint members from among nominees chosen by elected board did not save statute from rule that legislature is absence of express constitutional authority may not add foreign duties to or take away natural duties from constitutionally created office. King v. Board of Regents, 65 Nev. 533, 200 P.2d 221 (1948), cited, Laxalt v. Cannon 80 Nev. 588, at 592, 397 P.2d 182 (1964), distinguished, Shamberger v. Ferrari, 73 Nev. 201, at 206, 314 P.2d 384 (1957).
- f. Board of regents of university in exercise of its rule-making power under NCL & 7728 (NRS 396.110) could as to future employment revoke rule providing that member of staff could be dismissed only for cause and provide that any member of staff could be dismissed at the will of board of regents. State ex rel. Richardson v. Board of Regents, 70 Nev. 144, 261 P.2d 515 (1953).

- g. Rule that professor with tenure may be discharged only for cause, adopted by board of regents of university pursuant to NCL & 7728 (NRS 396.110), had force and effect of statute and was binding upon such board. State ex rel. Richardson v. Board of Regents, 70 Nev. 144, 261 P.2d 515 (1953).
- h. Discharge of professor by board of regents was judicial act subject to review by court on certiorari where board had adopted rule, pursuant to NCL & 772B (NRS 396.110), that professor with tenure could be discharged only for cause after hearing. State ex rel. Richardson v. Board of Regents, 70 Nev. 144, 261 P.2d 515 (1953).
- i. In original action of quo warranto to oust four defendants from office as members of the board of regents of University of Nevada, where legislature had increased membership of board from five to nine members, vacancies which existed in four new offices could be filled until next general election only by appointment by Governor, appointment of persons to fill such vacancies by legislature was without constitutional authority. State ex rel. Dickerson v. Elwell, 73 Nev. 187, 313 P.2d 796 (1957).
- j. For purposes of resolution adopted by board of regents of university that professor with tenure could be discharged only for "cause," cause did not mean any cause which board deemed sufficient cause, but rather legal cause, which touches on qualifications of person or his performance of duties, showing that he is not fit or proper person to hold office. State ex rel. Richardson v. Board of Regents, 70 Nev. 144, 261 P.2d 515 (1953).
- k. Where faculty member of university was dismissed for insubordination on ground that he had made false accusation against president of university when he opened meeting of American Association of University Professors, of which he was president, by stating that he was surprised to see so many present in view of unfair and unwarranted criticism of association by president of university, and remark referred to address to faculty by president which most members of association had heard, remark could not be considered more than a statement of opinion, could not have misled those who had heard the president's address, and was not valid ground for dismissal. State ex rel. Richardson v. Board of Regents, 70 Nev. 347, 269 P.2d 265 (1954).
- l. Where university professor was dismissed by board of regents for insubordination on grounds that he distributed to faculty, for purpose of attacking department of education and president, a magazine article that was critical of public schools, colleges of education, teachers colleges and professional educators, evidence did not support such ground where it appeared that lowering of entrance requirements was being considered, that professor distributed article to substantiate argument against lowering of requirements, that another article which was critical of the one distributed was admitted by professor to be fair criticism, that he offered to distribute that article, that dean of college of education did not regard article as attack upon him, the college, or president, that there was no disruption of faculty, and that there was university policy in effect which approved faculty participation in academic matters. State ex rel. Richardson v. Board of Regents, 70 Nev. 20, at 24, 293 P.2d 424 (1956), Oliver v. Spitz, 76

Nev. 5, at 10, 348 P.2d 158 (1960), *Urban Renewal Agency v. Iacometti*, 79 Nev. 113, at 119, 379 P.2d 466 (1963).

- m. "Insubordination" which would warrant dismissal of university professor imports willful disregard of express or implied directions, or such defiant attitude as to be equivalent thereto. *State ex rel. Richardson v. Board of Regents*, 70 Nev. 347, 269 P.2d 265 (1954).
- n. Where annually published bulletin of state university contained rules for its government, description of its organization, and report of its activities, continued appropriations by legislature and allowance of claims for bulletin from year to year could be said to constitute legislative approval of matters reported. *King v. Board of Regents*, 65 Nev. 533, 200 P.2d 221 (1948).
- o. Professor received tenure with Desert Research Institute only, and not in University and Community College System of Nevada as whole because at time tenure was granted he was employed solely as DRI staff member who taught no more than one course per term in University, and DRI, as established by NRS 396.795 and 396.7953, was separate University division operating under personnel policy and procedure distinct from normal University policies. *Winterberg v. University of Nevada System*, 89 Nev. 358, 513 P.2d, 1248 (1973).
- p. Order enjoining University of Nevada Board of Regents from discontinuing uneconomic University-operated food service and laying off classified employees in order to obtain such services from independent contractor was reversed on appeal where record clearly established that Regents acted in good faith to effect real, and not fundamentally sham, reorganization for substantial rather than arbitrary and capricious reasons. Although "good faith" alone would not justify layoff of classified employees and engaging independent contractor under NRS 2874.380 and 284.173, regularity of official action was presumed and burden was on party challenging action to show that action was in bad faith, fundamentally a sham, or was taken arbitrarily, capriciously, or for insubstantial reasons. *University of Nevada v. State Employees Association*, 90 Nev. 105, 520 P.2d, 602 (1974).
- q. Review of record established that nontenured probationary faculty member at the University of Nevada, Las Vegas received a notice of termination sufficient to satisfy the mandate of the University and Community College System of Nevada Code and thus, his termination was lawful. *Edwards v. The Board of Regents of the University of Nevada, et al*, 92 Nev. 744, 557 P.2d 709 (1976).
- r. Statute requiring all personnel actions taken by state, county or municipal departments, agencies, boards or appointing officers to be based solely on merit and fitness reasonably and properly imposes upon the governing board of the University of Nevada the obligations that it imposes on other state, county and municipal boards, namely the obligation to make hiring and retention decisions on the basis of merit and fitness and not on an immaterial factor such as age, sex, race, color, creed or national origin. *Board of Regents v. Oakley*, 97 Nev. 605, 637 P.2d 1199 (1981).

- s. The Legislature may not invade the constitutional powers of the Board of Regents of the University of Nevada through legislation which directly interfaces with essential functions of the university. Board of Regents v. Oakley, 97 Nev. 605, 637 P.2d 1199 (1981).

2. In any determination of whether or not any proposed securities meet the earnings test limiting their issuance as provided in subsection 1 of this section:

5. There must be excluded from the calculations required by subsections 1 to 4, inclusive, the proceeds of any general fund fee or fees to be pledged to the payment of the securities (other than any securities issued solely for the purpose of funding or refunding or both funding and refunding outstanding securities). Nothing contained herein nor in any other law of this state shall be construed to permit the Board to call on its behalf or on behalf of the Board or University bonds or other securities now or hereafter outstanding for prior redemption in order to fund or refund such securities or in order to pay them prior to their stated maturities, unless the right to call such securities for prior redemption was specifically reserved and stated in such securities at the time of their issuance, and all conditions with respect to the manner, price and time applicable to such prior redemption as set forth in the proceedings authorizing the outstanding securities are strictly observed. It is the intention of this subsection to make it certain that the holder of no outstanding bond or other security may be compelled to surrender such security for funding or refunding prior to its stated maturity or optional date of prior redemption expressly reserved therein, even though such funding or refunding might result in financial benefit to the Board or University.

3. Notwithstanding the provisions of subsection 2 of this section or of any other law, this state, acting by and through the State Board of Finance, may agree with the University or its Board to exchange any outstanding bonds or other securities of the University or the Board and held by the State, or any agency, corporation, department or other instrumentality of the State, for funding or refunding bonds or other funding securities of the University or the Board, or otherwise to surrender at such price and time and otherwise upon such conditions and other terms and in such manner as may be mutually agreeable such outstanding bonds or other securities to the Board for funding or refunding at any time prior to their respective maturities or to any date as of which the Board has the right and option to call on its behalf or on behalf of the University such outstanding bonds or other securities for prior redemption as expressly provided in the outstanding securities and any resolution, trust indenture or other proceedings authorizing their issuance.

4. Any provision herein concerning the refunding of outstanding bonds includes any outstanding securities evidencing long-term loans to the University or the Board regardless of whether such securities are designated as bonds, certificates, single certificates or otherwise.

Provision must be made for paying the securities within that period.

2. The maturity of any bond refunded may not be extended beyond 25 years, or beyond 1 year next following the date of the last outstanding maturity, whichever limitation is later, nor may any interest thereon be increased to any rate which exceeds by more than 3 percent the Index of Revenue Bonds which was most recently published before the bids are received or a negotiated offer is accepted.

3. The principal amount of the refunding bonds may exceed, be less than or be the same as the principal amount of the bonds being refunded so long as provision is duly and sufficiently made for their payment.

5. Such proceeds and investments in escrow or trust, together with any interest or other gain to be derived from any such investment, shall be in an amount at all times at least sufficient to pay principal, interest, any prior redemption premiums due, and any charges of the escrow agent or trustee and any other incidental expenses payable therefrom, except to the extent provision may have been previously otherwise made therefor, as such obligations become due at their respective maturities or due at designated prior redemption date or dates in connection with which the Board shall have exercised or shall be obligated to exercise a prior redemption option on its behalf or on behalf of the University.

6. The computations made in determining such sufficiency shall be verified by a certified public accountant licensed to practice in this state or in any other state.

The amounts of the installments must not be less than \$50 and may be calculated to allow a smaller payment at the beginning of the period of repayment, with each succeeding payment gradually increasing so that the total amount due will have been paid within the period for repayment. The period for repayment of the loans must be:

Users of NSHE computing services, data and facilities are responsible for appropriate and legal use. Appropriate use of system computing resources means 1) respecting the rights of other computer users, 2) protecting the integrity of the physical and software facilities, 3) complying with all pertinent license and contractual agreements, and 4) obeying all NSHE regulations and state and federal laws.
  - b. Students enrolled in kindergarten through twelfth grades using NSHE computing facilities and networks for K-12 classes and activities must abide by school district and NSHE policies. K-12 students enrolled in NSHE courses will be treated as NSHE students and therefore must abide by NSHE policies.
  - c. Inappropriate use of computing or networking resources, as defined in this section may result in the loss of computing privileges. If a violation of appropriate use occurs, a warning will first be given, notifying the individual that their action violates policy or law and that their access will be suspended if the action continues. All NSHE Code and campus by-laws shall be followed if the need to suspend computing privileges from faculty, staff, or students occurs. However, if the security and operation of the computing systems or networks are jeopardized, access may be immediately cancelled.
  - d. In congruence with *Nevada Revised Statutes* (NRS) 281.481, NSHE employees shall not use the NSHE computer resources to benefit their personal or financial interest. However, in accordance with NRS 281.481(7), limited use for personal purposes is allowable if the use does not interfere with the performance of an employee's duties, the cost and value related to use is nominal, and the use does not create the appearance of impropriety or of NSHE endorsement. Personal use shall not interfere with official institutional use. An employee who intentionally or negligently damages NSHE computing resources shall be held responsible for the resultant expense. These policies also apply to NSHE students.

- e. A NSHE account given to students, faculty, and staff is for the use only of the person to whom it is given. Unauthorized access or privileges are not allowed. In electronic communication such as mail, the user should not misrepresent his or her identity. No user should attempt to disrupt services of the computing and network system, including the knowing propagation of computer viruses or the bombardment of individuals, groups, or the system with numerous repeated unwanted messages.
3. Privacy Issues: The NSHE provides security measures to protect the integrity and privacy of electronic information such as administrative data, individual data, personal files, and electronic mail. All FERPA (Family Educational Rights and Privacy Act) requirements are followed. Users must not circumvent security measures. While computing resources are System property and all rights are retained regarding them, these rights will be balanced with a reasonable and legitimate expectation that technical staff and administrators will not casually or routinely monitor traffic content or search files. The content of files shall only be examined when there is a reasonable suspicion of wrongdoing or computer misconduct as determined by the institution President or his or her designee. Examination of files shall be limited to the matter under consideration. Disciplinary matters involving computer and network systems shall be handled in accordance with Chapter 6 of the NSHE Code. Within the limits of the capability of the computer system, NSHE shall protect the legitimate privacy interests of users and those about whom information is stored.
4. Software Management Responsibility: Users of NSHE computing resources are responsible for the legality of their software at all times. Data or software written or created by NSHE staff or students must not be copied or used without the author's permission. All commercial software must be licensed. Users must be aware of the license conditions and should never copy software without consulting the license agreement. Evidence of legal ownership is required. Individual employees and students are responsible for not installing illegal computer software on NSHE equipment. All NSHE institutions will enforce copyright laws and provide appropriate software management controls.
5. Internet Policy
- The NSHE agreement with the provider for Internet access prohibits:
- attempted unauthorized access or destruction of any customers' information;
  - knowingly engaging in any activities that will cause a denial-of-service to any customers; and
  - using products and services to interfere with the use of the network by other customers or authorized users, or in violation of the law or in aid of any unlawful act.
6. Legal Context: All federal and state laws, NSHE Code and regulations, and individual institutional policies are applicable to computer and network usage. Violation of NSHE Code provisions may result in disciplinary action. Violation of applicable laws may result in civil damages and criminal sanctions under state and federal law. Applicable statutes are summarized by System Computing Services and NSHE legal staff and can be found on the NSHE homepage on the World Wide Web. This list is by no means exhaustive, but it provides the individual user an overview of the provisions of these and other statutes as they relate to computer use.

(B/R 6/99)

7. Information Security Policy: It is the policy of the Board of Regents that sensitive data maintained or transmitted by an NSHE institution must be secure. For the purposes of this section, "sensitive data" means any data associated with an individual, including but not limited to social security number and data that is protected by Board policy, or state or federal law.
- a. Each NSHE institution must develop an information security plan that includes policies, standards, and/or procedures that describe and require appropriate steps to protect sensitive data that is maintained on an institution's computing devices or transmitted across a public network such as the Internet. The plan must provide for the encryption of personal information when transmitted electronically, or stored on any device that moves beyond the physical control of the institution or its data storage contractor, and for any additional protections required by Chapter 603A of Nevada Revised Statutes. Institutional policies must include the requirements for the eradication of data when computers are sent to surplus or repurposed. Institutions must be aware of all areas that data are stored, both physically and electronically, and must audit these areas annually to ensure that sensitive data are retained or destroyed as appropriate. The plan must include policies and procedures to be followed in the event that sensitive data is released inappropriately, including but not limited to the appropriate disclosure of the breach of sensitive data pursuant to Nevada Revised Statutes 603A.220. The Vice Chancellor for Information Technology shall establish guidelines for the development of institutional information security plans.
  - b. Pursuant to the Privacy Act of 1974 (Public Law 93-579), each institution requesting that an individual disclose his or her social security number must inform that individual whether that disclosure is mandatory or voluntary, by what authority the number is solicited, and what uses will be made of it.
  - c. Each NSHE institution must adhere to the disclosure requirements established pursuant to Nevada Revised Statutes 239B.030.
  - d. Each NSHE institution must designate an individual to perform the function of Information Security Officer who is responsible and has authority to implement compliance with this policy. The responsibilities of the Information Security Officer shall include, implementing the institutional information security plan, developing data risk assessment strategies to identify vulnerabilities and threats to information resources, providing for incident response planning and notification procedures, conducting information security awareness training and education, and ensuring compliance with NSHE and institution policy and federal and state law pertaining to the protection of sensitive information. The Information Security Officer will participate in NSHE-wide information security meetings, programs, and collaborative efforts.

(B/R 12/09)

### **Section 23. Support for Dual-Career Couples**

The NSHE recognizes both the growing frequency and importance of dual-career couples in the academic workplace and the importance of addressing their needs in order to secure the recruitment and retention of the most highly qualified faculty and staff. Accordingly, if a current employee, or a person who has received an offer of employment, requests assistance in locating employment opportunities for another person, it is the policy of the NSHE to extend limited assistance.

Within the framework of the following guidelines, institutional personnel will provide information identifying appropriate employment opportunities. In addition, employment information and resources relevant to identifying potential positions should be shared among NSHE campuses.

Assistance in seeking employment is governed by the following conditions.

1. Assistance may in no way interfere with, replace, supersede or compromise the integrity of each NSHE institution's normal hiring policies and practices.
2. Assistance remains in compliance with all affirmative action and equal employment opportunity requirements.
3. Assistance will be provided regardless of the rank, classification or function of the person requesting assistance.
4. Assistance is neither a guarantee nor a promise of employment. It is the responsibility of each institution to ensure that all parties clearly understand that no employment, or offer of employment, includes a promise or expectation that the institution will find or provide employment for another person.
5. The specific nature of assistance shall be determined by the institution. Information on opportunities should not be restricted to positions within the NSHE, but may include potential job listings with state and local government, non-profit organizations and private companies as well as listings with the NSHE.

(B/R 4/00)

#### **Section 24. Use of External Lobbyists**

1. A member institution or special unit of the System may not engage the services of an independent entity or person to perform lobbying services within the State of Nevada without obtaining the prior approval of the Chancellor. (B/R 08/00)
2. A member institution or special unit of the System may not assign an employee to perform lobbying duties without obtaining the prior approval of the Chancellor. If approved by the Chancellor, the employee must be officially registered as a lobbyist with the State of Nevada. The Chancellor may revoke approval at any time. (B/R 3/04)
3. A NSHE registered lobbyist shall provide a copy of required State of Nevada expense reports to the Chancellor and to the Board Chair at the time the reports are submitted to the state. (B/R 3/04)
4. The Chancellor shall have the authority to establish internal policies governing the activities and reporting relationships of any persons approved to perform lobbying services. (B/R 3/04)

## **Section 25. Personal Use of System Property or Resources**

In accordance with *Nevada Revised Statutes* (NRS) 281.481, NSHE employees shall not use NSHE time, property, equipment, or other facility to benefit their personal or financial interest. However, as provided in NRS 281.481(7), limited use for personal purposes is allowable if the use does not interfere with the performance of an employee's duties, the cost and value related to the use is nominal, and the use does not create the appearance of impropriety or of NSHE endorsement. Personal use shall not interfere with official institutional use.

Personal use of NSHE time, property, equipment, or other facility must be approved in advance by the employee's supervisor. If the institution or unit incurs a cost as a result of a use that is authorized pursuant to this policy or would ordinarily charge a member of the public for the use, the employee shall promptly reimburse the cost or pay the charge. An employee who intentionally or negligently damages NSHE property, equipment, or other facility shall be held responsible for the resultant expense.

(B/R 1/02)

## **Section 26. Disclosure of Student Education Records and Directory Information.**

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student educational records of both current and former students. Each NSHE institution is required to comply fully with the law. The Act makes a distinction between a student's education record and information classified as directory information. FERPA gives parents certain rights with respect to their children's education records. These rights transfer solely to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are defined as "eligible students" in the Act.

1. Education Records. Institutions must have written permission from the parents or eligible student in order to release any personally identifiable information from a student's education record. However, under certain conditions FERPA allows institutions to disclose those records, without consent, to the following parties or under the following conditions:
  - a. School officials<sup>1</sup> with legitimate educational interest<sup>2</sup>;
  - b. Other schools to which a student is transferring;
  - c. Specified officials for audit or evaluation purposes;
  - d. Appropriate parties in connection with financial aid to a student;
  - e. Organizations conducting certain studies for or on behalf of the institution
  - f. Accrediting organizations;

---

<sup>1</sup> The NSHE definition of "school official" is "a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor, or collection agenda); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievances committee, or assisting another school official in performing his or her tasks."

<sup>2</sup> For NSHE purposes, a school official is determined to have legitimate educational interest if the information requested is necessary for that official to (a) perform appropriate tasks that are specified in his or her position description or by a contract agreement; (b) perform a task related to a student's education; (c) perform a task related to the discipline of a student; (d) provide a service or benefit relating to the student or student's family, such as health care, counseling, job placement, or financial.

- g. To comply with a judicial order or lawfully issued subpoena, provided that the institution makes a reasonable attempt to notify the student in advance of compliance
  - h. Appropriate officials in cases of health and safety emergencies; and
  - i. State and local authorities, within a juvenile justice system, pursuant to specific state law.
2. **Directory Information.** Under the provisions of FERPA, institutions may disclose, without consent, directory information to individuals upon request for enrolled and former students of the institution only. A disclosure of directory information is discretionary on the part of the institution. Directory information is defined in the Act as information contained in an education record of a current or former student which would not generally be considered harmful or an invasion of privacy if disclosed. The Nevada System of Higher Education designates the following information as directory information for students:
- a. Name;
  - b. Participation in officially recognized activities and sports;
  - c. Address;
  - d. Telephone number;
  - e. Weight and height of members of athletic teams;
  - f. Email address;
  - g. Degrees, honors, and awards received;
  - h. Major field of study;
  - i. College;
  - j. Dates of attendance;
  - k. Date of graduation;
  - l. Undergraduate and graduate status;
  - m. Most recent educational agency or institutions attended; and
  - n. Enrollment status (full-time or part-time).
3. **Notification Requirements.** Each NSHE institution shall annually disclose the definition of directory information in writing and provide a form on which students may elect to be removed from the directory listing under three options. The annual notification and form must be published within the first 5 pages of the institutional catalog and each class schedule. A common statement about the uses of directory information shall be provided on the form.
- a. **Privacy Statement.** The Chancellor shall develop a privacy statement that shall be included on the institutional form used by students for requesting the non-disclosure of directory information.
  - b. **Request for Non-disclosure of Directory Information.** Students shall be permitted until the end of the first 6 weeks of the fall or spring semester to submit a request for non-disclosure of their directory information. The deadline shall be published in the academic calendar of each institution. The submission of a request for non-disclosure of directory information at one NSHE institution will apply at all NSHE institutions. Students shall be permitted to select one of three non-disclosure options:
    - i. Non-disclosure for commercial purposes.
    - ii. Non-disclosure for non-commercial (educational) purposes.
    - iii. Non-disclosure for both commercial and non-commercial (educational) purposes.

“Commercial purposes” is defined as the use of directory information by any person, including, without limitation, a corporation or other business, outside of the NSHE to solicit or provide facilities, goods, or services in exchange for payment of any purchase price, fee, contribution, donation, or other valuable consideration.

Non-commercial educational purposes may include, but are not limited to, placing the student’s name in publications such as honors and graduation programs; confirming graduation and dates of attendance to potential employers; verifying enrollment with organizations such as insurance companies; or sending notifications about specialized scholarships without the express written authorization of the student.

- c. Applicability. The request for non-disclosure shall apply permanently to the student’s record at all NSHE institutions until or unless the student or former student requests to reverse the non-disclosure order.
4. Sale of Directory Information. Student directory information for current and former students cannot be sold or rented for a fee by a NSHE institution.  
(B/R 6/09)

#### **Section 27. Records Retention Policy**

The NSHE shall follow the records retention schedule approved by the State Records Committee under the *General Records Retention Schedule* effective February 18, 1994, and distributed by the Nevada State Library and Archives, Records Management Program.  
(B/R 10/04)

#### **Section 28. Privacy of Protected Health Information**

##### 1. General Statement

This statement of policy relates to the use, disclosure, and security of protected health information coming into the possession of various schools, departments, programs, individual employees (acting in the course and scope of employment) of NSHE and its respective institutions. The United States Department of Health and Human Services has adopted certain regulations governing the privacy of protected health information pursuant to the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). In addition, state law may impose restrictions on the use or disclosure of health information that are more stringent than the federal regulations. NSHE is committed to following the applicable requirements of federal and state law governing the privacy of protected health information, and has developed a general implementation plan.

##### 2. Scope of Policy

The NSHE Privacy and Security Officers shall assist the Chancellor in developing policies and procedures, training, implementation and administration of federal and state laws governing privacy and security of protected health information, as that term is defined in HIPAA regulations. In addition, each institution with designated health care components is encouraged to appoint privacy and security officers. The ultimate authority for implementation and administration, however, resides with the Chancellor.

### 4. Designation of Health Care Components of NSHE

The Chancellor, in consultation with institution Presidents, the NSHE Privacy Officer, Vice Chancellor of Legal Affairs, and impacted programs and departments, will designate the appropriate health care components of NSHE and each of its institutions. These health care components are subject to the requirements of HIPAA. The Chancellor has the authority to add to, remove or modify these designations as may be required. (B/R 2/05)

### 5. Objective

The Board's objective is to require all health care components of NSHE to develop and maintain adequate procedures and security to meet state and federal requirements governing protected health information in order to ensure the integrity and confidentiality of the information, to protect against any reasonably anticipated threats to the security of protected health information, and to guard against unauthorized uses or disclosures of protected health information.

- 2. Resident physicians and postdoctoral fellows, as defined in Title 4, Chapter 7 of the Board of Regents Handbook, and DRI Research Technologists, are excluded from the provisions of this section.
  
- 3. Each member institution or special unit may establish a committee to assist each institution or special unit in identifying positions, which may be established in either the professional or the classified staff of the Nevada System of Higher Education. This section shall not be deemed to apply to custodial, clerical or maintenance employees of the Nevada System of Higher Education who are in the classified service of the State of Nevada as provided for in *Nevada Revised Statutes* 284.140(6).  
(B/R 10/04)

### **Section 3. Faculty Workload Policy**

1. The Board of Regents of the Nevada System of Higher Education recognizes the distinct and unique missions of its member institutions, each of which serves the needs of the citizens of the State of Nevada through a combination of quality teaching, scholarly research or creative activity, and service. The way in which these activities are combined to set the individual faculty member's workload depends primarily on the mission of the institution and the constituencies it serves.
2. The NSHE Code defines the primary areas of faculty responsibility for all higher education institutions in Nevada, and these areas are reinforced throughout the Code in standards for tenure and annual evaluation.
3. With the exception of faculty members at the Desert Research Institute, all NSHE instructional faculty members are expected to teach; develop curriculum; conduct other instructional activities including advising, grading, and preparing for classes; maintain currency in their academic discipline; and perform public and professional service, service to the institution, and similar academic activities. In addition, at the universities, state college and Desert Research Institute, academic faculty members are expected to conduct scholarly research or creative activity.
4. Consistent with the principles identified herein, and consistent with their mission, the NSHE institutions shall have substantial autonomy to select and determine the relative importance of faculty activities in the areas of teaching, scholarly research or creative activity, and service. The distribution of responsibilities should take maximum advantage of the talents of individual faculty members and may reflect differences among academic disciplines.
5. The Board of Regents affirms that the duties in each of these areas are essential elements of the work of the faculty and must be viewed as a whole whenever faculty workload and productivity are measured and reported. Faculty workload cannot and should not be measured solely by the time spent by the faculty member in the classroom.
6. In recognition of its commitment to accountability and productivity, the Board of Regents will regularly compile information regarding faculty workloads. To aid in this process, the following expected teaching workloads at NSHE institutions shall be established:
  - a. At the universities, an expectation of 18 instructional units per academic year, or 9 units each semester. For individual faculty heavily involved in doctoral-level education, the expected load would be an average of 12 instructional units per academic year, or 6 units per semester.
  - b. At the state college, an expectation of 24 instructional units per academic year, or 12 units each semester.
  - c. At the community colleges, an expectation of 30 instructional units per academic year, or 15 units per semester.
  - d. As it applies to a, b, and c, reassignments from the expected teaching load as well as course overloads must be approved in advance by the appropriate vice, president, president, or at an alternative level to be determined by the institution.

- e. The aforementioned expectations do not apply to the instructional faculty of the University of Nevada School of Medicine, the UNLV School of Dental Medicine, and the William S. Boyd School of Law.
7. It shall be the responsibility of the president of each NSHE institution to establish justifiable, equitable instructional workload standards through a process of shared governance with the faculty. It is expected that the institutional policies will provide detailed guidelines for equivalent teaching load credit as well as adjustments of workloads that reflect different kinds of instruction – including, but not limited to, distance education, rural education, internet instruction, vocational education, and clinical education. The policies should also take into account non-instructional activities that may be essential to the work of faculty in particular disciplines and provide equitable recognition for extra contact hours that faculty spend with students in courses that involve studios, laboratories, clinics, independent study, thesis and dissertation, internships, and similar activities related to instruction.
8. In the fall of every even-numbered year, the Chancellor shall compile a System report on faculty workloads at NSHE institutions.
9. The Board of Regents encourages NSHE institutions to participate in national, benchmarked studies, and their participation shall be facilitated by System staff.  
(B/R 8/04)

#### **Section 4. Evaluations**

1. The NSHE Code, Chapter 5, Section 5.12.1 and 5.12.2, establishes that written performance evaluations of academic faculty and administrative faculty shall be conducted at least once annually by department chairs, supervisors or heads of administrative units. One of the purposes of annual performance evaluations is to provide constructive, developmental feedback to the faculty member. (B/R 9/05)
2. All performance evaluations shall include a rating of (i) “excellent,” (ii) “commendable,” (iii) “satisfactory,” or (iv) “unsatisfactory.” No other rating terminology shall be used. The areas of evaluation and procedures for evaluation of academic faculty and administrative faculty are established in institutional bylaws. Evaluations of instructional faculty shall include an assessment of teaching evaluations completed by their students. The performance evaluations of executive and supervisory faculty shall include consultation with the professional and classified staff of the appropriate administrative unit. The evaluation of the presidents and the chancellor shall follow guidelines approved by the Board of Regents.
3. The annual performance evaluation of tenured faculty is addressed in NSHE Code, Chapter 5, Section 5.12.
4. Academic and administrative faculty shall, upon request, have access to materials used by the supervisor in writing the evaluation, including the results of, but not the originals of, student evaluations and comments, and in the case of administrative faculty whose evaluations include surveys, the results of, but not the originals or copies of, such surveys. In responding to such a request, the supervisor must ensure the anonymity of the students and the survey respondents. With the exception of the results of such student evaluations and comments and such surveys, anonymous materials shall not be considered by the supervisor.

5. Academic and administrative faculty who disagree with the supervisor's evaluation may submit a written rejoinder, and where authorized by the institution bylaws as provided for in Section 5.16 of the NSHE Code, request a peer evaluation. The supervisor's official evaluation and the faculty member's rejoinder and/or peer evaluation will be retained in the faculty member's personnel file along with other recommendations from a review process. If a peer evaluation, or any other review process result in a recommendation that the initial evaluation be changed, that recommendation shall be forwarded to the President or designee of the institution, who, at his or her discretion, may change the faculty member's evaluation by means of an addendum attached to the front of the evaluation stating how the evaluation is being changed and the reasons for the change. If the President or designee does not change the evaluation, the reasons shall also be stated by means of an addendum attached to the front of the evaluation. The President or designee shall sign the addendum and provide a copy to the faculty member. (B/R 12/06)
6. Academic or administrative faculty members receiving an overall rating of "unsatisfactory" on their evaluation shall be provided with constructive feedback in the written evaluation for improving their performance. This constructive feedback must include a written plan for improvement, which must be specific and must be provided at the time of the first "unsatisfactory" rating.
7. Academic faculty in tenure-track positions shall, in addition to the annual written evaluation, be entitled to a written mid-tenure review of their progress toward tenure. The procedures for the review shall be described in each institution's bylaws. Notwithstanding a positive mid-tenure review, the award of tenure remains a discretionary act as provided in the Nevada System of Higher Education Code.  
(B/R 1/04)

## **Section 5. Credentials for Community College Faculty**

A minimum of a master's degree is required for instruction in baccalaureate-level courses or an appropriate combination of education and experience. A bachelor's degree, or appropriate experience in lieu of a post-secondary education, is required for instruction in occupational courses. (B/R 12/89)

## **Section 6. Advanced Degrees**

A faculty member may be permitted to become a candidate for an advanced degree outside his/her own department if the request to do so is approved by the appropriate graduate school committee, the graduate dean, and the president. (B/R 5/79)

## **Section 7. Nepotism**

1. It is the policy of the Nevada System of Higher Education that none of its employees or officers shall engage in any activities that place them in a conflict of interest between their official activities and any other interest or obligation. Conflict of interest requires all employees and officers to disqualify themselves from participating in a decision when a financial or personal interest is present.

2. The *Nevada Revised Statutes* 281.210 and the *Nevada Administrative Code* 284.375 and 284.377 prohibit the employment of relatives under certain circumstances. Except for relationships allowed pursuant to those documents, no employing authority of the NSHE may appoint a person to an employment position if, upon the appointment, the person will be the immediate supervisor or will be in the direct line of authority of any relative of a NSHE employee within the third degree of consanguinity or affinity.

Exceptions to this policy must have the prior written approval of the employing authority (defined as the President or Chancellor, as the case may be), along with a written agreement detailing the manner in which conflicts of interest will be ameliorated. The source of funding to pay a newly hired employee may not serve as a basis to waive the restrictions of this policy. A contractual relationship between a Regent and a NSHE institution is subject to the limitations contained in NRS 396.122.

3. Consanguinity is a blood relationship within a family of the same descent. Affinity is a marriage or other legal relationship (such as adoption) formally recognized by the State of Nevada. Relationships within the third degree of consanguinity or affinity are defined as:
  - (a) The employee's spouse, child, parent, sibling, half-sibling, or step-relatives in the same relationship;
  - (b) The spouse of the employee's child, parent, sibling, half-sibling, or step-relative;
  - (c) The employee's in-laws, aunt, uncle, niece, nephew, grandparent, grandchild, or first cousin.
4. Members of the Board of Regents must report on an annual disclosure form when a relative within the third degree of consanguinity or affinity is hired by a NSHE institution. (B/R 1/03)
5. Except for relationships allowed pursuant to *Nevada Revised Statutes* 281.210 and *Nevada Administrative Code* 284.375 and 284.277, if a supervisor and an employee who is in the direct line of authority of the supervisor become related after the supervisor and employee have been appointed to their respective positions, the appointing authority shall ensure that, as soon as practicable, the employees do not continue to hold positions in which one of the employees is in the direct line of authority of the other employee.
6. A supervisor who becomes related to an employee in the direct line of authority of the supervisor shall notify the appointing authority within 10 working days after the supervisor and employee become related.
7. Upon receiving notification of a relationship from a supervisor pursuant to paragraph 4, the appointing authority may request a recommendation from each of the employees for appropriate action to be taken to alter the line of authority. In determining the manner in which to comply with this policy, the appointing authority is not required to accept a recommendation from the employees involved.
8. A person serving in a supervisory position may not participate in decisions regarding hiring, reappointment, placement, evaluation, rate of pay, salary increases, promotion, tenure, monetary awards, or other personal interest for a relative employed by the NSHE, as defined in paragraph 3, even when the supervisor is not in the direct line of authority.

9. In enforcing this policy, each NSHE institution should avoid any appearance of impropriety as well as any potential conflict of interest.
10. NSHE institutions may establish additional nepotism policies and procedures as long as they do not conflict with the NSHE nepotism policy or with state laws and regulations.
11. Violators of this policy may be subject to NSHE disciplinary action as well as sanctions stipulated in the Nevada Revised Statutes and Nevada Administrative Code.  
(B/R 10/02)

**Section 8. Compensated Outside Professional Services**

(For DRI Faculty Members, See Title 4, Chapter 11, Sec. 12)

1. Outside professional or scholarly service by faculty members within their subject matter field and for compensation is recognized as a legitimate activity unless specifically prohibited by the employee's contract with the institution.
2. Outside professional or scholarly service as contemplated by this section shall not interfere with the performance of the duties of any faculty member. If taken during the faculty member's standard workweek, such service shall occupy no more than one day's equivalent time per work week (20%) for full-time faculty members. Faculty members on 12-month contracts must take annual leave if providing outside professional or scholarly service during the standard work week. For the purposes of this paragraph, annual leave is not required to be taken if the activity is scholarly in nature and advances the reputation of the institution, such as serving on a national review board, and the amount of compensation, above expenses, is less than the monetary value of taking a half-day leave.
3. No faculty member may undertake outside professional or scholarly service that would result in a conflict of interest with his or her assigned duties. Conflict of interest means any outside activity or interest that may adversely affect, compromise, or be incompatible with the obligations of an employee to the institution.
4. Faculty members performing compensated outside professional or scholarly service are subject to the code of ethical standards of the State of Nevada (NRS 281A.400-281A.660), which governs the conduct of public officers and employees.
5. A faculty member may not perform an official act on behalf of the institution that directly benefits a business or other undertaking in which he or she either has a substantial financial interest or is engaged as counsel, consultant, representative, agent, director, or officer. This prohibition is not intended to limit a faculty member's ability to enter into a contract between a governmental entity, the institution, and a private entity to the extent authorized by and in conformity with NRS 396.255, NRS 281.221(3), NRS 281.230(3), NRS 281A.430(3), the Board of Regents Intellectual Property Policy (Title 4, Chapter 12, Sections 1-8), and the Board of Regents Conflict of Interest Policy (Title 4, Chapter 10, Section 1.7).

6. For the purpose of this section, potential conflicts of interest include a faculty member's involvement in transactions or decisions on behalf of an institution, in which the faculty member knows that benefits accrue to individuals in the faculty member's household, persons to whom the faculty member is related by blood, adoption or marriage within the third degree of consanguinity, or persons with whom the faculty member has substantial and continuing outside business relationships.

Relationships within the third degree of consanguinity or affinity are defined as:

- (a) The faculty member's spouse, child, parent, sibling, half-sibling, or step-relatives in the same relationship;
  - (b) The spouse of the faculty member's child, parent, sibling, half-sibling, or step-relative;  
or
  - (c) The faculty member's in-laws, aunt, uncle, niece, nephew, grandparent, grandchild, or first cousin.
7. Full-time faculty members engaged in providing compensated outside professional or scholarly service shall provide advance notification in writing to their immediate supervisor about the nature of the work to be performed, the company/organization for which the work will be performed, and the estimated time involved. The request must be approved in advance by the supervisor within 10 working days. Individual requests to perform outside professional or scholarly service shall be considered confidential personnel documents pursuant to Title 2, Chapter 5, Section 5.6.2.
  8. When a supervisor believes that a conflict exists with obligations currently incurred or assumed by the institution regarding a faculty member's consulting activities, the supervisor shall inform the faculty member of these concerns and negotiate a mutually acceptable course of action. If a mutually acceptable course of action cannot be negotiated, the appropriate vice president or vice chancellor, as the case may be, will hear and evaluate the evidence and render a decision, or appoint a review committee if necessary. The vice president or vice chancellor may require the faculty member to cease performance of existing obligations while the faculty member remains a NSHE employee.
  9. Faculty members performing compensated outside professional or scholarly service shall inform those who engage them that they are not acting in the name of the institution and that the institution is not a party to the contract nor liable for any actions of such faculty member.
  10. In negotiating for a contract for outside compensated professional or scholarly services, faculty members shall not use institutional stationery or forms in any manner.
  11. Full-time faculty members may make a general announcement of their availability as consultants but may not solicit consulting assignments.
  12. Faculty members working independently on their own time may obtain patents or copyrights on the results of their work.
  13. Faculty members performing compensated outside professional or scholarly service are subject to the Board policy on personal use of System property or resources (Title 4, Chapter 1, Section 25). A faculty member working independently on an outside-compensated contract shall not use NSHE facilities, equipment or personnel unless such use is authorized in advance by the supervisor. Reimbursement of any costs to the institution shall be in accordance with Title 4, Chapter 1, Section 25.

14. It is the responsibility of each full-time faculty member to timely report outside compensated services and to certify the accuracy of the disclosures. Failure to accurately and timely disclose outside compensated services constitutes a basis for disciplinary action under Title 2, Chapter 6. Records are to be kept annually by the dean or appropriate vice president, or vice chancellor as the case may be, of all approved consulting activities in each department or division.
  15. Each NSHE institution shall publish an annual report regarding compensated outside professional or scholarly service completed by its full-time faculty (aggregate data) and approved by the institution in accordance with the provisions of this section. This report will verify that all potential conflicts of interest have been reviewed and approved in accordance with the provisions of this section. A summary of these reports will be sent to the Board of Regents annually.
- (B/R 12/09)

### **Section 9. Death Benefits**

1. Pursuant to *Nevada Revised Statutes* 281.155, if a faculty member has filed a signed, written designation of beneficiary, the final payment of compensation due a deceased faculty member, as provided in this section, shall be released to the designated beneficiary. If the deceased faculty member has not filed such a signed, written designation of beneficiary, the final payment is a part of the faculty member's estate and shall be paid to the estate.

"Final payment" means the net amount due the employee after the deduction of all withheld sums from the faculty member's gross compensation.

2. In addition to any benefits which may be paid to a beneficiary, or to an estate if there is no beneficiary, of a deceased faculty member from insurance, a retirement program or any other source, the Nevada System of Higher Education shall pay to the beneficiary or the estate of the deceased, as the case may be, the following:
  - a. Faculty members on a 12 month appointment who are on the payroll at the time of death shall receive salary through the day of death plus any earned but unused annual leave, plus one-twelfth of the current annual contract salary.
  - b. Faculty members on a 10-month appointment who are on the payroll at the time of death shall receive salary through the day of death plus one-twelfth of the current annual contract salary.

(B/R 4/82)

### **Section 10. Grants-In-Aid – General Administration**

Unless otherwise provided, the following provisions govern the administration of NSHE grants-in-aid for professional staff, including their spouse or registered domestic partner and financially dependent children as authorized by this Chapter.

