

Mission and Goals

Western Nevada Community College is a public, open admissions college dedicated to providing affordable, quality educational opportunities for those residing in our seven-county service area. Our students come from a variety of social, ethnic, and economic backgrounds and vary in their reasons for attending our college; some are the first in their family to attend college while others hold post-graduate degrees. Western Nevada Community College welcomes all who desire the opportunity to learn. The strength of our college emanates from its diversity, and we affirm the right of all to pursue and disseminate knowledge free of discrimination and prejudice. All members of the college community—faculty, support staff, and administrators—are committed to the values of free and unfettered inquiry; tolerance of, and respect for, difference; the nurturing of human potential; good citizenship; and, above all, civility. These values are reflected in all of the college's policies and practices.

Our college is committed to providing students convenient access to its many educational offerings. In addition to two rural campuses and one urban campus, the college has outlying centers in several small communities and uses distance education to bring our educational programs to those unable to travel to a center or campus.

To achieve the educational goals of our college, we have hired faculty, both full-time and part-time, dedicated to the proposition that students come first. These teachers have committed their lives to the art of teaching and advising students. Our faculty are master teachers who are engaged in professional activities that allow them to bring practical experiences as well as the latest research in their disciplines to their instruction. Student learning, both in and out of the classroom, is enhanced by a variety of services provided by academic support services, student services, and administrative services.

The thrust of our curriculum is to meet the educational goals of as many of our students as possible. We offer certificates and degrees that prepare students to transfer to other institutions of higher education as well as allow them to enter into a range of occupations. Across all areas of the curriculum, courses and programs are designed to provide bridges of opportunity over which students can travel from where they have been educationally to where they are capable of going. But above all, the faculty strive to foster within all our students the desire to pursue knowledge as an end in itself and to continue this pursuit for a lifetime.

Our college is also firmly grounded in community involvement. As an institution, Western is an important resource for the community and strives to provide both culturally enriching and intellectually stimulating activities and events that are open to all members of our community.

Our commitment to our mission is illustrated in our major goals:

1. Our primary goal is to prepare students to deal effectively with the challenges and situations that they will face in their lives, including personal growth and development, achieving their educational goals, advancing in their careers, and coping with the technical and social changes in our global society.

To accomplish this goal, our college pledges to:

- Offer an array of affordable and convenient learning opportunities, ranging from short courses to degrees, to the greatest number of people within our service area.
- Strengthen the curriculum of the college so that students who complete degrees or specialized training will acquire the knowledge, attitudes, and skills they need to be successful in their personal and professional lives.
- Work with individuals to help them identify their strengths and those areas where they need additional work and to provide them with the skills that will allow them to function effectively in college courses.
- Provide instruction that contributes to a student's personal, social, and intellectual growth by fostering the abilities to speak and write effectively; to think critically and solve problems; to reason mathematically and apply computational skills; to locate and evaluate information resources; and to appreciate the arts and the humanities.
- Promote the values of work and civic involvement by participating in the decision making and problem solving processes at the local, regional, state, national, and international levels.

2. We seek to be a positive force in the effort of both private and public enterprises to strengthen the economy in our service region. To meet this goal we plan to continue to provide a wide range of occupational courses, certificates, degrees, and support services tailored to meet the needs of students and employers in our service area.

3. We are committed to serving our community by:

- Providing opportunities for thoughtful consideration of important social topics and complex issues.
- Sponsoring and hosting events that support both the visual and performing arts.
- Working with other groups to encourage the development of the arts.

4. We strive to create a comfortable environment conducive to learning at every college campus and center by continually updating and modernizing the physical facilities and the services offered at all locations.

5. We are committed to structuring all of the college's administrative and support services to effectively and efficiently support instruction.

6. We strive to offer a broad array of academic support services and student services crafted to aid students at each step of their progress through our institution, from college application through graduation and beyond.

STATEMENT OF INTEGRITY

WNCC is committed to the highest ethical standards in its administration, teaching, scholarships, and service, and its treatment of its students, faculty and staff.

Western Nevada Community College Application for Admission

Complete this one-time application if you have not submitted one in the past. Be sure to provide all information requested. If data is omitted, nonresident student status and fees may apply. High school students must attach a high school authorization to this application. Only students classified as nonresidents receive a confirmation of nonresident status letter. All students are generally able to register in one business day once the application is received. To confirm application has been processed students must access Web-REG. Anyone unable to access Web-REG after 48 hours should contact Admissions & Records. A one-time \$15 application fee is added to your account when class registration is complete.

