Embracing the Past & Looking Ahead

2011 brings a significant birthday to Western Nevada College - the Big 4-0.

With it comes the chance to embrace the past and look forward. Perhaps because WNC has served thousands of Nevadans for decades, some may take our community college for granted. They may not realize that our three campuses and five education centers have been successful because of the vision and effort of many throughout the Silver State.

In 1971, the dreams of local educators, civic leaders and students became a reality. Western Nevada Community College opened to serve adults and traditional age students throughout northwestern Nevada.

The college began its charge without dedicated buildings. Instead, space was rented for classes in communities as far and wide as Reno, Carson City, Hawthorne, Yerington, Fallon, Incline Village and Zephyr Cove.

There were 705 students that first semester, but the numbers quickly grew to 2,106 in 1972. The Bristlecone Building opened on the new Carson City campus in 1974.

Over the years, university transfer courses have become as important as career preparation programs. However, the first graduating class in 1972 showed the focus on careers. Of 30 graduates, 16 earned nursing degrees and 14 studied business technology or radiologic technology.

Today close to 6,000 students attend each semester, and Western offers a bachelor's degree in construction management and more than 40 academic degrees and certificates.

OTHER MILESTONES

1976 - Western is split, with the north campus in Reno becoming Truckee Meadows Community College.

1981 - The Fallon campus opens with Sage Hall.

1987 - Local builders and manufacturers donate time and materials to construct a center for machine tool technology instruction.

1988 - The Pinon Hall classroom building opens at the Fallon campus.

1991 - Aspen Building opens at the Carson City campus, bringing science and art laboratories, and facilities for counseling and admissions.

1992 - Stillwater Hall (now Virgil Getto Hall) opens at the Fallon campus with science and art labs, student services areas, library and media services. In Carson City, the library and media services addition opens and the first interactive video classroom is inaugurated.

1997 - Douglas Campus opens with Bently Hall.

1998 - Cedar Building opens on the Carson City campus for nursing, physics, engineering and other classes.

1999 - The Donald W. Reynolds Center for Technology opens on the Carson City campus, housing drafting, electronics, construction technology and seminar rooms.

- The WNC Jim Randolph High Tech Center opens at Carson High School, providing joint use technology programs.

2003 - The Jack C. Davis Observatory opens on the Carson City campus.

2004 - The Joe Dini Jr. Library and Student Center opens at the Carson City campus.

2006 - John L. Harvey baseball field opens at the Carson City campus.

2007 - Western Nevada Community College officially becomes Western Nevada College to reflect the college's expanded mission and baccalaureate degree opportunities.

2009 - A major retrofit is completed to make the Carson City campus more navigable for those with disabilities. Improvements included new lifts between floors, additional accessible restrooms, walkways with a gentler grade, and improved handicap parking lots.

2011 - WNC celebrates 40 years of academic opportunity for western Nevada.

Thanks to all who have worked so diligently and passionately to create a Western Nevada College that is truly "40 & FABULOUS!"

WNC 40th Anniversary Logo - Congratulations to Chris Kemp, a Western Nevada College graphic communication student, for his work designing WNC's 40th anniversary logo. Shown on the cover of the 2011 Spring Schedule of Classes, the logo was chosen in a competition with other WNC graphic communication students.

Mission & Goals _____

MISSION

Western Nevada College inspires success in our community through opportunities that cultivate creativity, intellectual growth and technological excellence, in an environment that nurtures individual potential and respects differences.

COLLEGE GOALS

1. Improve student success in program completion and graduation rates.
2. Ensure institutional excellence in teaching, programs and services.
3. Embrace our college's many communities and respond to their diverse needs.

REGISTRATION TIPS _____

- New Students: Submit application for admission at least 72 hours before your planned class registration time.
- Schedule an appointment with a counselor if you need assistance selecting classes or to take placement tests.
- Register early to get classes at the days and times you want. Check your schedule to make sure your registration is correct.
- Check the catalog to ensure you have met all course prerequisites.
- Audit status is only for those who do not want grades or course credit.
- Pay fees when you complete registration (*no later than published deadlines*).
- Print a copy of your schedule to take to the bookstore to buy your books.
VIEW TEXTBOOK INFORMATION
www.wnc.edu/academics/schedule/
- Be aware of refund deadlines for dropping classes and books.
- Requests to exchange one full-term class for another with the same amount of credits must be submitted by the end the second week of the semester. Even exchange of class/credits will remove the dropped class completely from your transcript. Classes dropped after the 100 percent refund period that are not "even exchanged" may affect financial aid for students. Classes dropped after the 90 percent refund period will remain on transcripts with a grade of "W."
- Periodically check your schedule using Web-REG.
- High school students must have a completed high school authorization form to register for classes.
- Withdraw from classes if you are unable to attend or complete the courses by the published deadline.
- Check grades two weeks after the semester has ended using Web-REG.

