CLASSIFICATION

NRS 284.160 states, “Classification plan for classified service; changes in plan; procedure for making certain changes without approval of Commission.

1. The Director shall prepare, maintain and revise as necessary a classification plan for all positions in the classified service, based upon similarity of duties and responsibilities, so that the same qualifications may reasonably be required for, and the same schedule of pay may be equitably applied to, all positions in the same class.

2. The duty of the Director to classify extends to all offices, employments and positions held by persons who may become members of the classified service under the provisions of this chapter.

3. The Director may, after consultation with the head of a department or agency, make changes in the classification of positions whenever he deems it necessary for the efficiency of the public service.

4. The classification plan and changes therein are subject to approval by the Commission, except that the Director may make a change in the classification plan without the prior approval of the Commission if:

- (a) The Director deems it necessary for the efficiency of the public service;
- (b) The change is not proposed in conjunction with an occupational study; and
- (c) The Director, at least 20 working days before acting upon the proposed change:

(1) Provides written notice of the proposal to each member of the Commission, to all departments and to any head of an employees’ organization who requests notice of such proposals; and

(2) Posts a written notice of the proposal in each of the principal offices of the Department of Personnel.

↪ Any occupational study conducted by the Department in connection with the preparation, maintenance or revision of the classification plan must be approved by the Commission.

5. If no written objection to the proposed change to the classification plan is received by the Director before the date it is scheduled to be acted upon, the Director may effect the change. The Director shall report to the Commission any change in the classification plan made without its approval at the Commission’s next succeeding regular meeting.

6. If a written objection is received before the date the proposed change is scheduled to be acted upon, the Director shall place the matter on the agenda of the Commission for consideration at its next succeeding regular meeting.”

NRS 284.165 states in part, “Allocation of positions;...

1. As soon as practicable and after consultation with appointing authorities and principal supervisory officials, the Director shall allocate the position of every employee in the classified service to one of the positions in the position classification plan.”

NRS 284.170 states, “Establishment of titles and grades for each class of employment; description of duties; specification of minimum qualifications.

1. Titles and grades shall be established for each class of employment for use in examining and certifying the names of persons for appointment under this chapter; and a description of the duties and responsibilities exercised by the persons appointed to each of them shall be drawn up; and minimum qualifications shall be specified for satisfactory performance of the duties of each grade and class.

2. The titles and grades in the several classifications as defined by the specifications of

duties and qualifications shall be used for original appointments, promotions, payrolls and all other records affecting the status of personnel.”

NRS 284.171 states, “Index of broad occupational groups. For the purposes of NRS 353.205 and 353.224, the Director shall prepare and maintain an index which categorizes all positions in the classified service of the state into the following broad occupational groups:

1. Occupations in the fields of agriculture and conservation.
2. Clerical and related occupations.
3. Occupations relating to custodial and domestic services.
4. Occupations relating to library services.
5. Occupations in the field of education.
6. Engineering and allied occupations.
7. Occupations in fiscal management and related staff services.

10. Occupations in the fields of medicine and health and related services.
11. Occupations in regulatory fields and in public safety.
12. Occupations in social services and rehabilitation.
13. Other occupations.”

NRS 284.172 states, “List of positions in classified service primarily performing data processing; approval of new position or reclassification to position on list.

1. The Director shall prepare, maintain and revise as necessary a list of all positions in the classified service that consist primarily of performing data processing.
2. The request of an appointing authority that is required to use the equipment or services of the Department of Information Technology for a new position or the reclassification of an existing position to a position included on the list required by subsection 1 must be submitted to the Director of the Department of Information Technology for approval before submission to the Department of Personnel.”

NRS 353.224 states in part, “Approval of Legislature or Interim Finance Committee required for certain changes of positions.

1. A state agency other than the Nevada System of Higher Education and vocational licensing boards may not change a position for which money has been appropriated or authorized from one occupational group to another, as defined by the index developed pursuant to NRS 284.171, without the approval of the Legislature or of the Interim Finance Committee.”

NAC 284.126 Creation of new class, reclassification of position or reallocation of existing class. (NRS 284.065, 284.155)

1. For the purposes of this section:
 - (a) “Agency personnel officer” means the Director of Personnel within the Nevada System of Higher Education or any person holding a position in the classified service with the title of Personnel Officer.
 - (b) “Significant change” means a change in the duties and responsibilities assigned to a position in a class that:
 - (1) Is outside of the scope of the class as described by the class specification;
 - (2) Is not part of the scope of responsibility of the position; and

(3) Results in the preponderance of duties and responsibilities being allocated to a different class.

2. If an appointing authority or an employee proposes the creation of a new class, a reclassification of a position to a different class or the reallocation of an existing class based upon a gradual accumulation of duties and responsibilities which results in a significant change and is intended to be permanent, the Department of Personnel or agency personnel officer must be notified on the appropriate form. If the creation, reclassification or reallocation is approved, the Department of Personnel will allocate the position to one of the existing classes in the classification plan or to a new, revised or reallocated class as appropriate.

3. The effective date of the classification decision will be the date on which form NPD-19 is received by the Department of Personnel or agency personnel officer unless information that substantially affects the decision concerning the creation, reclassification or reallocation is received after this date. In that case, the effective date will be the date on which the appropriate information necessary to make the decision is received. However, the subsequent receipt of an application or examination score that confirms the qualifications of an incumbent will not have a bearing on the effective date. If the form was prepared but delayed due to an administrative or clerical error, the effective date must be determined by the appointing authority and must be based upon the date on which the form should reasonably have been submitted to the Department of Personnel or agency personnel officer. In no case, however, may a retroactive adjustment because of an administrative or clerical error exceed 6 months after the date of receipt.

4. If an agency makes or anticipates making a significant change in the duties for a position or the agency anticipates a reorganization which will require the reclassification of an existing position, the reallocation of an existing class or the creation of a new class, it shall advise the Budget Division of the Department of Administration or, in the case of the Nevada System of Higher Education, the budget division of the applicable institution. The proposed change may not be required of an employee nor be submitted to the Department of Personnel until funding for it is approved. If the change is approved by the Department of Personnel, the effective date will be determined by the Budget Division.

5. In effecting a reclassification pursuant to subsection 2 or 4, the appointing authority must review and take into consideration the organizational structure and the qualifications of the incumbent before assigning new duties to a position which are intended to be permanent. No position will be reclassified to a higher grade through the individual classification process if the incumbent does not meet the minimum qualifications for the higher level position. If an employee does not meet the minimum qualifications to reclassify his position, he is not eligible for promotion, but may be eligible for a special adjustment to his pay pursuant to NAC 284.206.

6. The establishment of a new class or reallocation of a class in an occupational study which results in a fiscal cost becomes effective when the funding is provided by the Legislature in the biennial operating budget for this State.

7. From the date on which the Department of Personnel formally announces the beginning of an occupational study until the date on which the occupational study becomes effective:

(a) An existing position in the occupational study that has a significant change may only be reclassified to an existing class.

(b) An existing class in the occupational study must not be reallocated to a different grade.

(c) A new position may be allocated to an existing class or a new class as determined by the Department of Personnel.

NAC 284.132 Temporary classifications. (NRS 284.065, 284.155, 284.175)

1. An appointing authority, an employee or the Department of Personnel may request a temporary classification which allows the classification of a position for a temporary period of 1 year or less. Each appointment which is designated as temporary must have specific criteria established which justify the grade of the position and the projected date of expiration of the period. A position which no longer meets this criteria will revert back to the class from which it was reclassified. This method of classification is subject to the following conditions:

(a) Temporary classifications must meet the allocation standards and the criteria established for the class before this method may be used. The classification must be approved by the Department of Personnel before the appointment.

(b) An employee who is appointed to a temporary class must sign the payroll document. This signature acknowledges that the employee understands the conditions of the reclassification and its projected date of expiration.

2. If the employee meets the minimum qualifications for the temporary classification, he:

(a) Retains his status of appointment; and

(b) Must complete the remaining portion of the probationary period currently being served, if any, based on the requirements of the new class.

↳ An incumbent who has reverted to his previous class is entitled to the step, pay progression date and status of appointment he would have attained if he had not been appointed to the temporary class.

3. The pay progression date of an employee who is promoted pursuant to this section will be determined in accordance with the provisions of NAC 284.182. The rate of pay for the employee will be determined in accordance with the provisions of NAC 284.170 governing an employee's pay on promotion.

4. In case of a layoff, the temporarily assigned employee's class of layoff is his former class. The time served in the temporary class is counted for seniority purposes if it was in the same occupational group, as provided in NRS 284.171.

NAC 284.134 Individual reclassification of position to higher level: Status of incumbent. (NRS 284.065, 284.155, 284.175)

1. An incumbent who meets the minimum qualifications for an individual reclassification as provided in NAC 284.126 may be reclassified to a higher level. If the incumbent's position is reclassified as a result of an individual classification study, the incumbent will continue to serve in the position and he:

(a) Must be promoted;

(b) Retains his status of appointment; and

(c) Must complete the remaining portion of the probationary period currently being served, if any, based on the requirements of the new class.