Fax, mail, or deliver completed application to one of the following locations:

Legal Notice

This is the 2005 fall semester class schedule of Western Nevada Community College. It lists the classes that the college plans to offer and describes registration and enrollment guidelines. This information is subject to change at any time and should not be considered a contractual agreement.

Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974 (FERPA), Western Nevada Community College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. At Western Nevada Community College, the following categories are defined as "directory" information: student name, city, state, residency status, full-time/part-time status, graduation date, major/degree, academic honors, dates of attendance and whether currently enrolled, and photographs from college sanctioned events.

Students have the right to request non-disclosure of directory information. If they do not restrict release of this information, the information may be released or disclosed. Western Nevada Community College uses directory information for non-commercial, educational purposes, such as to mail notices to students about changes in policies, services, or opportunities. Directory information may also be provided for commercial

purposes to businesses affiliated with the institution, honor societies, the alumni association and foundation, or other individuals for purposes that may be beneficial to students. The institution exercises discretion in responding to requests for directory information and may or may not provide such information when requested, depending on the intended purpose of the request. The institution does not sell or rent student information for a fee.

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs; to confirm graduation and dates of attendance to potential employers; to verify enrollment with organizations such as insurance companies; or to send notifications about specialized scholarships without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to the Office of Admissions and Records. This directive will apply permanently to your record until you choose to reverse it by submitting a written authorization.

- Do not disclose my information for commercial purposes.
- Do not disclose my information for non-commercial, educational purposes.
- Do not disclose my information for both commercial and non-commercial purposes.

Printed Name _____ Student ID _____

Signature _____ Date _____

The authorization can be mailed, faxed or delivered in person to Admissions and Records.
This request will apply permanently to your record, even following graduation, until you choose to reverse it by submitting a written authorization to Admissions and Records.

REGISTRATION TIPS

- Submit application for admission at least 24 hours before your planned class registration time.
- Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.
- Register early to get classes at the days and times you want.
- Audit status is only for those who do not want grades or credit.
- Pay fees when you complete registration (no later than published deadlines).
- Print a copy of your schedule to take to the bookstore to buy your books and to verify location of classes.
- Be aware of refund deadlines for classes and books.
- Exchanging one class for another with the same amount of credits must be completed by the end of the 90 percent refund period. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not "even exchanged" will remain on your transcript with a grade of "W", and may affect financial aid students.
- Periodically verify your schedule using Web-REG.
- High school students must have a completed High School Authorization form to register for classes.
- Withdraw from classes if you are unable to attend or complete the courses by the published deadline.
- Check grades one week after the semester has ended using Web-REG.

WNCC full-time faculty members will be available to answer questions about classes and academic programs from August 17 to December 16. WNCC also utilizes part-time faculty members to teach courses. Contact them through the instructional divisions listed above.

Where to Begin - Registration Information

Registration

Registration at WNCC can be accessed online through Web-REG at <http://www.wncc.edu/webreg> - follow the instructional prompts. Be sure you have a class schedule and complete the worksheet on the next page prior to accessing the Internet.

Computers are available at various WNCC locations and public libraries.

• **NEW TO WNCC?** — If you have never attended WNCC, or have not attended since fall 1978, you must submit an admission form to the Admissions Office prior to registering. See front of schedule.

• **STUDENT I.D. NUMBER** — To identify each student, Web-REG will ask you for your Student I.D. or your Social Security number. If you do not have a Social Security number, please contact the Admissions Office for assistance.

• **PIN NUMBER** — Web-REG will also ask for a PIN (Personal Identification Number). The college set PIN is a four-digit number. It is your date of birth (two-digit year followed by two-digit month. Example: January 8, 1976, would be 7601). Otherwise, you must already have or choose a private number. If you have forgotten your private PIN please contact Admission and Records.

• **PREREQUISITES** — Students are responsible for checking course prerequisites in the WNCC online catalog. Improper course registrations are subject to cancellation.

• **TIME CONFLICTS** — Students are responsible for avoiding registering for courses at times that overlap.

• **FULL/ CANCELED CLASSES** — If the class you have selected is full/ canceled and no other sections are available, ask for assistance in selecting alternate courses.

Admissions & Registration Information

Admissions Policies —

Western Nevada Community College maintains an “open door” admissions policy. Any adult who can benefit from instruction at the college is welcome to enroll. WNCC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, legal immigrant or qualified international student who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNCC.

Admission only ensures general enrollment at WNCC and does not guarantee admittance into specific programs or particular classes. For specific information regarding academic programs or classes, contact a counselor or the appropriate academic division.

