

Director's Message

Dear Fellow Hunters:

Thank you for your support of the Nevada Department of Wildlife (NDOW). You've played an important part in preserving our outdoor heritage, by purchasing hunting and fishing licenses, and volunteering for habitat improvement projects around the state.

This will be my last year at NDOW, as I am retiring in July. I am very proud of the accomplishments of all the qualified and dedicated professionals who work here on your behalf. There are mind-boggling challenges ahead: climate change, invasive species, and urbanization, to name just a few. The dedicated folks at NDOW will need your active support more than ever before.

Today, outdoorsmen, such as you, pay for the bulk of wildlife management. The largest portion of the Nevada Department of Wildlife's budget comes from license dollars and excise taxes levied on hunting and angling equipment. But we will need your continued support, and funding from new partners, in order to ensure the future of Nevada's wildlife and outdoor recreation.

We have a new "roadmap" to managing all wildlife in the state. It's called Nevada's Wildlife Action Plan, and it was completed in December 2005. This plan takes a proactive approach to conserving wildlife in the Silver State by identifying threats and opportunities, and actions that must be taken to ensure that all wildlife species thrive. "Keeping common species common" is a basic goal in the plan.

With a broader focus for wildlife management responsibilities, our agency is struggling to find funds to appropriately support all that we are asked to do. It isn't right for sportsmen alone to pay for biologist time reviewing impacts of a new housing tract that is developed in what was once wildlife habitat. It isn't right for sportsmen to pay when an elderly lady requests warden assistance to remove a raccoon from her chimney. These are all essential services. But it's time for *all* of the citizens of Nevada, not just sportsmen, to share in the stewardship of our natural spaces, protect human safety, and support services for sensitive and non-game wildlife.

We have an opportunity to make great strides in restoring wildlife habitat through federal dollars that may soon be available to fund the goals set forth in the Wildlife Action Plan. Our challenge is to acquire new state funding to achieve the 50/50 state match required to receive these federal funds and complete the projects in our plan. We need to act now. Never before has the adage "an ounce of prevention is worth a pound of cure" meant so much. We're poised to make an enormous difference in keeping Nevada wild, and your support is crucial.

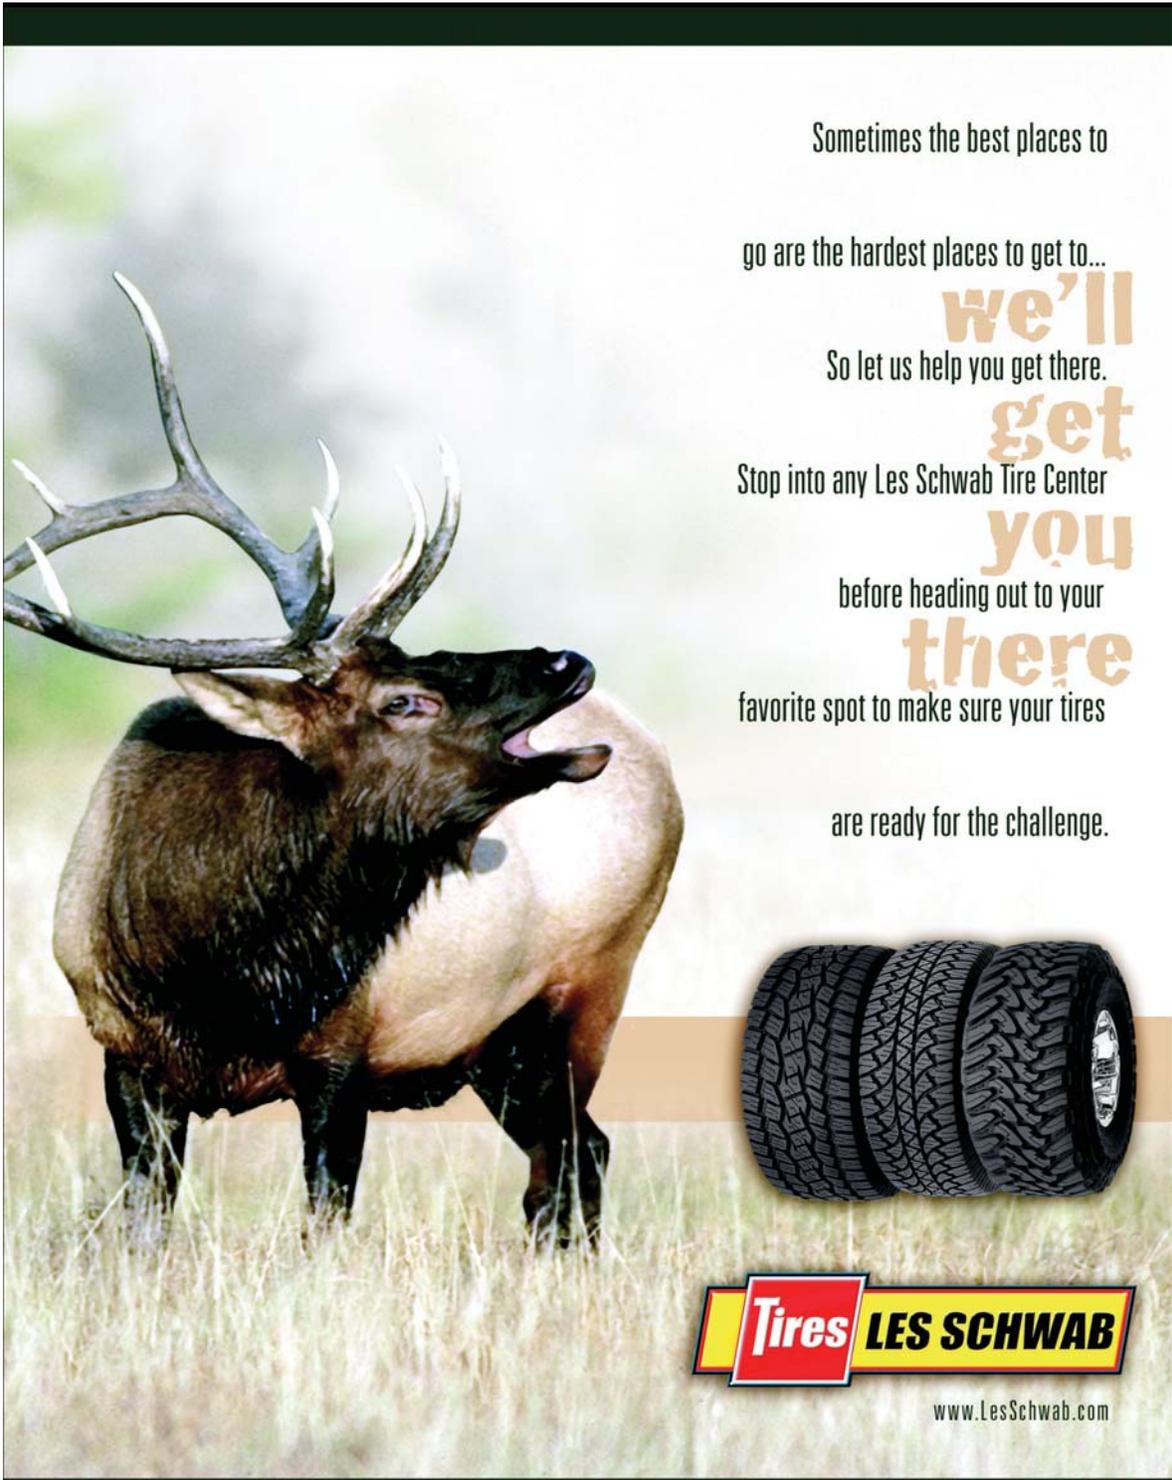

It's been a pleasure and an honor to serve the sportsmen and the wildlife of Nevada for 42 years. I thank you for the opportunity, and I hope to see you out in the field!

Sincerely,

Terry Crawforth

HOW TO USE THIS BROCHURE

First review the **General Hunting Laws** (page numbers 15-17), which apply to most hunting in Nevada.

Then read the **hunting laws and regulation section** for the species you will be hunting or trapping- big game, furbearer, migratory game bird, or small game/upland game bird. For instance, if you plan to hunt chukar, read the Upland Game Laws and Regulations section. **The title is highlighted in the vertical color bar at the edge of the page.**

In addition, if you plan to hunt on a **Wildlife Management Area (WMA)**, read pages 44-48, as specific rules apply to these areas.

The **Nevada Hunt Book** is designed to be used with the season and bag brochures that will be published later this year: **Furbearer and Upland Game** season regulations will be available in August, and **Migratory Game Bird** season and limit regulations in late September. **Be sure of your legal hunting hours, check the sunrise/sunset tables at the back of the book or on our website at www.ndow.org before heading out to determine legal hunting times in your area.**

NOTE: The ellipsis symbols -...- used in the law in this regulation brochure designate where portions of the law have been omitted due to space limitations. Complete laws and regulations are available at NDOW regional offices, or on the agency web site at: www.ndow.org.

2006 Nevada Hunting Laws & Regulations

Welcome to Nevada!

So – you’re new to Nevada, or maybe just new to the sport of hunting and looking for “hot tips” on how to get started? Well, you’ve come to the right place. Almost everything you need to know about hunting in Nevada is in this book, or on our web site: www.ndow.org. Below are answers to a few of the most common questions.

What is there to hunt in Nevada?

Big Game: mule deer, elk, pronghorn antelope, bighorn sheep, mountain goat and mountain lion all require tags to be hunted. The application period for the tags is usually mid-March to mid-April. Mountain lion tags are readily available year-round online at www.ndowlicensing.com and at authorized license agents statewide.

Upland Game: Anyone 12 years of age or older who hunts upland game such as sage grouse, blue and ruffed grouse, Himalayan snow partridge, chukar, Hungarian partridge, quail and pheasant must have an upland game bird stamp in addition to a hunting license while hunting. A upland game bird stamp is not required to hunt crows, turkey, cottontail or white-tailed jackrabbits.

Migratory Game Birds and Waterfowl: A hunting license and both state and federal duck stamps are generally required to hunt waterfowl in Nevada (check regulations for youth hunting and stamp requirement information). Waterfowl include: swan, ducks, mergansers and swans. See page 11 for license requirements and page 40 for stamp requirements.

Unprotected Species: Some animals may be hunted without a license. The most commonly hunted non-protected species are coyotes and black-tailed jack rabbits.

May a nonresident hunt dove using a nonresident One-day permit to hunt upland game and waterfowl?

Yes. A nonresident may use the One-day Permit to Hunt Upland Game and Waterfowl to hunt:

- Dove, coots, and gallinules: Federal or state stamps are not required.
- Ducks, mergansers and geese: the Federal duck stamp is required for persons 16 years or older, and the state duck stamp is required for persons 12 years of age through 64 years.
- Upland game birds (sage grouse, blue and ruffed grouse, Himalayan snow partridge, chukar, Hungarian partridge, quail and pheasant). An upland game bird stamp is required for persons 12 years and older.
- Upland game mammals (cottontail and white-tailed jackrabbits) and crows. No stamps are required.

When can I hunt in Nevada?

Hunting seasons vary for different species. There are a couple of unique dates to remember when hunting in Nevada: the tag application period for all big game, including deer, begins in mid-March and the application deadline is in mid-April. Applicants find out if they drew a tag in mid-June.

Further information on big game hunting and season dates can be found on pages 21-35.

For Upland Game hunting information see page 43.

Wild Turkey hunting information can be found on page 42.

Migratory/Waterfowl bird hunting information is on pages 40-41.

What about trapping in Nevada?

A trapping license is required to hunt or trap bobcat in Nevada. See page 38 for further trapping information.

How do I find where to hunt in Nevada?

Nevada has the second highest amount of public land in the nation, following Alaska. The limitation for finding good places to hunt in Nevada comes from the fact that Nevada is the most arid state in the Union. Consequently, it will take a little getting out and scouting around for places with game. Look online: www.ndow.org to see hunter information sheets for information about the management units in the state. A shortcut to finding places to hunt is to get involved with the local sportsman’s or outdoor groups and get to know some local hunters who can give you a few tips on where and how to hunt in your area. Our sportsman’s directory can be found at www.ndow.org. If you’re interested in range shooting, there is a directory of shooting ranges listed on NDOW’s web site as well.

Continued on next page

Welcome to Nevada - Continued from previous page

Where can I get a Nevada hunting license?

There are three regional Nevada Department of Wildlife offices:

Reno Headquarters, Western Region Office, 1100 Valley Rd. (775) 688-1500.

Elko Office, 60 Youth Center Rd. (775) 777-2300. Winnemucca Office, 815 E. Fourth St. (775) 623-6565.

Las Vegas Office, 4747 W. Vegas Dr. (702) 486-5127.

In addition there is a license agent in nearly every town or city in Nevada. Check with any store that sells sporting goods (K-MART, WALMART, etc.), or a local tackle shop or hardware store to see if they sell hunting licenses. A list of authorized license agents is also on our web site at: www.ndow.org.

How does the tag draw process work?

One random number from 1 to 99 million is issued for every application for a different species and gender hunt plus additional random numbers equaling the application's bonus points squared (i.e., 5 bonus points equals 25 random numbers). The lowest random number becomes the application's draw number for the tag award portion of the draw process. This process does not guarantee that applicants with the highest number of bonus points for a hunt will draw a tag. It still provides an opportunity for someone applying for the first time to possibly draw a tag without being totally excluded from the draw.

Each tag application except mountain goat may have 5 hunter choices (i.e., 5 different unit groups, or, for deer only, you may choose different weapon hunts). When the computer reviews an application for issuing a tag, all hunter choices are checked for available tags before moving on to the next application.

How old do you have to be to hunt big game in Nevada?

Anyone age 12 and older who possesses a hunting license is eligible to apply for a big game tag and to hunt big game in Nevada. Youths aged 12-15 are eligible to apply for the resident junior youth hunt. In addition, anyone 11 years old who will turn 12 prior to the opening date of the season for which they will be applying for is eligible to apply for a tag.

Is blaze orange required to hunt in Nevada?

It is not required at this time, but it is recommended for safety.

Help! I just shot an animal that had a radio collar on - what do I do now?

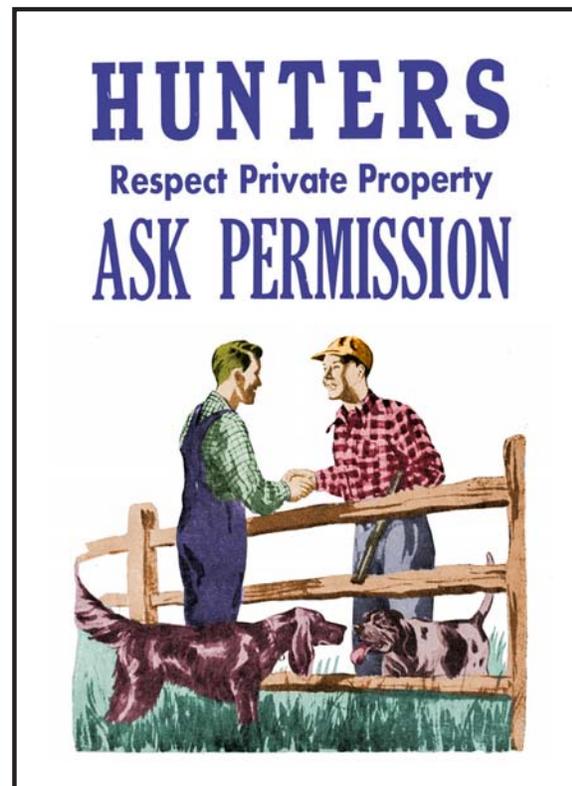

In Nevada we have elk, deer, sheep and even some sage grouse with either radio collars, and/or ear tags. Many of these animals can be legally hunted. Hunters are advised that if they harvest an animal with a collar or ear tag they need to turn in the collar/tag to NDOW.

How long do I have to live in Nevada before I can apply for a resident license?

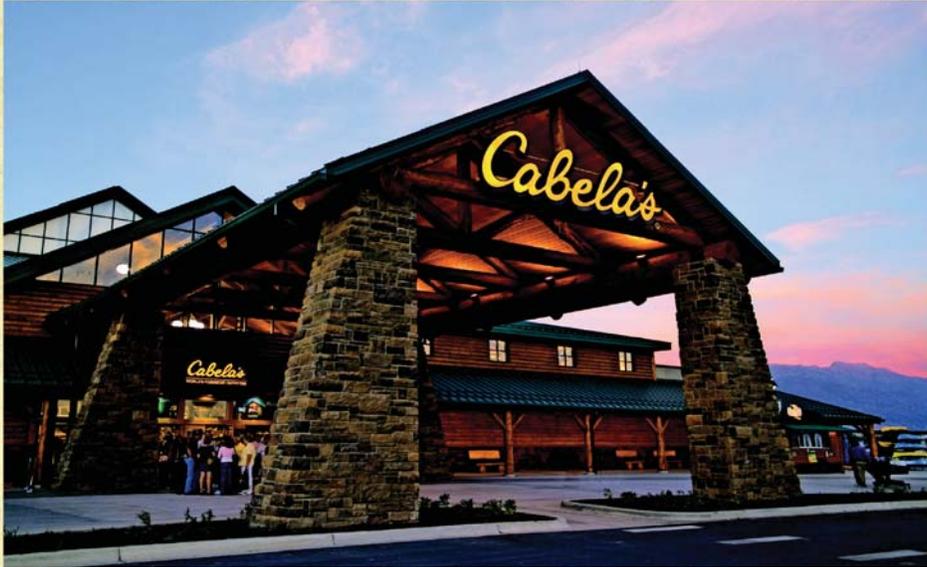

You must physically live in Nevada for six months immediately prior to applying for a license. **See additional requirements on page 12.**

The Importance of Good Habitat

By Joe Doucette

As we drive along Nevada's highways and are hypnotized by the oceans of sagebrush, greasewood or Joshua trees, most Nevadans take it for granted that there is plenty of habitat available for wildlife. What we don't see is just how fragile that habitat is and how quickly its integrity can be threatened. Two threats to habitat that are of major concern are urbanization and wildland fires, and the associated infestation of noxious weeds that follows.

The Nevada Department of Wildlife (NDOW) plays a key role in trying to preserve Nevada's habitat and rehabilitate damaged areas as an integral part of managing Nevada's wildlife. Often, NDOW's efforts are invisible to the average citizen as the biologists and other staff work behind the scenes acting as a voice for Nevada's wildlife with land management agencies, staff often give input on land management practices, wildland fire fighting and rehabilitation efforts. Other times, staff efforts are highly visible such as when NDOW establishes Wildlife Management Areas (WMAs), builds guzzlers or rehabilitates damaged lands through vegetation manipulation and seeding efforts. Often this work is in cooperation with sportsmen's groups and other state and federal agencies.

"In the last 12 years, NDOW has spent approximately \$1.8 million rehabilitating 45,000 acres of fire-damaged lands in Area 6 alone," says Ken Gray, NDOW wildlife biologist. "Around 27,000 acres of that have been seeded using a helicopter and 18,000 acres have been ground seeded," he added. Area 6 covers the western one-third of Elko County as well as parts of northern Lander and Eureka counties and has been ravaged by wildland fires over the past two decades according to Gray.