1. The registration fees associated with the William S. Boyd School of Law, the University of Nevada School of Medicine, and the pre-doctoral program at the UNLV School of Dental Medicine are eligible for a grant-in-aid.
  2. Except as otherwise provided, persons who receive a grant-in-aid pursuant to this Chapter and enroll in a state-supported course shall receive a grant-in-aid equivalent in value to that portion of the per credit registration fee allocated to the state supported operating budget (or General Fund). The capital improvement fee and the general improvement fee shall be waived at all institutions as part of the grant-in-aid, except at the universities where the capital improvement fee only will be waived.
  3. Laboratory and other special course fees, including but not limited to the technology fee, will not be included in a grant-in-aid award.
  4. Grants-in-aid may be awarded fall, spring and summer semesters only.
  5. Summer session grants-in-aid for state-supported courses shall be equivalent in value to the per credit grant-in-aid allowed in the prior spring semester.
  6. Self-supporting courses, including community service and continuing education courses, may be eligible for a grant-in-aid equivalent in value to the total registration fee charged or the amount of the per credit registration fee that would be allocated to the state-supported operating budget (for state-supported courses), whichever is less. It is the responsibility of each institution to designate any self-supporting programs that are not grant-in-aid eligible.
- (B/R 12/09)

**Section 11. Grants-In-Aid – Professional Staff and Dependents**

1. The following classifications for professional staff are eligible for grants-in-aid as defined by this section:
  - a. Professional staff members who are on an “A” or “B” contract for at least .50 FTE employment;
  - b. Professional staff members who are on sabbatical or leave of absence without pay;
  - c. Emeritus faculty;
  - d. Adjunct and clinical faculty; and
  - e. Retired professional staff members who are age 55 or over and have at least 20 years of NSHE service.
2. Except for adjunct and clinical faculty, the spouse and financially dependent child for all categories of professional staff defined in subsection 1 are eligible for grants-in-aid as defined by this section.
3. The domestic partner and their financially dependent children are eligible for grants-in-aid for all categories of professional staff defined in subsection 1 if the domestic partnership is registered with the Office of the Nevada Secretary of State.

4. For the purposes of this Chapter, “financially dependent child” shall mean a natural, adopted or step child of a professional staff member who is not financially independent, is claimed as an exemption for federal income tax purposes under the U.S. Internal Revenue Code (26 U.S.C. § 152), and has not attained the age of 24. The professional staff member must attest to a dependency each time a grant-in-aid is issued. Institutions awarding a grant-in-aid to a spouse or financially dependent child may at any time request proof of dependent eligibility for verification purposes.
5. Institutions may establish a deadline for the submission of a grant-in-aid request.
6. For qualified dependent children who have served on active duty in the United States Armed Forces, the age limitation set forth in subsection 3 shall be extended for the period of such active service, but not to exceed six years.
7. Except as otherwise provided, professional staff members as defined in this section are restricted to no more than six credits in the fall and spring semesters. Professional staff members employed under an “A” contract shall be limited to three credits for a grant-in-aid across all summer semesters. Professional staff members employed under a “B” contract are not limited in the number of credits that are grant-in-aid eligible during all summer sessions. There shall be no restriction on the number of credit hours a spouse or financially dependent child may register for under this policy. Upon approval by the institutional President, community college faculty while on sabbatical may take additional courses under this policy if for professional development.
8. A professional staff member, spouse or financially dependent child enrolled in a course under a grant-in-aid at the time the professional staff member’s contract terminates shall be permitted to finish the course under the grant-in-aid.
9. System Administration or an institution awarding the grant-in-aid to an employee or his spouse or financially dependent child must notify the employee and the Internal Revenue Service of the appropriate taxable benefit pursuant to the NSHE’s Section 127 Educational Assistance Plan.
10. Widows or widowers and financially dependent children of deceased former professional staff members, or professional staff members who have become totally and permanently disabled, their spouses and financially dependent children may request a grant-in-aid on the form prescribed by the Chancellor. Such individuals are eligible for a grant-in-aid under the following conditions:
  - a. The professional staff member shall have held a valid unfulfilled “A” or “B” contract or have been granted sabbatical leave at the time of death or such disability.
  - b. The spouse, widow, widower or disabled former professional staff member may receive a grant-in-aid for no more than eight semesters.

11. Grant-in-aid requests by professional staff must be approved by their supervisor. Grant-in-aid requests on behalf of a spouse or financially dependent child do not require supervisor approval, but each institution and the System Office shall designate a central office to be responsible for reviewing and processing the requests. All requests for grant-in-aid by professional staff members must be made on a form prescribed by the Chancellor. Institutions may utilize an on-line grant-in-aid form if the content of the on-line form includes the same information that is required on the form prescribed by the Chancellor.  
(B/R 12/09)

## **Section 12. Grants-In-Aid – Temporary Part-Time Faculty**

1. Temporary part-time faculty (LOAs), as defined in Title 4, Chapter 3, may receive a grant-in-aid for courses at the institution in which they are employed, not to exceed the number of credit hours the part-time faculty member is currently teaching, and not to exceed six credit hours.
  - a. The grant-in-aid is applicable only to courses taken during the Fall and Spring regular semesters and must be taken at the college or university where employed.
  - b. The grant-in-aid based on credit hours may be utilized during the semester in which the temporary part-time faculty member is teaching or in the semester immediately following.
  - c. Temporary part-time faculty employed by continuing education and community service units are not eligible for a grant-in-aid or waiver.
  - d. Non-resident temporary part-time faculty receiving a grant-in-aid shall be deemed residents for tuition purposes.
2. Temporary part-time faculty who do not teach, the course equivalency for their services shall be determined by multiplying six credit hours by the faculty member's FTE. The credits hours will be rounded up to determine the maximum number of credit hours covered by a grant-in-aid.

(B/R 12/09)

## **Section 13. Leave of Absence Without Salary**

1. Leave of absence without salary, for periods up to and including twelve months, may be granted by the president, in accordance with the provisions of this policy, to faculty members who wish to absent themselves from their institutional duties. Reasons for a leave of absence without salary would include: a.) to undertake work that benefits the Nevada System of Higher Education; such as, research work, advanced study, related consultation, teacher exchange and governmental service; or b.) other situations deemed appropriate by the president. Where approved the conditions under which the leave is authorized shall be in writing, and shall specify who will pay for the employee's group health insurance, with a copy given to the applicant and to the institution's Human Resources office.

2. Faculty members who are authorized to take leave of absence without salary which will benefit the NSHE and who are otherwise eligible to participate in the State of Nevada's group insurance program shall have their premiums paid by the Nevada System of Higher Education as authorized by *Nevada Revised Statutes* 287.044. Otherwise, faculty must pay the premiums themselves. Absent the payment of premiums, there will be no insurance coverage from NSHE during the term of the leave of absence and upon return, re-enrollment will occur subject to rules of the State of Nevada group insurance program.
3. Request for an extension of a leave of absence without salary resulting in a leave of absence for periods extending beyond twelve months is subject to approval of the institution president, or in the case of the System Office and its units, the Chancellor.
4. Request for leave without salary shall be made to the President or designee through the Department Chair and Dean of the College or immediate supervisor and appropriate vice President. A requirement of the approval process is that the leave can be arranged without seriously impairing the work of the department.
5. Institutions may further define the reasons for granting a leave under this policy as long as the criteria establish under this policy are met. Leave without salary shall be granted only to a faculty member who has been employed by the Nevada System of Higher Education for at least one year. No leave of absence shall be granted for a longer period than two years except for the purpose of pursuing activities, which will tend to further the education of such a person in his/her special field. The furtherance of education will include only advance study and governmental service. The faculty member is expected to return to the employer for a period of time at least equal to that of his/her last contract. For good cause, the President may approve exceptions to the above criteria.

(B/R 3/10)

#### **Section 14. Sabbatical Leave**

1. In conformity with *Nevada Revised Statutes* (NRS) 284.345, interpretations of that statute by the Attorney General, and previous Board rulings, the number of sabbatical leaves granted for each succeeding academic year shall not exceed a number equal to two percent of the academic faculty in the current year. When applied to professional staff within the Desert Research Institute, the term "research faculty" shall replace the term "academic faculty." Those whose primary responsibility is administrative in nature are not eligible for sabbatical leave.
2. Sabbatical leave allocations shall be prorated to the institutions, or other administrative units not a part of an institution, based upon the FTE "academic faculty" in that unit.
3. Any academic faculty member, whose position is funded in whole from state sources, and who has served full-time on either a ten-month or twelve-month contract for six or more years, is eligible for sabbatical leave. Such faculty shall serve at least six additional years prior to eligibility for subsequent sabbatical leaves. Faculty holding the designation of Lecturer may be eligible for sabbatical leave, at the discretion of each institution. (The term

“full-time” means an appointment at 1.0 FTE for the contract year.) Full-time faculty whose positions are funded in whole or in part from non-state sources may be eligible for sabbatical leave according to the terms of this policy only if the funds to support a sabbatical leave can be derived from the appropriate non-state funding source. The use of non-state funds for sabbatical leave must also be approved by the appointing authority. Part-time academic faculty (i.e. those having an FTE of at least .50 but less than 1.0 for the contract year) may be eligible for sabbatical leave at the discretion of the institution. In such cases, the leave and payment provided shall be at a time and amount pro-rated to reflect part-time status. (B/R 12/09)

4. Eligibility for sabbatical leave commences at the end of the sixth year of full time service in the same position. Any period of time spent on an unpaid status is not considered a part of the six-year service requirement under this policy. Applications for a sabbatical leave must be submitted while a faculty member is in a paid status.
5. Eligible applicants for sabbatical leave shall have two alternatives: one year's leave at two-thirds of annual salary or one-half year's leave at full base salary. For part-time faculty, FTE will be used to calculate pro-rated salary continuation while on leave.
6. The taking of sabbatical leave will not interfere with the continuing employment of an individual by the NSHE, or any other rights or privileges normally associated with appointment to the NSHE faculty. Retirement contributions for Retirement Plan Alternative (RPA) members will be made based on compensation. Service credit for PERS members will be earned in the proportion that the faculty member's actual compensation bears to his or her previous compensation. (B/R 3/07)
7. Implementation/Process
  - a. The procedures for sabbatical leave shall be approved by the President or designee.
  - b. The appropriate Faculty Senate shall select the Sabbatical Leave Committee to review and rank all applications.
  - c. If an institution or other administrative unit is not entitled to at least one sabbatical leave, as explained in paragraph 2 above, the Chancellor shall group two or more institutions or other administrative units to secure one allocation and the appropriate faculty senates shall select the Sabbatical Leave Committee to review the applications.
  - d. NSHE institutions may adopt such supplemental procedures concerning sabbatical leaves as the faculty senates and presidents deem appropriate, provided that such procedures are in harmony with Board of Regents policy.
8. Obligations Upon Taking Sabbatical Leave
  - a. In conformity with *Nevada Revised Statutes* 284.345, ". . .no sabbatical leave with pay shall be granted unless the person requesting such leave agrees in writing with the employer to return to the employer after such leave for a period not less than that required by his/her most recent contract of employment with the employer, if the employer desires his/her continued service." The employee will agree to return to the employer in a paid status immediately upon the end of the sabbatical leave.

- b. Additional income--for example, grants-in-aid or fellowships--may be accepted during the leave provided the activity for which the income is received contributes to the individual's professional development or his/her future usefulness to the NSHE.
- c. Acknowledgment of sabbatical assistance shall be given in any publications resulting from work accomplished during the sabbatical leave.
- d. A written report concerning sabbatical leave activities shall be submitted to the President, in accordance with procedures established by the President, and to the faculty member's dean or other appropriate supervisor within three months of return from leave. (B/R 10/04)

(B/R 4/02)

## **Section 15. Administrative Leave**

### 1. Introduction

- a. Higher Education administrators should continually participate in professional development activities that ensure the employment of the most effective administrative knowledge and managerial skills to their current assignments. Some of these exposures may be available within the parent institution or university system, but more often they reside at institutions not easily accessible due to the constraints of time availability and distance.
- b. University of Nevada campuses should initiate a program of administrative leaves for administrators assigned responsibilities in areas of dynamic growth and changing responsibilities or in areas in need of updated administrative or managerial skills.
- c. Administrative leaves would not be for the purpose of improving academic or disciplinary research capabilities, nor for obtaining advance degrees. Leaves would be granted on the demonstrated need for administrators to acquire explicit training necessary for improving performance in their current assignment.

### 2. Eligibility for Administrative Leaves

- a. Administrative officers, such as president, vice-president, assistant or associate vice-president, deans and assistant and associate deans, who are on continuing full-time administrative appointments would be eligible (no more than 1 FTE per calendar year per campus). Permanent full-time administrators or directors of programs may be eligible if designated as eligible by the institutional President and the Chancellor.
- b. Eligible administrators could apply for an administrative leave after serving at least three years as a full-time administrator in the Nevada System of Higher Education. An administrator would be eligible to reapply for additional administrative leaves at three-year intervals.

- 3. Duration and Timing of an Administrative Leave - An administrative leave would not exceed three calendar months. Unless specified and approved in advance, the three-month administrative leave should be taken during the summer months and not require employment of a replacement.

#### 4. Administrative Leave Compensation

- a. An administrator will receive full campus compensation unless receiving salary contributions from extramural sources. If the recipient of the administrative leave obtains a foundation grant or other compensation from non-Nevada System of Higher Education sources for the period of the leave, the campus shall not be obligated to pay more than that amount of administrative compensation which, when added to the non-University compensation, will equal 110 percent of the individual's annual base salary for the period of leave. If an allowance for transportation and/or cost-of-living differential is included in the outside compensation, the amount of this allowance will be disregarded in computing the administrative leave compensation to be paid by the campus.
- b. Individuals who are on administrative leaves of absence, whether in residence or away from the campus, may not, as employees, provide any services to the Nevada System of Higher Education for which compensation is paid in excess of the approved administrative leave.

5. Fringe Benefits During Leave - To the extent permitted by law, administrators on leave will be regarded as in active Nevada System of Higher Education employment status for purposes of benefits and will continue to receive and accrue benefits under applicable University policies as if they were in active service. Payments for Nevada System of Higher Education insurance premiums and retirement contributions will be based upon actual Nevada System of Higher Education compensation made to the individual. Subject to legal restrictions, the individual may make arrangements with the personnel office for personal payment of additional amounts, if necessary, to maintain full insurance and retirement benefits during the period of the leave.

#### 6. Obligations of Personnel on Administrative Leaves

- a. The recipient of a leave must agree to return to the service of the Nevada System of Higher Education after the termination of the leave for a period of time at least equal to the length of the leave. If he/she does not so return, or returns for a shorter period of service than required under this regulation, the Nevada System of Higher Education will be entitled to a proportionate refund of the compensation paid by the Nevada System of Higher Education during the leave. Upon a determination that the enforcement of this obligation will create an extreme hardship or would be seriously inequitable, the Chancellor and/or President may waive the refund in whole or in part.
- b. Within 90 days of the completion of the leave, a written report on the activities undertaken during the leave must be submitted by the recipient of the leave to the institutional President or the Chancellor, as the case may be.

7. These provisions shall not supersede other administrative leave, or leave without pay, as approved by the appointing authority. (B/R 10/04)

### **Section 16. Presidential Leaves**

NSHE presidents are expected to take periodic leaves consistent with the following provisions:

1. Leaves may be either a full semester or three months in duration.

2. Presidents are eligible for full semester leaves, at full pay, after their first six years of service. They may opt, alternatively, for a three-month leave at such time. Following the initial leave, presidents are eligible for three-month leaves after three years of service or for full semester leaves after each six-year period of service.
3. In applying for leaves, which are subject to approval by the Board of Regents, presidents shall specify the objectives of the proposed leave and provide a plan for assignment of presidential responsibilities during the leave period.
4. A report on the leave shall be provided to the board after the president's return.
5. Presidents will be expected to serve their institutions for at least one-year after returning from leave, irrespective of the leave's duration.
6. The word "president" in this section is intended to apply as well to the NSHE Chancellor.  
(B/R 6/91)

#### **Section 17. Sick Leave**

1. Full-time professional staff members on an "A" or "B" contract shall be granted sick leave as required, up to 30 working days at full salary, available at any time during the initial 12 months of service. Part-time professional staff members on an "A" or "B" contract shall be granted a pro rata amount as required.
2. Beginning one year after the starting date of his or her initial contract, each full-time staff member will begin to accrue additional sick leave at the rate of two days for each full month of paid service, to be added to any remaining balance of unused sick leave from the first 12 months of service. Sick leave may be accrued from year to year not to exceed 96 working days. Part-time staff members will earn a pro rata amount of sick leave for each calendar month worked. Paid sick leave shall not be granted in excess of sick leave earned except as provided in the paragraph 7. The employee shall not be paid for any unused sick leave upon termination of employment.
3. A professional staff member is entitled to use accumulated sick leave for personal illness; disability; medical, optometry, or dental service or examinations; child bearing or temporary disability, upon approval of the appointing authority. The appointing authority may require a staff member to provide medical certification from a medical practitioner for absences of more than five consecutive days or if abuse is suspected.

If an eligible employee is using leave, with or without pay, in a manner which would qualify under the Family Medical Leave Act (FMLA), the appointing authority shall designate the leave as FMLA and shall provide written notice to the employee which details the obligations of the employee and the effects of using the leave. While in FMLA status, all available paid leave must be used before leave without pay.

4. Up to fifteen days of earned sick leave per contract year may be used by the professional staff member to care for or assist family members, in laws, or step relatives within the third degree of consanguinity or relationship, or members of the professional staff member's household for the following events: illness; injury, or medical, optometry or dental service or examination. Requests for use of additional earned sick leave days beyond the fifteen-day

limitation may be made in writing to the appropriate appointing authority. Approval is at the discretion of the appropriate appointing authority. The fifteen-day limitation does not apply if the leave is approved under the Family and Medical Leave Act.

5. A professional staff member may take up to ten working days of employee's earned sick leave, in the event of the death of a person listed in Paragraph 4 above. Requests for use of additional earned sick leave days beyond the ten-day limitation may be made in writing to the appropriate authority. Approval is at the discretion of the appropriate appointing authority.
6. A professional staff member who qualifies under The Family and Medical Leave Act of 1993 (FMLA) is entitled to a total of 12 work weeks of leave during a "rolling" 12-month period. The period is measured backward from the date an employees uses a qualifying Family and Medical Leave. To qualify, a staff member must have been employed by the NSHE for at least 12 months and have been in a paid status or a minimum of 60% FTE averaged over the 12-month period preceding the leave. While in FMLA status, all available paid leave must be used before leave without pay. A staff member may use FMLA leave for the birth of a child, and to care for a newborn child; for placement of a child with the staff member for adoption or foster care; to care for the staff member's spouse, parent or child with a serious health condition; or because the staff member is unable to perform one or more of the essential functions of his/her job due to a serious health condition. If a staff member must take unpaid leave under FMLA, the employer is required to maintain the staff member's health insurance coverage for the timeframe represented by the FMLA leave.

Additional unpaid leave directly related to the birth, the placement of a child with the staff member for adoption or foster care, or child rearing of a child who is a member of the professional employee's household shall be granted to either parent, upon request, up to a maximum of one year. During any unpaid leave the employer will not maintain the staff member health insurance coverage, unless the unpaid leave is approved under the FMLA. The NSHE guarantees that the professional staff member will return to his or her original position, or if the original position no longer exists, to a comparable position, without loss of seniority or other benefits.

7. After 12 continuous months employment, where a physician certifies that a professional staff member is unable to resume duties after exhausting all accumulated sick and annual leave, the professional staff member may petition for, and may be granted, with the approval of the President extended salaried sick leave. Approval may be given only if the funding source permits payment of extended salaried sick leave. An additional three calendar months may be granted to employees continuously employed for more than twelve months and up to twenty-four months; an additional six calendar months may be granted to employees continuously employed for more than twenty-four months and up to thirty six months; and an additional twelve calendar months plus one calendar month for each full year of employment with the NSHE may be granted to employees continuously employed for more than thirty-six months. An eligible employee may initially request less extended salaried sick leave than authorized under this policy, or may be granted less than the maximum amount of time authorized. The lifetime maximum, which may be granted to an employee, is twelve calendar months plus one calendar month for each full year of employment with the NSHE. During extended salaried sick leave, no annual or sick leave shall be earned. If at the end of the extension period a physician certifies that the professional staff member is still unable to resume duties, the appointment shall be terminated. Where employment shall be terminated under these circumstances, the provision of Title 2 of the Board of Regent's handbook shall not apply.

8. If an employee has been employed for less than 12 consecutive months, the president may approve an employee request for unpaid sick leave not to exceed three months duration. If the employee is unable to return to employment after the expiration of this unpaid leave of absence, the appointment shall be terminated. Where employment shall be terminated under these circumstances, the provisions of Title 2, Chapter 6, of the Board of Regents' handbook shall not apply.
9. Cases of injury or accident or illness in connection with the work of professional staff members are covered by workers compensation regulations. In order to assure this protection for out-of-state travel, requests should always be submitted in advance by staff members conducting NSHE business, attending meetings, etc., even if work is undertaken outside of work hours and at the professional staff member's own expense.

(B/R 4/02)

### **Section 18. Annual Leave**

1. All professional staff members on a full-time 12-month appointment ("A" contract) earn annual leave at the rate of two working days for each full calendar month of service. Prorated credit shall be earned for partial months of service. Professional staff members on a part-time 12-month appointment earn pro rata annual leave credit.
2. Professional staff members on an academic year ("B" contract) appointment do not earn annual leave.
3. Annual leave may be cumulative from year to year, not to exceed 48 days as of the first day of each fiscal year, and any annual leave in excess of 48 days is forfeited on that date. No compensation will be authorized for unused or excess leave at the end of each fiscal year. Earned annual leave shall be taken at a time approved or directed by the supervisor or other appropriate administrative officer. Insofar as possible, approval to use annual leave must be secured in advance, in accordance with the provisions contained in Title 4, Chapter 3, Section 19.2.
  - a. Employees shall be given an opportunity to use accumulated annual leave in excess of 48 working days prior to the last day of the fiscal year provided a request for leave is given by the employee no later than April 1 to the supervisor or other appropriate administrative officer.
4. Annual leave for full-time professional staff at all NSHE institutions is used in increments of a half-day or a full-day as prescribed by the appropriate Human Resource office. (See also Chapter 3, Section 19).
5. Professional staff on an "A" contract appointment who resign or retire shall be entitled to be paid for unused accumulated annual leave up to the maximum of 48 days, unless the supervisor or other appropriate administrative officer directs the employee, in writing, to use all or a portion of the accumulated leave prior to the final date of employment.
6. Professional staff whose contract is being changed from a 12-month ("A" contract) appointment to an academic year ("B" contract) appointment shall be entitled to be paid for unused accumulated annual leave up to the maximum of 48 days, unless the supervisor or other appropriate administrative officer directs the employee, in writing, to use all or a portion of the accumulated leave prior to the final date of the "A" contract term.

7. Professional staff on a 12-month "A" contract appointment who take an approved leave of absence without pay shall be entitled to use accumulated annual leave, with prior approval of the supervisor or other appropriate administrative officer, before going into unpaid status; however, the professional staff member shall not be paid for any unused accumulated annual leave before going into unpaid status. Annual leave cannot be earned while on leave without pay.

(B/R 8/02)

#### **Section 19. Family and/or Medical Leave/Fair Labor Standards Act**

1. Professional staff are entitled to take leave in accordance with the Federal Family and Medical Leave Act of 1993, its implementing regulations (Part 825 of Title 29 of the Code of Federal Regulations) and institutional policies promulgated in accordance therewith. See, for example, 29 C.F.R. 825.301.
2. The provisions of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201, et. seq.), shall be adhered to by all NSHE institutions. (B/R 10/04)
3. For additional information, see the Appendix at the end of this chapter.

(B/R 10/93)

#### **Section 20. Military Leave**

1. Professional staffs who are members of Federal Reserve forces or the Nevada National Guard are entitled to serve under orders without loss of regular compensation for a period not to exceed fifteen working days in any one calendar year. Such military leave of absence shall be in addition to any vacation or sick leave to which such staff member might otherwise be entitled. Authorized military leave of absence without salary (except for the differential compensation provided in Section 17.5 below) shall be granted for periods in excess of fifteen working days. (B/R 8/07)
2. In accordance with federal law, 38 U.S.C. Sec. 2021 et seq. professional staff members who serve under orders on training duty in the Armed Forces of the United States, including the federal reserve forces or the National Guard, shall be entitled to such rights and privileges regarding reinstatement to employment, seniority, status and pay, as is provided for in federal and Nevada statutory law.
3. In time of war or national emergency, leave without pay may be granted to a professional staff member who is called or volunteers to serve in federally sponsored scientific research and development projects, provided no such leave may be granted to any staff member who would not have been continued in employment in the NSHE at the termination of the period of employment current at the time of the staff member's entry into such defense work and further provided that no such leaves are ordinarily granted to persons performing such work under a government contract with the NSHE. Such leave terminates ninety days following the end of the war or national emergency, or the date of the professional staff member's termination of such work, whichever is earlier. Upon application for reinstatement to employment within such ninety-day period, the professional staff member shall be restored to the staff member's previous employment position or to a position of like seniority, status or pay, unless circumstances in the employing institution have so changed as to make such reemployment impossible or unreasonable.

4. Professional staff members applying for military leave must present a copy of their military orders or other substantial evidence pertaining to their active or training duty requirements or employment in defense work. Certified copies of discharge papers or other evidence pertaining to discharge or termination must be submitted to the appropriate Business Center Personnel Office for reinstatement.

(B/R 1/91)

5. Professional staff who officially receive orders to serve as members of federal reserve forces or the Nevada National Guard will be compensated for the difference in their NSHE pay and their military pay through the end of their employment contract. The differential compensation will commence immediately following the 15 working days of regular compensation provided for in Title 4, Chapter 3, Section 17, Subsection 1.

The institution at which the professional staff member is employed will continue making retirement contributions for eligible employees in accordance with the RPA plan document. At the request of the employee, other employment benefits – including but not limited to health insurance – will be continued through the contract year at the same cost that the employee is currently paying.

(B/R 8/07)

#### **Section 21. Judicial Leave**

1. Appearance in connection with one's official capacity as a university employee at a trial or other court proceeding, to include an arbitration or mediation hearing, whether it be as a party to the action, or as a witness for any party to the proceeding, is considered a short-term leave and may be authorized by the appointing authority concerned for periods up to 30 calendar days without loss of salary. In special cases, salaried leave for longer periods may be authorized by the president. Judicial leave also will be granted to serve on a jury or when summoned to be a witness. Judicial leave is not available for court appearances in connection with personal legal matters.
2. Any remuneration received in connection with jury duty or as a witness may be retained by the faculty member.

(B/R 4/02)

#### **Section 22. Leave Records**

1. Each appointing authority shall keep accurate and complete records of earned and used leave for each NSHE employee. Such records shall be kept as prescribed by the appropriate Human Resource office, and reports shall be made to the Human Resource office as it may require. Leave records are subject to examination by those persons in the employee's chain of command, by Human Resource officials, and by internal or external auditors. For regulatory reporting purposes, leave balances may be reported to appropriate institutional financial officers.
2. Insofar as possible, all leave shall be requested and approved in advance by the supervisor or other appropriate administrative officer according to the policies for each type of leave as contained in this chapter of the Handbook. The approval and recording of unanticipated leave shall occur immediately after use of the leave.

3. Annual leave and sick leave for full-time employees must be used as prescribed by the appropriate Human Resource office in either half-day or full-day increments.  
(B/R 8/02)

**Section 23. Professional Salary Schedule**

1. Section 5.5 of the Nevada System of Higher Education Code contains provisions for professional salary schedules.
2. The institutional president or the Chancellor, as the case may be, shall establish the initial placement of professional employees on the salary schedule at the time of appointment. The President or Chancellor shall also establish any subsequent adjustment in salary or contract conditions, except that individuals whose initial appointments require Board approval shall also require such approval for salary adjustments and changes in contract conditions, exclusive of COLA, as stipulated in Section 21 of this chapter.
3. The universities and state college shall be permitted to adopt the salary step pattern of their choice between the lowest and the highest base point salary figures adopted within each rank, range, or other category. A single Community College Faculty Salary Plan shall be adopted by the Board of Regents for the community colleges. The initial placement and movement of professional employees on the community college salary schedule is established in Section 30 of this chapter.

(B/R 12/02)

4. NSHE professional employees shall be eligible to be considered for merit awards during fiscal years when a merit pool appropriation is provided. Each NSHE institution shall develop written policies and criteria by institution and/or unit for the recommendation of merit awards for both academic faculty and administrative faculty. Merit awards are subject to the approval of the institutional President, or the Chancellor as the case may be, except as provided in Chapter 3, Section 21.

(B/R 12/03)

5. Performance bonuses or commissions are generally not permitted for NSHE professional staff, regardless of the source of funding.
  - a. On a case-by-case basis, limited exceptions based on prevailing labor market practices may be requested in writing by the institution President. In such limited cases, if approved by the Chancellor, the employment contracts that specify a bonus or commission must meet the following conditions:
    1. The terms of the bonus or commission must be approved in advance by the President and reported to the Chancellor. This authority may not be delegated to any other institutional officer.
    2. The bonus or commission must be in conformity with state and federal laws and regulations.
    3. The bonus or commission must be tied to specific measurable standards that are documented in writing as part of the employment contract.

4. The financial terms and measurable standards for the bonus or commission must be reviewed by NSHE Counsel and approved by the president prior to the preparation of the employment contract. In the case of employment contracts that must be forwarded to the Board of Regents per System policy, the bonus or commission must be approved by the Chancellor and the Board of Regents.
  5. The bonus or commission cannot be paid with state-appropriated funds.
  6. The bonus or commission shall not become part of the employee's base salary.
- b. A bonus or commission is not to be confused with a special, one-time monetary award that may be presented to professional staff in recognition of length of service or as part of a competitive award program to recognize superior accomplishments in teaching, research, creative activity, service, or advising.

(B/R 12/03)

#### **Section 24. Executive Salary Schedule**

1. Development and Review of Salary Schedules. Executive salary models for all executive positions shall be reviewed every four years, in an odd-numbered year. The Chancellor, in consultation with the presidents, is charged with reviewing the schedules and presenting them to the Board for approval. Executive salary schedules are to be reviewed in accordance with the following principles.
  - a. Use of Peer Group Comparisons: Peer institution groups shall be developed and adopted for executive salaries for the Chancellor's Office, DRI, universities, state college, and community colleges, with the peer groups based primarily on similarity of mission and on other characteristics such as size, administrative complexity, and budget where appropriate. Where appropriate, the same group of peer institutions may also be used for faculty and middle management compensation comparisons, ensuring a link between faculty and executive compensation.
  - b. Compilation and Review of Comparative Salary Data: Data concerning salaries paid to executives in the peer institutions shall be collected every four years in odd-numbered years. Using these data, salary ranges shall be reviewed for each executive category. The peer institution group salaries occurring at the seventy-fifth percentile shall be used to establish the mid-point of each proposed NSHE salary range. The ranges shall be compared for internal consistency among institutions and System units and for proportional relationships between faculty and executive salaries, with adjustments proposed as necessary.

(B/R 12/04)

2. Initial Placement on Executive Salary Schedules. Initial placement for executive positions will be made within the range for that position as reflected in the Board approved salary schedule. Placement should be based on factors such as prior experience, appropriate credentials, length of service, and quality of performance. Initial placement must generally fall between the minimum salary and Q2, except for those initial hires with substantial experience and/or credentials relative to the position. Recommendations for initial placement at a level higher than Q2, but within the range, must be accompanied by written justification and evidence of substantial experience and/or credentials relative to the

position, and approved by the President or Chancellor, as the case may be. Initial placement for institutional executive positions above the salary range may be approved by the Chancellor if the institution President provides written justification which established that the candidate is unlikely to accept employment without an exception to the salary schedule in consideration of relevant criteria such as the candidate's extraordinary qualifications and experience, the competitive nature of the field or discipline, and the candidate's salary history. This exception is intended to be construed narrowly and should be limited to only a few exceptions per institution each year. Before approving any exceptions, the Chancellor must obtain the concurrence of the Board Chair, and the Chancellor must make an annual report to the Board of any exceptions. (B/R 12/05)

- a. Chancellor: The initial salary for the Chancellor shall be set by the Board of Regents.
- b. System Executive Staff: The initial salary for the Vice Chancellors and the Director of the University of Nevada Press shall be recommended by the Chancellor and approved by the Board of Regents. (B/R 2/05)
- c. Board Officer: The initial salary for the Secretary to the Board shall be set by the Board. (B/R 10/03)  
(B/R 12/02)

#### **Section 25. Ongoing Review and Approval of Executive Salaries**

After initial placement on the appropriate executive salary schedule, executive salaries shall be reviewed and approved as follows:

- a. Deans: Any proposed salary adjustments for deans (executive directors at DRI) at the member institutions, exclusive of COLA, shall be recommended by the appropriate Vice President, approved by the President, and forwarded for information to the Chancellor annually. If any recommended salary falls outside the Board-approved salary range for that position, it must be approved by the Chancellor.
- b. Vice Presidents: Any proposed salary adjustments for vice presidents at the member institutions, exclusive of COLA, shall be recommended by the president and approved by the Chancellor annually.
- c. Presidents: Any proposed annual salary adjustments for presidents, exclusive of COLA, shall be approved by the Chancellor in consultation with the Board Chair and based on performance criteria assessed in an annual evaluation. The Chancellor's recommendation must conform to guidelines set by the Board of Regents and be reported to the Board. The report shall provide the Chancellor's rationale for the salary adjustment, including information on the manner in which the president's performance exceeded his or her performance program and goals.
  - (1) Periodic salary adjustments for presidents may be recommended by the Board Chair, based on performance criteria assessed in a periodic evaluation, and approved by the Board of Regents as part of its deliberations to renew contract terms and conditions.

- d. System Executive Staff: Any proposed annual salary adjustments for Vice Chancellors exclusive of COLA, shall be approved by the Chancellor based on performance criteria assessed in an annual evaluation. The Chancellor's recommendation must conform to guidelines set by the Board of Regents and be reported to the Board. The report shall provide the Chancellor's rationale for the salary adjustment, including information on the manner in which the individual's performance exceeded his or her performance program and goals. (B/R 2/05)
- e. Board Officer: Any proposed annual salary adjustments for the Secretary to the Board, exclusive of COLA, shall be recommended by the Board Chair, based on performance criteria assessed in an annual evaluation, and approved by the Board of Regents. The Board Chair's recommendation must conform to guidelines set by the Board of Regents.
- f. Chancellor: Any proposed annual salary adjustments for the Chancellor, exclusive of COLA, shall be recommended by the Board Chair, based on performance criteria assessed in an annual evaluation, and approved by the Board of Regents. The Board Chair's recommendation must conform to guidelines set by the Board of Regents.

(1) Periodic salary adjustments for the Chancellor may be recommended by the Board Chair, based on performance criteria assessed in a periodic evaluation, and approved by the Board of Regents as part of its deliberations to renew contract terms and conditions. (B/R 10/03)

## **Section 26. Policies for Executive Salary Increases.**

The following policies shall govern deliberations by the Chancellor and the Board, as the case may be, in recommending merit increases for the Chancellor, Presidents, Vice Chancellors and the Secretary to the Board. (B/R 2/05)

1. Any recommendation for an annual merit increase must be based on meritorious performance, documented in a written annual evaluation, which substantially exceeds the individual's performance program and goals for the year and has dramatically moved and shaped the individual's department and/or institution.
2. In years in which a cost-of-living adjustment is made for all NSHE professional employees, the Chancellor and the board may, at their discretion, recommend no more than a 1 percent increase in salary for meritorious performance. In years in which there is no cost-of-living adjustment for NSHE professional employees, the recommendation shall not exceed a 2.5 percent increase in salary for meritorious performance. In either case, the recommendation will take into consideration any budgetary constraints in the fiscal year in which the salary increase will take effect.
3. Increases in salary for meritorious performance may not be awarded across the board to the executives governed by this section.
4. Salary increases approved by the Chancellor in accordance with the provisions contained in Section 21 of this chapter must be reported to the Board. The report shall provide the Chancellor's rationale for the salary adjustment, including information on the manner in which the individual's performance exceeded his or her performance program and goals.

5. Salary increases recommended by the Board Chair in accordance with the provisions contained in Section 21 of this chapter, must be approved by the Board. The recommendation shall provide the Board Chair's rationale for the salary adjustment, including information on the manner in which the individual's performance exceeded his or her performance program and goals.

(B/R 10/03)

### **Section 27. Executive Perquisites.**

Executive perquisites are set by the Board of Regents as part of the employment contract and shall be provided to the Chancellor, institutional presidents, and other executives as determined by the Board of Regents. The Board may elect to provide an individualized set of perquisites to each executive in negotiation with the Chancellor. Appropriate perquisites may be pro-rated for time served by persons appointed to interim executive positions, the terms of which shall be set in the interim employment contract. Executive perquisites shall include, but not be limited to:

(B/R 10/03)

- a. Car Allowance: Either a car or a car allowance shall be granted to the Chancellor and the institutional presidents. The car allowance shall be set at \$8,000 per year, with this dollar amount to be reviewed every 3 years. Car allowances shall not be provided to other executives; however those executives shall be reimbursed for mileage according to state guidelines for use of personal vehicles on the job.
- b. Housing Allowance: A housing allowance shall be granted to the Chancellor and the institutional presidents. The housing allowance shall be set at \$12,000 per year for the Chancellor, community college Presidents, and DRI President. The housing allowance for the state college President shall be set at \$15,000 per year. The housing allowance for the university Presidents shall be set at \$18,000 per year. The dollar amounts shall be reviewed every 3 years. Dual housing allowances and housing allowances for other executives may be granted at the discretion of the Board of Regents. (B/R 10/03)
- c. Relocation Expenses: Relocation expenses shall be reimbursed within the guidelines and limits set by the State of Nevada and in the manner proscribed by state regulations.
- d. Other Perquisites: The Board of Regents may, at its discretion, grant other perquisites on a case-by-case basis to the Chancellor, institutional Presidents, and other executives as part of the person's employment contract. (B/R 10/03)

(B/R 6/01, 10/04)

### **Section 28. Other Salary Supplement**

The Board of Regents, at its discretion, may permit the Chancellor and institutional Presidents to receive a salary supplement contributed from, and with prior consent of, private sources in addition to their base, state-funded compensation. All privately funded salary supplements must be approved in advance by the Board of Regents and will be irrevocable for the tenure of the President. The supplement must be made to the employee by and through the institution in accordance with provisions contained in Title 4, Chapter 10, Section 10 (A) (6) (a).

(B/R 10/03)

## **Section 29. Regents Professor and Emeritus Status**

1. Presidents who choose to retire from NSHE after serving as president for a period of at least five years are eligible for emeritus status and shall be provided office space on campus and attendant privileges. Emeritus status must be recommended by the Chancellor and approved by the Board of Regents. (B/R 6/95)
2. Upon the recommendation of the Chancellor and the approval of the Board of Regents presidents who elect to assume or resume a faculty position after serving as President for a period of at least ten years shall be awarded the title of Regents Professor. (B/R 6/95)
3. The Regents Professorship provides an office, a part-time secretary, telephone, personal computer, allowances for supplies and travel, in addition to parking and library privileges as an active faculty member. Regents' Professors shall provide an annual report of their activities to appropriate campus officers, the Chancellor's office and the Board of Regents. (B/R 6/95)
4. A Chancellor who becomes a Regents Professor may choose the campus at which he or she wishes to serve, and may, following appropriate consultation, move to another campus from time to time. Presidents who wish to serve at institutions other than their own may do so if such service is mutually agreeable. (B/R 6/95)
5. To the extent practicable, and where not inconsistent with the individual's assigned teaching duties at the institution, the costs and salary and fringe benefits of Regents' Professorships shall be borne by the NSHE institutions. The costs and salary and fringe benefits for the Chancellor's Regents Professor shall be borne by the Board of Regents. (B/R 6/95)
6. The word "President" in this section is intended to apply as well to the NSHE Chancellor. Emeritus status and a Regents Professorship for the chancellor must be recommended by the Chairman of the Board of Regents and approved by the Board. (B/R 6/95)

## **Section 30. Presidential Transition**

1. When the President of a NSHE institution requests reassignment from the presidential position to an employment position as a full time member of the academic faculty of the institution, the outgoing President's salary shall be no more than that of a leading academic faculty member in the field or discipline to which the outgoing President will be reassigned.
2. At the time of a President's request for reassignment, the Chancellor shall conduct an evaluation of the President's overall professional performance in office and the location of the assignment where the outgoing President might best contribute to an academic unit at the institution. Based upon this evaluation, the Chancellor shall provide:
  - a. An appropriate rank (where applicable) and term contract in a specific academic unit in the institution; and

- b. An academic year salary up to, but not exceeding, the level of a leading academic faculty member in the field or discipline to which the outgoing President will be reassigned. The Chancellor may be required to estimate, based upon information from other NSHE institutions, what that salary level should be in cases where there are no academic faculty members in the unit to which the outgoing President will be reassigned, whose seniority and career accomplishments match those of the outgoing President.
3. An outgoing President may request a period of professional development leave in which to prepare to return to the duties of a full time academic faculty member. The outgoing President shall submit a proposal for the Chancellor's review and approval describing a plan of activity during the leave, together with a written commitment from the outgoing President agreeing to the performance of academic duties in the academic faculty position for at least one (1) year after the completion of the leave. The Chancellor shall specify the terms of the leave, including the following:
  - a. Duration: Leave shall be for a period of one semester only (four (4) months for the Desert Research Institute), provided, however, that the Chancellor may approve a leave up to one (1) academic year (one (1) fiscal year for the Desert Research Institute) in exceptional circumstances as shall be documented in the outgoing President's leave proposal;
  - b. Salary: The outgoing President's salary during the period of professional development leave shall be set up to, but no greater than, the mid-point between the Presidential salary of the outgoing President and the eventual academic faculty salary;
  - c. Expenses: The Chancellor may also recommend special travel and other research expenses for the outgoing President during the professional leave period, provided, however, that the justification for such expenses is documented in the request for leave.

