INDEPENDENT CANDIDATE GUIDE

PREFACE

The State of Nevada allows those who wish to run for a partisan office as a candidate with no political affiliation to run as an independent candidate. An independent candidate is one "who has been nominated for a partisan office but who is registered with no political affiliation..." (Nevada Revised Statute (NRS) 293.063). The independent candidate may qualify to appear on the General Election ballot by completing a petition process in addition to complying with other candidate filing requirements.

A person may not file as an independent candidate if he/she is proposing to run as a candidate of a political party. An independent candidate may run for a nonpartisan office without using the petition process.

It is important to note that this guide is for general information only and does not have the force and effect of Nevada law, regulation, or rule.

Interested citizens should obtain the most recent version of the NRS, as Nevada's Election Laws are amended each legislative session. Interested parties should also be aware that election issues are periodically addressed by the Attorney General, or by State or Federal courts. Due to the general scope of this guide, some of these issues may not be addressed here. Interested parties should review Attorney General opinions and court decisions, and should contact the Secretary of State or a Nevada attorney with any specific questions.

QUALIFICATIONS FOR INDEPENDENT CANDIDATES

Independent candidates, running for partisan office, must qualify to appear on the General Election ballot. To qualify for *any office other than presidential*, a person must first qualify through the petition process discussed below and then file a Declaration of Candidacy. **Presidential independent candidates** need to refer to NRS 298.109 (found in appendix) as well as the petition requirements provided herein.

THE PETITION OF CANDIDACY

Signatures Required

There are two ways in which an independent candidate can qualify to be placed on the ballot for the 2012 General Election. Both involve the circulating of a petition as follows:

1. Submitting a petition to the filing officer containing a number of valid signatures equal to at least 1% of the total number of ballots cast at the last General Election for the office for which the candidate seeks election. The filing officer will determine the number of signatures needed for the petition (NRS 293.200(1)(b)(1)); **or**
2. Submitting a petition to the filing officer containing 250 valid signatures of registered voters if the candidate is a candidate for statewide office, or containing 100 valid signatures of registered voters if the candidate is a candidate for any office other than a statewide office. (NRS 293.200(1)(b)(2))

The candidate must file a copy of the petition with the appropriate filing officer prior to circulating the document for signatures not earlier than January 2, 2012, and not later than February 9, 2012 (NRS 293.200 (1)(a)). After the petition is circulated for signatures, it must be submitted to the County Clerk/Registrar of Voters of the county or counties where it was circulated for signature verification not later than February 9, 2012. (NRS 293.200 (2)). Within 4 days after submission, excluding Saturdays, Sundays and holidays, the County Clerk/Registrar shall determine the total number of signatures and forward that information to the Secretary of State. (NRS 293.1276 (1))

Who Signs the Petition

Only registered voters of the county in which the petition is circulated may sign the document. If the office is not a statewide office, only the registered voters of the county, district or municipality in question may sign the petition. (NRS 293.200(2))

NOTE: Any registered voter within the appropriate district may sign the petition. The registered voter who signs the petition may be affiliated with **any** political party and will not lose that party standing or the right to vote in the 2012 Primary or General Election by signing the petition.

INDEPENDENT CANDIDATE GUIDE

Petition Format

- ▶ The petition may consist of more than one document. (NRS 293.200(2))
- ▶ Each document of the petition may consist of one or more pages and must be bound together. (NRS 293.12758(5); NAC 293.182(3)(b))
- ▶ Each document must bear the name of a county, and only registered voters of that county may sign the document. (NRS 293.200(2))
- ▶ The petition **may** state the principle, if any, which the candidate represents. (NRS 293.200(3))
- ▶ The petition may not contain the name of more than one candidate for each office to be filled. (NRS 293.200(5))
- ▶ Each document must contain sequentially numbered spaces for the printed name of each person who signs the document, the signature of the person signing, the resident address of the person signing, the name of the county where the person who signs is registered to vote, and the date of the signature. (NRS 293.200(2); NAC 293.182(2)(a))
- ▶ Each document must contain an affidavit of the person who circulated the document. The affidavit must be on the last page of each document and be signed before a person authorized by law to administer oaths in the State of Nevada (a notary public). (NRS 293.200(2); NAC 293.182(2 & 3(c))
- ▶ The circulator is **not** required to be a registered voter in Nevada. (Attorney General Opinion #99-37, dated 12/01/99)
- ▶ Each signature on the petition must be in ink. The County Clerk/Registrar will disregard any signature that is not signed in ink. (NRS 293.12758(4))
- ▶ Each page of the document must be sequentially numbered. The County Clerk/Registrar cannot accept a petition unless each page, including blank pages of the petition, is numbered. (NRS 293.12758(3))

