ATTENTION WOOD DUCK HUNTERS

A research project is currently underway in Churchill County which through cooperation from the Wildlife Commission, NDOW, and local hunters, is attempting to introduce variation in harvest rate. For this waterfowl season, a restrictive harvest treatment has been implemented. Although the wood duck bag limit is 1/day for inadvertent take, researchers are requesting that duck hunters avoid the take of wood ducks within Churchill County. Additionally, a number of wood ducks were again fitted with a webtag (small metal staple) in the webbing of their foot. To report webtags,

please contact Chris Nicolai by phone at (775)861-6333 or email at chris.a.nicolai@gmail.com.
