1925

REPORT OF THE SECRETARY OF STATE

STATE OF NEVADA, DEPARTMENT OF STATE,
CARSON CITY, December 31, 1924.

To His Excellency, JAMES G. SCRUGHAM, Governor of Nevada.

SIR: I have the honor to transmit herewith my first biennial report of the office of the Secretary of State of the State of Nevada for the years 1923-1924.

In the several statements herewith submitted will be found sufficient detail to show the business transactions of the office clearly, but in concise form.

The receipts of the office for the biennial period here under consideration total \$483,876.33, an increase of \$160,655.95 over the preceding biennium, and going back over a ten-year period the increase approaches a half million dollars over that shown for the years 1913-1914.

The large and increasing volume of business in the office of the Secretary of State is correspondingly reflected by the constant increase in revenue as shown below:

<i>Biennial period</i>	<i>Total revenue</i>	<i>Increase over preceding biennium</i>	<i>Increase by percentage</i>
1913-1914.....	\$58,013.12		
1915-1916.....	78,484.91	\$20,471.79	35.29
1917-1918.....	124,132.07	45,647.16	58.16
1919-1920.....	246,552.72	122,420.65	98.62
1921-1922.....	323,220.38	76,667.66	31.10
1923-1924.....	483,876.33	160,655.95	49.71
Total increase 1923-1924 over 1913-1914.....			\$425,863.21
Total increase (per cent) 1923-1924 over 1913-1914.....			734.08%

For the period 1887 to 1903 the expense of the office exceeded the income; in 1903 the income for the office was \$15,124.09, and the expense \$4,368.60, or 29% of the income. In the year 1912 the revenue of the office was \$34,771.90 and the expense \$11,554.90, or the expense was 30% of the revenue; and in the year 1924 the income of the office was \$255,006.35 and the expense for the same period approximately \$20,000, or the expense was only 7.8% of the revenue.

The additional work required to properly handle the detail in connection with this added volume of business has been executed with efficiency and dispatch, while the force of employees has remained the same and been held to the minimum during the period shown.

In addition to the duties demanding attention directly through this office, the Secretary of State officiates as a member of the State Board of Examiners, the State Board of Capitol Commissioners, the State Board of Prison Commissioners, the State Printing Board, and the State Board of Health. The duties imposed upon the members of these various boards demand careful attention and serious consideration.

This office is in charge of all stationery and supplies used by the elective officers of the State as well as the State Legislature. The proper care and distribution of these supplies as well as the keeping of

records in connection therewith involves no small amount of labor and care on the part of the regular office force.

The entire office force has been handicapped by lack of adequate space for working and filing. The arrangement of the office is deplorable and all available space for shelving and storage purposes is now occupied.

In this connection I am requesting the Board of Capitol Commissioners to make such desirable changes in the interior of the office of the Secretary of State during the ensuing year.

It will be noted that several tables heretofore carried in reports of this department have been omitted from this report. This is done in the interest of economy because all omitted tables are carried in the reports of other departments of the state government.

The receipts of this department for the biennium covered are:

Year	General office fees	Motor vehicle fees	Total fees
1923.....	\$74,981.88	\$153,888.10	\$228,869.98
1924.....	73,036.50	181,969.85	255,006.35
Total.....	\$148,018.38	\$335,857.95	\$483,876.33

The revenue from all sources other than the Motor-Vehicle Department for the biennium 1923–1924 is as follows:

Year	General fees	Law books	Corporation tax	Total
1923.....	\$64,648.38	\$2,483.50	\$7,850.00	\$74,981.88
1924.....	47,774.50	746.00	24,516.00	73,036.50
Total.....	\$112,422.88	\$3,229.50	\$32,366.00	\$148,018.38

The revenue and expense of the Motor-Vehicle Department for the biennium 1923–1924 is as follows:

Year	Revenue	Expense
1923.....	\$153,888.10	\$7,964.50
1924.....	181,969.85	9,970.00
Total.....	\$335,857.95	\$17,934.50

I take this opportunity to gratefully acknowledge the many courtesies extended this department by you and other state and county officers.

Respectfully submitted,

W. G. GREATHOUSE,

Secretary of State.

The contract system having proven unsatisfactory and detrimental to the interests of the State, the Legislature of 1879 reestablished the office under the name of "Superintendent of State Printing" (Stats. 1879, p. 138), and made an appropriation to purchase necessary materials.

²³Appointed by Board of State Printing Commissioners under Stats. 1879, p. 138, for the years 1881-1882, since which time, under the law, the Superintendent of State Printing has been elected by the people every four years, as is the case with all other state officers.
