Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

A student should submit to the registrar, dean, head of the academic department or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the institution to amend a record should write the institution official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the institution discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The institution discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. The Nevada System of Higher Education has designated the following information as directory information: student name, address, telephone number, e-mail address, degrees, honors and awards received, major field of study, college, dates of attendance, date of graduation, undergraduate or graduate status, most recent educational agency or institution attended, enrollment status (full-time or part-time), participation in officially recognized activities and sports, and weight and height of members of athletic teams. WNC has further designated photographs from college sanctioned events as directory information.

Students have the right to refuse to let WNC and NSHE designate this information as directory information and have until the end of the first six weeks of the fall or spring semester to submit a request for non-disclosure of the above items. A request for non-disclosure submitted at one NSHE institution will apply to all NSHE institutions.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs, to confirm graduation and dates of attendance to potential employers; or to verify enrollment with organizations such as insurance companies without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record unless you choose to reverse it by submitting a written authorization.

Do not disclose my information for commercial purposes.

Do not disclose my information for non-commercial, educational purposes.

Do not disclose my information for both commercial & non-commercial purposes.

REGISTRATION TIPS

• New students should submit application for admission at least 72 hours before your planned class registration time.

• Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.

• Register early to get classes at the days and times you want.

• Check the catalog to ensure you have met all course prerequisites.

• Audit status is only for those who do not want grades or course credit.

• Pay fees when you complete registration (*no later than published deadlines*).

• Check schedule on Web-REG for accuracy.

• Print a copy of your schedule to take to the bookstore to buy your books and to verify location of classes.

• Be aware of refund deadlines for dropping classes and books.

• Exchange requests to one full-term class for another with the same amount of credits must be submitted by the end the second week of the semester with a special enrollment authorization form. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not "even exchanged" will remain on your transcript with a grade of "W," and may affect financial aid for students.

• Periodically check your schedule using Web-REG to see if class meeting location or faculty changed.

• High school students must have a completed high school authorization form to register for classes.

• Withdraw from classes if you are unable to attend or complete the courses by the published deadline.

• Check grades two weeks after the semester has ended using Web-REG.

Admissions Policies_

WNC maintains an "open door" admissions policy. Any adult who can benefit from instruction at the college is welcome to enroll. WNC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any individual who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency,

may enroll in any general program offered by WNC. Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

ADMISSION FOR NEW STUDENTS

New students or those who have not attended WNC since 1978 must submit an online admission form prior to registration. Once an application has been received by Admissions and Records, students can generally register within two working days. Students will not receive notification of acceptance.

ADMISSION FOR HIGH SCHOOL STUDENTS

High school juniors and seniors may enroll with a completed High School Authorization form available at WNC Admissions and Records or online. WNC may also request high school transcripts for verification of enrollment.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case-by-case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should submit a "Petition for Evaluation" to Admissions and Records and request official transcripts from each previously attended institution.

NURSING & ALLIED HEALTH ADMISSIONS

WNC offers an Associate of Applied Science Degree in Nursing and a Certificate of Achievement in Surgical Technology. Admission to Nursing and Surgical Technology programs are limited and require a special application.

AUDITING A CLASS

Auditing allows a student to pay the regular fees, attend class sessions, receive all the instruction, and generally do the same assignments and work of a regularly enrolled student, but NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, July 9. After this date an audit may not be changed to a letter grade and vice versa.

COURSE EXCHANGES

Even exchange of courses is allowed during the first two weeks of the term (June 14-25). To drop and add full-term classes for the same number of credits, submit a special enrollment authorization form to Admissions and Records. Students requesting an even exchange during this period should not add or drop classes through Web-REG. Dropped courses approved for even exchange will be removed from a student transcript. Courses dropped after the 100 percent refund period that are not "even exchanged" will remain on a student transcript with a grade of "W."

Note: during the second week of instruction, a signature is required from the instructor(s) of course(s) a student wishes to add.

RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident: 1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.

2) A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/ she enrolls in a course and does not withdraw within the 100 percent refund period or has a record of previous enrollment at WNC. A nonresident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency.

Kegistration Information

Adds, Drops & Withdrawals _

Adds/drops may be completed beginning Monday, April 5, via Web-REG at **www.wnc.edu/webreg**. The last day to add full-term classes by Internet is Friday, June 18. Dropping a full-term class must be done by Internet at any time until Friday, July 30. See fee refund policy.

COURSE LOAD

The number of credit units taken, excluding courses taken for audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines benefits received. Full-time students carry 12 or more credits (six or more for summer); three-quarter-time students carry 9-11 credits; and half-time students carry 9-11 credits; Students may not enroll for more than 18 credits per semester without permission of a WNC counselor. Enrollment in over 21 credits requires permission of the vice president of Academic & Student Affairs.

GRADE POLICY

WNC students obtain their grades via Web-REG. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Summer grades will be available on Friday, Aug. 20. WNC provides ten complimentary official transcripts; additional copies are \$2.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that you are the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Fee Refunds _

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, June 13.
- 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, June 18. NOTE: Community education courses do not have a 90 percent refund period.

