Introduction

Dear Participant:

Welcome to the Public Employees' Benefits Program (PEBP) Open Enrollment for Plan Year 2011, which will be held May 1 through May 31, 2010. Open Enrollment provides you the opportunity to review your plan options and make changes to your coverage without experiencing a qualifying event.

Plan Year 2011 will have significant changes to plan design and rates; therefore, it will be particularly important that you compare the plan options to determine which plan is right for you. This guide will describe the most significant of those changes; however, for a comprehensive description of plan benefits, read the Master Plan Document for PPO participants or the Evidence of Coverage documents for HMO participants available at www.pebp.state.nv.us.

Open Enrollment Meetings

The Open Enrollment meetings have been restructured to allow for interactive video conferencing in *Elko, Ely, Fallon, Tonopah, and Winnemucca*; live meetings will be held in *Carson City, Reno and Las Vegas*. The schedule of Open Enrollment Meetings can be found on page 20.

You must complete the Open Enrollment Form if you:

- want to change your current health plan election (e.g., from HMO to PPO);
- want to add or delete dependents;
- want to decline coverage.

You do not need to complete the Open Enrollment Form if you:

- want to maintain your current coverage (e.g., health plan election and coverage tier).

DEADLINE FOR SUBMITTING OPEN ENROLLMENT CHANGES:

The Open Enrollment Form (and any supporting documents required to add dependents) **must be received in the PEBP office by May 31, 2010, or postmarked by May 31, 2010.**

If you are making changes to your coverage, please submit your Open Enrollment Form and any required supporting documents to your agency representative on or before May 31, 2010.

The Open Enrollment Form must be an original—photocopies and faxes will not be accepted. Photocopies of supporting documents are permissible and may be faxed to 775-684-7028.

Summary of Changes for Plan Year 2011

Self-funded PPO Plan

Plan Year Deductibles and Out-of-Pocket Maximums

In the fall of 2008, the Board approved a policy that indexes the deductible to medical inflation and the out-of-pocket maximum to half medical inflation using Plan Year 2010 as the base year. The resulting deductible and out-of-pocket maximum are then rounded to the nearest \$25.00. Based on this calculation, the deductible will increase from \$725 to \$800 for the individual and \$1,450 to \$1,600 for the family. The in-network out-of-pocket maximum will increase from \$3,500 to \$3,700 for the individual and \$7,000 to \$7,400 for the family. The out-of-network out-of-pocket maximum will increase from \$10,000 to \$10,600 for the individual and \$20,000 to \$21,200 for the family.

Immunization Benefits

PPO participants will be able to obtain flu and pneumonia vaccinations from participating Catalyst Rx pharmacies and through out-of-network local and state health departments. Vaccinations obtained from participating pharmacies are paid at 100% by presenting the PPO medical ID card to the pharmacy. Vaccinations that are obtained from a local or state health department are eligible for reimbursement at 100% of the cost; however, the participant must pay for the vaccination at the time of service, and file a claim to UMR. Vaccinations obtained as indicated above will not be subject to plan copayments or the annual deductible, but are deducted from the \$2,500 plan year wellness benefit.

New PPO Wellness Program

On July 1, 2010, the Self-funded PPO plan will offer primary participants an exciting new wellness program, *Live Well, Be Well*. An introduction to *Live Well, Be Well* will be the topic of PEBP's *Health Matters* newsletter that will be mailed to participants' homes in the next few weeks. Some highlights of this new program will include interactive web-based tools, online health and lifestyle programs, and information regarding heart care, weight loss, nutrition, diabetes, fitness/exercise, cancer, stress, aging, and smoking cessation. *Live Well, Be Well* will also replace the Wellness Fairs with worksite health and wellness rallies where PPO participants can obtain biometric screenings. In addition, PEBP will offer incentives to those who actively engage in the program. Be sure to watch your mailbox for the next issue of *Health Matters* to learn more about this exciting new program.

Diabetes Care (Disease) Management Program

On July 1, 2010, PEBP will transition its disease management program (currently administered by ASP Healthcare) to U. S. Preventive Medicine. USPM's Care (disease) Management Program will be available to PPO participants and their covered spouses or domestic partners who have been diagnosed with diabetes. Under USPM's Care Management for diabetes, members who are actively engaged in the program will be eligible to have their office visit copayments *related to diabetes* paid under the \$2,500 annual

Summary of Changes for Plan Year 2011

Diabetes Care (Disease) Management Program, continued

benefit. Additionally, the prescription drug copayments for the treatment of diabetes will be reduced by 50%. More information about the Care Management Program for diabetes will be mailed to participants homes in the coming weeks.