Privacy Notice

Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the institution to amend a record should write the institution official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and of the student's right to a hearing regarding the request for amendment. Addi-

tional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the institution discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The institution discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. The Nevada System of Higher Education has designated the following information as directory information: student name, address, telephone number, e-mail address, degrees, honors and awards received, major field of study, college, dates of attendance, date of graduation, undergraduate or graduate status, most recent educational agency or institution attended, enrollment status (full-time or part-time), participation

in officially recognized activities and sports, and weight and height of members of athletic teams. WNC has further designated photographs from college sanctioned events as directory information.

Students have the right to refuse to let WNC and NSHE designate this information as directory information and have until the end of the first six weeks of the fall or spring semester to submit a request for non-disclosure of the above items. A request for non-disclosure submitted at one NSHE institution will apply to all NSHE institutions.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs, to confirm graduation and dates of attendance to potential employers; or to verify enrollment with organizations such as insurance companies without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record unless you choose to reverse it by submitting a written authorization.

- ☐ Do not disclose my information for commercial purposes.
☐ Do not disclose my information for non-commercial, educational purposes.
☐ Do not disclose my information for both commercial & non-commercial purposes.

Admissions & Registration Information

Admissions Policies —

WNC maintains an “open door” admissions policy. Any individual who can benefit from instruction at the college is welcome to enroll. WNC has no pre-admission standards and does not require new students to provide transcripts of previous educational experiences. Thus, any U.S. citizen, resident alien or qualified international student who:

- is at least 18 years old, or
- is a high school graduate, or
- has completed the General Education Development (GED) exam and scored a 12th grade equivalency, may enroll in any general program offered by WNC.

Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

www.wnc.edu/student-services/admissions/

ADMISSION FOR NEW STUDENTS

New students or students who have not attended WNC since 1978 must submit an admission form prior to registration. Once an application has been received by Admissions and Records, students can generally register for classes within two working days. Students will not receive notification of acceptance.

ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed High School Authorization form available at the WNC Admissions and Records office or online.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case by case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

HAVE YOU MOVED?

Please use Web-REG to update your address, phone, and e-mail information so we can keep up-to-date records!

Thank you!

ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should submit a “Petition for Evaluation” to Admissions and Records and request official transcripts from each previously attended institution.

AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, March 18. After this date an audit may not be changed to a letter grade and a letter grade may not be changed to an audit.

COURSE EXCHANGES

Even exchange of courses is allowed during the first two weeks of the semester (January 24-February 4). Students who want to drop and add full-term classes for the same number of credits may submit a special enrollment authorization form to Admissions and Records. Students requesting an even exchange during this period should not add or drop classes through Web-REG. Dropped courses approved for even exchange will be removed from a student transcript.

NOTE: during the second week of instruction, a signature is required from the instructor(s) of the course(s) a student wishes to add.

NURSING & ALLIED HEALTH PROGRAMS

WNC offers an Associate of Applied Science Degree in Nursing.

Admission to the Nursing program is limited and requires a special application.

Counseling Services 445-3267

RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:

- 1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.
- 2) A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada College. A non-resident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency, including graduation from a Nevada high school.

Admissions & Records..... 445-3277

Adds, Drops & Withdrawals

Adds/drops may be completed beginning Monday, Nov. 29, at www.wnc.edu/webreg/. The last day to add full-term classes by Internet is Friday, Jan. 28. Dropping a full-term class must be done by Internet any time until Friday, May 13. Classes dropped after the 90 percent refund period will remain on a student transcript with a "W." See fee refund policy.

COURSE LOAD

The number of credit units taken by a student, excluding courses taken for audit, makes up the total course load. The number of credits a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more credits; three-quarter-time students carry 9-11 credits; and half-time students carry 6-8 credits. Students may not enroll for more than 18 credits per semester without permission of a WNC counselor.

Registration Information

Class Cancellations/ Changes

WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of canceled courses will be updated as courses are canceled including those resulting from instructor illness or inclement weather. Canceled class hotline is updated throughout the semester.

Students concerned about possible college closure due to inclement weather should check the WNC web site, the main college phone number, and local TV stations.