ADMISSION FOR NEW STUDENTS

New students or students who have not attended WNCC since 1978 must submit an admission form prior to registration. Once an application has been received by Admissions, students can generally register for classes within two working days. Students will not receive notification of acceptance. See admission form in back of schedule.

ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed high school authorization form available at the WNCC Admissions Office or online. WNCC may also request high school transcripts for verification.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed on a case by case basis for enrollment status in credit courses. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNCC must contact the Admissions Office on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNCC. These students should submit a “Petition for Evaluation” to the college Admissions Office and request official transcripts from each previously attended institution.

ALLIED HEALTH PROGRAMS ADMISSION

The college offers an associate degree in nursing with an optional exit for practical nursing. The college has also developed a certificate of achievement in surgical technology for those seeking a health career in operating room care. Admission to both programs is limited and requires special application procedures. For information:

AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Thursday, Oct. 20.

Admissions and Records..... 445-3277

RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply for a student to be deemed a Nevada resident:

1) A dependent person whose spouse, family or legal guardian is a bona fide Nevada resident at matriculation.

2) A financially independent person who is a bona fide resident of Nevada for at least six months immediately prior to matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada Community College. A nonresident who matriculates to WNCC shall continue to be classified as a nonresident student throughout the student’s enrollment, unless and until the student can demonstrate continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status.

Admissions and Records..... 445-3277

Adds, Drops & Withdrawals

Adds/ drops may be completed beginning Monday, April 18, using the Internet at **www.wncc.edu/webreg**. The last day to add full-term classes by the Internet is Thursday, Sept. 1. Dropping a full-term class must be done by the Internet at any time during the semester, until Friday, Dec. 9. See fee refund policy.

COURSE LOAD

The number of credit units taken by a student, whether for credit or audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more credits; three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of the instructional dean.

Registration Information

GRADE POLICY

WNCC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Students may request a printed copy on the Internet. Grades are available approximately one week after the end of the semester. Fall grades will be available on Tuesday, December 27. WNCC provides ten complimentary official transcripts; additional copies are \$2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as Amended (FERPA) requires a photo ID to verify that you are the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Class Cancellations/Changes

WNCC reserves the right to cancel classes with low or insufficient enrollment.

The list of cancelled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. This semester cancelled class hotline will be updated August 12-September 2; the daily cancelled class hotline is updated daily beginning August 26, throughout the semester.

Students concerned about possible college closure due to inclement weather should also check the WNCC web site at www.wncc.edu and watch local TV stations.

Principles of Community

As members of the WNCC community, we choose to be part of an academic community dedicated to those principles that foster personal and professional integrity, civility, and tolerance.

We strive toward lives of personal integrity and academic excellence—We will encourage in ourselves, and in one another, those responsible actions which lead to lives of productive work, personal enrichment, and useful citizenship in an increasingly interdependent world.

We commit to treat one another with civility—Recognizing that there will be differences of opinion, we will explore the differences in a courteous and forthright manner, always acknowledging individual rights to the freedom of expression and association.

We support tolerance—We encourage those of all cultures, orientations, and backgrounds to understand and respect one another in a safe and supportive educational environment.

Important Information About Fees

FEE PAYMENT

Invoices are mailed to students who register by Tuesday, Aug. 16. If you do not receive an invoice, it is your responsibility to access the WNCC web site for the amount you owe in Web-REG - www.wncc.edu. Fees are due by Thursday, Aug. 25, at 5 p.m., or 8 p.m. when paying by credit card through the Internet, or your enrollment may be canceled. After that date a \$25 late fee will be assessed. Last day to pay during late registration is Thursday, Sept. 1, at 5 p.m., or 8 p.m. via the Internet.

APPLICATION FEE

All students who apply for admission are assessed a one-time \$15 fee when they register. This fee is not deferrable or refundable even if the courses are full, dropped, or canceled.

REGISTRATION FEE

The fall semester registration fee is \$50.75 per credit (except for Community Education classes). The fee to audit a class is the same as the fee to register for credit. NOTE: some classes also carry a special use or lab fee.

TECHNOLOGY FEE

The UCCSN Board of Regents approved a technology fee of \$4 per credit. Thus, the typical three-credit class would cost \$164.25 in combined registration/technology fees.

The fee is used to fund technology needs in computing and information delivery systems and enable WNCC to stay abreast of the latest technological developments.

PERSONS AGE 62 OR OLDER

Nevada residents 62 years or older may register for credit or audit status in any course without paying registration, application or admission fees, except as noted:

- Only those courses where space is available may be taken.
 - Reduced fee benefits are always subject to programs being otherwise self-sustaining, i.e. summer session.
 - Lab and technology fees are still applicable.
- All seniors must pay a \$4 per credit technology fee.
- Community Education courses fees are discounted by 20 percent.