Perquisites associated with the office of President, including, but not limited to, automobile, housing and host allowances, shall not be continued during the period of the leave. The costs, salary and fringe benefits payable to the outgoing President during the period of the leave shall be borne by the outgoing president's institution.

4. In the event of an involuntary reassignment of a President of a NSHE institution to an academic faculty position in the institution, continuation of the salary, fringe benefits and perquisites, if any, during the remainder of the term of the then-current employment contract of the outgoing President shall be determined by the provisions of the then-current employment contract. Upon expiration of the outgoing President's then-current employment contract, the salary and, if still applicable, the leave provisions of this section shall be applied to the former president.

(B/R 12/09)

### **Section 31. Vice-Presidential Transition**

1. When the Vice-President of a NSHE institution requests reassignment from the Vice-Presidential position to an employment position as a full time member of the academic faculty of the institution, the outgoing Vice-President's salary shall be no more than that of a leading academic faculty member in the field or discipline to which the outgoing Vice-President will be reassigned.
2. At the time of a Vice-President's request for reassignment, the President of the NSHE institution shall conduct an evaluation of the Vice-President's overall professional performance in office and the location of the assignment where the outgoing Vice-President might best contribute to an academic unit at the institution. Based upon this evaluation, the President shall determine:
  - a. An appropriate rank (where applicable) and term contract in a specific academic unit in the institution; and
  - b. An academic year salary up to, but not exceeding, the level of a leading academic faculty member in the field or discipline to which the outgoing Vice-President will be reassigned. The President may be required to estimate, based upon information from other NSHE institutions, what that salary level should be in cases where there are no academic faculty members in the unit to which the outgoing Vice-President will be reassigned, whose seniority and career accomplishments match those of the outgoing Vice-President.
3. An outgoing Vice-President may request a period of professional development leave in which to prepare to return to the duties of a full time academic faculty member. The outgoing Vice-President shall submit a proposal for the President's approval describing a plan of activity during the leave, together with a written commitment from the outgoing Vice-President agreeing to the performance of academic duties in the academic faculty position for at least one (1) year after the completion of the leave. The proposal shall specify the terms of leave including the following:
  - a. Duration: Leave shall be for a period of one semester only (four (4) months for the Desert Research Institute), provided, however, that the President may approve a leave up to one (1) academic year (one (1) fiscal year for the Desert Research Institute) in exceptional circumstances as shall be documented in the outgoing Vice-President's leave proposal;
  - b. Salary: The outgoing Vice-President's salary during the period of professional development leave shall be set up to, but no greater than, the mid-point between the Vice-Presidential salary of the outgoing Vice-President and the eventual academic faculty salary;
  - c. Expenses: The President may also approve special travel and other research expenses for the outgoing Vice-President during the professional leave period, provided, however, that the justification for such expenses is documented in the request for leave.

Perquisites associated with the office of Vice-President, including, but not limited to, automobile, housing and host allowances, shall not be continued during the period of the leave. The costs, salary and fringe benefits payable to the outgoing Vice-President during the period of the leave shall be borne by the outgoing Vice-President's institution.

4. In the event of an involuntary reassignment of a vice-president of a NSHE institution to an academic faculty position in the institution, continuation of the salary, fringe benefits and perquisites, if any, during the remainder of the term of the then-current employment contract of the outgoing Vice-President shall be determined by the provisions of the then-current employment contract. Upon expiration of the outgoing vice-president's then-current employment contract, the salary and, if still applicable, the leave provisions of this section shall be applied to the former Vice-President.
5. The principles stated in this section shall also be applied by each NSHE institutional President to administrators below the level of Vice-President who request reassignment or are involuntarily reassigned from their administrative positions to employment positions as full time members of the academic faculty of the institution. Upon the adoption or amendment of a policy implementing such principles, each President shall provide a copy of each adopted or amended policy to the Chancellor.

(B/R 10/04)

### **Section 32. Salary Schedules**

Executive, academic, and administrative salary schedules for the universities, state college, and community colleges shall be developed by the Chancellor's Office and approved by the Board of Regents every four years in odd-numbered years. (B/R 10/04)

### **Section 33. Community College Academic Salary Schedule**

1. All community colleges in the Nevada System of Higher Education will adopt a single academic salary schedule for Community College Instructors and Community College Professors. Placement of faculty on the academic salary schedule and subsequent advancement across columns requires assessment by the appropriate college administrator of the faculty member's work and/or teaching experience, academic qualifications or equivalencies, and, where appropriate, tenure status. All degrees must be awarded by regionally accredited institutions. Where numbers of credit hours are specified, they must be in approved instructional fields as determined by the appropriate college administrator. All credits earned must be equated to semester hour credits. Faculty who contemplate a future course of study to achieve advancement must secure prior written approval by the appropriate administrator.

The Chancellor shall establish procedures concerning the initial placement and movement on the community college academic salary schedule, and other procedures related thereto. (B/R 10/04)

### **Section 34. Community College Salary Plan, Basic Concepts**

1. All community colleges agree with the concept of a single salary plan. Individual differences can be reflected in the implementation of the dollar figures.
2. The salary ratio from highest to lowest in each column should be a minimum of 2:1. That is, the dollar figure at the final step in any column should be at least twice the first step in that column.
3. Consideration must be given to faculty who teach in non-traditional areas including trade and industry. Faculty must be able to move across the columns using occupationally related courses.
4. Any cost of living (COLA) increase approved by the state legislature and governor will advance the academic salary schedule overall.

(B/R 3/02)

### **Section 35. Community College Professional Advancement Program**

#### 1. Eligibility For Professional Advancement

All academic faculty holding a .50 FTE or above and who have been placed on the Academic Faculty Salary Schedule are eligible for this plan.

#### 2. Expense Encumbrance or Reimbursement Disclaimer

- a. The college will not pay nor will a faculty member have caused any liability or encumbrance to accrue to the college for expenses the faculty member entered into during the course of the professional advancement program, except where otherwise allowed by the president, in writing, or by Board of Regent policy.
- b. The professional grant-in-aid, allowed under the provisions of Title 4, Chapter 18, Section 5, may be used to pay for course work taken within the Nevada System of Higher Education (NSHE).

#### 3. Voluntary Program

Participating in the Professional Advancement Program is completely voluntary. No administrator may require any faculty member to participate in the program.

#### 4. Faculty Senate Review Committee for Professional Advancement Appeals

A faculty senate committee will be convened by and report to the faculty senate chair when an appeal for denial of professional advancement is received. It is the responsibility of the applicant to make his/her case for professional advancement in the written application that this committee will review. The committee may call for additional assistance from program area faculty.

(B/R 3/02)

5. The Chancellor shall prescribe in procedures a program outline for professional advancement, program standards, and an appeals process. (B/R 10/04)

**Section 36. Summer Term Salary Schedules**

Salary schedules for summer session faculty at all NSHE institutions shall be developed by the Chancellor's Office and approved annually by the Board of Regents. (B/R 10/04)

**Section 37. Part-Time Salary Schedules**

The salary schedule for temporary part-time faculty shall be developed by the Chancellor's Office and approved by the Board of Regents. (B/R 10/04)

1. If the institution adopts a three semester model for its nursing program, the institution may employ full-time academic nursing faculty under a B3 contract.
2. Nursing faculty employed by the institution under a B3 contract must adhere to the faculty workload requirements defined in Title 4, Chapter 3 for each of the three semesters. The institution will report annually to the Chancellor's office the number of academic nursing faculty employed under B3 contracts and the total number of credit hours taught during each semester of contract.
3. Compensation for academic nursing faculty under a B3 contract shall be determined based on the 9-month academic salary schedules approved by the Board times 1.5.  
(B/R 10/07)

**Section 39. Reduced Appointments for Tenured Faculty**

1. A faculty member with a full-time tenured appointment may, by mutual agreement of the faculty member and the president of the faculty member's institution, be given a reduced appointment of less than 1.00 FTE, but no less than 0.50 FTE, under terms and conditions mutually agreed to in writing by the faculty member and the president, and which will be attached to or otherwise included in the faculty member's employment contract. A tenured faculty member agreeing to such a reduced appointment shall retain tenure. Such a reduction shall be issued only at the discretion of the institutional president.
2. A tenured faculty member agreeing to a reduced appointment under this section shall be reinstated to full-time employment either upon mutual agreement of the faculty member and the president or upon the direction of the president, which direction must be given in writing at least one year in advance of such reinstatement.

3. The institution, at the time of implementing this policy, will set a limit on the number of appointment made. (B/R 12/86)

#### **Section 40. Emeritus/Emerita Status**

1. Emeritus/Emerita status is an honor, which may be awarded to full-time faculty, and professional staff who retire after distinguished and long-term achievement and service to a NSHE institution or to a NSHE System Administration unit. Recommendations for emeritus/emmerita status will be based upon appropriate review processes established at each institution and shall be approved by the President or the Chancellor, in the case of System Administration recommendations. Normally a minimum of ten year's service is required prior to conferral of the title of emeritus/emmerita. The President or Chancellor must provide 5 working days notice to the institutional or System Faculty Senate prior to approving Emeritus/emmerita status. (B/R 4/01)
2. A person granted the title Emeritus/Emerita is considered to have lifetime status as a NSHE employee.
3. Emeritus faculty and professional staff, their spouses and financially dependent children are eligible for grant-in-aid privileges equivalent to those provided to at Title 4, Chapter 18, Section 5.5. (B/R 4/01)
4. Institutions may adopt such policies concerning additional benefits for emeritus faculty as are considered appropriate. Such policy statements, or a summary thereof, shall be in writing and, as appropriate, included in the administrative manual or faculty handbook of the institution. Additional benefits that may be adopted for System Administration emeritus faculty or staff shall be established in cooperation with a specific NSHE institution on a case-by-case basis. (B/R 4/01)

#### **Section 41. The Nevada System of Higher Education Anti-Drug Policy Statement**

1. The Nevada System of Higher Education prohibits the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in the workplace. Any employee who violates this policy is subject to disciplinary action, which may include termination of employment.
2. During the course of employment, any employee who is convicted of violating a federal or state law prohibiting the sale of a controlled substance must be terminated as required by *Nevada Revised Statutes* 193.105, regardless of where the incident occurred.
3. Any employee who is convicted of unlawfully giving or transferring a controlled substance to another person or who is convicted of unlawfully manufacturing or using a controlled substance while acting within the scope of his/her Nevada System of Higher Education employment will be subject to discipline up to and including termination.
4. The term, "controlled substance" means any drug defined as such under the regulations adopted pursuant to *Nevada Revised Statutes* 453.146. Many of these drugs have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, cocaine, PCP, and "crack." They also include "legal drugs" which are not prescribed by a licensed physician.

5. Each State employee is required to inform his or her appointing authority within five days after he or she is convicted for violation of any federal or state criminal drug statute when such violation occurred while representing the Nevada System of Higher Education or on the premises.
6. Any Government agency with which the Nevada System of Higher Education holds a contract or grant will be notified within ten days after receiving notice that an employee of the agency was convicted within the meaning used in paragraph 4, above.
7. Employees desiring more information concerning substance abuse, or seeking information on counseling may contact the designated Employee Assistance Representative for their institution.  
(B/R 5/92)

---

<sup>8</sup> Except as provided herein a temporary part-time faculty member on a “letter of appointment with benefits” is not entitled to participate in the state or NSHE retirement programs. #### 4. Miscellaneous

If a disciplinary action is brought under Chapter 6 of the Code, any disciplinary measures are in addition to the absences charged as unauthorized leave under section 1 above.

(B/R 6/06)

#### **Section 44. Background Checks of Childcare Workers and Volunteers.**

1. Required Background Check
  - a. Each institution with a childcare facility shall comply with all licensing and background check requirements established in state law. To the extent the Board of Regents policy conflicts with any state law requirements, or if applicable, any local licensing requirements, the provisions of state law or applicable local licensing requirements control.
  - b. An employee who has submitted the necessary application to the state (or where permitted by law, a local licensing authority) may commence work in a childcare facility prior to completion of the background check if the employee is: 1) not left alone with children (meaning another employee is always present); or 2) has successfully completed an initial background check of criminal history by obtaining a current sheriff/police card through the County/City, or by means of an investigation of criminal history by a national criminal background check firm.
  - c. Any individual, whether volunteer or part-time, not requiring a background check under state law must: 1) not be left alone with children (meaning another employee is always present) or 2) complete a criminal background check by obtaining a sheriff/police work card through the County/City, or by means of an investigation of criminal history by a national criminal background check firm.

## 2. Application Requirements

- a. Any prospective volunteer or employee in a childcare facility must complete an application for the consideration of employment or volunteer activities. The applicant must disclose 1) any prior convictions, whether or not expunged or based on a no contest plea, except for minor traffic/parking offenses; 2) current use of illegal drugs; 3) any arrest involving offenses related to child abuse or exploitation, child pornography, sexual assault or rape, sexual misconduct of any type involving a minor, assault, battery, murder, attempted murder or manslaughter; 4) prior employment history for the last ten years (recognizing that some individuals may not have been working for that time period); and 5) references. References and employment history must be verified prior to commencing employment or beginning volunteer activities.
- b. The facility shall evaluate all information received in the application in determining whether employment should be offered or volunteer activities permitted. Incomplete applications for employment or volunteer activities may not be considered. Any employment offer or commencement of volunteer activities is contingent upon successful completion of a criminal background check where required under state law or any applicable local licensing requirements, as well as other restrictions noted in this section.

## 3. Definition of Volunteer

For the purposes of this section, the term "volunteer" does not include a parent or guardian of a child who is enrolled in the childcare facility, nor does it include students participating in an educational program. Parents, guardians and students should, however, be supervised during visits to the childcare facility.

## 4. Applicability to Classified Employees

This policy is not generally applicable to the employment of classified employees, as such employment is governed by state personnel rules, except that classified employees may not commence work at a childcare facility prior to completion of any background check required by state law, or any applicable local licensing requirements, unless 1) the employee has submitted an application to the state (or if permitted by law, a local licensing authority) and 2) the employee is not left alone with children (meaning another employee is always present).

(B/R 3/07)

## **APPENDIX**

### **The Family and Medical Leave Act of 1993**

The Family and Medical Leave Act of 1993 (FMLA) was enacted on February 5, 1993.

The new law is effective on August 5, 1993 for Nevada System of Higher Education employees.

The U. S. Department of Labor's Employment Standards Administration, Wage and Hour Division, administers and enforces FMLA for all Nevada System of Higher Education employees.

FMLA entitles eligible employees to take up to 12 weeks of unpaid, job-protected leave each year for specified family and medical reasons. An eligible employee's right to FMLA leave begins on August 5, 1993; any leave taken before that date does not count as FMLA leave.

The law contains provisions on employer coverage; employee eligibility for the law's benefits; entitlement to leave, maintenance of health benefits during leave, and job restoration after leave; notice and certification of the need for FMLA leave; and, protections for employees who request or take FMLA leave. The law also requires employers to keep certain records.

#### **Employer Coverage**

FMLA applies to all Nevada System of Higher Education institutions.

#### **Employee Eligibility**

To be eligible for FMLA benefits, an employee must:

- (1) work for a covered employer;
- (2) have worked for the employer for a total of at least 12 months;
- (3) have worked at least 1,250 hours over the previous 12 months; and
- (4) work at a location where at least 50 employees are employed by the employer within 75 miles.

#### **Leave Entitlement**

A covered employer must grant an eligible employee up to a total of 12 workweeks of unpaid leave during any 12-month period for one or more of the following reasons:

- for the birth or placement of a child for adoption or foster care;
- to care for an immediate family member (spouse, child, or parent) with a serious health condition; or
- to take medical leave when the employee is unable to work because of a serious health condition.

Spouses employed by the same employer are jointly entitled to a combined total of 12 workweeks of family leave for the birth or placement of a child for adoption or foster care, and to care for a parent (but not a parent-in-law) who has a serious health condition.

Leave for birth or placement for adoption or foster care must conclude within 12 months of the birth or placement.

Under some circumstances, employees may take FMLA leave intermittently - which means taking leave in blocks of time, or by reducing their normal weekly or daily work schedule.

- If FMLA leave is for birth or placement for adoption or foster care, use of intermittent leave is subject to the employer's approval.
- FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Also, subject to certain conditions, employees or employers may choose to use accrued paid leave (such as sick or vacation leave) to cover some or all of the FMLA leave. The employer is responsible for designating if an employee's use of paid leave counts as FMLA leave, based on information from the employee. In no case can use of paid leave be credited as FMLA leave after the leave has ended.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:

- any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical-care facility;
- any period of incapacity requiring absence of more than three calendar days from work, school, or other regular daily activities that also involves continuing treatment by (or under the supervision of) a health care provider; or
- continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days, and for prenatal care.

"Health care provider" means:

- doctors of medicine or osteopathy authorized to practice medicine or surgery by the state in which the doctor practices; or
- podiatrists, dentists, clinical psychologists, optometrists and chiropractors (limited to manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist) authorized to practice, and performing within the scope of their practice, under state law; or,
- nurse practitioners and nurse-midwives authorized to practice, and performing within the scope of their practice, as defined under state law; or
- Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts.

## **Maintenance of Health Benefits**

A covered employer is required to maintain group health insurance coverage for an employee on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the employee had continued to work. If applicable, arrangements will need to be made for employees to pay their share of health insurance premiums while on leave.

In some instances, the employer may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave.

## **Job Restoration**

Upon return from FMLA leave, an employee must be restored to his or her original job, or to an equivalent job with equivalent pay, benefits, and other employment terms and conditions.

In addition, an employee's use of FMLA leave cannot result in the loss of any employment benefit that the employee earned or was entitled to before using FMLA leave.

Under specified and limited circumstances where restoration to employment will cause substantial and grievous economic injury to its operations, an employer may refuse to reinstate certain highly-paid "key" employees after using FMLA leave during which health coverage was maintained. In order to do so, the employer must:

- notify the employee of his/her status as a "key" employee in response to the employee's notice of intent to take FMLA leave;
- notify the employee as soon as the employer decides it will deny job restoration and explain the reasons for this decision;
- offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; and
- make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

A "key" employee is a salaried "eligible" employee who is among the highest paid ten percent of employees within 75 miles of the work site.

## **Notice and Certification**

Employees seeking to use FMLA leave may be required to provide:

- 30-day advance notice of the need to take FMLA leave when the need is foreseeable;
- medical certifications supporting the need for leave due to a serious health condition affecting the employee or an immediate family member;
- second or third medical opinions and periodic recertifications (at the employer's expense); and

- periodic reports during FMLA leave regarding the employee's status and intent to return to work.

When leave is needed to care for an immediate family member or the employee's own illness, and is for planned medical treatment, the employee must try to schedule treatment so as not to unduly disrupt the employer's operation.

Covered employers must post a notice approved by the Secretary of Labor explaining rights and responsibilities under FMLA. An employer that willfully violates this posting requirement may be subject to a fine of up to \$100 for each separate offense.

Also, covered employers must inform employees of their rights and responsibilities under FMLA, including giving specific information when an employee gives notice of FMLA leave on what is required of the employee and what might happen in certain circumstances, such as if the employee fails to return to work after FMLA leave.

### **Unlawful Acts**

It is unlawful for any employer to interfere with, restrain, or deny the exercise of any right provided by FMLA. It is also unlawful for an employer to discharge or discriminate against any individual for opposing any practice, or because of involvement in any proceeding, related to FMLA.

### **Enforcement**

FMLA is enforced, including investigation of complaints, by the U. S. Labor Department's Employment Standards Administration, Wage and Hour Division. If violations cannot be satisfactorily resolved, the Department may bring action in court to compel compliance. An eligible employee may also bring a private civil action against an employer for violations.

### **Other Provisions**

Special rules apply to employees of local education agencies. Generally, these rules provide for FMLA leave to be taken in blocks of time when intermittent leave is needed or the leave is required near the end of a school term.

Salaried executive, administrative, and professional employees of covered employers who meet the Fair Labor Standards Act (FLSA) criteria for exemption from minimum wage and overtime under Regulations, 29 CFR Part 541, do not lose their FLSA-exempt status by using any unpaid FMLA leave. This special exception to the "salary basis" requirements for FLSA's exemption extends only to "eligible" employees' use of leave required by FMLA.

The FMLA does not affect any other federal or state law, which prohibits discrimination, nor supersede any state or local law that provides greater family or medical leave protection. Nor does it affect an employer's obligation to provide greater leave rights under a collective bargaining agreement or employment benefit plan. The FMLA also encourages employers to provide more generous leave rights.

The System shall not discriminate in any way among its employees on account of advocacy of membership or non-membership in any such organization. (B/R 2/90)

### **Section 4. Bargaining Unit**

1. For the purposes of this chapter, except as otherwise provided herein, all of the professional employees of the System are deemed by the Board of Regents to have a substantial community of interest and shall constitute one bargaining unit only. (B/R 2/90)

2. If the conditions specified in Sections 5, 6 and 7 of this chapter for establishing two bargaining units are met, then there shall be two bargaining units only as provided herein, one of which shall be the System bargaining unit and one of which shall be the community college bargaining unit. (B/R 2/90)
3. If a majority of the department chairs or those professional employees whose duties are functionally equivalent to department chairs in a unit, not otherwise excluded from a collective bargaining unit as provided in this chapter, specify that they wish to be included in the collective bargaining unit, they shall be included in the collective bargaining unit, but otherwise they shall not be included in the collective bargaining unit. Such employees will notify the president of their preference as to inclusion or exclusion from the collective bargaining unit at least ten calendar days prior to any election held under this chapter. (B/R 2/90)

### **Section 5. Representative Application**

1. An employee organization seeking to represent System employees in their employment relationship must submit an application in writing to the Chancellor and include the following: (B/R 2/90)

  - b. A copy of its bylaws;
  - c. A roster of its officers and representatives, including name, address, and official function or title;

  - e. Signed evidence of interest in being represented by the employee organization from no less than 30 (thirty) percent of all of the eligible professional employees contained in the unit sought. (B/R 2/90)
  - f. In order to establish a single, separate community college bargaining unit, an application must also contain signed evidence of interest in being represented by an employee organization in such a community college bargaining unit from no less than 30% (thirty percent) of all of the eligible professional employees of any community college in the System whose faculty may desire to collectively bargain, and this shall authorize the Board of Regents to hold a representation election, as provided in Sections 6 and 7 of this chapter, only among the professional employees of the community college(s) whose faculty have submitted an application required by this section through an employee organization. Any other community college professional employees may participate in the election by submitting an application through an employee organization as required by this section no later than ten calendar days prior to the date of the scheduled election. (B/R 2/90)
2. Any revision or changes as to paragraphs a., b., and c. of subsection 1 shall be furnished to the Chancellor and to each member of the employee organization.

**Section 6. Election**

1. Upon verification by the Chancellor that the above requirements have been met, he shall place the application for recognition on the agenda as an action item of the next regularly scheduled meeting of the Board of Regents. The Board of Regents shall at that meeting provide for the American Arbitration Association to conduct an election in accordance with its rules. The election by secret ballot among the employees for whom representation is sought shall be held no sooner than 15 calendar days and no longer than 30 calendar days from the date of the Board of Regents meeting at which the request was presented. (B/R 2/90)
2. Ballots for the election shall be mailed to all eligible professional employees for the bargaining unit involved. The professional employees receiving the ballots shall be given the option, to be stated on the ballot, of casting their votes either by return mail or in person at designated voting locations and at designated times and dates. (B/R 2/90)

**Section 7. Balloting Shall Be in Two Parts**

1. In an election among the employees for whom representation is sought, two issues may be placed on the same ballot, the first of which in all events must be placed on the ballot and the second of which must be placed on the ballot only if two or more employee organizations have applied for representation of professional employees. (B/R 2/90)
2. In only one employee organization has applied for representation of professional employees, the first part of the ballot shall be worded as follows: (Name of employee organization) has applied to represent all of the eligible professional employees in (identify the bargaining unit) for purposes of collective bargaining with the Nevada System of Higher Education. If a majority of all of the eligible professional employees in the bargaining unit for whom representation is sought vote "yes", then (name of employee organization) shall be elected to serve as the professional employees' bargaining agent. (B/R 2/90)

Vote for one alternative:

\_\_\_\_\_ Yes, I want (name of employee organization) designated as my agent for collective bargaining purposes.  
(B/R 2/90)

\_\_\_\_\_ No, I do not want collective bargaining.

3. If two or more employee organizations have applied for representation: (B/R 2/90)
  - a. The first part of the ballot shall be worded as follows: Several employee organizations have applied to represent all the eligible professional employees in (identify the bargaining unit) for purposes of collective bargaining with the Nevada System of Higher Education. If a majority of all of the eligible professional employees in the bargaining unit for whom representation is sought vote "yes", then one of the employee organizations on the second part of the ballot shall be elected to serve as the professional employees' bargaining agent. (B/R 2/90)

Vote for one alternative:

\_\_\_\_\_ Yes, I want (name of employee organization) designated as my agent for collective bargaining purposes. (B/R 2/90)

\_\_\_\_\_ No, I do not want collective bargaining.

- b. If a majority of all of the eligible professional employees in the unit for whom representation is sought fail to vote "yes", the party or organization conducting the election shall not count the votes cast for labor organizations on the second part of the ballot. (B/R 2/90)
- c. The second part of the ballot shall be worded as follows: If a majority of all of the eligible professional employees in the bargaining unit for whom representation is sought vote "yes" in favor of designating an agent for collective bargaining purposes, one of the following organizations shall be so designated. Regardless of how you voted on the first part of the ballot, vote for one of the organizations listed below to serve as agent for collective bargaining purposes. The employee organization receiving a majority of the votes cast shall be elected to serve as the professional employees' bargaining agent, provided the requisite minimum number of "yes" votes has been cast in the first part of the ballot. (B/R 2/90)

\_\_\_\_\_ (organization)

\_\_\_\_\_ (organization)

\_\_\_\_\_ (organization)

- 4. After the Board of Regents has set the date of the election, additional employee organizations seeking to represent the eligible professional employees of the unit in question may file an application with the Chancellor no later than ten calendar days prior to the election. The application shall contain the information specified in Section 5, subsections a. through d. of this chapter. If the application contains signed evidence of interest in being represented by the employee organization from no less than 10 (ten) percent of all the eligible professional employees contained in the unit in question, the organization shall be included on the ballot of the election. (B/R 2/90)
- 5. The results of the election shall be binding on all parties as of the date certified by the party or organization conducting the election, and no other application or elections involving the same bargaining unit shall be accepted or permitted for a period of one calendar year from the date of the certification, with the exception of a runoff election which might be necessitated where no employee organization received a majority of the votes cast in a two part ballot. Runoff elections shall be held no sooner than five calendar days and no longer than ten calendar days after the election. Only the top two vote-getting employee organizations from the previous election shall be listed on the ballot for the runoff election. The employee organization receiving a majority of the votes cast in a runoff election shall be elected to serve as the professional employees' bargaining agent. (B/R 2/90)

6. When an election is held only among the eligible professional employees of one or more community colleges, as provided in Section 5(1)(f) of this chapter, the following procedures shall be in effect: (B/R 2/90)
  - a. If a community college bargaining unit is established as provided in Sections 5, 6 and 7 of this chapter and if the professional employees of one or more community colleges have also elected not to belong to the community college bargaining unit as provided in those sections, the professional employees of any such nonparticipating community college may seek to join the community college bargaining unit at a later time by filing an application through an employee organization and by participating in an election under the provisions of Sections 5, 6 and 7 of this chapter. However, such an application may not be filed for a period of more than 180 calendar days nor less than 120 calendar days before the date of expiration of any bargaining agreement then in existence under this chapter. The ballot shall be limited to the single issue of whether the professional employees of the community college(s) involved wish to be represented or not by the employee organization already representing the professional employees who are already in the bargaining unit. For this purpose the ballot established in Section 7(2) of this chapter shall be used. (B/R 2/90)
  - b. After the professional employees of any community college elect to belong to a single, separate community college bargaining unit, the professional employees of a community college in the unit cannot choose to leave the community college bargaining unit. This paragraph shall not be deemed to prohibit the decertification, under Section 8 of this chapter, of an employee organization representing all of the professional employees of the community college bargaining unit. (B/R 2/90)

#### **Section 8.     Decertification**

1. Except during the calendar year specified in Section 7 of this chapter, the System will withdraw recognition of an employee organization if the subject organization has been decertified within the provisions of this section by a majority vote of all eligible professional employees of the bargaining unit represented. (B/R 2/90)
2. Decertification shall be initiated by one of the following methods: (B/R 2/90)
  - a. Members of the negotiating unit seeking to decertify a recognized employee organization must submit notice of intent in writing to the Chancellor and the employee organization and include signed evidence of intent to decertify from no less than 30 (thirty) percent of the eligible professional employees in the unit represented by the recognized employee organization; or (B/R 2/90)

- b. The Chancellor notifies the Board of Regents that he has a good faith reason to believe that the presently certified employee organization representing the bargaining unit is no longer supported by a majority of the professional employees of the bargaining unit. The American Arbitration Association shall also be notified of this belief by the Chancellor and the Association shall be requested to review the matter upon appropriate hearing and report to the Board of Regents on whether the Chancellor's action is justified. The Board shall take no action on the matter unless the American Arbitration Association indicates that the Chancellor's notification is justified. (B/R 2/90)
3. Upon a finding by the Board of Regents that the above requirements have been met, an election shall be scheduled in a manner consistent with the procedures specified for elections in Section 6 of these regulations. (B/R 2/90)
4. No action to decertify shall be considered during the effective term of a bargaining agreement except for a period of not more than 180 calendar days to not less than 120 calendar days before its date of termination. For the purposes of timeliness of notice, an existing written collective bargaining agreement for a term in excess of two years shall be treated as a two-year agreement. (B/R 2/90)

#### **Section 9. External Funding**

The System is constrained by funding resources external to its control and subject to approval by bodies not participant in negotiations such as are provided by these regulations. No provision of any bargaining agreement negotiated pursuant to this chapter which requires the expenditure of funds for any purpose shall be effective unless and until funds are appropriated and are made available to the System by the Nevada Legislature. It is therefore imperative that the negotiating parties function in a spirit of mutual respect and cooperation toward the achievement of their common, as well as individual, objectives. (B/R 2/90)

#### **Section 10. Agreements Shall Be in Writing**

1. It is the duty of the System and the employee organization designated as the bargaining agent for the unit to negotiate in good faith through their chosen representatives as required by this chapter.(B/R 2/90)
2. All agreements reached shall be reduced to writing and submitted for ratification to the professional employees represented by an employee organization and to the Board of Regents. If the agreement is ratified by both parties, then it shall be signed by legally empowered representatives. (B/R 2/90)

### **Section 11. Written Notice; Duration of Agreement**

Whenever a recognized employee organization or the Board of Regents desires to negotiate concerning any matter which is subject to negotiation pursuant to this chapter, it shall provide written notice to the other party. The employee organization and the Board of Regents may not provide written notice to the other party for a period of 60 calendar days from the date of certification of the election by the party or organization conducting the election. Collective bargaining agreements resulting from such negotiations shall be for duration of not less than two years, with this agreement duration to be congruent with the fiscal biennium concept used within the System. The minimum duration required by this section does not preclude agreements for more than two fiscal years, nor does the minimum duration apply to the initial agreement negotiated between the System and the employee organization. (B/R 2/90)

### **Section 12. Informal Discussions**

These regulations neither preclude nor require informal discussion between an employee organization and the System of any matter which is not subject to mandatory collective bargaining negotiations or a collective bargaining agreement under this chapter. Any such informal discussion is exempt from all requirements of notice or time schedule. (B/R 2/90)

### **Section 13. Scope of Collective Bargaining**

1. The scope of mandatory collective bargaining negotiations under this chapter shall be limited to the following topics: (B/R 2/90)
  - a. Salary or wage rates or other forms of direct monetary compensation. (B/R 2/90)
  - b. Sick leave. (B/R 2/90)
  - c. Vacation leave. (B/R 2/90)
  - d. Holidays. (B/R 2/90)
  - e. Other paid or nonpaid leaves of absence. (B/R 2/90)
  - f. Insurance benefits. (B/R 2/90)
  - g. Total hours of work required of a professional employee on each work day or work week. (B/R 2/90)
  - h. Total number of days worked required of a professional employee in a work year. (B/R 2/90)
  - i. Discharge and disciplinary procedures. (B/R 2/90)
  - j. Recognition clause. (B/R 2/90)

- k. Deduction of dues for the recognized employee organization. (B/R 2/90)
  - l. Protection of employees in the bargaining unit from discrimination because of participation in recognized employee organizations consistent with the provisions of this chapter. (B/R 2/90)
  - m. Grievance and arbitration procedures for resolution of disputes relating to interpretation or application of collective bargaining agreements. (B/R 2/90)
  - n. General savings clauses. (B/R 2/90)
  - o. Duration of collective bargaining agreements. (B/R 2/90)
  - p. Safety of the employee. (B/R 2/90)
  - q. Procedures for reduction or addition in work force. (B/R 2/90)
2. All provisions of the Nevada System of Higher Education Code, institutional bylaws and all other policies, procedures, rules and regulations of whatever nature of the Nevada System of Higher Education, its member institutions or any other unit of the System, not specifically modified by the terms of any collective bargaining agreement made pursuant to this chapter, shall remain in force and effect unless and until modified by the appropriate System authority, which it may do at any time. (B/R 2/90)
3. Except as modified in collective bargaining agreement regarding the topics enumerated in paragraph 1 above, the board of Regents, in accordance with its authority under Article 11, Section 4 of the Nevada Constitution, has retained and will continue to retain, whether exercised or not, the sole right, responsibility, authority or prerogative to make rules for the government of the Nevada System of Higher Education and shall determine the mission, means, number and types of personnel, as well as the general policies of the Nevada System of Higher Education, its member institutions and any unit of the System including, but not limited to, those concerning academic, curricular, programmatic, financial and personnel matters. (B/R 2/90)

#### **Section 14. Commencement of Negotiations**

The recognized employee organization and the System's negotiating representatives designated by the Board of Regents shall promptly commence negotiation upon receipt of notice as specified in Section 11 of this chapter. (B/R 2/90)

### **Section 15. Use of Mediator**

During the course of negotiations, the parties may mutually agree to utilize the services of a mediator to assist them in resolving any dispute. If the parties agree to utilize a mediator, but are unable to agree on the identity of a mediator, either party may request from the American Arbitration Association, a list of seven potential mediators who have a background in postsecondary education. The parties shall, within three days after receipt of the list, select their mediator from this list by alternately striking one name until the name of only one mediator remains, who will be the mediator to consider the dispute in question. The employee organization shall strike the first name. The mediator shall have the authority to schedule meetings between the parties. The System and the employee organization each shall pay one half of the cost of mediation; however, each party shall pay its own costs incurred in the preparation and presentation of its case. (B/R 2/90)

### **Section 16. Selecting a Factfinder**

1. If after 60 calendar days following receipt of notice of desire to negotiate, the parties have not reached agreement, and mediation, if undertaken, has been unproductive, either party may request that the dispute be submitted to an impartial factfinder for his findings and recommendations. These findings and recommendations are not binding on the parties. (B/R 2/90)
2. If the parties are unable to agree on an impartial factfinder within five calendar days after a request for submission of the dispute to a factfinder has been made, either party may request from the American Arbitration Association, a list of seven potential factfinders who have a background in postsecondary education factfinding. The parties shall, within three calendar days, select their factfinder from this list by alternately striking one name until the name of only one factfinder remains, who shall be the factfinder to hear the dispute in question. The employee organization shall strike the first name. (B/R 2/90)
3. The System and the employee organization shall each pay one half of the cost of factfinding, but each party shall pay its own costs incurred in the preparation and presentation of its own case in factfinding. (B/R 2/90)
4. The powers of the factfinder selected are limited exclusively to an examination, report, and recommendations pertaining to the disputed subjects jointly submitted by the System and employee organization and the factfinder shall not address any other issue. (B/R 2/90)
5. The factfinder shall report his findings and recommendations only to the parties joining in submittal of the dispute. These findings and recommendations shall be in writing and shall be delivered within 30 calendar days after the conclusion of the factfinding hearing. The factfinder is prohibited from disclosing his findings and recommendations, including public media disclosure, without the prior written consent of the parties originally submitting the dispute to his jurisdiction.

6. If, during the course of factfinding hearing,
  - a. It appears that the financial ability of the System to comply with a request is a substantial issue; and (B/R 2/90)
  - b. The legislature is then in a session at which appropriation of money for the support of the System or authorization of expenditures by the System may be made, the hearing shall be stayed until the expiration of ten days after the adjournment sine die of the legislature. (B/R 2/90)

**Section 17. Recommendation of Factfinder**

1. Any factfinder shall base his recommendation on the following criteria:
  - a. A preliminary determination shall be made as to the financial ability of the System, based on existing available revenues, to comply with the request of the employees' organization, and the reasonableness of such request, and with due regard for the obligation of the university to provide instruction, research and public services at a System level and instruction at a community college level; (B/R 2/90)
  - b. A comparison shall be made of the annual income and benefits of the professional employees in question with the annual income and benefits of professional employees with like or similar qualifications, skills, training and experience performing the same or similar work under the same or similar working conditions in comparable institutions; (B/R 2/90)
  - c. A consideration shall be made of the impact on and consistency of treatment of such proposals on the other employees of the System; and (B/R 2/90)
  - d. The interest and welfare of the public. (B/R 2/90)
2. The factfinder's written report shall state the facts upon which he based his recommendation.

**Section 18. Deadlock**

1. If the parties have negotiated in good faith and have been unable to reach an agreement, and have utilized the factfinding procedure and are still unable to resolve their differences and negotiate a settlement within 45 calendar days of receipt of the factfinder's report, a negotiation deadlock shall be considered to exist.
2. When a negotiation deadlock exists, the report of the factfinder may be made public by either party along with any statements issued by the employee organization or the Board of Regents. (B/R 2/90)
3. Within ten calendar days of release of the factfinder's report, the parties shall again meet and attempt to reach an agreement.

4. Nothing in this chapter shall be interpreted as requiring either the employee organization or the Board of Regents to agree to a settlement. (B/R 2/90)

**Section 19. Strikes; Lockouts**

1. The Board of Regents finds as facts:
  - a. That some of the services provided by the System are of such nature that they are not and cannot be duplicated from other sources and are essential to the health, safety, and welfare of the people of the State of Nevada; (B/R 2/90)
  - b. That the continuity of such services is likewise essential, and their disruption incompatible with the responsibility of the state to its people, and;
  - c. That every person who enters or remains in the employment of the System accepts the facts stated in paragraphs a. and b. as an essential and non-negotiable condition of his or her employment. (B/R 2/90)
2. The Board of Regents therefore declares it to be the public policy of the Nevada System of Higher Education that strikes against the System are contrary to these regulations. (B/R 2/90)
3. The Board of Regents acknowledges that the facts noted above must also lead to the conclusion that it would be contrary to public policy for the Board of Regents to prohibit its employees to work by virtue of a "lockout" and pledges that no "lockout" shall occur. However, if any employee is unable to work because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to work shall not be deemed a lockout under the provisions of this section. In the event of a lockout the System shall be liable to the employee organization for reasonable damages. In no event shall these damages exceed the wages which would have been earned had the employees not been locked out. (B/R 2/90)

**Section 20. Injunctions**

If a strike occurs or is threatened against the System, the System may apply to a court of competent jurisdiction to enjoin such strike. The application shall set forth the facts constituting the strike or threat to strike. (B/R 2/90)

(B/R 2/90)
4. In the case of any strike, slowdown, or other suspension of work not authorized by the employee organization, its officers or agents, the Board of Regents declares that such violation shall not cause the employee organization, its officers or agents, to be liable for damages; provided the employee organization complies fully with the following:
  - a. The employee organization's obligation to take action shall commence immediately upon receipt of notice from the Chancellor that a violation has occurred.
  - b. Immediately upon receipt of such notice the responsible employee organization representative shall immediately notify in writing those employees responsible for or participating in such violation, and also talk with those same employees, stating to them that

    - (3) the employee organization has not authorized the strike, slowdown, or suspension of work and does not approve or condone it;
    - (4) the employee organization instructs the employees to return to work immediately.
5. If the due process hearing procedures of a collective bargaining agreement or the Nevada System of Higher Education Code provide for the participation of professional employees of the collective bargaining unit involved and, if, as a result of the strike or violation, such professional employees neglect, refuse or fail to participate in such due process hearing procedures, the System may utilize professional employees from any institution of the System to participate in such due process hearing procedures. 1. Assistantships are available within the UCCSN to graduate students at the universities or state college. (B/R 12/02)
  2. Appointments to such assistantships shall be approved by the president of the institution concerned.
  3. Assignment of responsibilities shall be defined by the department concerned and approved by the institutional president.
  4. Salary shall be approved by the president, in conformity with the salary schedule established by the Board of Regents. No later than Fall 2004 and unless waived by the graduate assistant, the cost of student health insurance, provided by an insurer approved by the institution, shall be included in the salary amount. (B/R 6/03)
  5. Normally, appointments shall be made either for the academic year or for 12 months; however, appointments may be offered for a shorter period to fill vacancies created by resignations or by establishment of temporary positions. (B/R 2/90)
  6. A full-time graduate assistantship is based on a 20-hour work week; however, appointments may be offered for less time with salary and grant-in-aid determined proportional to the commitment of time. If the graduate assistantship is for a 12-month period, the additional conditions of work for the summer months and the semester break must be stipulated in the contract. Graduate students who are appointed and paid as full-time graduate assistants are normally not eligible for additional employment in the University and Community College System of Nevada. The appointment as a graduate assistant, coupled with the academic load necessary to hold the assistantship, is considered to be a full-time commitment. Any exceptional circumstances thought to justify limited secondary employment within the UCCSN must be submitted with a request in writing for advance approval from the Dean of the Graduate School. (B/R 6/03)
  7. The number of graduate assistantships authorized by the Board of Regents may be found in the annual work programs for each institution. Additional temporary graduate assistantships may be authorized by the institutional president.

