SUMMER 2014

It's not an emergency...

...but it can't wait.

Urgent Care is a great option for urgent but non-life threatening medical concerns such as simple cuts, fractures, burns and sprains as well as fevers, allergic reactions, animal bites, rashes and sore throats. Walk-ins are welcome and x-rays and labs are performed on site for urgent care patients.

Things Are About To Change

The new Douglas County Community & Senior Center is nearly complete. By the time the next activity brochure comes out we should be talking about a grand opening ceremony. Most people have seen and have tracked the progress by driving up and down Highway 395 or by driving near the building on Waterloo Lane. The sheer size of this facility is impressive but what's even more impressive are the amenities contained within, including a gymnasium with fitness platforms, 3 lane jogging track, 7 activity rooms and senior dining hall.

Recreation in Douglas County is about to change in a good way. Having a 7 day per week recreation center will create opportunities for families, seniors, young adults, youth and teens that we have not had before. In addition to the amenities mentioned above, the new center will ultimately house an array of fitness equipment and a rock climbing wall.

If you are interested in being a part of financially supporting the equipment needs of this facility please go to the Douglas County Community Services Foundation website at www.dccsf.com. Help us make sure that this building is fully equipped when we open. For more information regarding ways to equip this facility please feel free to contact me at 775-782-9828.

August 22

JKC Band (Americana roots/Classic Rock) →

Co-sponsor: Bently Enterprises

When Jesse is performing with his band, as a duet, and more recently as a solo artist, his passion for music can be heard and felt in each and every song he plays. Influenced by a wide variety of musicians and musical genres, Jesse captures a distinctive style in both his cover and original music. His dynamic live performance incorporates vocals, acoustic and electric guitar, harmonica and flute and has been described as "grass roots American groove". Whether you enjoy the classic rock sounds of Eric Clapton, The Eagles and Lynyrd Skynyrd, the country styling's of Lyle Lovett and the Zac Brown Band or the softer sounds of James Taylor, David Grey and Van Morrison, Jesse has something to offer for every taste.