HIGH SCHOOL EARLY ENTRY PROGRAM (FAST TRACK)

High school students who enroll in selected WNCC distance education classes through the High School Early Entry Program will pay a discounted fee. See a high school counselor for details.

NON-RESIDENT/FOREIGN STUDENT TUITION

Out-of-state students who enroll for six or less credits in a semester are required to pay an additional \$55.75 per credit. Those who enroll for more than six credits in a semester must pay an additional \$2,457.50.

NON-RESIDENT DISTANCE EDUCATION TUITION

A reduced non-resident tuition fee of \$25.50 per credit (regardless of the number of credits) will be added to the regular registration fee of \$50.75 per credit for non-resident students enrolled exclusively in distant education classes residing outside of Nevada during the semester in which enrollment in the distant education course(s) occurs.

GOOD NEIGHBOR TUITION

A reduced non-resident tuition fee of \$30.50 per credit (regardless of the number of credits) will be added to the regular registration fee of \$50.75 per credit for students:

- living within 50 miles of the Nevada border for one year or more or,
- graduates of specifically designated high schools or community colleges from neighboring states.

Residency information is available at the Carson City campus Admissions Office or the Fallon main office.

PAY BY INTERNET

Pay fees with Visa, MasterCard, or Discover through the Internet: www.wncc.edu. Verify your account balance after submitting your request. **There is a \$10 minimum charge when paying by credit card.**

PAY BY MAIL/DROP BOX

Make checks payable to Board of Regents. Indicate the student's Social Security number or student I.D. number. A fee payment box for after hours is located on the Carson City campus or mail to:

Important Information About Fees

DEFERRED PAYMENTS

Contracts for deferred payment of registration fees are available to students who register for six or more semester credit hours in a fall or spring semester. Application for admission fees, laboratory fees, and costs of Community Education credits and courses may not be deferred. Special fees, i.e., lab fees, insurance, etc., and approximately half of the registration and tuition fees are payable at registration.

The unpaid balance is due and payable no later than Friday of the sixth week of instruction. If payment for deferred fees has not been made by the required date, the account will be considered delinquent and the student will be placed on financial hold for future registration, grade, transcript, diploma, and certificate privileges.

A penalty fee of \$10 or 10 percent, whichever is greater, will be charged on all delinquent accounts. The registrar is authorized, if necessary, to officially withdraw a student from classes for nonpayment of the balance.

A student who qualifies for the deferred contract and sends in the first payment by the published deadline agrees to the contract rules. No written contract is required. To set up a deferment, access the Internet and select the account and billing option.

DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNCC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashier's check or money order only) or the college will begin collection procedures.

Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNCC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Thursday, Aug. 25.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Thursday, Sept. 1. NOTE: Community Education courses and Open Entry/Open Exit courses do not have a 90 percent refund period.

Short-term course refund policies DO NOT follow full-term refund guidelines. A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term classes must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. The 90 percent refund is not available for short-term classes.

NOTE: Many summer courses are short-term.

Refund checks for dropped classes are prepared and mailed biweekly. Payment will be made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. ***Drops must be made by Internet before a refund can be issued.***

Refunds after published deadlines will not be considered for reasons which are beyond the control of the college. Not attending class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

GRADUATION APPLICATION/FEES

Students seeking associate degrees or certificates of completion must submit a completed application for graduation and the \$15 fee to Admissions and Records before processing begins. Missing the application deadline or failure to meet degree requirements means students must submit a new application and repay the application fee.

Deadline for filing graduation applications and fees for the fall 2005 semester is Tuesday, November 1.

Financial Assistance

Financial Assistance

The college's Financial Assistance Office administers a broad array of financial aid programs, including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses.

WELCOME

Millennium Scholars!
Your scholarship pays \$40 per credit at WNCC.

To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Non-degree students are not eligible to receive the scholarship.
- Register by Internet for at least 6 credits at WNCC per semester.
- Maintain the minimum GPA as required in your Acknowledgement Letter.
- If you need additional funds for college, please contact the Financial Assistance Office.

www.FAFSA.ED.GOV

How to Apply for Financial Aid

Many students are eligible for some type of financial assistance. To be considered for financial aid and many WNCC scholarships, complete the Free Application For Federal Student Aid (**FAFSA**) as soon as possible after January 1 for the next school year. Students should keep in mind that applying for and receiving financial aid is a lengthy process. The earlier students apply, the earlier they can be notified about eligibility for financial assistance as some funds are limited. Early submission of the FAFSA increases the possibility of receiving aid. Please allow at least 45 days before the semester begins to complete the application process. Files completed after July 15 for fall 2005 semester may be subject to late disbursement (*pending eligibility*).