2. The pay progression date of an employee who is reclassified pursuant to this section will be determined in accordance with the provisions of NAC 284.182. The rate of pay will be determined in accordance with the provisions of NAC 284.170 governing an employee's pay on promotion.

NAC 284.138 Reclassification or reallocation of class or position to higher grade as result of occupational study: Status of incumbent. (NRS 284.065, 284.155, 284.175)

1. Except as otherwise provided in subsections 3 and 4, if a class or a position within a class is reclassified or reallocated to a higher grade as a result of an occupational study, the incumbent will continue to serve in the position and he:

(a) Must be promoted;

(b) Retains his status of appointment;

(c) Retains his pay progression date; and
(d) Must complete the remaining portion of the probationary period currently being served, if any, based on the requirements of the new class.

2. The rate of pay for employees who are promoted will be determined in accordance with the provisions of NAC 284.170 governing an employee's pay on promotion.

3. The provisions of subsection 1 do not apply to an incumbent who is filling a position in a class which is at a lower grade than the authorized level of the position unless the class held by the incumbent is reclassified or reallocated to a higher grade.

4. If a position is reclassified to a higher grade in a different occupational group, the employee must meet the minimum qualifications of the higher level position before he is promoted. If the employee does not meet the minimum qualifications, he must not be promoted, the position will be temporarily reclassified pursuant to NAC 284.132 and the employee may be eligible for a special adjustment to his pay as provided in NAC 284.206. If the employee does not meet the minimum qualifications within 1 year after the effective date of the reclassification, the duties must be reassigned and the position must be reclassified accordingly.

NAC 284.140 Reclassification of class or position to lower grade: Status of incumbent. (NRS 284.065, 284.155, 284.175)

1. If a class or position is reclassified to a lower grade, the incumbent's title and grade must be changed to the new class. He will retain his status of appointment and pay progression date. The rate of pay will be determined by the provisions of NAC 284.290 governing an employee's pay on retained rates or, if the employee does not meet these requirements, by the provisions of NAC 284.170 governing an employee's pay on demotion.

2. The employee is eligible for reappointment to the same or a similar class from which he was reclassified.

3. The employee is entitled to reemployment rights to his former class and option in his department for 1 year after the date of notification of the reclassification to the lower grade if the employee and the agency provide the necessary information regarding the employee's seniority on the prescribed form.

4. If the employee is receiving a retained rate of pay and he declines the first opening which is offered to him for his previous class in his department and location, he forfeits his reemployment rights to the former class and must be immediately reclassified to the lower grade and the provisions of this chapter governing the pay of an employee on demotion apply.

NAC 284.150 Class specifications. (NRS 284.065, 284.155, 284.384)

1. Class specifications will define a class based on a sound, systematic occupational analysis and evaluation of the position and will contain elements sufficient to distinguish the various classes from one another. The use of a particular expression or illustration as to duties must not be interpreted to exclude others not mentioned but that are of similar kind and relevant to the class.

2. Any option within a class which is included in the class specification will be considered a separate class.

3. In determining the class to which any position will be allocated, the specification will be considered as a whole and in relation to others in the classification plan. The duties, responsibilities, qualifications, knowledge, and abilities required for a class will be considered in relation to those for other classes in determining the kinds of positions which a class may include.

4. The qualifications which are required for a particular class are the standards for the evaluation of applications for positions in that class. The Department of Personnel may, after

consulting with appointing authorities, interpret these qualifications so that qualifications which are equivalent to those which are specified for the class may be accepted. The interpretation of qualifications which are considered equivalent must not circumvent the principles of selection on the basis of merit.

5. Qualifications which are required to perform the essential functions of a position, such as possession of a valid driver's license, may be required by the appointing authority if:

- (a) So indicated for the position at the time of public notice or appointment; or
- (b) Written notice of the required qualifications is given to the employee.

↳ Any disagreement concerning the validity of the required qualifications may be submitted for adjustment pursuant to the procedure for the adjustment of grievances set forth in NAC 284.658 to 284.697, inclusive.

[Personnel Div., Rule II § H, eff. 8-11-73]—(NAC A by Dep't of Personnel, 10-26-84; 8-1-91; 7-6-92; 7-1-94)

NRS 284.165 states in part, "Allocation of positions;...

2. Any employee affected by the allocation of a position to a grade or class or by a change in classification, after filing with the Director a written request for reconsideration thereof, must be given a reasonable opportunity to be heard thereon by the Director.

3. Any employee who is aggrieved by the Director's decision concerning an allocation or change in classification is entitled to have the decision reviewed by the Commission if the employee submits a written request to the Commission for such a review not later than 30 days after the Director's decision."

NAC 284.152 Appeal of allocation of position or change in classification. (NRS 284.065, 284.155, 284.384)

1. An employee affected by the allocation of a position to a grade or class or by a change in classification as a result of a study regarding classifications, or the agency where such actions have occurred, may, within 20 working days after the date of receipt of written notice of the action, file a written appeal of the action with the Director. The appeal must:

- (a) Address the points outlined in the Department of Personnel's recommendation regarding the proper classification for the position in question; and
- (b) Indicate the points with which the appellant disagrees and express the reasons why he disagrees.

2. The Director will issue a decision on the appeal within 20 working days after he receives the appeal unless:

- (a) He is prohibited from doing so because of the number of appeals resulting from a study regarding classifications;
- (b) There is an agreement with the appellant to extend the limitation of time for the issuance of the decision; or
- (c) The Director delegates the duty to decide the appeal to a designated representative pursuant to subsection 3.

3. The Director may delegate the duty to decide the appeal to a designated representative if the Director is unavailable or reasonably believes he has a conflict of interest. If the Director makes such a delegation, the designated representative shall issue a decision on the appeal within 20 working days after the Director received the appeal.

4. The appellant or the agency affected by the decision may appeal it to the Commission within 30 days after receipt of written notice of the decision from the Director.

1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.”

(a) If the employment is an initial appointment, the employee's base rate of pay must be set at step 1 of the grade of the position's class.

(b) If the employment is a reinstatement to a position which is:

(1) At the same grade as that of the employee's former position, he must be paid at or below the step which he held in his former position.

(2) At a lower grade than the employee's former position, he must be paid at or below the step in the lower grade which most closely corresponds to the base rate of pay of his former position.

(3) A result of the reallocation of the entire class because of a reclassification or a general pay increase, he must be paid at or below the step in the new grade which most closely corresponds to the base rate of pay of his former grade.

2. The following provisions govern the rate of pay which must be paid if an employee is promoted:

(a) The employee must be placed at the lowest step in the higher grade that meets one of the following requirements:

(1) If the employee moves one or two grades above his former grade, he must be placed at the same step in the new grade as the step he held in his former grade.

(2) If the employee moves three or more grades above his former grade, the employee must be placed:

(I) At a step which is equivalent to an increase of two steps above the step he held in his former grade; or

(II) At the lowest step of the new grade,

↪ whichever pay is higher and in accordance with the provisions of subsection 8.

(b) A special adjustment to an employee's pay for performing supervisory duties which is granted in accordance with paragraph (c) of subsection 2 of NAC 284.206 is the present level of pay for the purpose of calculating a promotional increase authorized by paragraph (a) only if the employee has received the special adjustment to his pay for more than 6 months of continuous full-time service.

(c) If an employee has been demoted, he may not receive a promotional increase in pay that is greater than the increase which he would have otherwise been entitled to receive had he not been demoted.

(d) This subsection does not apply when an employee is reemployed or reappointed to his former grade within 1 year after holding that grade.

3. Except as otherwise provided in this subsection and paragraph (b) of subsection 1 of NAC 284.618, an employee who is demoted must be paid at a step within the grade of the class to which he was demoted as follows:

(a) If the employee has attained permanent status in the class from which he was demoted and the demotion is instituted at the employee's request or is acceptable to the employee, the appointing authority shall pay him at a step in the grade of the class to which he was demoted which is:

(1) Equal to his present base rate of pay; or

(2) Equivalent to a decrease of not more than one step from his base rate of pay in the position from which he was demoted. Except as otherwise provided in paragraph (b), if the base rate of pay in the position from which he was demoted does not fall within the grade of the class to which he was demoted, the employee must be paid at a step in the grade of the class to which he was demoted which is equal to:

(I) The step he would have received if he had not been promoted to the position from which he was demoted; or

(II) The step he would have received if he had been employed in that class from the inception of his employment with the State of Nevada.

(b) An exception to subparagraph (2) of paragraph (a) may be granted by the appointing authority to pay an employee at a rate that does not fall within the grade of the class to which he is demoted if the appointing authority determines that the demotion is in the best interest of the employee and the State of Nevada. If such an exception is granted:

(1) The employee's base rate of pay will be limited to three grade levels above the grade of the class to which he is demoted or his base rate of pay in the position from which he was demoted, whichever is less.

(2) The employee's base rate of pay in the position to which he was demoted will be frozen until it falls within the grade of the class to which he was demoted or for a maximum of 2 years after the date he was demoted, making the employee ineligible for any merit pay increases, cost of living adjustments or adjustments for a class of employees that has been approved by the Legislature.