### **Section 4. Grants-in-Aid for Tuition and Fees**

1. Graduate assistants may receive a grant-in-aid for the payment of tuition and a specified portion of the registration fees proportional to the semester salary.
2. Provision of a grant-in-aid does not automatically entitle the recipient to other institutional privileges, such as faculty status or Nevada resident status.
3. A graduate assistant who is under contract for the academic year and who remains enrolled in a degree program may receive a grant-in-aid for the payment of a specified portion of the registration fees for the summer session immediately prior to or immediately following the effective date of his contract. In the event a contract has not been signed, a written statement from the department chairman that an appointment has been offered will constitute sufficient evidence to obtain a grant-in-aid for the summer session.
4. A graduate assistant at the universities or state college who, in order to complete degree requirements by September has to register for credits of thesis in the summer session, may receive a grant-in-aid for the payment of a specified portion of the registration fees for that summer session as a condition of employment during the previous academic year.
5. As a condition of employment, graduate assistants may receive a waiver of the capital improvement fee proportional to the semester salary received.

3. Such employees will not be included with regular graduate assistants for calculation of average salary or compensation.
4. Such employees will usually be paid from non-appropriated funds, and will usually not be subject to renewal.
5. This category will not be used if a regular graduate assistant appointment would be appropriate.

## **Section 1. Introduction**

The Nevada System of Higher Education is guided by the principle that there shall be no difference in the treatment of persons because of race, religion, color, age, sex (including a pregnancy related condition), sexual orientation, military status or military obligations, disability (whether actual or perceived by others to have a disability (including veterans with service-connected disabilities), or national origin, and that equal opportunity and access to facilities shall be available to all. Similarly, there shall be no difference in the treatment of persons who file charges of discrimination or harassment, participate in a discrimination or harassment proceeding, or otherwise oppose discrimination or harassment. This principle is applicable to every member of the Nevada System of Higher Education community, both students and employed personnel at every level, and to all units, facilities, and services of the Nevada System of Higher Education.

This principle governs the admissions and subsequent treatment of students in all institutions, as well as student participation in extracurricular activities. It is a guiding policy in the employment of students, either by the Nevada System of Higher Education or by outsiders through the System. All student services, including financial aid, placement, tutoring, and counseling, are governed by the concept of equal opportunity. NSHE does not, on the basis of sex or any other protected classification, exclude from participation in, deny the benefits of, or subject to discrimination any person under any education program or activity.

The same principle is applicable in NSHE-owned or NSHE-approved housing, in the use of food services, student unions, and all other Nevada System of Higher Education facilities.

In the employment or reemployment of all personnel, the Nevada System of Higher Education recognizes that all persons regardless of race, religion, color, age, sex (including a pregnancy related condition), sexual orientation, military status or military obligations, disability (including veterans with service-connected disabilities), or national origin shall have equal access to positions in the public service, limited only by their ability to do the job.

In addition, it is the policy of the Nevada System of Higher Education to undertake affirmative action, consistent with its obligations as a Federal contractor or where otherwise required to remedy the effects of past discrimination. Such efforts may require more than employment neutrality by making a positive and continuous effort in the recruitment, employment, retention and promotion of qualified women, minorities, persons with military status or military obligations, and persons with disabilities, including veterans with service-connected disabilities. The Nevada System of Higher Education commits itself to apply good faith efforts to achieve full utilization of qualified women, minorities, persons with military status or military obligations, and persons with disabilities (including veterans with service-connected disabilities) in all segments of the workforce where deficiencies exist. These efforts will conform to all current legal and regulatory requirements, and are consistent with NSHE standards of quality and excellence.

(B/R 12/09)

## **Section 2. General Policy of the Board of Regents on the Recruitment, Admission and Retention of Students**

Participation by members of minority groups, women, and members of other protected classes in higher education is a priority issue with the Board of Regents. Increasing student participation and the completion of postsecondary educational programs by persons in these

groups is important and necessary and will require innovative and diverse approaches for their recruitment, admission and retention in the Nevada System of Higher Education. Each institution is encouraged to devote significant resources to support the recruitment and retention of students from these groups. Each institution should prepare and implement a plan of action to provide outreach to potential students, or organizations, which can find such potential students, for their admission to the Nevada System of Higher Education. Financial incentives should be developed for the financially disadvantaged to encourage their admission and retention in the System. Additional resources should be devoted to activities designed to encourage students from these groups to continue their education in the System.

In short, it is the responsibility of the Board of Regents and the officers and employees of the Nevada System of Higher Education to help diversify our society and establish social justice by actively taking measures to ensure that the growing population of minority groups, women and other protected classes are prepared to participate fully in the life of our state and our nation. At the very least, this requires that the Board, its officers and employees take active steps to recruit and retain students from these groups in the postsecondary educational programs of the Nevada System of Higher Education.

(B/R 11/88)

### **Section 3. General Policy of the Board of Regents on Equal Employment Opportunity**

It is hereby resolved that the reaffirmed policy of the Nevada System of Higher Education shall be to promote equal opportunity of employment or reemployment for members of minority groups, women (including women with pregnancy related conditions), persons with disabilities (including veterans with service-connected disabilities), persons with military status or military obligations, and members of other protected classes in all positions. Consistent with statutory and legal requirements, any affirmative action necessary to address deficiencies shall include, but not be limited to, active recruitment among minority groups, women, persons with disabilities (including veterans with service connected disabilities), persons with military status or military obligations, and other protected classes and the creation of programs designed to lead to their qualification for both academic and classified positions.

This affirmative action is not discrimination in reverse; rather, it is a program designed to expand the group of qualified people from whose ranks appointments can be made.

Further, affirmative action requires that the rank and salary of minorities, women, persons with disabilities (including veterans with service-connected disabilities), persons with military obligations or military status, and other protected classes presently employed by the Nevada System of Higher Education be evaluated annually in order to insure that rank and salary determinations are made in an equitable manner.

(B/R 12/09)

### **Section 4. Responsibility for Compliance**

1. The Board of Regents and the Chancellor have delegated to each President the responsibility for insuring that each administrative unit complies with the terms of the Equal Opportunity and Affirmative Action policies set forth by the Nevada System of Higher Education, as well as all applicable Federal and State statutes, laws, orders, and regulations.

2. Vice Presidents, deans, and other administrative officers have the direct responsibility for the compliance of the administrative units under their jurisdiction with the System Equal Opportunity and Affirmative Action policies and with the Federal and State statutes, laws, orders, and regulations.
3. Each Office of Admissions and each department, which admits students, has the specific responsibility for insuring that equal opportunity in education is provided to all.

(B/R 12/09)

## **Section 5. NSHE Equity, Diversity, and Inclusion Council**

To support the principle established in Section 1 of this Chapter, an Equity, Diversity, and Inclusion Council (EDIC) will be established to review, evaluate, and, as needed, formulate additional proposed NSHE equity, diversity, and inclusion goals, policies, and practices, and provide statewide leadership in best practices. The Equity, Diversity, and Inclusion Council shall report to the Chancellor and shall be appointed in conformity with Title 1, Chapter 4 to include representatives from each NSHE institution.

The charge of the Council shall be set by the Chancellor to include the following tasks:

1. Recommend to the Chancellor and the Board of Regents proposed goals, policies, practices, related strategies, and accountability measures on diversity, equity, and inclusion;
2. Conduct a continuing review of existing goals, policies, practices, concerns, and information related to diversity, equity, and inclusion on all NSHE campuses;
3. Provide for opportunities for communication among NSHE institutions to identify and promote best practices for ensuring equity, diversity and inclusion among the students, staff and faculty of the System;
4. Support and monitor the Board of Regents' Master Plan goals and strategies for equity and diversity;
5. Encourage regular collaboration between and among institutional faculty members and staff on issues related to equity, diversity, and inclusion; and
6. Support the Board of Regents' Cultural Diversity Committee with regular reports, supported by current research and related data, on the charges outlined in the Committee's mission related to equity, diversity and inclusion issues.

(B/R 9/09)

## **Section 6. Dissemination of Policies**

1. The NSHE Equal Opportunity Policy Statement, NSHE Affirmative Action Program and the respective institution policies and annual affirmative action plan shall be made available to employees.

2. Information relating to the Nevada System of Higher Education Affirmative Action plan will be communicated in an annual report to the Board of Regents. This information will be available upon request to system employees, community organizations, and Federal, State and local agencies, as well as other interested persons.

(B/R 12/09)

## **Section 7. Implementation Policies**

1. At the institutional level, responsible administrators must:
  - a. Identify a person or persons to be responsible for Affirmative Action and Equal Opportunity.
  - b. Analyze the composition of the institution's workforce to determine the existence of any under-utilization of women, minorities, persons with disabilities, or other protected classes.
  - c. State steps that will be taken to correct any such under-utilization.
  - d. Set realistic employment, promotional, and programmatic goals (i.e. the recruitment of minority and female students into fields of study that will prepare them for positions in which such persons are currently under-utilized) that will accomplish the general purpose of this Affirmative Action Program.
  - e. Continue the active recruitment of members of minority groups, women, persons with disabilities, and other protected classes. For professional personnel, this effort is not restricted to the demographic areas from which the Nevada System of Higher Education normally draws its personnel but is expanded to include any areas, nationwide, where qualified minorities, women, and persons with disabilities may be located.
  - f. Publicize all available open positions internally and/or externally. Internal and external searches are defined and reported as follows:
    - (1) Internal within a single institution of the Nevada System of Higher Education.
    - (2) Internal among all NSHE institutions.
    - (3) External among the region or nation.
2. It is the objective of the NSHE to conduct internal or external searches for all full-time and half-time professional staff positions (defined in Title 4, Chapter 3, Section 2) with the exception of Temporary Part-time Faculty (defined in Title 4, Chapter 3, Section 32). The institutional President or Chancellor may waive the search requirement where he or she determines the waiver to be in the best interest of the institution or System unit. Each institution and System unit must have an internal process for requesting search waivers and for obtaining the approval of the institutional President or Chancellor. Each institution or System unit will be expected to maintain a list of search waivers and to report to the Chancellor and the Board annually.

3. This shall not be interpreted as requiring a search within the institution in order to fill positions by internal institutional promotion, transfer, positions of academic department chairs or positions of directors in a community college who serve in the same capacity as academic chairs do in the universities or state college. Such internal institutional promotions, transfers, and positions of academic department chair or positions of directors in a community college must be approved by the President or the Chancellor, as the case may be. This also shall not be interpreted as altering the 1971 agreement between the NSHE and the U.S. Department of Agriculture related to the Cooperative Extension Service.
  4. The Chancellor's Office shall collect and maintain information on (1) the number of minorities, women, and members of other protected classes employed in professional and classified positions; (2) the number of minorities, women, and members of other protected classes enrolled as students; and (3) any additional information necessary to determine the impact of policy changes on the number of minorities, women, and members of other protected classes enrolled or employed in an NSHE institution. Annually this information shall be reported to the Board of Regents.
  5. It is the policy of the System to establish and maintain programs whereby women, minority group members, persons with disabilities (including veterans with service-connected disabilities), persons with military status or military obligations, and members of other protected classes will be trained in internally conducted training programs for the purpose of employee development. The Nevada System of Higher Education encourages the establishment of appropriate plans in all its administrative units so that regular evaluations can be made to determine what, if any, changes are needed in these programs and what has been accomplished.
- (B/R 12/09)

#### **Section 8. Academic Reporting and Monitoring**

The administrative units must utilize checklists and summaries of the steps of affirmative action taken in the recruitment process and submit them with the employment document to the appointing authorities. These checklists and summaries must identify all final candidates interviewed for the position by sex and race, and also identify the person nominated for the position by name, race, and sex. If minorities, women, persons with disabilities (including veterans with service connected disabilities), persons with military status or military obligations, or members of other protected classes were referred as final candidates for the position and not hired, an explanation must be given as to the reason they were not hired. All unit files must include a list of recruitment sources.

(B/R 12/09)

#### **Section 9. Monitoring and Reporting**

Departments are required to report the reasons that a woman, a minority, a person with a disability (including a veteran with a service-connected disability), a person with military status or military obligations, or a member of a protected class was not hired or promoted. These reports will be monitored to insure that the hiring or the promoting is made on the basis of job-related criteria and is not discriminatory.

(B/R 12/09)

## **Section 10. Reviews**

Each institution's affirmative action efforts will be reviewed annually by the Board of Regents and are subject to review by Federal officials of the Office of Federal Contract Compliance and the Regional Office of Civil Rights, and State agencies as well.

(B/R 11/88)

## **Section 11. Participation in Community Affairs**

The Nevada System of Higher Education pledges its participation in and support of community programs which relate to the advancement of women, minorities, persons with disabilities (including veterans with service-connected disabilities), persons with military status or military obligations, and other protected classes through education, training, and employment.

(B/R 12/09)

## **Section 12. Contract Compliance for Construction, Skilled Trades and Purchasing**

1. The Federal and State governments require that all contractors working on Nevada System of Higher Education projects provide effective Equal Employment and Affirmative Action programs. On projects contracted for by the State Public Works Board, the responsibility for monitoring compliance will be with appropriate State agencies. Compliance monitoring and enforcement review for all other projects will be the responsibility of institutional affirmative action officers.
2. Each purchasing department within the Nevada System of Higher Education will require each vendor with a contract or subcontract in excess of \$7,500 to certify that it is an Equal Opportunity Employer. Businesses that are women, disadvantaged and minority owned will be identified and will be given an opportunity to bid on Nevada System of Higher Education contracts.

(B/R 11/88)

## **Section 13. Policy Against Sexual Harassment and Complaint Procedure**

### **Introduction**

This Policy is divided into three parts. Section A states the NSHE policy against discrimination. Section B states the NSHE policy against sexual harassment. Section C contains the complaint and investigation procedure for discrimination and sexual harassment complaints. These procedures are in addition to disciplinary complaints brought against professional employees or students under Title 2, Chapter 6 of the NSHE Code (or if applicable, institution student codes of conduct), or against classified employees under the Nevada Administrative Code. However, information gathered as part of the complaint process under this section may be used in connection with disciplinary proceedings.

## **A. NSHE Non-Discrimination Policy**

### **1. Policy Applicability and Sanctions.**

The Nevada System of Higher Education (NSHE) is committed to providing a place of work and learning free of discrimination on the basis of a person's age, disability, whether actual or perceived by others (including service-connected disabilities), gender (including pregnancy related condition), military status or military obligations, sexual orientation, national origin, race, or religion. Where discrimination is found to have occurred, the NSHE will act to stop the discrimination, to prevent its recurrence, and to discipline those responsible.

No employee or student, either in the workplace or in the academic environment, should be subject to discrimination.

It is expected that students, faculty and staff will treat one another and campus visitors with respect.

### **2. Policy Applicability and Sanctions.**

All students, faculty, staff, and other members of the campus community are subject to this policy. Students, faculty, or staff who violate this policy are subject to discipline up to and including termination and/or expulsion, in accordance with the NSHE Code (or in the case of students, any applicable student code of conduct) or, in the case of classified employees, the Nevada Administrative Code. Other lesser sanctions may be imposed, depending on the circumstances. Complaints may also be filed against visitors, consultants, independent contractors, service providers and outside vendors whose conduct violates this policy, with a possible sanction of limiting access to institution facilities and other measures to protect the campus community.

### **3. Training.**

All employees shall be given a copy of this policy and each institution's Human Resources Office shall maintain documentation that each employee received the policy. New employees shall be given a copy of this policy at the time of hire and each institution's Human Resources Office shall maintain documentation that each new employee received the policy.

Each institution shall include this policy and complaint procedure in its general catalog.

Each institution shall have an on-going non-discrimination training program and shall designate a person or office to be responsible for such training.

### **4. Discriminatory Practices.**

It is illegal to discriminate in any aspect of employment, such as:

- hiring and firing;
- compensation, assignment, or classification of employees;
- transfer, promotion, layoff, or recall;
- job advertisements;
- recruitment;
- testing;

- use of employer's facilities;
- training programs;
- fringe benefits;
- pay, retirement plans, and disability leave; or
- other terms and conditions of employment.

Determining what constitutes discrimination under this policy will be accomplished on a case by case basis and depends upon the specific facts and the context in which the conduct occurs. Some conduct may be inappropriate, unprofessional, and/or subject to disciplinary action, but would not fall under the definition of discrimination. The specific action taken, if any, in a particular instance depends on the nature and gravity of the conduct reported, and may include non-discrimination related disciplinary processes as stated above.

Discriminatory practices also include:

- discrimination on the basis of a person's age, disability ( including service-connected disabilities), gender (including pregnancy related condition), military status or military obligations, sexual orientation, national origin, race, or religion.;
- retaliation against an individual for filing a charge of discrimination, participating in an investigation, or opposing discriminatory practices; and
- employment decisions based on stereotypes or assumptions about the abilities, traits or performance of individuals of a certain age, disability (including service-connected disabilities), gender (including pregnancy related condition), military status or military obligations, sexual orientation, national origin, race, or religion.
- conduct that has the purpose or effect of substantially interfering with an individual's academic or work performance, or of creating an intimidating, hostile or offensive environment in which to work or learn.

This behavior is unacceptable in the work place and the academic environment. Even one incident, if it is sufficiently serious, may constitute discrimination. One incident, however, does not necessarily constitute discrimination.

## **B. Policy Against Sexual Harassment**

### **1. Sexual Harassment is Illegal Under Federal and State Law.**

The Nevada System of Higher Education (NSHE) is committed to providing a place of work and learning free of sexual harassment. Where sexual harassment is found to have occurred, the NSHE will act to stop the harassment, to prevent its recurrence, and to discipline those responsible in accordance with the NSHE Code or, in the case of classified employees, the Nevada Administrative Code. Sexual harassment is a form of discrimination; it is illegal.

No employee or student, either in the workplace or in the academic environment, should be subject to unwelcome verbal or physical conduct that is sexual in nature. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior of a sexual nature that is not welcome, that is personally offensive, and that interferes with performance.

It is expected that students, faculty and staff will treat one another with respect.

## **2. Policy Applicability and Sanctions**

All students, faculty, staff, and other members of the campus community are subject to this policy. Individuals who violate this policy are subject to discipline up to and including termination and/or expulsion, in accordance with the NSHE Code (or applicable Student Code of Conduct) or, in the case of classified employees, the Nevada Administrative Code. Other, lesser sanctions may be imposed, depending on the circumstances.

## **3. Training.**

All employees shall be given a copy of this policy and each institution's Human Resources Office shall maintain documentation that each employee received the policy. New employees shall be given a copy of this policy at the time of hire and each institution's Human Resources Office shall maintain a record that each new employee received the policy.

Each institution shall include this policy and complaint procedure in its general catalog.

Each institution shall have an on-going sexual harassment training program for employees.

## **4. Sexual Harassment Practices.**

Under this policy, unwelcome sexual advances, requests for sexual favors, and other visual, verbal or physical conduct of a sexual or gender bias nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic status;
2. Submission to or rejection of the conduct is used as a basis for academic or employment decisions or evaluations, or permission to participate in an activity; or
3. The conduct has the purpose or effect of substantially interfering with an individual's academic or work performance, or of creating an intimidating, hostile or offensive environment in which to work or learn.

Sexual harassment may take many forms—subtle and indirect, or blatant and overt. For example,

- It may occur between individuals of the opposite sex or of the same sex.
- It may occur between students, between peers and/or co-workers, or between individuals in an unequal power relationship (such as by a supervisor with regard to a supervised employee or an instructor regarding a current student).
- It may be aimed at coercing an individual to participate in an unwanted sexual relationship or it may have the effect of causing an individual to change behavior or work performance.
- It may consist of repeated actions or may even arise from a single incident if sufficiently severe.
- It may also rise to the level of a criminal offense, such as battery or sexual assault.

Determining what constitutes sexual harassment under this policy is dependent upon the specific facts and the context in which the conduct occurs. Some conduct may be inappropriate, unprofessional, and/or subject to disciplinary action, but would not fall under the definition of sexual harassment. The specific action taken, if any, in a particular instance depends on the nature and gravity of the conduct reported, and may include disciplinary processes as stated above.

Examples of unwelcome conduct of a sexual or gender related nature that may constitute sexual harassment may, but do not necessarily, include, and are not limited to:

Sexual assault;

Sexually explicit or gender related statements, comments, questions, jokes, innuendoes, anecdotes, or gestures;

Other than customary handshakes, uninvited touching, patting, hugging, or purposeful brushing against a person's body or other inappropriate touching of an individual's body;

Remarks of a sexual nature about a person's clothing or body;

Use of electronic mail or computer dissemination of sexually oriented, sex-based communications;

Sexual advances, whether or not they involve physical touching;

Requests for sexual favors in exchange for actual or promised job or educational benefits, such as favorable reviews, salary increases, promotions, increased benefits, continued employment, grades, favorable assignments, letters of recommendation;

Displaying sexually suggestive objects, pictures, magazines, cartoons, or screen savers;

Inquiries, remarks, or discussions about an individual's sexual experiences or activities and other written or oral references to sexual conduct.

Even one incident, if it is sufficiently serious, may constitute sexual harassment. One incident, however, does not usually constitute sexual harassment.

### **C. Complaint and Investigation Procedure.**

This section provides the complaint and investigation procedure for complaints of discrimination or sexual harassment (except that complaints against students may be referred to student disciplinary processes). The Chancellor (for the System Office) and each president shall designate no fewer than two administrators to receive complaints. The administrators designated to receive the complaints may include the following: (1) the Affirmative Action Program Officer; (2) the Human Resources Officer; or (3) any other officer designated by the president. The President shall also designate a primary investigating officer (Primary Officer) to process all complaints. The Primary Officer may be any of the individuals identified above. All complaints, whether received by the Affirmative Action Officer, Human Resources Officer or other designated officer, must immediately be forwarded to the Primary Officer.

An individual filing a complaint of alleged discrimination or sexual harassment shall have the opportunity to select an independent advisor for assistance, support, and advice and shall be notified of this opportunity by the Primary Officer, or by her designee. It shall be the choice of the individual filing the complaint to utilize or not utilize the independent advisor. The independent advisor may be brought into the process at any time at the request of the alleged victim. The means and manner by which an independent advisor shall be made available shall be determined by each institution or unit.

If anyone in a supervisory, managerial, administrative or executive role or position, such as a supervisor, department chair, or director of a unit, receives a complaint of alleged discrimination or sexual harassment, or observes or becomes aware of conduct that may constitute discrimination or sexual harassment, the person must immediately contact one of the individuals identified above to forward the complaint, to discuss it and/or to report the action taken.

Complaints of discrimination or sexual harassment should be filed as soon as possible, but no later than three hundred (300) calendar days after the discovery of the alleged act of discrimination or sexual harassment with the supervisor, department chair, dean, or one of the administrators listed above and/or designated by the president to receive complaints of alleged sexual harassment or discrimination. Complaints of prohibited conduct, including discrimination or sexual harassment, filed with an institution's administrative officer pursuant to NSHE Code Chapter 6, Section 6.8.1, are not subject to this 300 day filing requirement.

#### **1. Employees.**

- a. An employee who believes that he or she has been subjected to discrimination or sexual harassment by anyone is encouraged—but it is neither necessary nor required, particularly if it may be confrontational—to promptly tell the person that the conduct is unwelcome and ask the person to stop the conduct. A person who receives such a request must immediately comply with it and must not retaliate against the employee.
- b. The employee may also choose to file a discrimination or sexual harassment complaint with his or her immediate supervisor, who will in turn immediately contact one of the officials listed above.
- c. If the employee feels uncomfortable about discussing the incident with the immediate supervisor, the employee should feel free to bypass the supervisor and file a complaint with one of the other listed officials or with any other supervisor.
- d. After receiving any employee's complaint of an incident of alleged discrimination or sexual harassment, the supervisor will immediately contact any of the individuals listed above to forward the complaint, to discuss it and/or to report the action taken. The supervisor has a responsibility to act even if the individuals involved do not report to that supervisor.

## **2. Students.**

- a. A student who believes that he or she has been subjected to discrimination or sexual harassment by anyone is encouraged—but it is neither necessary nor required particularly if it may be confrontational—to promptly tell the person that the conduct is unwelcome and ask the person to stop the conduct. A person who receives such a request must immediately comply with it and must not retaliate against the student.
- b. The student may also choose to file a complaint with his or her major department chair or director of an administrative unit, who will in turn immediately contact one of the officials listed above.
- c. If the student feels uncomfortable about discussing the incident with the department chair or director of an administrative unit, the student should feel free to bypass the person and file a complaint with one of the above officials or to any chair, dean, or director of an administrative unit who will in turn immediately contact one of the officials listed above to forward the complaint, to discuss it and/or to report the action taken. The chair, dean or director of an administrative unit has a responsibility to act even if the individuals involved do not report to that person.

## **3. Non-Employees and Non-Students**

Individuals who are neither NSHE employees nor NSHE students and who believe they have been subjected to discrimination or sexual harassment by a NSHE employee during the employee's work hours or by a NSHE student on campus or at a NSHE-sponsored event may utilize any of the complaint processes set forth above in this section.

## **4. Investigation and Resolution.**

- a. After receiving a complaint of the incident or behavior, the Primary Officer, or designee, will initiate an investigation to gather information about the incident. If the Primary Officer is unable to initiate an investigation, due to a conflict or for any other reason, the President shall designate another individual to act as Primary Officer for the matter. Each institution may set guidelines for the manner in which an investigation shall be conducted. The guidelines shall provide for the prompt investigation and resolution of complaints, and shall identify the appropriate management level with final decision-making authority. The guidelines shall, at a minimum, provide the person subject to the complaint with information as to the nature of the complaint, and shall further provide that the person filing the complaint and the person who is the subject of the complaint have a right to be interviewed, identify witnesses and provide documentation pertaining to the complaint. In most cases, an investigation should be completed within 45 calendar days of receipt of the complaint..
- b. At the completion of the investigation, a recommendation will be made to the appropriate management regarding the resolution of the matter. The recommendation is advisory only.

- c. After the recommendation has been made, a determination will be made by appropriate management regarding the resolution of the matter. If warranted, disciplinary action up to and including involuntary termination or expulsion will be taken. Any such disciplinary action shall be taken, as applicable, in accordance with NSHE Code Chapter 6 (or applicable Student Code of Conduct), or, in the case of classified employees, NAC Chapter 284. Other appropriate actions will be taken to correct problems, if any, caused by the conduct. If proceedings are initiated under Chapter 6, the applicable Student Code of Conduct, or the Nevada Administrative Code, the investigation conducted pursuant to this policy may be used as part of such investigations. The administrative officer, in his or her discretion, may also supplement the investigation with additional investigation.
- d. After the appropriate management has made a determination regarding the resolution of the matter, and depending on the circumstances, both parties may be informed of the resolution.
- e. In the event actions are taken against an individual under NSHE Code Chapter 6 (or applicable Student Code of Conduct) or NAC Chapter 284, such matters generally remain confidential under those sections, except that final decisions following hearings or appeals of professional employees and State of Nevada personnel hearings involving classified employees are public records. Student matters generally remain confidential under FERPA.

## **5. Prompt Attention.**

Complaints of discrimination or sexual harassment are taken seriously and will be dealt with promptly. Where discrimination is found to have occurred, the NSHE institution or unit where it occurred will act to stop the discrimination or sexual harassment, to prevent its recurrence, and to discipline those responsible.

## **6. Confidentiality.**

The NSHE recognizes that confidentiality is important. However, confidentiality cannot be guaranteed. The administrators, faculty or staff responsible for implementing this policy will respect the privacy of individuals reporting or accused of discrimination or sexual harassment to the extent reasonably possible and will maintain confidentiality to the extent possible. Examples of situations where confidentiality cannot be maintained include, but are not limited to, necessary disclosures during an investigation, circumstances where the NSHE is required by law to disclose information (such as in response to legal process), or when an individual is in harm's way.

## **7. Retaliation**

Retaliation against an individual who in good faith complains of alleged discrimination or sexual harassment or provides information in an investigation about behavior that may violate this policy is against the law, will not be tolerated, and may be grounds for discipline. Retaliation in violation of this policy may result in discipline up to and including termination and/or expulsion. Any employee or

student bringing a discrimination or sexual harassment complaint or assisting in the investigation of such a complaint will not be adversely affected in terms and conditions of employment and/or academic standing, nor discriminated against, terminated, or expelled because of the complaint. Intentionally providing false information is also grounds for discipline.

“Retaliation” may include, but is not limited to, such conduct as:

- the denial of adequate personnel to perform duties;
- frequent replacement of members of the staff;
- frequent and undesirable changes in the location of an office;
- the refusal to assign meaningful work;
- unwarranted disciplinary action;
- unfair work performance evaluations;
- a reduction in pay;
- the denial of a promotion;
- a dismissal;
- a transfer;
- frequent changes in working hours or workdays;
- an unfair grade;
- an unfavorable reference letter.

## **8. False Reports**

Because discrimination and sexual harassment frequently involve interactions between persons that are not witnessed by others, reports of discrimination or sexual harassment cannot always be substantiated by additional evidence. Lack of corroborating evidence or "proof" should not discourage individuals from reporting discrimination or sexual harassment under this policy. However, individuals who make reports that are later found to have been intentionally false or made maliciously without regard for truth, may be subject to disciplinary action under the applicable University and Board of Regents disciplinary procedures. This provision does not apply to reports made in good faith, even if the facts alleged in the report cannot be substantiated by subsequent investigation.

## **9. Supervisors' Responsibilities.**

Every supervisor has responsibility to take reasonable steps intended to prevent acts of discrimination or sexual harassment, which include, but are not limited to:

Monitoring the work and school environment for signs that discrimination or harassment may be occurring;

Refraining from participation in, or encouragement of actions that could be perceived as discrimination or harassment (verbal or otherwise);

Stopping any observed acts that may be considered discrimination or harassment, and taking appropriate steps to intervene, whether or not the involved individuals are within his/her line of supervision; and

Taking immediate action to minimize or eliminate the work and/or school contact between the two individuals where there has been a complaint of sexual harassment, pending investigation.

If a supervisor receives a complaint of alleged discrimination or sexual harassment, or observes or becomes aware of conduct that may constitute discrimination or sexual harassment, the supervisor must immediately contact one of the individuals identified above to forward the complaint, to discuss it and/or to report the action taken.

Failure to take the above action to prevent the occurrence of or stop known discrimination or harassment may be grounds for disciplinary action.

#### **10. Relationship to Freedom of Expression.**

The NSHE is committed to the principles of free inquiry and free expression. Vigorous discussion and debate are fundamental rights and this policy is not intended to stifle teaching methods or freedom of expression. Discrimination or sexual harassment, however, is neither legally protected expression nor the proper exercise of academic freedom; it compromises the integrity of institutions, the tradition of intellectual freedom and the trust placed in the institutions by their members.

In order to maintain objectivity, the Internal Audit Department will not undertake to develop and install procedures, prepare records, or engage in any other activity that it would normally review and appraise, and that could reasonably be construed to compromise its independence. Objectivity shall not be adversely affected by the recommendation of the standards of control to be applied in the development of systems and procedures under review.

Any member of the Board of Regents may request that the Audit Committee Chair place a request for an audit on the Audit Committee agenda. The Assistant Vice Chancellor for Internal Audit and Risk Management will make a recommendation to the Audit Committee regarding the audit request.

  4. Inform the Board of Regents of any exceptions that require discussion and further monitoring.

(B/R 1/95)

### **Section 3. NSHE Director of Banking and Investments**

1. The Director of Banking and Investments for the Nevada System of Higher Education is charged with the oversight of a system-wide cash management program and the Board of Regents Permanent Endowment Funds. Included in the responsibilities is consolidation of NSHE cash resources, bank relationships, and the placement of cash balances with investment managers in accordance with the Board of Regents operating fund investment policy. A primary responsibility of the Director of Banking and Investments is to preserve the liquidity and safeguard the principal of operating cash while enforcing the Board of Regents Operating Fund Investment Policies. The Director will establish a process to assess the performance of investments relative to appropriate standards in both the operating and endowment funds. (B/R 2/05)

2. Operating cash fund investment income is distributed to the institutions based on their respective daily cash balances. The Director of Banking and Investments therefore has responsibility for maintaining accountability for all cash balances so that each institution receives its share of the investment income. However, the institutions remain responsible for identifying their respective cash balances with the identifiable fund groups for the purpose of complying with State and Federal Law requiring the distribution of investment income to these funds.
3. All investments of the Board of Regents are required to be held by one or more custodial banks. The Director of Banking and Investments reconciles and accounts for investment assets held by the Board of Regents custodial bank that includes operating and endowment fund investments. Enforcement of donor restrictions is a matter of trust law and therefore permanent records of all Board of Regents Endowment fund gifts must be preserved for posterity by the office of the Director of Banking and Investment.
4. The Director of Banking and Investments assumes responsibility for custody of bond files and reporting restrictive covenants. The NSHE debt policy guidelines covering institutional loans, bonds, leases, and other debt will be administered through the Banking and Investment Office.
5. Chapter 10, Sections 4-5 define the operating and endowment funds policies and procedures that are monitored by the Director of Banking and Investments (*under the direction/oversight of the Investment and Facilities Committee of the Board of Regents*). (B/R 2/05)  
(B/R 10/96)

### **C. Financial Policies: Operating Budgets**

#### **Section 1. Authority**

1. The Board of Regents shall approve annual and biennial state and self-supporting budgets, including associated registration fees, tuition rates, and student fees. They will review budget recommendations made by the Business and Finance Committee. Once the budget is approved, responsibility and authority for all adjustments is delegated as indicated in the following sections. (B/R 4/97)
2. The Board of Regents delegates to its Business and Finance Committee responsibility and authority for:
  - a. Initial review and endorsement to the Board of proposed annual and biennial state and self-supporting budgets, including assessment of Board priorities, student and state revenue, enrollments, and other key components as defined through Board and Gubernatorial guidelines, and
  - b. Year-end review of major current year budget revisions and/or transfers, including use of reserves (*unappropriated fund balances*) and excess income over budget.

(B/R 9/09)

3. The Board of Regents delegates to the Chancellor responsibility and authority for oversight and management of funds and other resources in accordance with policies stated below – including approval of transfers among funds and budget adjustments within specified parameters. Further, the Chancellor is charged with preparing documents in an appropriate and timely manner that require Committee review and/or approval. (B/R 4/97)
4. The Chancellor, in turn, delegates to the President of each System institution responsibility and authority for:
  - a. Assuring that units function with proper internal control procedures such that all budgets remain balanced and within authorized limits;
  - b. Assuring that any and all transactions requiring higher level review and/or approval are identified and forwarded in an appropriate and timely manner; and
  - c. Assuring explanations and documentation of authorized adjustments, transfers, and/or revenue/expense patterns be provided in an appropriate and timely manner to officials for reporting purposes.(B/R 4/97)

## **Section 2. Financial Policies**

### **1. Uniform Accounting Policies and Procedures**

- a. NSHE institutions will implement uniform accounting and administrative policies and procedures as defined by NSHE. Revisions to the policies and procedures will be considered by all institutions through the Business Officers Council to the Presidents Council for recommendation to the Chancellor.
- b. Definitions for all reporting categories will be in accordance with the nationally accepted National Association of College and University Business Officers (*NACUBO*) classification system. Policies concerning review and approval of annual operating budget adjustments are applicable to and will vary within each of the three primary groupings (1) State Operating budget; (2) Self-supporting budgets, and (3) other funds (*consisting primarily of federal grants and contracts*).

### **2. Reporting**

Consistent and uniform quarterly reporting of financial activity is an obligation of the System units to the Chancellor's Office. Reporting of exceptions to the Business and Finance Committee will be determined by the Chancellor. (B/R 9/09)

### **3. Self-supporting Budget Review**

All self-supporting budgets exceeding \$25,000 of projected annual expenditure activity will be included in the annual budget process. Excluded from this requirement are grants and contracts and plant, loan, endowment and scholarship funds. (B/R 4/97)

#### 4. Budget Revisions

- a. The principle governing the review and approval structure for budget revision shall be that the Chancellor and President of each System institution have authority and responsibility for proper and effective management, and thereby enabling and enhancing efficient utilization of institutional resources.
- b. Revisions of self-supporting budgets (*excluding revisions between object codes*) exceeding twenty-five percent of expenditures for budgets up to \$400,000; or revisions of \$100,000 or greater for budgets exceeding \$400,000 must be approved by the System administration. Institutions must provide plans regarding:
  1. The impacts of the revisions on the affected programs, particularly noting how reductions in personnel and operating expenses, will be accommodated for the remainder of the fiscal year; and
  2. What the fiscal and program implications are for subsequent years. The Chancellor will submit to the Board of Regents an annual report detailing the number and type of revisions by institution that were approved by the System.

(B/R 4/08)

#### 5. Transfers

- a. The transfer of expenses from non-state to state budgets after May 1 must be approved by the institution President with appropriate supporting justification and reported in an annual summary to the Board of Regents.
- b. The Presidents have authority to transfer funds into or out of each budget subject to policy guidelines of Chapter 9C, Section 2, Subsections 4 and 10, and state appropriation restrictions.
- c. Budget transfers between functions of more than \$100,000 of State Appropriated or Self-supporting budget funds must be reviewed/approved by System Administration. A quarterly report will be provided to the Board of Regents.

(B/R 4/08)

#### 6. Use of Instructional Funds

Each NSHE institution that provides student instruction and derives instructional funding through the State-operating budget must utilize those resources to the greatest extent possible in support of student credit-based instruction. The use of instruction funds for non-instructional purposes must be certified by the institution's President and approved by the Chancellor and Board of Regents prior to budgetary commitment. Approval should be only under the most unusual conditions. (B/R 4/97)

#### 7. Scholarship Function

Amounts budgeted by each NSHE institution in the Scholarship function shall be approved annually by the Board of Regents as part of the institution's operating budget; provided, however, that in the event that the amount budgeted by the institution is less than the amount funded by the Nevada State Legislature in the Scholarship function

such amount shall be considered separately by the Board and shall be accompanied by the President's justification for such variance. This provision does not preclude an institution from augmenting the budgeted amounts of the Scholarship function. Any supplemental amounts transferred into the Scholarship function are not subject to the student access guidelines established in Title 4, Chapter 18, and may be reallocated to other functions without restriction. (B/R 3/07)

#### 8. Overrides

The Controller (*or equivalent*) at each NSHE institution is responsible for the control of override activities within their financial organizations. Overrides of financial transactions are restricted to the Controller and those who report directly to the Controller. Authority for other personnel can be given on a case-by-case basis. All "level five" financial overrides will be monitored through a System override report. Payroll entries will be monitored on an after-the-fact-basis. Exceptions in specific grant and contracts accounts and non-state budgets may be approved by System Administration.

#### 9. Reconciliation of Bank Accounts

Each NSHE institution must have documented procedures detailing the processes regarding reconciliation of bank accounts. Bank reconciliations must be completed and submitted to the Office of Banking and Investments within sixty days of the close of the month. (B/R 4/97)

#### 10. Account Control

Each institution should review annually all budget accounts and eliminate those that have been inactive for an extended period of time and where it is unlikely that they will have any future activity. Consolidation of similar accounts should be undertaken to reduce further the number of overlapping and unnecessary accounts. The Board of Regents will review annually a report of the number of accounts that are consolidated or eliminated by institution. (B/R 4/97)

#### 11. Budget to Actual Report

The System Administration will develop annually a report that compares the original budget to actual revenues and expenditures for self-supporting budgets\*. The report will summarize and highlight those activities that vary from the original budget by \$25,000. (B/R 4/97)

\*As defined under Policy 3 the review will include all self-supporting budgets that exceed annually \$25,000 in projected annual expenditure activity.

#### 12. Capitalization Threshold

Capital equipment is defined as those items exceeding a \$5,000 expense threshold and having a useful life of greater than one year. (B/R 6/07)

### **Section 3. NSHE Financial Committees**

The Business Officers Council, comprised of the Chief Business Officers of each NSHE unit, will assess regularly the System financial controls. The Business Officers Council will receive periodically recommendations from a system-wide Controller's committee and Budget Officers committee concerning alternatives in improving financial controls. (B/R 4/97)

#### **D. Fiscal Impact Policy**

1. Before any proposal before the Board of Regents or any of its committees may be acted upon, a fiscal impact statement must be provided if the proposal is likely to increase any fiscal cost or reduce any revenue to the System in excess of \$25,000 per fiscal year. The fiscal impact statement must be prepared by the institution making the proposal or by System Administration for its proposals or those of the members of the Board of Regents. The fiscal impact statement must be factual and concise in nature and must provide a reliable estimate of the financial effect of the proposal in the current fiscal period as well as future fiscal years.

## **Section 1. Purchasing Policy**

1. Chapter 333 of *Nevada Revised Statutes*, exempts the Nevada System of Higher Education from the general provisions of the State Purchasing Act and provides that the NSHE may use the State Purchasing Division on a voluntary basis for any purpose. (B/R 12/02)

All contracts shall be executed and administered in accordance with the policies and procedures set forth by the Chancellor. (B/R 12/02)

2. All purchases of supplies, equipment, services, and construction, except items related to capital construction, shall be handled administratively by the respective Business Center Purchasing Department after following established purchasing policies and procedures approved by the Board of Regents and in compliance with State and Federal procurement regulations, the respective Business Center Administrative Manual, and procedures established by the Chancellor. Once established, construction and service contracts may be assigned to the Physical Plant Department. Except as may be otherwise provided in this policy, the purchase contract shall be awarded to the lowest responsive and responsible bidder. The lowest responsive and responsible bidder will be judged on the basis of price, quality, availability, conformance to specifications, financial capability, service, and in the best interests of the NSHE, each of such factors being considered. Exceptions to this policy must be presented to the Board of Regents for approval.  
(B/R 12/02)

- a. Equipment that is installed by a contractor as part of new construction or a building remodeling project is considered to be construction if such equipment is fixed or attached to the structure or is a permanent part of a building system.