Financial Aid Checklist

STEP #1 New students should complete the WNCC Admission Application and scholarship forms. WNCC will be unable to process the FAFSA forms until student has been admitted to the college.

STEP #2 Students need a PIN to apply for the FAFSA online. This is not the same PIN number used to register for classes. A Department of Education PIN allows students to electronically "sign" the Free Application for Federal Student Aid application which reduces processing time. Students under age 24 may also need parents to sign the FAFSA form. In this case, the parents should also request a PIN, since they must sign for any information they enter electronically. Request a PIN at: [http:// pin.ed.gov/](http://pin.ed.gov/) .

STEP #3 Organize financial records that are necessary to complete the electronic FAFSA. Include a copy of the latest Federal Income Tax form, a parent's tax return for a dependent student (refer to FAFSA instructions to determine this status), and a spouse's return (for married students filing separately). Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

STEP#4 Complete the electronic FAFSA at www.fafsa.ed.gov. List Western Nevada Community College as the college choice. WNCC uses school code: 013896.

For assistance completing the FAFSA, computers and advisors are available in the Financial Assistance office 8 a.m. to 5 p.m., Monday through Friday. The office is open until 6 p.m. Wednesday evenings when classes are in session. Bring the required Department of Education PIN number.

Veterans Services

The college maintains an Office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNCC's outlying centers.

Persons who are eligible for veterans benefits include: veterans discharged less than ten years ago, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications.

VETERANS STANDARD OF SATISFACTORY PROGRESS

A veteran receiving VA benefits must maintain a minimum cumulative grade point average of 2.0 on a scale in which an "A" equals 4.0. A student whose cumulative grade point average falls below 2.0 will be placed on academic probation for the following semester.

Veterans must achieve a minimum 2.0 grade point average per semester while on probation and have two semesters to raise the cumulative grade point average to 2.0. If at the end of the probationary period the cumulative grade point average has not reached 2.0, the student will be terminated from VA assistance. Reinstatement rests on approval of VA counselors at the regional office in Reno.

Special Programs & Services

Dini Student Center

The student center is located on the first floor of the Joe Dini Library at WNCC Carson City. The center offers students a place to study, relax, and have a good time. It includes:

- Fitness Center
- Game room/pool tables/video games
- Television lounge
- Student government office
- Internet nook
- Study areas

Monday-Thursday 8 a.m. - 8 p.m.

Friday 8 a.m. - 5 p.m.

FITNESS CENTER/ACTIVITY STICKER

Students need to acquire a WNCC student ID card, enroll in a minimum of three credits and purchase a \$20 activity sticker each semester to use the Fitness Center. Pay for the activity sticker in the Business Office, and then take the receipt to the student center information desk to receive a valid sticker. *Valid WNCC ID with current activity sticker is required for the Fitness Center. No Exceptions.*

Monday-Thursday 6 a.m. - 8 p.m.

Friday 6 a.m. - 5 p.m.

STUDENT ID CARDS

Students obtain their college ID cards at the student center information desk.

Monday-Thursday 8 a.m. - 8 p.m.

Friday 8 a.m. - 5 p.m.

Library Cards

All students need a library card to borrow materials and access library databases from their home computers. Current WNCC students obtain a card by coming to the library and filling out a registration form. Some form of personal identification such as a WNCC student I.D. or a driver's license must be shown.

Disability Support Services (DSS)

WNCC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through the office of Disability Support Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNCC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.

Phi Theta Kappa Honor Society

Phi Theta Kappa has recognized academic excellence in two-year colleges since 1918 and is one of the most prestigious honor societies in higher education. WNCC has two chapters of Phi Theta Kappa: Alpha Upsilon Beta and Beta Theta Iota. Alpha Upsilon Beta established in 1991, has inducted more than 500 members. Beta Theta Iota established at WNCC Fallon in 1998, has inducted more than 75 members.

Phi Theta Kappa has four hallmarks:

- Scholarship
- Service
- Leadership
- Fellowship

High School Student Services

WNCC offers services which allow qualified high school students to earn high school and college credits simultaneously. The services are:

TECH PREP: High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits carry over to WNCC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

DUAL CREDIT: Students may earn college and high school credits simultaneously. Each high school in the WNCC service area has a list of WNCC courses that translate into high school credit. The program helps students maximize their educational potential by offering courses not available at the high school, as well as giving them the opportunity to begin their higher education while still in high school. Contact local school districts for an updated list of dual credit classes.