(3) If the employee's frozen base rate of pay does not fall within the grade of the class to which he was demoted within the 2-year period, his base rate of pay will be adjusted to the highest step within the grade of the class to which he was demoted.

(c) If an employee accepts a promotion and is demoted before attaining permanent status in the class, he must be paid at a step in the grade of the class to which he was demoted which is equivalent to the base rate of pay to which he would have been entitled had he not been promoted.

(d) If the demotion is instituted by the appointing authority for disciplinary reasons and is not covered by paragraph (b), the appointing authority shall determine the step in the grade of the class to which the employee was demoted at which the employee will be paid.

(e) If an employee is demoted during his probationary period in state service, the appointing authority may pay the demoted employee at any step in the grade of the class to which the employee was demoted that is not greater than his base rate of pay before the demotion.

4. Except as otherwise provided in NAC 284.204, if an employee transfers to a position in the same or a related class, he must be placed at the corresponding step in the same grade that he held before the transfer. Any exception to this subsection must be:

(a) Based on the provisions of NAC 284.204; or

(b) Approved by the Department of Personnel based upon a written request and justification for the exception submitted by the appointing authority.

5. If an employee is reappointed to a position which is in:

(a) The grade which he currently holds, he retains his step.

(b) A higher grade and the appointment occurs within 1 year after the date on which he last held the grade, he must be placed at the step which he last held in that grade.

(c) A higher grade and the reappointment occurs more than 1 year after he held that grade, his pay must be calculated pursuant to the provisions relating to promotion in subsection 2.

↳ Any exception to this subsection must be approved by the Department of Personnel based upon a written request and justification for the exception submitted by the appointing authority.

6. Except as otherwise provided in subsection 7, if a person is reemployed at:

(a) The same grade, he must be placed at the step which he last held in that grade.

(b) A lower grade, he must be placed at a step which most closely corresponds to the base rate of pay which he held at the time of his layoff or separation.

(c) A higher grade and the appointment occurs within 1 year after the date on which he last held the grade, he must be placed at the step which he last held in that grade.

↳ An exception to this subsection may be made if the conditions in NAC 284.204 exist, or if money is not available as certified by the Chief of the Budget Division of the Department of Administration or, in the case of an agency that is not funded from the State General Fund or the Nevada System of Higher Education, as certified by the administrator of that agency or the System. If an exception is made pursuant to this subsection because the agency does not have sufficient money available, the employee retains his right of reemployment.

7. If a person who is eligible for military reemployment is reemployed, the period of his military service must be included in calculating the step at which he will be placed.

8. An employee who has been continuously employed without a break in service may not have his step set below:

(a) Step 4 of any grade if his date of hire is before April 26, 1973; or

(b) Step 3 of any grade if his date of hire is before May 3, 1975, but on or after April 26, 1973, except for disciplinary reasons which result in demotion.

9. Except as otherwise provided in this subsection, if a nonclassified or unclassified employee or an employee included in the Personnel System pursuant to the provisions of NRS 284.022 is appointed without a break in service to the classified service, he may, at the discretion of the appointing authority:

(a) Be paid at a step which corresponds to or is below his rate of pay as a nonclassified or unclassified employee if it is within the grade of the class to which he is appointed;

(b) Be paid at the first step in the new grade to which he is appointed; or

(c) Receive a special adjustment to his pay pursuant to subsection 1 of NAC 284.204 or NAC 284.206.

↳ An exception to this subsection may be made if a nonclassified or unclassified employee who was an employee of the Legislative Branch of State Government employed at the conclusion of a regular session of the Legislature pursuant to NRS 284.3775 transfers to state service.

10. An employee who was previously employed in the classified service and is appointed pursuant to the provisions of subsection 9 may not be paid at a step and grade which is greater than he received at the time he left the classified service, unless he has held the unclassified or nonclassified position for more than 1 year.

11. As used in this section, "present level of pay" means a rate of pay that is equal to the amount that is assigned to the step within the grade which is closest to, but does not exceed, the employee's pay after a special adjustment to pay pursuant to the provisions of NAC 284.206.

1. An employee receives a new pay progression date if he is:

(a) Promoted to a position that results in an increase of two grades or more; or

(b) Reinstated.

2. An employee who is:

(a) Promoted to a position that results in an increase of one grade;

(b) In a position that is reclassified to a higher class as a result of an individual classification study or an occupational study;

(c) Transferred to a position without receiving an increase in grade;

(d) Reappointed to a position at a grade that he formerly held;

(e) Reemployed and has remained continuously employed; or

(f) Demoted,

↳ retains the pay progression date he held before the action described in paragraphs (a) to (f), inclusive, occurred.

3. If a person who is eligible for military reemployment is reemployed, he retains the pay progression date held when he separated from this State for his service in the military.

4. If an employee was promoted but is being restored to his former position pursuant to the provisions of NAC 284.462, the date of appointment and pay progression date of the former position must be restored.

5. Except as otherwise provided in this subsection and subsection 6, an employee's pay progression date must be adjusted:

(a) To equal 1 year of full-time equivalent service for an employee who changes from full-time employment to part-time employment or from part-time employment to full-time employment; or

(b) On a day-for-day basis for the amount of time the employee:

(1) Was separated from state service if the employee is reemployed within 1 year after the date on which he was laid off or received a seasonal separation.

(2) Was separated from state service if the employee is a person with a permanent disability arising from a work-related injury or occupational disease who is reemployed within 1 year after the date on which he sustained the permanent disability as determined pursuant to NAC 284.6013.

(3) Was on leave without pay, or on catastrophic leave, if the employee is:

(I) A nonexempt employee and the leave without pay or catastrophic leave was in excess of 240 hours; or

(II) An exempt classified employee and the leave without pay or catastrophic leave was in excess of 30 working days,

↳ in a year, except for leave without pay for a work-related injury or illness pursuant to NRS 281.390 or on a military leave of absence pursuant to NRS 284.359 or a leave of absence without pay during a fiscal emergency pursuant to NAC 284.580. An employee whose base hours are more than 80 hours biweekly must be allotted additional leave without pay and catastrophic leave in proportion to the base hours for his pay class designation. As used in this subparagraph, "year" means a period equal to 12 months of full-time equivalent service measured backward from the employee's pay progression date.

6. If the number of total hours of leave without pay or catastrophic leave of a nonexempt employee that exceed 240 hours is less than one day of full-time equivalent service for the pay class designation of the employee, an adjustment will not be made for those hours.

7. If an employee is on leave without pay, or on catastrophic leave, on his pay progression date, any adjustment to his pay progression date will be made after he returns to work.

1. An employee whose last rating of performance was standard or better and who has not attained the top step of his grade must receive a merit pay increase of one step on his pay progression date. Unless the employee receives a subsequent rating of performance that is substandard, an employee will receive a merit pay increase of one step for each additional year of employment equivalent to full-time service until he reaches the top step of the grade.

2. An employee whose last rating of performance was substandard is not eligible for a merit pay increase until his overall performance improves to standard or better. If a subsequent report on performance is not filed with the Director within the 90-day period required by subsection 4 of NRS 284.340, the employee's performance will be deemed standard and he will be entitled to the merit pay increase effective on the date on which the subsequent report on performance was due. The date on which a report on performance is received by the Director or an employee of the Department of Personnel is the date on which the report is filed.

3. If a merit pay increase is withheld as provided in subsection 2 because a rating of performance was substandard, the employee's pay progression date must not be affected.

NAC 284.204 Adjustment of steps within same grade. (NRS 284.065, 284.155, 284.175)

1. The Department of Personnel may approve an adjustment of steps within the same grade to:

(a) Allow an appointing authority the flexibility to adjust the rate of pay for a position that will be filled by a person from a pool of eligible persons who are applying for the position on an open competitive basis in order to:

(1) Meet a difficult recruiting problem in which an effort to recruit a person for a position or class has failed to produce at least five eligible persons who are available to work, or the recruitment for the position or class has been deemed historically difficult. Such an adjustment of steps may be approved by the Department of Personnel for a class for a period of 1 year.

(2) Employ a person whose education or experience is superior to those of another eligible person and who exceeds the minimum qualifications of the class. Any experience or education which is considered by the appointing authority pursuant to this subparagraph must be given a greater weight for those areas which are directly related to the position than general education and experience.

(b) Maintain an equitable relationship in the status of steps among the employees of the appointing authority if a disparity exists. An adjustment will not be granted pursuant to this section if the disparity in steps is:

(1) Among employees of different agencies; or

(2) A result of:

(I) The length of service of employees;

(II) An adjustment in pay which was attained in a former class; or

(III) An adjustment in pay for an employee who resides in a particular geographical area.

(c) Maintain an appropriate differential, as determined by the appointing authority, between the base rate of pay of a supervisor and the base rate of pay of an employee who is in the direct line of authority of the supervisor. An adjustment may be granted pursuant to this paragraph if, before the adjustment, the base rate of pay of the employee is the same or greater than the base rate of pay of the supervisor.