Hometown Health Plan (HHP) (Northern Nevada HMO)

Hometown Health Plan's **current** benefit structure is based on a **calendar** year as it applies to benefit maximums, out-of-pocket maximums, etc. Beginning July 1, 2010, HHP's **benefit structure will change from a calendar year to a plan year (July 1 - June 30)**. Therefore, the benefit maximums, out-of-pocket maximums, etc. will reset on July 1st instead of January 1st each year. HHP will also incorporate a \$250 individual and \$750 family deductible. The deductible will not apply to primary care and specialist visits, but will apply to most other services. Hometown Health Plan will increase its primary care visit copayment from \$20 to \$25, specialist visit copayment will increase from \$30 to \$45, and urgent care visits will increase from the current \$35 to a \$50 copayment per visit, after deductible. Other changes to Hometown Health Plan's benefit structure may be obtained by visiting: <http://stateofnv.hometownhealth.com/>.

Health Plan of Nevada (Southern Nevada HMO)

There will be no changes to Health Plan of Nevada's benefit structure.

Group Travel Accident Insurance - Active Employees Only

Group Travel Accident Insurance will no longer be offered to active employees after June 30, 2010.

Domestic Partners

Domestic Partners and the dependents of domestic partners will be eligible to enroll for coverage during this Open Enrollment period for coverage beginning July 1, 2010. For information regarding enrollment requirements and rates for domestic partners, visit our web site at www.pebp.state.nv.us, or call the PEBP office to request the Domestic Partner Open Enrollment guide at 775-684-7000 or 800-326-5496.

Medical ID Cards

- PPO ID cards will **not** be reissued (to current PPO participants), unless there is a change in coverage tier as a result of adding or deleting dependent(s) during Open Enrollment.
- Hometown Health Plan **will** reissue ID cards to all of their members to reflect the new copayment amounts.
- Health Plan of Nevada will not reissue new ID cards to their existing members, unless there is a change in coverage tier as a result of adding or deleting dependent(s) during Open Enrollment.

Health Plan Options

Self-funded PPO Plan

The Self-funded PPO Plan includes an \$800 individual and an \$1,600 family deductible. This plan offers fixed copayments for certain services, e.g., \$20 copayment for a primary care visit, \$30 copayment for a specialist visit, and a \$45 copayment for an urgent care visit. The PPO plan also includes a \$2,500 per plan year wellness benefit for each covered person. The plan year out-of-pocket maximum (in-network) is \$3,700 for one individual and \$7,400 per family. Participants enrolled in the Self-funded PPO Plan have access to a Statewide PPO network, as well as a national network (Beech Street).

Health Plan of Nevada (HPN) HMO

Health Plan of Nevada is a Health Maintenance Organization (HMO) where members can access dependable care at fixed copayments. HPN offers a wide selection of physicians, hospitals, pharmacies and other health care providers. The service area includes Clark, Esmeralda, and Nye Counties. HPN requires that you select a primary care physician (PCP) when enrolling in this plan. To select a primary care physician, or to view HPN's Evidence of Coverage, visit www.pebp.state.nv.us, or contact HPN at (702) 242-7300 or (800) 777-1840.

Hometown Health Plan (HHP) HMO

Hometown Health (HMO) Plan offers fixed copayments for primary care, specialty, and urgent care visits. The plan also includes a \$250 individual and \$750 family deductible that applies to most services. The plan features medical, prescription drug, and vision coverage. Medical services must be received from a network provider. This plan requires that you select a primary care provider at initial enrollment. Hometown Health Plan offers its members Open Access. This means you can self-refer yourself to select contracted specialists without first obtaining a referral from your primary care physician. It is offered to participants residing in Carson City, Churchill, Douglas, Elko, Eureka, Lander, Lincoln, Lyon, Humboldt, Mineral, Pershing, Storey, Washoe, and White Pine Counties. To select a primary care physician, or to view Hometown Health Plan's Evidence of Coverage Certificate, visit www.pebp.state.nv.us, or contact Hometown Health Plan at (775) 982-3232 or (800) 336-0123.

HMO Reciprocity

Participants enrolled in *Hometown Health Plan* or *Health Plan of Nevada* are eligible for expanded statewide provider access. These plans have a special network reciprocity agreement that allows HMO members to utilize both networks under certain circumstances. Reciprocity applies when traveling to/from northern/southern Nevada, and for dependents who are away at school in either the northern or southern part of the state. Expanded access is based on the primary participant's designated HMO plan provisions. The designated plan's pre-authorization requirements and referral guidelines still apply as described in the specific HMO plan document.

