MEMORANDUM

To: All State Agencies, the Nevada System of Higher Education, the Court System, the Legislative Counsel Bureau and all Political Subdivisions within the State of Nevada

From: Greg Smith, Administrator

Subject: Contracts for Computer Equipment, Software, Peripherals and Related Services

The Purchasing Division is pleased to announce the award of new contracts for computer equipment, software, peripherals and related services which are approved for use by all governmental entities within the State of Nevada.

The computer equipment, peripherals and related services contracts have been awarded to various vendors as listed below. The contract period is effective from September 1, 2009 through August 31, 2012 with the possibility of one two-year or two one-year extensions. Awarded items are only for products listed.

These agreements DO NOT INCLUDE the purchase of Microsoft products other than operating systems or any software not installed on a server or SAN. Individual units/configurations for servers and storage (SAN's etc.) are not to exceed \$300,000 each; desktop units/configurations are not to exceed \$100,000; printer units/configurations shall not exceed \$50,000 each. Equipment shall be defined as workstations, desktop, laptop (includes Tablet PC's), handheld devices (PDA's), projectors, servers, printers, monitors, computing hardware, including upgrade components such as memory, storage drives, and spare parts. Audio Visual Products (i.e. digital cameras, televisions, whiteboards, etc.) ARE NOT INCLUDED in these agreements. The exception to this definition is whiteboards, which can be sold as part of the Instructional Bundles, but not as a stand-alone item.

For detailed information regarding the contracts, vendor information, and vendor/contract website links, please visit our website at <http://purchasing.state.nv.us>. You will find these contracts listed in the Technology section.

In addition to these contracts, we invite you to review and consider the **Premium Savings Computer Configurations** also located on our website in the Technology Section. These additionally discounted configurations provide a significant cost savings to the state and represent predetermined configurations submitted by various participating vendors.