2. Before granting an adjustment of steps pursuant to this section, the appointing authority must submit a request on a form prescribed by the Department of Personnel to the Department of Personnel which:

(a) Specifies the qualifying conditions and justification for the request; and

(b) Certifies that the appointing authority has, where applicable:

(1) Considered the requirements for the pay required to meet the need described in subparagraph (1) of paragraph (a) of subsection 1;

(2) Considered the qualifications of any other eligible person who is available for work for the purposes of subparagraph (2) of paragraph (a) of subsection 1;

(3) Ensured that the adjustment is feasible on the basis of its fiscal effects;

(4) Ensured that the adjustment will not cause inequity between current employees which would require adjustments in the steps of those employees which are not feasible on the basis of the fiscal effects of such adjustments; and

(5) Prepared and maintained an accurate record of the consideration of the factors listed in this section.

3. If an adjustment of steps pursuant to this section is approved by the Department of Personnel, the effective date of such an adjustment is the date on which a request that complies with subsection 2 is received by the Department of Personnel or the personnel office of the agency at which the employee who is receiving the adjustment is employed. If a request for an adjustment of steps is delayed because an administrative or clerical error prevented the delivery of the request, the effective date must be determined by the appointing authority and must be based on the date on which the request should reasonably have been submitted. A retroactive adjustment must not exceed 6 months from the date on which the Department of Personnel receives the request.

4. An adjustment of steps which is made pursuant to subparagraph (1) of paragraph (a) of subsection 1 may be revoked when:

(a) The recruiting problem which caused the adjustment was due to the geographical location of the position; and

(b) The employee transfers to an area where a recruiting problem does not exist.

↳ The employee must be placed at the step he would have received if he had not received the adjustment.

NAC 284.206 Special adjustments to pay. (NRS 284.065, 284.155, 284.175)

1. The Department of Personnel may approve a special adjustment to the pay of an employee pursuant to this section. A request for a special adjustment to pay may be initiated by an employee, the appointing authority or the Department of Personnel. A special adjustment to pay does not constitute a promotion.

2. An employee may receive a special adjustment to pay equivalent to 5 percent of the employee's base rate of pay during any period in which:

(a) The employee works out of his class on a continuing basis and performs essentially all the duties and responsibilities of a position classified at a higher grade. To receive the increase, the employee must be assigned duties and responsibilities of the higher grade which are clearly demonstrated in the class specification and carry out the duties and responsibilities for at least 16 consecutive workdays before the increase becomes effective. The adjustment to pay pursuant to this paragraph is effective retroactively, commencing on the date on which the employee

assumed the additional duties and responsibilities. The adjustment to pay must not continue for more than 6 months in any 12-month period unless:

(1) The employee is underfilling a position pursuant to NAC 284.437 and recruitment has failed to produce a sufficient number of applicants on the appropriate list.

(2) The duties and responsibilities that the employee has been carrying out have been assumed from one or more positions that have not been authorized to be filled because of a hiring freeze or fiscal emergency. A hiring freeze or fiscal emergency must be certified by the Chief of the Budget Division of the Department of Administration or, in the case of an agency that does not receive money from the State General Fund or the Nevada System of Higher Education, certified by the administrator of that agency or the System.

(3) The appointing authority submits a written request to the Director of the Department of Personnel accompanied by documentation justifying an extension of the 6-month period and certifies that money is available to pay for the continuation of the special adjustment to pay. The Director may authorize the continuation of the special adjustment to pay after receiving the request and documentation and determining that the extension of the 6-month period is a business necessity and in the best interest of the State.

(b) The employee is required to use bilingual skills or sign language for the deaf at least 10 percent of his work time.

(c) The employee is supervising other employees of the same or a higher grade if the supervision:

(1) Is not part of the supervision or management responsibilities for a program that is provided for in the class specification; and

(2) Includes, without limitation, selection, work assignment, training, work review, performance evaluation and discipline of employees.

(d) The employee is required regularly to perform custodial work and clean up human bodily waste in a medical, clinical or inpatient facility.

(e) Except as otherwise provided in this paragraph, the employee is conducting a formal training program for employees. The training program must:

(1) Be conducted weekly;

(2) Consist of training on the job and in the classroom or training only in the classroom;

(3) Include a test to determine the employees' progress in the program; and

(4) Result in the award of a certificate of completion or advancement in a class series to the journey level.

↪ If an adjustment to pay is granted pursuant to this paragraph, the adjustment begins when the employee starts conducting the training program and ends when the training program is completed. An adjustment will not be granted if the duty to conduct training is clearly set forth in the class specification. Informal orientation given to new employees will not be considered for this special adjustment.

(f) The employee, if employed as a law enforcement officer, is assigned to motorcycle duty.

(g) The employee, if employed by the Department of Corrections, is responsible for the supervision of a group of inmates assigned to a work area of an institution and who is responsible for implementing security procedures, including, without limitation:

(1) Securing the work area from inmates who are not authorized to enter the work area;

(2) Accounting for all inmates who have been assigned to the work area; and

(3) Accounting for all materials, tools and equipment in the work area.

↪ The adjustment to pay pursuant to this paragraph will be granted only if such duties are not provided for in the class specification.

(h) The employee is authorized by the Legislature to receive such an adjustment to his pay.

3. An employee may receive a special adjustment to pay if he occupies a position in which the duties have been recognized through the classification process as being at a higher level, but who does not meet the minimum qualifications for the class. The special adjustment to the employee's pay must be equivalent to 2.5 percent of the employee's base rate of pay if the employee performs duties classified one grade higher than his current position, or 5 percent of the employee's base rate of pay if the employee performs duties classified two or more grades

higher than his current position. A special adjustment to an employee's pay made pursuant to this subsection may continue in effect from the date on which the position questionnaire is received:

- (a) Until the employee meets the minimum qualifications and is promoted;
- (b) For 1 year after the effective date of the special adjustment to pay; or
- (c) Until the date the higher level duties are removed,

↳ whichever occurs first.

4. Except as otherwise provided in paragraph (a) of subsection 2, any special adjustment to pay made pursuant to subsection 2 must be revoked when the conditions justifying it cease to exist.

5. Except as otherwise provided in this section, the effective date of a special adjustment to pay is the date on which the written request is received by the Department of Personnel or the personnel office of the agency at which the employee who is receiving the special adjustment to pay is employed. If the request for the special adjustment to pay is delayed because an administrative or clerical error prevented its delivery, the effective date of the special adjustment to pay must be determined by the appointing authority and must be based on the date on which the request should reasonably have been submitted. A retroactive adjustment to pay must not exceed 6 months from the date on which the Department of Personnel receives the written request.

"Sec. 2 Notwithstanding the amendatory provisions of section 1 of this regulation [NAC 284.206], an employee who is employed by the Division of Mental Health and Developmental Services of the Department of Health and Human Services or by the Division of Child and Family Services of the Department of Health and Human Services to work in a psychiatric hospital, a forensic unit for mentally disordered offenders or a residential mental retardation facility will continue to receive his base rate of pay plus an amount equal to the adjustment to pay until future adjustments to pay, not including pay increases based on merit, offset the initial adjustment to pay that was in effect as of June 30, 2002, if:

1. The employee's work duties include direct contact and interaction with clients for at least half of his scheduled work shift; and

2. The employee received an adjustment to pay for performing certain work in an assaultive environment as determined by the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services or the Division of Child and Family Services of the Department of Health and Human Services, for at least half of his working time during the 3 months immediately before June 30, 2002."

(a) Twenty-four hours in one scheduled shift; or

(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firemen. In addition to the regular amount paid such a fireman for the deemed average of 56 hours per week, he is entitled to payment for the hours which comprise the difference between the 56-hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

NAC 284.255 Holidays: Holiday pay. (NRS 284.065, 284.155, 284.175, 284.180, 284.345)

1. For the purpose of this section, "holiday pay" means payment for a holiday at a nonexempt employee's normal rate of pay plus the differential rate of pay for the shift, when applicable, or compensatory time at a straight-time rate.

2. Except as otherwise provided in paragraph (c) of subsection 3 and subsections 5 and 7, a full-time nonexempt employee whose base hours are 40 hours per week or 80 hours biweekly is entitled to receive 8 hours of holiday pay for any holiday that he is in paid status during any portion of his shift immediately preceding the holiday.

3. Except as otherwise provided in subsections 5 and 7:

(a) A full-time nonexempt employee whose base hours exceed 40 hours per week or 80 hours biweekly and who is in paid status during any portion of his shift immediately preceding a holiday is entitled to receive holiday pay equal to the pay he receives for his average workday. For the purposes of this paragraph:

(1) The average workday of a nonexempt employee is determined by dividing the total base hours of work per year by 2,088 and multiplying the quotient by 8.

(2) A firefighter assigned to a 24-hour shift shall be deemed to work 56 hours per week and 2,912 hours per year.

(b) A part-time nonexempt employee is entitled to receive holiday pay when he is in paid status during any portion of his shift immediately preceding the holiday if a holiday occurs on a normally scheduled workday of the employee. Except as otherwise provided in this paragraph, if such an employee is not required to work his normally scheduled workday on the holiday, the amount of holiday pay must equal the amount that he would have been paid if there had not been a holiday, but may not exceed the equivalent of his pay for 8 hours of work.

