Mission and Goals

Western Nevada Community College is a public, open admissions college dedicated to providing affordable, quality educational opportunities for those residing in our seven-county service area. Our students come from a variety of social, ethnic, and economic backgrounds and vary in their reasons for attending our college; some are the first in their family to attend college while others hold post-graduate degrees. Western Nevada Community College welcomes all who desire the opportunity to learn. The strength of our college emanates from its diversity, and we affirm the right of all to pursue and disseminate knowledge free of discrimination and prejudice. All members of the college community—faculty, support staff, and administrators—are committed to the values of free and unfettered inquiry; tolerance of, and respect for, difference; the nurturing of human potential; good citizenship; and, above all, civility. These values are reflected in all of the college's policies and practices.

Our college is committed to providing students convenient access to its many educational offerings. In addition to two rural campuses and one urban campus, the college has outlying centers in several small communities and uses distance education to bring our educational programs to those unable to travel to a center or campus.

To achieve the educational goals of our college, we have hired faculty, both full-time and part-time, dedicated to the proposition that students come first. These teachers have committed their lives to the art of teaching and advising students. Our faculty are master teachers who are engaged in professional activities that allow them to bring practical experiences as well as the latest research in their disciplines to their instruction. Student learning, both in and out of the classroom, is enhanced by a variety of services provided by academic support services, student services, and administrative services.

The thrust of our curriculum is to meet the educational goals of as many of our students as possible. We offer certificates and degrees that prepare students to transfer to other institutions of higher education as well as allow them to enter into a range of occupations. Across all areas of the curriculum, courses and programs are designed to provide bridges of opportunity over which students can travel from where they have been educationally to where they are capable of going. But above all, the faculty strive to foster within all our students the desire to pursue knowledge as an end in itself and to continue this pursuit for a lifetime.

Our college is also firmly grounded in community involvement. As an institution, Western is an important resource for the community and strives to provide both culturally enriching and intellectually stimulating activities and events that are open to all members of our community.

Our commitment to our mission is illustrated in our major goals:

1. Our primary goal is to prepare students to deal effectively with the challenges and situations that they will face in their lives, including personal growth and development, achieving their educational goals, advancing in their careers, and coping with the technical and social changes in our global society.

To accomplish this goal, our college pledges to:

- Offer an array of affordable and convenient learning opportunities, ranging from short courses to degrees, to the greatest number of people within our service area.
- Strengthen the curriculum of the college so that students who complete degrees or specialized training will acquire the knowledge, attitudes, and skills they need to be successful in their personal and professional lives.
- Work with individuals to help them identify their strengths and those areas where they need additional work and to provide them with the skills that will allow them to function effectively in college courses.
- Provide instruction that contributes to a student's personal, social, and intellectual growth by fostering the abilities to speak and write effectively; to think critically and solve problems; to reason mathematically and apply computational skills; to locate and evaluate information resources; and to appreciate the arts and the humanities.
- Promote the values of work and civic involvement by participating in the decision making and problem solving processes at the local, regional, state, national, and international levels.

2. We seek to be a positive force in the effort of both private and public enterprises to strengthen the economy in our service region. To meet this goal we plan to continue to provide a wide range of occupational courses, certificates, degrees, and support services tailored to meet the needs of students and employers in our service area.

3. We are committed to serving our community by:

- Providing opportunities for thoughtful consideration of important social topics and complex issues.
- Sponsoring and hosting events that support both the visual and performing arts.
- Working with other groups to encourage the development of the arts.

4. We strive to create a comfortable environment conducive to learning at every college campus and center by continually updating and modernizing the physical facilities and the services offered at all locations.

5. We are committed to structuring all of the college's administrative and support services to effectively and efficiently support instruction.

6. We strive to offer a broad array of academic support services and student services crafted to aid students at each step of their progress through our institution, from college application through graduation and beyond.

Legal Notice

This is the 2006 spring semester class schedule of Western Nevada Community College. It lists the classes that the college plans to offer and describes registration and enrollment guidelines. This information is subject to change at any time and should not be considered a contractual agreement.

Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974 (FERPA), Western Nevada Community College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. At Western Nevada Community College, the following categories are defined as "directory" information: student name, city, state, residency status, full-time/part-time status, graduation date, major/degree, academic honors, dates of attendance and whether currently enrolled, and photographs from college sanctioned events.

Students have the right to request non-disclosure of directory information. If they do not restrict release of this information, the information may be released or disclosed. Western Nevada Community College uses directory information for non-commercial, educational purposes, such as to mail notices to students about changes in policies, services, or opportunities. Directory information may also be provided for commercial

purposes to businesses affiliated with the institution, honor societies, the alumni association and foundation, or other individuals for purposes that may be beneficial to students. The institution exercises discretion in responding to requests for directory information and may or may not provide such information when requested, depending on the intended purpose of the request. The institution does not sell or rent student information for a fee.

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs; to confirm graduation and dates of attendance to potential employers; to verify enrollment with organizations such as insurance companies; or to send notifications about specialized scholarships without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to the Office of Admissions and Records. This directive will apply permanently to your record until you choose to reverse it by submitting a written authorization.

- Do not disclose my information for commercial purposes.
- Do not disclose my information for non-commercial, educational purposes.
- Do not disclose my information for both commercial and non-commercial purposes.

Printed Name _____ Student ID _____

Signature _____ Date _____

The authorization can be mailed, faxed or delivered in person to Admissions and Records.
This request will apply permanently to your record, even following graduation, until you choose to reverse it by submitting a written authorization to Admissions and Records.

REGISTRATION TIPS

- Submit application for admission at least 48 hours before your planned class registration time.
- Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.
- Register early to get classes at the days and times you want.
- Audit status is only for those who do not want grades or course credit.
- Pay fees when you complete registration (no later than published deadlines).
- Print a copy of your schedule to take to the bookstore to buy your books and to verify location of classes.
- Be aware of refund deadlines for classes and books.
- Exchanging one full-term class for another with the same amount of credits must be completed by the end the second week of the semester. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not "even exchanged" will remain on your transcript with a grade of "W," and may affect financial aid students.
- Periodically check your schedule using Web-REG to see if class meeting locations or faculty has changed.
- High school students must have a completed High School Authorization form to register for classes.
- Withdraw from classes if you are unable to attend or complete the courses by the published deadline.
- Check grades one week after the semester has ended using Web-REG.

Admissions & Registration Information

Admissions Policies —

WNCC maintains an “open door” admissions policy. Any adult who can benefit from instruction at the college is welcome to enroll. WNCC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, resident alien or qualified international student who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNCC. Admission only ensures general enrollment at WNCC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

ADMISSION FOR NEW STUDENTS

New students or students who have not attended WNCC since 1978 must submit an admission form prior to registration. Once an application has been received by Admissions, students can generally register for classes within two working days. Students will not receive notification of acceptance. See admission form in front of schedule.

ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed High School Authorization form available at the WNCC Admissions Office or online. WNCC may also request high school transcripts for verification of enrollment.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of Admissions on a case by case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNCC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNCC must contact the Admissions Office on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNCC. These students should submit a “Petition for Evaluation” to the college Admissions Office and request official transcripts from each previously attended institution.

NURSING & ALLIED HEALTH PROGRAMS

The college offers an Associate of Applied Science degree in nursing with an optional exit for practical nursing and a Certificate of Achievement in surgical technology.

Admission to both programs is limited and requires special application procedures. For information:

AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, March 17.

Admissions and Records 445-3277

RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:

1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.

2) A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/ she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada Community College. A nonresident who matriculates to WNCC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency.

Admissions and Records 445-3277

Adds, Drops & Withdrawals

Adds/ drops may be completed beginning Monday, Nov. 28, using the Internet at www.wncc.edu/webreg. The last day to add full-term classes by the Internet is Friday, Jan. 27. Dropping a full-term class must be done by the Internet at any time during the semester, until Friday, May 12. See fee refund policy.

COURSE LOAD

The number of credit units taken by a student, whether for credit or audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more credits; three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of a WNCC counselor.

Registration Information

GRADE POLICY

WNCC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Grades are available approximately one week after the end of the semester. Spring grades will be available on Tuesday, May 30. WNCC provides ten complimentary official transcripts; additional copies are \$2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that you are the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Class Cancellations/ Changes

WNCC reserves the right to cancel classes with low or insufficient enrollment.

