

Nevada Association of Counties

2014 NACO DIRECTORY

Nevada Association of Counties

**NACO proudly serves Nevada's 17 counties,
operating under the following Mission Statement:**

To encourage county government to adopt and maintain local, regional, state and national cooperation that will result in a positive influence on public policy and optimize the management of county resources; to provide valuable education and support services that will maximize efficiency and foster public trust in county government.

THE CREATION OF NEVADA'S COUNTIES

The first Nevada Territorial Legislature established nine counties on November 25, 1861, including Churchill, Douglas, Esmeralda, Humboldt, Lyon, Ormsby, Storey, Washoe and Lake. Only Humboldt County, which existed as a county within the Utah Territory, was retained and established as a county within both the Nevada Territory and, subsequently, the State of Nevada. The largest territorial county was Esmeralda which, along with Churchill and Humboldt, comprised four-fifths of the Nevada Territory. Lake County was renamed Roop County on December 5, 1862 and then consolidated with Washoe County in 1889 because of its very small population.

Two more counties, Lander and Nye, were organized when Nevada was a territory, so that the total number of counties in Nevada when it became a state was 11. In the first 10 years of statehood four more counties were organized: Elko (1869), Eureka (1873), Lincoln (1866), and White Pine (1869). Over three decades passed before the organization of any additional counties.

After the turn of the century the last three counties were created, Clark (1909), Mineral (1911), and Pershing (1919). In 1969 Ormsby County and Carson City were consolidated into one municipal government known as Carson City.

In 1987, the Legislature created Bullfrog County, a 144-square mile enclave within southern Nye County. The purpose of Bullfrog County was to enhance the state's ability to receive funds from the Federal Government pursuant to the "Payments Equal To Taxes" provisions of the Nuclear Waste Policy Act. Following a challenge by Nye County in the Nevada district court, the legislation was judged to be unconstitutional and subsequently was repealed by the Legislature in 1989.

The 17 counties of the state, with years of creation and the original and present county seats, are as follows:

<i>County</i>	<i>Year of creation</i>	<i>Original county seat</i>	<i>Present county seat</i>
Carson City ¹	1969	Carson City	Carson City
Churchill ²	1861	Buckland's	Fallon (1904)
Clark	1909	Las Vegas	Las Vegas
Douglas	1861	Genoa	Minden (1916)
Elko	1869	Elko	Elko
Esmeralda ³	1861	Aurora	Goldfield (1907)
Eureka	1873	Eureka	Eureka
Humboldt	1861	Unionville	Winnemucca (1873)
Lander ³	1862	Jacob's Spring	Battle Mountain (1979)
Lincoln ³	1866	Crystal Springs	Pioche (1871)
Lyon	1861	Dayton	Yerington (1911)
Mineral	1911	Hawthorne	Hawthorne
Nye ³	1864	Ione	Tonopah (1905)
Pershing	1919	Lovelock	Lovelock
Storey	1861	Virginia City	Virginia City
Washoe	1861	Washoe City	Reno (1871)
White Pine	1869	Hamilton	Ely (1887)

¹ Carson City became a county as the result of consolidation with Ormsby County in 1969. Ormsby County was created in 1861 and Carson City always served as its county seat.

² Churchill County was not formally organized in 1864, and its intermediate county seats were LaPlata (1864- 68) and Stillwater (1868-1904).

³ Lander County also had an intermediate county seat at Austin (1863-1979); as did Lincoln County at Hiko (1867-71); Esmeralda County at Hawthorne (1883-1907); and Nye County at Belmont (1867-1905).

THE CREATION OF NEVADA'S COUNTIES

Nevada's counties were named for a variety of persons or other features. The following table summarizes the naming of Nevada's 17 counties, plus the former counties of Lake, Ormsby, and Roop. Other historical information is also included.

Carson City	Named by Frank M. Proctor, one of the founders of Carson City in 1858, directly or indirectly for Christopher "Kit" Carson, the famed explorer and guide who first entered western Nevada in the winter of 1843-44.
Churchill	Fort Churchill, Nevada, which had been named for General Sylvester Churchill, a Mexican War hero who was Inspector General of the U.S. Army in 1861.
Clark	William A. Clark, former United States Senator from Montana, and the builder of the railroad line through the area.
Douglas	Stephen A. Douglas, former United States Senator from Illinois. Douglas is best remembered for his debates with Abraham Lincoln. Douglas was re-elected United States Senator from Illinois over Lincoln in 1858, but was defeated by Lincoln for the Presidency in 1860.
Elko	Several explanations have been offered, including an Indian word meaning either "white woman" or "beautiful." Another explanation credits railroad owner Charles Crocker with the naming of a railroad station after elk roaming in the area and adding an "o" to form "Elko."
Esmeralda	Esmeralda is the Spanish word for emerald. An early Nevada miner, J. M. Corey, named the Esmeralda Mining District. It is believed that Corey may have named the district after the gypsy dancing girl, Esmeralda, from Victor Hugo's book, <u>The Hunchback of Notre Dame</u> .
Eureka	The ancient Greek term, Eureka, meaning "I have found it." This term was used earlier in California and other locations.
Humboldt	Baron Friedrich Heinrich Alexander von Humboldt, a German naturalist, traveler and statesman.
Lake	Several lakes in the area, including Honey, Pyramid, and Winnemucca.
Lander	Fredrick W. Lander, chief engineer of a federal wagon route through the area. He later served as Special Indian Agent in the area, and died in the Civil War in Virginia in 1862 at the rank of brigadier general. Created in 1862, Lander County sprang forth as the result of a mining boom on the Reese River, taking a considerable portion of Churchill and Humboldt counties with it. Eventually, Lander would be known as the "mother of counties" because so many were carved out of it.
Lincoln	Abraham Lincoln, 16th President of the United States.
Lyon	General Nathaniel Lyon who died in the Civil War in Missouri in 1861.
Mineral	The surrounding area, which is heavily mineralized.
Nye	James W. Nye, Governor of Nevada Territory and later United States Senator from Nevada.
Ormsby	Major William M. Ormsby, one of the original settlers of Carson City, who was killed in 1860 in the Pyramid Lake Indian War.
Pershing	General John J. Pershing, commander-in-chief of the American Expeditionary Force (1917-1919) in Europe during World War 1.
Roop	Isaac N. Roop, the Governor of the provisional territory of Nevada, 1859-61.
Storey	Captain Edward F. Storey, who was killed in 1860 in the Pyramid Lake Indian War.
Washoe	A small Indian tribe that inhabited the area.
White Pine	Heavy growth of pine trees in the area, thought to be white pine.