"Probably 50 percent of my time is taken up with efforts spent toward rehabilitating the fire-damaged habitat in Area 6," explains Gray. "This includes meeting with landowners, land management agencies and contractors, as well as buying seed and writing contracts."

Hopefully the efforts and hard work will continue to pay off. Every year more and more deer and antelope migrate into the seedings composed of both native and non-native plants. It's not just big game animals that benefit from the rehabilitated areas. Upland game and non-game species that many people never see take advantage of these productive islands in the sea of cheatgrass that has moved in after the fires.

Another benefit to replacing noxious annual weeds with perennial natives and beneficial non-native plants is an extended fire cycle. The annuals dry out earlier, and in the case of weeds such as cheatgrass, are extremely flammable increasing the potential for catastrophic fires. Green strips, areas planted with slower burning and less flammable plants, are often used around existing stands of naturally occurring native plants that are crucial to the survival of animals such as mule deer and sage grouse. In the event of a fire, these

strips may slow the movement of the fire enough to allow firefighters a chance to protect the crucial areas.

The Bruneau WMA in northern Elko County was purchased in the early 1990s with the help of the Rocky Mountain Elk Foundation. By changing grazing practices and doing some weed abatement, the

habitat has improved tremendously for wildlife with an improved understory and forage base. Not only have deer, elk and upland game species benefited, but the fisheries have improved as well.

There are numerous examples all around the state where NDOW, in cooperation with local land management agencies and conservation groups, has made a difference in supporting habitat that benefits Nevada's wildlife. As concerned hunters and anglers, Nevadans can do their part to help protect this crucial habitat by being careful with fire, staying on existing trails and roads, and volunteering for projects such as seed collection and guzzler installation. For more information go to NDOW's website at www.ndow.org and go to the volunteer page.

Hunters Asked to Use ATVs Courteously While Out Hunting

By Les Smith

Judd Harrison and his 16-year-old son Ben began their climb in the middle of the night. The first rays of sun cracking over the horizon found them sitting in a small patch of mountain mahogany, just under a ridge, at 9,200 feet. Ben spotted three nice bucks, browsing their way down a bowl, below the peak on the other side of the canyon. It was his first hunt with a bow and he was anticipating the stalk as much as anything. In the distance, the Harrison's heard the high whine of an ATV, growing

ever louder. As the ATV appeared right on the peak above their heads, the deer bolted. A bowhunter, clad in full camo, sat on his idling machine and started glassing the hill where Judd and Ben sat hidden. Below them, the deer bounded out of sight around the ridge and into the next canyon. The ATV hunter never saw them. He never saw Judd and Ben either, as he briefly scanned the hillside, then turned back down the ridge the way he had come.

It's not hard to imagine the disappointment of this young hunter and his father. It's also not hard to understand the value of using an ATV in getting into remote spots to hunt. What is hard to fathom is why anyone would think that hunting from an ATV is a good thing. A basic tenant of hunting is respect for wildlife and other hunters. Abuse of this privilege will increase regulations of motor vehicles on public land. Here are a few tips about how to use an ATV in a responsible way while hunting.

Don't hunt from your ATV. Use your ATV to get to your hunting spot, then get off and hunt on foot. You will see more game, and be less disruptive to wildlife and fellow hunters. Believe it or not, you will have a better chance of getting that big buck. Most bucks will hear your ATV and be long gone before you can ride up on them.

Don't ride the ridges. This may seem like a great way to spot game, but riding ridges and peaks only wrecks the hunting for miles around. Ride below the ridge line, park below the peaks, then walk up to glass the canyons on the far side. You'll have better luck and so will others hunting in the same area.

Stick to the roads. Cross-country runs, while convenient for you, may be really hard on other hunters, on the wildlife and wildlife habitat. There are roads and trails that lead practically everywhere in Nevada. Use them. They'll generally get you where you need to go. If there are no roads, there's usually a reason. Much of the public land in Nevada has off-highway restrictions for motorized travel. It is the responsibility of every ATV user, hunter and fisherman to know and comply with these laws.

Slowdown. Whenever passing campsites, pedestrians, horses or cyclists on dirt roads or trails, slow down. It's a matter of safety and respect. Nothing is more annoying than having some hot-shot zip past your camp, leaving a choking cloud of dust, especially if you're trying to cook. Lend a hand. An offer to assist a fellow hunter who is struggling along packing out their deer, is almost always welcome.

So remember, slow down and use a little common sense when using your ATV this hunting season. By following these simple guidelines you and your fellow hunters will have a safer, more enjoyable hunt.

Antler Collectors Asked to Avoid Damaging Sage Grouse Habitat

By Geoff Schneider

With the collection of deer and elk antlers now a regular seasonal activity, the Nevada Department of Wildlife (NDOW) is asking collectors to keep their vehicles on established roads and trails in order to avoid disturbing sage grouse and their habitats.

"Sage grouse strutting grounds are extremely important and should not be disturbed. It's also important to be good stewards of the land and not damage habitats that are important to sage grouse and other wildlife," said Shawn Espinosa, NDOW staff biologist.

NDOW game wardens have noted that people who are looking for shed antlers often use their all-terrain vehicles (ATVs) and trucks over the landscape in order to find antlers. This can leave lasting scars on wildlife habitats and stresses wildlife.

Espinosa said that driving off established roads can also spread noxious weeds that take a heavy toll on habitats. Seeds are spread when they stick to muddy tires and undercarriages of vehicles and later fall off when being driven across ranges.

What You Should Know About Highly Pathogenic Avian Influenza HPAI

As of May 2006 the Asian H5N1 strain of Avian Influenza has not been detected in North America.

There is NO current influenza outbreak

What is Highly Pathogenic Avian Influenza, and H5N1?

- H5N1 refers to the antigens (a substance that initiates the production of an antibody - the blood proteins that fight infection and contribute to immunity) that identify it as being different from other avian influenza viruses.
- Influenza viruses are constantly changing. Some forms can jump from birds to mammals and on to humans.
- The strain causing concern is highly pathogenic and the disease it causes is currently called HPAI.

Should one be concerned about contracting avian influenza?

- There have been no documented instances in which humans have contracted highly pathogenic avian influenza from wild birds.
- Avian influenza exists naturally within populations of wild birds and has been called "fowl pest" and "fowl plague" for the particularly decimating impacts that occur when these naturally occurring strains become virulent. There are many strains of avian influenza that occur in wild and domestic bird populations and in many of these do not cause illness for the birds they inhabit. Avian influenza is frequent within waterfowl and shorebirds, and to a lesser extent – gulls.
- Few bird viruses are able to infect humans.
- HPAI is primarily an animal disease and unless people come into direct, sustained contact with infected birds, it is unlikely they will contract the disease. The H5N1 virus has demonstrated the ability to infect and produce a fatal illness in humans living under those circumstances. If the virus evolves the capacity for sustained human-to-human transmission, it could spread quickly around the world. The Nevada Division of Health, and Departments of Agriculture and Wildlife are working together to monitor both human and animal populations so that any changes in the virus are detected as soon as possible - early detection of any possible change in the virus
- If you have bird feeders you should take ordinary health precautions in cleaning them.

I hunt waterfowl; can I get the disease from wild birds?

- There have been no documented instances in which humans have contracted highly pathogenic avian influenza from wild birds.
- Though possible, it remains unclear whether migratory birds in Asia have had a role in the spread of H5N1.
- It has yet to be determined that HPAI persists within migrating waterfowl or shorebirds or whether birds acquiring HPAI in Asia could present a lingering long-distance threat on that continent.
- Scientists have concerns that HPAI could be transported to North America through illegal traffic in birds.
- One should take common sense precautions at all times when handling wild game of any kind.

Hunter's Precautions

- Do not handle obviously sick birds or birds found dead.
- Keep your game birds cool, clean and dry.
- Do not eat, drink or smoke while cleaning your birds.
- Wear rubber gloves while cleaning your game.
- Wash your hands with soap and water or alcohol wipes after dressing birds.
- Clean all tools and surfaces immediately afterward; use hot soapy water, then disinfect with a 10 percent chlorine bleach solution.
- Cook game meat thoroughly (155-165°F) to kill disease organisms and parasites.

The above compliments of the
Alaska Department of Fish & Game

- Highly Pathogenic Avian Influenza (HPAI) has not been detected in U.S. birds.
- Low-pathogenic Avian Influenza has been detected in a small number of birds in Nevada. This low pathogenic strain is not a threat to humans, and is common in bird populations.
- A national surveillance plan has been prepared collaboratively by federal and state agencies. As part of that plan, the Nevada Department of Wildlife will be sampling live and hunter-killed birds.
- Information on handling game and poultry, plus information on personal preparedness can be found at www.pandemicflu.gov.
- Information on reporting sick or dead birds can be found at www.usda.gov.

NEW INFORMATION FOR 2006 HUNTS

- ✿ A change has occurred in shotguns used at Mason Valley WMA - see NAC 503.170 on page 44.
- ✿ Some changes have been made to Elk hunt units for both resident and nonresident hunts. See information under Elk Hunt numbers 4181, 4256 and 4281.
- ✿ Some hunting units have changed for Resident Nelson (Desert) Bighorn Sheep - Any Ram - Any Legal Weapon Hunt 3151 on page 26.
- ✿ The nonresident online convenience fee for a tag or bonus point application submitted electronically has increased to \$3.50.
- ✿ **Beginning in 2007 changes will be made to Nonresident Hunts:** For the 2007 Nonresident Hunts, applicants will need to choose whether they wish to apply for the Nonresident Guided Hunt, or the Regular nonresident deer hunts. Nonresidents will no longer be able to apply in both draws.
- ✿ **Return Card Deadline Reminder** - The deadline for returning the hunt questionnaire attached to an issued big game tag is within **15 weekdays after the close of the season** for which the tag was issued. **The deadline date is also printed on the questionnaire. Failure to return the hunt questionnaire will result in a loss of tag draw privileges, or a fee of \$50 which must be paid by March 16, 2007.** Online harvest return questionnaires make reporting easy. Go to www.huntnevada.com, or fax to (775) 423-0799. If you have faxed or mailed your questionnaire, call 1-800-576-1020 to make sure it was received before the deadline.
- ✿ **Update your Hunter Education information online.** First-time applicants to Nevada that were born after 1/1/1960 will need to submit a paper application copy of proof of hunter education, or preregister their proof of hunter education. Go to www.huntnevada.com for instructions on how to preregister. This is to satisfy statutory requirements for proof of hunter education certification, NRS 502.330.

Hunting Licenses and Fees

The 2006 License Year is March 1, 2006 - Feb. 28, 2007

Resident License Fees and Permits

Qualifications for Resident Licenses. For the purpose of issuing and using resident licenses or permits, a person is considered to be a resident of the State of Nevada if he is a citizen of, or is lawfully entitled to remain in the United States, and during the six months preceding his application to the Department for a license or permit, he was domiciled in this state; was physically present in this state except for temporary absences; and did not purchase or apply for any resident license, tag or permit to hunt, fish or trap in another state, country or province. A resident license or permit issued by this state is void if the person to whom it was issued establishes his domicile in, and obtains any privilege or entitlement conditional on residency from another state, country or province.

A person who is not domiciled in Nevada but who is attending an institution of higher learning in this state as a full-time student is eligible for a resident license or permit if, during the six months preceding his application to the Department for a license or permit, he was physically present in Nevada except for temporary trips outside the state, and did not purchase or apply for any resident license, tag or permit to hunt, fish or trap in another state, country or province.

License Requirements

License Requirements: (NRS 502.010) Any person 12 years of age or older, who hunts game birds or game mammals in Nevada is required to have a hunting license or combination hunting and fishing license.

Purchasing a License: Licenses can be purchased from independent agents, and from Nevada Department of Wildlife offices in Reno, Fallon, Winnemucca, Elko, Las Vegas, and Henderson.

Possession and Display of License: (NRS 502.120) Every person required to have a license while hunting, trapping, or fishing shall have that license in his possession and available for inspection upon demand of any officer authorized to enforce the fish and game laws of the state of Nevada.

License Exemptions: (NAC 503.193) A hunting license is not required to hunt **unprotected** wild birds (English house sparrows and European starlings) or **unprotected** mammals (black-tailed jackrabbit, ring-tailed cat, badger, raccoon, coyote, skunk, weasel, and ground squirrel).

Hunter Education Requirements: (NRS 502.330) Persons born after January 1, 1960, must take a hunter education course before obtaining a hunting license. See page 14 for requirements and acceptable proof of hunter education certification.

Youths and Possession of License: Children under age 12 may not legally hunt big game in Nevada. Youths 14 years and older who possess a valid license and have received parental permission may hunt unaccompanied. (See NRS 202.300 on page 14). If a child under age 18 is applying for a license to hunt, the child's parent or legal guardian must sign the application and an attached statement acknowledging that the parent or legal guardian has been advised of the provisions of NRS 41.472.

False Statement: (NRS 502.060) Any person who makes any false statement or furnishes false information to obtain any license, tag or permit from the Department is guilty of a misdemeanor; false statements to obtain a big game tag constitute a gross misdemeanor offense.

Legal Hunting Hours by Species

Big Game	1/2 hour before sunrise to sunset
Mountain Lion	Anytime of day or night
Migratory Birds	1/2 hour before sunrise to sunset
Small Game and Upland Game	Sunrise to sunset, EXCEPT for quail in Pahrump Valley of Nye County (8 a.m. to sunset)
Turkey - Fall	Sunrise to sunset
Turkey - Spring	1/2 hour before sunrise to 1 p.m.

Hunter Education Requirements

Hunter Education Requirements (NRS 502.330)

Persons born on or after January 1, 1960 must take a hunter education course before obtaining a hunting license.

The following will be accepted as proof of hunter education:

A certificate showing successful completion of a hunter safety course;

An equivalent certificate of completion of a course in hunter responsibilities provided by a state or an agency of a Canadian province for the management of wildlife; or

A hunting license issued to the hunter in a previous year by the Department of Wildlife, a state, or an agency of a Canadian province, which bears a number or other unique mark showing proof that a course of instruction on the responsibilities of hunters has been successfully completed.

Any person convicted of violating NRS 503.165 (page 15) (Loaded rifle or shotgun in or on a vehicle unlawful) or NRS 503.175 (discharging a firearm from, over highways unlawful) may not obtain a hunting license until he has successfully completed a course in the responsibilities of hunters.

Use or Possession of Firearm by a Child Under 18 Years Old (NRS 202.300)

1. Except as otherwise provided in this section, a child under the age of 18 years shall not handle or have in his possession or under his control, except while accompanied by or under the immediate charge of his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of the child, any firearm of any kind for hunting or target practice or for other purposes. A child who violates this subsection commits a delinquent act and the court may order the detention of the child in the same manner as if the child had committed an act that would have been a felony if committed by an adult.

2.-4....

5. Except as otherwise provided in subsection 8, a child who is 14 years of age or older, who has in his possession a valid license to hunt, may handle or have in his possession or under his control, without being accompanied by his parent or guardian....

Note: Blaze orange is not required to hunt in Nevada.

(a) A rifle or shotgun that is not a fully automatic firearm, if the child is not otherwise prohibited by law from possessing the rifle or shotgun and the child has the permission of his parent or guardian to handle or have in his possession or under his control the rifle or shotgun; or

(b) A firearm capable of being concealed upon the person, if the child has the written permission of his parent or guardian to handle or have in his possession or under his control such a firearm and the child is not otherwise prohibited by law from possession such a firearm, and the child is traveling to the area in which he will be hunting or returning from that area and the firearm is not loaded, or the child is hunting pursuant to that license.

6. Except as otherwise provided in subsection 8, a child who is 14 years of age or older may handle or have in his possession or under his control a rifle or shotgun that is not a fully automatic firearm if the child is not otherwise prohibited by law from possessing the rifle or shotgun, without being accompanied by his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of him, if the child has the permission of his parent or guardian to handle or have in his possession or under his control the rifle or shotgun and the child is:

(a) Attending a course of instruction in the responsibilities of hunters or a course of instruction in the safe use of firearms;

(b) Practicing the use of a firearm at an established firing range or at any other area where the discharge of a firearm is permitted;

(c) Participating in a lawfully organized competition or performance involving the use of a firearm;

(d) Within an area in which the discharge of firearms has not been prohibited by local ordinance or regulation and he is engaging in a lawful hunting activity in accordance with chapter 502 of NRS for which a license is not required;

(e) Traveling to or from any activity described in paragraph (a), (b), (c) or (d), and the firearm is not loaded;

(f) On real property that is under the control of an adult, and the child has the permission of that adult to possess the firearm on the real property; or

(g) At his residence.

7. Except as otherwise provided in subsection 8, a child who is 14 years of age or older may handle or have in his possession or under his control, for the purpose of engaging in any of the activities listed in paragraphs (a) to (g), inclusive, of subsection 6, a firearm capable of being concealed upon the person, without being accompanied by his parent or guardian or an adult person authorized by his parent or guardian to have control or custody of him, if the child:

(a) Has the written permission of his parent or guardian to handle or have in his possession or under his control such a firearm for the purpose of engaging in such an activity; and

(b) Is not otherwise prohibited by law from possessing such a firearm.

2006 Nevada Hunting Laws & Regulations

General Hunting Regulations

Manner of Hunting (NRS 503.150)

1. Unless otherwise specified by commission regulation, it is unlawful to hunt:

(a) Any game bird or game mammal with any gun capable of firing more than one round with one continuous pull of the trigger, or with any full steel, full steel core, full metal jacket, tracer or incendiary bullet or shell, or any shotgun larger than number 10 gauge.

(b) Big game mammals in any manner other than with a rifle, held in the hand, that exerts at least 1,000 foot-pounds of energy at 100 yards, or with a longbow and arrow which meet the specifications established by commission regulation.

(c) Small game mammals in any manner other than with a handgun, shotgun, rifle, longbow and arrow or by means of falconry.

(d) Game birds with any rifle or handgun, or in any manner other than with a shotgun held in the hand, with a longbow and arrow or by means of falconry.

(e) Migratory game birds with any shotgun capable of holding more than three shells.

(f) Any game bird or game mammal with the aid of any artificial light.

(g) Any big game mammal, except mountain lions, with a dog of any breed.

2. Nothing in this section prohibits the use of dogs in the hunting of game birds or small game mammals.

Unlawful Use of Aircraft, Helicopter, Motor-driven Vehicle or Boat (NRS 503.010)

1. Except as otherwise provided in this section or subsection 2 of NRS 503.005, it is unlawful to molest, rally, stir up or drive any game mammals or game birds with an aircraft, helicopter or motor-driven vehicle, including a motorboat or sailboat.

2. Except as otherwise provided in this subsection, it is unlawful to shoot at any game mammals or game birds with a weapon from an aircraft, helicopter or motor-driven vehicle. A person who is a paraplegic, has had one or both legs amputated or has suffered a paralysis of one or both legs which severely impedes his walking may shoot from a stopped motor vehicle which is not parked on the traveled portion of a public highway, but he may not shoot from, over or across a highway or road specified in NRS 503.175.