3. In awarding contracts for the purchase of supplies, materials, equipment, services and construction whenever two or more lowest bids are identical, the Business Center Purchasing Department shall:

- a. If such lowest bids are by bidders resident in Nevada, accept the proposal, which, is in the best interests of the Nevada System of Higher Education.
  - b. If such lowest bids are by bidders resident outside Nevada, with the exception of capital construction projects:

- (1) Accept the proposal of the bidder who will furnish goods or commodities produced or manufactured in this State; or

- (2) Accept the proposal of the bidder who will furnish goods or commodities supplied by a dealer resident in Nevada.

(B/R 6/91)

4. Vendors List. The Business Center Purchasing Department shall maintain lists of persons and firms who wish to bid on Business Center purchases. The lists shall be classified by type of item or commodity supplied. Invitations to bid shall be sent to pertinent vendors on the active list and to such others as may be determined necessary to stimulate competition. Those bidders who no longer have shown an interest in receiving bid/proposal documents may be removed from the active bid list without further action. (B/R 6/91)

5. The Chancellor shall establish basic purchasing procedures. (B/R 12/04)
6. Scientific Equipment. Faculty may designate the specific manufacturer of scientific equipment; however, the Purchasing Department shall have the responsibility of procuring competition of vendors whenever possible.
7. Conflicts of Interest Prohibited.
  - a. In addition to such conflicts of interest prohibited by law, it shall also be prohibited for a member of the Board of Regents or an employee of the Nevada System of Higher Education:
    - (1) to become a contractor or a vendor for the purchase of supplies, equipment, services and construction under any contract or purchase order of any kind authorized by the Nevada System of Higher Education under the provisions of this chapter, or
    - (2) to be interested, directly or indirectly, through any member of a Regent's or employee's household, as defined by *Nevada Revised Statutes* 281.434, or through any business entity in which the Regent or employee has a financial interest, in any kind of contract or purchase order so authorized by the receipt of any commission, profit or compensation of any kind.
  - b. Except where may be prohibited by law, exceptions to this policy may be permitted:
    - (1) for contracts or purchase orders for which the proposed contractor or vendor is the sole source for the contract or purchase order and has not participated in or otherwise actively influenced the consideration or acceptance of offers for the contract or purchase order, or
    - (2) when, in the judgment of a President of a member institution, the public interest would best be served by making such an exception.

(B/R 6/91)

8. Cash Management Services. Cash Management Services for the Nevada System of Higher Education will be awarded for a period of five years, with a two-year option to extend, and with an option to cancel for nonperformance. The selection process shall involve issuance of a technical Request for Proposal (*RFP*) developed by the Director of Banking and Investments, with input from institutional representatives. The RFP shall comply with the Board of Regents and State of Nevada procurement regulations. (B/R 4/05)

The Director of Banking and Investments shall develop the evaluation criteria and rank the proposals to the RFP. Upon completion of the evaluation process, with input from institutional representatives, the Director of Banking and Investments will submit a recommendation based on his/her evaluation to the Board of Regents prior to requesting the Board's approval of a contract with a specific bank to provide the requested services.

(B/R 4/05)

9. Acquisition or Sale of Real Property.

- a. Approval to Negotiate the Acquisition or Sale of Real Property. Before the President of a NSHE institution can commence negotiations for the purchase or sale of real property on behalf of the Board of Regents, the Chancellor's approval must first be obtained. The Board's approval of a campus master plan is deemed to constitute prior approval of the acquisition of property according to the terms of the master plan.

Before the Chancellor can commence negotiations for the purchase or sale of real property on behalf of the Board of Regents, Board approval must first be obtained.

All real property acquired or sold by the Board of Regents of NSHE or any unit or subdivision thereof shall be acquired in the name of the Board of Regents of the NSHE.

The granting of an easement is considered a 'sale' of an interest in real property except that the granting of a subsurface utility easement shall not be considered a "sale" subject to approval by the Board of Regents and may be approved by the Chancellor if: (i) there is first a determination by the Chancellor that the easement being granted is not inconsistent with the intent of an applicable campus master plan; (ii) form of the grant of easement has been reviewed and approved by the NSHE Office of the Chief Counsel; (iii) the Chancellor finds that the grant of the easement is either in the best interest of the System or the grantee is paying consideration not less than the fair market value of the easement; and (iv) notice of intent to grant the easement is given to the members of the Investment and Facilities Committee of the Board of Regents at least 30 days prior to the granting of the easement. (B/R 9/09)

- b. Appraisal. A current appraisal by a licensed real estate appraiser concerning the fair and reasonable market value of property proposed for acquisition or sale shall be submitted to the Board with the request for approval of the transaction. The Board in its discretion may waive the requirement for an appraisal. The chief business officer of the institution acquiring or selling the real property, or his designee, shall coordinate the review process for the property appraisal. As used herein, a "current appraisal" is defined as an appraisal having an effective date of no more than twelve (12) months prior to the date of such appraisal's consideration by the Board of Regents.
- c. The purchase or sale must be an arm's length transaction and any transaction with a buyer or seller related to the NSHE must be revealed to the Board of Regents.
- d. After the requisite approval has been obtained pursuant to subparagraph a above, the President or Chancellor, as the case may be, shall be authorized to negotiate the real property transaction, including purchase or sale price, subject to the subsequent approval of the terms of the transactions by the Board. Any contract, memorandum of understanding, letter of intent or similar document shall contain the following:

"This [purchase] [sale] offer is contingent upon the approval of the terms of the [purchase] [sale] by the Board of Regents of the NSHE. If the Board of Regents, in its sole and absolute discretion, does not approve the terms of the [purchase] [sale], the [purchase] [sale] offer made herein shall be deemed null and void without the necessity of further documentation and shall be deemed to be of no binding effect whatsoever."

- e. Approval of Instruments. The NSHE Office of the Chief Counsel shall approve all contracts, deeds, and other instruments for the acquisition or sale of real property as to form and legality prior to execution of the same on behalf of the Board of Regents.
- f. Real Estate Brokers and Agents. In the event the Chancellor of NSHE or the Board of Regents grants approval to negotiate for the acquisition or sale of real property, the Chancellor may, in the reasonable exercise of his discretion, authorize the retention of a licensed real estate broker to assist in the consummation of the acquisition or sale, as the case may be, upon such terms and conditions as the Chancellor deems appropriate. Such authorization may also include the payment of a reasonable and customary real estate commission. The retention of a real estate broker shall be disclosed to the Board of Regents at the time of approval of the transaction.
- g. Temporary Right of Entry. A temporary right of entry onto property owned by the Board of Regents of the NSHE, does not require the approval of the Board of Regents, if: the party requesting such entry guarantees that the property will be returned to the condition it was in at time of entry and agrees to indemnify the Board of Regents, its officers and employees for any and all damages arising from the temporary right of entry; and if the temporary right of entry does not exceed twenty-four months.
- h. Leases.
  - (i) Definition. As used herein, a lease shall be deemed “long term” if it provides for a demising period greater than four (4) years; or, alternatively, if it provides for a total consideration greater than Four Hundred Thousand Dollars (\$400,000). The term of any renewal period, if specifically set forth in any lease, shall be added to the initial fixed term of the lease to determine if such lease is a long-term lease. The foregoing definition shall apply to all leases, whether NSHE is the landlord or the tenant.
  - (ii) Long-term leases over real property must be approved by the Board of Regents and shall be executed by the Chancellor or his designee.
  - (iii) The provisions of Subparagraph (ii) of this Paragraph (h) notwithstanding, if the term of any lease is other than long term, the approval of the Board of Regents shall not be required and the Chancellor, or his designee, shall be authorized to execute such lease in the name of the Board of Regents of NSHE. The provision of this Subparagraph (iii) shall apply to all leases, whether NSHE is landlord or tenant.
  - (iv) The exercise of any option: to (i) renew or right to extend the term of a lease or (ii) to purchase property for a specified price, when such option and price are contained in a lease previously approved by the Board of Regents pursuant to Subparagraph (ii) of this Paragraph (i) above shall not require the further approval of the Board of Regents. The document exercising any such option or right shall be executed by the Chancellor or his designee in the name of the Board of Regents.
  - (v) An amendment to any lease previously approved pursuant to Subparagraph (ii) or (iii) of this Paragraph (h) shall be subject to the same approval process required for the execution of the original lease.

(B/R 9/05)

## **Section 2. Payment of Commissions to Third Parties**

The Board of Regents is the only entity within the Nevada System of Higher Education that can retain the services or approve payment to third parties where the NSHE is involved in real estate purchase, trade or lease. No one else can obligate the Board of Regents in such matters except by prior authorization by the Board of Regents. An independent appraisal shall be obtained when an institution liquidates real property. (B/R 5/91)

## **Section 3. Loan Policy.**

Except as otherwise authorized by law, NSHE policy, or as approved by the Board of Regents, the donation, loan, or advancement of institution funds or its credit is prohibited. (B/R 12/02)

## **Section 4. Statement of Investment Objectives and Policies for the Endowment Fund**

### **1. Introduction**

- a. This statement of investment objectives and policies (*the "Guidelines"*) governs the investment management of the endowment fund (the "Fund") of the Nevada System of Higher Education (*the "System"*). These Guidelines relate to the Fund as a whole. Because the endowment is perpetual, the investment objectives and policies are based on an investment horizon greater than ten years. (B/R 4/05)
- b. The Regents are responsible for establishing the investment policies for the Fund. Accordingly, the Regents have promulgated these Guidelines pursuant to which they have established permitted asset classes, ranges, and spending policy. The Regents will review and revise these Guidelines from time to time as appropriate.
- c. The Regents have delegated to the Investment and Facilities Committee (*the "Committee"*) the management of the Fund within the parameters of these Guidelines. The Chancellor, the Vice Chancellor for Finance, and the Director of Banking and Investments shall serve as ex officio nonvoting members of the Committee. The Board Chair shall appoint a Chair of the Committee and may appoint one or more individuals with investment knowledge or expertise to serve as nonvoting members of the Committee. The Investment and Facilities Committee shall meet at least quarterly. Minutes of each meeting of the Investment and Facilities Committee shall be provided to the Regents for acceptance at their next meeting. (B/R 9/09)
- d. The Committee shall select external investment managers to manage the assets of the Fund. Subject to the manager-specific guidelines referenced in subsection 7.b and the usual standards of fiduciary prudence and responsibility, the managers will then have complete discretion over the investment of the funds in their respective accounts, including the discretion to vote proxies, the use of soft dollars and how to execute trades. Fees will be set at the time of hiring managers. The Committee may invest in indexed funds if deemed appropriate. (B/R 4/05)

- e. The Committee shall have discretion to allocate funds among managers, subject to the permitted ranges set forth herein, and to hire and terminate managers for any reason at any time.
- f. The Committee shall choose an independent investment consultant to provide services it deems to be necessary or helpful, including without limitation advice with respect to asset allocation and manager evaluation.
- g. No member of the Board of Regents and no voting or nonvoting member of the Committee shall accept or approve the acceptance by staff or any other person of any gift, travel expense, or other perquisite proffered by an investment manager, the value of which exceeds \$25, without the advance approval of the Committee. (Regents and employees of the System are also subject to the Code of Ethical Standards of the State of Nevada promulgated to govern the conduct of public officers and employees, and Regents are also subject to certain additional conflict of interest provisions.)

(B/R 10/98)

## 2. Financial and Investment Objectives

- a. The long-term financial objective of the Fund is to provide a relatively stable stream of spendable revenue that increases over time at least as fast as the general rate of inflation, as measured by the Consumer Price Index. *(In order to achieve this objective over the long term, the unit value of the Fund must also increase at least as fast as the rate of inflation.)*
- b. The long-term investment objective of the Fund is to attain an inflation-adjusted total return, net of fees, at least equal to the contemplated spending rate of 4.5%. *(For example, if average annual inflation were 3.0%, a total nominal return of 7.5% net of fees would have to be earned. In order to achieve this objective over extended periods, endowments have had to exceed the objective substantially during some periods, such as the 1980s, in order to compensate for shortfalls during other periods, such as the 1970s.)* (B/R 6/01)

## 3. Endowment Distribution Policy

- a. Distributions from the Fund in each fiscal year will be 4.5% of the average market value for the 20 quarters ending the December 31 immediately preceding such fiscal year. *(For example, distributions for fiscal year 1996-97 will be based on the Fund's average ending quarterly market values for the twenty consecutive quarters ended December 31, 1995.)*
- b. No withdrawals from the Endowment Fund other than to fund the spending amount, the estate tax liability, and capital calls are permitted without the prior approval of the Regents. When there are withdrawals, the Director of Banking & Investments will determine where the withdrawal will come from. This withdrawal will be used to rebalance the portfolio to be more in-line with the strategic allocation. This withdrawal will be approved by the Assistant Vice Chancellor for Budget, Finance and Banking and Investments, the Vice Chancellor for Finance and Administration, or the Chancellor.
- c. The spending policy shall be administered by the Banking and Investment Office in accordance with the Uniform Prudent Management of Institutional Funds Act, adopted by the Regents in accordance with the authority granted to them by *Nevada Revised Statutes (NRS) 396.380 and NRS 396.420* to control and invest the System's funds. (B/R 10/07)

- d. A .125% management fee will be imposed on the endowment pool for Board and System Administration expenses beginning July 1, 2001. (B/R 6/01)
- e. Subject to Board of Regents approval of an institutional request, an annual fee of 1.5% of the institution's portion of the NSHE endowment pool, calculated and distributed in the same manner as the dividend, will be transmitted to that institution in consideration of additional foundation management, stewardship and development activities. Any transfer of such funds directly to the foundation for such activities is subject to the institution having an operating agreement in place between the institution and the foundation providing for adequate accounting and oversight of such funds consistent with Board of Regents requirements specified in Title 4, Chapter 10, Section 9. After the management fee has been approved by the Board of Regents, the management fee may only be suspended or revoked by the Board of Regents: 1) due to a material breach of the operating agreement, 2) the declaration of a financial exigency by the Board of Regents, or 3) without cause and effective June 30 upon written notice to the institution no later than March 1 of the preceding year.

(B/R 4/08)

4. Asset Allocation; Evaluating Performance of the Fund

- a. For purposes of investment policy, the Fund will be comprised of two components: an "equity portfolio" and a "fixed income portfolio."
- b. The strategic allocation and permitted ranges for the equity portfolio and the fixed income portfolio will be as follows:

	Strategic Allocation	Permitted Ranges
Equity portfolio	77%	70-85%
Fixed income portfolio (B/R 12/01)	23%	15-30%

For purposes of this paragraph, the permitted ranges shall refer to the allocations to equity and fixed income managers, respectively, and, with respect to assets managed by balanced manager's allocations to equities and fixed income, respectively. Thus the permitted ranges shall not be deemed to be violated by virtue of a manager's discretionary use of investment reserves, cash, or bonds as described in subsection 5.f.

- c. The purposes of the equity portfolio are to provide long-term capital appreciation and a growing stream of income. *(It is recognized that the "equity portfolio" will have greater return variability than the "fixed income portfolio.")*
  - i. The purpose of the allocation to domestic common stock is to provide returns above the long term objective.
  - ii. The purpose of the allocation to international common stock is to provide returns above the long term objective and to diversify.

- iii. The purpose of the allocation to alternative strategies is to invest in assets with returns that are not correlated to the domestic or international equity market, to reduce market risk, and to diversify.
- iv. The purpose of the allocation to inflation hedging assets is to invest in assets with returns that are not correlated to the other asset classes, to reduce market risk, to diversify and to serve as a hedge against inflation.

(B/R 4/05)

- d. The purposes of the fixed income portfolio are to provide a hedge against extended deflation, to provide higher current income than equities, and to help diversify the Fund.
- e. Three measurements of risks will be used to determine if the long term financial objectives of the Fund are met with an acceptable level of risk. The overall return of the Fund, net of fees, should equal or exceed each of the following: (B/R 4/05)

- (1) The Fund's spending rate plus the increase in the Consumer Price Index measured over rolling periods of ten years or longer.
- (2) An appropriate blend of capital market benchmarks constructed by the Committee with reference to the strategic allocation measured over rolling periods of five years or longer.
- (3) The median return of a pool of endowments with similar investment objectives and policies measured over rolling periods of ten years or longer.

(B/R 10/98)

- f. The Committee recognizes that certain no-US securities are not within the jurisdiction of the US courts and may result in the loss of investment monies with no avenue for redress. (B/R 4/05)

5. Guidelines for the Equity Portfolio

- a. To meet the return objective with an acceptable level of risk, the "equity portfolio" will be diversified across different types of assets with expected returns, which are not perfectly correlated (*i.e., the returns of which do not always move in tandem*). The strategic allocation and permitted ranges for the equity asset classes will be as follows:

<u>Asset Class</u>	<u>Strategic Allocation</u>	<u>Permitted Ranges</u>
Domestic common stock	35%	20 - 50%
International common stock	13%	5 - 25%
Alternative Strategies	19%	0 - 30%
Real estate and other inflation hedging assets	10%	0 - 15%
Equity fund <i>(total)</i>	77%	
Permitted range of equity fund		70 - 85%

(B/R 4/05)

For purposes of this paragraph, the permitted ranges shall refer to the allocations to managers investing in a particular asset class and, with respect to assets managed by each balanced manager, the benchmark strategic allocation, if any, to that asset class. Thus the permitted ranges shall not be deemed to be violated by virtue of a manager's discretionary use of investment reserves, cash, or bonds as described in subsection 5.f.

- b. The Committee shall periodically review asset allocation guidelines for the equity portfolio, including the strategic allocation to various types of equities and permitted ranges for each type of equity, and may in its sole discretion adjust the strategic allocation within the permitted ranges.
- c. Common stocks will be managed by managers with distinct and complementary investment styles resulting in domestic and international marketable securities equity portfolios, respectively that are diversified by economic sector, industry, and market capitalization.
- d. The performance objective of the domestic and international marketable security portions of the equity portfolio *(excluding real estate and other illiquid investments)* is to achieve returns, net of manager fees, that are (1) superior to those of the appropriate market benchmarks selected by the Committee and (2) on par with or in excess of the median of an appropriate universe of institutional-quality investment managers.
- e. Alternative strategies will include asset classes that would be expected to increase the diversification of the total portfolio while also helping to improve the risk/return characteristics of the Fund. These asset classes may include: absolute return strategies, venture capital and/or private equity. (B/R 10/00)
- f. Performance against objectives is to be measured quarterly and evaluated over rolling periods of five years or longer. *(It is recognized that the objectives may be difficult to attain in every period but should be attainable over most market cycles.)*
- g. Equity portfolio managers will normally invest in common stocks. However, managers may at their discretion hold investment reserves of either cash equivalents or bonds *(including convertible issues)* without limitation, with the understanding that their performances *(including any cash or bonds)* will be measured against the common stock benchmarks established for each account by the Committee.
- h. Managers may not sell securities short, buy securities on margin, borrow money, pledge of loan assets, or buy or sell options or commodities without the advance written approval of the Committee.

(B/R 10/98)

## 6. Guidelines for the Fixed Income Portfolio

- a. The guidelines for the fixed income portfolio are intended to promote the goals set forth in subsection 4.d. To provide a hedge against extended deflation, the fixed income portfolio should ordinarily maintain a high credit quality *(i.e., normally a weighted average credit rating of AA or better and never below A)* and an intermediate to long-term duration *(i.e., normally at least 3.0 years and always at least 2.0 years)*. Money market instruments as well as bonds may be used in the fixed income portfolio, but equities are excluded. In general, the fixed income portfolio shall be well diversified with respect to economic sector, financial

sector, and issuer in order to minimize risk exposure. A maximum of 5% of the fixed income portfolio may be invested in the securities of any single issuer, provided that issues of the U.S. Government or agencies of the U.S. Government may be held without limitation and provided further that issues of agencies of the U.S. Government shall be limited to the extent set forth in the manager-specific guidelines referenced in subsection 7.b. A maximum of 35% of the fixed income portfolio may be invested in non-dollar denominated fixed income securities.

- b. The primary long-term investment objective of the fixed income portfolio is to outperform the Lehman Brothers Aggregate Bond Index, net of manager fees, and the median return of an appropriate peer group of managers over rolling five-year periods. The Committee may also establish as a secondary long-term investment objective outperforming a benchmark that is a blend of the appropriate indices to reflect the allocation to non-dollar bonds.

(B/R 10/98)

7. Monitoring of Objectives and Results; Use of Derivatives (B/R 8/04)

- a. The Committee will review these investment objectives and policies at least once every two years for their continued appropriateness.
- b. The Committee will review the strategic allocations at least annually. At this time, a modeling of investment returns will be performed to determine what expected returns the current strategy should produce. (B/R 4/05)
- c. At least annually, the Committee will determine if any rebalancing of actual allocations should be made. (B/R 4/05)
- d. The Committee shall provide each manager of a separately managed account with a set of mutually agreed-upon guidelines. Such guidelines shall provide that, if at any time the manager believes that any guideline contained therein adversely affects, or has the potential to adversely affect, its investment performance or would prevent the manager from handling the System's portfolio in a manner similar to the firm's other discretionary accounts, it is the responsibility of the manager to communicate this view to staff in a timely fashion. Additionally, such guidelines shall require the managers to inform the System's staff promptly of any change in firm ownership of fundamental investment philosophy, any significant change in organizational structure or professional personnel, and any change in portfolio manager(s) for the System's accounts. The Committee acknowledges that managers of commingled funds are unable to respond to specific guidelines. The Committee will maintain and review periodically descriptions of the investment policies and practices of managers of commingled funds to ensure that the Committee understands such policies and practices and has determined that they are within the spirit of these Guidelines. The matters reviewed will include without limitation the managers' policies and practices with respect to risk control generally and derivatives, non-dollar denominated securities, and securities lending. (B/R 8/04)
- e. The Committee shall have prepared and shall review on a quarterly basis an investment performance report setting forth the asset allocation of the total Fund and the investment returns for individual manager accounts and for the Fund. The returns shall be calculated on a time-weighted basis net of manager fees for the most recent quarter for which data are available and any other short-term periods that the Committee may select, including fiscal-year returns when such data are available. The Committee shall

select an appropriate benchmark for each manager. The Committee will use the short-term performance data to monitor the fund and the managers for consistency of investment philosophy, returns relative to objectives and investment risk. Risk will be evaluated as a function of asset concentration, exposure to extreme economic conditions and performance volatility. At least one performance report each year shall include data for such longer periods of time as are specified herein. Regular communication with the managers concerning investment strategy and outlook is expected. Any decision to terminate a manager will normally be based on long-term (i.e., over a full market cycle) investment performance as well as other relevant factors. (B/R 4/05)

- f. The Committee will periodically review the related services provided to the System, including securities custody, performance evaluation, and consulting. Fees for these services will be explicitly stated in the contract. (B/R 4/05)
- g. The Committee will establish and review from time to time a policy for the investment of unallocated cash held for investment in the Fund. (B/R 10/98)
- h. Derivatives may be used by the Fund's managers to hedge existing portfolio investments (*e.g., to hedge the currency risk of a foreign stock or bond position*) or to create unleveraged investment positions as a more efficient and cheaper alternative to investments that would otherwise be made in the cash market. Derivatives may not be used by marketable securities managers to leverage a portfolio or increase its risk above that of an account with similar objectives that is managed without derivatives. Use of derivatives by a manager other than as described in this paragraph is permitted only if such use is authorized by the Committee. The manager-specific guidelines referenced in subsection 7.b shall include negative covenants with respect to use of derivatives and shall require the managers to give written notice to the System's staff immediately upon discovering that any of the guidelines have been violated. The Committee shall periodically review the derivative policy of each manager of a commingled vehicle to ensure that such policy is within these Guidelines or that it has made an exception in appropriate cases.
- i. No agreement to engage in securities lending or directed brokerage program shall be entered into without the prior approval of the Committee. (B/R 1/96)

## **Section 5. Statement of Investment Objectives and Policies for the Operating Funds**

### **A. Introduction**

1. This statement of investment objectives and policies (*the "Guidelines"*) governs the investment management of the Operating Funds (*collectively the "Fund"*) of the Nevada System of Higher Education (*the "System"*). These Guidelines relate to the Fund as a whole. Because the Fund is perpetual, the investment objectives and policies are based on an investment horizon greater than ten years. (B/R 4/05)
2. The Regents are responsible for establishing the investment policies for the Fund. Accordingly, the Regents have promulgated these Guidelines pursuant to which they have established the permitted investment parameters and distribution policy. The Regents will review and revise these Guidelines from time to time as appropriate.

3. The Regents have delegated to the Investment and Facilities Committee (*the "Committee"*) the management of the Fund within the parameters of these Guidelines. The Committee will be comprised of four Regents appointed by the Chair of the Board of Regents. The Chancellor, the Vice Chancellor for Finance, and the Director of Banking and Investments will serve as ex officio nonvoting members of the Committee. The Chair of the Board of Regents will appoint a Chair of the Committee and may appoint one or more individuals with investment knowledge or expertise to serve as nonvoting members of the Committee. The Committee will meet at least quarterly. Minutes of each meeting of the Committee will be provided to the Regents for acceptance at their next meeting. (B/R 9/09)
4. The Committee will choose an independent investment consultant to provide services it deems to be necessary or helpful, including without limitation, advice with respect to manager selection, termination, and evaluation.
5. No member of the Board of Regents and no voting or nonvoting member of the Committee will accept or approve the acceptance by staff or any other person of any gift, travel expense, or other perquisite proffered by an investment manager, the value of which exceeds \$25, without the advance approval of the Committee. (*Regents and employees of the System are also subject to the code of ethical standards of the State of Nevada promulgated to govern the conduct of public officers and employees, and Regents are also subject to certain additional conflict of interest provisions.*)

**B. Financial and Investment Objectives of Discrete Pools: Investment Policy**

1. The long term objective of the Fund is to provide a relatively stable stream of revenue that equals or exceeds the general rate of inflation. The measurement of risk that will be used to determine if the long term objective of the Fund is met with an acceptable level of risk is that the overall return of the Fund, net of fees, should equal or exceed the CPI over rolling periods of ten years. (B/R 4/05)
2. For purposes of investment policy, the Fund will be considered as three discrete pools of funds: a "Short-Term Pool," an "Intermediate-Term Pool," and a "Long-Term Pool."
3. The Short-Term Pool shall be funded in an amount sufficient to meet the expected daily cash requirements of the System. All cash receipts will be deposited into, and all disbursements will be paid from, this pool. The Short-Term Pool will be invested in fixed income securities generally having an average maturity of one year or less and thus are highly liquid with little risk of principal loss.
4. The Intermediate-Term Pool is intended to provide a liquid source of funds in the unlikely event the Short-Term Pool is insufficient to meet the System's cash needs. Since the Short-Term Pool is funded at an amount sufficient to meet expected cash requirements, the Intermediate-Term Pool will be invested in fixed income securities generally having an average maturity of three years or less in order to take advantage of the higher yields typically paid for longer maturities while still maintaining low risk of principal loss and to diversify the portfolio. (B/R 4/05)
5. The Long-Term Pool includes all available funds not needed to fund the Short-Term or Intermediate-Term Pool. Because the allocation strategy results in a very low likelihood that this pool will be needed to meet cash requirements, the Long-Term Pool will be invested in fixed income securities that lower the volatility and/or enhance the investment performance of the portfolio taken as a whole, decrease market risk and to

diversify. These investments may include fixed income, Treasury Inflation Protection Securities (*TIPS*), US and international common stocks, and absolute return strategies. The Committee recognizes that certain no-US securities are not within the jurisdiction of the US courts and may result in the loss of investment monies with no avenue for redress. (B/R 4/05)

6. The Committee will determine at least annually the appropriate size of each pool within the parameters of these Guidelines.
7. The weighted-average credit quality rating of the Fund's investments will generally be at least AA or the equivalent and will never be below A as rated by one or more national credit rating agencies such as Standard & Poor's Corporation or Moody's Investors Service.

### C. Manager Selection, Termination, and Guidelines

1. The Committee shall select external investment managers to manage the assets of the Fund. Subject to these Guidelines, the Committee will have discretion to hire and terminate managers for any reason at any time and to allocate funds among managers. The funds may be managed in a commingled fund or in a separately managed account at the discretion of the Committee. Subject to the manager-specific guidelines referenced in subsection 7.b and the usual standards of fiduciary prudence and responsibility, the managers will then have complete discretion over the investment of the funds in their respective accounts, including the discretion to vote proxies, the use of soft dollars and how to execute trades. Fees will be set at the time of hiring managers. The Committee may invest in indexed funds if deemed appropriate. (B/R 4/05)
2. Subject to the manager-specific guidelines and the usual standards of fiduciary prudence and responsibility, the managers will then have complete discretion over the investment of the funds in their respective accounts, including the discretion to vote proxies.
3. In hiring and evaluating managers, the Committee will consider the diversification, credit quality, and duration of the portfolio and other appropriate factors.
4. The Committee will provide each manager of a separately managed account with a set of mutually agreed-upon guidelines. Such guidelines will provide that, if at any time the manager believes that any policy guideline contained therein adversely affects, or has the potential to adversely affect, its investment performance or would prevent the manager from handling the System's portfolio in a manner similar to the firm's other discretionary accounts with a similar investment objective, it is the responsibility of the manager to communicate this view to the System's staff in a timely fashion. Additionally, such guidelines will require the managers to inform the System's staff promptly of any change in firm ownership or fundamental investment philosophy, any significant change in organizational structure or professional personnel, and any change in portfolio manager(s) for the System's account. The Committee acknowledges that managers of commingled funds are unable to respond to specific guidelines. The Committee will maintain and review periodically descriptions of the investment policies and practices of managers of commingled funds to ensure that the Committee understands such policies and practices and has determined that they are within the spirit of these Guidelines. The matters reviewed will include without limitation the managers' policies and practices with

respect to risk control generally and derivatives, non-dollar denominated securities, and securities lending.

(B/R 8/04)

D. Monitoring of Objectives and Results

1. The Committee will review these investment objectives and policies at least once every two years for their continued appropriateness.
2. The Committee will review the strategic allocations at least annually. At this time a modeling of investment returns will be performed to determine what expected returns the current strategy should produce. (B/R 4/05)
3. At least annually, the Committee will determine if any rebalancing of actual allocations should be made.
4. The System's staff will obtain monthly investment performance reports from each manager. The Committee shall have prepared and shall review on a quarterly basis an investment performance report setting forth the asset allocation of the total Fund and the investment returns for individual manager accounts and for the Fund. The returns shall be calculated on a time-weighted basis net of manager fees for the most recent quarter for which data are available and any other short-term periods that the Committee may select, including fiscal-year returns when such data are available. The Committee shall select an appropriate benchmark for each manager. The Committee will use the short-term performance data to monitor the fund and the managers for consistency of investment philosophy, returns relative to objectives and investment risk. Risk will be evaluated as a function of asset concentration, exposure to extreme economic conditions and performance volatility. At least one performance report each year shall include data for such longer periods of times as are specified herein. Regular communication with the managers concerning investment strategy and outlook is expected. Any decision to terminate a manager will normally be based on long-term (*i.e., over a full market cycle*) investment performance as well as other relevant factors. (B/R 4/05)
5. The Committee will periodically review the related services provided to the System, including securities custody, performance evaluation, and consulting. Fees for these services will be explicitly stated in the contract. (B/R 4/05)

E. Derivatives Policy; Securities Lending; Non-Dollar Denominated Securities

1. Investment managers may utilize derivative securities only in a manner consistent with the policies described below.
2. The primary intent of derivative security transactions should be to hedge risk in portfolios or to implement investment strategies more efficiently and at a lower cost than would be possible in the cash market. Derivative securities primarily include interest rate futures, options on interest rate futures, currency futures and forwards, international interest rate futures, and collateralized mortgage obligations. Derivatives will generally not be used to leverage portfolios. Derivatives-based investment strategies should not expose the portfolios to greater risk than would be typical under a strategy utilizing only cash securities. For example, derivative strategies should not be used to alter the effective duration of the portfolio beyond the appropriate ranges. The Committee may make exceptions to these general parameters in the case of particular managers or funds,

provided that any exceptions pertaining to separately managed accounts will be referenced in the applicable manager specific guidelines.

3. No agreement to engage in a securities lending or directed brokerage program will be entered into without the prior approval of the Committee.
4. The policy with respect to non-dollar denominated securities will be specified in the applicable manager specific guidelines or, in the case of commingled funds, will be reviewed periodically by the Committee as provided in C.3.
5. The Committee expects that its investment managers will have in place processes and procedures to control and measure risk.

F. Distribution Policy

1. It is the policy of the Board of Regents to pool all NSHE cash assets for investment in accordance with guidelines stated in the following Section 5 of this Chapter.
2. Except as provided herein, effective July 1, 1996, the NSHE Banking and Investment Office will, on a monthly basis, make a distribution to all NSHE institutions an amount equal to a set percentage of the institutions' average daily cash balance. (B/R 4/05)
  - a. The allocation by the Board of Regents to the institutions is established with the understanding that each institution will assume responsibility for the cash basis payment of all expenses not provided for by the state appropriated budgets including, but not limited to, employment perquisites, interview and recruiting expenses and litigation expenses.
3. Distributions from the Fund will be made monthly at an appropriate rate as determined by the Committee. In order to minimize the potential for a shortfall relative to expectations, the Committee will establish a spending rate on a bi-annual basis to allow the institutions to develop their bi-annual budgets with greater certainty. Each quarterly period, the Committee will review the rate relative to the investment outlook and current surplus or deficit to consider its continued appropriateness. (B/R 10/00)
4. The distribution policy is administered by the Banking and Investment Office in accordance with the Uniform Management of Institutional Funds Act, adopted by the Regents on August 30, 1984 in accordance with the authority granted to them by *Nevada Revised Statutes* (NRS) 396.380 and NRS 396.420 to control and invest the System's funds.

(B/R 8/04)

**Section 6. Board and System Administration Accounts**

1. The Board Administration account will provide for the necessary expenses of members of the Board of Regents, support for the continuing operations of the office of the Board of Regents, and occasional funding for limited-term projects necessary to meet key Board objectives. Each year the Chancellor shall submit a proposed Board Administration budget for Board approval.

2. The System Administration account will provide for necessary operating resources to support, at the System level and under the direct supervision of the Chancellor, such administrative functions as academic and student affairs, planning, finance, legal affairs, and external relations. Each year the Chancellor shall submit a proposed System Administration budget for Board approval.
3. A contingency reserve will be maintained, at 30 percent of the prior year's annual income, to offset unanticipated shortfalls in revenue and/or unbudgeted expenditures. Funding for the reserve will be designated at a prescribed level to ensure adequacy of support in cases of emergency.
4. Each year the Chancellor shall assess each NSHE institution its proportionate share of the funding required to support the Board Administration Account, the System Administration Account, and the contingency reserve. Such assessment shall be based on the Board-approved budget for each of these accounts. The proportionate shares shall be determined by the ratio of each respective institution's self-supporting budget revenues plus its investment income from the operating investment pool, excluding gifts and transfers, to the total of such revenue from all institutions for the most recently completed fiscal year. Each institution shall transfer its annual assessment in quarterly installments on the last working day of each quarter.

(B/R 6/03)

#### **Section 7. Personal Checks**

1. Personal checks will be accepted from students in payment of fees or other bills due to NSHE institutions.
2. The institutions shall not furnish counter checks and checks altered in any way shall not be accepted.
3. The prevailing bank rate will be assessed for any check returned unpaid by the bank.
4. The registration late fee charge will be assessed where the personal check covering registration is subsequently returned unpaid by the bank. (B/R 11/82)
5. Any returned check shall be made good within ten days after notification to the student or suspension or dis-enrollment procedures may be instituted. (B/R 11/90)

#### **Section 8. Approval, Acknowledgment, and Administration of Gifts, Contracts, and Sponsored Programs**

##### **I. Introduction**

In order to establish a basis for approval of any proposed gift, contract, or sponsored program, the President of each institution will provide assurances to the Board of Regents that:

- A. The designation of the purpose of the gift, contract, or sponsored program is in accordance with the institution's mission statement, the Board of Regents' policies and procedures including the Academic Master Plan and capital construction priorities, the laws of the State of Nevada and the Internal Revenue Code;
- B. The proposal for acceptance of any gift, contract or sponsored program must include a reporting of total direct and indirect costs as compared to anticipated revenue;
- C. The gift, contract or sponsored program is free from injurious racial or gender biases or any other illegal restrictions imposed by the parties;
- D. Acceptance of the gift, contract or sponsored program does not obligate the institution to matching commitments or other costs exceeding the amount of the gift, contract or sponsored program unless the institution concurrently identifies and encumbers institutional funds to cover these costs;
- E. Funds designated by the gift, contract or sponsored program for employee compensation, which includes cash or in-kind perquisites, comply with Board of Regents' Handbook Title 4, Chapter 3;
- F. Gifts, contracts or sponsored programs involving related parties or parties that appear to have conflicting roles in the transaction have been publicly noticed and approved by the Board of Regents;
- G. The institution has defined the basic elements in a donor or contractor's proposal that will be, or have been used to categorize it as a gift, contract or sponsored program.
- H. Gifts intended to fully or partially fund a faculty or administrative position that are made on the condition that a particular person be offered a position within NSHE without going through the regular selection process will not be accepted;
- I. During the course of the selection process to fill a faculty or administrative position supported by a donor gift, no undue or inappropriate influence by or on behalf of the donor may be exerted; and
- J. While a donor may, if legally permissible, restrict the use of a gift, restricted gifts will not be accepted from a donor if a condition of the gift precludes NSHE or an institution from pursuing other work or scholarly activity.

(B/R 6/07)

## II. Gifts

A gift to an institution of the NSHE may be accepted only by the Board of Regents, except as provided herein. A gift is defined as a benevolent donation, which does not require any commitment of institutional resources, or services other than the commitment made to carry out the agreed-upon intent of the donor for the use of the gift funds. A gift includes legally enforceable pledges, personal and real property, professional services and forgiveness of indebtedness. A grant will qualify as a gift, contract or sponsored program but not as a separate category for purposes of the Board of Regents' policy. The President of each institution will accept gifts, or when required, recommend the Board of Regents' acceptance of gifts, regardless of the form of the gift, only after providing assurances:

- A. That all gifts to the endowment, loan, plant and current fund groups have been reported for information purposes or submitted to the Board of Regents for acceptance in accordance with guidelines established by the Chancellor's Office which provide that;
1. Current loan and endowment fund group gifts which are additions to previously approved or existing programs will not require Board of Regents' approval before acceptance but will be summarized, along with all other gifts, and reported to the Board of Regents annually; (B/R 12/99)
  2. Approved or existing programs will be defined by the Chancellor's Office;
  3. Charitable remainder trusts, under which the institution is named as remainder man, must be approved by the Board of Regents before the remainder interest is transferred (acceptance) whether or not the trusts are guaranteed and/or managed by the Board of Regents. The gift is included in information reports to the Board of Regents in the year the remainder interest is received by the institution;
  4. All endowment funds will be administered in accordance with the Board of Regents' policy Title 4, Chapter 10, Section 3; (B/R 3/04)
  5. Endowment funds held in trust by foundations or others require Board of Regents' approval and are to be recorded on the general ledger of the institution. The Chancellor's Office will monitor the investment performance and management of these funds. The amount of the gift for information reports to the Board of Regents is the endowment income recorded in the institution's annual financial statements;
  6. Endowment funds will not be accepted if they include requirements in perpetuity for delivery of goods or services to the donor or the donor's designee;
  7. Plant fund gifts must be recommended by the institution and accepted by the Board of Regents. The amount of the gift is included in the annual information report to the Board of Regents during the reporting period that the plant fund gift is recorded for annual financial statement purposes;
  8. Contributions, which are gifts only in part, must be accepted by the Board of Regents and also included in tests for acceptance of contracts and sponsored programs;
  9. If the administration or application of any gift does not comply with institutional policies or meet the criteria established in Section I. (*above*) the non-compliance will be reported to the Board of Regents for a determination as to whether or not the program should be terminated;
  10. On a going forward basis (effective April 4, 2008), gifts to an institution, gifts to the Board of Regents on behalf of an institution, or gifts that can otherwise be determined to be for the benefit of a particular institution, will be transmitted to the institution for management as part of the institution's foundation endowment accounts, unless such transmittal is contrary to the express wishes of the donor. If the institution's foundation does not maintain endowment accounts, the NSHE shall manage the funds on behalf of the institution as part of the NSHE endowment pool. Any transfer of such funds to the foundation for such activities is subject to the institution having an operating agreement in place between the institution and the foundation providing for adequate accounting

and oversight of such funds consistent with Board of Regents requirements specified in Title 4, Chapter 10, Section 9, and shall further provide that the institution or NSHE may obtain the return of the principal and income of these funds for the purpose of depositing such funds in the NSHE endowment pool, subject to any investment restrictions that limit when such funds may be liquidated, under the following circumstances: 1) a material breach of the operating agreement, 2) the declaration of a financial exigency by the Board of Regents, or 3) without cause and effective June 30 upon written notice to the institution no later than March 1 of the preceding year.

