### CARSON CITY NETS GRANT FOR JUMP START COLLEGE FUNDING MAKES JUMP START PROGRAM FREE FOR 100 STUDENTS

The Carson City School District has received more than \$200,000 in state grant funding for the 2015-16 school year to assist seniors in earning college credits and completing remedial English and math education before graduation. Funding was authorized through Senate Bill 515 and determined by the Nevada Department of Education to support College and Career Readiness programs.

The grant funding will enable CCSD to pay students' tuition costs and fees, and CCSD anticipates that the elimination of costs, including book fees, will make it possible for more low-income and first-generation college students to enroll in WNC's Jump Start College. **READ MORE.**