Grade Policy

WNC students obtain their grades via the Internet. The college does not send grade mailers at the end of the semester. Students may request a printed copy on Web-REG. Grades are available approximately two weeks after the end of the semester. Spring grades will be available on Friday, June 10.

Federal law protects your grades. The Family Educational Rights and Privacy Act of 1974, as amended, requires a photo ID to verify that the requestor is the person who earned the grades requested when a request is made in person. With requests sent by mail or fax, the written signature of the person who earned the grades is required to release a copy of the grades. A unique PIN is considered the equivalent of a signature if the Internet is used to request a copy of grades.

Distance Education at WNC

WNC offers a full range of classes delivered online through WebCampus and by interactive video. Both are designed to meet the needs of students with busy lifestyles who may not have the opportunity to attend regularly scheduled or on-campus classes.

Interactive video classes offer two-way audio and video from the originating site to branch campuses and centers at regularly scheduled times.

Many web classes have few, if any, scheduled meeting times and can be accessed 24/7 from any computer.

WebCampus

Online and web enhanced classes are provided through WNC's WebCampus. Students taking online classes should have regular access to a reliable computer with a high-speed Internet connection. Basic skills required include: sending and receiving e-mails, word processing, attaching files, and basic web browser configuration. Successful online students are independent learners, self-motivated, and possess good reading skills and study habits. A typical three-credit class requires a minimum of about 10 hours per week for reading course materials and completing assignments.

The WNC Student Code of Conduct applies to online classes as it does to traditional classes. The online classroom should be considered the same as a traditional classroom with all of the norms of behavior that the statement implies. Students should communicate with their classmates and instructors in a polite, civil manner, using proper English.

Log-in instructions are listed under "Tutorials and Help"

Click "Check Browser" to ensure computer compatibility

Web Classes: Classes delivered over the Internet that may require one or more scheduled meetings, either online or face-to-face.

Web Enhanced Classes: Regular face-to-face classes that use an Internet component to expand the course experience.

Blended Classes: Classes delivered primarily over the Internet with regularly required face-to-face meetings.

Blackboard (WebCT): The software that WNC uses to power WebCampus classes.

STUDENT E-MAILS

Students are responsible for updating their e-mail contact information on WNC's Web-REG online system. The personal e-mail address on file will be used by the college and faculty for contacting students. E-mail addresses may be created through Yahoo!, Google, Hotmail, or any internet provider.

Returning Students

Students who have had a WNC e-mail address need to log-in to Web-REG and provide a personal e-mail address. WNC provided student e-mail addresses are no longer active.

New Students

New students need to provide a personal contact e-mail address at the time of registration.

*Remember to keep your personal
e-mail address updated on Web-REG!*

Important Information About Fees

PERSONS AGE 62 OR OLDER

Nevada residents 62 years or older may register for credit or audit status in any course without paying registration, application or admission fees, except:

- Only space available courses may be taken.
- Benefits are subject to programs being otherwise self-sustaining, i.e. summer session.
- Lab and technology fees are still applicable.
- All seniors must pay a \$5.50 per credit technology fee.
- Community Education course fees are discounted by 20 percent.
- Motorcycle Safety is not discounted.

REGISTRATION FEE

The registration fee for lower division classes is \$69.25 per credit and for upper division classes is \$113.25 per credit (except for Community Education classes). The fee to audit a class is the same as the fee to register for credit. NOTE: some classes also carry a special use or lab fee.

TECHNOLOGY FEE

The NSHE Board of Regents technology fee of \$5.50 per credit funds technology needs and enables WNC to stay current.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

Through the Western Undergraduate Exchange, selected students from eligible western states may enroll in any of WNC's programs at a reduced tuition level of 150 percent of the college's regular resident tuition. Students must request WUE status on the application for admission and apply for WUE status by submitting a WUE application to Admissions and Records prior to matriculation. WNC reserves the right to limit the number of WUE students from each state.

Important Information About Fees

DEFERRED PAYMENTS

Contracts for deferred payment of registration fees are available to students who register for six or more semester credit hours in a fall or spring semester. Application for admission fees, laboratory fee, and costs of Community Education credits and courses may not be deferred. Special fees, i.e., lab fees, insurance, etc., and approximately half of the registration and tuition fees are payable at registration.

The unpaid balance is due and payable no later than Friday of the sixth week of instruction. If payment for deferred fees has not been made by the required date, the account will be considered delinquent and the student will be placed on financial hold for future registration, grade, transcript, diploma, and certificate privileges.