NOTE: Sample petition is provided in the Appendix.

**THE SECRETARY OF STATE DOES NOT APPROVE THE LEGALITY OF
THE PETITION LANGUAGE OR THE PETITION FORM.**

Verification Process

1. All documents must be submitted to the appropriate County Clerk/Registrar at the same time. The County Clerk/Registrar shall issue the person submitting the petition a receipt stating the number of documents submitted, the number of pages of each document, and the number of signatures that the person declares are on the petition. The County Clerk/Registrar counts the **total** number of signatures on the petition and forwards that number to the Secretary of State. This is the “**raw count.**” (NRS 293.1276(1); 293.12758)

Time frame: The County Clerk/Registrar must complete the **raw count** within 4 days of receipt of the petition (excluding Saturdays, Sundays, holidays and the day the petition is received). (NRS 293.1276(1))

2. Based on the **raw count** information received from the County Clerk/Registrar, the Secretary of State determines whether the number of signatures is 100% of the number needed. If the **raw count** indicates that the petition contains less than 100% of the signatures needed, the Secretary of State notifies the person who submitted the petition and the County Clerk/Registrar that no further action will be taken on the petition. If the **raw count** indicates that the petition contains more than 100% of the signatures needed, the Secretary of State notifies the County Clerk/Registrar. (NRS 293.1276(2); NRS 293.1277(1))

Time frame: Immediately after the Secretary of State receives the **raw count** from all counties in which the petition was circulated. (NRS 293.1277(1))

3. If the Secretary of State notifies the County Clerk/Registrar that the petition contains the number of signatures needed for it to be sufficient, the County Clerk/Registrar begins actually examining the signatures. The clerk will verify either 500 of the signatures or randomly sample 5% of the total signatures submitted (whichever is greater). The Secretary of State is notified of the result by the filing of a Certificate of Results of the signature verification. (NRS 293.1277(2 & 4))

Time frame: Signature verification must be completed within 9 days (excluding Saturdays, Sundays, holidays and the day the Secretary of State’s notification is received) after the County Clerk/Registrar receives notification from the Secretary of State to begin signature verification. (NRS 293.1277(1))

INDEPENDENT CANDIDATE GUIDE

DETERMINATION OF SUFFICIENCY

The Secretary of State determines whether or not the petition is sufficient based on the County Clerks/Registrars' certified results of the signature verification.

1. If the Secretary of State finds that the number of valid signatures is **less than 100%** of the number of registered voters required to declare the petition sufficient (or less than 90% if the verification was conducted pursuant to a random sampling):

Result: The petition **fails to qualify**, and the Secretary of State shall immediately notify the petitioners and the County Clerks/Registrars. No further action is taken. (NRS 293.1278(1))

2. If the Secretary of State finds that the number of valid signatures, not including those who requested their signature to be removed before verification, is **equal to or greater than 100%** of the number of registered voters required to declare the petition sufficient:

Result: The petition is **deemed qualified** as of the date the Secretary of State receives the final certificates of results. The Secretary of State immediately notifies the County Clerks/Registrars and the petitioners. The name of the independent candidate must be placed on the general election ballot and the independent candidate must file the appropriate filing fee and declaration with filing officer during the prescribed period. (NRS 293.1278(2); 293.200)

