# NEW! Bachelor of Technology Degree

## First BTech Construction Classes Set for Fall

The first courses for students admitted into the college's new Bachelor of Technology degree program in Construction Management are scheduled for this fall semester at the Carson City campus. **MGT 323: Organizational Behavior & Interpersonal Behavior**, and **CEE 411: Environmental Law** will be the first upper division (300-400 level) courses offered, as well as a number of lower division (100-200 level) classes that apply toward the 128-credit bachelor's degree. CEE 411 will meet on Tuesday evenings, and MGT 323 will meet on Wednesday evenings. Lower division courses that apply toward Western's Associate of Applied Science degree in Construction Technology – Project Management are offered both days and evenings.

Students must be admitted into the Bachelor of Technology in Construction Management program in order to enroll in the upper division courses. To be accepted into the program, applicants must complete an Associate of Applied Science degree in Construction Management from Western

or elsewhere, or follow a Pre-BTech Track that includes 45 credits of construction and general education courses, and considers construction work experience. Students must also work with a WNC counselor and submit an application for the BTech program that must be approved by the college.

### Construction Management Career Information

**Salary:** \$58,600–\$103,800/year (middle range - Nevada)

**Career Outlook:** Growth through 2014. Among the Top 15 of Nevada's "50 Hot Demand Occupations" as identified by Nevada Job Connect.

The need for more highly prepared employees in the construction industry has been identified by businesses in northern Nevada. With the Bachelor of Technology degree in Construction Management, students can climb a career ladder from learning basic construction skills all the way to becoming a manager or supervisor in the construction field.

Graduates with the Bachelor of Technology degree in Construction Management are

expected to fill the shortage of construction managers in the area.

"It is time to see technology programs as 'ladders' where a student can indeed step off with a certificate of achievement or associate degree, but can also continue on, or return later, to complete a baccalaureate education and prepare for a life of continual learning," said WNC President Carol Lucey.

## Wildcats Excel On & Off the Field

Getting A's and B's in the classroom is just as important to Western Nevada College student athletes as scoring a goal or hitting a home run.

Last fall, the National Junior College Athletic Association recognized Western's women's soccer team as one of their top academic teams of the year for their 3.21 team grade point average.

Last spring, the baseball team was also named one of the NJCAA's academic teams of the year with a 3.01 cumulative GPA.

Teams are selected for NJCAA Academic All-American honors during the season in which they participate. So far, Western's teams are three for three in earning this honor.

The inaugural season for the baseball team was also a big hit as the Wildcats finished with a 37-18 overall record, a Scenic West Athletic Conference Championship, and a Top 20 ranking in the National Junior College Athletic Association's final season poll.

Western's soccer team capped

their second season off with a victory over North Idaho College in Coeur D'Alene to win the SWAC Region XVIII Tournament. With the win, the Wildcats advanced to the NJCAA playoffs.

# Important Information

## We're Changing!

At Western Nevada Community College, we've always helped students prepare for careers, earn college degrees, and enhance their lives. We've offered high quality and affordable college education to diverse and widespread communities, along with arts, culture and athletics opportunities. Now, we're ready to do even more, and we're changing our name to reflect our expanded mission.

WNCC will officially become Western Nevada College on July 1, to reflect the college's expanding academic opportunities. In addition to associate degrees, certificates of achievement,

university transfer programs, and continuing education, Western will also offer a Bachelor of Technology degree in Construction Management. We'll provide those who seek careers in construction fields the opportunity to climb their career ladder higher and be even more successful.

As we transition toward our new name, we're not changing who we are. We're just doing more for our students and communities.

### Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. At Western Nevada College, the following categories are defined as "directory" information: student name, city, state, residency status, full-time/part-time status, graduation date, major/degree, academic honors, dates of attendance and whether currently enrolled, and photographs from college sanctioned events.

Students have the right to request non-disclosure of directory information. If they do not restrict release of this information, the information may be released or disclosed. Western Nevada College uses directory information for non-commercial, educational purposes, such as to mail notices to students about changes in policies, services, or

opportunities. Directory information may also be provided for commercial purposes to businesses affiliated with the institution, honor societies, the alumni association and foundation, or other individuals for purposes that may be beneficial to students. The institution exercises discretion in responding to requests for directory information and may or may not provide such information when requested, depending on the intended purpose of the request. The institution does not sell or rent student information for a fee.

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs; to confirm graduation and dates of attendance to potential employers; to verify enrollment with organizations such as insurance companies; or to send notifications about specialized scholarships without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record until you choose to reverse it by submitting a written authorization.

- ☐ Do not disclose my information for commercial purposes.
- ☐ Do not disclose my information for non-commercial, educational purposes.
- ☐ Do not disclose my information for both commercial and non-commercial purposes.