(c) A:

(1) Full-time nonexempt employee with an innovative workweek agreement may earn additional holiday pay on an hour-for-hour basis for any hours he works in excess of the holiday pay provided in paragraph (a) and in subsection 2, not to exceed the number of hours in his established workday as set forth in his innovative workweek agreement.

(2) Part-time nonexempt employee may earn holiday pay on an hour-for-hour basis for any hours he works on a holiday, not to exceed the number of hours in his established workday.

4. If a holiday occurs on the regularly scheduled workday of a nonexempt employee and his normal schedule of work is more than 8 hours, he must be in paid status or be placed on leave

without pay for any difference between his holiday pay and his normal work schedule. An appointing authority may adjust the work schedule of such an employee for the week during which the holiday occurs in lieu of placing the employee on paid leave or leave without pay.

5. A nonexempt employee who is scheduled to work on a holiday shall report any absence from duty and the reason therefor to his supervisor or designated representative as prescribed in writing by the agency. An employee who does not work on that holiday and who fails to report his absence to his supervisor or a designated representative pursuant to this subsection is not eligible to receive holiday pay.

6. A nonexempt employee whose employment begins on a holiday is eligible to receive holiday pay pursuant to subsections 2 and 3 if he is in paid status during his scheduled shift.

7. A nonexempt employee whose employment is terminated:

(a) The day immediately preceding a holiday is not entitled to receive holiday pay for that holiday.

(b) Except as otherwise provided in paragraph (c) of subsection 3, on a holiday on which he is working must be paid holiday pay for the actual hours he works on the holiday. If a nonexempt employee gives notice that he is terminating his employment on a holiday and he is not scheduled to work on the holiday, the last day on which he works or is in paid status is his date of termination.

8. The agency that lists a nonexempt employee as an “employee of record” on a holiday is responsible for the payment of holiday pay for that holiday to that employee. For the purposes of this subsection, an “employee of record” is a person employed by the state agency that is required to claim the person as an employee of the agency.

9. The salary of an exempt classified or exempt unclassified employee is not affected by a holiday.

1. As used in this section, “holiday premium pay” means pay or compensatory time at the rate of time and one-half of an employee’s normal rate of pay for hours designated as worked on a holiday, except those hours that are considered overtime pursuant to NRS 284.180.

2. A nonexempt employee who works on a holiday is entitled to receive holiday premium pay, overtime pay or compensatory time for the hours he works on the holiday, in addition to any holiday pay that he is entitled to be paid pursuant to NAC 284.255. A nonexempt employee who elects to receive compensatory time for the hours he works on a holiday must not exceed the limits on the accrual of compensatory time set forth in NAC 284.250.

1. For compensation for holiday pay pursuant to NAC 284.255 and payment for actual hours worked on a holiday pursuant to NAC 284.256, the appointing authority shall designate whether such compensation will be based on the:

- (a) Calendar day; or
- (b) Entire shift of the employee.

2. If a work shift designated pursuant to paragraph (b) of subsection 1 occurs on 2 consecutive calendar days:

(a) The employee may receive compensation related to the holiday for his entire shift only if 50 percent or more of his shift occurs on the holiday;

(b) The appointing authority shall ensure that the compensable hours related to the holiday are so designated on the time sheet of the employee; and

(c) The appointing authority of an employee who has two or more scheduled shifts on a holiday shall designate only one shift on the holiday for which the employee may receive compensation related to the holiday.

3. If a holiday occurs on the day off of a full-time nonexempt employee, the appointing authority may adjust the work schedule of the employee for the week during which the holiday occurs. If a holiday occurs on the day off of an exempt classified employee or exempt unclassified employee, the appointing authority may adjust the work schedule of the employee for the week during which the holiday occurs or for a subsequent week.

NAC 284.258 Compensation for time spent traveling. (NRS 284.065, 284.155, 284.175)

1. An employee who is otherwise entitled to pay for overtime may earn overtime for traveling if:

- (a) His actual work time and his travel time exceed his normal workday of at least 8 hours; or
- (b) The travel occurs on his regularly scheduled day off.

2. Such an employee begins traveling when he leaves his workstation, or home if so authorized, and continues until he reaches his geographical location for his work assignment.

3. In determining the amount of travel time granted, the overtime claimed for additional reimbursement must be justified against the “normal” travel time as determined by the previous travel experience of the agency. If the additional travel time was caused by the employee’s choice of transportation, overtime compensation will not be paid for the portion of the travel time that exceeds the “normal” travel time. Unless the appointing authority determines that the additional travel time is justified, and employee who has travel layovers or delays in his transportation is limited to 4 hours of overtime, if applicable, plus per diem expenses. An employee may not be compensated for the time spent traveling during the normal time he spends commuting to and from work.

4. An employee who must travel and stay over to continue work on his next regularly scheduled workday is not considered to be working on his regularly scheduled day off and is not eligible for overtime pay. Such an employee is allowed to claim the standard per diem expenses.

5. Any travel by an employee on a holiday will be compensated pursuant to the provisions of NAC 284.255, 284.256 and 284.257.

$$\frac{\text{The number of hours worked during the 6-month qualifying period}}{\text{Total full-time equivalent hours for the pay class designation during the 6-month qualifying period}} \times \text{longevity increment} = \text{longevity payment for the 6-month period}$$

2. Longevity pay for exempt classified employees and exempt unclassified employees must be calculated based on the following formula:

$$\frac{\text{The number of 8-hour days worked during the 6-month qualifying period}}{\text{Total full-time equivalent 8-hour days for the pay class designation during the 6-month qualifying period}} \times \text{longevity increment} = \text{longevity payment for the 6-month period}$$

3. As used in this section, “hours worked” includes only the base hours for the pay class designation.

1. Except as otherwise provided in NAC 284.580 for a leave of absence without pay during a fiscal emergency, an employee who is on leave without pay or catastrophic leave, or any combination of both, for the entire 6-month period of qualification is not entitled to longevity pay for that period.

2. The payment for longevity pay for a full-time employee will not be prorated pursuant to NAC 284.278 if:

(a) He is an exempt classified employee or exempt unclassified employee and he uses an amount of leave without pay or catastrophic leave, or any combination of both, that equals 30 days or less in a calendar year; or

(b) He is a nonexempt employee, the base hours established for his pay class designation are 40 hours per week or 80 hours biweekly and he uses 240 hours or less of leave without pay or catastrophic leave, or any combination of both, in a calendar year.

3. If the base hours established for a pay class designation exceed 40 hours per week or 80 hours biweekly, an employee in that pay class designation must be allotted leave without pay and catastrophic leave in proportion to his base hours and full-time equivalency. The longevity pay of such an employee will not be prorated unless his use of leave without pay and catastrophic leave proportionally exceeds the limits set forth in subsections 2 and 4.

4. A part-time employee must be allotted leave without pay and catastrophic leave in proportion to his base hours and the full-time equivalency for his pay class designation. The longevity pay of such an employee will not be prorated unless his use of leave without pay and catastrophic leave proportionally exceeds the limit set for a full-time employee in his pay class designation pursuant to subsection 2.

5. An employee who retires pursuant to the provisions of chapter 286 of NRS or who dies during the 6-month qualifying period is eligible for longevity pay according to the applicable formula in NAC 284.278.

6. An employee who is laid off and is rehired within 1 year after the date of layoff is eligible for the longevity pay he would have earned if he had not been laid off. The longevity pay must be calculated as if the employee had been on leave without pay pursuant to subsection 2.

7. A person with a permanent disability arising from a work-related injury or occupational disease who is reemployed following a separation from state service within 1 year after the date on which he sustained the permanent disability as determined pursuant to NAC 284.6013 is eligible for the longevity pay he would have earned if he had not been separated from state service. The longevity pay of such an employee must be calculated as if the employee had been on leave without pay pursuant to subsection 2.

8. An employee is eligible to earn service credit for the calculation of longevity pay when he is receiving benefits for a temporary total disability pursuant to chapters 616A to 616D, inclusive, or chapter 617 of NRS and he uses accrued sick leave, accrued annual leave or accrued compensatory time to meet the difference between his normal pay and the benefits he receives. Such an employee ceases to earn service credit for the calculation of longevity pay when he is placed on a leave of absence without pay or catastrophic leave.

9. Service in a seasonal position must be credited toward the calculation of longevity pay if the employee is employed on December 31 and June 30 and if the requirements for eligibility for longevity pay have been met. If an employee in a seasonal position is not on the payroll on those two dates and he is reemployed within 12 months, the employee is entitled to receive prorated longevity pay for his service during the previous longevity period.

10. If a person is on leave of absence without pay for military service pursuant to NRS 284.359 or is reemployed within 90 days after the military service, the time during which he was not in paid status because of his military service will be counted as service credit for the calculation of longevity pay. The person is eligible for longevity pay for the time he is in paid status in accordance with the provisions of subsection 2.

11. If a nonclassified employee or an employee covered by NRS 284.022 is appointed without a break in service to the classified or unclassified service, the previous time served is counted for the purpose of calculating longevity pay, but the employee is not eligible for any retroactive longevity pay.

(a) The employee has been in the same class for the equivalent of 6 months or more of full-time employment immediately preceding the downward reclassification; and

(b) The reclassification is the result of a reorganization or other legitimate reason over which the employee has no control.