3. It is unlawful to spot or locate game mammals or game birds with any kind of aircraft or helicopter and communicate that information, within 24 hours after the aircraft or helicopter has landed or in violation of a regulation of the Commission, by any means to a person on the ground for the purpose of hunting or trapping. The provisions of this subsection do not prohibit an employee or agent of the Department from providing general information to the public concerning the location of game birds or game mammals.

4. It is unlawful to use any information obtained in violation of the provisions of subsection 3 to hunt or kill game mammals or game birds.

5. It is unlawful to use a helicopter to transport game, hunters or hunting equipment, except when the cargo or passengers, or both, are loaded and unloaded at airports, airplane landing fields or heliports, which have been established by a department or agency of the Federal or State Government or by a county or municipal government or when the loading or unloading is done in the course of an emergency or search and rescue operation.

6.-7....

Scouting from Aircraft (NAC 503.148)

1. Except as otherwise provided in this section, a person shall not, for the purpose of hunting, locate or observe, or assist a person in locating or observing, any big game mammal in a management unit described in NAC 504.210 during the period beginning 48 hours before a big game hunting season opens until the close of the season in that management unit with the use of:

(a) An aircraft, including, without limitation, any device that is used for navigation of, or flight in, the air;

(b) A hot air balloon or any other device that is lighter than air; or

(c) A satellite or any other device that orbits the earth and is equipped to produce images.

2. For the purposes of subsection 1, the season for hunting a mountain lion which is open in a management unit shall be deemed not to be a big game hunting season during the period beginning after the big game hunting season for all other species of big game has closed in that management unit until the period beginning 48 hours before the opening of a big game hunting season established for hunting any other species of big game in that management unit.

3. Evidence of an act constituting a violation of subsection 1 includes, without limitation:

(a) Flying slowly at low altitudes;

(b) Hovering;

(c) Circling; or

(d) Repeatedly flying,

over a forest, marsh, field, woodland or rangeland where a big game mammal is likely to be found.

4. The provisions of this section do not apply to a person who:

(a) Is acting within the scope of his official duties and who is:

(1) An employee or authorized agent of this state;

(2) An employee of a municipal or county government of this state; or

(3) An employee of the Federal Government;

(b) Holds a scientific permit issued by the Department for the collection of wildlife and who is acting in compliance with the terms and conditions of the permit; or

(c) Holds a permit issued by the Department which authorizes the control of bobcats, coyotes or ravens from an aircraft and who is acting in compliance with the terms and conditions of the permit.

5. The provisions of this section do not authorize any act that is prohibited by NRS 503.010.

Carrying Loaded Gun in/on Vehicle

(NRS 503.165)

1. It is unlawful to carry a loaded rifle or loaded shotgun in or on any vehicle* which is standing on or along, or is being driven on or along, any public highway or any other way open to the public.

2. A rifle or shotgun is loaded, for the purposes of this section, when there is an unexpended cartridge or shell in the firing chamber, but not when the only cartridges or shells are in the magazine.

3. The provisions of this section do not apply to paraplegics, persons with one or both legs amputated or who have suffered a paralysis of one or both legs which severely impedes walking, or peace officers and members of the armed forces of this state or the United States while on duty or going to or returning from duty.

* Includes ATVs, motorcycles.

General Hunting Related Laws and Regulations

Firing Firearm from/over Roads (NRS 503.175)

Unless a greater penalty is provided in NRS 202.287, a person who discharges a firearm from, upon, over or across any federal highway, state highway as described in NRS 408.285, or main or general county road as designated in NRS 403.170, is guilty of a misdemeanor.

Possessing Firearm While Under Influence (NRS 202.257)

1. It is unlawful for a person who:
 - (a) Has 0.08 percent or more by weight of alcohol in his blood; or
 - (b) Is under the influence of any controlled substance, or is under the combined influence of intoxicating liquor and a controlled substance, or any person who inhales, ingests, applies or otherwise uses any chemical, poison or organic solvent, or any compound or combination of any of these, to a degree which renders him incapable of safely exercising actual physical control of a firearm, **to have in his actual physical possession any firearm.**
- 2.- 4....

Wildlife Transport Permit (NRS 503.040)

A transportation permit is required:

1. Whenever game mammals, game birds, game fish, mammals taken by trapping, or raw furs will be transported **out of the state** by any person **other** than the lawful harvester.
2. **Whenever a tagged species** (antelope, bighorn sheep, deer, elk, mountain goat, mountain lion, swan, and wild turkey) **will be transported anywhere by any person other than the lawful harvester; or**
3. Whenever **any** person will be transporting **more than one** possession limit of game mammals, game birds, game fish, mammals taken by trapping, or raw furs. **Permits are free when obtained from the Department. License agents may charge a fee. Permits are available from any game warden, Department offices, or certain license agents.** (See page 30 for a list of vendors who sell permits).

A person **may not** transport more than one daily limit of ducks, geese, swan, pigeons, dove, coots, moorhens (gallinules), or snipe between the place of harvest and his car, place of lodging, preservation facility or common carrier (see page 38).

Transportation of Animal to Taxidermist... Restrictions (NAC 502.403)

NAC 502.403 Transportation of animal legally harvested to taxidermist: Use of taxidermy record stub as transportation permit; restrictions.

1. Except as otherwise provided in this section, a person to whom a game tag has been lawfully issued may, in lieu of obtaining a transportation permit as described in NRS 503.040, use that portion of his game tag designated as the taxidermy record stub in the following manner:
 - (a) The person may ship by commercial carrier any nonedible game parts taken from the animal lawfully harvested under the authority of the tag to a commercial or noncommercial taxidermist licensed and located in this State. If such parts are placed for shipment, the taxidermy record stub must accompany the shipment.
 - (b) If the person reaches his place of residence with an animal which has been lawfully harvested under the authority of the tag or delivers the animal to a commercial processor for

processing, he may authorize another person to transport any nonedible game parts taken from the animal to a commercial or noncommercial taxidermist licensed and located in this State. The person shall, at the time of making the authorization, print in ink on the taxidermy record stub both the name of the authorized transporter and the date of the authorization. The taxidermy record stub must accompany the transportation of the parts.

(c) The person who is specified on the tag may deliver any nonedible game parts taken from the animal lawfully harvested under the authority of the tag to a commercial or noncommercial taxidermist licensed in any state.

2. Whenever antlers are shipped, transported or delivered in the manner provided in subsection 1, the holder of the game tag shall indicate in ink on the taxidermy record stub the number of both the left and right antler points.

3. If a person who holds a game tag delivers any nonedible game parts of a game animal which he has lawfully harvested under the authority of the tag to a taxidermist before the carcass of the animal is delivered for processing to a commercial processing plant or before the carcass of the animal is taken to or left at the holder's place of residence, the holder shall obtain from the taxidermist, and the taxidermist shall provide to the holder, an itemized receipt which includes the following printed information:

- (a) The date on which the nonedible game parts were received;
- (b) The species of game from which the nonedible game parts were taken;
- (c) A brief description of each of the nonedible game parts received; and
- (d) The number of antler points, both left and right, if any, of the animal.

Both the holder of the tag and the taxidermist shall sign the receipt. The holder of the tag shall retain possession of the receipt until he acquires physical possession of the nonedible game parts specified in the receipt from the taxidermist to whom the parts were delivered.

4. Except as otherwise provided in this section, a taxidermy record stub may not be used or possessed by any person other than the person to whom the game tag to which the stub is attached was issued.

5. A taxidermy record stub is valid only for the type of hunt, season and animal specified on the tag and may only be used as authorized in this section.

6. Nonedible game parts taken from a harvested game animal which is required to be presented to a representative of the Department for inspection and branding or sealing may not be shipped, transported or delivered pursuant to the provisions of this section until the animal has been properly inspected and branded or sealed by the Department.

7. The provisions of NAC 503.173 do not apply to a person who ships, transports or delivers nonedible game parts in compliance with the provisions of this section.

8. As used in this section, "nonedible game parts" means the hide, head, skull, antlers, horns, paws, hooves or claws of any game animal. The term does not include the carcass of the animal.

Be sure to unload your firearm fully before entering a vehicle!

General Hunting Related Laws and Regulations

Continued from page 16

Disguising Sex of Animals (NAC 503.175)

It is unlawful for a person to disguise or attempt to disguise the sex characteristics of any animal killed by him if sex characteristics are a determining factor in any regulation of the commission concerning hunting seasons for or possession of the animal.

Cape and Horns/Antlers of Wildlife must be Maintained with Carcass (NAC 503.173)

Except as otherwise provided in NAC 502.403, any person who kills a deer, elk, mountain goat, antelope or bighorn sheep shall, until the carcass is frozen, smoked, dried, consumed or accepted by a commercial processing plant for processing, maintain possession of **at least that portion of the cape or scalp that includes the ears to the base of the muzzle** and any antlers or horns. The cape or scalp and any antlers or horns from the animal must be possessed in such a manner that they remain or are kept together with the carcass of the animal.

Sale of Nonedible Parts (NAC 503.174)

The sale of the hide, head, antlers or horns or other nonedible parts of game animals which were legally killed is permitted.

Restrictions on Deer Hunting in Particular Areas; Prohibition on use or Possession of Certain Shotgun Rounds in Particular Areas (NAC 503.170)

1. In the fenced or cultivated lands of the Smith and Mason Valleys, in the Mason Valley Wildlife Management Area and in the zones within the Fort Churchill State Historic Park and the Lahontan State Recreation Area that are designated for hunting by the administrator of the division of state parks of the state department of conservation and natural resources:

(a) Deer may be hunted only with:

(1) A shotgun no larger than 10 gauge and no smaller than 20 gauge, using:

(I) Rifled slugs; or

(II) Shotgun rounds with sabots that contain rifled slugs, **or a single expanding projectile**; or

(2) A longbow and arrow.

(b) The use or possession of shotgun rounds with sabots that contain other than rifled slugs of conventional design is prohibited.

2. **A shotgun that is used to hunt deer pursuant to subsection 1 may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.**

3. In the Mason Valley Wildlife Management Area:

(a) Deer may be hunted only on the following days during the season set for the hunting of deer:

(1) Saturdays, Sundays and Wednesdays;

(2) _***_

(3) November 11, Veteran's Day;

(4) Thanksgiving Day; and

(5) Family Day, as declared pursuant to NRS 236.015

(b) Deer may be hunted only with longbow and arrow during the season set for the archery hunt for deer.

Hunting on Posted Lands Without Permission (NRS 503.240)

1. It is unlawful for any person to hunt, **fish in nonnavigable waters** or to trap upon or within any enclosed grounds which is private property where the person has been warned by the owner or occupant of the property not to trespass in the manner prescribed in NRS 207.200, or where the signs are displayed forbidding hunting, trapping or fishing without permission obtained from the owner or occupant of the private property.

2. Any person using such property for hunting or trapping purposes shall comply with the provisions of NRS 207.220.

Unlawful to Waste Game (NRS 503.050)

1. It is unlawful for any person to cause through carelessness, neglect or otherwise any edible portion of any game bird, game mammal, game fish or game amphibian to go to waste needlessly.

2. It is unlawful for any person to capture or destroy any game mammal, except a carnivore, and detach or remove from the carcass the head, hide, antlers, horns or tusks only and leave the carcass to waste.

3. For the purposes of subsection 1, "game bird" does not include a raven, crow or magpie even if classified as a game bird pursuant to NRS 501.110.

Camping Near Water Hole (NRS 503.660)

It is unlawful for any person to camp within 100 yards of a water hole in such a manner that wildlife or domestic stock will be denied access to such water hole.

Manner of hunting or trapping: Unlawful use of aircraft, helicopter, motor-driven vehicle or boat. (NRS 503.010)

1. Except as otherwise provided in this section or subsection 2 of NRS 503.005, it is unlawful to molest, rally, stir up or drive any game mammals or game birds with an aircraft, helicopter or motor-driven vehicle, including a motorboat or sailboat.

2. Except as otherwise provided in this subsection, it is unlawful to shoot at any game mammals or game birds with a weapon from an aircraft, helicopter or motor-driven vehicle. A person who is a paraplegic, has had one or both legs amputated or has suffered a paralysis of one or both legs which severely impedes his walking may shoot from a stopped motor vehicle which is not parked on the traveled portion of a public highway, but he may not shoot from, over or across a highway or road specified in NRS 503.175.

3. It is unlawful to spot or locate game mammals or game birds with any kind of aircraft or helicopter and communicate that information, within 24 hours after the aircraft or helicopter has landed or in violation of a regulation of the Commission, by any means to a person on the ground for the purpose of hunting or trapping. The provisions of this subsection do not prohibit an employee or agent of the Department from providing general information to the public concerning the location of game birds or game mammals.

4. It is unlawful to use any information obtained in violation of the provisions of subsection 3 to hunt or kill game mammals or game birds.

5. It is unlawful to use a helicopter to transport game, hunters or hunting equipment, except when the cargo or passengers, or both, are loaded and unloaded at airports, airplane landing fields or heliports, which have been established by a department or agency of the Federal or State Government or by a county or municipal government or when the loading or unloading is done in the course of an emergency or search and rescue operation.

6. The provisions of subsection 1 do not apply to an employee or agent of the Department who, while carrying out his duties, conducts a survey of wildlife with the use of an aircraft.

Legal Weapons by Type of Hunt (NRS 503.150, NAC 503.142, NAC 503.187, NAC 503.183, NAC 503.144)

1. Any-Legal-Weapon Hunt: (NRS 503.150)

During a big game hunt that authorizes the use of "any legal weapon," the following types of weapons are allowed: centerfire rifle, centerfire handguns, muzzleloading rifle or musket, shotguns (deer and mountain lion only), and archery equipment, **as described below under legal weapons**. Muzzleloading rifles or muskets must meet the same characteristics as that described below for the muzzleloader-only hunt, but **may have** a rifle scope.

NOTE: Changes are pending for 2007 hunts that would allow longbows.

2. Muzzleloader-Only Hunt (NAC 503.142)

During a type of hunt that is restricted to muzzle-loading firearms, a person may hunt a big game mammal only with a muzzle-loading rifle or muzzle-loading musket, and may use only a lead ball, a lead bullet, a semijacketed bullet or a metal alloy bullet that expands. The use of smokeless powder is prohibited. Only black powder or a black powder substitute such as Pyrodex or Triple 7 may be used as a propellant. A sabot round may be used. The muzzle-loading rifle or muzzle-loading musket must have the following characteristics:

(a) A wheel lock, matchlock or flintlock ignition system, or a percussion ignition system that uses a primer or percussion cap; (b) A single barrel of caliber .45 or larger; and (c) Open sights or peep sights. The use of a sight that is operated or powered by a battery, electronics or a radioactive isotope such as tritium is prohibited.

The muzzle-loading rifle or the muzzle-loading musket is deemed to be not loaded if the priming compound or element, such as the priming powder or the unfired primer or percussion cap, is removed.

During a type of hunt that is restricted to muzzle-loading firearms, it is unlawful for a person hunting under the authority of a tag for such a hunt to carry in the field a firearm or longbow and arrow except for:

- (a) A muzzle-loading rifle or a muzzle-loading musket with the characteristics set forth in subsection 1; or
- (b) A flintlock or percussion handgun. However, it is unlawful to use such a handgun to hunt a big game mammal.

During a type of hunt in which the use of any legal weapon is authorized by a regulation of the Commission, a person may hunt a big game mammal with a muzzle-loading rifle or muzzle-loading musket only if:

- (a) The muzzle-loading rifle or muzzle-loading musket has:
 - (1) A single barrel of caliber .45 or larger; and
 - (2) Open sights, peep sights or a rifle scope.
- (b) The person uses a lead ball, a lead bullet, a semijacketed bullet or a metal alloy bullet that expands. A sabot round may be used.

The muzzle-loading rifle or muzzle-loading musket is deemed to be not loaded if the priming compound or element, such as the priming powder or the unfired primer or percussion cap, is removed.

3. Archery Hunt (NAC 503.144)

A longbow used in hunting a big game mammal must, in the hands of the user, be capable of throwing a 400 grain arrow 150 yards over level terrain. Arrows used in hunting big game mammals must be at least 24 inches long and have:

- (a) Fixed broadheads that are at least 7/8-inch wide at the widest point; or
- (b) Expandable, mechanical broadheads that are at least 7/8-inch wide at the widest point when the broadhead is in the open position.

Legal Weapons and Methods of Take by Species

Legal Weapons for Big Game Mammals Include:

Centerfire rifle, held in the hand, of .22 caliber or larger.

Centerfire handgun: Must have a barrel length of 4 inches or more and use a cartridge of caliber .22 or larger with an overall loaded length of 2 inches or more; **OR**, .24 caliber or larger with a case length which equals or exceeds that of a .44 Remington magnum case.

Longbow and arrow: as described above in number 3.

Muzzleloading rifle and musket as described above in number 2. NAC 503.145 Sight attached to firearm or longbow. (NRS 501.105, 501.181, 503.150) The Board of Wildlife Commissioners hereby establishes the following exception to paragraph (f) of subsection 1 of NRS 503.150. Except as otherwise provided by paragraph (c) of subsection 1 of NAC 503.142, a sight attached to a firearm or longbow that is used to hunt a game mammal or game bird may be illuminated or powered by:

- 1. A battery contained within the sight;
- 2. Light-gathering fiber optics;
- 3. A radioactive isotope such as tritium; or
- 4. Iridescent or fluorescent paint.

It is unlawful for a person to hunt a game mammal or a game bird with a weapon that is equipped with a sight that is capable of casting or projecting a beam of light from the sight to the animal.

Shotgun: The only big game animals that may be hunted with a shotgun are deer and mountain lion. **For deer only rifled slugs or shotgun rounds with sabots that contain a single expanding projectile may be used. A shotgun that is used to hunt deer or mountain lion may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.** No shotgun smaller than 20 gauge or larger than 10 gauge may be used. (See NAC 503.170, page 44, for legal weapons allowed

on the Smith and Mason Valleys and in the Fort Churchill and Lahontan State Recreation Area zones).

Legal Weapons for Hunting Turkey: (NAC 503.187)

Turkey may be taken only with a shotgun that is no larger than 10 gauge, nor smaller than 20 gauge and uses a shot size no larger than a number 2 pellet; or longbow and arrow. 3. Shot used to hunt wild turkey on a wildlife management area must be: **(a) non-toxic shot; and (b) not larger than standard-size T.**

Legal Methods of Take for Small Game Mammals:

Small game mammals (cottontail, white-tailed jackrabbits) may be taken with a handgun, shotgun, rifle, longbow and arrow, or by falconry.

Legal Methods of Take for Game Birds: Game birds may be taken with a shotgun no larger than 10 gauge held in the hand, longbow and arrow, or by falconry.

Legal Methods of Take for Migratory Game Birds:

Ducks, mergansers, geese, swans, dove, coots, common moorhens (gallinules), and snipe may be taken only with a shotgun plugged to limit shot-shell capacity to three, longbow and arrow, or by falconry.