Printed Name \_\_\_\_\_ Student ID \_\_\_\_\_  
Signature \_\_\_\_\_ Date \_\_\_\_\_

The authorization can be mailed, faxed or delivered in person to Admissions and Records.

This request will apply permanently to your record, even following graduation, until you choose to reverse it by submitting a written authorization to Admissions and Records.

## REGISTRATION TIPS

- Submit application for admission at least 72 hours before your planned class registration time.
- Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.
- Register early to get classes at the days and times you want.
- Audit status is only for those who do not want grades or course credit.
- Pay fees when you complete registration (no later than published deadlines).
- Print a copy of your schedule to take to the bookstore to buy your books and to verify location of classes.
- Be aware of refund deadlines for dropping classes and books.
- Exchange requests to one full-term class for another with the same amount of credits must be submitted by the end of the second week of the semester. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not "even exchanged" will remain on your transcript with a grade of "W," and may affect financial aid for students.
- Periodically check your schedule using Web-REG to see if class meeting location or faculty changed.
- High school students must have a completed high school authorization form to register for classes.
- Withdraw from classes if you are unable to attend or complete the courses by the published deadline.
- Check grades two weeks after the semester has ended using Web-REG.

# Admissions & Registration Information

## Admissions Policies —

WNC maintains an “open door” admissions policy. Any individual who can benefit from instruction at the college is welcome to enroll. WNC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, resident alien or qualified international student who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNC.

Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

## ADMISSION FOR NEW STUDENTS

New students or students who have not attended WNC since 1978 must submit an admission form prior to registration. Once an application has been received by Admissions and Records, students can generally register for classes within two working days. Students will not receive notification of acceptance. See admission form in front of schedule.

## ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed High School Authorization form available at WNC Admissions and Records or online. WNC may also request high school transcripts for verification of enrollment.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case by case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

## ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

## ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should submit a “Petition for Evaluation” to Admissions and Records and request official transcripts from each previously attended institution.

## NURSING & ALLIED HEALTH PROGRAMS

WNC offers an Associate of Applied Science Degree in Nursing with an optional exit for a Certificate of Achievement for Practical Nursing, a Certificate of Achievement in Surgical Technology and an Associate of Applied Science degree and certificate in Health Information Technology.

Admission to Nursing and Surgical Technology programs are limited and require special application.

**Counseling Services..... 775-445-3267**

## AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, Oct. 19. After this date an audit may not be changed to a letter grade.

## COURSE EXCHANGES

Even exchange of courses is allowed during the first two weeks of the semester (August 27-September 7). Students who want to drop and add full-term classes for the same number of credits may submit a special enrollment authorization form to Admissions and Records. Students requesting an even exchange during this period should not add or drop classes through Web-REG. Dropped courses approved for even exchange will be removed from a student transcript.

Note: during the second week of instruction, a signature is required from the instructor(s) of course(s) a student wishes to add.

## RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:

- 1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.
- 2) A financially independent person who is bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/ she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada College. A non-resident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency, including graduation from a Nevada high school.

**Admissions and Records..... 775-445-3277**

## Adds, Drops & Withdrawals

Adds/ drops may be completed beginning Monday, April 16, using the Internet at [www.wnc.edu/webreg/](http://www.wnc.edu/webreg/). The last day to add full-term classes by Internet is Friday, Aug. 31. Dropping a full-term class must be done by Internet at any time until Friday, Dec. 7. See fee refund policy.

## COURSE LOAD

The number of credit units taken by a student, excluding courses taken for audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more credits; three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of a WNC counselor.

# Registration Information

## GRADE POLICY

WNC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Grades are available approximately two weeks after the end of the semester. Fall grades will be available on Friday, Dec. 28. WNC provides ten complimentary official transcripts; additional copies are \$2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that the requestor is the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

## Class Cancellations/Changes

WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of cancelled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. The semester cancelled class hotline will be updated August 20 - 31; the daily cancelled class hotline is updated beginning August 27 throughout the semester.

Students concerned about possible college closure due to inclement weather should check the WNC web site, the main college phone number, and local TV stations.

# Important Information About Fees

## GRADUATION APPLICATION/FEEES

Students seeking associate degrees or certificates of completion must submit a completed application for graduation and the \$15 fee to Admissions and Records before processing begins. Missing the application deadline or failure to meet degree requirements means students must submit a new application and repay the application fee.

*Deadline for filing graduation applications and fees for the fall 2007 semester is Thursday, November 1.*

## FAST TRACK PROGRAM

High school students who enroll in selected WNC distance education classes through the High School Early Entry Program will pay a discounted fee. See a high school counselor for details.

## DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/ diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/ legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashiers check or money order only) or the college will begin collection procedures.

## DEFERRED PAYMENTS

Contracts for deferred payment of registration fees are available to students who register for six or more semester credit hours in a fall or spring semester. Application for admission fees, laboratory fees, and costs of Community Education credits and courses may not be deferred. Special fees, i.e., lab fees, insurance, etc., and approximately half of the registration and tuition fees are payable at registration.

The unpaid balance is due and payable no later than Friday of the sixth week of instruction. If payment for deferred fees has not been made by the required date, the account will be considered delinquent and the student will be placed on financial hold for future registration, grade, transcript, diploma, and certificate privileges.

A penalty fee of \$10 or 10 percent, whichever is greater, will be charged on all delinquent accounts. The registrar is authorized, if necessary, to officially withdraw a student from classes for non-payment of the balance.

*A student who qualifies for the deferred contract and sends in the first payment by the published deadline agrees to the contract rules. No written contract is required. To set up a deferment, access the Internet and select the account and billing option.*

## Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, Aug. 26.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, Aug. 31. *NOTE: Community education courses do not have a 90 percent refund period.*

**Any full-term or short-term course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.**

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after

this day no refund will be given. The 90 percent refund is not available for short-term classes or classes that start before the regular semester date. **Note: Many summer courses are short-term.**

Refund checks for dropped classes (*when applicable*) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. **Drops must be made by Internet before a refund can be issued.**

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

*In general, no refund is made after the first half of the semester.*

# Financial Assistance

## Financial Assistance

The college's Financial Assistance Office administers a broad array of financial aid programs, including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses.

## WELCOME

**Millennium Scholars!**  
Your scholarship pays \$40 per credit, up to 12 credits each term for courses 100 level and above.

### To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Only degree seeking students are eligible to receive the scholarship.
- Register by Internet for at least six credits at WNC per semester.
- Maintain the grade point average as required in your acknowledgement letter.
- If you need additional funds for college, please contact Financial Assistance.

**www.FAFSA.ED.GOV**

## How to Apply for Financial Aid

All students are eligible for some type of financial assistance. To be considered for financial aid and many WNC scholarships, complete the Free Application for Federal Student Aid. Students should complete the FAFSA online as soon as possible after January 1 for the next school year. Early submission of the FAFSA increases the possibility of receiving aid as some funds are limited. Allow at least 45 days before the semester begins to complete the application process.

## Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNC's outlying centers.

Persons who are eligible for veterans benefits include: veterans discharged less than ten years ago, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications.

## VETERANS STANDARD OF SATISFACTORY PROGRESS

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.

## Financial Aid Checklist

**STEP #1:** New students should complete the WNC Admission Application and scholarship forms. WNC is unable to process the FAFSA form until a student has been admitted to the college.

**STEP #2:** Students need a PIN to apply for the FAFSA online. This is not the same PIN number used to register for classes. A U.S. Department of Education PIN allows students to electronically "sign" the Free Application for Federal Student Aid application which reduces processing time. Students under age 24 may also need parents to sign the FAFSA form. In this case, the parents should also request a PIN since they must sign for any information they enter electronically. Request a PIN at: <http://pin.ed.gov/>.

**STEP #3:** Organize financial records that are necessary to complete the electronic FAFSA. Include a copy of the latest federal income tax form, a parent's tax return for a dependent student (refer to FAFSA instructions to determine this status), and a spouse's return (for married students filing separately). Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

**STEP #4:** Complete the electronic FAFSA at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). List Western Nevada College as the college choice. WNC uses school code: **013896**.

For assistance completing the FAFSA, computers and advisors are available in Financial Assistance 8 a.m. to 5 p.m., Monday through Friday. The office is open until 6 p.m. Wednesdays when classes are in session. Bring financial records and the required Department of Education PIN number.

## START COLLEGE EARLY! High School Student Services

WNC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

**TECH PREP:** High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits apply to WNC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

**DUAL CREDIT:** Students may earn college and high school credits simultaneously. Each high school in the WNC service area has a list of WNC courses that can also count as high school credit. The program helps students by offering courses not available at the high school, and giving them the opportunity to begin college while still in high school. Contact local school districts for an updated list of dual credit classes.

**FAST TRACK:** Designated college courses are offered via Internet or interactive video at a discounted rate to high school students. Fast Track classes cost only \$25, with a \$15 interactive video fee.

## Testing

Every student planning to register for English and math courses at WNC must take placement tests. Testing assesses a student's current skills in reading, writing and mathematics and helps students select the appropriate courses to take at WNC. In some cases, there are also qualifying test scores required for course enrollment.