A penalty fee of \$10 or 10 percent, whichever is greater, will be charged on all delinquent accounts. The registrar is authorized, if necessary, to officially withdraw a student from classes for nonpayment of the balance.

A student who qualifies for the deferred contract and sends in the first payment by the published deadline agrees to the contract rules. No written contract is required. To set up a deferment, access the Internet and select the account and billing option.

Direct Deposit of Student Refund Checks —

The Business Office offers direct deposit as a convenient means of providing refund/overage checks to students. Instead of mailing a check, the funds can be deposited directly into a checking account.

BENEFITS INCLUDE:

Convenience... No waiting on the mail or waiting in line to cash or deposit the check.

Quick access... The funds are available within two-five business days after the due date of refund.

Safety... Prevent check loss or theft.

Signing up is easy... Complete the online authorization form, attach a voided check, sign and date. Incomplete forms will not be processed.

Business Office..... 445-4221

Direct deposit form can be found online at:
www.wnc.edu/student-services/admissions/forms/

DELINQUENT ACCOUNTS

All delinquent accounts will be placed on financial hold. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check returned as unpaid from the bank. Returned checks must be made good within ten days of the bank's notification (cash, cashier's check or money order only) or the college will begin collection procedures.

FAST TRACK PROGRAM

High school students who enroll in selected WNC distance education classes through the High School Early Entry Program will pay a discounted fee. See a high school counselor for details.

GRADUATION APPLICATION/FEEES

Students seeking degrees or certificates of completion must submit a completed application for graduation and a \$25 fee to Admissions and Records before processing begins. Missing the application deadline or failure to meet degree requirements means students must submit a new application and repay the application fee.

Deadline for filing graduation applications and fees for the spring 2011 semester is Tuesday, March 4.

Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed prior to the first day of semester. The last day is Sunday, Jan. 23. Courses dropped after the 100 percent refund period that are not "even exchanged" may affect financial aid.
 - 90 percent if the withdrawal is completed by the end of late registration (five working days into semester). The last day is Friday, Jan. 28. Courses dropped after the 90 percent refund period that are not "even exchanged" will remain on a student transcript with a "W".
- NOTE: Community Education courses do not have a 90 percent refund period.

Any course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular

semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day no refund will be given. The 90 percent refund is not available for short-term classes or classes that start before the regular semester date. **Note: Many summer courses are short-term.**

Refund checks for dropped classes (*when applicable*) are prepared and mailed biweekly. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration. **Drops must be made by Internet before a refund can be issued.**

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

Financial Aid Checklist

STEP #1: : New students must complete the WNC application for admission and declare a degree or certificate program. WNC is unable to process the FAFSA form until the student has been admitted to the college.

STEP #2: Organize financial records that are necessary to complete the FAFSA.

For the 2010-11 FAFSA the student's and parent's (for dependent students) 2009 tax return information is required. For married students filing separately the spouse's tax information is required. Other income documents may include year-end statements from Social Security, W-2 forms, disability incomes statements, unemployment compensation statements, TANF annual income statements, etc.

STEP #3: : Complete the electronic FAFSA at www.fafsa.gov. List WNC as the college choice. WNC's school code: **013896**. To sign the FAFSA electronically a PIN number is required for students and parents. This is not the same PIN number used for WNC Web-REG. The FAFSA PIN number can be used each year to apply for financial aid and to access federal student aid records online. The PIN should be kept in a safe place and never given to anyone.

STEP #4: Check Web-REG to track the status of financial aid. Information may be required to verify the information on the FAFSA. Submit the requested documents to the Financial Assistance Office. If changes are made on the FAFSA or to the level of enrollment awards may change.

For assistance completing the FAFSA, computers and advisors are available in Financial Assistance 8 a.m. to 5 p.m., Monday through Friday. The office is open until 6 p.m. Wednesdays when classes are in session. Bring financial records and the required Department of Education PIN number.

Please Note: withdrawing from classes may require a repayment of financial aid and affect eligibility for future aid.

www.FAFSA.gov

How to Apply for Financial Aid

The college's Financial Assistance Office administers an array of financial aid programs including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses. All students are eligible for some type of financial assistance for class levels 095 and above. To be considered for financial aid complete the Free Application for Federal Student Aid each year. Students should complete the FAFSA online as soon as possible after January 1 for the next school year. Early submission of the FAFSA increases the possibility of receiving aid as some funds are limited. Allow at least 45 days before the semester begins to complete the application process.