The list of cancelled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. This semester cancelled class hotline will be updated January 17 - February 6; the daily cancelled class hotline is updated beginning January 23, throughout the semester.

Students concerned about possible college closure due to inclement weather should also check the WNCC web site at www.wncc.edu and watch local TV stations.

Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNCC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, Jan. 22.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, Jan. 27. **NOTE: and Open Entry/Open Exit courses do not have a 90 percent refund period.**

Any full-term or short-term course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. The 90

DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNCC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashier's check or money order only) or the college will begin collection procedures.

percent refund is not available for short-term classes or classes that start before the regular semester date.

Note: Many summer courses are short-term.

Refund checks for dropped classes are prepared and mailed biweekly. Payment will be made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. **Drops must be made by Internet before a refund can be issued.**

Refunds after published deadlines will not be considered for reasons which are beyond the control of the college. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

DEFERRED PAYMENTS

Contracts for deferred payment of registration fees are available to students who register for six or more semester credit hours in a fall or spring semester. Application for admission fees, laboratory fees, and costs of Community Education credits and courses may not be deferred. Special fees, i.e., lab fees, insurance, etc., and approximately half of the registration and tuition fees are payable at registration.

The unpaid balance is due and payable no later than Friday of the sixth week of instruction. If payment for deferred fees has not been made by the required date, the account will be considered delinquent and the student will be placed on financial hold for future registration, grade, transcript, diploma, and certificate privileges.

A penalty fee of \$10 or 10 percent, whichever is greater, will be charged on all delinquent accounts. The registrar is authorized, if necessary, to officially withdraw a student from classes for nonpayment of the balance.

A student who qualifies for the deferred contract and sends in the first payment by the published deadline agrees to the contract rules. No written contract is required. To set up a deferment, access the Internet and select the account and billing option.

Financial Assistance

The college's Financial Assistance Office administers a broad array of financial aid programs, including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses.

WELCOME

Millennium Scholars!
Your scholarship pays \$40 per credit at WNCC.

To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Non-degree students are not eligible to receive the scholarship.
- Register by Internet for at least six credits at WNCC per semester.
- Maintain the GPA as required in your Acknowledgement Letter.
- If you need additional funds for college, please contact the Financial Assistance Office.

www.FAFSA.ED.GOV

How to Apply for Financial Aid

Many students are eligible for some type of financial assistance. It's not too late to apply for spring semester aid. To be considered for financial aid and many WNCC scholarships, complete the Free Application For Federal Student Aid (**FAFSA**). Students should complete the FAFSA online as soon as possible after January 1 for the next school year. Students should keep in mind that applying for and receiving financial aid is a lengthy process. The earlier students apply, the earlier they can be notified about eligibility for financial assistance as some funds are limited. Early submission of the FAFSA increases the possibility of receiving aid. Allow at least 45 days before the semester begins to complete the application process. Scholarship deadline is April 1 for 2006-2007.

Veterans Services

The college maintains an Office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNCC's outlying centers.

Persons who are eligible for veterans benefits include: veterans discharged less than ten years ago, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications.

VETERANS STANDARD OF SATISFACTORY PROGRESS

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.

Financial Aid Checklist

STEP #1 New students should complete the WNCC Admission Application and scholarship forms. WNCC is unable to process the FAFSA forms until a student has been admitted to the college.

STEP #2 Students need a PIN to apply for the FAFSA online. This is not the same PIN number used to register for classes. A U.S. Department of Education PIN allows students to electronically "sign" the Free Application for Federal Student Aid application which reduces processing time. Students under age 24 may also need parents to sign the FAFSA form. In this case, the parents should also request a PIN since they must sign for any information they enter electronically. Request a PIN at: <http://pin.ed.gov/>.

STEP #3 Organize financial records that are necessary to complete the electronic FAFSA. Include a copy of the latest Federal Income Tax form, a parent's tax return for a dependent student (refer to FAFSA instructions to determine this status), and a spouse's return (for married students filing separately). Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

STEP #4 Complete the electronic FAFSA at www.fafsa.ed.gov. List Western Nevada Community College as the college choice. WNCC uses school code: **013896**.

