Also note that a person **may** change from any political party affiliation to **nonpartisan** and run for office in 2002.

NOTE: This does not apply to minor party candidates.

Write-in Candidates

Nevada law prohibits write-in candidacies or write-in votes of any kind. (NRS 293.270)

CONDUCTING A CAMPAIGN

Code of Fair Campaign Practices

The Code of Fair Campaign Practices is a voluntary code to which a candidate may subscribe. It states certain principles by which a fair, ethical campaign should be run. A candidate who subscribes to the code may indicate so on his or her campaign literature. A copy of the Code of Fair Campaign Practices is given to each candidate at the time of filing.
(NRS 294A.290)

Use of the Term "Reelect" and Implying Incumbency

Nevada law prohibits use of the term "reelect" in a campaign unless the candidate was chosen at the most recent election to fill the same office. Statutes also prohibit the implication of incumbency unless the candidate holds that office at the time of the election. It is recommended that candidates use the term "elect," "for," or other identifier so as not to create the implication of incumbency.

(NRS 294A.330 & 294A.340; Proposed Regulation R183-01)

Identification of Person Paying for Published Campaign Material

Published material (print, broadcast, billboards, radio, etc.) which refers to a ballot question or to a candidate must include the name, address, and a statement of responsibility

Nevada

(e.g., "paid for by...") of **each person** who paid for the publication. This requirement does not apply to published material that prominently displays the name of the candidate and refers only to the candidate whom the material promotes if the material is approved and paid for by the candidate and has been reported by the candidate as a campaign contribution. This requirement also does not apply to a natural person who acts independently and not in cooperation with business or social organizations in publishing the material. Identification that complies with the Federal Communications Act of 1934 and subsequent regulations shall be deemed to comply with these requirements. (NRS 294A.320)

Persuasive Polls

If a candidate, political party, committee sponsored by a political party or committee for political action requests or compensates a person to conduct or cause to be conducted a persuasive poll or produce an automated or computerized message by telephone concerning a candidate, the person conducting the poll shall disclose, at the end of the poll, the name and telephone number of the candidate, political party, committee sponsored by a political party or committee for political action that requested or compensated the person for the poll. Each violation is subject to a civil penalty of up to \$5,000. (NRS 294A.341; 294A.342 & 294A.343)

Publication of False Statements/Impeding Success of Campaign of Candidate or Ballot Question

A person shall not willfully impede the success of the campaign of a candidate or the success of a ballot question. Enforcement is with the Nevada Commission on Ethics. (NRS 294A.345; 294A.346)

Campaign Signs

Local as well as state laws govern the use of campaign signs. Candidates should examine county and city ordinances for the rules regarding campaign signs. In addition, state law governs campaign signs placed within highway rights-of way. Check NRS 405.030 and 405.110 for specific prohibitions, removal policy by the Department of Transportation, and possible penalties.

State law sets time periods for the placement of campaign signs along interstate and primary highways. Campaign signs must not be placed next to these highways more than 60 days before a primary election and must be removed 30 days after that election. A successful candidate in the primary election may display his or her campaign signs through the following general election, removing them 30 days later (NRS 410.400(4)). Please contact the Department of Transportation at (775) 888-7000 for further information.

Remember to always seek permission of property owners prior to placing campaign signs on private property. The posting of campaign signs on public utility poles is prohibited. (NRS 704.638)