The WNC scholarship application must be completed to be considered for scholarships. Deadlines are posted on the application. Application is available online at:

www.wnc.edu/student-services/financial/funding-scholarships.php

Receiving Financial Aid & Scholarships

When financial aid and scholarships are approved and the student has enrolled in the correct number of credits, funds will automatically be applied to the student's WNC account. This will occur no earlier than ten days prior to the start of semester. If financial aid is not approved in time for fee deadlines, the student is responsible for payment.

If funds awarded exceeds the charges on a student's account, the balance of funds is refunded to the student to pay for other educationally related expenses. Refunds are released to students beginning the week prior to the start of classes in one of the following ways:

- Check: The refund check is mailed to the address listed in Web-REG.
- Direct Deposit: Direct deposit is available if the student completes a Direct Deposit form and submits it to the Business Office along with a voided check. Allow 10-15 business days for the form to be processed.

WELCOME

Millennium Scholars!

Your scholarship pays \$40 per credit for lower division courses (100 & 200 level) and \$60 per credit for upper division courses (300 & 400 level), up to 12 credits each term for courses 100 level & above.

To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Only degree seeking students are eligible to receive the scholarship.
- Register by Internet for at least six credits at WNC per semester.
- Maintain the grade point average as required in your acknowledgement letter.
- If you need additional funds for college, please contact Financial Assistance.

Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus and from the coordinator at any of WNC's outlying centers.

Persons who are eligible for veterans benefits include: honorably discharged veterans, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications. Academic counseling is required prior to certification each semester.

VETERANS STANDARD OF SATISFACTORY PROGRESS

Veterans receiving VA educational benefits must maintain a minimum cumulative grade point average of 2.0 on a 4.0 scale. If GPA falls below 2.0, he/she will be placed on academic probation for the following semester. If the cumulative GPA remains below 2.0 for two subsequent semesters, VA benefits will be terminated. To re-establish eligibility, students must take courses at their own expense until they achieve the required minimum 2.0 GPA.

Counseling & Testing

Counseling Services

Degree & Course Advising • Career Counseling • Personal Counseling

Counselors are available weekdays and some evenings at the Carson City, Douglas, and Fallon campuses to help students and community members make important decisions regarding educational goals and career directions.

Counselors help students plan their academic schedules to ensure understanding of major/graduation requirements and current transfer guidelines. Counselors can also assist students with career exploration, interest testing, job search techniques, and provide current information about labor markets and educational training requirements.

Students are encouraged to see a counselor prior to enrollment to receive correct advising.

Disability Support Services (DSS)

WNC is committed to making its programs and services accessible to persons with disabilities. To receive academic accommodations through Disability Services, students must be currently enrolled in classes and provide appropriate documentation of their disability.

Support services for WNC students with disabilities are provided through Counseling Services on the Carson City campus. For effective and timely services, students should submit their requests for assistance at least four weeks in advance.

Testing

Every student planning to register for English or math courses at WNC must either take placement tests, submit ACT/SAT scores (no more than two years old), or provide a transcript showing completion of prerequisite courses. Testing assesses a student's current skills in reading, writing and math, and helps students select the appropriate courses to take at WNC. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT & SAT required scores:

	ACT	SAT
English 100	18	440
English 101	21	510
Math 95	17	400
Math 96	19	470
Math 120	22	500
Math 126	22	500
Math 127	25	560
Math 128	22	500
Math 176	25	560
Math 181	28	630
Statistics 152	25	560

Testing is available by appointment at the Carson City, Douglas and Fallon campuses. There is a \$15 testing fee. Photo identification is also required.

Transfer Center/ Career Center

WNC's Transfer Center assists students who plan to continue their education at another institution. The center makes transferring from WNC to another college or university as easy and efficient as possible.

The Career Center provides information on career descriptions, job outlook, work settings and preparation necessary to enter specific career fields.

The Transfer Center and Career Center are in Counseling Services at the Carson City, Fallon, and Douglas campuses.

Phi Theta Kappa Honor Society

Phi Theta Kappa has recognized academic excellence in two-year colleges since 1918 and is one of the most prestigious honor societies in higher education. WNC has two chapters of Phi Theta Kappa: Alpha Upsilon Beta and Beta Theta Iota. Alpha Upsilon Beta, established in 1991, has inducted more than 500 members. Beta Theta Iota, established at WNC Fallon in 1998, has inducted more than 75 members.