Nontoxic shot: when hunting ducks, mergansers, geese, swans, coots, common moorhens (gallinules) or snipe, a hunter must use nontoxic shot. It is unlawful to possess shells that contain anything other than nontoxic shot when hunting these birds. **Nontoxic shot must be used for all species on Wildlife Management Areas. See page 44.** (NAC 503.183)

Ammunition Restrictions - Full Automatic Weapons Big game and game birds:

No full steel, full steel core, full metal jacket, tracer or incendiary bullets or shells may be used. Firearms must not be capable of firing more than one round with one continuous pull of the trigger.

2006 Nevada Hunting Laws & Regulations

Common Violations

The vast majority of hunters, trappers and anglers do their best to abide by the wildlife laws and regulations. For those people who fail to follow the law, convictions of wildlife law may carry serious penalties, including criminal fines up to \$5,000, jail, civil penalties up to \$5,000, loss of equipment and lost license privileges.

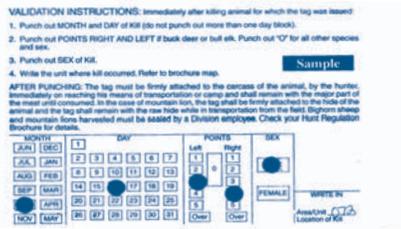

Here is a list of the eight most common violations in the field. Check twice, take due care, and you too can avoid unnecessary citations, costly fines, and loss of equipment and hunting privileges.

If you make a mistake - for example shooting a spike, or small forked-horn deer instead of an antlerless deer - report it immediately to the local game warden or **Operation Game Thief (OGT) at 1-800-992-3030**. Follow any instructions that are provided to you and wait for the warden to arrive. Taking the opposite approach, such as hiding or wasting game, will carry much more serious consequences.

1. Failure to Properly Punch Tag Immediately after Taking Game

Upon reaching game, **immediately** validate (punch) the tag with a knife or other sharp object. Marking it with a pencil or pen is not acceptable. **This is a misdemeanor offense.**

If a tag is used to kill more than one animal, the crime is punishable as a category E felony and all equipment used in the crime is subject to forfeiture, including guns, and vehicles.

2. Hunting Outside Unit Area Designated on Tag

Double-check the hunt area/unit designated on your tag, and review the boundary unit descriptions on the reverse of the Department's Big Game Boundary Unit Reference Map. Purchase detailed reference maps. Know where you are. **This is a misdemeanor offense, but if an animal is killed, it can escalate to a felony.**

3. Loaded Gun in/on Vehicle

Nevada law prohibits carrying loaded rifles and shotguns in or on vehicles, including ATVs, motorcycles, snowmobiles, etc. After hunting on foot, unload the gun before placing it in or on the vehicle. **This is a misdemeanor offense.**

4. Using Tag of Another

This is a surprisingly common violation. Only the person named on the tag may use or possess the tag. **This violation is now considered a felony offense if an animal is harvested.**

5. License and Tag Fraud

Providing false information (for example, claiming to be a Nevada resident, using a false date of birth, or fictitious name, etc.) to obtain a license is a misdemeanor. Providing false information to obtain a big game tag is a gross misdemeanor, and killing a

big game mammal with such a tag is a felony. This activity steals tags from lawful sportsmen.

6. Possessing an Over Limit of a Species

Possession Limit is the maximum number of a species that one person can legally take and control at any one time—this includes animals held in the freezer and ice chest.

Daily Limit is the maximum number of a species that is allowed to be harvested in any given day.

For example: A chukar hunter looks at the following possession table before going hunting.

	Daily Limit	Poss. Limit
Chukar and Hungarian	6	12

He takes five chukar opening day, goes home, puts them in the freezer, and goes out the second day and takes six more chukar. On the third day, he goes out. How many chukar may he legally take? Answer: **One**, unless, he eats or gives away additional chukar.

Explanation: The hunter was one bird under his daily limit the first day, and took his daily limit the second day. He possessed 11 birds, allowing him to legally harvest one more bird on a third or subsequent day, allowing him to complete a possession limit of 12.

7. Early/Late Shooting

Do not shoot at game before or after the designated hunting hours. Check the sunset/sunrise and hunts by species table. Sunset does not mean dark! **(Refer to legal hunting hours by species on page 12. Also see sunrise/sunset tables pages 57-62).** **This is a misdemeanor offense.**

8. Unplugged Shotgun (Waterfowl and Dove Hunters)

Waterfowl and dove hunters may not use shotguns capable of holding more than three shells. Shotguns must be plugged and rendered incapable of holding more than three shells. **Shotguns must also be plugged in all wildlife management areas regardless of species. This is a misdemeanor offense.**

NOTE: Special firearms restrictions are in effect at Wildlife Management Areas (page 44) and National Wildlife Refuges (page 49).

Areas Closed to Hunting and Trapping

Note: This is not an all-encompassing list of areas closed to hunting by federal, state, and local regulations. Please contact the appropriate tribe or land management agency for information on hunting closures in specific areas.

The following areas are closed to all hunting and trapping: (NAC 504.340)

1. Those portions of the Lake Mead National Recreation Area which are within:

(a) A 1-mile radius of Overton Landing, Willow Beach, Rogers Spring, the area for cabins at Stewart's Point, Echo Bay, Eldorado Canyon, Cottonwood Cove and the petroglyphs of Grapevine Canyon.

(b) The Lower or Boulder Basin, including all of the area from Hoover Dam to a line running north and south near the peninsula between Hamblin Bay and Rotary Cove. The townships or portions of them located within the Lake Mead National Recreation Area and included within this closed area are: T. 20 S., R. 63 E., R. 64 E., R. 65 E.; Sections 6, 7 and 18 of T. 21 S., R. 66 E.; T. 21 S., R. 63 E., R. 63 1/2 E., R. 64 E., R. 65 E. and T. 22 S., R. 64 E. and R. 65 E., M.D.B. & M.

(c) A 1/2-mile strip parallel to the west shoreline of Lake Mohave from Hoover Dam south to a point 2 miles south of the campground at Willow Beach.

(d) The area of land extending 1/2 mile west of the water elevation of Lake Mohave and the Colorado River between the southern boundary of the Lake Mead National Recreation Area and the crossing of those cables of the power line located approximately 5 1/4 miles north of Davis Dam and all waters between that cable and the southern boundary.

2. All portions of the Stillwater National Wildlife Refuge in Churchill County south of Division Road, except that trapping is allowed to the extent authorized pursuant to 50 C.F.R. §§ 31.14 and 31.16.

3. All portions of the Ruby Lake National Wildlife Refuge, except that:

(a) Hunting is allowed pursuant to 50 C.F.R. § 32.47 on designated areas of the refuge in Elko and White Pine counties and to the extent authorized by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118; and

(b)

4. All portions of the Death Valley National Park.

5. All portions of the Sheldon National Wildlife Refuge, except that hunting is authorized on designated areas of the refuge pursuant to 50 C.F.R. § 32.47, to the extent permitted by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

6. All portions of Clark, Lincoln and Nye counties within the boundaries of the Nellis Air Force Range, the Nevada Test Site and the Desert National Wildlife Refuge, except

that the hunting of bighorn sheep is authorized in certain described portions of the Desert National Wildlife Refuge pursuant to 50 C.F.R. § 32.47 and the Nellis Air Force Range, to the extent authorized by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

7. All portions of Clark, Lincoln and Nye counties within the boundaries of the Nellis Air Force Range, the Nevada Test Site and the Desert National Wildlife Refuge, except

that certain described portions of the Desert National Wildlife Refuge, not within the Nellis Air Force Range, will be opened for the hunting of deer pursuant to 50 C.F.R. § 32.47, to the extent authorized by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

8. All portions of the Pahrangat National Wildlife Refuge

in Lincoln County, except that hunting is permitted on designated areas of the refuge pursuant to 50 C.F.R. § 32.47, to the extent authorized by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

9. All portions of the Great Basin National Park.

10. All portions of the Ash Meadows National Wildlife Refuge, except that hunting is permitted on designated areas of

the refuge pursuant to 50 C.F.R. § 32.47, to the extent authorized by the board of wildlife commissioners in regulations governing seasons, hours and bag limits adopted pursuant to NRS 501.118.

Big Game Tag Regulations

Note: Additional requirements for Mountain Lion Tags appear on page 36.

Use of Tags (NAC 502.385) 1. The tag must be carried by the owner at all times while he is hunting or trapping, or while he is fishing, for wildlife for which a tag is required. It is unlawful for any person to use or possess a tag issued to any other person or to transfer or give a tag issued to him to any other person.

2. It is unlawful for a person to use any tag in a management area or unit for which it is not intended or to use a tag at any time other than at the time intended.

3. After it has been issued, a tag may not be exchanged or a refund made except in accordance with the policies and regulations of the Commission.

Validation of Tag (NAC 502.390) When a person reaches any wildlife which he has killed, he must validate his tag by cleanly punching out the spaces necessary to properly identify the physical description of the animal including its sex and antler points, where appropriate, and the day and month of the kill.

Tag Must be Attached to Animal (NAC 502.400) 1. Except as otherwise provided in subsection 2, the owner of a tag must firmly attach it to the carcass of an animal killed by him, at or before the time he first reaches his means of transportation or camp. The tag must remain with the major portion of the meat until it is consumed.

2. If the animal killed is a mountain lion or furbearing mammal for which a tag is required, the owner of the tag must firmly attach it to the hide or pelt of the animal. The tag must remain attached to the hide while it is transported and until it is processed.

Bighorn Sheep Tags (NAC 502.345) 1. Unless his privilege is limited or revoked pursuant to law, any resident of Nevada or nonresident is eligible to apply for a tag for one or more of the following subspecies of bighorn sheep: (a) Nelson (Desert) bighorn sheep; (b) California bighorn sheep; or (c) Rocky Mountain bighorn sheep, if he did not receive a tag or replacement tag for that subspecies in the previous 5 open seasons or kill a bighorn sheep of that subspecies in the previous 10 open seasons.

2. Except as otherwise provided in **subsection 3 or 4**, if an applicant, upon a drawing, becomes eligible for a tag for a bighorn sheep in any management area, he or his guide or subguide who is licensed by this state, must attend an indoctrination course relating to bighorn sheep. The tag will be issued upon the completion of the course. (**NOTE: See page 54 for list of indoctrination courses.**)

3. An applicant, upon a drawing, who becomes eligible for a tag for a bighorn sheep in any management area, is not required to attend an indoctrination course if: (a) Upon a drawing conducted in 1990, or later, he was eligible to draw a tag for a bighorn sheep in any management area; and (b) He attended and completed an indoctrination course relating to bighorn sheep after the date that he became eligible for the tag.

4. A master guide or subguide licensed by the Department who attends and completes an indoctrination course relating to bighorn sheep in 1998, or later, will not be required to attend another such indoctrination course.

5. Any person electing to have a licensed guide or subguide attend the indoctrination course may hunt only under the direct supervision of the guide or subguide who attended the course.

6. Each hunter shall possess a binocular with a minimum power of 5 magnifications or a spotting scope with a minimum power of 15 magnifications while hunting bighorn sheep.

7. A person who kills a bighorn sheep regardless of subspecies shall, within 5 days after killing it, **personally** present the skull and horns of the animal to a representative of the Department for inspection. The inspector shall permanently attach a seal to or permanently brand an identification number on one of the horns. It is unlawful for any person to possess or sell the horns without a seal having been so attached or number so branded.---

8. Any person who transfers ownership of a skull of a bighorn sheep to which a seal has been attached or an identification number has been

branded pursuant to this section shall give written notice of the transfer to the Department within 10 days after the transfer.

Mountain Goat Tags (NAC 502.364) 1. Before a person may hunt a mountain goat, he must obtain a tag from the Department. Except as otherwise provided by a regulation of the Commission or Title 45 of NRS, a person of the State of Nevada may apply once for a mountain goat tag in any year. Except as otherwise provided by NRS 502.215 and NAC 502.321, a person who obtains a mountain goat tag or replacement tag for a mountain goat may not apply for another mountain goat tag during his lifetime.

2. A person who harvests a mountain goat shall, within 5 days after harvesting it, **personally** present the skull, hide and any edible portion of the animal, or its carcass to a representative of the Department for inspection.

Antelope Tags (NAC 502.341) 1. Unless his privilege is limited or revoked pursuant to law, any resident of Nevada or nonresident is eligible to apply once in any year for one of the following tags:

(a) A tag for the general hunt for antelope if he did not receive a tag or replacement tag for the general hunt for antelope during the 5 previous years. (b) A tag for the archery hunt for antelope.

2. Any person who obtains a tag or replacement tag for the general hunt for antelope during a season is not eligible to apply for another tag for the general hunt for antelope during the next five open seasons.

3. Except as otherwise provided in NRS 502.215 and NAC 502.321, any person who harvests an antelope in the general hunt or in the archery hunt for antelope is not eligible to apply for another tag for the general hunt or the archery hunt during the next five open seasons.

Elk Tags (NAC 502.361) 1. Except as otherwise provided in subsection 3 or unless his privilege is limited or revoked pursuant to law, a person is eligible to apply once for a bull elk tag in any year if he did not receive a bull elk tag or a replacement tag for a bull elk in the previous 5 years. Unless his privilege is limited or revoked pursuant to law, a person is eligible to apply once for an antlerless elk tag in any year.

2. Unless his privilege is limited or revoked pursuant to law, a person is eligible to apply once for a spike elk tag in any year if he did not receive a spike elk tag or a replacement tag for a spike elk in the previous year.

3. A person who obtains a bull elk tag or a replacement tag for a bull elk and is successful in harvesting a bull elk is not eligible to apply for another bull elk tag during the next 10 years.

2006 Big Game Harvest Questionnaire The questionnaire or the information required by the questionnaire issued as part of a tag must be properly completed and received by the Wildlife Administrative Services Office, P.O. Box 1345, Fallon, Nevada 89407-1345, or submitted online at www.huntnevada.com no later than 5 p.m., 15 weekdays after the close of the season to which the tag applies. Questionnaires may be submitted by phone, faxed to (775) 423-0799, or online. Please follow-up with the Wildlife Administrative Service office to make sure your questionnaire has been received.

Any person who fails to return the questionnaire **or the information required by the questionnaire** within the period specified, or who submits incomplete or false information on the questionnaire will be denied all big game tags for one year. A person who has been denied a tag pursuant to this subsection may have those privileges reinstated if he:

Big Game Tag Regulations

Harvest Questionnaire - Continued from page 21

(a) Pays to the Department an administrative fine of \$50 for each such questionnaire.

(b) _***_

The administrative fine for failure to return the 2006 big game hunting questionnaire must be paid by money order or cashier's check payable to the Department of Wildlife, License Office, 4600 Kietzke Ln #D-135, Reno, NV 89502 **on or before March 16, 2007.**

Cancellation of Tag & Conditions of Refund

NAC 502.422 is hereby amended to read as follows: 502.422.

1. The Department may cancel a tag and provide a refund if the Department issues the tag in error.

2. The Department shall provide a refund if the holder of a tag:

(a) Or a person to whom he is related within the third degree of consanguinity or affinity dies, as verified by a certificate of death; **(b) Or a person to whom he is related within the third degree of consanguinity or affinity incurs** a disability, as verified in writing by a physician, which prevents him from hunting during the season for which the tag was issued; or **(c) Is serving in the Armed Forces of the United States and is transferred**, as verified by a copy of his orders or other proof satisfactory to the Department, to a location which makes it impracticable for him to hunt in the area for which the tag was issued, **and except as otherwise provided in section 1 of LCB File No. R114-05, which was adopted by the Board of Wildlife Commissioners and which was filed with the Secretary of State on October 31, 2005**, his tag is returned to the Department before the opening day of the season for which the tag was issued except as otherwise provided in section 2, subsection 3 of this regulation. If the holder obtained his hunting license with his tag, the hunting license may be returned with the tag.

3. If a tag refund is provided pursuant to this section, the Department shall: (a) Return all the fees submitted with the application for the tag except the fees required pursuant to NRS 502.253 and NAC 502.331; and (b) Treat the recipient of the refund, with respect to his eligibility to obtain a tag and to be awarded a bonus point, as if the tag had not been issued and the applicant was unsuccessful except as otherwise provided in NAC 502.4225 subsection 2.

4. Except as otherwise provided in NAC 502.421, the Department is not required to refill a quota for the issuance of tags if the application of this section reduces the number of tags issued to less than a quota.

NAC 502.4225 is hereby amended to read as follows: 502.4225. 1. An applicant who fails to obtain a tag may obtain a refund of the fee for his hunting license if the license is not a combined hunting and fishing license and he: (a) Purchased the license solely to apply for a tag; (b) Does no hunting under the authority of the license; and (c) Submits the license to the Department on or before the last weekday of August of the year in which the license was valid. The Department shall accept the license only if it is received on or before that date.

2. If an applicant obtains a refund pursuant to the provisions of subsection 1, the applicant will not be awarded any bonus points as provided in NAC 502.4187.

Drawing for tags: Notification; restrictions NAC 502.4237

1. If the Department conducts a drawing for the issuance of nonresident deer tags pursuant to the provisions of NRS 502.147, the Department shall provide to the master guides specified on the applications submitted notification by mail of the date, time and location of the drawing.

2. **Not** more than 30 successfully drawn applications for restricted nonresident deer tags upon which the same master guide is named may be granted by the Department. If 30 such applications have been approved by the Department, the Department shall deny all applications submitted which exceed that number.

3. An applicant who submits an application pursuant to this subsection may **not** apply for a nonresident deer tag **in the main draw in the same year.**

Sec. 12. 1. This section and sections 1 to 10, inclusive, of this regulation become effective on February 23, 2006. **Nonresidents please note that the above will go into effect for next year's (2007) hunts.**

NDOW Encourages Applicants To Do Their Homework

Hunters are advised to develop some familiarity with units where they apply to hunt. For many hunts there are characteristics that can affect your chances for success, including: 1) restrictions or difficulties in accessing the hunt area due to private land ownership, wilderness or consistent winter weather patterns, 2) difficult terrain, heavy tree cover, or other natural hindrances, 3) varying big game densities – for example many deer herds may be significantly reduced compared to what they were in the past, and 4) trends in trophy quality or age of animals harvested among unit groups.

The Department has spent a considerable amount of time assembling information for hunters to use in educating themselves about the area and hunt they are wishing to apply for. These include: Big Game Information Information Sheets (facts for each unit group big game hunt on terrain, vegetation, land ownership, hunter access, map references, local services, and recommended hunting areas), big game draw odds, hunter success rates, harvest point class, and bighorn sheep age and scores. Please take the time to go online and access this information at our website at www.ndow.org. For those lacking computer access, visit or call the NDOW regional office closest to your home to obtain these materials. You may be charged a fee to help defray administrative time. In either case, use these materials to help you determine where to apply for your next big game hunt in Nevada. Hunter information sheets also reveal which federal or state agencies have land management responsibilities in the unit. These agencies can provide maps and information about camping sites, off-highway travel, campfire restrictions and other important facts and policies.