2. If an employee is entitled to a retained rate of pay pursuant to this section, the employee's base rate of pay remains unaffected for 2 years after the effective date of the downward reclassification. At the end of the 2-year period, the employee's base rate of pay will be frozen until it falls within the range of the grade to which he was reclassified or for a maximum of 2 years, making the employee ineligible for any merit pay increases, cost of living adjustments or adjustments for a class of employees that have been approved by the Legislature. If the employee's frozen base rate of pay does not fall within the range of the grade to which he was reclassified within the 2-year period, his base rate of pay will be adjusted to the highest step within the lower grade to which he was reclassified.

3. If the employee voluntarily accepts another position within the time period prescribed in subsection 2, he may no longer retain his base rate of pay.

4. The employee is entitled to reemployment rights to his former class and option in his department for 1 year after the date of notification of the reclassification as provided in NAC 284.140.

- (b) Applicants for promotion from within the department where the vacancy exists.
- (c) Applicants for promotion from throughout state service.

↪ If a recruitment includes more than one promotional group, any group with a higher priority must be included and receive preference.

3. Recruitment may be open competitive, or limited to or combined with any one or more of the promotional groups listed in subsection 2 if:

(a) The appointing authority certifies in writing to the Department of Personnel that, in accordance with the provisions of NAC 284.297, it is in the best interest of the agency to expand the recruitment to allow other groups to compete equally; or

(b) The class is designated in the classification plan as:

- (1) Entry level because it is not a normal progression from another class; or
- (2) A class for which applicants for promotion are not normally available.

6. Only an eligible person who has indicated his willingness to accept the location of the vacancy and the other conditions of employment will be certified.

(Added to NAC by Dep't of Personnel, eff. 10-26-84; A by Personnel Comm'n by R183-03, 1-27-2004; R024-05, 10-31-2005)

NAC 284.361 Use of lists and consideration of eligible persons. (NRS 284.065, 284.155, 284.250) When using lists of persons who are eligible and considering eligible persons who have been certified, the following conditions apply:

1. When a reemployment list is certified:

(a) Eligible persons who are available for appointment and who are certified on reemployment lists, other than seasonal reemployment lists, must be hired in the order in which they appear unless the appointing authority, upon submitting written justification, obtains the written concurrence of the Governor to deviate from the order of priority or to hire from another list. The appointing authority must make the written justification available for examination by affected persons or their designated representatives.

(b) A person must accept or refuse an offer of reemployment:

(1) If the offer of reemployment is sent by mail to the person, within 6 calendar days after the postmarked date appearing on the envelope in which the offer was mailed; or

(2) If the offer is an oral offer of reemployment, within 3 business days after the oral offer has been made.

2. If the normal method of certification will not provide candidates qualified to perform the duties of a position satisfactorily, the appointing authority may request selective certification:

(a) At the time a recruitment or a list of eligible persons is requested; or

(b) In anticipation of future vacancies.

Where selective certification is necessary, the appointing authority shall furnish in writing the special requirements peculiar to the position and his reasons therefor to the Department of Personnel which will determine if the facts and reasons justify such selective certification. If approved at the time a recruitment or a list is requested, the Department of Personnel may certify the highest ranking eligible persons who possess the special qualifications and the qualifications can be considered as provided in subsection 1(e) of NAC 284.614 and in subsection 4 of NAC 284.618. For selective certification requested in anticipation of future vacancies and approved, the qualifications can be considered as provided in subsection 1(e) of NAC 284.614 and in subsection 4 of NAC 284.618, if the request for selective certification was received by the Department of Personnel at least 75 days prior to the notification date of layoff.

3. Certification of only eligible persons who are the same sex will not be made unless there is clear evidence that the duties assigned could be performed efficiently only by the sex specified.

4. When using ranked lists other than those for reemployment, the appointing authority shall attempt to communicate, as provided in NAC 284.373, with persons in the first five ranks to determine their availability and qualifications. The names on each type of list must be considered before names from the next succeeding list. If there are fewer than five ranks with persons who are available for appointment on a given list and the appointing authority requests a full complement of five ranks, the name or names at the top of the next succeeding list must be combined with those on the preceding list to establish five eligible ranks with persons who are available for appointment. Except as otherwise provided in subsection 6, all competitive appointments from ranked lists must be made from the persons who:

- (a) Are in a rank of persons who received the five highest scores on the examination; and
- (b) Are available for appointment.

5. If the list is unranked or waived, the appointing authority shall attempt to communicate, as provided in NAC 284.373, with at least five eligible persons he deems most qualified based upon a review of their respective qualifications as they relate to the position or class, or with all of the eligible persons if there are five or less. Except as otherwise provided in subsection 1, any eligible person who is certified from an unranked or waived list may be appointed.

6. If persons from fewer than five ranks of eligible persons are willing to accept appointment:

(a) The appointing authority may make an appointment from among those remaining available eligible persons.

(b) Certification and appointment may be made from other appropriate lists, including lists of higher grades as determined by the Department of Personnel. The names from other lists will follow those which have been certified, if any, from the original lists.

(c) A new recruitment may be conducted.

(d) A provisional appointment may be made only if the requirements of NAC 284.406 are met.

NRS 284.155 states, “Regulations for classified service.

1. The Commission shall adopt a code of regulations for the classified service.

2. The code must include regulations concerning certifications and appointments for:

- (a) Positions in classes having a maximum salary of \$12,500 or less as of December 31, 1980, where the regular procedures for examination and certification are impracticable; and
 - (b) Classes where applicants for promotion are not normally available.
- These regulations may be different from the regulations concerning certifications and appointments for other positions in the classified service.”

NRS 284.309 states, “Waiver of examination if fewer than five qualified applicants. If a competitive examination is required for a vacancy and fewer than five qualified applicants respond after extensive efforts at recruitment, the examination may be waived and the Director may submit the applications of the qualified applicants without certification to the appointing authority for selection.”

NRS 284.320 states in part, “Appointments requiring exceptional scientific, professional or expert qualifications.

1. In case of a vacancy in a position where peculiar and exceptional qualifications of a scientific, professional or expert character are required, and upon satisfactory evidence that for specific reasons competition in that case is impracticable, and that the position can best be filled by the selection of some designated person of high and recognized attainments in the required qualities, the Director may suspend the requirements of competition.
2. The Director may suspend the requirements of competitive examination for positions requiring highly professional qualifications if past experience or current research indicates a difficulty in recruitment or if the qualifications include a license or certification.”

NRS 284.327 states, “Temporary limited appointment of persons with disabilities.

1. To assist persons with disabilities certified by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation, appointing authorities are encouraged and authorized to make temporary limited appointments of certified persons with disabilities for a period not to exceed 700 hours notwithstanding that the positions so filled are continuing positions. A person with a disability who is certified by the Rehabilitation Division must be placed on the appropriate list for which he is eligible. Each such person must possess the training and experience necessary for the position for which he is certified. The Rehabilitation Division must be notified of an appointing authority’s request for a list of eligibility on which the names of one or more certified persons with disabilities appear. A temporary limited appointment of a certified person with a disability pursuant to this section constitutes the person’s examination as required by NRS 284.215.
2. The Commission shall adopt regulations to carry out the provisions of subsection 1.
3. This section does not deter or prevent appointing authorities from employing:
 - (a) A person with a disability if he is available and eligible for permanent employment.
 - (b) A person with a disability who is employed pursuant to the provisions of subsection 1 in permanent employment if he qualifies for permanent employment before the termination of his temporary limited appointment.
4. If a person appointed pursuant to this section is subsequently appointed to a permanent position during or after the 700-hour period, the 700 hours or portion thereof counts toward the employee’s probationary period.”

NAC 284.364 Lists of persons with disabilities who are eligible for temporary limited appointments. (NRS 284.065, 284.155, 284.250, 284.327)

1. Pursuant to NRS 284.327, the Rehabilitation Division of the Department of Employment, Training and Rehabilitation may provide to the Department of Personnel the names of persons with disabilities certified by the Rehabilitation Division who are eligible for temporary limited appointments of 700 hours’ duration. Upon receipt from the Rehabilitation Division of the job

applications and job recommendations, the Department of Personnel will evaluate the information against the job requirements and minimum qualifications of the recommended classes. Through noncompetitive means, the names of qualified persons will be placed in a 700-hour category on the eligible list and certified to the requesting agency for consideration.

2. A current probationary or permanent state employee who occupies a permanent full-time position is not eligible for the provisions of this section unless his disability jeopardizes his continued employment in his present position and placement on the list does not merely circumvent the provisions of this chapter governing promotion or transfer.

NAC 284.367 Promotional lists: Use; order of names. (NRS 284.065, 284.155, 284.250)

1. If a promotional list of eligible persons is used to fill a vacancy after the initial recruitment:

(a) The recruitment which created the list must have been open to employees of the appointing authority which requests the list; and

(b) The order of names must be changed to reflect the priority prescribed by NAC 284.358.