Those with recent ACT/ SAT scores (no more than two years old) or with appropriate courses from other colleges may be exempt. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT and SAT required scores:

	ACT	SAT
English 101	21	510
Math 120	21	510
Math 126	22	520
Math 128	25	560
Math 176	25	560
Math 181	28	630

The best predictor for college math placement is successful completion of the course prerequisite.

Testing is available by appointment at the Carson City, Douglas and Fallon campuses. There is a \$10 testing fee. Photo identification is also required.

## Disability Support Services (DSS)

WNC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through Disability Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.

### WHAT ARE SOME PROGRAM BENEFITS?

- a chance to demonstrate your dedication to academic excellence and love of learning
- the opportunity to work closely with your college instructors
- honors recognition on transcripts and upon graduation

- annual year-end competition for "Best Honors Project"

### HOW DOES IT WORK?

WNC students with a 3.0 or higher cumulative grade point average or recent high school graduates with an exit GPA of 3.0 or higher are eligible to apply. To receive honors credit, the student must receive a grade of "B" or better for the course and complete the contracted project to the satisfaction of the course instructor. During the first week of classes, talk to your instructors about participating in the Honors Program.

Honors Program participants who receive honors credit in 18 or more course units in at least six different academic disciplines and who have at least a 3.5 cumulative GPA at graduation are designated as Honors Graduates.

## How WNC Courses Transfer & Meet Degree Requirements

WNC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

**Courses with numbers below 100 (such as ENG 95)** are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

**Courses with numbers from 100 to 299 (such as HIST 101)** are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

**Courses with numbers 300 to 499 (such as MGT 462)** are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

**Courses with numbers 1000 and above (such as CFK 1001)** are non-credit, non-college continuing education courses. Please contact a counselor for more information.

**Courses with a "B" designator after the number (such as MATH 110B)** are college level courses which may apply toward a WNC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

**Courses with a "C" designator after the number (such as CMSV 245C)** are community education courses which generally do not apply toward college degrees.

**Courses with an 'L' Designator after the number (such as PHYS 151L)** are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Please contact a counselor for more information.

# COMMUNITY EDUCATION INFORMATION

THE COMMUNITY EDUCATION DIVISION IS CONVENIENTLY LOCATED  
ON THE CARSON CITY CAMPUS IN THE REYNOLDS CENTER, RM 104C

## PURPOSE

The goal of the Community Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

## COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus or by calling 445-4268. Schedules are also included in the Carson City area elementary school folders each semester.

## CANCELLATIONS & REFUNDS

Community Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information through Web-REG. Call the Community Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class. The one time admission fee is not refundable.

For semester-long courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the semester.

For short-term courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the course. Motorcycle Safety and Driver's Education class fees are non-refundable.

For any physical class, due to the activity of these classes, students should contact their physician before attending.

## SENIOR DISCOUNTS

Nevada residents 62 years or older may receive a 20 percent discount on Community Education classes, excluding Driver's Education and Motorcycle Safety.

## REGISTRATION & PAYMENT

There are two processes to enroll for class:

- For classes **with** "Call Numbers," enroll using the Internet @ [www.wnc.edu](http://www.wnc.edu)

# FALLON COMMUNITY EDUCATION INFORMATION

The Community Education Office is conveniently located on the Fallon Campus in Piñon Hall.

## PURPOSE

The goal of the Community Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Community Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

## COLLEGE FOR KIDS COURSES

An educational enrichment program is offered to challenge and entertain children in our community. Schedules can be obtained on campus or by calling 445-4268.

## CANCELLATIONS & REFUNDS

Community Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information through Web-REG. Call the Community Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class. The one time admission fee is not refundable.

For semester-long courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the semester.

For short-term courses, 100 percent of tuition is refunded if the withdrawal is completed three days prior to the first day of the course. Motorcycle Safety and Driver's Education class fees are non-refundable.

For any physical class, due to the activity of these classes, students should contact their physician before attending.

## SENIOR DISCOUNTS

Nevada residents 62 years or older may receive a 20 percent discount on Community Education classes, excluding Driver's Education and Motorcycle Safety.

## REGISTRATION & PAYMENT

There are two processes to enroll for class:

- For classes **with** "Call Numbers," enroll using the Internet @ [www.wnc.edu](http://www.wnc.edu)
- For classes **without** "Call Numbers," such as Motorcycle Safety, call to enroll or
  - Walk-in registration is accepted at the Carson City campus.
  - Payments may be made by check, money order, or credit card.
  - Fax registration to 775-445-3286 for payment by credit card only.

Payment must be received on the same day as registration or it will be canceled without notice.