FAST TRACK: Courses are offered via Internet or interactive video. Courses are specifically designed for high school students at a discounted rate. Fast Track classes cost \$25, with a \$15 interactive video fee.

Student Insurance Coverage

Students who desire health insurance coverage for their protection while attending WNCC have an opportunity to purchase it through the University & Community College System of Nevada. However, students must be enrolled in six or more credits and there is an enrollment period to obtain the insurance. For more information, a Student Accident and Sickness Insurance Plan brochure is available at the Business Office on the Carson City campus.

Counseling & Testing

Counseling Services

Offers a variety of services as an integral part of each student's educational experience

Counselors are available days and some evenings at the Carson City, Douglas, and Fallon campuses to help students and community members make important decisions regarding educational goals and career directions.

Counselors help students plan their academic schedules to ensure understanding of major/ graduation requirements and current transfer guidelines. Counselors can also assist students with career exploration, interest testing, job search techniques, current information on labor markets, and educational training requirements.

Students are encouraged to see a counselor the semester prior to enrollment to receive correct advanced advising. Please call for appointments.

Transfer Center/ Career Center

WNCC's Transfer Center assists students who plan to continue their education at a university. The center will provide a variety of services designed to make transfer from WNCC to a university as easy and efficient as possible. The Transfer Center is in Counseling Services at the Carson City campus, and in the library at the Fallon campus.

The Career Center provides information regarding career descriptions, job outlook, work settings, and preparation necessary to enter career fields. These materials help students select college majors and occupations.

Orientation

ATTENTION NEW STUDENTS: Find out everything you want to know about college but are afraid to ask. Learn about programs, policies and procedures that will affect you. WNCC orientation programs are designed to provide information, class scheduling opportunities, and academic advisement for all new students. Counselors will be available to discuss individual concerns, as well as various college disciplines and requirements.

Online orientation is also available at: <http://www.wncc.edu/orientation>.

Testing

Every student planning to register for English and math courses at WNCC must take placement tests. Testing will assess a student's current skills in reading, writing and mathematics. Test results will help students select the appropriate courses to take at WNCC. In some cases, there are also qualifying test scores required for course enrollment.

Those with recent ACT/ SAT scores (no more than two years old) or with appropriate courses from other colleges may be exempt. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT and SAT required scores:

	ACT	SAT
English 101	21	510
Math 120	21	510
Math 126	22	520
Math 128	25	560
Math 176	25	560
Math 181	28	630

The best predictor for college math placement is successful completion of the course prerequisite.

Testing is available by appointment at the Carson City, Douglas and Fallon campuses. There is a \$10 testing fee. Photo identification is also required.

United Students Association

The United Students Association, otherwise known as student government or simply USA, is an elected group of students who represent the student body of Western Nevada Community College. The mission and purpose of the USA is to address student needs and concerns through coordination of student activities and organizations as well as helping to assess student needs. All members of USA welcome and encourage other students to voice any college concerns or ideas.

Student government is a great opportunity for anyone interested in organizing student activities and influencing the changes or student policies. Students really do make the difference, so get involved!

You are a Potential Honors Student!

Find out about WNCC's Honors Program

WHAT IS IT?

The WNCC Honors Program is designed to challenge students to achieve their highest academic potential. Students enrolled in any major are eligible to participate in the Honors Program. This means *YOU!*

WHAT ARE SOME PROGRAM BENEFITS?

- a chance to demonstrate your dedication to academic excellence and love of learning
- the opportunity to work closely with your college instructors
- Honors recognition on transcripts and upon graduation
- high quality recommendations from college faculty for career, scholarship, or further educational opportunities
- annual year-end competition for "Best Honors Project"

HOW DOES IT WORK?

WNCC students with a 3.0 or higher cumulative grade point average or recent high school graduates with an exit GPA of 3.0 or higher are eligible to apply. Students in the program earn Honors credit for a course by undertaking special course projects in addition to the regular course requirements. Projects are completed on a contractual basis with individual faculty members. To receive Honors credit, the student must receive a grade of "B" or better for the course and complete the contracted project to the satisfaction of the course instructor. During the first week of classes, talk to your instructors about participating in the Honors Program.

Honors Program participants who receive Honors credit in 18 or more course units in at least six different academic disciplines and who have at least a 3.5 cumulative GPA at graduation are designated as Honors Graduates.

Looking for a JOB?