2. Certification may be made from the names highest on the list after promotional or promotional and open lists for the class are combined if either of the following occurs:

(a) The appointing authority certifies in writing to the Department of Personnel that, in accordance with the provisions of NAC 284.297, it is in the best interest of the agency to expand the certification to allow eligible persons from other groups to be considered on the basis of merit.

(b) One or more promotional lists exist for a class which otherwise qualifies for open competition because the class is designated in the classification plan as entry level or as a class which normally has a lack of promotional candidates.

↳ If lists are combined, the names on the list must be in order of merit.

3. At the request of an appointing authority, one or more promotional lists must be established from an existing open competitive list and certified for a vacancy.

4. A list of eligible persons established from a recruitment in which the order of priority was changed must not be certified in that order for a new vacancy unless the appointing authority complies with the provisions of paragraph (a) of subsection 2. These names will be used to establish one or more lists as may be appropriate.

NAC 284.370 Integration of subsequent lists; material changes. (NRS 284.065, 284.155, 284.205, 284.250)

1. The names of eligible persons on current lists may be integrated onto subsequent lists for the same class if there has been no material change in the qualification requirements. If the list is a ranked list, the names of eligible persons will be integrated according to the final scores of those eligible persons.

2. If a material change occurs, eligible persons from other current lists for the same class may be offered the choice of retaking the examination or integrating their previous score, but only if they also meet any new qualification requirements. The decision to retake the examination cannot be reversed once any phase of the new examination has been taken. The results of the most recent examination will prevail.

3. As used in this section, "material change" includes, without limitation, a change in the minimum qualifications for the class or the subject matter, scope or weights of various phases of the examination.

NAC 284.371 Correction of errors in certification. (NRS 284.065, 284.155, 284.250)

If the Department of Personnel finds that an error occurred which resulted in a failure to properly certify a name to an agency, the Department will take appropriate action to correct the error. (b) Three days after an inquiry by electronic mail has been sent;

(c) Twenty-four hours after a written inquiry is hand-delivered;

(d) Twenty-four hours after an oral inquiry has been made if the oral inquiry was made during a conversation with the eligible person; or

2. An appointing authority need not consider an eligible person more than three times from a recruitment. Consideration of an applicant for other than full-time permanent positions must not be counted for the purposes of this subsection.

3. An appointing authority need not consider an otherwise eligible person who cannot perform the essential functions of the position with or without reasonable accommodation.

4. An appointing authority may refuse to consider an eligible person who has been subject to a suspension, demotion or termination as a result of an upheld or uncontested disciplinary action in the preceding 12 months. The 12-month period begins on the effective date of the uncontested action or, if it is contested, on the date the hearing officer issues his final decision upholding a suspension, demotion or termination. If an employee is removed from consideration pursuant to this subsection, the appointing authority must notify the employee of that fact in writing before interviewing the next candidate or making its selection. The employee has 3 working days after being notified that he has been removed from consideration pursuant to this

subsection to notify the appointing authority of any discrepancy in the information in his personnel file which led to the removal of the employee from consideration. The appointing authority may not make its selection:

(a) If the employee does not notify the appointing authority of a discrepancy, until after the end of the period pursuant to which the employee may notify the appointing authority of a discrepancy; or

(b) If the employee notifies the appointing authority of a discrepancy, until after the appointing authority determines whether the removal of the employee from consideration pursuant to this subsection was appropriate.

5. An appointing authority shall refuse to consider an eligible person whose appointment to a position will violate NRS 281.210, NAC 284.375 or a policy approved by the Commission pursuant to NAC 284.375.

6. An eligible person whose name has been removed from an active list may request that his name be reactivated by stating his reasons for the request. The Director shall furnish the statement upon request.

2. If the Director refuses to examine an applicant or, after an examination, refuses to certify an eligible person, that person may take an appeal to the Commission in accordance with regulations adopted by the Commission. If the Commission finds that the Director is in error in refusing to examine an applicant or in refusing to certify an eligible person, the Commission shall order the Director to examine or certify, and he shall comply."

When any public employee is eligible at the same time for benefits for temporary total disability pursuant to chapters 616A to 616D, inclusive, or 617 of NRS and for any sick leave benefit, he may, by giving notice to his employer, elect to continue to receive his normal salary instead of the benefits pursuant to those chapters until his accrued sick leave time is exhausted. The employer shall notify the insurer that provides industrial insurance for that employer of the election. The employer shall continue to pay the employee his normal salary but charge against the employee’s accrued sick leave time as taken during the pay period an amount which represents the difference between his normal salary and the amount of any benefit for temporary total disability received, exclusive of reimbursement or payment of

medical or hospital expenses pursuant to chapters 616A to 616D, inclusive, or 617 of NRS for that pay period.

2. When the employee's accrued sick leave time is exhausted, payment of his normal salary pursuant to subsection 1 must be discontinued and the employer shall promptly notify the insurer that provides industrial insurance for that employer so that it may begin paying the benefits to which the employee is entitled directly to the employee.

3. An employee who declines to make the election provided in subsection 1, may use all or part of the sick leave benefit normally payable to him while directly receiving benefits for temporary total disability pursuant to chapters 616A to 616D, inclusive, or 617 of NRS, but the amount of sick leave benefit paid to the employee for any pay period must not exceed the difference between his normal salary and the amount of any benefit received, exclusive of reimbursement or payment of medical or hospital expenses pursuant to those chapters for that pay period.

4. If the amount of the employee's sick leave benefit is reduced pursuant to subsection 3 below the amount normally payable, the amount of sick leave time charged against the employee as taken during that pay period must be reduced in the same proportion.

5. The public employee may decline to use any or part of the sick leave benefit normally payable to him while receiving benefits pursuant to chapters 616A to 616D, inclusive, or 617 of NRS. During that time, the employee must be considered on leave of absence without pay."

1. Except as otherwise provided in NAC 284.580, an employee does not accrue annual leave during the time he is on leave without pay or on catastrophic leave.

2. A person who is receiving benefits for a temporary total disability pursuant to chapters 616A to 616D, inclusive, or 617 of NRS and makes the election provided in:

(a) Subsection 1 or 3 of NRS 281.390 is entitled to accrue annual leave during the period he is receiving those benefits and is being paid an amount of sick leave equal to the difference between his normal pay and the benefits received.

(b) Subsection 5 of NRS 281.390 must be placed on leave of absence without pay, unless the employee is on family and medical leave because a serious health condition prevents him from performing one or more of the essential functions of his position. Such an employee may, while he is on such leave, elect to use his accrued annual leave in lieu of being placed on leave of absence without pay.

3. An employee who does not have enough sick leave to make up the difference between his normal pay and the benefits for a temporary total disability must be placed on leave of absence without pay for the time he is receiving such benefits and the balance of time not covered by sick leave or other paid leave. The employee accrues annual leave only for the time he is in paid status, excluding overtime.

Except as otherwise provided in this section, any employee who returns to state service following a separation is eligible to accrue annual leave based on his total service with the State after he has completed 3 years of continuous service. The employee must requalify after each break in service.

2. An employee who is rehired within 1 year after being laid off accrues annual leave at a rate based on his total state service. He may use his annual leave immediately upon accruing it if he has completed 6 months of employment.

The amount of annual leave transferred by the employee pursuant to this subsection may not exceed the maximum amount which is permitted by the classified or unclassified rate of accrual as set forth in NRS 284.350 and NAC 284.538. The agency to which the employee is appointed is not responsible for payment of any annual leave in excess of the amount which is transferable. NRS 284.355 states, "Leave for sickness and disability: Accrual; payment for unused leave; employees with mental or emotional disorders; forfeiture of leave.

1. Except as otherwise provided in this section, all employees in the public service, whether in the classified or unclassified service, are entitled to sick and disability leave with pay of 1 1/4 working days for each month of service, which may be cumulative from year to year. After an employee has accumulated 90 working days of sick leave, the amount of additional unused sick leave which he is entitled to carry forward from 1 year to the next is limited to one-half of the unused sick leave accrued during that year, but the Commission may by regulation provide for subsequent use of unused sick leave accrued but not carried forward

because of this limitation in cases where the employee is suffering from a long-term or chronic illness and has used all sick leave otherwise available to him.

2. Upon the retirement of an employee, his termination through no fault of his own or his death while in public employment, the employee or his beneficiaries are entitled to payment:

(a) For his unused sick leave in excess of 30 days, exclusive of any unused sick leave accrued but not carried forward, according to his number of years of public service, except service with a political subdivision of the state, as follows:

- (1) For 10 years of service or more but less than 15 years, not more than \$2,500.
- (2) For 15 years of service or more but less than 20 years, not more than \$4,000.
- (3) For 20 years of service or more but less than 25 years, not more than \$6,000.
- (4) For 25 years of service or more, not more than \$8,000.

(b) For his unused sick leave accrued but not carried forward, an amount equal to one-half of the sum of:

- (1) His hours of unused sick leave accrued but not carried forward;
- and
- (2) An additional 120 hours.

3. The Commission may by regulation provide for additional sick and disability leave for long-term employees and for prorated sick and disability leave for part-time employees.