Phi Theta Kappa has four hallmarks:

- Scholarship
- Service
- Leadership
- Fellowship

START COLLEGE EARLY! High School Student Services

WNC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

TECH PREP: High school juniors and seniors may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by both high school and college faculty. The program is designed to give students hands-on and academic experience. Course credits apply to WNC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

DUAL CREDIT: Students may earn college and high school credits simultaneously. Each high school in the WNC service area allows many WNC courses to also count as high school credit. The program helps students by offering courses not available at the high school, and giving them the opportunity to begin college while still in high school. Contact local school districts for an updated list of dual credit classes.

FAST TRACK: Designated college courses are offered via Internet or interactive video at a discounted rate to high school students. Most Fast Track classes cost only \$25, with a \$15 interactive video fee.

You are a Potential Honors Student!

Learn about WNC's Honors Program

WHAT IS IT?

The WNC Honors Program is designed to challenge students to achieve their highest academic potential. Students enrolled in any major are eligible to participate in the Honors Program. This means *YOU!*

WHAT ARE SOME PROGRAM BENEFITS?

- a chance to demonstrate your dedication to academic excellence and love of learning
- the opportunity to work closely with your college instructors
- honors recognition on transcripts and upon graduation
- high quality recommendations from college faculty for career, scholarship, or further educational opportunities
- annual year-end recognition for "Outstanding Honors Projects"

HOW DOES IT WORK?

WNC students with a 3.0 or higher cumulative grade point average or recent high school graduates with an exit GPA of 3.0 or higher are eligible to apply. Students in the program earn honors credit for a course by undertaking special course projects in addition to the regular course requirements. Projects are completed on a contractual basis with individual faculty members. To receive honors credit, the student must receive a grade of "B" or better for the course and complete the contracted project to the satisfaction of the course instructor. During the first week of classes, talk to your instructors about participating in the Honors Program.

Honors Program participants who receive honors credit in 18 or more course units in at least six different academic disciplines and who have at least a 3.5 cumulative GPA at graduation are designated as Honors Graduates.

STUDENT EMPLOYMENT

Access student employment information by clicking on the Student Life link of the WNC web site home page. Employers can enter employment opportunities directly into the web site and students can access job descriptions. Categories include:

On-Campus Job Board

On-campus jobs are open to any WNC student currently enrolled in at least 12 credits (or six credits for work-study students). Students who have been awarded work-study as part of their financial aid have priority for on-campus positions.

Tutoring Positions

Tutoring positions at elementary schools within the WNC service area are available to WNC students through the Regents' Award Program. Students are not required to apply for financial aid to qualify for these positions, but they must meet the minimum criteria.

Off-Campus Job Board

WNC receives employment announcements for a range of off-campus jobs including part-time, full-time, and temporary positions. These positions are not affiliated with WNC. They are posted on the Job Board as a service to WNC students, alumni, and the local community. For specific information on any listing, contact the employer directly.

Jump Start a Teaching Career

WNC offers a set of transfer courses for education majors that makes it possible to complete the first two years, up to 64 credits, of course work for bachelor's degrees from the College of Education at the University of Nevada, Reno or Nevada State College. Students may prepare for a degree in Elementary Education, a Bachelor of Science in Secondary Education, or Bachelor of Arts in Secondary Education.

Foundation courses available at WNC include instructional technology, required 200 level English courses, introductory courses in secondary and special education, and freshman and sophomore courses requiring supervised field experience in the K-12 schools.

WNC & Nevada State College Partner in Teacher Preparation

WNC students who are close to completing their first two years of transfer courses toward a bachelor's degree in education can enroll in Nevada State College junior and senior level courses offered at WNC sites by interactive video and by Internet. Students are able to earn a bachelor's degree and prepare for certification as an elementary or special education teacher without leaving WNC's service area.

Classes are offered at a rate allowing students to finish at the same pace as other four-year institutions.

To date, more than 50 partnership students have finished their degrees and have teaching jobs in the area of their choice—Carson, Fernley and Fallon.

Continuing Education Programs

Learning is a lifelong process. The Continuing Education Department provides lifelong learning opportunities for all ages within the communities that Western Nevada College serves. From the young child to the senior citizen, students in continuing education programs develop skills, enjoy creative or recreational pursuits, and broaden personal knowledge.

COMMUNITY EDUCATION

Non-credit, self-supporting community education classes in diverse areas are offered for adults. Classes may be as short as a few hours or may meet weekly throughout the semester. Field trips and special events may also be arranged. Since Community Education is self-supporting, credit classes that typically do not receive sufficient enrollment can be offered through the Community Education Department. Some programs, such as Motorcycle Safety, will grant an endorsement card upon successful completion. Driver's Education is also offered.