- B. That the institution has complied with all applicable federal income tax regulations and restrictions by donors;
- C. That expenditures for entertaining, hosting, travel expenses, or employee perquisites comply with Board of Regents' policies and procedures and will not be authorized by the institution's administration unless the donor has been notified in writing that unrestricted gifts and the investment income from such gifts may be used for these purposes;
- D. That the institution has obtained an independent appraised evaluation of the property received when value is stated for insurance purposes, when the property is sold or recommended for sale by the institution, when the property is recorded officially on the institution's books and records, or when the appraised value is a basis for compliance with tax law. Board of Regents' approval is specifically required for acceptance of all gifts of property except personal property with an estimated fair market value of less than \$5,000.00;
- E. That costs for insurance, real property clean up or storage have been considered in calculating the obligations to the institution in recommending to the Board of Regents the acceptance of gifts of property;
- F. That a donor's restriction on the sale or use of property is reported along with reasons why the restriction is not unreasonable and should be accepted by the Board of Regents;
- G. That procedures for receipt and acknowledgment of non-cash gifts shall be the same as for cash gifts except that specific value cannot be placed on non-cash or in-kind gifts;
- H. That procedures have been established to provide for timely acknowledgments to donors by the President specifically on behalf of the institution and the Board of Regents. Gifts to foundations or other legally separate organizations for the benefit of the institution are to be acknowledged by the foundation or other organization rather than the President of the institution or the Board of Regents;
- I. That the President, when required by this policy, recommend the gift for acceptance by the Board of Regents as soon as possible after it has been offered or the offer announced; however, public announcement of gifts received shall not be made until the gift is accepted by the Board of Regents;

(B/R 10/08)

### III. Contracts and Sponsored Programs

The Board of Regents has adopted the following policies to guide the institutions in their administration of contracts and sponsored programs. Included in these policies are contracts or sponsored programs under proposed agreements which would commit the institution's resources or commit the institution to a specific course of action for work to be carried out in its academic departments, laboratories, or administrative units whether on or off-campus. Contracts and sponsored programs must be submitted to the institution's President for approval of the conditions and/or contents of the contract or sponsored program and submitted to the Chancellor's Office for approval of format and signature authority. Contract education agreements are not covered by these guidelines.

- A. The Board of Regents accepts the terms and conditions attached to federal government sponsored programs sought by the institutions. If there is any exception to this policy, the institution will be specifically notified that it should not enter into such programs.
- B. The institution's contracts and sponsored program proposals and agreements are executed in accordance with criteria and directions described by the Chancellor's Office in published procedures.
- C. ### **Section 9. NSHE and Member Institution Foundations Administrative and Accounting Policies**

Each member institution Foundation has been duly established as a non-profit corporation under the statutes of the State of Nevada exclusively for charitable and educational purposes within the meaning of Section 501(c)(3) of the *Internal Revenue Code*. The members of the Board of Regents are corporate members of each Foundation with responsibility to ratify the appointment of the members of the Boards of Trustees of the Foundations, within one year after their appointment, assure the people of the State of Nevada that they will avoid any conflicts with their powers as outlined in the Board of Regents Handbook, Title 1, Article III Section 3,

and manage and control the NSHE. Each corporation must act within the bounds of its purpose and authority as defined by its Articles of Incorporation and Bylaws and in accordance with the policies of the Board of Regents, the laws of the State of Nevada, and the *Internal Revenue Code*. (B/R 4/05)

The following policies also apply to Foundations or other fund raising groups that are not "member institution" foundations as described above, but which have been established to raise funds PRIMARILY for the institutions OR PROGRAMS within the NSHE. Other fundraising groups may request of a "member institution" foundation to fall under their umbrella to assure compliance with the foregoing guidelines. Being under the umbrella of a "member institution" Foundation will be defined by that Foundation and at a minimum will include processing all receipts and disbursements through the foundation in accordance with Foundation and Board of Regents guidelines. Only those fund raising groups that comply with these guidelines will be approved by the Board of Regents to use the name of the institution or the System in their legal names or in their stationery or publications. (B/R 8/94)

To provide the Board of Regents reasonable assurance that its obligations to the people of Nevada are fulfilled, responsibility for the following administrative and accounting guidelines is delegated to the management of each of the Foundations, the President of each institution, and to the Chancellor. The Board of Regents specifically reserves the right to examine the books and records of the Foundations as part of its responsibility to the State of Nevada and to reject any contract entered into by the Foundation, which obligates any institution.

The President of each NSHE institution will be responsible for the activities of its "member institution" Foundation and of all other 501(c)(3) organizations affiliated with the institution. Each President will appoint a senior administrator with financial expertise who is independent of the Foundation to attend all meetings of the Board and executive committees of all 501(c)(3) organizations affiliated with the institution. (B/R 8/04)

## A. INSTITUTIONAL ADMINISTRATION

### 1. Compliance with Institutional Goals.

The President shall have the responsibility to see that the gifts to the institution are in keeping with the goals, objectives and priorities of the institution and of the Nevada System of Higher Education.

### 2. Internal Accounting Control.

The President of each institution shall be responsible for establishing and maintaining a system of internal accounting controls, which will provide the institution with reasonable assurance that:

- a. There is an objectively measurable separation of the Foundation from the institution and that institutional assets are safeguarded against loss from unauthorized use or disposition;
- b. Transactions with the Foundation are executed in accordance with Board of Regents' and institutional policies;
- c. All transactions with the Foundation are recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board. (B/R 8/04)

- d. The institution does not use the Foundation for the purpose of circumventing state policies or rules and regulations by engaging in activities or making expenditures which have been denied the institution for other than purely financial reasons and could not withstand public scrutiny;
- e. The institution does not lend funds to the Foundation;
- f. The institution does not incur deficit cash positions with respect to Foundation grants in excess of 30 days. Reasonable interest charges for such deficits may be negotiated.
- g. The Foundation will dispose of capital assets received as gifts as soon as is practical to do so unless the Foundation makes an affirmative decision to retain the asset.
- h. The Foundation will not invest in land, engage in joint ventures or invest in equity positions in privately held stocks that are not listed on the New York Stock Exchange (*NYSE*), National Association of Securities Dealers Automated Quotation (*NASDAQ*) or other nationally recognized stock market without full disclosure to the Chief Financial Officer and the approval of the institution President. If such assets outside these categories are received as gifts, they may be retained if the President agrees to their appropriateness as investments. Such transactions must be disclosed to the Board of Regents Audit Committee at its next regularly scheduled meeting. If the President, on advice of the Chief Financial Officer, does not agree with the appropriateness of an investment or activity of the Foundation, the President must report that activity to the Board of Regents at the next regularly scheduled meeting.

(B/R 8/04)

3. Compliance with Nevada Revised Statutes (NRS) 281.481.  
The institution has the responsibility to comply with NRS 281.481 that states that a public officer or employee shall not accept any salary, retainer, augmentation, expense allowance or other compensation from any private source for the performance of his duties as a public officer or employee.
4. Compliance with Foundation Gift and Grant Provisions.  
Upon acceptance of funds from the Foundations by the Board of Regents, the institution has the responsibility to manage the funds authorized by the Foundations with the same care and compliance with the gift and grant provisions provided all other funds managed by the institution.
5. Contributions to the Foundation of Services, Assets, and Forgiveness of Indebtedness.  
Particular attention should be given to the recording and presentation of donated and contributed services which must be recognized both as revenue and as properly classified expenditures when they meet the criteria of the American Institute of Certified Public Accountants (*AICPA*) and the Financial Accounting Standard's Board. Contributions are defined to include gifts in numerous forms such as cash, marketable securities, land, buildings, use of facilities, materials and supplies, and services provided by NSHE employees. Unconditional promises to contribute such services or assets, in the future, are also defined as contributions for the purposes of this section. The Board of Regents' continued financial support of the Foundations is predicated on compliance with these guidelines.

The President is responsible for submitting to the Board of Regents, for their approval prior to the beginning of the fiscal year, a budget, as defined by the Chancellor's Office, which shows:

- a. The total fiscal year budget of estimated expenses funded from all sources to support institutional development which includes salaries for staff, reporting directly or indirectly to the foundation on a full or part-time basis, and
- b. All contributions that are proposed to be made to the Foundation from the institution. The contributions proposed to be made to the Foundation represent development expenses and activities, which the institution would otherwise manage within the institution. In accordance with the Financial Accounting Standards Board and the AICPA, all contributions made must be stated at fair market value.

(B/R 5/94)

6. Compliance with Board of Regents Personnel Policies.

The institution is responsible for compliance with Board of Regents' policy requirements, as periodically amended and outlined in the Board of Regents' Handbook, including but not limited to the following:

- a. Title 4, Chapter 3 which applies to all professional staff paid for by the Board of Regents regardless of the funding source and whether or not their services have been contributed in total or in part to the Foundation. Estimated amounts of all salaries, consulting fees, or perquisites donated in cash or in-kind by an institution Foundation for institution employees are considered compensation within the meaning of the Board of Regents' Handbook citation. Perquisites must be submitted in advance in writing to the Board of Regents for approval and include automobiles and related expenditures, automobile allowances, host allowances, housing and related expenditures, memberships, dues, retirement funds, or any other compensation over and above the basic salary. The President will submit to the Board of Regents a schedule of these items, by employee, including the amount proposed to be donated on behalf of the employee prior to the beginning of the NSHE fiscal year. Loans to institution employees are prohibited. All payments must be made to the employee by and through the institution. Perquisites that are submitted in advance to the Board of Regents for payment to an employee throughout the year may be included as a one time grant to the institution even though payments are made in accordance with Board of Regents' approval throughout the fiscal year.
- b. Title 4, Chapter 10, Section 21, applies to Host Accounts, which must be officially created by the Board of Regents from funds donated by a Foundation. Unrestricted gifts from a Foundation do not automatically include authority to incur hosting, entertainment or travel expenses, nor can an employee of the institution direct the use of Foundation funds for these purposes.

(B/R 12/09)

## B. FOUNDATION ADMINISTRATION

1. Financial Statements and Reporting. Annual financial statements will be prepared by the Foundation. Unless specifically exempted by the Board of Regents, the financial statements must reflect compliance with all applicable state and federal laws and Board of Regents' policy, and they must include an unqualified opinion by an independent Certified Public Accountant. It is the goal of the Board of Regents to receive financial statements as soon as possible after the Foundations' financial year-ends. A copy of the financial statements, management letter and the un-audited schedules referenced below should be forwarded to the Chancellor's Office no later than three and one-half months after the Foundations' financial year-end. The Foundation, in cooperation with the independent audit firm, is to establish a materials deadline and work schedule in order to meet the Board of Regents' goal.

Each Foundation within the NSHE must be audited annually by a Nevada licensed independent audit firm. The request by the Board of Regents for audits of procedures is interpreted to mean general administrative practices and accounting principles to be used by Foundation management in the preparation of the annual financial reports that the independent auditors will examine. All independent audits must be conducted in accordance with generally accepted auditing standards.

The Board of Regents specifically requests advance notice if the three and one-half month goal is not to be met along with a schedule stating when financial statements will be published. Management must present a written report responding to any internal accounting control weakness, comments on operations, or other observations of the independent Certified Public Accountant.

If the Foundation desires an exemption from the audit requirements it must be requested in writing, along with the reasons for the request and the alternatives offered to satisfy reporting requirements to the Board of Regents before the corporations' financial year-end.

Foundations with total assets less than \$7.5M may request consideration for an audit waiver that would require an audit at least every other year.

Foundations with total assets greater than \$7.5M are not eligible for consideration of an audit waiver. Foundations receiving federal funds or federal pass-through funds are not eligible for consideration of an audit waiver. Absent exceptional circumstances, waivers will not be granted to affiliate foundations that may be audited as part of the primary college or university foundation audit.

Staff will advise the Audit Committee whether each audit waiver would adversely impact the external auditor's opinion on the NSHE financial statements prior to consideration of each audit waiver.

(B/R 6/08)

2. Accrual Basis Accounting. Financial statements will be prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles of the Governmental Accounting Standards Board. (B/R 8/04)

3. Gift and/or Grant Authorization Expenditures. The Financial statements should adequately categorize expenditures as either:
  - a. "Gift and/or grant authorization" also known as program expenditures that relate directly to the primary missions of the member institution, or
  - b. "general administration" that include such costs as general administration, membership development, and fund raising for the Foundation.

Gift and/or grant authorization should include and identify donations from any Foundation to any NSHE institution. In addition, the annual financial statements shall present gifts and grants authorized, gifts and grants donated, and an un-audited summary schedule by Foundation account of all grants authorized and accepted by the Board of Regents. The total of the schedule should agree with the total for program expenditures on the audited financial statements including the fair market prices for any in-kind transactions.

4. Expenditures of General Administration. The Foundation will have expenditures for salaries, travel, fund raising, office supplies, investment management services and other costs necessary for the general administration of the Foundation's affairs.

The annual financial statements shall present these general administrative expenses in a common format as determined in No. 5 (*below*) in an un-audited schedule. The total of the detail listing should agree with the total for general administrative expenditures on the audited financial statements. An additional un-audited schedule containing a list of the ten top payees of the Foundation shall be included.

5. Common Format Reporting. All reports, statements, expense summaries and the like required to be prepared by the Foundations for submission to the Board of Regents shall, to the extent possible, be in a common format. The Chancellor shall coordinate reporting and the establishment of such common formats.

6. Public Information and Open Meeting Law.

All reports, statements and expenditure summaries prepared for submission to the Board of Regents pursuant to this section shall be public records, available as such upon reasonable request.

All NSHE Foundations shall comply with the Nevada state law requiring a university Foundation to observe the state's Open Meeting Law and the Open Record Law. The Open Record Law permits the protection of the names of contributors or potential contributors, the amount of contributions and any information, which may lead to the discovery of contributors.

7. Required Disclosure to Donors. Foundations shall make clear to prospective donors that the Foundation is a tax-exempt non-profit organization and that all gifts are to be made payable to the Foundations. Each Foundation shall in communicating with the donors or prospective donors use its own stationery clearly displaying its own corporate identity.

The Foundation shall obtain from each donor a signed form stating that the gift is intended for the foundation and not the institution. If the donor subsequently misdirects the check to the institution rather than to the foundation, this documentation from the donor will authorize

the institution to issue an exchange check with the foundation. If the Foundation does not disclose to the donor by printed or written material that a gift or the income from the gift is to be used for entertaining, hosting, travel, or employee perquisites, it must then obtain specific authorization from the donor to use the gift funds for such purposes.

The Foundation shall administer any restricted gift to the Foundation in accordance with the wishes of the donor and shall notify the donor if the Foundation plans to delay, for any reason, the use of the restricted gift for its intended purpose.

8. Compliance with Board of Regents' Gifts and Grants Policy. The Foundations will be required to comply with Board of Regents' policy requirements, as periodically amended and outlined in the Board of Regents' Handbook, including but not limited to the following:
  - a. Title 4, Chapter 10, Section 8 Approval, Acknowledgment, and Administration of Gifts, Contracts, and Sponsored Programs. The Foundation will comply with procedures for award of gifts and grants as defined by the Chancellor's Office. The purpose of the Chancellor's Office procedure is to eliminate timing differences in the amount of gifts and grants awarded by the foundation as compared to and consistent with the reporting of gifts and grants by the Board of Regents and the institution. The internal controls practiced by the Foundation and the integration of their gift and grant process with the institution's administrative controls and formal books and records are to be considered by the Chancellor's Office in the procedural requirements.
9. Compliance with Reporting Procedures. All gifts and grants donated from any institution Foundation to or on behalf of any NSHE institution or its employees must be reported in accordance with procedures established by the Chancellor. The Foundations are precluded from making direct expenditures to or on behalf of any NSHE institution or its employees. All expenditures to or for the benefit of the NSHE institution or its employees must be in the form of a gift or grant of money, sum certain, to the institution.

The advantage of this procedure is that Foundations will thereby disburse funds only to institutions for gift and grant authorizations acceptable to the Board of Regents, and individual expenditures will occur within the established internal accounting controls of the NSHE institutions.

#### C. CHANCELLOR'S OFFICE ADMINISTRATION

1. Receipts-Cash. Fund accounting principles shall apply to all cash receipts from the Foundation with emphasis on documenting any donor's restrictions on use of the gift and the proper categorization of funds into designated and non-designated fund groups. Cash receipts can be commingled in a single bank account for cash management purposes as long as generally accepted fund accounting principles are complied with.
2. Board of Regents' Acceptance and Reporting Policy.
  - a. Current fund gifts, which are additions to previously approved or existing programs, may be accepted by the President with spending authority established on the institution's general ledger without seeking additional acceptance from the Board of Regents. The Board of Regents delegates to the Chancellor's Office the responsibility for establishing the definition of previously approved or existing programs. Annual information reports to the Board of Regents will be prepared by the Chancellor's Office, in cooperation with the institutions, which include the total amount of previously approved or existing program

gifts. These annual reports will be prepared according to generally accepted accounting principles and will place specific emphasis on categorizing gifts by restriction and National Association of College and University Business Officers (NACUBO defined expenditure category, i.e., instruction, scholarships and fellowships, institutional support, research, public service, and academic support.)

- b. All other gifts, specifically plant fund and endowment fund gifts, must be presented to the Board of Regents for their approval prior to acceptance by the President of the institution. The Chancellor's Office will make recommendations regarding acceptance of these gifts and define the information, which must be presented to the Board of Regents when seeking approval for the gift.

(B/R 2/94)

#### **Section 10. Salary or Annuity Option Agreements**

1. Any employee of the NSHE, whether full- or part-time, may authorize the NSHE to reduce his or her monthly compensation for the purpose of purchasing on his or her behalf a non-forfeitable retirement annuity contract requiring premium payments of a like amount. The salary or annuity contract may be approved for any amount up to the maximum allowable under the *Internal Revenue Code*.
2. The annuity contracts may be purchased by the employee through payroll reduction from companies selected and approved by the NSHE for such purpose. These companies will have met licensing requirements established by the State of Nevada. The NSHE assumes no responsibility for these contracts except to make the payments as designated in an amount equal to the salary reduction.

(B/R 11/98)

  - f. For real property improvements as are necessary.
  - g. For the purchase of land or buildings adjacent to a campus or branch campus and within the master plan areas as such land or buildings become available and are offered for sale.
  - h. For other purposes approved by the Board of Regents.

One dollar of the General Improvement Fee funds generated at each institution may be used for other purposes as designated by the President.
4. Expending funds generated by the General Improvement Fee for other purposes than those described in subsection 3 shall require approval by the Board of Regents. All expenditures that are essential and part of a program, such as faculty and student recruitment activities, marketing, employee professional development, participant-funded events, and food supplied for culinary programs are normal operating expenses and not a host expense.

5. NSHE Capital Improvement Budget Process
  - a. Each institution will update its master plan every two years and provide the Chancellor and the Regents with a standardized statistical profile describing the physical dimensions of each campus operated by the institution. This profile will include the area (*gross square feet*) by type and age of facility. The Presidents will evaluate the results of this analysis to identify institutional capital construction needs.

- b. The Board of Regents will set priorities for the types of space (*classroom, class laboratory, research laboratory, office, and auxiliary space*) needed by the NSHE.
- c. The Chancellor will apply appropriate NSHE space formulas, including growth in student FTE, to the institutional data to determine the need for space in the Regents' priority areas. Based on the results of these calculations, the Chancellor will propose to the Council of Presidents a capital improvement project list.
- d. The Council of Presidents will review the list and participate in the development of the systemwide capital improvement project request in priority order.
  - i. In developing capital improvement project needs, each institution must provide to the Board of Regents a standardized life-cycle cost analysis for each requested new building.

(B/R 4/09)

#### 6. Existing Facility and Infrastructure Needs

The budgeted figure for these projects shall be two percent of the insured replacement value for owned facilities five or more years since construction or a major building renovation, excluding storage facilities and auxiliary enterprise buildings (e.g. resident halls and athletic facilities). In calculating the amount budgeted for existing facility and infrastructure, the state revenues request for Higher Education Capital construction (*HECC*) and Special Higher Education Capital Construction (*SHECC*) are in addition to the two percent threshold, and may not be applied to the amount budgeted for this purpose. The Chancellor shall establish procedures to standardize the manner in which projects associated with improving existing facilities and infrastructure are indentified and ranked.

(B/R 4/09)

#### 7. Agreement Between Nevada System of Higher Education and State Public Works Board.

#### 8. Use of NSHE Facilities.

- d. Institutional facilities may not be used for the purpose of raising monies to aid projects not related to some authorized activity of the institution or of institutional groups, and no efforts at conversion and solicitation by uninvited non-campus groups or individuals will be permitted on campus.

(B/R 12/08)

#### 9. Policy Statement Regarding Use of System Facilities for Political Events.

- a. The primary mission of NSHE and its institutions is to educate students. In that regard, we share a common interest in making public facilities reasonably available for first amendment activities, including political candidates and events. In allowing such use, NSHE and its institutions must use care to avoid the appearance of partisanship, i.e. that the institution favors any particular candidate or party.
- b. Single candidate events should generally be expected to pay standard facility use charges, together with any out of pocket costs, such as security, that the institution incurs as part of the event. The institution should seek advance payment of these estimated costs.
- c. Recognized student clubs or faculty groups may sponsor candidate appearances/events if permitted by institution policy, which may result in waiver of facility use charges under institution policy. Any out of pocket costs incurred by the institution should still be paid. Student governments and institutional business or facilities officers should seek to track such appearances and encourage compliance with Section 7(b) above.
- d. The institution may choose to host multi-candidate events as an educational service to the college or university community and the public. At the election of the institution, these events may be without charge to the candidates, whether for use of the facilities or security, as long as the institution makes its facilities available, if requested, on the same basis to all political parties.
- e. Institutions must follow the provisions of Nevada Revised Statutes 293.134 concerning the use of a room or space occupied by State or local government by a state or county central committee.

Resolution 00-6

- Whereas: In 1987, the Legislature wisely committed one-half of the Federal Estate Tax Credit to Higher Education in the State of Nevada, and,
- Whereas: The Legislature required that the Estate Tax Credit revenue be invested with the endowment fund and accumulated with only limited expenditures until the Estate Tax Fund grew to an amount which would produce \$2.5 million annual income, and,
- Whereas: It appears that the Congress may eliminate or phase-out the Estate Tax, and,
- Whereas: The Nevada System of Higher Education has only a limited permanent endowment for higher education, and,
- Whereas: The expenditures from the Estate Tax Fund have often been used for operating expenses, and,
- Whereas: The Estate Tax Credit revenue has been extremely volatile, and,
- Whereas: The Nevada System of Higher Education has no stable reserves to draw upon during financial emergencies, and,
- Whereas: A permanent endowment for Higher Education is an investment in the future of the State of Nevada.

It is hereby resolved by the Board of Regents of the Nevada System of Higher Education and respectfully requested that the Legislature and Governor respect the following policy with regard to the Estate Tax Fund:

The guiding principle for expenditures from the Estate Tax Fund shall be for special programs and initiatives and not for normal operating expenses with a long-term commitment, which are to be phased out over the next three biennia.

That a permanent endowment of the Estate Tax Fund be established at an initial level of \$100 million and that fifty percent (50%) of all estate taxes received by the system be added to the permanent Estate Tax Endowment.

That an amount of the earnings on the Permanent Estate Tax Endowment no less than the prior year's inflation rate (*multiplied by the permanent Endowment Base*) be added to the Permanent Estate Tax Endowment annually.

That there shall be no expenditures that invade the principal of the permanent Estate Tax Endowment except in the case of an emergency as declared by the Board of Regents.  
(B/R 8/00)

## **Section 29. NSHE Energy and Sustainability Policy**

Each campus and facility is encouraged to maintain an environmental health and safety professional as a permanent member of its professional administrative staff.

(B/R 12/02)

### **Section 31. Employee Charitable Donations through Payroll Deductions**

1. The Board of Regents desires to provide employees the opportunity to contribute to worthy charitable organizations through payroll deduction in a manner which minimizes disruptions in the workplace, and which does not overburden campus resources. Charitable solicitation campaigns for payroll deduction may be limited to one or more charitable federations at each institution.
2. Each institution shall adopt a policy governing charitable solicitations by payroll deduction in accordance with the following guidelines:
  - a. Only federations with local presence representing ten or more organizations will be allowed to conduct charitable campaigns. No individual organization will be granted access.

  - i. Access to payroll deduction by an approved federation may be allowed if the deductions can be accomplished by the payroll system without cost to the institution.
  - j. If, in the opinion of the President, a single campaign is in the best interest of the institution and the institution's employees have the opportunity to donate to member agencies of any other federation, then the President may limit the annual employee payroll deduction campaign to a single federated group. The selected federated group must provide for distribution of donations to agencies of other federations and to any 501(c)(3) organization. The selected federated group must provide reasonable representation in promotional literature and promotional activities for other federated groups that meet the requirements of subsections 2(a-g).
  - k. Other requirements not inconsistent with these guidelines.

2. Specifically, the Board of Regents affirms that, consistent with state law, compensation packages for its executive and professional employees may be established, with Board of Regents' approval, with incentive and/or merit components that are separate and distinct from the other institutions of the NSHE.  
(B/R 2/85)
3. In conformance with NRS 396.7953, the Board of Regents hereby specifically states and declares that it is not bound by, among other provisions, NRS 286.3007. (B/R 10/94)

(B/R 12/67)

## **Section 4. Contingency Fund**

1. There is hereby created the Desert Research Institute Contingency Fund.
2. The purpose of such fund is to provide for the continuation of programs and staff when funding from other sources is imminent or highly probable, but formal notification of funds has not been received or contracts assigned.
3. Disbursement from such Contingency Fund shall be made upon approval of the President of the Desert Research Institute.

4. All funds drawn from the Desert Research Institute Contingency Fund shall be reimbursed. Such reimbursement shall be made from the grant funds received on the project making the request. Otherwise, such reimbursement shall be made from the Desert Research Institute operating funds.

(B/R 6/05)

2. Monies used for Desert Research Institute administration shall be subject to the estimative budget procedure.
3. Each Desert Research Institute project shall be accounted for in conformity with the regulation of the granting agency.
4. The Board of Regents may deviate from established regulations relating to the appointment of, salaries for, and regulations governing professional members of the Desert Research Institute staff, upon the recommendation of the President thereof.
5. Nonprofessional staff of the Desert Research Institute may be under the technical service, at the discretion of the President.
6. Employees of the Desert Research Institute shall observe all state laws and NSHE regulations concerning travel, except that (a) in-state rental of vehicles from non-state sources is permissible; and (b) travel may be reimbursed per federal government regulations when travel is reimbursed by non-state appropriated funds.

(B/R 6/05)

#### **Section 6. Purchasing**

Desert Research Institute purchases may be made:

1. In conformity with general NSHE purchasing procedures, or (B/R 6/05)
2. By use of a special purchase order form, initiated by the principal investigator, which shall:

  - (b) Not be processed through the NSHE Buyer or the State Purchasing Division.
  - (c) Clear the NSHE accounting office for encumbrance purposes.

- (d) Be accompanied by a memorandum of justification when required by the President.
- 3. When requested, the NSHE Purchasing Office shall furnish such information as may be possible concerning vendors and prices.  
(B/R 3/65)

**Section 7. Project Files**

The Chancellor shall establish procedures concerning the maintenance of the Desert Research Institute's project files. (B/R 12/04)

**Section 8. Inventory of Equipment**

All equipment assigned to the Desert Research Institute shall be inventoried and subject to the same controls as all other NSHE equipment. (B/R 3/65)

**Section 9. Indirect Cost Recovery**

- 1. Indirect cost or overhead monies generated by Desert Research Institute research projects shall be distributed as follows:
  - (a) Ninety-five percent of all such recovery to be paid into a fund for use by DRI for any purpose justifiably chargeable to such indirect cost funds; and
  - (b) The remaining five percent of such indirect cost recovery to be paid into a separate fund for use by principal investigators. (B/R 6/05)
- 2. Expenditures of monies shall be subject to the same provisions as other Desert Research Institute expenditure of grant funds.  
(B/R 6/69)

**Section 10. Appropriated Funds**

All monies appropriated by the Legislature for purposes of the Desert Research Institute shall be expended in compliance with State law and Board policy. (B/R 3/65)

**Section 11. Confidentiality of Contracts**

The legislative act authorizing the creation of the Desert Research Institute states that one of the purposes to be achieved is the conducting of applied research for industry, governmental or private agencies or individuals. The objective is two-fold: first, to be of assistance to private and governmental agencies; and secondly, to produce additional revenue to further the purposes of the Desert Research Institute. The Desert Research Institute is authorized and encouraged to develop private research contracts. Where the needs of the contract require that the results of the research be held confidential, a clause preserving such

confidentiality may form a part of the contract and the preservation of such confidentiality in prior or future contracts is expressly ratified and approved by this Board. All contracts for applied research with private industry shall, as a minimum, provide sufficient revenue to cover the cost to the NSHE. (B/R 5/75)

## **Section 12. Compensated Outside Professional Service**

(For NSHE General Policy, See Chapter 3, Sec. 8)

1. Under conditions set forth below, limited professional services rendered by a Desert Research Institute (DRI) faculty member to organizations or individuals outside of DRI for compensation is recognized as a legitimate, and often desirable, activity for a faculty member.
2. Outside professional or scholarly service as contemplated by this section shall not adversely affect the performance of the faculty member in regard to his or her obligation and duties to DRI. A faculty member is to perform compensated outside professional activities on his or her own time. For the purposes of this section, compensated outside professional or scholarly service does not include work conducted as part of the regular duties of or the professional responsibilities of the faculty member, such as serving on a national review board. (B/R 3/10)
3. No faculty member may undertake outside professional or scholarly service that would result in a conflict of interest with his or her assigned duties. Conflict of interest means any outside activity or interest that may adversely affect, compromise, or be incompatible with the obligations of an employee to the institution.
4. DRI faculty members performing compensated outside professional or scholarly service are subject to the code of ethical standards of the State of Nevada (*Nevada Revised Statutes* (NRS) 281A.400-281A.660), which governs the conduct of public officers and employees.
5. A faculty member may not perform an official act on behalf of the institution that directly benefits a business or other undertaking in which he or she either has a substantial financial interest or is engaged as counsel, consultant, representative, agent, director, or officer. This prohibition is not intended to limit a faculty member's ability to enter into a contract between a governmental entity, the institution, and a private entity to the extent authorized by, and in conformity, with NRS 396.255, NRS 281.221(3), NRS 281.230(3), NRS 281A.430(3), the Board of Regents Intellectual Property Policy (Title 4, Chapter 12, Sections 1-8), and the Board of Regents Conflict of Interest Policy (Title 4, Chapter 10, Section 1.7).
6. For the purpose of this section, potential conflicts of interest include a faculty member's involvement in transactions or decisions on behalf of an institution, in which the faculty member knows that benefits accrue to individuals in the faculty member's household, persons to whom the faculty member is related by blood, adoption or marriage within the third degree of consanguinity, or persons with whom the faculty member has substantial and continuing outside business relationships.

Relationships within the third degree of consanguinity or affinity are defined as:

- (a) The faculty member's spouse, child, parent, sibling, half-sibling, or step-relatives in the same relationship;
  - (b) The spouse of the faculty member's child, parent, sibling, half-sibling, or step-relative; or
  - (c) The faculty member's in-laws, aunt, uncle, niece, nephew, grandparent, grandchild, or first cousin.
7. A full-time faculty member engaged in providing compensated outside professional service shall provide advance notification in writing to his or her supervisor (*the Executive Director of the Division or the appropriate Vice President if not in a division*) of the nature of the work to be performed, the company/organization for which the work will be performed, and the amount of his or her time likely to be involved. The request must be approved in advance by the supervisor within 10 working days and shall indicate that the intended compensated outside professional service is not in conflict with any obligations currently incurred or assumed by the Institute. Activity in new areas not presently a regular part of the DRI efforts will not be considered to be in conflict even if DRI subsequently moves into such work. Individual requests to perform outside professional or scholarly service shall be considered confidential personnel documents pursuant to Title 2, Chapter 5, Section 5.6.2.
  8. When a supervisor believes that a conflict exists with obligations currently incurred or assumed by the Institute regarding a faculty member's consulting activities, the supervisor shall inform the faculty member of these concerns and negotiate a mutually acceptable course of action. If a mutually acceptable course of action cannot be negotiated, the faculty member or the supervisor may request the DRI Senate to appoint a panel of three DRI professional members to hear and evaluate the evidence and make a recommendation to President. The President will review the recommendation and render a final decision. The President may require the faculty member to cease performance of existing obligations while the faculty member remains a DRI employee. (B/R 6/05)
  9. Any faculty member performing outside professional service shall inform those who engage him or her that they are not acting in the name of the DRI and that the DRI is neither a party to the contract nor liable for any actions of such faculty member.
  10. In negotiating for a contract or any contract activities for outside compensated professional service, a faculty member shall not use DRI stationery or forms in any manner.
  11. Faculty members performing compensated outside professional or scholarly service are subject to the Board policy on personal use of System property or resources (*Title 4, Chapter 1, Section 25*). A faculty member working independently on an outside compensated contract shall not use DRI facilities, equipment or personnel not available to members of the general public unless such use is authorized in advance by the supervisor. Reimbursement of any added direct costs to DRI shall be in accordance with Title 4, Chapter 1, Section 25.

12. A faculty member working independently on his or her own time may obtain patents or copyrights on the results of his or her work, providing DRI resources were not used in the preparation of the inventions or copyrighted work.
13. It is the responsibility of each full-time faculty member to timely report outside compensated services and to certify the accuracy of the disclosures. Failure to accurately and timely disclose outside compensated services constitutes a basis for disciplinary action under Title 2, Chapter 6. Records are to be kept annually by each supervisor of all approved consulting activities.
14. The Desert Research Institute shall publish an annual report regarding compensated outside professional or scholarly service completed by its full-time faculty (aggregate data) and approved by the institution in accordance with the provisions of this section. This report will verify that all potential conflicts of interest have been reviewed and approved in accordance with the provisions of this section. A summary of these reports will be sent to the Board of Regents annually.

## **Section 1. Preamble**

1. The Nevada System of Higher Education is dedicated to teaching, research, and the extension of knowledge to the public. The personnel at its institutions recognize as two of their major objectives the production of new knowledge and the dissemination of both old and new knowledge. A byproduct of these objectives is the development of new and useful products and processes and the publication of scholarly works. Such activities (1) contribute to the professional development of the individuals involved, (2) enhance the reputation of the institutions concerned, (3) provide additional educational opportunities for participating students, and (4) promote the general welfare of the public at large. (B/R 6/07)
2. Inventions and copyrightable works often come about because of activities of NSHE personnel who have been aided wholly or in part through the use of funds and/or facilities of the System. It becomes significant, therefore, to ensure the utilization of such inventions for the public good and to expedite their development and marketing. The rights and privileges, as well as the incentive, of the inventor or author/creator must be preserved so that the abilities of the inventor or author/creator and those of other personnel of the NSHE may be further encouraged and stimulated. (B/R 6/07)
3. The Board of Regents acknowledges that faculty, staff, and students who are employees of the Board regularly prepare for publication, usually through individual effort and initiative, articles, pamphlets, books, and other scholarly works that may be subject to copyright and that may generate income. Publication may also result from work supported either partially or completely by the institution. With the advent of innovative techniques and procedures, the variety and number of materials that might be created in a higher education community have increased significantly, causing the ownership of such copyrightable works to become increasingly complex. (B/R 6/03)
4. The foregoing considered, the Board of Regents of the Nevada System of Higher Education does hereby establish the following policy with respect to inventions, intellectual property, and restricted access research from which NSHE faculties, staff and students are contributing participants. (B/R 6/07)

## **Section 2. Definitions**

1. "Intellectual property" is a category of intangible property, which includes patents and copyrights. (B/R 6/91)
2. The term "inventions" shall refer to all inventions, discoveries, computer programs, processes, methods, uses, products, or combinations whether or not patented or patentable at any time under the Federal Patent Act as now existing or hereafter amended or supplemented. (B/R 2/90)

3. "Copyrightable works" shall include the following: (1) books, journal articles, texts, glossaries, bibliographies, study guides, laboratory manuals, syllabi, tests, and proposals; (2) lectures, musical or dramatic compositions, unpublished scripts; (3) films, filmstrips, charts, transparencies, and other video or audio broadcasts; (4) distance education courses or programmed instructional materials; (5) computer programs and documentation; and (6) other materials or works which qualify for protection under the copyright laws of the United States or other protective statutes whether or not copyrightable there under. (B/R 6/03)
4. "Net income" is defined as income received by the NSHE from a NSHE owned invention or copyrightable work, less all payments or obligations directly attributable to patenting, copyrighting, marketing, licensing, protecting, or administering the invention or work. (B/R 6/03)
5. "Personnel" refers to part-time and full-time members of the faculty, staff, all other agents and employees, and undergraduate and graduate students and postdoctoral fellows of the NSHE. (B/R 6/03)
6. "Work for Hire" is defined by the copyright laws of the United States, and is used herein, as a work prepared by an employee within the scope of his or her employment. (B/R 6/91)

### **Section 3. Significant Use**

When an invention or a copyrightable work is developed by NSHE personnel or others participating in NSHE programs using significant System resources such as facilities, materials, equipment, personnel, funds or other resources under the control of or administered by the NSHE, the NSHE will own the invention or copyrightable work in accordance with the provisions of this policy. (B/R 6/03)

1. For the purposes of developing inventions or copyrightable works, the NSHE does not construe the provision of office or library facilities or traditional desktop personal computers as constituting significant use of NSHE space or facilities, nor does it construe the payment of salary from unrestricted accounts as constituting the significant use of NSHE funds, except in those situations where the funds were specifically paid to support the development of inventions or copyrightable works. (B/R 6/03)
2. Textbooks developed in conjunction with class teaching are also excluded from the "significant use" category, unless such textbooks were developed using NSHE administered funds paid specifically to support textbook development. (B/R 6/03)
3. Generally, an invention or a copyrightable work will not be considered to have been developed using NSHE funds or facilities if:
  - (a) only a minimal amount of unrestricted funds have been used; and
  - (b) the invention or copyrightable work has been created outside of the assigned duties of the inventor or author/creator; and

(c) only a minimal amount of time has been spent using significant NSHE facilities or only insignificant facilities and equipment have been used; and

(d) the development of the invention or copyrightable work has been made on the personal, unpaid time of the inventor or author/creator.

