Lenga
TMCC Meadowood Center S322 \$259

Student Success Story:

Lonnie Peck, owner, LR Peck Photography

"I had self-taught myself Photoshop Elements to clean up images before I presented them to clients. It was a long, slow process. After I took this class, I learned the real power of the program with advanced methods. I also learned shortcuts that save valuable time that I can now devote to other areas of my business. The Photoshop Elements class helped me get the most quality out of my photos, which gives me a competitive edge."

Internet

Start a Profitable Webmaster Business

Massage Mechanics and Positioning

Requisite: TMCC massage program students or LMTs. Learn proper body mechanics and feel while using forearms, loose fists, elbows, knuckles and hands as keys to career longevity and excellent touch. Work on creative client positioning with variations on side-lying, supine and seated positions.

9/20-9/21 F,S 9 a.m. - 5 p.m.

Asay

TMCC Meadowood Center S217 \$159

STUDENT SUCCESS STORY:

Robyn Griffith, owner, Revive Massage

"TMCC's program is different because it provides a tremendous amount of hands-on instruction by local top therapists. From advanced sports, myofascial, therapeutic rehabilitation and PNF, I left the program with above-average skills that show in my work and my business success. It only took me three months to build a successful clientele and maintain it. My education put my career in good hands—my own."

Sports Massage

Learn basic techniques, strokes and stretching used in sports settings.

9/27-9/28 F,S 9 a.m. - 5 p.m.

Grubaugh

TMCC Meadowood Center S217 \$159

PNF for Massage Therapy

Requisite: TMCC massage program students or LMTs. Learn how to utilize proprioceptive neuromuscular facilitation, or PNF, with your massage skills. Practice basic PNF techniques through hands-on training.

Student Success Story:

Dorothy Maynard, General Manager, Coldwell Banker Select Real Estate of Nevada

"I'd been a property manager for 25 years, so I thought the Property Management 30 Years in 24 Hours class would be a waste of my time. I was pleasantly surprised. It was well-organized and very informative. I have referred countless staff members to take this class. As the supervisor for our Nevada staff, it is nice to know that when I send someone to it, they will have a better understanding of property management as a whole."

NEW!

Book Writing Seminar for Medical and Legal Professionals

Discover the secrets to getting your first book published from a veteran New York agent and author in an intimate environment limited to 40 participants. Learn what fiction and nonfiction genres are hot right now, as well as how to create book ideas with commercial appeal. Better understand the publishing world, what to expect for your first book contract, and the pros and cons of working with a book doctor. Gain the vital information you need to decide which routes to publishing will work best for you, whether you self-publish, work with an agent or contact publishing houses. Discuss how to best pitch your book and how to write a query that will grab any agent's attention. Submit your query in advance and the instructor, the author of *The Complete Idiot's Guide to Getting Published*, will critique it for you. The instructor, a favorite presenter at the SEAK Cape Cod Writing Conference for Physicians and Lawyers, is an expert at helping professionals attain their publishing goals. Pay only \$299 if you register by Sept. 23. The first three participants to register will receive a free copy of *The Complete Idiot's Guide to Getting Published*.