How WNC Courses Transfer & Meet Degree Requirements

WNC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which may transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

Courses with numbers 300 to 499 (such as MGT 462) are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

Courses with numbers 1000 and above (such as CFK 1001) are non-credit, non-college continuing education courses. Please contact a counselor for more information.

Courses with a "B" designator after the number (such as MATH 110B) are college level courses which may apply toward a WNC degree, but which may not transfer to UNR & UNLV. In some cases, these courses may transfer to other Nevada community colleges and Nevada State College or to out-of-state colleges and universities.

Courses with a "C" designator after the number (such as CMSV 245C) are community education courses which generally do not apply toward college degrees.

Courses with an "L" Designator after the number (such as PHYS 151L) are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Please contact a counselor for more information.

Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges to disclose certain timely and annual information about campus crime and security policies.

More detailed information and the crime statistics for the past three years is available at www.wnc.edu/ps/

Drug and Alcohol Prevention Policy

WNC is required to provide information about campus rules and regulations pertaining to alcohol and other drugs. The pamphlet, A Safe Campus, is available at each campus as a resource for students, employees and visitors.

Legal Notice

This is the 2011 spring semester class schedule of Western Nevada College. It lists the classes that the college plans to offer and describes registration and enrollment guidelines. This information is subject to change at any time and should not be considered a contractual agreement.

Non-discrimination Statement

WNC is guided by the principle that there shall be no difference in the treatment of persons because of race, religion, color, age, sex, including a pregnancy-related condition, sexual-orientation, military status, or military obligations, disability, including veterans with service-connected disabilities, or national origin, and that equal opportunity and access to facilities shall be available to all. Similarly, there shall be no difference in the treatment of persons who file charges of discrimination, participate in a discrimination proceeding, or otherwise oppose discrimination. It is our policy to comply fully with the non-discrimination provision of all state and federal regulations with regard to recruitment, admission, financial aid, activities, hiring, promotions, training, terminations, benefits and compensation.

Notice of Copyright Laws & Infringement Penalties

Students should be aware of federal copyright laws and penalties that may be assessed for violation of these laws. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

The Student Right to Know and Campus Security Act requires that WNC comply with the provisions and updates in disclosing the graduation rate of certificate or degree-seeking students. This information is available to current and prospective students prior to enrolling or entering into any financial obligation.

As of 2009-2010, the four-year average Student-Right-to-Know graduation rate was 20 percent. WNC graduation completion rates are available from Counseling Services and Admissions and Records on the Carson City campus.

Principles of Community

As members of the WNC community, we choose to be part of an academic community dedicated to those principles that foster personal and professional integrity, civility, and acceptance.

We strive toward lives of personal integrity and academic excellence. We will encourage in ourselves, and in one another, those responsible actions which lead to lives of productive work, personal enrichment, and useful citizenship in an increasingly interdependent world.

We commit to treat one another with civility. Recognizing that there will be differences of opinion, we will explore the differences in a courteous and forthright manner, always acknowledging individual rights to the freedom of expression and association.

We embrace diversity. We encourage those of all cultures, orientations, and backgrounds to understand and respect one another in a safe and supportive educational environment.

Sexual Harassment Policy

WNC, as a member of the Nevada System of Higher Education, is committed to providing a place of work and learning free from harassment, intimidation or insult. It is the policy of WNC that the sexual harassment of students, employees, and users of WNC facilities is unacceptable and prohibited.

The NSHE Policy Against Sexual Harassment and Complaint Procedure, Title 4, Chapter 8, Section 13, is incorporated into the Board of Regents Handbook. The policy can be reviewed in the WNC online catalog at www.wnc.edu.

STATEMENT OF INTEGRITY

WNC is committed to the highest ethical standards in its administration, teaching, scholarships, and service, and its treatment of its students, faculty and staff.

Western Nevada College Spring 2011 Semester

CLASSES AT A GLANCE

Spring Offerings Provide Opportunities

Career Preparation Best Bet for Jobs

Wherever you live in northwestern Nevada, Western Nevada College offers a learning opportunity for you. Academic programs and courses are geared toward the career-minded who are looking for a new profession, those who want to transfer academic credits to a four-year college or university, and those who want to learn for personal enrichment or enhanced skills. With three campuses and five centers across seven counties, Western Nevada College provides the options needed to succeed in our challenging and fast-paced world.