(B/R 6/03)

4. This section shall not be interpreted as preventing member institutions of the Nevada System of Higher Education from adopting stricter criteria on what constitutes the significant use of NSHE resources. (B/R 6/03)

#### **Section 4. Inventions**

1. An invention disclosure should be submitted when something new and useful has been conceived or developed, or when unusual, unexpected, or unobvious research results have been achieved or used. (B/R 6/91)

2. Determination of rights and equities in inventions (patentable or not) shall be as follows:

a. Except as otherwise specified by the NSHE in writing, inventions shall belong to the NSHE if conceived or reduced to practice: (1) by an employee of the NSHE as a result of the employee's duties, (2) by agreement with a non-NSHE sponsor, or (3) through the significant use, by any person, of the NSHE's resources such as facilities, materials, equipment, personnel, funds, or other resources under the control of or administered by the NSHE. (B/R 6/03)

b. Inventors acquire ownership in inventions which are: (1) not the result of a NSHE employee's duties or subject to the terms of agreements with research sponsors or other third parties, and (2) do not involve the significant use of resources administered by the NSHE. (B/R 6/03)

c. In the event there is a question about an invention as to whether the NSHE has an ownership claim, the invention should be disclosed to the NSHE. Such disclosure is without prejudice to the inventor's ownership claim. In determining ownership interest in an invention, a designated official may determine that the NSHE has no property interest in the invention because its conception and reduction to practice was unrelated to the inventor's NSHE duties, involved only insignificant use of institutional resources, or for such other reasons as may be set forth in the guidelines. (B/R 6/03)

d. Sponsor-Supported Efforts. Prior to signing any agreement with a non-NSHE sponsor that may result in or that deals with patent rights or the like, where NSHE time, facilities, materials, equipment, personnel, funds, or other resources are involved, NSHE personnel must bring the proposed agreement to the attention of the appropriate administrators of the constituent institution in accordance with its invention procedures and either obtain a written waiver of NSHE rights or otherwise modify the agreement to conform with these policies, as is determined by the institution in its discretion. Research agreements with private sponsors shall define ownership of inventions. The agreement under which inventions may be produced may contain specific provisions with respect to disposition of rights to these materials. The sponsor may receive an option to license such inventions on terms to be

negotiated. In those cases where all rights are vested in the NSHE, where income is shared between the sponsor and the constituent institution, the inventor may appropriately share in the income. The nature and extent of inventor participation in income, however, shall be subject to sponsor and NSHE regulations as well as the agreement. (B/R 6/03)

## **Section 5. Copyrightable Works**

1. Copyright is the ownership and control of the intellectual property in original works of authorship, which is subject to copyright law. In contrast to a patent which protects the "idea," copyright covers the "artistic expression" in the particular literary work, musical work, computer program, video or motion picture or sound recording, photograph, sculpture and so forth, in which the "expression" is embodied, illustrated, or explained, but does not protect any idea, process, concept, discovery, or the like. It is the policy of the NSHE that all rights in copyright shall remain with the author/creator unless the work is a work for hire (and copyright vests in the NSHE under copyright law), is supported by a direct allocation of funds through the NSHE for the pursuit of a specific project, is commissioned by the NSHE, is created with the significant use of NSHE administered resources, or is otherwise subject to contractual obligations. (B/R 6/03)
2. Except as may be provided otherwise in this policy, the NSHE does not claim ownership of books, articles, and similar works, the intended purpose of which is to disseminate the results of academic research or scholarly study. Such works include those of students created in the course of their education, such as dissertations, papers, and articles. Similarly, the NSHE claims no ownership of popular nonfiction, novels, poems, musical compositions, or other works of artistic imagination that are not institutionally commissioned works or that were not created with the significant use of NSHE administered resources. If title to copyright in works defined within this paragraph vests in the NSHE by law, the NSHE will, upon request and to the extent consistent with its legal obligations, convey copyright to the creators of such works. (B/R 6/03)
3. The NSHE shall retain ownership of works created as institutional rather than personal efforts -- that is, works created for NSHE purposes in the course of the author/creator's employment. For instance, work assigned to staff programmers is "work for hire" as defined by law (regardless of whether the work is in the course of sponsored research, un-sponsored research, or non-research activities), as is software developed for NSHE purposes, and the NSHE owns all rights, intellectual and financial, in such works. (B/R 6/03)
4. Except as excluded under Section 3, the NSHE owns all rights, intellectual and financial, in copyrightable works created in the course of scholarly projects specifically funded by NSHE sponsored agreements or other NSHE funds. Prior to signing any agreement with a non-NSHE sponsor that may result in or which deals with copyrightable works, where any NSHE time, facilities, materials, personnel, or resources are involved, NSHE personnel and students must bring the proposed agreement to the attention of the appropriate administrators of the constituent institution in accordance with its copyright procedures and either obtain a written waiver of NSHE rights or otherwise modify the agreement to conform with these policies as is determined by the institution at its direction. (B/R 6/03)

5. Under the copyright laws of the United States, commissioned works of non-employees are owned by the author/creator and not by the commissioning party, unless there is a written agreement to the contrary. NSHE personnel must, therefore, generally require NSHE commissioned contractors to agree in writing that ownership to copyrightable materials is assigned to the NSHE. Examples of copyrightable works which the NSHE may commission non-employees to prepare are:
  - a. Illustrations or designs.
  - b. Artistic works.
  - c. Architectural or engineering drawings.
  - d. Forwards and introductions.
  - e. Computer software.
  - f. Reports by consultants or subcontractors.(B/R 6/03)
6. Any videotaping, broadcasting, or televising of classroom, laboratory, or other instruction, and any associated use of computers, must be approved in advance by the appropriate institutional administrators, who shall determine the conditions under which such activity may occur and resolve questions of ownership, distribution, and policy. (B/R 6/91)
7. The NSHE in all events shall have the right to perform its obligations with respect to copyrightable works, data, prototypes, and other intellectual property under any contract, grant, or other arrangements with third parties, including sponsored research agreements, license agreements, and the like. (B/R 6/03)
8. Except as provided in Section 3, NSHE resources are to be used solely for NSHE purposes and not for personal gain or personal commercial advantage, or for any other non-NSHE purposes. (B/R 6/03)

## **Section 6. Administration**

1. Institutional procedures for the development of inventions, copyrightable works, and intellectual property are as follows:
  - a. Each institution of the NSHE is required to develop policies and procedures for handling inventions, copyrightable works, and intellectual property. Each President shall appoint an Intellectual Property Committee consisting of no fewer than three or more than nine members, one of whom shall be designated by the President to serve as chair. In each case the committee shall include a representative of the office of fiscal affairs of that institution. This committee shall make recommendations to the President regarding procedures, guidelines, and responsibilities for the administration and development of inventions, copyrightable works, intellectual property, and such other matters as the President shall determine. The Committee shall report annually to the President and to the Chancellor on inventions and copyrightable works disclosed and the disposition thereof. (B/R 6/03)

- b. Each President shall appoint one institutional officer who is responsible for the administration and disposition of inventions, copyrightable works and intellectual property. It will be the duty of this Intellectual Property Administrator to determine ownership of inventions and copyrightable works, develop terms of agreements with non-NSHE sponsors, inventors and authors/creators, and to resolve disputes among co-inventors and co-authors/co-creators. Detailed operational guidelines and procedures for the administration of these responsibilities shall be established by each institution. (B/R 6/03)
  
- c. When income is to be shared, all net income received by the constituent institution on inventions and copyrightable works subject to this policy shall be divided with the inventor(s) or the author(s)/creator(s) on the basis stated in Section 7, it being understood that if there should be a plurality of inventors, the portion accruing to the inventors or authors/creators will be distributed on an equal share basis unless specifically agreed otherwise in writing by all the inventors or authors/creators. The inventor(s) or author(s)/creator(s) at or before the time of filing a patent application or copyright must agree in writing to any other terms and conditions negotiated with the institution. In the case of a plurality of inventors or authors/creators, all individual inventors or authors/creators must sign the same agreement. (B/R 6/91)
  
- d. In the implementation of its policies and procedures with respect to inventions, each institution may elect, through the recommendation of its Intellectual Property Administrator and with approval of the President, any of the following courses:
  - (1) To develop and manage its licensing program through an independent patent assistance organization so as to secure competent evaluation of inventions or discoveries, expeditious filing of applications for patents, and aggressive licensing and administration of patents; or
  - (2) To develop and manage its licensing program through an affiliated nonprofit corporation; or
  - (3) To develop and manage independently its own licensing program; or
  - (4) To release an invention to which the institution has title or an interest to the inventor for management and development as a private venture after the execution of an agreement providing for the division of income.
 (B/R 6/91)
  
- e. In the implementation of its policies and procedures with regard to distance education courses, each institution shall require compliance with all federal copyright laws, including the provisions of the TEACH Act, 17 U.S.C. Sec. 110(2). In accordance with the TEACH Act, the institution's policies on distance education should include, among other things, provisions regarding: (1) limitations on use of copyrighted materials; (2) limiting access to materials to enrolled students; (3) use of copyrighted materials as part of mediated instructional activities; (4) providing informational materials to students, faculty and staff members regarding copyright laws; (5) providing notice to students that course materials may be subject to copyright laws; (6) limitations on digitizing of analog works; (7) limiting retention of copies of materials; (8) preventing unauthorized further transmission of digital materials; and

(9) non-interference with technological measures taken by copyright owners to prevent retention and distribution.

- f. Each institution's policies shall provide for an appeal procedure, with final decision by the President, in the event of a disagreement as to the ownership and use of an invention or intellectual property. (B/R 6/03)

#### **Section 7. Distribution of Income**

The inventor of the author/creator shall receive not less than 60 percent of the net income from each invention or copyrightable work. The inventor's or the author/creator's academic unit or department shall receive not less than 25 percent of the net income, and any remaining income shall go to the institution. (B/R 6/91)

#### **Section 8. Institutional Policies**

The intellectual property policy of each institution shall be consistent with these guidelines and shall be submitted to the Chancellor for review and subsequent approval by the Board of Regents. (B/R 6/03)

(B/R 12/04 – reorganization)

#### **Section 9. Periodic Reporting**

Periodically or upon request, each NSHE President or his or her designee shall report to the Academic, Research and Student Affairs Committee of the Board on the status and outcomes of institutional research endeavors.

(B/R 6/07)

#### **Section 10. Restricted Access Research**

The Board of Regents through NSHE institutions is committed to the creation and dissemination of knowledge. Further, the Board recognizes the importance of open intellectual communication within a research group, within an NSHE institution, and within the community at large. Recognizing that NSHE institutions are dedicated to academic freedom and to the public documentation and dissemination of the knowledge that they create, a free and open academic environment is an essential element in fulfilling research and educational missions. Policies or practices that inhibit the free exchange of ideas, by limiting scholarly interchange, can markedly restrain both the advancement of knowledge and its productive use.

In meeting this commitment, NSHE faculty may find it important to engage in research in the national interest where restrictions may be imposed on access to, documentation, and dissemination of information. In these cases, the specific research may be characterized as “classified” or “restricted access.” Restrictions on these projects create potential conflicts with the academic values of NSHE institutions.

This policy does not attempt to anticipate all possible concerns about restricted access research. In some cases, decisions will need to be made about specific research projects to which the application of particular policy guidelines are not clear. In choosing to accept or decline such projects, an institution must weigh the potential of a project for generating and disseminating new knowledge for the benefit of society, against the project's potential for adversely affecting the climate for research conducted in a free and open environment. While this policy sets no explicit limits on the extent of classified research permitted by an NSHE institution, it is not the intent of the policy to encourage an institution to engage in classified research as a primary ongoing activity.

1. Restricted access research includes proprietary, sensitive but not classified, and classified research, unless otherwise provided.
2. The President shall develop policies and procedures for all restricted access research that include provisions for oversight of research projects by the President or his or her designee, appropriate project controls, and guidelines for the release and dissemination of project results, including preliminary results. These procedures must be reviewed by the Chancellor and published by the institution. Copies of the policies and procedures must be lodged with the Secretary of the Board upon adoption by the institution, and whenever modified thereafter.
3. The President or his or her designee may enter into contracts with confidentiality clauses where such clauses protect from public disclosure only that information defined as restricted access by Board policy and in accordance with the guidelines of the Board and institution for accountability and dissemination of research results.
4. NSHE auditors and legal staff shall have access to materials related to restricted access research, excluding classified research, as is appropriate and germane to the performance of their jobs.
5. The President or his or her designee must have the appropriate security clearance for the oversight of classified research.

**Section 1. General Guidelines for Physical Master Plans to be Incorporated into the NSHE Master Plan**

The Chancellor shall establish guidelines for the incorporation of campus physical Master Plans into the Nevada System of Higher Education Master Plan. (B/R 12/04)

**Section 2. New Campus and Branch Campus Instructional Sites**

1. Nevada System of Higher Education institutions may extend their respective services to students and to the general public through multiple sites. Community college sites shall be limited to each college's geographic service area as defined in Title 4, Chapter 14, Section 11; however, collaborative partnerships are encouraged when colleges mutually agree to share educational services across service areas. (B/R 3/98)
2. All new campus and branch campus instructional sites must be approved by the Board of Regents. Requests for approval should include:
  - a. Evidence of need and demand for student enrollment,
  - b. Special workforce development needs, a plan for resources to support the site,
  - c. Evidence that the instructional needs cannot be met by distance education or services of another NSHE institution, and
  - d. A rationale for the site within the institutional master plan.
3. The establishment of satellite programs and public school sites do not require the approval of the Board of Regents if they are included in the approved campus Master Plan and if all fiscal arrangements are approved as required. (B/R 3/98)
4. Instructional Sites: The criteria to be used in developing instructional sites shall be established by the Chancellor and approved by the Board of Regents. (B/R 12/04)

**Section 3. Institutional Strategic Plans**

1. The NSHE Master Plan establishes goals, targets, and philosophical directions for the future of all higher education institutions within the Nevada System of Higher Education. To ensure progress toward System goals, each NSHE institution shall have an institutional strategic plan that clearly reflects the overarching goals of the System plan while also setting forth more specific goals, targets, and directions based on the institution's overall mission and service area as outlined below. The service region of each institution is defined in Title 4, Chapter 14, Section 11. (B/R 12/08)
  - a. Community Colleges - Each NSHE community college will emphasize responsiveness to the programmatic needs of its service region while simultaneously striving to fulfill the Board approved community college mission of university transfer, applied science and technology, business and industry partnering, developmental education, community service, and student support service programs within its respective service region.

- b. State College - Nevada State College will offer a wide range of baccalaureate programs and selected masters programs designed to meet the general needs of the State of Nevada and the specific needs of the southern region of the state. Special emphasis will be placed on addressing the state's need for highly skilled teachers and nurses as well as to developing partnerships with Nevada's public school system and the state's health care providers. The College will assist in addressing Nevada's need for increased access to higher education for recent high school graduates as well as for transfer and returning students.
- c. Universities - The University of Nevada, Las Vegas and the University of Nevada, Reno shall each offer a wide array of academic programs at the undergraduate and graduate levels, as well as research and public service programs to serve their respective regions, the state and the nation. Each institution shall strive to complement the other through its programs and through cooperative inter-institutional activities with one another and when appropriate with the state college and the Desert Research Institute. The universities shall further strive to avoid unnecessary duplication of academic, research, and public service programs.
- d. Desert Research Institute - The Desert Research Institute will conduct basic and applied research at the state, national and international levels for effective management of environmental resources, for continued development of Nevada's economy, and for providing increased educational opportunities for Nevadans. The Institute will undertake cooperative academic and research programs with the universities and, when appropriate, with the community colleges and state college.

(B/R 3/07)

- 2. Institutional strategic plans for each NSHE institution, including the Desert Research Institute, shall be presented to the Board of Regents at least every six years and will cover a planning period of up to six years. Updates concerning progress toward major goals and the revision of existing goals may come before the Board at any time during the six year planning period as determined appropriate by the institution.

(B/R 3/07)

- 3. On a biennial basis each institution shall present for consideration to the Academic, Research and Student Affairs Committee its academic master plan in conjunction with the NSHE Planning Report required pursuant to Nevada Revised Statutes 396.505. The academic master plan shall include the institution's plans for new academic, research and student service related programs for a planning period of at least two years.

(B/R 9/09)

- 4. If, in the need to be responsive to the demands of the campus service area, an institution desires to develop new academic programs out-of-sync with the planning schedule, a statement of intent, need, and relationship to the system master plan and current institutional strategic plan must be provided to the Academic, Research and Student Affairs Committee for action prior to presenting the formal request for a new program. The format for this statement shall be established by the Vice Chancellor for Academic and Student Affairs.

(B/R 9/09)

#### **Section 4. Review of New and Existing Academic Programs**

1. A review of existing academic programs shall be conducted by the universities, state college, and community colleges on at least a ten-year cycle to assure academic quality, and to determine if need, student demand, and available resources support their continuation pursuant to the following.
  - a. The review of existing programs must include multiple criteria. Although criteria may vary slightly between campuses, as institutions have different missions and responsibilities, there should be comparable data from all programs. The review must include both quantitative and qualitative dimensions of program effectiveness, and peer review.
  - b. Criteria to be utilized in the review of existing programs shall include the following: quality, need/demand for the program, relation to the institutional mission, cost, relationship to other programs in the System, student outcomes, and quality and adequacy of resources such as library materials, equipment, space, and nonacademic services.
  - c. An annual report will be published by the institution on the results of existing program evaluations and a summary of that report will be forwarded to the Chancellor's Office and presented to the Academic, Research and Student Affairs Committee annually.  
(B/R 9/09)
2. New programs at the universities, state college, and community colleges shall be reviewed following the third and fifth year of the program's existence. The criteria for review shall be established by the Vice Chancellor of Academic and Student Affairs and must include a report comparing originally projected enrollments and expenses to actual third and fifth year figures.  
(B/R 3/07)
3. Desert Research Institute - A five-year cycle will be used for the review of all DRI research programs. A report will be published on the results of program evaluation and a summary of that report will be forwarded to the Chancellor's Office and presented to the Academic, Research and Student Affairs Committee. Additional reports or status reports on DRI research programs outside of the five-year cycle may be brought forward at any time at the discretion of the Institute.  
(B/R 9/09)
4. In addition to the review process established in this section, the Board or a President may initiate additional program reviews as deemed necessary.  
(B/R 3/07)

#### **Section 5. Addition or Change of New Degrees, Majors, Programs, Departments, Schools or Colleges (B/R 10/01)**

1. It is the policy of the Board of Regents that before any new degree, major, program, department, school, college, center, institute, or other structural organization may be added, such proposal must be approved by the Board of Regents. (B/R 10/01)

2. Each President is responsible for completion of institutional review procedures. Following that, proposals will be forwarded to the Office of Academic Affairs in the Chancellor's Office prior to the Board of Regents' meeting to allow for review by the Academic Affairs Council, which will submit recommendations to the Chancellor for action by the Board of Regents. (B/R 12/89)
3. The format for consideration of new programs shall be provided by the Vice Chancellor for Academic and Student Affairs. (B/R 1/98)
4. Institutional affiliation agreements and other collaborative arrangements with non-NSHE degree-granting higher education institutions shall be submitted to the Chancellor and Board of Regents for review and approval at least three months prior to the date of intended implementation, if the agreements involve any of the following:
  - a. Joint offering of academic degree programs;
  - b. A commitment of institutional resources such as personnel, physical space, or finances; or
  - c. A physical presence of a non-NSHE higher education institution on the campuses or instructional sites of NSHE universities, the state college, community colleges, or the Desert Research Institute.
5. Articulation or other collaborative academic agreements between two-year and four-year degree granting institutions or between two four-year institutions within the NSHE do not require Board review and approval. Articulation agreements with K-12 that involve dual high school credit do not require Board review and approval. (B/R 12/03)
6. Professional degree programs within the NSHE shall be limited to a single School of Medicine, School of Law and School of Dentistry until 2025. (B/R 2/05)

**Section 6. Condensed Format for Consideration of Existing Program Changes**

The Vice-Chancellor of Academic and Student Affairs shall establish a format for consideration of 1) changes in existing academic programs such as changes in degree titles, administrative structure, or major objectives; 2) reorganization of existing departments, schools or colleges; or 3) the creation of a new organization from existing units. (B/R 12/04)

**Section 7. Community College Baccalaureate Degree Proposal Development and Review Process**

1. The NSHE Master Plan provides for “selected niche baccalaureate degrees” at community colleges in order to satisfy the needs of a wide range of Nevada students while promoting the goals of the Master Plan. However, it is not the intention of the NSHE for community colleges to abandon their community college mission to transform into state colleges. Each proposal must address this issue in both a cultural and organizational context.

2. At an early stage of development, a community college wishing to offer a baccalaureate degree shall discuss the proposal with the Chancellor, primarily in terms of the program's relationship to the NSHE Master Plan and other institutional planning that may be occurring.
3. The Chancellor shall review the initial proposal with the Council of Presidents. At this time or shortly thereafter, the two university Presidents and the state college President shall consider whether one of the four-year institutions wishes to offer the program. If a university or the state college decides to offer this baccalaureate degree to meet the identified need, it shall have one year to bring a proposal forward.
4. After the review and approval has been completed by the Council of Presidents, the sponsoring institution shall prepare a formal written program proposal with supporting data and evidence that responds to criteria established by the Office of the Chancellor. The review of the proposal will follow established NSHE procedures for new program proposals.  
(B/R 1/03)

**Section 8. Review of New Study Abroad Student Programs**

Formal Study Abroad programs, International Programs, affiliations or consortiums that involve students or faculty in another country for educational purposes in which academic credit is granted, shall be submitted to the NSHE Academic Affairs Council for a recommendation to the Chancellor for approval. The Chancellor shall establish procedures for such review.  
(B/R 12/04)

**Section 9. Deletion of Degrees, Majors, Programs, Departments, Schools, Colleges, Centers or Institutes (B/R 10/01)**

1. It is the policy of the Board of Regents that the deletion of any degree, major, program, department, school or college, center, institute or other structural organization must be approved by the Board of Regents if the Board's approval was required for its implementation in accordance with Title 4, Chapter 14, Section 5.
  - a. Proposals for deletions will be forwarded to the Office of Academic and Student Affairs in the Chancellor's Office prior to the Board of Regents' meeting to allow for review by the Academic Affairs Council, which will submit recommendations to the Chancellor for action by the Board of Regents.
  - b. The format for proposed deletions shall be provided by the Vice Chancellor for Academic and Student Affairs.
2. The Board of Regents shall have the power to terminate or delete any degree program, major, department, school, or college, and shall consult with the appropriate President before such termination.  
(B/R 10/01)

## **Section 10. NSHE Policy on Student Assessment**

The Board of Regents requires that an appropriate plan of regular student educational assessment be developed by each institution. Plans should be based upon institutional mission and should be developed with multiple assessment approaches. Among other activities, regular regional accreditation review will provide an overall assessment of the institution. Plans should reflect the mix of programs and types of students. Assessment approaches may vary at each institution; however, the universities, state college, and community colleges should work together to develop common approaches, where appropriate.

The Chancellor's Office, with the institutions, will develop appropriate measures of student persistence and performance, collect and monitor these data on a statewide basis, and make periodic reports to the Board of Regents. (B/R 12/02)

## **Section 11. Distance Education**

The term "distance education" means a formal educational process in which the majority of the instruction occurs when the student and instructor are separated by geographic distance or time. Instruction may be synchronous or asynchronous. Distance education may employ correspondence study, audio, video, or other electronically mediated technologies.

NSHE credit and noncredit courses may be offered through the use of distance education technologies. The following guidelines shall be used to assure academic quality for distance education courses offered for academic credit applicable toward a certificate or degree:

1. In accordance with the appropriate standards for institutional accreditation, the quality of distance education courses must be equal to or exceed that of on-campus courses. Distance education courses are subject to all applicable institutional policies and procedures to ensure quality.
2. Faculty members assigned to distance education courses may be provided with incentives, as deemed appropriate by the institution.
3. Each NSHE institution will be expected to provide appropriate instructional support to ensure quality of its distance education course offerings.
4. Each distance education course shall promote and exhibit current best practices and procedures for distance learning. This involves pedagogy, design, and delivery, including but not limited to adequate provisions for instructor training, instructor-student communication, assessment, and equivalent access to all appropriate student services that are available to on-campus students, including such services as academic advising, counseling, library and other learning resources, tutoring services, and financial aid.

5. Each distance education course must provide the opportunity for timely interaction between the student and the instructor, or a member of the instructional team responsible for the course, regarding the student's progress. This may include (1) an orientation session or sessions at the beginning of the course; (2) periodically scheduled guidance or tutoring sessions during the semester either on an individual basis or in a group setting; and (3) provision for access by the student for advice or consultation with the faculty member. These interactions may occur either as traditional face-to-face sessions or may be assisted through technology.
6. Distance education materials produced outside or within the institution must be evaluated and selected in accordance with standard instructional procedures for course development and instruction.
7. Campus Service Areas:

Geographic service areas are appropriate for interactive video when designating the institution with responsibility for 1.) establishing and maintaining interactive video sites in an area and 2.) coordinating the receipt of programs using interactive video with offering institutions.

Geographic service areas do not apply to web-based instruction. If an agreement is entered into by two or more NSHE institutions for delivery into the host institution's campus service area, these restrictions do not apply.

College of Southern Nevada: Clark, Lincoln, and Esmeralda counties. CSN and GBC serve Nye County.

Great Basin College: Elko, Eureka, Humboldt, Lander and White Pine counties. CSN and GBC serve Nye County.

Truckee Meadows Community College: The greater urban area of Reno-Sparks, and Incline Village.

Western Nevada College: Storey, Carson City, Douglas, Lyon, Churchill, Pershing and Mineral counties and the rural areas of Washoe County, with the exception of Incline Village.

Nevada State College, Henderson: The southern portion of the state including Clark and Lincoln counties. UNLV, NSCH and UNR serve Esmeralda, Nye and White Pine counties. Within Nye and White Pine counties, UNLV, NSCH, and UNR serve Tonopah and Ely, with NSCH and UNLV serving all parts south of a line joining the two cities.

University of Nevada, Las Vegas: The southern portion of the state including Clark and Lincoln counties. UNLV, NSCH and UNR serve Esmeralda, Nye and White Pine counties. Within Nye and White Pine counties, UNLV, NSCH, and UNR serve Tonopah and Ely, with UNLV and NSCH serving all parts south of a line joining the two cities.

University of Nevada, Reno: The northern portion of the state including Washoe, Douglas, Carson City, Storey, Lyon, Humboldt, Pershing, Churchill, Mineral, Elko, Lander, Eureka. UNLV, NSCH and UNR serve Esmeralda, Nye and White Pine counties. Within Nye and White Pine counties, UNLV, NSCH, and UNR serve Tonopah and Ely, with UNR serving all parts north of a line joining the two cities.

8. The institution offering a distance education course will receive the student FTE's enrolled in the course. If the course incurs costs to partner institutions (*e.g., marketing, registration, technology support*), a "sharing protocol" should be completed prior to the course being offered to identify costs that must be reimbursed among parties.
9. Each campus will establish a protocol for determining costs or services to be paid by each partner when courses or programs are shared among institutions. The protocol will include, but not be limited to, sharing of special student fees, payment of facilitators and other services, responsibilities for marketing the course and recruiting students, advising, and other support. The protocol will be updated regularly.
10. Distance education courses will be developed in accordance with the following principles:
  - a. Address state needs;
  - b. Operate programs collaboratively and share resources, if appropriate;
  - c. Base program decisions on documented student or citizen need;
  - d. Work with constituent groups (*e.g., K-12 school districts, employers, industry representatives*) to identify and prioritize the most pressing educational needs;
  - e. Use a combination of technologies, as appropriate to support curricular needs and student learning styles;
  - f. Ensure that academic plans influence the expansion of the technical infrastructure;
  - g. Provide essential support services to students;
  - h. Build institutional and system capacity to address more needs through distance learning;
  - i. Be accountable to the Legislature and the public for their use of state resources and the quality and appropriateness of their services; and
  - j. Partner with or broker programs from out-of-state institutions, where appropriate.
11. Each campus may develop policies and procedures for the approval of distance education courses and programs.
12. When institutional funds are used to purchase distance education equipment, that equipment is owned by the institution. Institutions accepting ownership of distance education equipment also accept responsibility for maintenance and service of that equipment.

When distance education equipment owned by an institution is located at a non-NSHE site or such equipment is shared with non-NSHE institutions, a Memorandum of Understanding (*MOU*) shall be completed. The *MOU* will clearly specify the responsibilities of each party and what level of funding each party provides to support the equipment and related charges.
13. When distance education equipment is purchased by System Computing Services (SCS) for the support of NSHE institutions, the ownership of that equipment shall be retained by SCS, in addition to the responsibility for the maintenance, servicing, and operation of that equipment.
14. Oversight of scheduling and switching of interactive video is the responsibility of SCS. SCS will work with institutional representatives, particularly in regards to installation, connectivity, and transmission.

(B/R 11/07)

## **Section 12. NSHE Articulation Board**

A NSHE Articulation Board may be established as needed to review and evaluate current articulation policies and formulate additional policies. The Articulation Board shall report to the Chancellor and shall be appointed in conformity with Section 1.4.11 of the Nevada System of Higher Education Code.

The charge of the Board shall be set by the Chancellor but may include the following tasks:

1. Recommend to the Chancellor and the Board of Regents proposed policies in articulation and conduct a continuing review of articulation practices.
2. Authorize committees or task forces consisting of representatives from all levels of higher education to facilitate articulation in subject areas.
3. Provide for cooperative research among the community colleges, the state college, and the universities in such areas as admissions, grading practices, curriculum design, and follow-up on transfer students.
4. Develop procedures to improve community college-state college-university articulation by exploring such issues as academic record forms, general education requirements, units of credit, course numbering systems, grading systems, academic calendars, and credit-by-examination.
5. Encourage regular communication between and among university, state college, and community college faculty members, particularly on joint curriculum projects. (B/R 12/02)

## **Section 13. NSHE Transfer and Admissions**

Transfer students to the state college and universities may be admitted under the following alternatives:

### **1. Associate of Arts, Associate of Science, and Associate of Business Degree Graduates**

The primary basis for admission to upper-division study with full junior status of transfer students from an NSHE community college to any other NSHE institution shall be the associate of arts, associate of science, and the associate of business degrees.

- a. The completion of the associate of arts, associate of science, and associate of business degree at a community college automatically fulfills the lower-division general education requirements at any other NSHE institution.
- b. Associate of arts, associate of science, and associate of business graduates will have completed a minimum of 60 credits of baccalaureate level courses.
- c. Baccalaureate students who have completed NSHE associate of arts, associate of science, or associate of business degree shall complete a minimum number of credits at the accepting NSHE institution. This minimum number shall be set by the baccalaureate degree granting institution.

- d. Baccalaureate level courses included as part of the associate of arts, associate of science, or associate of business degree will transfer to any other NSHE institution at a minimum as general elective credit.
- e. Completion of the associate of arts, associate of science, or the associate of business degree does not guarantee satisfaction of all state college or university lower-division requirements except for the lower-division general education requirements. All baccalaureate academic majors at a university or college must have current major-to-major agreements with NSHE community colleges. These agreements must provide clear information for community college students as to those courses that will transfer efficiently to another NSHE institution within each major. Information on these agreements must be available to all students on each campus.
- f. The receiving institution will evaluate all university and college parallel courses attempted at the community college (and any other educational institution attended) and compute an overall admission grade point average in accordance with the institution's transfer policies.
- g. For associate of arts, associate of science, and associate of business graduates, if the overall transfer grade point average computed by the receiving institution is less than a 2.0 grade point average, the student shall be placed on probationary status until such grade point deficiencies are corrected.

## 2. Other Associate Degrees

Other associate degrees and certificates may be awarded by a community college for programs that have requirements different from the associate of arts, associate of science, associate of business, or a primary objective of transfer. A student with an associate degree other than an associate of arts, associate of science, or associate of business is not guaranteed junior status at a receiving institution.

## 3. Associate of Applied Science and Bachelor of Applied Science Degrees

The Bachelor of Applied Science degree is a four-year occupationally specific degree that is intended to respond to the needs of the workforce. A student with an associate of applied science in a program approved by the Board of Regents seeking a Bachelor of Applied Science degree is guaranteed junior status upon transfer to another applicable NSHE institution.

## 4. Non-Associate Degree Admissions

- a. Approved baccalaureate level courses shall be transferable to another NSHE institution at a minimum as general elective credit.
- b. Community college students should be strongly encouraged to complete their lower-division programs and an associate degree before transfer, but qualified students may apply for transfer at their own discretion.

- c. An applicant who does not satisfy university admission requirements upon graduation from high school must complete the equivalent of 24 semester credits in baccalaureate level courses with an overall grade point average of at least 2.30 at a community college or other accredited institution to qualify for university admission. Effective Fall 2008, the minimum required overall grade point average is 2.50.
- d. An applicant who does not satisfy state college admission requirements upon graduation from high school must complete the equivalent of 12 semester credits in baccalaureate level courses with an overall grade point average of at least 2.00 at a community college or other accredited institution to qualify for state college admission.
- e. A course with a "D-" grade or better will be accepted for transfer provided the institution specific overall grade point average established in subsections c. and d. above is maintained. Transfer courses with a "D-" grade or better will count towards a bachelor's degree in the same manner as "D-" grades or better obtained by students enrolled in the lower-division at a state college or university. Credits from courses transferred with a "D-" grade or better count towards credit earned for a baccalaureate; however, it is at the discretion of the department or college offering the major as to whether courses with "D-" grades in the major satisfy requirements in the major field.

(B/R 6/08)

#### **Section 14. Course Numbering**

1. All undergraduate courses in the NSHE must be common course numbered with equivalent courses offered throughout the System. To be assigned a new and unique course number at least 20 percent of the proposed course content must be unique and not found in a current or pending course within the NSHE.

Any additions or changes to undergraduate course prefixes, numbers, titles, and/or credits must follow the procedures established by the Vice Chancellor of Academic and Student Affairs and may not be included in class schedules or catalogs until written approval is received from the Department of Academic and Student Affairs.

2. An NSHE transfer guide or common course numbering master file shall be maintained by the Office of the Chancellor and published on the Web.
3. Each NSHE institution shall list and update the requirements for each program leading to the bachelor's degree and publicize these requirements for use by all other institutions in the state.
4. Each NSHE institution shall include in its official catalog of undergraduate courses a section stating all lower-division prerequisites for each upper-division specialization or major program.
5. A system-wide course numbering rubric for all institutions shall be maintained so that baccalaureate transfer courses are clearly identified for student reference prior to registration under the following general course numbering parameters:

- |                                   |         |
|-----------------------------------|---------|
| a. Remedial/developmental courses | 001-099 |
| b. Lower-division courses         | 100-299 |
| c. Upper-division courses         | 300-499 |
| d. State college graduate courses | 500-699 |
| e. University graduate courses    | 500-799 |
6. Course selection for students who plan to seek a baccalaureate degree at another NSHE institution shall be based on degree requirements published pursuant to subsection 3 and the governing course catalog of the institution.
  7. Community colleges may utilize a B suffix for course numbers to alert students that the course may be non-transferable for a NSHE baccalaureate degree.
  8. Within the college's information system, non-transferable courses and courses that are transferable for a bachelor's of applied science degree only must be appropriately identified for students and advisors during the registration process.
- (B/R 9/09)

**Section 15. Transfer Courses**

1. A transfer course is one that is acceptable by a receiving NSHE institution to apply toward an approved degree program at that institution.
2. All baccalaureate level courses are transferable. In general, a baccalaureate level course is one that is commonly offered by a regionally accredited four-year educational institution as being applicable toward a bachelor's degree. Some courses within an AAS degree may be applicable only toward a BAS degree if that degree is offered by the receiving institution.
3. In order to be sure that all students who start at the community college have the opportunity to complete the baccalaureate degree in the same number of credits as those who start at a university or college, if lower division courses required in the major are not offered by the community college, the university or college shall either offer the courses at the community college or offer a reverse transfer agreement with the community college. If on a case-by-case basis, specific baccalaureate degrees appear unable to be articulated by either method, the NSHE Department of Academic and Student Affairs office shall resolve the impasse.
4. Each institution shall determine the acceptability of general elective transfer courses, and departmental, college, or other requirements or equivalents shall be forwarded to the appropriate department or college for course evaluation. If general elective credit from a non-NSHE institution is granted by one NSHE institution, then all NSHE institutions shall accept the credit unless the facts on which the original decision was based have changed. Appropriate consultation with the faculty is encouraged throughout the evaluation process.

5. A receiving institution shall not require a transfer student to take examinations to validate credit in those courses that are approved as transferable.
6. Application of credits toward major or college requirements is the responsibility of the college and department in which the student is seeking a degree. Validation of course content may be required when lower-division courses are used to satisfy upper-division curricular requirements.
7. Pursuant to Nevada Revised Statutes 396.568, an NSHE institution shall not require a student to repeat a course on transfer to a university or state college if an equivalent course was taken and successfully completed at any other NSHE institution, except for programs that have defined a time limit for completion.
8. Each NSHE institution will create a brochure and Web site that outlines the transfer process and the protections given to baccalaureate degree-seeking students who enter the NSHE at a community college. Designed for students, parents, faculty, and legislators, these resources must include an explanation of the transfer process and a transfer student's "Bill of Rights." Telephone numbers regarding where a student can find assistance must be provided by each campus.

(B/R 2/09)

#### **Section 16. System Core Requirements**

1. Associate of arts, associate of science, associate of business, and baccalaureate graduates must complete a program of System Core requirements defined as follows:

<u>Core Courses</u>	<u>Credits</u>	
English	6 cr.	Freshman level English Composition (see catalog for exceptions)
Mathematics	3 cr.	Three credits of a lower division level course
Natural Science	3 cr.	Three credits of an introductory level lower division course
Social Sciences or Humanities	3 cr.	Three credits of an introductory level lower division course in either the social sciences or humanities.
United States and Nevada Constitutions	1-4 cr.	Institutional course catalogs shall identify courses that meet this requirement

2. Courses taken toward the System Core shall not be applied to more than one area in the Core. Credits earned by examination may apply toward any of the Core requirements.
3. Students earning a second associate of arts, associate of science, associate of business, or baccalaureate degree from an NSHE institution are not required to repeat the System Core.

Evidence of completion of U.S. and Nevada Constitutions is required of all second-degree students whose first degree is not from an NSHE institution.

4. NSHE institutions are encouraged to exchange ideas in the development and improvement of NSHE requirements; however, each institution is responsible for determining the character of its own program.
5. NSHE community colleges must articulate their respective general education core requirements with at least one of the NSHE universities selected by the community college. (B/R 8/06)

#### **Section 17. Community College Course Prefixes**

1. It is the intent of the Board of Regents that all community college transfer courses follow a statewide system of course designation. Although not encouraged, exceptions to this policy are permitted. Any exceptions must be reported to the Vice Chancellor for Academic and Student Affairs for information. (B/R 12/02)
2. Letter designators indicating the transfer value of a course shall continue to be used by the System in course schedules, catalogs, transfer guides, and official student transcripts, with the exception of the B designator, which shall not be required to appear on official student transcripts. (B/R 12/06)

#### **Section 18. Curriculum Planning**

1. Community college students should be encouraged (*by counselors and academic advisors*) to choose as early as possible the institution and program into which they expect to transfer. This is essential in order to plan programs, which include all lower division requirements of a university or state college. (B/R 12/02)
2. To increase communication among all institutions, each Articulation Coordinator or representative will be invited to participate in appropriate curricular meetings at other regional campuses. This will ensure all campuses are aware of current or pending changes in university, state college, and community college curricula. (B/R 12/02)
3. Credit completed within the Nevada System of Higher Education does not constitute an interruption of the resident credit regulation in satisfying the minimum on-campus resident credit requirements for graduation.
4. Choice of Catalog to Satisfy Graduation Requirements for NSHE Transfer Students:
  - a. A student enrolled at a NSHE institution may elect to graduate under the catalog of the year of enrollment in a baccalaureate level program or the year of graduation.
  - b. Students who officially change their major with the registrar's office may choose the catalog of the year of the latest change of major or the year of graduation.
  - c. Whichever catalog is used, it cannot be more than ten years old at the time of graduation with a baccalaureate degree. (B/R 11/07)

- d. In the case of NSHE transfer students, any exceptions to this policy will be handled by the Transfer Center and the transfer agreement contract process. To be guaranteed the catalog of choice upon transfer, a student must have an approved transfer agreement with the university or the state college. (B/R 11/07)
- e. NSHE institutions do not guarantee the awarding of a degree based upon the unchanged requirements of a particular catalog. Periodic revisions of degree requirements are made because of advances in knowledge, changes in occupational qualifications or the expectations of accrediting authorities. If such revisions have occurred, the institution may require a reasonable adherence to the degree requirements of a recent or current catalog. Institutional catalogs do not constitute contractual agreements or commitments.

(B/R 3/94)

### **Section 19. Credit by Examination**

1. The following examinations are permissible for determining credit for prior learning:
  - a. College Board Advanced Placement Examination (CBAPE);
  - b. College-Level Examination Program (CLEP);
  - c. Excelsior College Exam;
  - d. National League for Nursing Placement Examination (NLN), Profile II;
  - e. National Occupation Trades and Industry Examination (NOCTI);
  - f. International Baccalaureate (IB);
  - g. Dantes Subject Standardized Tests (DSST);
  - h. ACE Military Credit;
  - i. ACE Corporate Credit; and
  - j. Special examinations administered by an academic department.
2. Each institution shall establish procedures for administering and accepting credit by examination that must be outlined in the course catalog.
3. The maximum number of credits that may be earned by examination to apply toward a degree may not exceed one half of the minimum number of credits required for that degree.
4. Other national testing organizations may be considered for the awarding of credit subject to institutional procedures.
5. Special Department Examinations: An admitted student in good standing may earn credits by a special department examination subject to institutional procedures.
6. The posting of satisfactorily completed credit by examinations to the student's permanent academic record shall clearly identify that the credit was earned by examination, name of the testing program, date of the examination, number of credits, and a grade of S (*satisfactory*) or P (*pass*).
7. Credit earned by examination does not apply toward satisfying the minimum on-campus resident credit requirement of the institution from which graduation is sought and does not constitute an interruption of the resident credit requirement.

(B/R 9/09)

## **Section 20. Concurrent Registration**

Nevada System of Higher Education policy permits students to register concurrently in courses at the various institutions subject to these regulations:

1. Each student who plans a concurrent registration is personally responsible for obtaining the advanced written approval of the assigned faculty advisor or counselor at the home institution to assure the course(s) are applicable toward satisfying degree requirements.
2. The maximum combined concurrent registration load in any one semester is determined by the advisor and the dean of the college (*or equivalent*) of the student's home institution offering the degree or program.

## **Section 21. Advising, Counseling, and Other Student Services**

1. Counselors and advisors should assist students in evaluating academic progress and the appropriateness of their educational objectives. Each institution shall provide current information on a continuing basis in each of the following areas: admission requirements, general education requirements, transfer status of courses, major and minor fields of study, lower- and upper-division levels of study, upper-division standing, and graduation requirements. (B/R 12/02)
2. Counselors and academic advisors should be well informed about student services available at the state college and universities serving their transfers. Such services include financial assistance (*loans, scholarships, and employment*), housing, counseling and guidance, developmental or basic skills programs, health services, and student activities. (B/R 12/02)
3. Each campus shall designate an office responsible for community college relations, state college relations, or university relations to assist the students with problems in transfer, to provide current information on the transferability of courses and articulation issues, and to act as ombudsman where needed in student cases. (B/R 12/02)
4. Articulation Coordinators
  - a. Each university, state college, and community college President will designate an Articulation Coordinator who will be responsible for expediting transfer decisions. The Coordinator should have a comprehensive knowledge of the issues and policies related to articulation and transfer. (B/R 12/02)
  - b. Coordinators at the universities and state college will work with deans and department chairs as well as regional community colleges to ensure a timely articulation decision on any course submitted for transfer status by the community colleges. (B/R 12/02)
  - c. In compliance with Board of Regents' policy Title 4, Chapter 14, Section 15, which states that "If general elective credit is granted by one university, then all institutions shall accept the credit," it will be the responsibility of the University Articulation Coordinator to notify the Chancellor's Office and his/her counterpart at the other institution concerning any decisions or changes made to such courses.

(B/R 5/92)

**Section 22. Enrollment Reporting**

The Chancellor's Office shall establish procedures concerning the reporting of institutional enrollments. (B/R 12/04)

**Section 23. NSHE Policy on Instructional Materials**

Textbook selection is the responsibility of faculty. Textbooks should contain current, relevant information for the course, as well as appropriate assignments and supplementary material when applicable. Textbooks should help faculty accomplish the educational objectives of a course. Faculty should exercise their expertise and professional judgment when selecting textbooks, and carefully consider the academic, professional, and ethical implications of criteria used in textbook selections.