Elk Incentive Tags

Special incentive elk tags are awarded to landowner applicants as an incentive to support an increase in the elk populations in Nevada. Any owner, lessee or manager of private land who wishes to participate in the program may enter into an agreement with the Department that specifies how the landowner will support increases in the local elk herds, and provides that the landowner will agree to provide reasonable public access to adjacent public lands.

Landowners or hunters who are interested in the elk incentive tag program may contact the Nevada Department of Wildlife Headquarters at (775) 688-1507 for more information.

Resident Junior Mule Deer - Antlered - or - Antlerless Archery, Muzzleloader, or Any Legal Weapon Hunt 1107

The Junior Youth Hunt is an either sex hunt; tag holders can harvest a buck or a doe. This tag allows the junior hunter to hunt during the archery season when the unit is open for archery only; to hunt with a muzzleloader when the unit is open for muzzleloader only; and to hunt with any legal weapon when the unit is open for any legal weapon. If a junior hunt applicant is unsuccessful in drawing a tag, bonus points will be awarded for the junior hunt only. Junior hunt applicants are not eligible for the Partnership in Wildlife draw.

Youth must be 12 prior to the opening of the first hunt season applied for (usually archery), and no older than 16 by the end of the last season applied for (usually rifle). Quota listed is for all hunts combined in the unit group.

2006 Nevada Hunting Laws & Regulations

Operation Game Thief Success Depends on YOU!

By Jim Herndon

The success of Operation Game Thief (OGT) hinges on the involvement of concerned sportsmen and women across the state. The crimes detected, prosecuted and even prevented are all due to the ethical hunters and anglers in Nevada as much as the game wardens who investigate and foil these crimes.

In one instance, a poacher from Bakersfield, Calif. was recently convicted of a gross misdemeanor for unlawful killing of a big game animal. He was sentenced to 24 months probation, a \$1,500 fine and a \$2,000 civil penalty. His accomplice pled guilty to a felony count of ex-felon in possession of a firearm and a gross misdemeanor for killing a big game animal without a valid tag. He was sentenced to 48 months on the firearms charges and 10 months on the poaching charge. The sentence was suspended, but he was still required to pay a \$5,000 civil penalty. This case was successfully solved—in large part—with information from sportsmen.

When three men from California thought they could continue to harvest Nevada deer with *Utah* deer tags, they were discovered and apprehended with information from concerned sportsmen. These men recently pled guilty to a variety of charges, including felony taking of a big game animal. The triggerman was sentenced to 90 days in jail, a \$500 fine and a \$5000 civil penalty for the felony. His accomplices pled to a variety of charges including hunting during

closed season, hindering a game warden, transfer of a big game tag and for failure to properly punch a big game tag.

In Tonopah, a Henderson man was sentenced to five days in jail, suspended, \$600 in fines and \$500 civil penalty for leaving approximately 350 pounds of meat in the field to waste. He had taken a bull elk with a valid tag, but only removed about 40 pounds of meat and the antlers.

All these successful investigations hinged on information from Nevada's citizens. As a self-funded program, OGT relies not only on tips and information, but also monetary donations from concerned sportsmen and women. **Only through the financial support from you—can OGT continue to provide the tools necessary for the successful apprehension and prosecution of wildlife law violators and protect wildlife resources for future generations.**

If you ever want to volunteer or participate with OGT, contact the Department of Wildlife at (775) 688 - 1500. To report suspected wildlife crimes, call OGT at 1-800-992-3030 or make the report online at www.ndow.org. Anonymity is guaranteed, and rewards are paid upon the completion of prosecution.

Aerial and Ground Surveys Being Conducted by NDOW

The Department of Wildlife conducts extensive big game aerial and ground surveys to collect data on herd status for season and tag quota determination and for herd management. **Due to the length of Nevada's numerous hunting seasons, and the extensive distribution of Nevada's big game animals, the optimal time period to conduct surveys is limited. On rare occasions hunters may encounter biologists performing either aerial or ground survey activities, but all efforts will be made to minimize the potential for conflict.**

If you are unsure whether or not an aircraft or ground vehicle is performing a legitimate herd status survey, please report the incident to a NDOW office with the time, date, location, and aircraft/vehicle description.

2006 Nevada Hunting Laws & Regulations

Nonresident Guided Hunt Deer Tags

There are 114 licensed master guides in Nevada that provide guide services for big game, game birds, game fish and unprotected wildlife. Different hunters often desire to hire a guide for different reasons, ranging from a novice hunter that is a little uncomfortable with trekking into the remote Nevada outback to an experienced hunter who draws the tag of a lifetime, like a desert bighorn or bull elk tag.

When booking a guided hunt be sure that the master guide you hire is licensed to provide guide service in Nevada and be sure that you are provided with a contract before services are provided. If you are a nonresident of Nevada you may participate in the nonresident restricted guided deer draw, a program that allots a number of tags specifically for a guided deer hunt.

If you would like to become a master guide or subguide in Nevada you can learn about experience requirements, licensing fees, laws and the application process at www.ndow.org and clicking on the guide section.

Many hunters may never use or even see a guide, but understanding the rules, who can guide and how the process works can save problems for those hunters who want to use this type of service. **NOTE: Beginning in 2007 guides may only be granted 30 successful applications.**

Restricted Nonresident Deer Tags:(NRS 502.4237)

Master Guide Tag Limits

1. If the Department conducts a drawing for the issuance of nonresident deer tags pursuant to the provisions of NRS 502.147, the Department shall provide to the master guides specified on the applications submitted notification by mail of the date, time and location of the drawing.

2. **Not** more than 30 successfully drawn applications for restricted nonresident deer tags upon which the same master guide is named may be granted by the Department. If 30 such applications have been approved by the Department, the Department shall deny all applications submitted which exceed that number.

3. **An applicant who submits an application pursuant to this subsection may not apply for a nonresident deer tag in the main draw in the same year.**

Sec. 12. 1. This section and sections 1 to 10, inclusive, of this regulation become effective on February 23, 2006.

Restricted Nonresident Deer Tags:(NRS 502.148)

Application; Fees; Eligibility For Other Tags

NOTE: Applications are made available to master guides in February of each year.

1. Except as otherwise provided in this subsection, any person who wishes to apply for a restricted nonresident deer tag pursuant to NRS 502.147 must complete an application on a form prescribed and furnished by the Department. A licensed master guide may complete the application for an applicant. The application must be signed by the applicant and the master guide who will be responsible for conducting the restricted nonresident deer hunt.

2. The application must be accompanied by a fee for the tag of \$300, plus any other fees which the Department may require. The Commission shall establish the time limits and acceptable methods for submitting such applications to the Department.

3. Any application for a restricted nonresident deer tag which contains an error or omission must be rejected and the fee for the tag returned to the applicant.

4. A person who is issued a restricted nonresident deer tag is not eligible to apply for any other deer tag issued in this state for the same hunting season as that restricted nonresident deer hunt.

5. All fees collected pursuant to this section must be deposited with the state treasurer for credit to the wildlife account in the state general fund.

Restricted Nonresident Deer Tags:

(NRS 502.149) Guide to accompany hunter during hunt. A restricted nonresident deer hunter must be accompanied at all times during the restricted nonresident deer hunt by the licensed master guide who cosigned the application or one of his licensed subguides.

Funds Benefit Wildlife Heritage Trust

The funds donated through PIW are placed in the Wildlife Heritage Trust account. Only the interest generated from these funds will be used each year for special projects benefiting game species. We hope that the Wildlife Heritage Trust account will one day become a stable, long-term source of revenue for game management. PIW promises to benefit both Nevada's wildlife and the sportsmen by providing voluntary support of game management programs and providing a hunting opportunity that would not otherwise be available to most sportsmen in Nevada.

2006 Nevada Hunting Laws & Regulations

2006 Wildlife Heritage Tags

The Board of Wildlife Commissioners under the authority of sections 501.181, 502.140, 502.250, 503.120 and 503.140 of the Nevada Revised Statutes, does hereby adopt the following regulation for the management of the big game resource.

2006 Emergency Depredation Hunts

Applications: For all emergency depredation hunts, prospective emergency depredation hunt participants will be selected from the unit group alternate list established for the nearest similar hunt. If an emergency depredation problem occurs on a geographic area where a mule deer hunting season is not established, the alternate list from the closest unit group will be used to select hunters.

In the event the quota for the emergency depredation hunt cannot be filled from the selected hunt unit group alternate list, the next closest hunt unit group alternate list will be used. Eligibility restrictions concerning successive years' hunts as in Nevada Administrative Code 502.341 do not apply to this hunt.

Resident Mule Deer Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #1104 for antlerless mule deer, hunt number #1105 for antlered mule deer, and hunt number #1106 for either class of mule deer.

Open Season: Individual designated emergency depredation hunts may occur between July 1 and February 28 of the following year.

Tag Quota: Not to exceed 500 tags statewide for all designated emergency depredation mule deer hunts.

Resident Antelope Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #2104 for antelope with horns shorter than ears, hunt number #2105 for antelope with horns longer than ears, and hunt number #2106 for either class of antelope.

Open Season: Individual designated emergency depredation hunts may occur between July 1 and February 28 of the following year.

Tag Quota: Not to exceed 500 tags statewide for all designated emergency depredation antelope hunts.

Resident Elk Emergency Depredation Hunt

Legal Weapon: To be determined by hunt.

Class of Animal: To be determined by the Department for each designated emergency depredation hunt. Hunt number #4104 for antlerless elk, hunt number #4105 for antlered elk, and hunt number #4106 for either class of elk.

Open Season: Individual designated emergency depredation hunts may occur between July 1 and February 28 of the following year.

Tag Quota: Not to exceed 500 tags statewide for all designated emergency depredation elk hunts.

Mountain Lion Regulations

NOTE: Mountain Lions are big game mammals. A tag is required to hunt Mountain Lions. Only legal weapons allowed for big game may be used, including shotguns. Rimfire .22's are not legal to hunt lions.

Mountain lion tags are available over the counter at all license agents statewide and online at www.ndow.org. Please call the Harvest Information Hotline at 1-800-800-1667 to determine which units remain open.

Mountain lion tags: Eligibility; expiration; duties upon harvesting; restrictions; report of accidental trapping or killing. (NAC 502.370)

1. Unless otherwise specified by regulation of the Commission or Title 45 of NRS, any resident of Nevada or nonresident is eligible to obtain not more than two mountain lion tags in any year. A mountain lion tag:

- (a) May be purchased from the Department or a license agent;
- (b) May be used in any management unit or group of management units in Nevada during any open season established for the management unit or group of management units pursuant to subsection 2; and
- (c) Expires upon the termination of all the open seasons established pursuant to subsection 2 for the year for which the tag is issued.

2. The Commission will annually specify the number of mountain lions it determines to be appropriate for harvesting in a management unit or group of management units. The open season for mountain lions in each such management unit or group of management units begins on March 1 and ends on:

- (a) The last day of the next succeeding February; or
- (b) The day the Department determines that the number of mountain lions harvested in that management unit or group of management units is equal to or greater than the number specified by the Commission pursuant to this subsection, whichever occurs earlier. The Department shall maintain and annually publish a toll-free telephone number for ascertaining whether the Department has determined that the number of mountain lions harvested in a management unit or group of management units is equal to or greater than the number specified by the commission pursuant to this subsection. The Department is not required to provide any other notice of the termination of an open season for mountain lions in a management unit or group of management units.

3. A person who harvests a mountain lion shall, within 72 hours after harvesting it, **personally** present the skull and hide to a representative of the Department for inspection. The representative shall affix the seal of the Department permanently to the hide.

4. It is unlawful for any person to:

- (a) Transport the hide of a mountain lion from this state without a seal permanently affixed to the hide.
- (b) Except as otherwise provided in subsection 3, possess the hide of a mountain lion without a seal permanently attached to it.
- (c) **Kill a female mountain lion which is accompanied by a spotted kitten.**
- (d) **Kill or possess a spotted mountain lion kitten.**

5. If a mountain lion is accidentally trapped or killed, the person trapping or killing it shall report the trapping or killing within 48 hours to a representative of the Department. The animal must be disposed of in accordance with the instructions of the representative.

Hunting with a dog. (NAC 503.147) It is unlawful to hunt, chase or pursue:

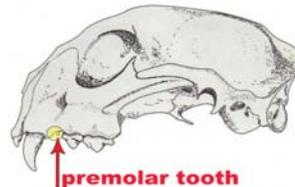

- 1. Any mountain lion with a dog except during the open season, in an open management area and under the authority of a hunting license and mountain lion tag.
- 2. Any fur-bearing mammal with a dog except during the open season and under the authority of a trapping license.
- 3. Any wild turkey with a dog from March 1 through June 30 of any year.

Use of Flashlight in Mountain Lion Hunt

(NAC 503.189)

A person who is hunting, chasing, or pursuing a mountain lion, pursuant to a mountain lion tag, and who is not in or on a motorized vehicle, may use a flashlight which is hand-held and powered by a dry cell.

Attention: Mountain Lion Hunters

The Nevada Department of Wildlife is requesting that hunters allow for the removal and retention of one premolar tooth from each harvested mountain lion when presenting the skull and hide to NDOW for sealing. Please present the skull, unfrozen, or with the mouth fixed open. The premolar tooth will be used to accurately age harvested mountain lions. NDOW is also asking that a one-inch-square piece of tongue, or other muscle tissue from each lion to be turned in at the same time for future DNA testing.

Teeth and skulls can be presented at any NDOW regional office. Please call first to confirm biologist availability.

Thank you for your cooperation!

**Harvest Information
 Hotline
 1-800-800-1667**

Tagholders must call the Mountain Lion Harvest Information Hotline at any time to determine if a unit or unit group has been closed due to the harvest objective being reached. The hotline number is 1-800-800-1667, and is accessible 24 hours a day. Tagholders may also obtain information on the status of a unit or unit group by contacting Department offices in Fallon, Reno, Winnemucca, Elko, Ely, Las Vegas, and Henderson, or online at www.ndow.org.

When contacting the hotline, the automated phone offers a choice of Western, Eastern and Southern regions. The Western Region is comprised of the counties of Washoe, Humboldt, Pershing, Churchill, Mineral, Lyon, Douglas, Carson City and Storey. The Eastern Region is comprised of Elko, Lander, Eureka, and White Pine. The Southern area includes Nye, Esmeralda, Lincoln and Clark counties. Hunt areas listed on the Information Hotline correspond to the first two digits of the hunt unit groups listed here: Area 1 = Units 011-015, Area 2 = Units 021 and 022, and Area 19 = Units 192, 194, 195, and 196.

^A**SPECIAL REGULATION:** A hunter, or their licensed guide if applicable, must call the mountain lion hotline at 1-800-800-1667 prior to hunting to determine if a unit group is open or closed.

^BInterstate hunt with Utah. Nevada and Utah hunters may hunt within open units in both states. (Nevada unit 079, Utah unit 1c). Nevada hunters hunting in Utah must abide by Utah regulations and season dates on the Utah portion of the hunt area.

Note: Spotted kittens, and females with spotted kittens, prohibited. See NAC 502.370

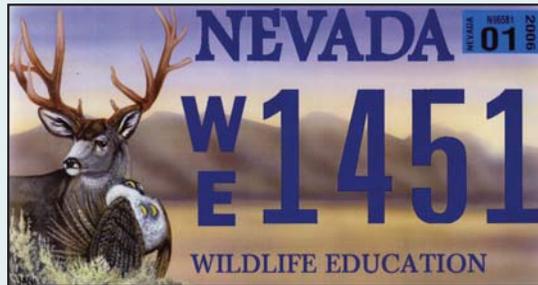

**Support Wildlife Education?
 Drive the Message Home!**

The Nevada Department of Wildlife is proposing a specialty license plate. The design will be very similar to the plate depicted, by noted Nevada wildlife artist Jani Lamoreux. Proceeds from the sale of this plate will benefit NDOW's wildlife education and volunteer programs.

The first step in the process is getting the support of 1,000 Nevadans willing to commit to purchasing the plate, once approved. Please stop by one of our offices to sign a petition to make this license plate a reality.

The details: Nevada law prohibits DMV from issuing more than 25 separate designs of specialty license plates at any one time. This plate will be placed on a waiting list and will be available when an existing plate fails to reach the required number of active registration renewals.

We are almost there! Support wildlife now and into the future!

Furbearer/Trapping Laws

Note: A trapping license is required to hunt, kill or trap any furbearer including **bobcat, fox, otter, mink, beaver, and muskrat.**

Trapping licenses/fees are listed on page 13.

License Requirements

Note: The following species can be hunted without a hunting license in Nevada, but a trapping license is required to trap them: **Coyote, black-tailed jackrabbit, badger, weasel, spotted skunk, striped skunk, raccoon, and ring-tailed cat.** Any person of any age who sells raw furs of any kind, whether taken by trap or by firearm, is required to purchase a trapping license.

Trapping license required; unlawful to remove or disturb trap of licensee (NRS 503.454)

1. Every person who takes fur-bearing mammals by any legal method or unprotected mammals by trapping or sells raw furs for profit shall procure a trapping license.
2. It is unlawful to remove or disturb the trap of any holder of a trapping license while the trap is being legally used by him on public land or on land where he has permission to trap.

Manner of Hunting Furbearing Mammals

(NRS 503.450)

It is unlawful for any person at any time to hunt any furbearing mammal in any manner other than by trap, gun or bow and arrow.

Steel Leg Hold Traps: Definitions (NAC 503.153)

As used in NAC 503.155 and 503.157, inclusive, unless the context otherwise requires:

1. "Bait" means the flesh, fur, hide, viscera or feathers of any animal.
2. "Exposed bait" means bait, any portion of which is visible from any angle.
3. "Trap" means any device designed, built or made to close upon or hold fast any wild animal or wild bird.

Steel Leg Hold Traps: Spacers (NAC 503.155)

All steel leg hold traps of size number 2 or larger or with an outside jaw spread of 5 1/2 inches or larger used in the taking of any wildlife must have lugs, spacers or similar devices permanently attached so as to maintain a minimum trap opening of three-sixteenths (3/16") of an inch.

Trappers Please Note These Common Violations:

- Failing to visit each trap, snare, or device each 96 hours and failing to remove mammals caught therein.
- Setting a steel leg hold trap within 30 feet of exposed bait.
- Using parts of game for bait.
- Trappers are cautioned against relying upon signaling devices to alert them from a distance that an animal is caught in a trap. The devices can fail to work, putting the trapper in jeopardy of violating the law.

Minimum Visitation of Traps (NRS 503.570)

1. A person taking or causing to be taken wild mammals by means of traps, snares or any other devices which do not, or are not designed to, cause immediate death to the mammals, shall, when the traps, snares or devices are placed or set for the purpose of taking mammals, visit or cause to be visited at least once each 96 hours each trap, snare or other device during all of the time the trap, snare or device is placed, set or used in the taking of wild mammals, and remove therefrom any mammals caught therein.
2. The provisions in subsection 1 do not apply to employees of the Division of Agriculture of the Department of Business and Industry or the United States Department of Agriculture when acting in their official capacities.

