## FOREWARD

The first law addressing Nevada livestock branding was in 1873 and required livestock owners with brands to register them with their county recorder.

The first livestock association in the state was formed in Winnemucca in 1884.

In 1923, the Nevada Legislature passed an act creating the Board of Livestock Commissioners, now the State Board of Agriculture, which then became responsible for the recording of all livestock brands in the state.

The first Official Nevada Brand Book was published in 1924 and was followed by others in 1932, '36, '41, '51, '56, '61, '66, '71, '76, '80, '84, '88, '92, '96, 2000, and 2004.

During the 1975 session of the Nevada State Legislature, a 4 year re-recording cycle was adopted to ensure a new Official Brand Book would be published every 4 years with supplements compiled at appropriate intervals. The next re-recording period ends December 31, 2011. All current brands will expire unless re-recorded by that date.

The recording of brands in the various counties prior to 1923 led to numerous duplicate brands in the state. Over the years since brand recording became a statewide function, the number of duplicate brands has substantially decreased.

## NEVADA BRAND TRIVIA

The first law addressing Nevada livestock branding was in 1873 and required livestock owners with brands to register them with their county recorder.

In 1923, the Nevada legislature passed a law creating a Board of Livestock Commissioners and took over the registration of all livestock brands in the state.

The first livestock association was formed in Winnemucca, Nv. in 1884. It was called the Nevada Live Stock Assoc. and the dues were \$10 per year. Its mission was to protect the bona-fide livestock producer. Among the charter members were several future governors of the state.

A few of the oldest recorded brands in the state were:

- 1) YP connected, recorded in 1885 and still in use today by Petan Co. of Tuscarora, Nv.
- 2) Y hanging L connected, 1883.
- 3) 101 in 1885 and still in use today.
- 4) Quarter circle J which came from Wales in 1885 and still in use today.

A number of famous people have owned ranches and brands in Nevada including Bing Crosby, who owned the PX ranch north of Elko in the late 40's and 50's. His registered brand was the Cross B (+B).

Actor Jimmy Stewart owned the Winecup Ranch and the brand of the same description, north of Wells.

Hoot Gibson owned a ranch and the D4C iron (must have been a social problem).

Other ranch/brand owners of note include:

E.L. Cord, an entrepreneur who among other things, built the now classic Cord automobile.

Max Fleischman, after-whom the college of agriculture at the University of Nevada was named.

Actors Rex Bell and Clara Bow whose son, Rex Bell jr. is now District Attorney for Clark Co. (Las Vegas).

Joel McCrea, western movie star who had a ranch in Ruby Valley, Elko County.

**Question:** When do I need a brand inspection?

## NEVADA LIVESTOCK TRANSPORTATION REQUIREMENTS

All livestock **ENTERING** the State of Nevada must meet certain specific requirements for animal health and proof of ownership upon entering the state.

All livestock entering Nevada must have with them a current (within 30 days) **Health Certificate**; in addition, all horses entering the state must have with them a current (within 6 mos.) **negative Coggins test**.

All livestock, including horses, entering the state are required to have with them a current, valid **brand inspection certificate** from their state of origin. If your state of origin does not provide brand inspection services then you should carry proof of ownership with the animals. This can include sale yard receipts, properly signed and notarized bills of sale, or certificates of registration from recognized breed associations.

All livestock **EXITING** the state are required to have with them a current, valid **brand inspection certificate**, and may be required to have a current, valid health certificate in order to enter the state of destination. Livestock wearing your Nevada registered brand and moving only within the state, may do so on a Livestock Movement Permit obtainable from the Brand office in Elko.

Persons or entities holding a public livestock auction in Nevada are required by state law to first obtain a **Public Livestock Auction** license and a surety bond or other trust agreement. In addition, a Nevada brand inspector must be notified and be on site at any public livestock auction to complete change of ownership brand inspection certificates. Persons acting as brokers, dealers, or commission merchants for agriculture products, commodities or livestock may be required to have a license and be bonded in Nevada.

The original, or a certified copy of any such instrument, may be introduced in evidence in the same manner as is provided for similar instruments affecting personal property, and the record of the instrument or instruments of transfer, or the transcript thereof certified by the custodian of the record, may be read in evidence without further proof.

5. If any brand or brand and mark or marks of record, in accordance with the provisions of this chapter, becomes the subject of, or is included in, any security agreement, provisional assignment or legal lien, the secured party, provisional assignee or lienholder may notify the Department in writing as to the existence and conditions of the security agreement, provisional assignment or lien. After the receipt of the written notice, the Department shall not transfer the brand or brand and mark or marks, other than to the secured party, provisional assignee or lienholder until there is filed with the Department satisfactory legal evidence that the security agreement, provisional assignment or lien has been legally satisfied and removed.

6. No transfer or change, or partial, joint or complete ownership, of any brand under the provisions of this section:

(a) Grants or recognizes any change in the method or area of its use from that authorized at the time of recording, or subsequent thereto but before the transfer or change of ownership; or

(b) Waives or modifies the rerecording requirements set forth in [NRS 564.120](#).