Medical Plan Comparison			
Benefit Category	Self-funded PPO Plan	Health Plan of Nevada	Hometown Health Plan
	Amount You Pay In-Network	Amount You Pay In-Network	Amount You Pay In-Network
Medical deductible	\$800 individual \$1,600 family (per plan year)	No deductible	\$250 individual \$750 family (per plan year)
Out-of-pocket maximum	\$3,700 person \$7,400 family (per plan year)	\$6,800 person (per calendar year)	\$6,200 person \$12,400 family (per plan year)
Hospital inpatient	\$105 admission copayment, plus 20% after deductible	\$200 copayment per admission	\$1,500 per admission, after deductible
Outpatient Same Day Surgery	20% coinsurance after deductible	\$50 copayment per admission	\$1,000 copayment per admission, after deductible

Making Changes to your Coverage

Complete the Open Enrollment Form ONLY if any of the following apply:

- Changing health plan options from or to the Self-funded PPO Plan from or to an HMO option.
- Changing coverage tiers
 - Participant Only
 - Participant + Spouse
 - Participant + Child (or children)
 - Participant + Family (spouse and children)
- Adding or deleting any dependents
- Updating your address

Include ONLY the changes you are making to your coverage.

For example, if your current coverage is Participant + Family (yourself, spouse and children), and you wish to only remove your spouse from your plan, do the following:

1. Enter your name, social security number, address information, etc.
 2. Select your health plan.
 3. Select your new coverage tier (in this case select Participant + Child/ren).
 4. Enter **ONLY** your spouse's information on the reverse side of the form.
 5. Select "delete" as the action to remove your spouse.
 6. Sign and date the form.
-

Making Changes?

- The completed Open Enrollment Form and any supporting documents must be submitted to your agency representative on or before May 31, 2010. Faxes and/or photo copies of the Open Enrollment Form will **not** be accepted.

Supporting Document Reference

Depending on the child’s status, any combination of the following documents may be required:

<ul style="list-style-type: none"> • Child(ren) • Guardianship of a child • Step-child(ren) • Adopted child(ren) • Disabled child age greater than age 19 	<ul style="list-style-type: none"> • Social security number for all covered dependents. • Copy of certified birth certificate • Age 19 to age 23, statement of full-time student status for the spring 2010 semester from an accredited college • Copy of the legal guardianship court order, signed by the judge • Copy of the adoption/placement papers as certified by the public/private adoption agency • Copy of certified marriage certificate which connects the step-child with the spouse/employee • Certificate of Disabled Dependent Child Form completed by the child’s physician(available for download at www.pebp.state.nv.us) • Certificate of Creditable Coverage from prior carrier indicating the disabled child has had continuous coverage
<p>Spouse</p>	<ul style="list-style-type: none"> • Copy of certified marriage certificate

Final determination of a spouse or dependent child’s eligibility will not be established pending staff’s substantiation of the documents received.

Women's Health Cancer Rights Act of 1998

Your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services. This includes all stages of reconstruction and surgery to achieve symmetry between the breasts, prosthesis, and complications resulting from a mastectomy, including lymphedema.

If you have questions about coverage of mastectomies and reconstructive surgery, please call your plan administrator for additional information:

- Self-funded PPO Plan: (877) 963-8232
- Health Plan of Nevada: (702) 242-7300 or (800) 777-1840
- Senior Dimensions Retiree Choice Plus Plan: (702) 242-7301 or (800) 650-6232
- Hometown Health Plan: (775) 982-3232 or (800) 336-0123
- Senior Care Plus: (775) 982-3112 or (800) 336-0123

Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). For more information, please visit the following website <http://www.dol.gov/index.htm>.

Important Notice About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it for your records. This notice has information about your current prescription drug coverage with PEBP and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

You can get this Medicare drug coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

PEBP has determined that the prescription drug coverage offered by the PEBP plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays, and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When can you join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from November 15th through December 31st. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan. For more information, contact Medicare at (800) 633-4227.

What happens to your current coverage if you join a Medicare Drug Plan?

Your PEBP coverage pays for health expenses, in addition to prescription drugs. If you decide to join a Medicare drug plan, you will still be eligible to receive all of your current health benefits but you will not be eligible for PEBP prescription drug benefits, if you choose to enroll in a Medicare Prescription Drug Plan.

When you pay a higher premium (penalty) to join a Medicare Drug Plan.

If you drop or lose your current coverage with PEBP and do not join a Medicare drug plan within 63 continuous days after your PEBP coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you have a lapse of 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up at least 1% of the Medicare base premium per month for every month that you did not have that coverage. In addition, you may have to wait until the following November to join.

The *Medicare & You Handbook* (available at www.medicare.gov) has information about Medicare Prescription Drug Coverage, or call your State Health Insurance Assistance Program at (800) 307-4444, or (800) 633-4227. TTY users should call (877) 325-0778.