Students - check out WNCC's new Student Employment web site
www.wncc.edu/studentjobs/

STUDENT EMPLOYMENT

Access the Student Employment section by clicking on the Student Life link of the WNCC web site home page. Employers can enter employment opportunities directly into the web site and students can access job descriptions. *Categories include:*

• On-Campus Job Board

On-campus jobs are open to any WNCC student currently enrolled in at least 12 credits (or six credits for work study students). Students who have been awarded work study as part of their financial aid have priority for on-campus positions.

• Tutoring Positions

Tutoring positions at elementary schools within the WNCC service area are made available to WNCC students through the Regents Award Program. Students are not required to apply for financial aid to qualify for these positions, but they must meet the minimum criteria.

• Off-Campus Job Board

WNCC receives employment announcements for a range of off-campus jobs including part-time, full-time, and temporary positions. These positions are not affiliated with WNCC. They are posted on the Job Board as a service to WNCC students, alumni, and the local community. For specific information on any listing, contact the employer directly.

Jump Start a Teaching Career

WNCC offers a set of transfer courses for education majors that makes it possible to complete the first two years, up to 64 credits, of course work for

bachelor's degrees from the College of Education at the University of Nevada, Reno or Nevada State College. Students prepare for degrees in Elementary Education, Bachelor of Science in Secondary Education, or Bachelor of Arts in Secondary Education.

Foundation courses available at WNCC include instructional technology, required 200 level English courses, introductory courses in secondary and special education, and freshman and sophomore courses requiring supervised field experience in the public schools.

WNCC & Nevada State College Partner in Teacher Preparation

WNCC students who are close to completing their first two years of transfer courses toward a bachelor's degree in education can enroll in Nevada State College junior and senior level courses offered at WNCC sites and by Internet. Students are able to earn a bachelor's degree and prepare for certification as an elementary teacher without leaving WNCC's service area.

A new cohort group will begin in fall 2005.

COMMUNITY EDUCATION

Community Education offers non-credit, self-supporting classes and events. This includes special interest courses, field trips and workshops. The department also sponsors College for Kids, an educational enrichment program to challenge and educate the youth in our service area. Since Community Education is self-supporting, classes that typically do not receive enough enrollment to qualify for state support may be successfully delivered through this department. New programs may often originate here as well until they qualify to become part of the state supported curriculum. Programs such as Motorcycle Safety will grant certificates of completion. Policies

Affirmative Action Policy

WNCC is committed to a policy of affirmative action/ equal opportunity employer and values diversity in its student population and work force. The college does not discriminate on the basis of race, color, age, religion, gender, sexual orientation, national origin, disabilities or veterans status in the programs that are offered, in the activities sponsored, and in the employment of all professional, classified and student employees. The college has procedures to resolve complaints of alleged discrimination.

Drug and Alcohol Prevention Policy

WNCC is required to provide information about campus rules and regulations pertaining to alcohol and other drugs. The WNCC Drug and Alcohol Prevention Policy #4-6-2 in the WNCC Policies and Procedures manual is available on the web at www.wncc.edu.

Sexual Harassment Policy

WNCC, as part of the UCCSN, is committed to providing a place of work and learning free from harassment, intimidation or insult. It is the policy of WNCC that the sexual harassment of students, employees, and users of WNCC facilities is unacceptable and prohibited.

The UCCSN Policy Against Sexual Harassment and Complaint Procedure, Title 4, Chapter 8, Section 13, is incorporated into the Board of Regents Handbook. This policy is available in Chapter 3, General Information, UCCSN Policies Related to This Area, in the WNCC Policies and Procedures Manual for review on the web at www.wncc.edu. Student Right To Know Act

The Student Right to Know and Campus Security Act requires that WNCC comply with the provisions and updates in disclosing the persistence graduation rate of certificate or degree-seeking students. This information is available to current and prospective students prior to enrolling or entering into any financial obligation.

As of January 2004, the four-year average Student-Right-to-Know graduation rate was 14 percent.

WNCC graduation completion rates are available from Counseling Services and the Admissions and Records office on the Carson City campus.

Why go to WNCC?

THERE'S MORE THAN ONE PATHWAY TO SUCCESS.

But look at the facts.

- In 2001, American workers who had completed an associate degree **earned 29 percent more** than those who had only a high school diploma or GED.
- The **sooner** you complete your college degree and begin your career, the **higher your lifetime earnings** can be.
- You'll have **more career choices** since **4 out of 5 jobs today require education after high school**. And, you'll be **more competitive** in the job market.

- WNCC is **more affordable**. Registration fees are only about **half the cost of a Nevada university**.
- **Many types of financial assistance** are available. In the 2003-2004 school year, WNCC students were awarded more than \$4.8 million in grants, loans, scholarships and other assistance.