Here's a sampling:

WNC Carson City: Thousands of students take advantage of diverse academic programs. **Energy 110** is a hands-on class exploring how wind turbines and solar cells are being used in consumer and industrial settings. There are also non-credit classes on passive and active solar applications.

WNC Douglas: Students can work toward a degree with classes in biology, criminal justice, economics, English, geology, political science, psychology, sociology, and more.

WNC Fallon: Hands-on opportunities abound in woodworking, welding and automotive mechanics. To brush up on office skills, half-credit classes in computer applications are offered in **MS Windows**, spreadsheets and database management. Computer Information Technology classes include **A+ Software** and **Microsoft Networking**.

WNC Teaching Centers: Fernley, Hawthorne, Lovelock, Smith Valley and Yerington use onsite and interactive video classes in their community. Students may also choose from dozens of online classes to help them complete a degree or certificate in a convenient manner.

Experiential Learning

Explore the World Outside a Classroom

Broaden your horizons with a number of spring classes that take students to some of the world's most amazing destinations.

Geography of San Francisco

GEOG 110B - 1 unit, Call # 14082

Offered through the Carson City campus, students will explore the urban landscape of one of the most beloved cities in the world. The class features stops at Golden Gate Park, Chinatown, and Haight-Ashbury. It will include lectures and walks to discover how San Francisco ascended from its roots as a port town to a modern day, world-class city.

Class Meeting: Wed., April 13 • 5:30-6:30 p.m.

Field Trip: Fri.-Sun., April 15-17

Geology of Death Valley National Park

GEOL 111B - 2 units

Carson City - Call # 14086

Fallon - Call # 13296

Offered at both Carson City and Fallon, students have the opportunity to participate in a field experience in geology. The class will cover the basics of rock identification, landform analysis, and interpretation of modern and ancient geologic events in a field study trip to Death Valley National Park.

Class Meeting: Fallon – Thurs., March 10 • 5-8 p.m.

Carson – Fri., March 11 • 5-8 p.m.

Field Trip: Sun.-Sat., March 20-26

Art Appreciation

ART 160 - 3 units, Call # 11496

Through WNC Fallon, students have the opportunity to study abroad during a spring break trip to Rome, Italy. The class will travel to the Eternal City and study the artistic glories of the Sistine Chapel, Vatican museums, Roman Forum and Galleria Doria Pamphilj. A valid passport is required for travel outside the United States.

Class Meeting: Three Saturdays prior to the trip
1-3:45 p.m.

Field Trip: Thurs., March 17-Sun. March 27

Contact: Professor Gil Martin upon enrolling in class

See also **Survival Italian** (Call # 10864) • half-credit
Saturdays, 9:30 a.m.-noon • Feb. 26-March 12

IMPORTANT NOTE: Field experiences may be taken for credit or audit, and additional class days may be required for trip preparation. Students will be responsible for standard course fees, their own travel accommodations, food and other expenses.

Western Nevada Musical Theatre Company 2011

Featuring the majesty of The Phantom of the Opera!

Good Vibrations

February 11-13

Rock to your favorite oldies! An exuberant night of rock, roll and comedy in this not-to-be-missed revue! Only one weekend of performances for a perfect Valentine date. Buy your tickets early!

OKLAHOMA!

May 6-15

The Rodgers and Hammerstein classic that changed the face of American musical theater. Set in a Western Indian territory just after the turn of the century, the high-spirited rivalry between the local farmers and cowboys provides the colorful background against which Curly, a handsome cowboy, and Laurey, a winsome farm girl, play out their love story: *People Will Say We're in Love*, *Oh, What a Beautiful Mornin'*, *I Cain't Say No*

*From our 2002 production.
Auditions are January 11.*

*Show has not yet been cast.
Auditions will be in August.*

THE PHANTOM OF THE OPERA

November 4-20

The Northern Nevada premiere of the longest running show on Broadway! Andrew Lloyd Webber's masterpiece finally released in its original Broadway version, featuring the haunting, rapturous music that has delighted audiences for more than a decade: *Music of the Night*, *Prima Donna*, *Angel of Music*, *All I Ask of You*, *Wishing You Were Somehow Here Again*, *The Point of No Return*. No show has surveyed this high in the history of the company. We strongly advise that you buy your tickets early.

**All shows play at the Carson City Community Center. Tickets individually cost \$22/\$20/\$18
Great discounts and priority seating with season tickets, ranging from \$45-\$60**