3. If the signature verification was conducted pursuant to a **random sampling** of the greater of 500 signatures or 5% of the total contained on the petition, and the Secretary of State finds the number of valid signatures, not including those who requested their signature to be removed before verification, is **90% or greater, but less than 100%**, of the required number of registered voters needed to declare the petition sufficient:

Result: The Secretary of State directs the County Clerks/Registrars to **reexamine the signatures** for verification. The County Clerks/Registrars will reexamine the signatures for verification until the **earlier of:** (a) Determining that the **number of valid signatures is 100%** of the number needed to declare the petition sufficient; or (b) Examining **all the signatures** on the petition. If the candidate petition is for a statewide or multi-county office and the number of valid signatures in a particular county falls below a certain threshold, the Secretary of State may require the Clerk/Registrar of that County to examine every signature.

The County Clerks/Registrars must complete this process **within 12 working days** after receiving the order of the Secretary of State.

After completing the reexamination of signatures for verification, the County Clerks/Registrars will forward an **amended certificate of results** to the Secretary of State. (NRS 293.1279; 293.1278(2))

INDEPENDENT CANDIDATE GUIDE

FILING AN APPEAL

If an independent candidate petition fails for lack of signatures, the person who submitted the petition may challenge the signature verification by filing an appeal with the Secretary of State. The appeal must:

- a. Be filed within 5 working days after receipt of the Secretary of State's notification of the determination of sufficiency;
- b. Include the reasons for the appeal; and
- c. Include a statement of the number of signatures, if any, that the County Clerk/Registrar determined were invalid.

If the appeal is based on the results of the signature verification, the Secretary of State shall:

- a. If the Secretary of State agrees with the person who filed the appeal, order the County Clerk/Registrar to re-certify the petition to include all contested signatures, which the Secretary of State determines are valid as verified signatures.
- b. If the Secretary of State does not agree with the person who filed the appeal, notify that person and the County Clerk/Registrar that the petition remains insufficient.

If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted, he may order the County Clerk/Registrar to re-verify the signatures. **The decision of the Secretary of State is a final decision for the purposes of judicial review.** The decision of the Secretary of State may be appealed, but only in the First Judicial District Court in Carson City, Nevada. (NRS 293.12793; 293.12795)

NRS 293.1277 Verification of signatures by county clerks.

1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, he shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in his county.

2. If more than 500 names have been signed on the documents submitted to him, a county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, he shall ensure that every application in the file is examined, including any application in his possession which may not yet be entered into his records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his determination.

4. Except as otherwise provided in subsection 6, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of his examination and transmit the documents with the certificate to the secretary of state. A copy of this certificate must be filed in the clerk's office.

5. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

6. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the secretary of state the documents containing the signatures of the registered voters.

7. The Secretary of State may by regulation establish further procedures for carrying out the provisions of this section. (Added to NRS by 1985, 1090; A 1987, 1361; 1993, 2665; 1995, 2257; 1997, 750; 1999, 2147)

NRS 293.1278 Qualification or disqualification of petition upon receipt of certificates by Secretary of State.

1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of state shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the petitioners have more than 100 percent of the number of registered voters needed to make the petition sufficient, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of certificates showing the petition to have reached 100 percent, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

(Added to NRS by 1985, 1091; A 1993, 2666)

NRS 293.1279 Qualification or disqualification of petition upon verification of signatures.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. If the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until he has removed each name as requested pursuant to NRS 295.055 or 306.015.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk shall determine from the records of registration what number of registered voters have signed the petition. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which he receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, he shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed. (Added to NRS by 1985, 1091; A 1985, 551; 1987, 1362; 1993, 2666; 1997, 751; 1999, 2148; 2001, 642; 2003, 2174)

The appeal must:

(a) Be filed within 5 working days after receipt of notification of the determination of the Secretary of State;

(b) Include each reason for the appeal; and

(c) Include a statement of the number of signatures, if any, that the county clerk determined were invalid.

(a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the Secretary of State determines are valid.

(b) If he does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the Secretary of State is unable to make a decision on the appeal based upon the documents submitted to him, the Secretary of State may order the county clerk to reverify the signatures.