For assistance completing the FAFSA, computers and advisors are available in the Financial Assistance office 8 a.m. to 5 p.m., Monday through Friday. The office is open until 6 p.m. Wednesday evenings when classes are in session. Bring the required Department of Education PIN number.

High School Student Services

WNCC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

TECH PREP: High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits carry over to WNCC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

DUAL CREDIT: Students may earn college and high school credits simultaneously. Each high school in the WNCC service area has a list of WNCC courses that translate into high school credit. The program helps students maximize their educational potential by offering courses not available at the high school, as well as giving them the opportunity to begin their higher education while still in high school. Contact local school districts for an updated list of dual credit classes.

FAST TRACK: Courses are offered via Internet or interactive video, and are available for high school students at a discounted rate. Fast Track classes cost only \$25, with a \$15 interactive video fee.

Testing

Every student planning to register for English and math courses at WNCC must take placement tests. Testing will assess a student's current skills in reading, writing and mathematics. Test results will help students select the appropriate courses to take at WNCC. In some cases, there are also qualifying test scores required for course enrollment.

Those with recent ACT/ SAT scores (no more than two years old) or with appropriate courses from other colleges may be exempt. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT and SAT required scores:

	ACT	SAT
English 101	21	510
Math 120	21	510
Math 126	22	520
Math 128	25	560
Math 176	25	560
Math 181	28	630

The best predictor for college math placement is successful completion of the course prerequisite.

Testing is available by appointment at the Carson City, Douglas and Fallon campuses. There is a \$10 testing fee. Photo identification is also required.

Disability Support Services (DSS)

WNCC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through the office of Disability Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNCC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.

Student Right To Know Act

The Student Right to Know and Campus Security Act requires that WNCC comply with the provisions and updates in disclosing the persistence graduation rate of certificate or degree-seeking students. This information is available to current and prospective students prior to enrolling or entering into any financial obligation.

Why go to WNCC?

THERE'S MORE THAN ONE PATHWAY TO SUCCESS.

But look at the facts.

- In 2001, American workers who had completed an associate degree **earned 29 percent more** than those who had only a high school diploma or GED.
- The **sooner** you complete your college degree and begin your career, the **higher your lifetime earnings** can be.
- You'll have **more career choices** since **4 out of 5 jobs today require education after high school**. And, you'll be **more competitive** in the job market.

- WNCC is **more affordable**. Registration fees are only about **half the cost of a Nevada university**.

How WNCC Courses Transfer & Meet Degree Requirements

WNCC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNCC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent, a departmental elective or a general elective.

Courses with a "B" designator after the number (such as MATH 110B) are college level courses which may apply toward a WNCC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

Courses with a "C" designator after the number (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

Distance Education at WNCC

WNCC offers a full range of classes and several degrees delivered by both interactive video and online. Interactive video classes offer two-way audio and video from the originating site to branch campuses and centers at regularly scheduled times. Most web classes have few, if any, scheduled meeting times and can be accessed 24/7 from any computer. Both are designed to meet the needs of students with busy lifestyles who may not have the opportunity to take regularly scheduled or on-campus classes.

FALLON COMMUNITY EDUCATION INFORMATION

The Community Education Division is conveniently located on the Fallon Campus in Piñon Hall.

PURPOSE

The goal of Community Education is to respond to your needs for lifelong learning opportunities. We encourage you to let us know the classes and workshops that you would like to have made available. Moreover, if you have an expertise that you would like to share with the community, please contact us. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus and are distributed at Churchill County elementary schools each semester or by calling the Community Education office.

CANCELLATIONS & REFUNDS

We make every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. However, there are times when we are unable to reach everyone. We strongly encourage you to call the Community Education Office before your class to determine if your class has been canceled or for any other changes. If WNCC cancels a class you will automatically be issued a 100 percent refund.

For semester-long courses, 100 percent is refunded if the withdrawal is completed prior to the first day of the semester.

For short-term courses, 100 percent is refunded prior to the first session.

SENIOR DISCOUNTS

Nevada residents 62 years or older may receive a 20 percent discount on Community Education classes.