HERE'S WHAT OUR 2003 GRADUATES SAID:

96% would recommend WNCC to others

96% believe their WNCC education was worth the time & money

92% were prepared by WNCC for further education

87% attained their primary goal

67% worked more than 30 hours a week while attending classes

How WNCC Courses Transfer & Meet Degree Requirements –

WNCC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNCC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which may transfer within the University and Community College System of Nevada, and often transfer to other colleges and universities, as either an equivalent, a departmental elective or a general elective.

Courses with a "B" designator after the number (such as MATH 110B) are college level courses which may apply toward a WNCC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

Courses with a "C" designator after the number (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

WEB Learning Information

NOTE: Minimum browser required for web classes: Windows 98/Me/2000/NT4/XP or Mac System 7 or higher. Other operating systems may work based on browser used, but no support will be available. First-time students refer to web for specific information: www.wncc.edu/online/webtut

Web Education: Classes delivered over the Internet that may require one or more scheduled meetings, either online or face-to-face.

Web Enhanced: Regular face-to-face classes that use an Internet component to expand the course experience.

Blended Classes: Classes delivered primarily over the Internet but with regularly required face-to-face meetings (ie: labs, etc.)

Distance Education: Educational opportunities delivered outside of a traditional classroom setting using a variety of technologies (ie: interactive video, Internet, etc.)

WebCT: A software delivery package (aka: shell) for web, web enhanced, and blended classes delivered over the Internet.

COMMUNITY EDUCATION INFORMATION

THE COMMUNITY EDUCATION DIVISION IS CONVENIENTLY LOCATED ON THE CARSON CITY CAMPUS IN THE REYNOLDS CENTER, RM 104C

PURPOSE

The goal of Community Education is to respond to your needs for lifelong learning opportunities. We encourage you to let us know the classes and workshops that you would like to have made available. Moreover, if you have an expertise that you would like to share with the community, please contact us. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus and are included in the Carson City area elementary school folders each semester or by calling the Community Education office.

CANCELLATIONS & REFUNDS

We make every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. However, there are times when we are unable to reach everyone. We strongly encourage you to call the Community Education Office before your class to determine if your class has been canceled or for any other changes. If WNCC cancels a class you will automatically be issued a 100 percent refund.

For semester-long courses, 100 percent is refunded if the withdrawal is completed prior to the first day of the semester.

For short-term courses, 100 percent is refunded prior to the first session. Motorcycle Safety class fees are non-refundable.

SENIOR DISCOUNTS

Nevada residents 62 years or older may receive a 20 percent discount on Community Education classes, excluding Driver's Training and Motorcycle Safety.

REGISTRATION & PAYMENT

There are two processes to enroll for class:

- For classes **with** "Call Numbers," enroll using the Internet @www.wncc.edu
- For classes **without** "Call Numbers," call to enroll or
 - **Walk-in** registration is accepted at the Carson City campus. Payments may be made by check, money order, or credit card.
 - **Mail** your registration to WNCC Community Education. Include payment in the form of check, money order, or credit card number. Make checks payable to: Board of Regents. Please do not send cash. *NOTE: WNCC is not responsible for late or lost mail. Allow enough time for registration to be received prior to start of class. Payment must be received on the same day as registration or it will be canceled without notice.*

Aimed at beginning riders, this program introduces students to motorcycle controls, motorcycle riding, basic maneuvers, street riding and traffic skills. You must be at least 16 years of age, be a licensed driver or have completed a driver education class. You must also be able to ride a bicycle. ATTENDANCE AT ALL SESSIONS IS MANDATORY. Upon successful completion of the course, you will receive a card to take to Nevada DMV to get your motorcycle endorsement. IF YOU ARE LATE, MISS A CLASS, ARE DISMISSED FROM CLASS OR DO NOT ATTEND, YOUR CLASS FEE IS FORFEITED. This is a difficult program; you may be dismissed if your lack of progression endangers you or fellow classmates.

---------------	--	------------	---	-------	------	----------	-------	---

Designed for riders who are already licensed and frequently ride, and for those seeking a motorcycle endorsement on their driver's license. At the end of class, those who are seeking the endorsement will need to pass a written and riding test. Students are encouraged to repeat the course periodically to keep skills and perceptions about safety fresh. Students must provide their own motorcycle, DOT approved helmet, proof of insurance and current registration. CLOTHING REQUIREMENTS: glasses, gloves with fingers, long sleeved shirt or jacket, over the ankle boots and long pants. TO REGISTER OR FOR MORE INFORMATION, CALL 445-4268.