Steel Leg Hold Traps: Distance from Exposed Bait (NAC 503.157)

1. A person shall not place, set or maintain a steel leg hold trap within 30 feet of exposed bait.
2. A person using bait is responsible if it becomes exposed for any reason.
3. A person shall not use any part of a game animal, game bird, game fish, game amphibian or protected species of wildlife for bait.

Furbearer/Trapping Laws

Registration/Marking of Traps (NRS 503.452)

Each trap, snare or similar device used in the taking of wild mammals may bear a number registered with the Department or be permanently marked with the name and address of the owner or trapper using it. If a trap is registered, the registration is permanent. A registration fee of \$10 for each registrant is payable only once, at the time the first trap, snare or similar device is registered.

Trap Registration (NAC 503.150)

1. A person may obtain an application form for registering a trap from any office of the Department. The forms must be completed in accordance with the instructions thereon.
2. The Department shall issue registration numbers beginning with NV 0001. The number must be clearly stamped on the trap or on a metal tag that is attached to the trap.
3. The person shall enter the appropriate registration number on his trapping license.

Trapping Within 200 Feet of Public Road/ Highway (NRS 503.580)

1. For the purposes of this section, "public road or highway" means:
 - (a) A highway designated as a United States highway.
 - (b) A highway designated as a state highway pursuant to the provisions of NRS 408.285.
 - (c) A main or general county road as defined by NRS 403.170.
2. It is unlawful for any person, company or corporation to place or set any steel trap, used for the purpose of trapping mammals, larger than a No. 1 Newhouse trap, within 200 feet of any public road or highway within this state.
3. This section does not prevent the placing or setting of any steel trap inside, along or near a fence which may be situated less than 200 feet from any public road or highway upon privately owned lands.

Bobcats: Pelt Inspection/Fees (NAC 502.347)

1. Any person who kills a bobcat shall, within 10 days after the close of the season, personally:
 - (a) Present its pelt for inspection by and give its lower jaw to a representative of the Department;
 - (b) Have the Department's seal affixed to the pelt; and
 - (c) Complete a report of the killing in accordance with the Department's instructions.
2. A person shall not sell, offer for sale, barter, trade, purchase or transport from the state any pelt of a bobcat unless the Department has affixed its seal to the pelt.
3. A person shall not possess a raw pelt of a bobcat 10 days or more after the close of the season unless the Department's seal is permanently attached to the pelt.
4. A resident of Nevada must pay the Department \$5 for such a seal.

Data from Trappers/Penalty (NAC 503.160)

1. The Department may determine methods of obtaining necessary data from trappers relative to their activities and success.
2. It is unlawful for any trapper to fail to return any reporting form or questionnaire of the Department or to falsify any information requested. Failure to return such a form or questionnaire within 10 days after the close of the season or the submission of any false statement thereon may be cause to deny the person the right to acquire any trapping license for a period of 2 years.

Trapping on State and Federal Lands

Trapping on Specific Wildlife Management Areas is Allowed Only as Follows:

Persons having permits to do so may trap on the Overton, Key Pittman, W.E. Kirch, Scripps, Humboldt, Fernley, Mason Valley, Alkali Lake, Steptoe Valley and Franklin Lake Wildlife Management Areas. Permits will be issued through a drawing process and may contain designations of specific trapping areas, dates or other restrictions to ensure compatibility with other public activities. (NAC 504.170).

Trapping on National Wildlife Refuges:

The following National Wildlife Refuges are closed to trapping and furbearer harvest:
Moapa Valley National Wildlife Refuge, Ash Meadows National Wildlife Refuge, Desert National Wildlife Range, Pahrnagat National Wildlife Refuge, and Sheldon National Wildlife Refuge.

Ruby Lake National Wildlife Refuge and Stillwater National Wildlife Refuge are closed to trapping with the exception that muskrat trapping is allowed by special permit from U.S. Fish and Wildlife Service.

Migratory Bird Laws and Regulations

In Nevada, **migratory game bird seasons are established for** ducks and mergansers, coots and moorhens (gallinules), common snipe, Canada and white fronted geese, snow geese and Ross' geese, tundra and trumpeter swans, and mourning dove. **Migratory waterfowl** are a subgroup of migratory game birds, and include ducks, mergansers, geese and swans.

Stamp Requirements (Required regardless of residency)

Federal Migratory Bird Stamp **\$15.00**

Any person 16 or older who hunts any migratory waterfowl is required to purchase a federal migratory bird hunting stamp. The stamp must be carried on the person and signed in ink across its face.

State Duck Stamp **\$10.00**

Any person 12-64 years old who hunts any migratory bird EXCEPT mourning or white-winged dove, snipe, coot or moorhen (gallinule) is required to purchase a state duck stamp that must be carried on the person, and signed in ink across its face, or a state duck stamp privilege as printed on the face of license issued from a NDOW office.

Swan Tags **\$10.00**

Persons with a Nevada annual hunting license and possessing both a 2006 Federal Migratory Game Bird Hunting Stamp if required, and a 2006 Nevada Duck Stamp, may apply for a swan tag. Application forms will be available in August at license agents, Department offices, or on the agency website. The application form must be completed in accordance with the instructions thereon. **In general, swan tag applications must be received by the third Friday in September. Results are generally available by the first Friday in October.** No hand delivered applications are accepted for the drawing. Any remaining tags will be available on a first-come, first-served basis through the mail, Internet, or over the counter during normal business hours at the Wildlife Administrative Services Office, P.O. Box 1345, 185 N. Maine, Fallon, NV 89406.

Note: Successful swan hunters must punch their swan tags at the time of harvest. Swan hunters must present the head and neck of their harvested swan to a Department representative within 5 days of harvest. If the entire swan is brought in by the hunter, the tag must be attached. Validation requirements will be provided with swan tags. Once five trumpeter swan are taken the season is closed to all swan hunting.

Hunting Hours

Hunting hours are one-half hour before sunrise to sunset: all migratory bird seasons are open to nonresidents. Consult sunrise/sunset tables on pages 57-62.

Shotguns Limited to Three Shells

When hunting for migratory game birds the use of shotguns capable of holding more than three shells is prohibited, unless the shotgun is plugged with a one-piece filler, incapable of removal without disassembling the gun so that the total capacity of the shotgun does not exceed three shells.

Youth Waterfowl Hunt

One-day youth waterfowl hunts are generally scheduled as part of the waterfowl season setting process. In the southern part of the state the youth hunt usually occurs one week after the close of the general duck season; in the north, the duck hunt usually occurs one week prior to the opening of the regular waterfowl season. The Youth Waterfowl Hunt is open to both nonresident and resident hunters 15 years of age and younger, anyone 12 or older must take a hunter education course prior to buying a

**PLEASE CALL TO REPORT ALL WATERFOWL
AND DOVE BANDS: 1-800-327-2263**

license. Youth hunters must be accompanied by an adult who is at least 18 years old. Adults are not allowed to hunt during the Youth Waterfowl Hunt. Any youth age 12 or older is required to purchase a State Duck Stamp prior to waterfowl hunting. In addition, anyone 12 or older who plans to hunt migratory birds is required to obtain a HIP validation number.

Migratory Bird Hunters Get HIP Annually

Any person 12 years or older who plans to hunt any kind of migratory game bird, including ducks, geese, swans, coot, doves, snipe, or moorhen (gallinules) in Nevada, is required ANNUALLY to obtain a Harvest Information Program (HIP) validation number and write it on their hunting license before entering the field. The validation number is free, and is available by logging on to www.ndowlicensing.com and completing a simple survey, or by calling 1-866-703-4605. The U.S. Fish and Wildlife Service is conducting the nationwide harvest survey to better understand the impact of hunting on these wildlife resources. Tribal members on Federal Indian Reservations or tribal members hunting on ceded lands are exempt from the requirements. Migratory bird hunters will be surveyed at season's end to collect harvest information.

Nontoxic Shot Requirements (NAC 503.183)

1. A hunter of ducks, mergansers, geese, swans, coots, moorhen (gallinules) or snipe shall use nontoxic shot in muzzleloaders or in shells for a shotgun when hunting in this state.
2. The possession of shells for a shotgun which contain other than nontoxic shot is prohibited while hunting any birds designated in subsection 1.
3. The possession of shot for a muzzleloading shotgun other than nontoxic shot is prohibited while hunting any birds designated in subsection 1.
4. As used in this section, "nontoxic shot" means any shot which has been approved by the United States Fish and Wildlife Service pursuant to 50 C.F.R. Part 20.134. (see Sec 20.21). See page 38.

Protection of birds included in Migratory Bird Treaty Act (NRS 503.620)

Except as otherwise provided by this title or a regulation adopted pursuant thereto, it is unlawful for any person to hunt or take any dead or alive birds, nests of birds or eggs of birds protected by that certain Act of Congress commonly known and referred to as the Migratory Bird Treaty Act of July 3, 1918, as amended, 16 U.S.C. §§ 703 et seq., or protected by a regulation of the Commission.

During the swan hunting season, NDOW will be conducting a survey and monitoring program of tundra swan for avian influenza. Beginning in the fall of 2006, hunters should look for information from NDOW on how they may be asked to help via sampling of their harvested birds.

2006 Nevada Hunting Laws & Regulations

Federal Migratory Bird Regulations

The following Federal regulations, adopted by the Board of Wildlife Commissioners pursuant to NAC 503.180, apply to the taking, possession, shipping, transporting, and storing of migratory game birds. Consult the Code of Federal Regulations, Title 50, Part 20 for additional information. **Migratory game birds are: ducks (including mergansers), geese, swans, coot, moorhens (gallinules), snipe, dove, (both white-winged and mourning) and band-tailed pigeon.**

Sec. 20.21 Hunting methods

Migratory birds on which open seasons are prescribed in this part may be taken by any method except those prohibited in this section. No persons shall take migratory game birds:

(a) With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, machine gun, fish hook, poison, drug, explosive, or stupefying substance;

(b) With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so its total capacity does not exceed three shells;

(c) From or by means, aid, or use of a sinkbox or any other type of low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water;

(d) From or by means, aid, or use of any motor vehicle, motor-driven land conveyance, or aircraft of any kind, except that paraplegics and persons missing one or both legs may take from any stationary motor vehicle or stationary motor-driven land conveyance;

(e) From or by means of any motorboat or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off and/or the sails furled, and its progress therefrom has ceased...;

(f) By the use or aid of live birds as decoys; although not limited to, it shall be a violation of this paragraph for any person to take migratory waterfowl on an area where tame or captive live ducks or geese are present unless such birds are and have been for a period of 10 consecutive days prior to such taking, confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such birds from the sight of wild migratory waterfowl;

(g) By the use or aid of recorded or electrically amplified bird calls or sounds, or recorded or electrically amplified imitations of bird calls or sounds;

(h) By means or aid of any motordriven land, water, or air conveyance, or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird;

(i) By the aid of baiting, or on or over any baited area, where a person knows or reasonably should know that the areas is or has been baited. However, nothing in this paragraph prohibits:

(1) the taking of any migratory game bird, including waterfowl, coots, and cranes, on or over the following lands or areas that are not otherwise baited areas--

(i) Standing crops of flooded standing crops (including aquatics); standing, flooded, or manipulated natural vegetation; flooded harvested croplands; or lands or areas where seeds or grains have been scattered solely as the result of a normal agricultural planting, harvesting, post-harvest manipulation or normal soil stabilization practice;

(ii) From a blind or other place of concealment camouflaged with vegetation from agricultural crops, as long as such camouflaging does not result in the exposing, depositing, distributing or scattering of grain or other feed; or

(iii) Standing or flooded standing agricultural crops where grain is inadvertently scattered solely as a result of a hunter entering or exiting a hunting area, placing decoys, or retrieving downed birds.

(2) The taking of any migratory game bird, except waterfowl, coots and cranes, on or over lands or areas that are not otherwise baited areas, and where grain or other feed has been distributed or scattered solely as the result of manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.

(j) While possessing shot (either in shotshells or as loose shot for muzzleloading) other than steel shot, or bismuth-tin (97 parts bismuth: 3 parts tin with 1 percent residual lead) shot, or tungsten-iron (nominally 40 parts tungsten: 60 parts iron with 1 percent residual lead) shot or such shot approved as nontoxic by the Director pursuant to procedures set forth in Sec. 20.134, provided that: (1) This restriction applies only to the

taking of Anatidae (ducks, geese [including brant] and swans), coots (Fulica americana) and any species that make up aggregate bag limits during concurrent seasons with the former in areas described in Sec. 20.108 as nontoxic shot zones...

Sec. 20.25 Wanton waste of migratory game birds

No person shall kill or cripple any migratory game bird pursuant to this part without making a reasonable effort to retrieve the bird, and retain it in his actual custody...

Sec. 20.35 Field possession limit

No person shall possess, have in custody, or transport more than the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Sec. 20.36 Tagging requirement

No person shall put or leave any migratory game birds at any place (other than at his personal abode), or in the custody of another person for picking, cleaning, processing, shipping, transportation, or storage (including temporary storage), or for the purpose of having taxidermy services performed, unless such birds have a tag attached, signed by the hunter, stating his address, the total number and species of birds, and the date such birds were killed. Migratory game birds being transported in any vehicle as the personal baggage of the possessor shall not be considered as being in storage or temporary storage.

Sec. 20.37 Custody of birds of another

No person shall receive or have in custody any migratory game birds belonging to another person unless such birds are tagged as required by Sec. 20.36.

Sec. 20.38 Possession of live birds

Every migratory game bird wounded by hunting and reduced to possession by the hunter shall be immediately killed and become a part of the daily bag limit...

Sec. 20.43 Species identification requirement

No person shall transport within the United States any migratory game birds, except doves and band-tailed pigeons (Columba fasciata), unless the head or one fully feathered wing remains attached to each such bird at all times while being transported from the place where taken until they have arrived at the personal abode of the possessor or a migratory bird preservation facility. **The head or a fully feathered wing must remain attached while in transit from the field for ducks, mergansers, coots and moorhens (gallinules), snipe, geese and swan.**

Sec. 20.44 Marking package or container

No person shall transport by the Postal Service or a common carrier migratory game birds unless the package or container in which such birds are transported has the name and address of the shipper and the consignee and an accurate statement of the numbers of each species of birds therein contained clearly and conspicuously marked on the outside thereof.

PROVIDED ON PAGES 39 & 49.**

Wild Turkey Tags

Wild Turkey Tags (NAC 502.378)

1. A tag is required to hunt wild turkey. The fee for a resident tag is \$20. The fee for a nonresident tag is \$50. In addition, a nonrefundable fee of \$10 will be charged for acting upon each application for a tag. A person may obtain a form to apply for a tag from a license agent or an office of the Department. The form must be completed in accordance with the instructions on the form. The Department's award of these tags will be based on a drawing held after the deadline specified on the form.

2. A person, while hunting wild turkey, shall have in his possession:

- (a) A valid hunting license; and
- (b) A valid tag to hunt wild turkey issued to him.

3. A hunter who has killed a wild turkey and taken it into his possession shall immediately punch the tag and attach it to the turkey's body as required by NAC 502.390 and 502.400.

Hunting with a dog (NAC 503.147)

It is unlawful to hunt, chase or pursue:

- 1.-2....
- 3. Any wild turkey with a dog from March 1 through June 30 of any year.

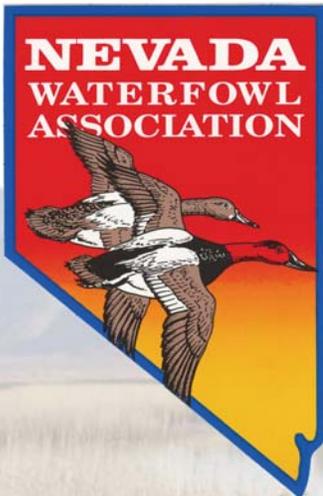

Weapons and type of shot permitted for hunting wild turkey (NAC 503.187, NRS 501.105, 501.181, 503.150)

1. No weapon other than a: (a) Shotgun which is no larger than 10 gauge nor smaller than 20 gauge and uses a shot size no larger than a number 2 pellet; or

(b) Longbow and arrow, may be used to hunt wild turkey.

2. Shot used to hunt wild turkey on a wildlife management area must be:

- (a) Nontoxic shot; and
- (b) Not larger than standard-size T.

Nevada Waterfowl Association's mission is to protect, restore and enhance Nevada's wetlands and the wildlife dependent upon them, especially waterfowl and shorebirds. Nevada Waterfowl Association works closely with organizations such as the U.S. Fish and Wildlife Service, Nevada Department of Wildlife (NDOW), Lahontan Wetlands Coalition, The Nature Conservancy, Ducks Unlimited, and other conservation organizations that share our goal of preserving Nevada's unique desert wetlands for future generations to enjoy.

2006 Nevada Hunting Laws & Regulations

Small Game/Upland Game Laws & Regulations

In Nevada, upland game bird species include blue and ruffed grouse, and sage grouse; chukar and Hungarian partridge, snowcock, ring-necked and white-wing pheasant, California, Gambel's, mountain and scaled quail; North American wild turkey, and American crow.

In addition, small game species include cottontail, pygmy and white-tailed jack rabbits. Falconry seasons are in effect for waterfowl (all migratory bird stamp requirements apply) dove, chukar, sage, blue and ruffed grouse, pheasant, snowcock, Hungarian partridge, quail and rabbit. Nevada provides both fall and spring turkey hunts.

Tags and Fees:

In addition to a regular hunting license, the following tags and fees apply for upland game hunting:

Resident Turkey Tag	\$20.00
Nonresident Turkey Tag	\$50.00
Application Fee (non-refundable)	\$10.00
Resident online convenience fee (non-refundable)	\$ 2.00
Nonresident online convenience fee (non-refundable)	\$ 3.50
Predator Control Fee (non-refundable)	\$ 3.00
Upland Game Bird Stamp*	\$10.00

*Required to hunt sage grouse, blue and ruffed grouse, Himalayan snow partridge, chukar, quail, Hungarian partridge and pheasant.

Applications and Permits

Permit applications for the Sheldon NWR special sage grouse hunt are generally available in August at Department of Wildlife Offices in Elko, Fallon, Las Vegas, Henderson, and Reno, and on the agency website. The application deadline is usually in late August, and the hunts occur in mid-late September. However, as this is established by Commission regulation in late August, please contact a regional office for more information.

Hunting Hours

Sunrise to sunset except for quail in Pahrump Valley of Nye County (8 a.m. to sunset); for turkey see adjacent page or season and bag regulations brochure.

While Hunting

The use of shotguns capable of holding more than three shells is prohibited on all wildlife management areas unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so that the total capacity of the shotgun does not exceed three shells. (NAC 504.135). **NOTE: Special firearms restrictions are in effect at Wildlife Management Areas (page 44) and National Wildlife Refuges (page 49).**

Harvest

Snowcock hunters are encouraged to have a snowcock harvest information report in their possession when hunting snowcock. The report forms are available from 8 a.m. - 5 p.m. M-F, by the Department of Wildlife, Eastern Region Office, 60 Youth Center Rd., Elko, NV 89801, phone (775) 777-2300.