4. An employee entitled to payment for unused sick leave pursuant to subsection 2 may elect to receive the payment in any one or more of the following forms:

- (a) A lump-sum payment.
- (b) An advanced payment of the premiums or contributions for insurance coverage for which he is otherwise eligible pursuant to chapter 287 of NRS. If the insurance coverage is terminated and the money advanced for premiums or contributions pursuant to this subsection exceeds the amount which is payable for premiums or contributions for the period for which the former employee was actually covered, the unused portion of the advanced payment must be paid promptly to the former employee or, if he is deceased, to his beneficiary.

(c) The purchase of additional retirement credit, if he is otherwise eligible pursuant to chapter 286 of NRS.

5. Officers and members of the faculty of the Nevada System of Higher Education are entitled to sick and disability leave as provided by the regulations adopted pursuant to subsection 2 of NRS 284.345.

6. The Commission may by regulation provide policies concerning employees with mental or emotional disorders which:

(a) Use a liberal approach to the granting of sick leave or leave without pay to such an employee if it is necessary for him to be absent for treatment or temporary hospitalization.

(b) Provide for the retention of the job of such an employee for a reasonable period of absence, and if an extended absence necessitates separation or retirement, provide for the reemployment of such an employee if at all possible after recovery.

(c) Protect employee benefits, including, without limitation, retirement, life insurance and health benefits.

7. The Commission shall establish by regulation a schedule for the accrual of sick leave for employees who regularly work more than 40 hours per week or 80 hours biweekly. The schedule must provide for the accrual of sick leave at the same rate proportionately as employees who work a 40-hour week accrue sick leave.

8. The Department may investigate any instance in which it believes that an employee has taken sick or disability leave to which he was not entitled. If, after notice to the employee and a hearing, the Commission determines that he has taken sick or disability leave to which he was not entitled, the Commission may order the forfeiture of all or part of his accrued sick leave.

2. For absences for which medical certification is required, the appointing authority may require the employee to provide a second medical opinion. The provider of health care who provides the second opinion of an employee's health condition shall certify as to the ability of the employee to perform his duties and responsibilities and when he believes the employee can return to work. If such a list is used, the selection of the third provider of health care must be made by the employee and appointing authority alternately striking one name off the list. The third opinion is final and binding. The agency shall pay for the consultation.

5. An employee shall request sick leave at least 30 days in advance if the need for leave is foreseeable and the sick leave is to be taken in conjunction with a planned leave of absence without pay.

1. Except as otherwise provided in NAC 284.425, if it becomes necessary for a classified employee to be laid off because of a shortage of work or money, the abolition of a position, or some other material change in duties or organization:

(a) The director of the department shall determine in what geographical location, class series, class and option the reductions in staff will have the least detrimental effect on the operations of the department and shall specify layoffs accordingly. In the Department of Health and Human Services and the Nevada System of Higher Education, the administrator of a division may be designated to make these determinations with the approval of the director of the department.

NAC 284.618 Layoffs: Voluntary demotions. (NRS 284.065, 284.155, 284.175, 284.380)

1. In lieu of being laid off, a permanent employee may choose to be voluntarily demoted to a vacant position or displace an employee within the department and geographical location where employed to one of the next lower classes:

(a) Within his current class series and option; or

(b) Within the class series and option from which he was appointed to his current position during current continuous service if he cannot be demoted pursuant to paragraph (a).

↪ For the purposes of this subsection, divisions of the Department of Health and Human Services and the Nevada System of Higher Education shall be deemed to be departments.

2. No employee in a higher class may displace an employee in a lower class who has more seniority. If an employee chooses to displace another, he must displace the member of the next lower class who has the least seniority. If that member has more seniority, the displacing employee must descend further in the class series.

3. The employees displaced reestablish the layoff class.

4. An employee may choose to displace another only if he meets the minimum qualifications for the class, option and position. For the purposes of this subsection, qualifications for a position may be different from those of the class and option only when selective certification is required pursuant to subsection 2 of NAC 284.361.

5. Full-time, part-time and seasonal employees must be treated separately and can only displace like employees.

6. Displacement is always a movement to a class at a lower grade.

7. A current employee who elects to displace another employee has priority over former employees already on reemployment lists.

8. The pay of the employee who is taking a voluntary demotion cannot exceed the highest step for the class to which the employee is being demoted. If the current pay falls within the lower rate range, no reduction in pay may occur unless money is not available as certified by the Chief of the Budget Division of the Department of Administration or, in the case of an agency which is not supported from the State General Fund, as certified by the administrator of that agency.

1. Names of permanent employees who have received a layoff notice will be placed on the statewide reemployment list for the class and option of the position involved in the layoff, in order of seniority.

2. Names of permanent employees who have received a layoff notice will also be placed on the statewide reemployment list for other classes for which they qualify at or below the grade of the class held at the time of layoff, in order of seniority but behind those identified in subsection 1.

3. The employee shall provide an employment application and a list of classes and options he is seeking for reemployment to the Department of Personnel within 30 days after his layoff date. The agency shall provide the seniority calculations to the Department of Personnel.

4. Names of permanent employees who have received a layoff notice will be integrated with names of employees who are eligible for reemployment pursuant to NAC 284.6014.

5. Part-time employees are not entitled to be reemployed in full-time positions, and full-time employees are not entitled to be reemployed in part-time positions.

6. Seniority must be projected and counted up to the layoff date, or transfer date if the provisions of subsection 4 of NAC 284.394 apply. Seniority determines ranking on all reemployment lists and will not be recalculated unless the employee is affected by a subsequent layoff.

7. Each person on the list retains reemployment eligibility for 1 year after the layoff date. Except as otherwise provided in this section, reemployment rights are exhausted when a person accepts or declines an offer of employment in the class or a comparable class with the same grade in the department and geographical location of the layoff. Any exception to this provision must be approved by the Department of Personnel. When a person accepts a position at a grade lower than that held at the time of layoff, his name will be removed from all reemployment lists that are equal to or below the grade accepted.

8. A permanent employee who has been laid off and is being reemployed in the department, class and option from which he was laid off must have his permanent status restored. A permanent employee who is reemployed in a different class or in a different department must serve a new probationary period. If the employee does not complete the probationary period, his name must be restored to the appropriate reemployment list for any remaining part of the year following the layoff date. When the right to reemployment expires, the person affected retains his right to reinstatement or reappointment pursuant to NAC 284.386 or 284.404.

NAC 284.632 Layoffs: Calculation of seniority. (NRS 284.065, 284.155, 284.335, 284.380)

1. For the purposes of calculating an employee's seniority for NAC 284.614, 284.618 and 284.630:

(a) Except as otherwise provided in this section, the total number of years of continuous full-time equivalent service up to the effective date of the layoff must be included.

(b) Except as otherwise provided in subsection 2, the sum of the calculation made pursuant to paragraph (a) or, if applicable, subsection 5 must be reduced by the following periods if those periods occurred during the 36 months immediately preceding the date of the notification of layoff:

(1) For a nonexempt employee, any combination of leave without pay and catastrophic leave in excess of 240 hours in the period preceding the date of the notification of layoff equal to 12 months of full-time equivalent service;

(2) For an exempt classified employee or exempt unclassified employee, any combination of leave without pay and catastrophic leave in excess of 30 working days in the period preceding the date of the notification of layoff equal to 12 months of full-time equivalent service; and

(3) Any time covered by a report on performance which rated the employee below standard, excluding evaluations received within 75 calendar days before the notification of layoff.

2. For the purposes of the reduction in the calculation of seniority required by paragraph (b) of subsection 1:

(a) The reduction may not include:

(1) A leave of absence without pay during a fiscal emergency of the State or an agency pursuant to NAC 284.580;

(2) A leave of absence without pay for a work-related injury or illness pursuant to NRS 281.390; or

(3) A military leave of absence pursuant to NRS 284.359.

(b) As set forth in subparagraphs (1) and (2) of paragraph (b) of subsection 1, an employee whose base hours are more than 80 hours biweekly must be allotted additional leave without pay and catastrophic leave in proportion to the base hours for his pay class designation.

3. For the purposes of calculating seniority for layoff, if seniority is otherwise equal, seniority must be determined in the following order:

- (a) Total time within the occupational group;
- (b) Total time within the department; and
- (c) By lot.

4. For the purposes of calculating seniority for reemployment, if seniority is otherwise equal, seniority must be determined by lot.

5. A department may request from the Commission approval to calculate the number of years of continuous full-time equivalent service of an employee of the department by doubling the time spent by the employee in his present occupational group as categorized by NRS 284.171 and adding that amount to the time spent by the employee in all former occupational groups up to the date of layoff. If the Commission approves the request of the department to calculate the number of years of service pursuant to this section, the department shall use this method to calculate the number of years of service:

(a) Only to determine which employees will receive a layoff notice and not for the placement of those employees on the reemployment list; and

(b) Until the department seeks from and is granted approval by the Commission to revert to the method of calculating the number of years of service set forth in paragraph (a) of subsection 1.

2. The system adopted pursuant to subsection 1 must provide that a state employee is entitled to receive a copy of any findings or recommendations made by an appointing authority or his representative, if any, regarding proposed disciplinary action.”

NRS 284.387 states, “Internal administrative investigations leading to certain disciplinary action: Right of employee to written notice of allegations before questioning and to representation.
