1550 College Parkway, Suite 115
Carson City, NV 89706-7921

Carson City herewith submits the (TENTATIVE) --- (FINAL) budget for the
fiscal year ending June 30, 2009

This budget contains 5 funds, including Debt Service, requiring property tax revenues totaling \$ 17,072,614

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits,
the tax rate will be increased by an amount not to exceed 1.7069 If the final computation requires, the tax rate will be
lowered.

This budget contains 24 governmental fund types with estimated expenditures of \$ 93,951,654 and
10 proprietary funds with estimated expenses of \$ 35,914,985

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local
Government Budget and Finance Act).

# CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

May 12, 2008

Dear Citizens, Mayor, and Board Members:

The budget includes 24 governmental funds with estimated expenditures of \$94.0 million and 10 proprietary funds with expenditures of \$35.9 million.

## General Fund Revenues

Total general fund revenues are expected to decrease 1.97% from our estimate for fiscal 2008. Property tax revenue is expected to increase 4.5%, Licenses and Permits 3.8%, and Charges for Services are expected to decrease by 8.2%. A law limiting the growth of property tax bills was passed by the 2005 Legislature; generally tax bills for homeowners may not increase by more than 3%, while tax bills for business may increase up to 8%. The effect of the property tax cap to the general fund was \$7.6 million in fiscal 2008 and is estimated to be \$12.6 million in fiscal 2009. Consolidated tax revenue is the largest single source of general fund revenue comprising 39.71% of total estimated revenue or \$23.4 million in fiscal 2009, a projected decrease of 1.8% over FY2008 estimated amounts. We are anticipating continued slowdown of all sectors in fiscal 2009, with a rebound in sales not expected until at least early fiscal 2010. General fund per capita revenues are expected to be \$1,022 in fiscal 2009.

## General Fund Expenditures

Total general fund expenditures are projected to decrease 3.26% from estimated fiscal 2008. Total general fund expenditures are projected to be \$55.8 million in fiscal 2009. Salaries and benefits comprise 75.08% of total general fund expenses; services, supplies and capital the remaining 24.92%. Estimated expenditures by function are (amounts expressed in thousands):

General Government	\$ 13,497
Judicial	4,509
Public Safety	25,466
Public Works	2,371
Sanitation	1,849
Health	1,334
Welfare	336
Culture and Recreation	5,927
Community Support	501
	\$ 55,790

Because of the current decline in Consolidated taxes, there were no supplemental spending requests from any departments.

### Capital Projects and Reserves

The City through conservative budgeting and fiscal practices has accumulated resources over the last several years to fund capital projects and reserves. The City's policy is to retain 8.3% current year expenditures as an operating reserve in the general fund, leaving \$ .87 million available for the fiscal 2009 capital program.

### Enterprise Funds

We are including several rate increases for the enterprise funds in fiscal 2008-09.

The Storm Drainage Fund is including a 6% increase in rates, mainly to offset rising operating costs.

The Sewer utility is including a 24% increase in rates effective July 1, 2008. This rate has been approved by the Board of Supervisors. This increase in rates is necessary to offset rising operating costs and to compensate for the loss of Connection Fees due to the slowing economy and lack of construction. Unfortunately, this rate does not include any funding for capital projects. Should the utility decide to fund capital projects in the future, further rate increases will be analyzed.

The Water utility is including a rate increase of 6% starting July 1, 2008. This rate has been approved by the Board of Supervisors. This increase in rates is necessary to offset rising operating costs and to compensate for the loss of Connection Fees due to the slowing economy and lack of construction. Should the utility decide to fund capital projects in the future, further rate increases will be analyzed.

There are no other proposed rate increases in any of the other enterprise funds. Because of the slowing economy and lack of building in the area, staff has had to dramatically reduce expenses in the Building Permits fund. This was accomplished by reassigning inspectors to other public works areas and by not rehiring positions lost through retirements.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lawrence Werner', with a long horizontal flourish extending to the right.

Lawrence Werner  
City Manager