To that end, each NSHE institution shall develop an approved statement of professional and ethical guidelines relative to the selection of textbooks or other instructional materials. Such guidelines shall address relationships with publishers or other providers, selection of one's authored text for instructional use, and shall address the desirability of minimizing costs to students when this can be accomplished without compromising academic standards and academic freedom. (B/R 6/04)

Residence results from the union of a person's physical presence in the location with objective evidence of an intent to remain at that location for other than a temporary purpose.
16. "Resident" means a person who has established a bona fide residence in the State of Nevada with the intent of making Nevada the person's true, fixed and permanent home and place of habitation, having clearly abandoned any former residence and having no intent to make any other location outside of Nevada the person's home and habitation. The term also includes a member of the Armed Forces of the United States who has previously established a bona fide residence in the State of Nevada, but who has been transferred to a military posting outside of Nevada while continuing to maintain a bona fide residence in Nevada. When residence for a particular period is required under these regulations, this shall mean that the person claiming residence for the period must be physically present and residing in Nevada during all of the period required, excluding temporary, short-term absences for business or pleasure.
17. "Returning student" means a student who re-enrolls after a break in enrollment of one of more semesters.

(B/R 12/09)

### **Section 3. Tuition**

1. Tuition shall not be charged to current enrollees or graduates of a Nevada high school.
2. Tuition shall not be charged to returning students who had established an exemption from tuition charges at any NSHE institution in their prior enrollment period.
3. Tuition shall be charged to nonresident students, except that at the community colleges no tuition shall be charged for registration in community service courses that are not state funded.
4. Tuition shall not be charged to a professional employee, classified employee, postdoctoral fellow, resident physician, or resident dentist of the Nevada System of Higher Education currently employed at least half time, or the spouse or dependent child of such an employee.
5. Tuition shall not be charged to a graduate student enrolled in the Nevada System of Higher Education and employed by the System in support of its instructional or research programs, only during the period of time of such employment.
6. Tuition shall not be charged to graduate fellows.
7. Tuition shall not be charged to a member of the Armed Forces of the United States, on active duty, stationed in Nevada as a result of a permanent change of duty station pursuant to military orders, or a person whose spouse, parent or legal guardian is a member of the Armed Forces of the United States stationed in Nevada as a result of a permanent change of duty station pursuant to military orders, including a Marine currently stationed at the Marine Corps Mountain Warfare Training Center at Pickle Meadows, California. If the member ceases to be stationed in Nevada, reside in Nevada, be stationed in Pickle Meadows, California, or be domiciled in Nevada, the spouse, child or legal guardian of the member shall not be charged tuition if the spouse, child or legal guardian of the member was enrolled prior to the reassignment and remains continuously enrolled at an NSHE institution.
8. Tuition shall not be charged to a veteran of the Armed Forces of the United States who was honorably discharged and who on the date of discharge was on active duty stationed in Nevada, including a marine stationed at the Marine Corps Mountain Warfare Training Center at Pickle Meadows, California, pursuant to military orders.
9. Tuition shall not be charged to a student enrolled in the University Studies Abroad Consortium or in the National Student Exchange Program, only during the period of time of such enrollment. Time spent in Nevada while a student is in the National Student Exchange Program shall not be counted towards satisfying the residence requirement of Section 4, Paragraph 2 below, nor shall enrollment through the Consortium or the Exchange Program be included in the "date of matriculation" for evaluation of Nevada residency.
10. Tuition shall not be charged to members of federally recognized Native American tribes, who do not otherwise qualify as Nevada residents, and who currently reside on tribal lands located wholly or partially within the boundaries of the State of Nevada.

(B/R 12/09)

#### **Section 4. Resident Students**

As supported by clear and convincing evidence, any person to whom one of the following categories applies shall be deemed a resident student for tuition purposes:

1. Except as provided otherwise in this section, a dependent person whose spouse, family or legal guardian is a bona fide resident of the State of Nevada for at least twelve (12) months immediately prior to the date of matriculation. Some or all of the following pieces of objective evidence of Nevada residency may be required with the student's application for enrollment: (B/R 12/05)
  - a. Evidence of Nevada as the spouse's, parents' or legal guardian's permanent, primary residence at the date of matriculation (examples of evidence include home ownership, a lease agreement, rent receipts, utility bills).
  - b. The student's birth certificate or proof of legal guardianship.
  - c. The spouse's, parents' or legal guardian's tax return for the most recent tax year, which indicates the student claimed as a dependent.
  - d. A Nevada driver's license or Nevada identification card for the spouse, parent or legal guardian issued prior to the date of matriculation.
  - e. A Nevada vehicle registration for the spouse, parent or legal guardian issued prior to the date of matriculation.
  - f. Nevada voter registration for the spouse, parent or legal guardian issued prior to the date of matriculation.
  - g. Evidence that the student's spouse, family, or legal guardian has relocated to Nevada for the primary purpose of permanent full-time employment or to establish a business in Nevada (examples of evidence include a letter from the employer or copy of business license).
2. Except as provided otherwise in this section, a financially independent person whose family resides outside the State of Nevada, if the person himself or herself is a bona fide resident of the State of Nevada for at least twelve (12) months immediately prior to the date of matriculation. Each student who is a resident of the State of Nevada for at least six (6) months but less than twelve (12) months before the date of matriculation for Fall 2005 shall be deemed a bona fide resident. Some or all of the following pieces of objective evidence of Nevada residency may be required with the student's application for enrollment: (B/R 6/05)
  - a. Evidence of twelve months physical, continuous presence in the State of Nevada prior to the date of matriculation (*examples of evidence include a lease agreement, rent receipts, utility bills*). (B/R 6/05)

- b. The student's tax return for the most recent tax year, indicating a Nevada address. If no federal tax return has been filed by the student because of minimal or no taxable income, documented information concerning the receipt of such nontaxable income. If the student is under the age of 24, a copy of the parent's or legal guardian's tax return for the most recent tax year that indicates the student was not claimed as a dependent.
  - c. The student's Nevada driver's license or Nevada identification card issued prior to the date of matriculation.
  - d. The student's Nevada vehicle registration issued prior to the date of matriculation.
  - e. The student's Nevada voter registration issued prior to the date of matriculation.
  - f. Evidence that the student, and/or the person's spouse, has relocated to Nevada for the primary purpose of permanent full-time employment or to establish a business in Nevada (*examples of evidence include a letter from the employer or copy of business license*).
- 3 A former member of the Armed Forces of the United States who was relocated from Nevada as a result of a permanent change of duty station pursuant to military orders will be considered a Nevada resident for tuition purposes under the following conditions:
- a. He/She was a resident of Nevada prior to leaving the state as a member of the Armed Forces;
  - b. He/She maintained his/her Nevada residency while a member of the Armed Forces; and
  - c. He/She returns to the State of Nevada within one year of leaving the Armed Forces.

It will be necessary for the student to supply documentation in support of each of these conditions (*e.g., driver's license, property ownership, evidence of absentee voting, etc.*)

- 4. A graduate of a Nevada high school (B/R 8/06)
- 5. A financially independent person who has relocated to Nevada for the primary purpose of permanent full-time employment. (B/R 6/05)
- 6. A financially dependent person whose spouse, family, or legal guardian has relocated to Nevada for the primary purpose of permanent full-time employment. (B/R 12/05)
- 7. Licensed educational personnel employed full-time by a public school district in the State of Nevada, or the spouse or dependent child of such an employee. (B/R 11/96)
- 8. A teacher who is currently employed full-time by a private elementary, secondary or postsecondary educational institution whose curricula meet the requirements of NRS 394.130, or the spouse or dependent child of such an employee. (B/R 11/96)

9. An alien who has become a Nevada resident by establishing bona fide residence in Nevada and who holds a permanent immigrant visa, or has been granted official asylum or refugee status, or has been issued a temporary resident alien card, or holds an approved immigration petition as a result of marriage to a U.S. citizen. An alien holding another type of visa shall not be classified as a resident student, except as may be required by federal law or court decisions and upon due consideration of evidence of Nevada residence.

(B/R 6/05)

**Section 5. Admission to Medical School**

An applicant for admission to the University of Nevada School of Medicine who has been a resident of Nevada for at least twelve (12) months immediately prior to the last day for filing an application for admission to the School (*November 1 of each year*) shall be classified as a resident of Nevada for the purposes of being considered for admission to the University of Nevada School of Medicine. (B/R 5/95)

**Section 6. Admission to William S. Boyd School of Law**

An applicant for admission to the William S. Boyd School of Law at UNLV who has been a resident of Nevada for at least twelve (12) months immediately prior to the last day for filing an application for admission to the School shall be classified as a resident of Nevada for the purposes of being considered for admission to the William S. Boyd School of Law at UNLV. (B/R 9/97)

**Section 7. Admission to UNLV School of Dental Medicine**

An applicant for admission to the School of Dental Medicine at UNLV who has been a resident of Nevada for at least twelve (12) months immediately prior to the last day of filing an application for admission to the School (*March 1<sup>st</sup> of each year*) shall be classified as a resident of Nevada for the purpose of being considered for admission to the School of Dental Medicine at UNLV. (B/R 8/01)

**Section 8. Reclassification of Nonresident Status**

There is a rebuttable presumption that a nonresident attending an institution of the Nevada System of Higher Education is in the State of Nevada for the primary or sole purpose of obtaining an education. Therefore, a nonresident who enrolls in an institution of the System shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates that his or her previous residence has been abandoned and that the student is a Nevada resident. Each student seeking reclassification from nonresident to resident student status must satisfy the following four conditions:

## 1. Application and Written Declaration

The student must apply in writing to the appropriate Records Office of the institution for reclassification to resident student status. The application must include a written declaration of intent to relinquish residence in any other state and to certify to the establishment of bona fide residence in Nevada. A declaration form prescribed by the Chancellor and approved by the Board shall be utilized by each institution. The filing of a false declaration will result in the payment of nonresident tuition for the period of time the student was enrolled as a resident student and may also lead to disciplinary sanctions under Chapter Six of the Nevada System of Higher Education Code. Disciplinary sanctions include a warning, reprimand, probation, suspension or expulsion.

(B/R 02/05)

## 2. Bona fide Residence in Nevada

The student, or the parents or legal guardian of the student, must document continuous physical presence as a Nevada resident for at least twelve (12) months immediately prior to the date of the application for reclassification. No fewer than four (4) of the following pieces of objective evidence must be submitted with the application for reclassification:

- a. Ownership of a home in Nevada.
- b. Lease of living quarters in Nevada.
- c. Mortgage or rent receipts and utility receipts for the home or leased quarters.
- d. Nevada driver's license or Nevada identification card issued twelve (12) months prior to the date of application.
- e. Nevada vehicle registration issued twelve (12) months prior to the date of application.
- f. Nevada voter registration issued twelve (12) months prior to the date of application.

## 3. Financial Independence

The student must provide evidence of financial independence. A dependent person whose family or legal guardian is a nonresident is not eligible for reclassification to resident student status. The following piece of objective evidence must be submitted with the application for reclassification:

- a. A true and correct copy of the student's federal income tax return for the most recent tax year showing a Nevada address. If no federal tax return has been filed because of minimal or no taxable income, documented information concerning the receipt of such nontaxable income must be submitted. If the student is under the age of 24, a copy of the parent's or legal guardian's tax return for the most recent tax year must be submitted that indicates the student was not claimed as a dependent.

## 4. Intent to Remain in Nevada

The student must present clear and convincing, objective evidence of intent to remain a Nevada resident. No fewer than three (3) of the following pieces of objective evidence must be submitted with the application for reclassification:

- a. Employment in Nevada for twelve (12) months immediately prior to the date of the application for reclassification;

- b. A license for conducting a business in Nevada;
  - c. Admission to a licensed practicing profession in Nevada;
  - d. Registration or payment of taxes or fees on a home, vehicle, mobile home, travel trailer, boat or any other item of personal property owned or used by the person for which state registration or payment of a state tax or fee is required for the twelve (12) month period immediately prior to the date of the application;
  - e. A Nevada address listed on selective service registration;
  - f. Evidence of active savings and checking accounts in Nevada financial institutions for at least twelve (12) months immediately prior to the date of the application;
  - g. Evidence of summer term enrollment at a NSHE institution;
  - h. Voting or registering to vote in Nevada; or
  - i. Any other evidence that objectively documents intent to abandon residence in any other state and to establish a Nevada residence.
5. The presentation by a person of one or more items of evidence as indicia of residence is not conclusive on the issue of residency. Determinations of residence shall be made on a case-by-case basis and the evidence presented shall be given the weight and sufficiency it deserves, after taking all available evidence into consideration.
6. Because residence in a neighboring state other than Nevada is a continuing qualification for enrollment in the Good Neighbor, Children of Alumni, or WICHE Western Undergraduate Exchange Programs at a NSHE institution, a student who was initially enrolled in a System institution under any of these discounted tuition programs shall not normally be reclassified as a resident student following matriculation. A nonresident student who subsequently disenrolls from the Good Neighbor, Children of Alumni, or WICHE Western Undergraduate Exchange Programs and pays full nonresident tuition for at least twelve (12) months may apply for reclassification to resident student status. An application for reclassification may also be submitted under the provisions of this section if the material facts of a student's residency, or the parents' or legal guardian's residency, have substantially changed following matriculation.
7. When a student has been reclassified to resident student status, the reclassification shall become effective at the registration period in the System institution immediately following the date the student receives notice of the reclassification decision.
8. No reclassification under these regulations shall give rise to any claim for refund of tuition already paid to the Nevada System of Higher Education.

(B/R 8/04)

## **Section 9. Administration of the Regulations**

Each institution of the Nevada System of Higher Education shall designate an appropriate office to implement and administer these regulations.

1. Each designated office shall make the initial decisions on the resident or nonresident student status of persons enrolling in the institution.
2. Each designated office shall make the initial decisions on applications for reclassification from nonresident to resident student status.
3. The President of each System institution shall establish an appellate procedure under which a person may appeal decisions of the designated office concerning tuition or status as a resident or nonresident student to an appellate board.
  - a. A person may appeal a decision of the designated office to the appellate board within thirty (30) days from the date of the decision of the office. If an appeal is not taken within that time, the decision of the designated office shall be final.
  - b. The appellate board shall consider the evidence in accordance with the standards and criteria of these regulations and shall make a decision that shall be final. No further appeal beyond the appellate board shall be permitted.
4. In exceptional cases, where the application of these regulations works an injustice to an individual who technically does not qualify as a resident student, but whose status, either because of the residence of the student or his family, is such as to fall within the general intent of these regulations, then the appellate board shall have the authority to determine that such a student be classified as a resident student. It is the intent of this provision that it applies only in the infrequent, exceptional cases where a strict application of these regulations results, in the sole judgment of the appellate board, in an obvious injustice.  
(B/R 8/04)

## **Section 10. Uniformity of Decisions**

The decision of an institution of the Nevada System of Higher Education to grant resident student or nonresident student status to a person shall be honored at other System institutions, unless a person obtained resident student status under false pretenses or the facts existing at the time resident student status was granted have significantly changed. Students granted nonresident student status by an institution retain the right to apply for reclassification under the provisions of the chapter.

## **Section 1. NSHE Remedial Policy**

The remedial policies of the Nevada System of Higher Education are intended to ensure a foundation of knowledge and competencies that will assist students in successfully pursuing and attaining an academic degree. Students are strongly encouraged to prepare for the rigors of higher education prior to entering the NSHE.

1. Pursuant to federal regulations, institutions may make ability-to-benefit determinations using federally approved tests and passing scores to receive federal student aid. 2. Placement testing should take place prior to matriculation. Additionally, English and mathematics testing must take place no more than two years prior to matriculation.
3. All degree-seeking students who place into developmental/remedial coursework must take the prescribed sequence of courses until remediation is completed. Students requiring remediation must complete all required coursework prior to completion of 30 college-level credits unless otherwise authorized by the institution.

3. Auditor: A student who wishes to enroll for no credit may register as an "auditor" with the approval of the department offering the course.  
(B/R 1/07)

**Section 35. State College Classification of Students**

Undergraduate state college students shall be classified by the number of credit hours earned as follows:

<u>Classification</u>	<u>Credit Hours Earned</u>

Sophomore or second year	30-59
Junior	60-89
Senior	90 or more

### **Section 36. State College Grades and Examinations**

1. The state college shall establish grading policies within the general grading parameters established by the NSHE Grading Policy, Title 4, Chapter 16.
2. Grade Point Average - Grade point average calculations shall be institution specific and will not include grade points earned from transferred courses. A student's average shall be determined by multiplying the grade point value (established in the NSHE Grading Policy) for each completed course by the number of credit hours for the course, excluding courses in which the NSHE grading policy does not assign a grade point value, the sum of which for all courses taken will be the total number of points earned, and dividing the total number of points earned by the total number of semester credit hours attempted, excluding credits earned from courses transferred from other institutions or courses in which a grade point value cannot be assigned.
3. Repeat - A state college student may repeat any course taken at a university pursuant to the repeat policies established by the institution. The state college shall develop policies and procedures concerning the repeat and retake of courses and must publish such in the course catalog.
4. Academic Progress - Satisfactory academic progress for the purposes of academic standing and progress toward a degree shall be defined by the state college. Criteria for defining satisfactory academic progress must include, but are not limited to, grade point average and number of credit hours earned.

(B/R 1/07)

### **Section 37. State College Requirements for Graduation**

1. A student enrolled at the state college may elect to graduate under the catalog of the year of enrollment in a baccalaureate-level program or the year of graduation. However, college core curriculum requirements for graduation are determined by the year of admission to the college as a regular degree-seeking student.
2. A state college student who changes his or her major must choose the catalog of the year of the latest change of major or the year of graduation.
3. The catalog selected for the purpose of state college graduation may not be more than 10 years old at the time of graduation.
4. Exceptions to this policy may be made on a case-by-case basis for NSHE transfer students as determined by the appropriately designated state college official.
5. In order to graduate students are required to have a minimum cumulative grade point average of 2.0, including all postsecondary course work attempted.
6. Candidates for a bachelor's degree at the state college must complete at least 32 upper-division credits in residence as defined by the institution.

(B/R 1/07)

## **Section 1. Assessment of Fees**

1. The Board of Regents shall establish tuition rates for students who are not residents of Nevada, and registration and other fees to be assessed all students. In establishing such rates and fees, the Board recognizes that both the students of the NSHE institutions and the citizens of the State of Nevada share in the benefits of higher education, and therefore, both students and the state should contribute appropriately to support high quality instructional programs. Further, the Board reaffirms its commitment to equal access to NSHE programs regardless of a student's financial circumstances, and therefore, shall establish tuition rates and fees at such level to encourage participation in higher education. (B/R 10/92)
2. On a biennial basis in the Spring of every even-numbered year, the Chancellor will appoint and chair a System committee composed of elected student government representatives, campus Presidents, and System Administration staff to gather and review data and to make recommendations to the Chancellor and the Board on an appropriate level of tuition and fees. The Committee will present its recommendations to the Board of Regents for its consideration and action. Whenever practicable: (1.) broad input will be sought from NSHE students by the Chancellor prior to any final or binding decisions by the Board; and (2.) the final decision on tuition and fees for the biennium will be determined by May 1 of every even-numbered year. (B/R 3/04)

In recommending such rates and fees for the universities, state college, and community colleges, the Committee will use as a benchmark the median of tuition and fees for the western states as reported by the Western Interstate Commission on Higher Education (WICHE) in its annual publication "Tuition and Fees in the West." The following methodologies will establish the minimum tuition and fees after a phase-in period that began in academic year 2003-04 and will continue incrementally until the target rates are met. (B/R 3/04)

- a. Registration fees will be set so that the charge for full-time attendance (30 credits for undergraduate enrollment and 16 credits for graduate enrollment) is equivalent to the median of state averages published annually by WICHE for two-year and four-year colleges, respectively, using a three-year lag. Because WICHE does not differentially distinguish tuition and fees for upper-division courses at two-year colleges or for state colleges, the registration fees for these categories in the NSHE will be set at the midpoint between lower-division fees for community colleges and undergraduate-level fees at the universities. Registration fees for graduate level courses at the state college will be set at the midpoint between undergraduate fees at the state college and graduate fees at the universities. (B/R 12/06)
- b. In addition to registration fees, non-resident students also pay a tuition charge. Non-resident tuition for full-time undergraduate and graduate students (enrolled in 7 or more credits) will equal 120 percent of the median of non-resident undergraduate tuition and fees at four-year institutions as published by WICHE using a three-year lag. Non-resident tuition for part-time students (enrolled in 6 or fewer credits) will equal an amount calculated by multiplying the registration fees times 110 percent. (B/R 3/04)

- c. Students enrolling under the Good Neighbor classification (defined at Title 4, Chapter 17, Section 9) will, in addition to registration fees, pay a tuition charge as follows: Community college and state college Good Neighbor tuition will be calculated by multiplying the registration fees times 60 percent. University Good Neighbor tuition will be calculated by multiplying the registration fees times 110 percent.
  - d. Students enrolling under Children of Alumni classification (defined at Title 4, Chapter 17, Section 10) will, in addition to registration fees, pay a tuition charge equaling an amount calculated by multiplying the registration fees times 60 percent.
  - e. Non-resident students enrolled exclusively in distance education courses will, in addition to registration fees, pay a tuition charge equaling the registration fees times 50 percent. The tuition charge will be assessed only to non-resident students who are residing outside of Nevada during the semester in which enrollment in the distance education course(s) occurs. (B/R 3/04)
- (B/R 04/02)
3. In order to improve the access of all students and to encourage participation in higher education, an amount up to 50% of all registration fee increases, net the amounts distributed to other fee categories, will be dedicated to student financial assistance. The guidelines for use of these funds are specified in Title 4, Chapter 18, Section 17. (B/R 10/06)
  4. If desired, NSHE institutions may implement tuition incentives in order to further the goals of the NSHE Master Plan and institutional strategic plans. Among the purposes of such incentives, if implemented, would be to increase student access, improve efficiencies in enrollment management and space utilization, and enhance time-to-degree objectives. The decision for adopting a tuition incentive rests with the Board of Regents upon recommendation of the institution President and the Chancellor. The institution must absorb the costs internally in the event there is no state support for such incentives. (B/R 3/04)
  5. The Board of Regents shall establish tuition rates for resident and non-resident students in the School of Medicine at the University of Nevada, Reno, and other fees to be assessed all students in the School of Medicine at the University of Nevada, Reno. In establishing such rates and fees, the Board recognizes that both the students and the citizens of the State of Nevada share in the benefits of a medical education and, therefore, both students and the state should contribute appropriately to support high quality instructional programs. Further, the Board reaffirms its commitment to equal access to its programs regardless of a student's financial circumstances, and therefore shall establish tuition rates and fees at such level as to encourage participation in a medical education. (B/R 5/93)
  6. On a biennial basis, in the Spring of every even numbered year, the President of the University of Nevada, Reno or his designee will chair a university committee composed of the Dean, School of Medicine, School of Medicine student government representatives, University of Nevada, Reno, administrative officers, and a representative from the Chancellor's Office. The committee will gather and review data and make recommendations to the Chancellor and the Board on an appropriate level of tuition and fees to be assessed all students in the University of Nevada School of Medicine. The

recommendation of this committee will be presented to the Board of Regents for its consideration and action. (B/R 3/10)

In establishing such rates and fees for the University of Nevada School of Medicine, the university committee will use the following information in its deliberations: 1) charges at peer institutions as defined in the annual Western Interstate Commission for Higher Education (WICHE) calculation of the median tuition and fees of member states; 2) information pertaining to consumer prices in the WICHE region; 3) the increase in state funding over the biennium; 4) a needs assessment of the School of Medicine at the University of Nevada, Reno; and 5) other indices and information needed to determine if tuition rates and fees are appropriate. Resident tuition and fee increases will be determined based on the above factors with no predetermined limit on the amount of the increase. Non-resident tuition may exceed the increase for residents and will be determined by the Board. (B/R 3/10)

7. The Board of Regents shall establish tuition rates for resident and non-resident students in the William S. Boyd School of Law at UNLV, and other fees to be assessed all students in the William S. Boyd School of Law. In establishing such rates and fees, the Board recognizes that both the students and the citizens of the State of Nevada share in the benefits of a law education and, therefore, both students and the State should contribute appropriately to support high quality instructional programs. Further, the Board reaffirms its commitment to equal access to its programs regardless of a student's financial circumstances, and therefore shall establish tuition rates and fees at such a level as to encourage participation in law education. (B/R 9/97)
8. On a biennial basis, in the Spring of every even numbered year, the President of the University of Nevada, Las Vegas or his designee will chair a university committee composed of the Dean of the William S. Boyd School of Law, administrative officers, and a representative from the Chancellor's Office. The committee will gather and review data and make recommendations to the Chancellor and the Board on an appropriate level of tuition and fees to be assessed all students in the William S. Boyd School of Law at UNLV. The recommendation of this committee will be presented to the Board of Regents for its consideration and action. (B/R 9/97)
9. The Board of Regents shall establish tuition rates for resident and nonresident students in the School of Dental Medicine at UNLV, and other fees to be assessed all students in the School of Dental Medicine at UNLV. In establishing such rates and fees, the Board recognized that both the students and the citizens of the State of Nevada share in the benefits of a dental education and, therefore, both students and the State should contribute to support high quality instructional programs. (B/R 8/01)
10. On a biennial basis, in the Spring of every even numbered year, the President of the University of Nevada, Las Vegas or his designee will chair a university committee composed of the Dean of the UNLV School of Dental Medicine, administrative officers, and a representative from the Chancellor's Office. The committee will gather and review data and make recommendations to the Chancellor and the Board on an appropriate level of tuition and fees to be assessed all students in the School of Dental Medicine at UNLV. The recommendations of this committee will be presented to the Board of Regents for its consideration and action. (B/R 8/01)

A student or former student having a delinquent account receivable or an overdue loan of any amount with any member institution of the Nevada System of Higher Education shall not be permitted to receive a transcript of academic record, a diploma, a certificate or report of semester grades. The student or former student may; however, inspect the records under the provisions of the federal Family Educational Rights and Privacy Act (FERPA). (B/R 6/01)

This fee shall be assessed on a per-credit basis for all state-supported, continuing education, and community service credit courses. Continuing education and community service noncredit courses shall be assessed on a per-course basis. The distribution of the proceeds of the registration fee shall be determined by the Board of Regents. (B/R 3/04)

A person must reach 62 years of age on the first day of the first scheduled class meeting to be eligible.   - e. To be eligible for the fee waiver, the member must be in good standing or a recruit of the active Nevada National Guard at the beginning of and throughout the entire semester for which the waiver is granted. The member who fails to remain in good standing shall reimburse the Board of Regents for the semester's waived registration fees and laboratory fees and will not be allowed to register for additional courses until the debt is paid in full.
  - f. To remain eligible for the fee waiver, the student must achieve at least a minimum 2.00 semester grade point average in order to maintain subsequent eligibility for the fee waiver. The student who fails to maintain a 2.00 semester grade point average shall reimburse the Board of Regents for the semester's waived registration fees and laboratory fees and will not be allowed to register for additional courses until the debt is paid in full.

- g. The institution may request the Adjutant General to verify the membership in the active Nevada National Guard of a person who is seeking or has been granted the fee waiver. The institution may request the Adjutant General to verify that a person is the child or spouse of a member who was killed while performing duties as a member of the Nevada National Guard.
  - h. If a fee waiver is granted to a Nevada National Guard recruit and the recruit does not enter full-time National Guard duty within one (1) year after enlisting, the student shall reimburse the Board of Regents for all previously waived registration fees and laboratory fees if the failure to enter full-time National Guard duty is attributable to the recruit's own conduct.
  - i. The spouse of a person who was killed while performing the duties as a member of the Nevada National Guard may use the waiver for ten years after the date of death of the member.
  - j. Registration fees associated with the William S. Boyd School of Law, the University of Nevada School of Medicine, and the UNLV School of Dental Medicine are not eligible for waiver under this policy.
6. Federally funded teacher training programs will carry an exception to in-state and out-of-state fee and tuition rates for contiguous, WICHE and Good Neighbor States, and may be offered at a reduced per-credit fee. Additionally, all NSHE institutions may offer professional development teacher training programs at a reduced per-credit fee when funded by Nevada school districts and/or the State of Nevada through non-NSHE funds, if collaborative agreements are in place. All course offerings will be approved and delivery overseen through the usual academic processes.

Non-state-supported independent study and correspondence courses are not eligible for waiver under this policy.
  - c. Laboratory fees associated with all courses numbered below the 300 level are eligible for waiver under this policy. Exceptions to the waiver of laboratory fees includes: 1) per semester fees, such as the Health Service fee; 2) Special course fees for purposes other than class supplies – including individual instruction, third-party charges, and special transportation requirements; 3) fees for actual class cost in excess of \$100; and 4) technology fees.

- d. A person to whom the fee waiver is awarded shall be deemed a bona fide resident of Nevada for tuition purposes.
- e. To remain eligible for the fee waiver, the student must achieve at least a minimum 2.00 semester grade point average in order to maintain subsequent eligibility for the fee waiver. The student who fails to maintain a 2.00 semester grade point average shall reimburse the Board of Regents for the semester's waived registration fees and laboratory fees and will not be allowed to register for additional courses until the debt is paid in full.
- f. - 2. Credit given for community service courses shall be applicable only to an Associate in General Studies degree.

- 4. No capital improvement fees or student activity fees shall be assessed for community service or continuing education courses.
- 5. The courses shall be wholly supported from registration and other fees and not from state appropriated funds.

6. Self-Supporting Pricing Model for Credit Courses. For credit courses offered to select professional audiences as part of a customized graduate, certificate or specially designed undergraduate program; and where an outside organization (*e.g., private firm, company or governmental agency*) is fully funding the costs of the program, the President or his/her designee may approve an exception to in-state and out-of state fees and tuition. For these programs, NSHE institutions may implement a market-competitive, self-supporting pricing model designed to account for all fixed- and variable-costs associated with the development, implementation and evaluation of the customized program. All courses offered through these special programs must be reviewed and approved by the same academic processes used for traditional courses and would not be submitted for State General Fund support. Self-Supporting Pricing Programs must be designed primarily for working adults, and must meet one or more of the following criteria:
  - a. Offers flexible scheduling options;
  - b. Offers flexible course delivery options;
  - c. Offers ancillary services such as evening or weekend services (*e.g., academic advising, registration, financial aid*); program-specific career advising; book delivery services, etc.;

(B/R 6/05)

## **Section 15. Deferred Payment Policy**

1. Contracts for deferred payment of registration, tuition and other fees may be approved as follows:
  - a. Deferred payment contracts are applicable for registration fees, tuition and discounted fees. Each institution shall determine the student requirements and the minimum balance threshold for deferred payment and whether other fees may be deferred. Institutions may charge fees to students for participation in a payment plan and may set a rate of interest for past due amounts on these plans.
  - b. Each institution shall determine the payment schedule and number of deferred fee payments allowed but all payments are due no later than the end of the semester or course, whichever is shorter.
  - c. Any unpaid balance on a deferred fee payment schedule becomes a student accounts receivable on the due date and is treated as an official fee hold for future registration, transcript privileges and final grade reports. Disenrollment/eviction procedures may be instituted, if necessary.
  - d. A penalty fee of 10 percent with a minimum of \$10 shall be charged on the deferred payment not paid by the due date.

- e. Contracts for a veteran's deferment of fees are available for those students receiving educational benefits from the Department of Veterans Affairs. Eligibility is determined by the veteran's coordinator or designee on campus.

(B/R 6/09)

#### **Section 16. Refund Policy**

1. Each institution shall establish procedures governing the refund of registration fees, non-resident tuition, and other student fees, including special course fees that shall be approved by the Board and published in the institution's course catalog or on its website. These provisions must include a schedule of dates for refunds and the corresponding percentages that may be refunded.

  - e. Other exceptional circumstances beyond the control of the institution or the student.
3. Each institution may establish procedures for students making even exchanges (credits and dollars) in their registrations that do not affect the net credit load.
4. Each institution shall comply with the refund policies required under Title IV federal financial aid requirements and guidelines.

Funds generated from Student Fees may be spent on the intended purpose only. Mandatory fees required of all students or all students in a particular group, regardless of dollar amount, shall be reviewed and approved by the Board of Regents. (B/R 6/08)

### **Section 19. Special Course Fees**

It is the policy of the Board of Regents that the registration fee be the only fee assessed for taking a course except as otherwise outlined in this section. The reasons for these exceptions are extraordinary instruction costs due to: (a) individual instruction (e.g., private music lessons), (b) class supplies, course-specific software, and specialized equipment (e.g., welding equipment and materials), (c) third party charges for use of a facility (e.g., golf), (d) special transportation requirements, or (e) extraordinary instructional costs (e.g. intensive supervision, support or additional technical expertise required for the delivery of the course), (f) some combination of these reasons. Responsibility for implementing this policy is delegated to the Presidents up to a maximum of \$50.00 per course. Courses requiring fees higher than \$50.00 require Board of Regents approval. ### **Section 8. Student Employment**

1. The Nevada System of Higher Education policy in regard to student employment on campus is that all part-time hourly-rate positions on campus paid from the Wages Account will be listed with and filled as vacancies occur through the Student Employment Service, with the ultimate goal of employing a qualified student in each such position. It has been found that students enrolled at NSHE institutions represent a comprehensive range of special skills and training. If a specific student is desired to fill a listed position, the employing official need only request that the student be referred after proper clearance. Otherwise, qualified students will be referred to the employing office until the position has been filled. (B/R 3/88)

4. Eligibility criteria and guidelines for the administration of the program shall be developed by the Chancellor.  
(B/R 8/06)

## **Section 10. Use of Student Access Funds**

In order to improve the access of all students and to encourage participation in higher education, an amount up to 50% of all registration fee increases, net the amounts distributed to other fee categories, will be dedicated to student financial assistance. For the purposes of this section, "Student Access funds" means budgeted dollars intended for student financial aid, including allocations for such funds from state appropriations and funds generated from registration fees. The guidelines for the use of Student Access funds are as follows:

1. One-hundred percent (100%) of Student Access funds will be used for financial assistance for students. Except for the Regents' Service Program, funds will not be used for administrative or any other purposes, unless specifically authorized by Board policy. The portion derived from undergraduate student enrollments will be dedicated to undergraduate financial assistance. The portion derived from graduate student enrollments will be dedicated to graduate financial assistance; however this shall not include the funding of base salaries for graduate assistantships.
2. At least eighty percent (80%) of state-funded Student Access funds for each institution each academic year will go to need-based programs, according to federal government methodology, for both undergraduate and graduate students.
3. The remainder of the state-funded Student Access funds (not to exceed 20%) for each institution each academic year will go to other "access-oriented" financial assistance, including but not limited to scholarships, non-need based grants and work study programs, for both undergraduate and graduate students.
4. For fee-generated Student Access funds, at least eighty percent (80%) of undergraduate funds and at least 50% of graduate funds for each institution each academic year will go to need-based programs, according to federal government methodology.
5. The remainder of the fee-generated Student Access funds (not to exceed 20% for undergraduate and 50% for graduate students) for each institution each academic year will go to other "access-oriented" financial assistance, including but not limited to scholarships and other non-need based grant programs.
6. The institution will present a report each year to the Board of Regents showing how the Student Access funds were utilized. The findings of the report will be used to evaluate these guidelines.
7. Nothing in this Section precludes an institution from allocating additional funds for general scholarship purposes. Any such additional allocations are not subject to the student access distribution established in this Section.
8. Awards granted to students using Student Access funds shall be named the "Regents Higher Education Opportunity Award."

(B/R 2/09)

(B/R 10/07)

11.0 The State of Nevada established the Governed Guinn Millennium Scholarship in order to increase the number of Nevada students who perform well in high school and then enroll in, and graduate from an *eligible institution* of higher education in Nevada.

An eligible institution is an institution at which a qualified student may receive a Millennium Scholarship. Eligible institutions are:

- a. a university, state college or community college of the Nevada System of Higher Education (NSHE); or
- b. any other nonsectarian institution of higher education in Nevada that
  1. was originally established in, and is organized under the laws of the state,
  2. is exempt from taxation pursuant to 26 U.S.C. §501(c)(3), and
  3. is accredited by a regional accrediting agency recognized by the United States Department of Education.

To receive a Millennium Scholarship, a student must meet the requirements of this Millennium Scholarship policy and enroll in an eligible institution. The admission requirements of eligible institutions may be different from the requirements for the Millennium Scholarship. The receipt of a Millennium Scholarship does not guarantee admission to all eligible institutions, nor does it guarantee admission to all programs at eligible institutions. The NSHE recommends that students who plan to attend the University of Nevada, Las Vegas, or the University of Nevada, Reno, seek an advanced high school diploma and check with the institution for information on admission requirements.

## **A. STUDENTS**

### **Section 1. General Policy**

In the governance of a NSHE institution, the President and the faculty rely chiefly upon the individual and collective self-control, a sense of honor and duty of the students. Students are expected to register promptly, to pursue their studies with diligence, to attend classes regularly and to show, both within and outside of the System, such respect for order, morality, personal honor, and the rights, both of person and property, of others as is reasonably expected of good citizens.

### **Section 2. Student Conduct**

1. The basic policies of the institution governing student conduct are contained in the Rules and Disciplinary Procedures for students on each campus. (B/R 11/98)

### **Section 3. Absence from Class**

1. There shall be no official absences from any university, state college, or community college class. It is the personal responsibility of the student to consult with the professor regarding absence from class.
2. It is the policy of the Nevada System of Higher Education to be sensitive to the religious obligations of its students. Any student missing class, quizzes, examinations or any other class or lab work because of observance of religious holy days shall, whenever possible, be given an opportunity during that semester to make up the missed work. The make-up will apply to the religious holy day absence only. It shall be the responsibility of the student to notify the instructor in advance in writing, according to the policy of the institution offering the class, if the student intends to participate in a religious holy day that does not fall on state holidays or periods of class recess. This policy shall not apply in the event that administering the assignment at an alternate time would impose an undue hardship on the instructor or the institution that could not reasonably have been avoided.

Any student, who is denied a make-up option after appropriately noticing the instructor shall have the right to appeal that decision through the normal appeal mechanism in place at that institution.

3. This policy statement, along with additional relevant institutional policies, should be included in catalogues or handbooks distributed to students and faculty.  
(B/R 6/92)

  - a. Students over 21 years of age may elect in each living unit to be clustered so as to facilitate enforcement of all state and local laws relative to the consumption of alcoholic beverages. Their being permitted to do so would result from a majority decision in which all members of that living unit participate.
  - b. Students who elect to cluster so as to enjoy the privilege of drinking will have the responsibility of obeying the law (as will minor students).
  - c. The privilege of clustered students to consume alcoholic beverages may be revoked by the majority vote of others residing in the living unit.  
(B/R 12/73)
  - d. The purchase of alcoholic beverages for use at Nevada System of Higher Education functions shall be permitted for the following functions or pursuant to the following conditions:

(B/R 6/82)
2. Except as provided above, the storage, possession or use of alcoholic beverages shall not be permitted on University owned or supervised property, including University supervised housing, apartments, residence halls, or on sorority or fraternity property.  
(B/R 6/68)
3. Any student who exhibits offensive behavior on the University owned or supervised property while under the influence of alcoholic beverages shall be subject to disciplinary action. (B/R 6/68)

## **Section 7. Hazing**

Hazing has no place within a community of scholars. The Board of Regents of the Nevada System of Higher Education (NSHE) affirms its opposition to any form of hazing. NSHE institutions advocate civility in society and an adherence to the fundamental principles of honesty, integrity, respect, fairness, development of individual character, and sensitivity to the dignity of all persons. These principles should be fostered and nurtured in a broad spectrum of activities that yield social, intellectual and physical benefits. Therefore, hazing of any nature is unacceptable at any public institution of higher education in the State of Nevada.

1. No member or alumnus of the NSHE community acting as an individual or part of a group shall conduct or condone hazing activities.
2. Hazing is defined as any method of initiation into or prerequisite to becoming a member of the NSHE community, or any group associated therewith, engaged in by an individual that intentionally or recklessly endangers another individual. Any activity upon which the initiation into or affiliation with an organization or group is directly or indirectly conditioned shall be presumed to be forced activity, the willingness of an individual to participate in such activity notwithstanding. Hazing may occur on or off the premises of the organization and/or educational institution. Hazing is most often seen as an initiation rite into a student organization or group, but may occur in other situations.

3. Hazing activities may include, but are not limited to:
  - a. Any physical activity, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of food, liquor, drugs or other substance or any other brutal treatment or other forced physical activity that is likely to adversely affect the physical health of the person;
  - b. Any situation which subjects the individual to extreme stress, such as sleep deprivations, forced exclusion from social contact, required participation in public stunts, or forced conduct which produces pain, physical discomfort, or adversely affects the mental health or dignity of an individual; and
  - c. Any expectations or commands that force individuals to engage in an illegal act and/or willful destruction or removal of public or private property.
4. Each institution within NSHE shall develop clear procedures for dealing with hazing, requirements for reporting hazing, clear reporting lines for infractions, investigation procedures, and potential discipline. Each institution shall apply a reasonable person standard, and the discipline shall be proportionate to the infractions. All disciplinary actions or sanctions shall be congruent with Chapter 6 of the NSHE Code and appropriate institutional bylaws. Both individuals and organizations committing an offense under the anti-hazing policy may be found in violation and be subject to appropriate disciplinary sanctions.
5. An allegation of hazing, reporting of a suspicion of hazing may have occurred, or a request for an investigation of hazing may be initiated by anyone. Campus policies shall designate the appropriate place and method of reporting. Each campus is encouraged to develop an educational program about the serious danger and risk involved in any hazing activity and the subsequent harm that can occur to both the individual subjected to hazing and those engaged in hazing.
6. Each campus shall develop procedures and policies to report cases of hazing that fall under *Nevada Revised Statutes*.