Courses dropped after the 100 percent refund period that are not "even exchanged" will remain on a student transcript with a grade of "W."

Any full-term or short-term course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after

this day no refund will be given. The 90 percent refund is not available for short-term classes or classes that start before the regular semester date. *Note: Many summer courses are short-term.*

Refund checks for dropped classes (when applicable) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. Drops must be made by Internet before a refund can be issued.

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

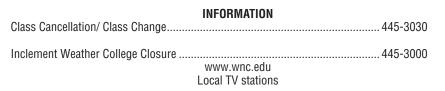

In general, no refund is made after the first half of the semester.

Class Cancellations/Changes _____

WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of canceled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. Canceled class hotline is updated beginning June 14, through the semester.

Students concerned about possible college closure due to inclement weather should check the WNC web site, the main college phone number and local TV stations.

No invoices will be mailed. It is the student's responsibility to access the WNC web site for the amount owed in Web-REG: www.wnc.edu

admissions/forms/

DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashiers check or money order only) or the college will begin collection procedures.

How to Apply for Financial Aid ____

Many students are eligible for some type of financial assistance. It's not too late to apply for summer semester aid. To be considered for financial aid and many WNC scholarships, complete the Free Application For Federal Student Aid (FAFSA). Students should complete the FAFSA online at: www.fafsa.gov/ for 2010 summer funds by June 30, 2010. Apply separately for fall 2010-spring 2011 funds as these are different award years. Students should keep in mind that applying for and receiving financial aid is a lengthy process. The earlier students apply, the earlier they can be notified about eligibility for financial assistance as some funds are limited. Early submission of the FAFSA increases the possibility of receiving aid. Allow at least 45 days before the semester begins to complete the application process.

Receiving Financial Aid & Scholarships ⁻

When financial aid and scholarships are approved and the student has enrolled in the correct number of credits, funds will automatically be applied to the student's WNC account. This will occur no earlier than ten days prior to the start of semester. If financial aid is not approved in time for fee deadlines, the student is responsible for making arrangements for payment.

If funds awarded exceed the charges on a student's account, the balance of funds is refunded to the student to pay for other educationally related expenses. Refunds are released to students one week after summer classes start in one of the following ways:

• CHECK: The refund check is mailed to the address listed in Web-REG.

• DIRECT DEPOSIT: Direct deposit is available if the student completes a Direct Deposit form and submits it to the Business Office along with a voided check. Allow 10-15 business days for the form to be processed.

Financial <u>Aid</u> Checklist

STEP #1: New students must complete the WNC application for admission and declare a degree or certificate program. WNC is unable to process the FAFSA form until the student has been admitted to the college.

STEP #2: Organize financial records that are necessary to complete the FAFSA.

To complete the FAFSA the student's and parent's (for dependent students) tax return information is required. For married students filing separately the spouse's tax information is required. Other income documents may include year-end statements from Social Security, W-2 forms, disability income statements, unemployment compensation statements, TANF annual income statements, etc.

STEP #3: Complete the electronic FAFSA at www.fafsa.gov. List WNC as the college choice. WNC's school code: 013896. To sign the FAFSA electronically a PIN number is required for students and parents. This is not the same PIN number used for WNC Web-REG. The FAFSA PIN number can be used each year to apply for financial aid and to access federal student aid records online. The PIN should be kept in a safe place and never given to anyone.

STEP #4: Check Web-REG to track the status of financial aid. Information may be required to verify the information on the FAFSA. Submit the requested documents to the Financial Assistance Office. If changes are made on the FAFSA or to the

How WNC Courses — Transfer & Meet Degree Requirements

WNC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

Courses with numbers 300 to 499 (such as MGT 462) are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

Courses with numbers 1000 and above (such as CFK 1001) are non-credit, non-college continuing education courses. Please contact a counselor for more information.

Courses with a "B" designator after the number (such as MATH 110B) are college level courses which may apply toward a WNC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

Courses with a "C" designator after the number (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

Courses with an 'L' Designator after the number (such as PHYS 151L) are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Please contact a counselor for more information.

Testing

Every student planning to register for English and math courses at WNC must take placement tests. Testing assesses a student's current skills in reading, writing and mathematics and helps students select the appropriate courses to take at WNC. In some cases, there are also qualifying test scores required for course enrollment.

Those with recent ACT/SAT scores (no more than two years old) or with appropriate courses from other colleges may be exempt. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT and SAT required scores:

•	ACT	SAT	
English 101	21	510	
Math 120	21	510	
Math 126	22	520	
Math 128	25	560	
Math 176	25	560	
Math 181	28	630	

The best predictor for college math placement is successful completion of the course prerequisite.

Testing is available by appointment at the Carson City and Fallon campuses. There is a \$15 testing fee. Photo identification is required.

Disability Support Services (DSS)—

WNC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through Disability Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.