**NRS 564.115 Transfer of brands and marks upon death of owner.**

1. Upon the death of the owner of a brand or brand and mark or marks, the personal representative of the deceased owner, or any other person with the legal authority to act on behalf of the deceased owner, may execute any written instrument and perform any other act required by the Department to transfer the ownership of the brand or brand and mark or marks.

2. A person who wishes to act on behalf of a deceased owner pursuant to this section must provide the Department with written proof of his legal authority to act on behalf of the deceased owner.

3. As used in this section, “personal representative” has the meaning ascribed to it in [NRS 132.265](#).

(Added to NRS by [2007, 905](#))

**NRS 564.120 Rerecording of brands and marks: Application; fee; notice; abandonment; certificates; limitation on recording new brands.**

1. Any owner of a brand or brand and mark or marks of record under the provisions of this chapter, including brands or marks transferred pursuant to the provisions of [NRS 564.110](#), desiring legally to

continue the use of the brand or brand and mark or marks beyond the prescribed dates shall, within 60 days before January 1, 1976, and at the end of each 4-year period thereafter, apply to the Department for the rerecording of the brand or brand and mark or marks.

2. The application must be made in writing and accompanied by any rerecording fee established by the Department in accordance with the provisions of [NRS 564.080](#).

3. The Department shall notify every owner of a brand or brand and mark or marks of legal record in its office, including owners of brands and marks transferred under the provisions of [NRS 564.110](#), at least 60 days before to January 1, 1976, and January 1 at the end of each 4-year period thereafter, of his right to rerecord the brand or brand and mark or marks as provided in this section. The notice must be in writing and sent by mail to each such owner at his last address of record in the office of the Department. The notice is complete at the expiration of 60 days after the date of its mailing by the Department.

4. The Department may also advertise the approach of any rerecording period in such manner and at such times as it deems advisable.

5. Any brands or brands and marks for the rerecording of which the owners have not applied as provided for in this section by January 1, 1976, or by January 1 of any 4-year period after that date, including all brands and marks of record as transferred as provided in [NRS 564.110](#), shall be deemed abandoned and no longer of legal record as provided for by this chapter. Brands or brands and marks thus abandoned may not be awarded or recorded by the Department to persons other than those persons abandoning the brands or brands and marks until 1 year after the date of the abandonment. The awarding and recording of abandoned brands or brands and marks to any person must be in accordance with the provisions of this chapter.

6. The Department shall furnish the legal owners of any brand or brand and mark or marks rerecorded under the provisions of this section with a certificate setting forth the fact of the rerecording.

7. No new brands may be recorded during the 60 days of a rerecording period unless, in the opinion of the Director, undue hardship would be caused the applicant.

[13:26:1923; A 1925, 22; NCL § 3802]—(NRS A 1961, 538; 1975, 355; 1993, 1738; [1999, 3675](#))

#### **NRS 564.130 Brand books and supplements: Issuance by Department; costs.**

1. The Department may compile and issue books, and supplements thereto, containing transcripts of part or all of its records of brands and marks, so arranged and indexed as to be suitable for use in identifying any brands or marks which may be found in this State on any animals, or the hides thereof, and used in compliance with the provisions of this chapter.

2. Copies of the brand books and supplements must be made available to any person at a charge to be fixed by the Department, but the charge must not be less than the cost of compilation, publication and issuance.

3. Copies of the brand books or supplements may be furnished by the Department, without charge, to any public officer or other person whose possession of the book or supplements will, in the opinion of the Department, serve to promote the general welfare.

[5:26:1923; NCL § 3794]—(NRS A 1961, 539; 1993, 1738; [1999, 3676](#))

#### **NRS 564.140 Unlawful to use brand on position on animal or in area other than those authorized; application for change of position, new position or change in area; unlawful to deface or remove recorded brand.**

1. It is unlawful for the owner of any legally recorded brand, recorded under the provisions of this chapter, to use the brand on any position, on any animal, or in any area, other than that authorized in writing at the time the brand was recorded, or subsequent thereto, by the Department. The Department may, on the written application of the owner of any legally recorded brand, authorize in writing a change of position or a new position for the application of the brand, or change or enlarge the area in which it may be used, if, in the opinion of the Department, the change in position or area of use will not jeopardize or injure the rights or property of the owner of any other brand remaining of legal record.

2. Any application for a change in position or a new position or a change in the area of use as provided in subsection 1 must set forth a sufficient reason for the change, and the Department may require such supporting evidence for the change as it deems necessary to establish the facts.

3. It is unlawful for any person to obliterate, disfigure, extend, deface or remove from any animal a brand that is recorded pursuant to the provisions of this chapter.

[14b:26:1923; added 1945, 225; 1943 NCL § 3803.02]—(NRS A 1961, 540; 1993, 1739; [1999, 3676](#))

**NRS 564.150 Penalties.** Any person violating any of the provisions of this chapter:

1. Is guilty of a misdemeanor, except that any person who violates the provisions of subsection 3 of [NRS 564.140](#) is guilty of a gross misdemeanor.

2. In addition to any criminal penalty, shall pay to the Department an administrative fine of not more than \$1,000 per violation.

↪ If an administrative fine is imposed pursuant to this section, the costs of the proceeding, including investigative costs and attorney's fees, may be recovered by the Department.