Blue and Ruffed Grouse (NAC 503.185)

The head or one fully feathered wing must be attached to all blue and ruffed grouse until the carcass reaches the possessor's residence or a commercial facility for its preservation.

Persons harvesting ruffed grouse in Humboldt County are requested to report harvest in person to the Department of Wildlife Office, in person or by mail at 815 E. Fourth St., Winnemucca, NV 89406. Phone (775) 623-6565.

Mountain Quail

The Department of Wildlife is interested in collecting harvest information on mountain quail throughout Nevada. The Department requests that hunters contact the Reno Headquarters at (775) 688-1529 or your local game agent to report your mountain quail harvest.

Sage Grouse

The Nevada Department of Wildlife is conducting a long-term study of the state's sage grouse populations and is collecting wing samples to help determine the status of the sage grouse population in Nevada. Sage grouse hunters are asked to remove one wing from each sage grouse taken. The diagram above illustrates where the wing should be cut. Please keep the wing dry and away from flies. A paper lunch bag works well. Deposit the wing at any of the Department's wing barrels, at check stations, or with Department employees who contact you in the field.

Falconry License/Training/Fees (NRS 503.583)

1. Except as otherwise provided in this section, any person who practices falconry or trains birds of prey must obtain a falconry license from the Department upon payment of a license fee as provided in **NRS 502.240**.

2.-5....

Practice of Falconry (NAC 503.210)

When practicing falconry on game species, a licensee shall comply with the provisions of Title 45 of NRS and all regulations of the board of wildlife commissioners. A species of wildlife which is classified as protected by the Department, or as threatened or endangered by the United States Fish and Wildlife Service, that is taken incidentally by a raptor may not be retained or possessed by a licensee. A species of wildlife which is classified as a game species by the Department that is taken incidentally by a raptor during the closed season may not be retained or possessed by the licensee. A licensee shall not intentionally release a raptor after any wildlife which is in a refuge or in a state or national park or is on privately owned property where the licensee does not have permission to hunt.

Falconry License (NAC 503.235)

1.-3....

4. A person must possess a valid falconer's license when practicing falconry. In addition, a person who releases a raptor at game birds or game mammals during the open season must possess a valid hunting license issued by the Department.

Fee to hunt certain upland game birds

(NRS 502.292)

1. Except as otherwise provided in this section, it is unlawful for any person to hunt any upland game bird, except turkey and crow, unless at the time he is hunting he carries on his person such documentation as the Department provides as proof that he has paid to the Department, for the licensing period that includes the time he is hunting, the fee required pursuant to this section.

2. The provisions of this section do not apply to a person who is under the age of 12 years.

3. The documentation required pursuant to this section must be sold by the Department, and persons authorized by the Department to sell hunting licenses, for a fee of \$10.

4. The Department shall determine the form of the documentation.

State Wildlife Management Areas

Special regulations are in effect at our state wildlife management areas. PLEASE review the following information and adjacent table before hunting on a state wildlife management area.

Restrictions on use of firearms and ammunition

(NAC 504.135)

1. Except as otherwise provided in subsection 6, the discharging of a rifle or pistol is prohibited on the following wildlife management areas:

- (a) Overton in Clark County.
- (b) Key Pittman in Lincoln County.
- (c) Wayne E. Kirch in Nye County.
- (d) Scripps in Washoe County.
- (e) Mason Valley in Lyon County.

2. Deer may be hunted on the Mason Valley and Wayne E. Kirch Wildlife Management Areas only by persons using:

- (a) Shotguns and rifled shotgun slugs **or shotgun rounds with sabots that contain a single expanding projectile**; or
- (b) Longbows and arrows.

A shotgun that is used to hunt deer pursuant to this subsection may be equipped with a smoothbore barrel that is partially or fully rifled.

3. The use of shotguns capable of holding more than three shells is prohibited on all wildlife management areas owned or managed by this State unless the shotgun is plugged with a one-piece filler, incapable of removal without disassembling the gun, so that the total capacity of the shotgun does not exceed three shells.

4. The use or possession of shells for a shotgun containing shot that is toxic or larger than standard-size T is prohibited on the following wildlife management areas:

- (a) Overton in Clark County.
- (b) Key Pittman in Lincoln County.
- (c) Wayne E. Kirch in Nye County.
- (d) Scripps in Washoe County.
- (e) Mason Valley in Lyon County.
- (f) Fernley in Lyon County.
- (g) Alkali Lake in Lyon County.
- (h) Humboldt in Churchill and Pershing Counties.
- (i) Steptoe Valley in White Pine County.
- (j) Franklin Lake in Elko County.

5. The use or possession of shotgun rounds with sabots that contain other than rifled slugs of conventional design is prohibited on all wildlife management areas owned or managed by this State.

6. The provisions of subsection 1 do not apply to persons authorized by the Department to use rifles and pistols for the control of predatory animals and rodents.

7. For the purposes of this section, all shot shall be deemed toxic unless it has been approved as nontoxic by the United States Fish and Wildlife Service pursuant to 50 C.F.R. § 20.134.

Restrictions on entry into certain areas (NAC 504.120)

1. Except as otherwise provided in subsection 6, a person shall not enter, occupy, use or be upon the following described portion of the Scripps Wildlife Management Area from February 15 through August 15:

That portion of the Scripps Wildlife Management Area which lies south of Little Washoe Lake, as posted, and further described as including all or portions of Sections 1 and 2, T. 16 N., R. 19 E., M.D.B. & M. and Sections 25, 26, 35 and 36, T. 17 N., R. 19 E., M.D.B. & M.

2. Except as otherwise provided in subsection 6, a person shall not enter, occupy, use or be upon the following described portion of the Key Pittman Wildlife Management Area from February 15 through August 15:

The portion of Nesbitt Lake north of the old fence line.

3. Except as otherwise provided in subsection 6, a person shall

not enter, occupy, use or be upon the following described portion of the Wayne E. Kirch Wildlife Management Area from February 15 through August 15:

The upper portion of Adams-McGill, Cold Springs and Haymeadow reservoirs, as posted, and all of Dacey and Tule reservoirs.

4. Except as otherwise provided in subsection 6, a person shall not enter, occupy, use or be upon the following described portion of the Mason Valley Wildlife Management Area from February 15 through August 15:

The eastern portion of the main developed pond area, as posted.

5. Except as otherwise provided in subsection 6, a person shall not enter, occupy, use or be upon the following described portion of the Overton Wildlife Management Area from March 1 through August 1: The Honey Bee Pond and the Center Pond.

6. The provisions of subsections 1 to 5, inclusive, do not apply to authorized personnel in the performance of their official duties.

Restrictions on deer hunting in particular areas; prohibition on use or possession of certain shotgun rounds in particular areas. (NAC 503.170)

1. In the fenced or cultivated lands of the Smith and Mason Valleys, in the Mason Valley Wildlife Management Area and in the zones within the Fort Churchill State Historic Park and the Lahontan State Recreation Area that are designated for hunting by the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources:

(a) Deer may be hunted only with:

- (1) A shotgun no larger than 10 gauge and no smaller than 20 gauge, using:
 - (I) Rifled slugs; or
 - (II) Shotgun rounds with sabots that contain rifled slugs or a **single expanding projectile**; or
- (2) A longbow and arrow.

(b) The use or possession of shotgun rounds with sabots that contain other than rifled slugs **or a single expanding projectile** is prohibited.

2. A shotgun that is used to hunt deer pursuant to subsection 1 may be equipped with a smoothbore barrel or a barrel that is partially or fully rifled.

3. In the Mason Valley Wildlife Management Area:

(a) Deer may be hunted only on the following days during the season set for the hunting of deer:

- (1) Saturdays, Sundays and Wednesdays;
- (2) Nevada Day, as observed, pursuant to NRS 236.015;
- (3) November 11, Veteran's Day;
- (4) Thanksgiving Day; and
- (5) Family Day, as declared pursuant to NRS 236.015.

(b) Deer may be hunted only with longbow and arrow during the season set for the archery hunt for deer.

Construction and use of hunting blinds; use of decoys (NAC 504.160)

1. Except as otherwise provided in subsection 6, a person may construct a hunting blind on any wildlife management area if the Department has no obligation to protect a privately constructed blind or to arbitrate the use or priority of use of such a blind. A blind to be constructed must:

- (a) Be temporary and portable;
- (b) Except as otherwise provided in paragraph (c), be constructed of lumber, screen, fabric, synthetic material or native vegetation; and

Continued on page 45

State Wildlife Management Areas

Continued from page 44

(c) In the Kirch, Steptoe Valley and Mason Valley Wildlife Management Areas, be constructed of native vegetation, removable fabric, or a synthetic material that is of a temporary nature.

2. A group of persons may construct a blind only after the supervisor of the wildlife management area has approved the plans for the blind.

3. Sunken blinds, and barrels and boxes used as sunken blinds, must be covered when not in use to prevent the entrapment of animals.

4. The use of a sink box is prohibited.

5. A blind may not be locked or reserved for the use of a particular person or group of persons.

6. The Department may:

(a) Prohibit the construction of a hunting blind if it is detrimental to a wildlife management area or portion thereof.

(b) Designate a hunting blind on a wildlife management area as intended for the use of persons with physical handicaps pursuant to the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 to 12213, inclusive, and the regulations adopted pursuant thereto.

7. A person may use decoys on a wildlife management area so long as the decoys are not left set up in the field between the hours of 9 p.m. and 3 a.m.

Control of vehicular travel (NAC 504.115)

1. Vehicular travel within a wildlife management area may be controlled for operation of the area, for public use and to benefit the public and wildlife resources. Such control may include specifying parking areas, closing interior roads or trails to vehicular travel and prohibiting travel beyond designated points.

2. Except as otherwise provided in subsection 3, it is prohibited, within a wildlife management area, to operate a motor vehicle:

(a) Off an interior road or trail that is designated for vehicular travel; or

(b) On an interior road or trail that is marked as closed to vehicular travel.

3. The provisions of subsections 1 and 2 do not apply to authorized personnel in the performance of their official duties.

Restrictions on camping; building prohibited; restrictions on operation of certain devices (NAC 504.145)

1. Except as otherwise provided in subsection 2, camping is prohibited in wildlife management areas.

2. Camping is permitted in the:

(a) Mason Valley Wildlife Management Area in those sites designated for camping.

(b) Wayne E. Kirch Wildlife Management Area within the Dave Deacon Campground.

(c) Humboldt Wildlife Management Area in those sites designated for camping.

(d) Fernley Wildlife Management Area.

(e) Overton Wildlife Management Area within the rest and trails area.

(f) Bruneau Wildlife Management Area, except that camping is not permitted in any building or other structure located within that wildlife management area.

3. Camping facilities, including, without limitation, house trailers, must not be stored, parked or maintained in a wildlife management area for more than 8 days, or left in a wildlife management area for occasional occupancy by a person or group of persons associated with the facility.

4. The erection, fabrication or maintenance of a permanent dwelling or building in a wildlife management area is prohibited.

5. A person camping in a site, campground or area within a wildlife management area designated for camping pursuant to subsection 2 shall not operate a television, radio or any other device, including, without limitation, a generator, between the hours of 10 p.m. and 5 a.m. if the device produces sound that is audible beyond the campsite in which it is operated.

Trapping: Restrictions; permits. (NAC 504.170)

1. Except as otherwise provided in subsection 2, a person shall not trap on a wildlife management area.

2. Persons having permits to do so may trap on the Overton, Key Pittman, Wayne E. Kirch, Railroad Valley, Humboldt, Fernley, Scripps, Mason Valley, Steptoe Valley, Franklin Lake and Alkali Lake Wildlife Management Areas.

3. Permits to trap on wildlife management areas will be issued through a drawing process and may contain designations of specific trapping areas, dates or other restrictions to ensure compatibility with other public activities.

Campfires and bonfires prohibited; exceptions (NAC 504.140)

1. Except as otherwise provided in subsection 2, campfires and bonfires are prohibited in wildlife management areas.

2. Campfires are permitted in the:

(a) Wayne E. Kirch Wildlife Management Area within the Dave Deacon Campground.

(b) Humboldt Wildlife Management Area in those sites designated for camping.

(c) Fernley Wildlife Management Area.

(d) Mason Valley Wildlife Management Area in those sites designated for camping.

(e) Overton Wildlife Management Area within the rest and trails area.

(f) Bruneau Wildlife Management Area.

Denial of use of area for abuse or littering of area (NAC 504.155)

The Department may deny further use of the management area to any person who abuses or litters the area.

Removal of persons from area: Authority; grounds (NAC 504.110)

The Department or an authorized agent may remove a person from a wildlife management area for disorderly conduct, intoxication or any other conduct which endangers the area, a person, wildlife or livestock.

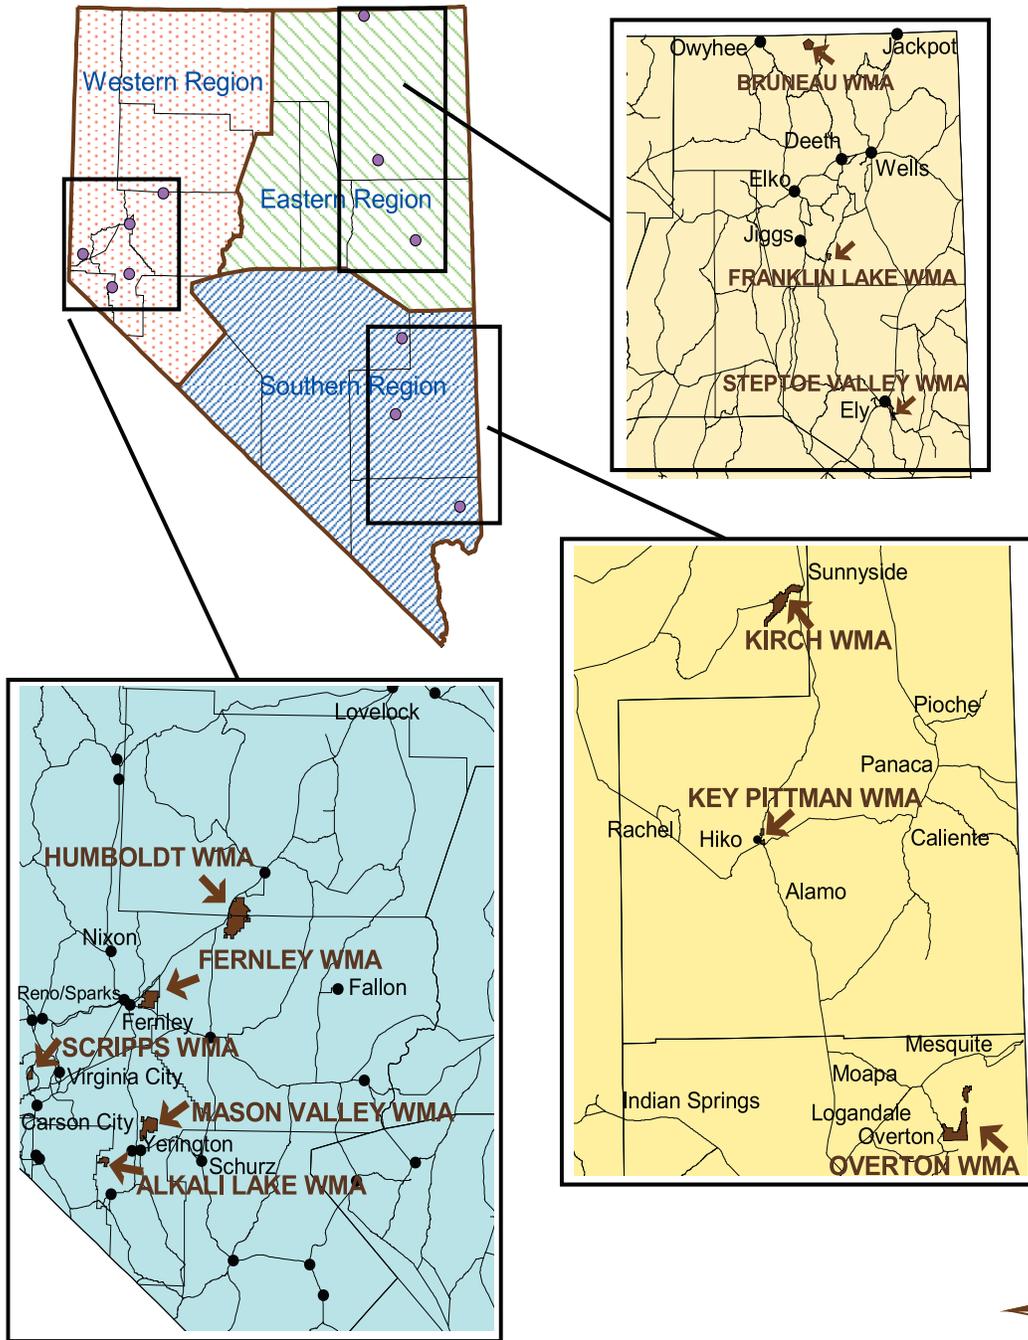

NDOW Wildlife Management Areas

The State of Nevada through the Department of Wildlife owns or has long-term leases on more than 115,000 acres of land incorporated into wildlife management areas (WMAs) across the state. The primary management emphasis on WMAs is the protection of wetlands and waterfowl including the use of the areas as public hunting grounds. Hunting opportunities for sportsmen on WMAs include migratory game bird, upland game bird, furbearer, and big game hunting. Below is a table of restrictions associated with each of the wildlife management areas. Please review this table and the accompanying list of hunt and use restrictions on wildlife management areas before hunting in these areas.

Area	Trespass	Use of Vessels	Use of Campfires	Camping
Overton WMA (Clark Co.)	Trespass prohibited at Honey Bee Pond and Center Pond from March 1 through Aug. 1	Vessels are prohibited on all ponds. Vessels are allowed on the portion of the area inundated by Lake Mead, except that on Overton hunt days, vessels may be used only by persons authorized to hunt waterfowl.	Permitted within the rest and trails area.	Permitted within the rest and trails area.
W.E. Kirch WMA (Nye Co.)	Trespass prohibited from Feb. 15 through Aug. 15 in the upper portion of Adams McGill, Cold Springs, and Haymeadow reservoirs, and all of Dacey and Tule reservoirs.	Vessels must be operated at a speed that leaves a flat wake, but in no case may exceed 5 nautical miles per hour.	Permitted within the Dave Deacon Campground.	Permitted within the Dave Deacon Campground.

Scripps Wildlife Management Area and Washoe Lake State Park

1. During the waterfowl season, hunting is permitted only on Saturdays, Sundays, Wednesdays, and the following legal State holidays: Nevada Day, Veterans Day, Thanksgiving, Family Day (day after Thanksgiving), Christmas, New Years Day and Martin Luther King Day.

Mason Valley Wildlife Management Area

1. During the waterfowl season, hunting is permitted only on Saturdays, Sundays, Wednesdays and the following legal State holidays: Nevada Day, Veterans Day, Thanksgiving, Family Day (day after Thanksgiving), Christmas, New Years Day, and Martin Luther King Day. Hunters with a valid turkey tag for the Mason Valley Wildlife Management Area may hunt each day of the established turkey season. Before or after the waterfowl season, hunting is allowed every day for wildlife species upon which there is an established open season.

2. AREAS CLOSED TO ALL HUNTING ADJACENT TO THE FT. CHURCHILL WATERFOWL SANCTUARY: Those portions of SE corner of Section 36, T.15N., R.25E; W ½ of Section 31, T.15N, R.26E, and N ½ of Section 1, T.14N, R.25E., M.D. & M. are closed to hunting as posted.

3. The following area within the Mason Valley Wildlife Management Area is designated as a CONTROLLED GOOSE HUNTING ZONE and will be closed to all persons five (5) days prior to the last Saturday in November through the end of the waterfowl hunting season, except for those persons having a valid Mason Valley controlled goose hunting permit, described in #4 following. Prior to the described closure dates, all legal hunting is allowed within the CONTROLLED GOOSE HUNTING ZONE. Those portions of the Mason Valley Wildlife Management area within Sections 1, 2 and 12, T.14N, R.25E; Section 35, T.15N, R.25E; Sections 6 and 7, T.14N, R.26E, and Section 31, T.15N, R.26E, M.D.B. & M. as posted. The assigned blinds for the controlled goose hunt are located in farm fields MV-10, 11, and B-11, 12, 13, 14 and 15.

4. Hunt permit applications for the CONTROLLED GOOSE HUNTING ZONE within the Mason Valley Wildlife Management Area are available through the Headquarters Office in Reno and the Western Region Office in Fallon. Unless their privilege is limited or revoked pursuant to law, any resident or nonresident is eligible to apply once for a hunt permit. A person whose name appears on more than one application will be rejected from the drawing. Permit applications will be accepted for groups no larger than four individuals, and all members of a group must hunt from the same assigned location. Applications for the Special Mason Valley Wildlife Management Area Goose Hunt shall be received at the Headquarters Office in Reno (through a postal service only) no later than the second Wednesday in October. A public drawing will be held at the Headquarters Office in Reno at 10:00 a.m. on the last Wednesday in October. Successful applicants will receive a permit by return mail.

Ft. Churchill Cooperative Wildlife Management Area

1. From October 1, through the Friday preceding the second Saturday of February, the area shall be closed to trespass.

Overton Wildlife Management Area

1. During the waterfowl season, hunting is permitted on the Moapa Valley portion of the area only on the opening day of the duck season, alternate days thereafter throughout the season, opening day of the goose season, and the closing two days of the duck and goose seasons. Before or after the waterfowl season, hunting is allowed every day for wildlife species upon which there is an established open season.

2. During the waterfowl season on the Moapa Valley portion of the area, hunters must hunt from assigned hunt locations (blinds) constructed by the Department of Wildlife. A maximum of up to four hunters are permitted at each hunt location. Assigned hunt locations are marked by numbered stakes. Hunters shall hunt only within their assigned hunt location and moving to vacant locations is prohibited. The only exception involves reasonable accommodation of the disabled.

3. During the opening day and the first weekend of the dove season the maximum capacity for the Moapa Valley portion of the area is 60 hunters by reservation only.

4. The hunting of upland game species is prohibited during the waterfowl season.

5. On Overton Hunt days, only persons authorized to hunt waterfowl may use vessels on the portion of the area inundated by Lake Mead.

Key Pittman Wildlife Management Area

1. During the waterfowl season, hunting is permitted on the opening weekend of the duck season, odd-numbered days throughout the season, opening day of the goose season, and the closing two days of the waterfowl season.

2. The maximum hunter capacity during the opening day of duck season and the opening day of goose season will be 55 at any time.

3. All hunters will check-in and out at the main entrance and will park in designated parking areas only. No vehicles are allowed on the area during the hunting season.

4. The area is closed to fishing during the waterfowl season.

Overton-Key Pittman Hunter Reservation System

1. To guarantee an opportunity to hunt, reservations must be made for the following specified days of each hunt listed: on the Moapa Valley portion of the Overton Wildlife Management Area - opening day and the first weekend of the dove season and the entire duck and goose seasons. On Overton Wildlife Management Area, a person or his representative applying for reservations for group hunting on either hunt area will be limited to up to four hunters per party. On the Key Pittman Wildlife Management Area - the opening day of the duck and goose seasons. A reservation may be made for one hunt day only.

2. Reservations must be made in person (or by a representative) at the Las Vegas Office, the Henderson office or at the Overton or Key Pittman Wildlife Management Areas. Reservations will not be accepted by mail or phone. The reservations must be in the hunter's possession and be shown to the check station attendant to constitute a valid reservation for the day specified. At the Key Pittman Wildlife Management Area, reservations for hunting will be required only on the opening day of duck season and the opening day of goose season. On all other waterfowl hunt days, hunters must obtain a reservation card at the Frenchy Lake or Nesbitt check stations prior to hunting. This card must be filled out and returned to the check station upon completion of the hunt. Failure to turn in a completed card at the Key Pittman Wildlife Management Area or failure to check out at the Overton Wildlife Management Area may result in a citation being issued, and the loss of hunting privileges for the remainder of the season.

3. A drawing will be held for reservations starting at 8:00 a.m. on the Monday prior to the opening of the above listed seasons. If the Monday prior to season opening is a state holiday, the drawing will be held on Tuesday. Reservations remaining after the drawing are available on a "first come, first served" basis, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, except for holidays, through the close of these seasons.

4. At the Overton Wildlife Management Area, during the waterfowl season an assigned hunt location program will be in effect. An individual may reserve no more than one assigned hunt location on the Moapa Valley portion of the area for no more than four individuals to hunt as a party and this reservation must be utilized prior to reserving another hunt day. Hunters will make a reservation for one of four types of hunt locations (field, pond, bulrush plot, or lake) and the specific hunt location will be determined by a drawing at the check station prior to each day's hunt.

5. A hunter with a reservation will be considered as a "no-show" if he does not present himself at the check station by one full hour before shooting time, except that at the Overton Wildlife Management Area, a hunter with a reservation will be considered a "no-show" if he does not present himself at the checking station one and one-half hours before shooting time during the waterfowl season.

6. Standby hunters must register at the check station upon arrival.

7. All reservations, permits and assigned hunting locations are nontransferable.

8. The Department of Wildlife reserves the right to: refuse issuing a permit to anyone, revoke the permit of anyone, and to eject anyone from the area for disorderly conduct, intoxication, or for any other reason when it appears the safety or welfare of the area or persons thereon is endangered.

9. On Overton Wildlife Management Area, the maximum capacity of hunters or hunting parties on the areas at any one time is limited for certain hunt days. The maximum capacity may be filled by non-reservation (standby) hunters as vacancies become available; however, during duck and goose seasons, under no circumstances will standby hunters be allowed to enter the area except up to one-half hour prior to legal shooting time and between the hours of 12:00 noon and 2:00 p.m.

BLM Information

The Bureau of Land Management (BLM) in Nevada encourages hunters to call in advance of hunting season to find out if land management practices will be conducted during the hunting season. While BLM field offices are aware of hunting seasons, some management activities, such as prescribed burns, wild horse gathers, road closures or fire restrictions may temporarily disrupt hunting activities.

Call Before You Hunt

If possible, call the appropriate BLM office before you send in your hunt area requests. That way you may avoid an area that may have some access restrictions or other changes because of management activities. It's a good idea to call BLM just before the hunt to find out if any unplanned restrictions from fire or emergency wild horse gathers are in effect.

Responsible Hunting in Wilderness and Wilderness Study Areas (WSAs)

Some units contain BLM lands designated as wilderness or wilderness study areas. Motor vehicle use—trucks, ATVs and motorcycles—is not allowed unless signs are placed to indicate a designated route. The motorized vehicle rule extends to mechanized vehicles such as game carriers, which are also not allowed in these areas. Hand-held GPS units are allowed.

Responsible Off-Highway Vehicle Use

There has been a big increase in the use of OHVs by hunters. While most areas of the public lands are designated as open to OHV use, cross-country travel on OHVs is causing unnecessary damage to habitat that wildlife depend on. OHV riders are asked to stay on existing roads and trails. If it is necessary to drive off roads to retrieve and pack out harvested game, hunters are asked to use care and avoid creating new routes.

Wildlife Habitat

BLM conducts a variety of projects to improve wildlife habitat, restore watersheds and improve forage quality. Prescribed burning is conducted in spring and fall to take advantage of fuel and weather conditions. Fire and mechanical thinning is an effective way to rejuvenate old stands of aspen and some shrubs and open areas invaded by junipers to encourage

regrowth of grasses and shrubs beneficial to wildlife. Hunters may question why prescribed fire has to take place during the hunting season, especially in units where it may take 10 years or more to draw a tag. Very specific criteria are used to develop a burn prescription. Weather conditions, fuel conditions and numerous other factors must be within strict parameters before a manager can conduct a burn. Adding to the complexity, hunting seasons for various species are scheduled almost continuously from August through December.

Wild Horse Gathers

BLM conducts wild horse gathers to maintain appropriate management levels of animals to prevent overgrazing and to promote the well-being of wild horses. Lack of natural predators and good habitat conditions contributes to an average annual increase in wild horse populations of over 20 percent, requiring herds to be reduced every four to five years. Except for emergency situations, BLM gathers wild horses in late summer, fall and winter to reduce risk of injury to foals, which are typically born in March and April. Large wildland fires and drought conditions may require unscheduled, emergency removal to protect the animals and habitat.

Definitions

As used in this regulation pamphlet:

“Big game mammal” means any: pronghorn antelope, black bear, mule deer, mountain goat, mountain lion, Rocky Mountain elk; or one of the following subspecies of bighorn sheep: (a) Nelson bighorn sheep; (b) California bighorn sheep; or (c) Rocky Mountain bighorn sheep.

“Bucks only” means only deer that have at least one antler.

“Antler point” means a projection that is at least one inch in length, with the length exceeding the width of its base, excluding the first point on the main beam commonly known as the eye guard on mule deer.

“Antlerless deer only” means, in a designation of deer that may be taken during an open season, only deer without antlers.

“Antlerless elk” means any elk without antlers.

“Antlerless elk only” means, in a designation of elk that may be taken during an open season, only elk without antlers.

“Bulls only” means, in a designation of elk that may be taken during an open season, only elk having at least one antler.

“Closed season” means all periods except those designated as “open season.”

“Commission” means the Board of Wildlife Commissioners, unless otherwise stated.

“Department” means the Nevada Department of Wildlife.

“Furbearing mammal” means beaver, bobcat, kit, gray and red fox, martin, mink, muskrat, nutria, and river otter.

“Game mammal” means antelope; black bear; mule deer; mountain goat; mountain lion; moose; peccary; cottontail, pygmy, snowshoe and white-tailed jack rabbit; desert, Nelson, California and Rocky Mountain bighorn sheep; and Rocky Mountain elk.

“Hunting” means to search for, pursue or attract wild mammals or birds for the purpose and with the means of capturing, injuring or killing them, every attempt to do so, and any assistance to others in doing so.

“Open season” means that period designated during which it is legal to fish or to hunt game mammals or game birds or to hunt or to trap furbearing mammals. Such a period includes the first day and the last day designated.

“Migratory game birds” means wild ducks, mergansers, geese, and swans; wild doves and pigeons; rails, coots and gallinules; and woodcocks and snipes.

“Regular season” means an open season for which tags are placed on general sale without limit as to the number of resident hunters who may participate, and which shall be statewide in extent, except for variation in date between districts or the reservation of any area for special management as a special season. The number of nonresident tags may be limited by district in a regular season.

“Spike elk” means any elk without branching on either antler.

“Spike elk only” means, in a designation of elk that may be taken during an open season, only elk without branching on either antler.

“Special season” means an open season for which tags are placed on restricted sale to residents and nonresidents, whereby only a certain number may be issued, as determined by lot or otherwise. Special seasons are those designed for special management or control not possible in regular seasons.

“Take” means to kill, capture, shoot, trap, catch, wound, possess, collect, seine, snare or net, and every attempt to do so,

“Trapping” means to set or operate any device designed, built or made to close upon or hold fast any wild mammal or wild bird and every act of assistance to any person in so doing.

“Unprotected species” include coyote, black-tailed jack rabbit, spotted and striped skunk, and long-tailed and short-tailed weasel, badger, raccoon and ring-tailed cat.

“Upland game birds” means blue, ruffed, sage and sharp-tailed grouse; chukar, Hungarian, and snow partridge; ring-necked and white-wing pheasant; bobwhite, California, Gambel’s, mountain and scaled quail; North American wild turkey, and American crow.

“Waterfowl” means ducks, mergansers, geese, and swans.

“Wildlife” means any wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean found naturally in a wild state, whether indigenous to Nevada or not, and whether raised in captivity or not.

A list of map vendors known to sell USGS topographic maps can be found on the Department of Wildlife's web site at: www.ndow.org. Other map vendors may also be found by calling: Map Quest: 1-800-627-0039.

Landowner Compensation Tags

An owner, lessee or manager of private land in this state may apply to the Department for the issuance of deer or antelope tags for compensation for damage caused by these animals. These tags can be used by the owner, lessee or manager if he holds a valid Nevada hunting license or the tag(s) can be sold to any holder of a valid Nevada Hunting license at any price mutually agreed upon. Any landowner, lessee or manager of private land or any hunter wanting more information on this program should call (775) 688-1507.

Weed-Free Hay

Hunters, you can find a list of weed-free hay producers and vendors by visiting the Nevada Department of Agriculture's web site at: www.agri.nv.gov. Click on the "noxious weeds" section under the "plant industry" heading.

Demerits and Penalties

The vast majority of hunters, trappers, and anglers do their best to abide by the wildlife laws and regulations. For those people who fail to follow the law, convictions of wildlife law may carry serious penalties including criminal fines up to \$5000, jail, civil penalties up to \$5000, loss of equipment, and loss of license privileges.

Demerits and License Revocations

Hunting, fishing and trapping license privileges are revoked when a person accumulates 12 demerit points within a 60-month period. When a person is convicted of a wildlife violation, a certain number of demerits are assessed for that crime. The more serious the crime, the greater the number of demerits that are assessed.

Demerit-based revocations may last up to three years. Under some circumstances a persons tag privileges may be revoked for up to 10 years.

Criminal Penalty Provisions

NRS 501.376 Unlawful killing or possession of bighorn sheep, mountain goat, elk, deer, pronghorn antelope, mountain lion or black bear; criminal penalties.

1. Except as otherwise provided in this section, a person shall not intentionally kill or aid and abet another person to kill a bighorn sheep, mountain goat, elk, deer, pronghorn antelope, mountain lion or black bear:

(a) Outside of the prescribed season set by the Commission for the lawful hunting of that animal;

(b) Through the use of an aircraft, helicopter or motor-driven vehicle in violation of 503.010;

(c) By a method other than the method prescribed on the tag issued by the Department for hunting that animal;

(d) In a manner, during a time or in a place otherwise prohibited by a specific statute or a regulation adopted by the Commission; or

(e) Without a valid tag issued by the Department for hunting that animal. A tag issued for hunting any animal specified in this subsection is not valid if knowingly used by a person:

(1) Other than the person specified on the tag;

(2) Outside of the management area or other area specified on the tag; or

(3) If the tag was obtained by a false or fraudulent representation.

2. The provisions of subsection 1 do not prohibit the killing of an animal specified in subsection 1 if:

(a) The killing of the animal is necessary to protect the life or property of any person in imminent danger of being attacked by the animal; or

(b) The animal killed was not the intended target of the person who killed the animal and the killing of the animal which was the intended target would not violate the provisions of subsection 1.

3. A person who violates the provisions of **subsection 1 shall be punished for a category E felony** as provided in NRS 193.190 or, if the court reduces the penalty pursuant to this subsection, for a gross misdemeanor.

4. A person shall not willfully possess any animal specified in subsection 1 if the person knows the animal was killed in violation of subsection 1 or the circumstances should have caused a reasonable person to know that the animal was killed in violation of subsection 1.

5. **A person who violates the provisions of subsection 4 is guilty of a gross misdemeanor.**

NRS 501.385 Unlawful acts; criminal penalties. Except as otherwise provided by specific statute: 1. Any person who: (a) Performs an act or attempts to perform an act made unlawful or prohibited by a provision of this title;

(b) Willfully fails to perform an act required of him by a provision of this title;

(c) Obstructs, hinders, delays or otherwise interferes with any officer, employee or agent of the Department:

(1) In the performance of any duty while enforcing or attempting to enforce any provision of this title or any regulation adopted pursuant thereto; or

(2) While lawfully obtaining or attempting to obtain biological samples of wildlife, hunting, fishing or trapping data, or any other biological data or information relating to wildlife;

(d) Violates any order issued or regulation adopted by the Commission under the provisions of this title; or

(e) Having been granted a privilege or been licensed or permitted to do any act under the provisions of this title, exercises the grant, license or permit in a manner other than as specified, **is guilty of a misdemeanor. Any officer, employee or agent of the Department may not obtain or attempt to obtain biological samples of wildlife, hunting, fishing or trapping data, or any other biological data or information relating to wildlife on private property without the consent of the owner of the property.**

2. Every person who is guilty of a misdemeanor under this title shall be punished by a fine of not less than \$50 nor more than \$500, or by imprisonment in jail for not more than 6 months, or by both fine and imprisonment.

NRS 501.3857 Forfeitures. Any gun, ammunition, trap, snare, vessel, vehicle, aircraft or other device or equipment used, or intended for use: 1. To facilitate the unlawful and intentional killing or possession of any big game mammal; or

2. To hunt or kill a big game mammal by using information obtained as a result of the commission of an act prohibited by NRS 503.010 or a regulation of the Commission which prohibits the location of big game mammals for the purpose of hunting or killing by the use of:

(a) An aircraft, including, without limitation, any device that is used for navigation of, or flight in, the air;

(b) A hot air balloon or any other device that is lighter than air; or

(c) A satellite or any other device that orbits the earth and is equipped to produce images, or other similar devices; or

3. Knowingly to transport, sell, receive, acquire or purchase any big game mammal which is unlawfully killed or possessed, is subject to forfeiture pursuant to NRS179.1156 to 179.119 inclusive.

Civil penalties. In addition to the criminal penalties, every person who unlawfully kills or possesses a big game mammal, bobcat, swan or eagle is liable for a civil penalty of not less than \$250 nor more than \$5,000.

For unlawfully killing or possessing fish or wildlife not mentioned above, the court may order the defendant to pay a civil penalty of not less than \$25 nor more than \$1,000.

For hunting, fishing or trapping without a valid license, tag or permit, the court may order the defendant to pay a civil penalty of not less than \$50 nor more than \$250.

Failure to pay a penalty within 90 days may result in license suspension or revocation and denial of privileges.
