PREFACE

The Secretary of State’s office has prepared a guide of the recall procedures as established in Article 2 of the Nevada Constitution ([Nev. Const. Art. 2, Sec. 9](#)), pertinent sections of Chapters 293 and 306 of the Nevada Revised Statutes (NRS) and pertinent sections of Chapters 293 and 306 of the Nevada Administrative Code (NAC). The purpose of this guide is to provide a general understanding of the guidelines and requirements necessary for preparing and qualifying a Petition to Recall a Public Officer. It is important to note that this guide is for general information only and does not have the force and effect of Nevada law, regulation, or rule. Interested citizens should obtain the most recent version of the Nevada Revised Statutes, as Nevada’s Election Laws are amended each legislative session. Interested parties should also be aware that election issues are periodically addressed by the Attorney General, or by State or Federal courts. Due to the general scope of this guide, some of these issues may not be addressed here. Interested parties should review Attorney General Opinions and court decisions, and should contact the Secretary of State or a Nevada attorney with any specific questions.

NOTE

Please note that the procedures described herein *do not apply to federal officers*. The removal of U.S. Representatives or U.S. Senators is governed by the United States Constitution, Article 1, Sec. 5(2), which states “Each House may determine the rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two-thirds, expel a member.” The President, Vice President and all civil officers of the United States are removed through the process of “impeachment” which is governed by the United States Constitution.

GENERAL INFORMATION

Elected public officers in the State of Nevada, excluding U.S. Senators, Representatives in Congress, municipal, district court, Appeals Court and Supreme Court Judges, are subject to recall from office by the registered voters of the state, county, district or municipality from which he/she was elected.

A person who is appointed to an elective office is also subject to recall in the same manner as provided for an officer who is elected to that office ([Nev. Const. Art. 2, Sec. 9](#); [NRS 306.020\(1\)](#)).

○ NOTICE OF INTENT TO RECALL

A notice of intent may not be filed against a public officer within the first six (6) months of his/her term regardless of whether the official is in his/her first term or a subsequent term. The only exception is that a petition may be filed against a State Senator or State Assemblyman any time after ten (10) days from the beginning of the first session after his/her election ([Nev. Const. Art. 2, Sec. 9](#); [NRS 306.015](#); [NAC 306.005](#)).

After one recall petition has been filed and a special election held, no further recall petitions shall be filed against the same public officer during the term for which he was elected unless petitioners pay for the expense of the preceding special election. If a petition fails to qualify, another notice of intent may be filed at any time ([Nev. Const. Art. 2, Sec. 9](#)).

○ PETITION CIRCULATION LIMITATIONS

It is unlawful to intimidate voters or interfere with the conduct of an election. It is a crime to solicit signatures for any petition inside a polling place or within 100 feet from the entrance to a building in which a polling place is located ([NRS 293.710\(1\)](#); [NRS 293.740\(1\) & \(4\)\(f\)](#); [NRS 293.361](#); [NRS 293C.361](#)).

At each building open to the general public and occupied by the government of this state or a political subdivision or agency of this state, except a public elementary or secondary school, an area must be made available for the use of any person to gather signatures on a petition at any time the building is open to the public. The area designated for the gathering of signatures may be inside or outside the building, but the area designated must be reasonable. Before a person may use the designated area, he/she must notify the public officer in control of the operation of the building of the dates and time he/she intends to use the area to gather signatures ([NRS 293.127565](#)).

○ RECALL PETITION REQUIREMENTS FOR THE RECALL COMMITTEE

A “committee for the recall of a public officer” is defined as any organization that:

- a) Files a notice of intent to circulate a recall petition;
- b) Receives any contributions or makes any contributions to candidates or persons; or
- c) Makes any expenditures that are designed to affect the recall of a public officer ([NRS 294A.006](#)).

Each committee for the recall of a public officer must register with the Secretary of State ([NRS 294A.250](#)). A registration form is provided in the Appendix.

Each committee for the recall of a public officer must file Contributions and Expenses (C&E) Reports with the Secretary of State. To access the online filing system, visit our website, www.nvsos.gov. Select the Campaign Finance button from the homepage to be directed to Aurora Campaign Finance ([NRS 294A.270](#); [NRS 294A.280](#)).

FILING THE NOTICE OF INTENT TO RECALL A PUBLIC OFFICER

The Secretary of State prescribes the form entitled, “Notice of Intent to Recall a Public Officer” ([NRS 293.247\(1\)](#)). You may obtain the form by contacting the filing officer, the Secretary of State’s office, or on the Secretary of State’s website at <http://www.nvsos.gov>. (The Secretary of State’s form is provided in the Appendix).

Before a petition to recall a public officer is circulated, the persons proposing to circulate the petition must file a Notice of Intent with the proper filing officer. The proper “filing officer” is that officer with whom the public officer to be recalled filed his or her declaration of candidacy: the County Clerk/Registrar of Voters, City Clerk or the Secretary of State ([NRS 306.015\(1\) & \(7\)](#)).

o COMPLETING THE NOTICE OF INTENT

Three registered voters who actually voted in the state, county, district or municipality electing the public officer at the last Primary or General Election must sign the Notice of Intent ([NRS 306.015\(2\)\(a\)](#)).

The Notice of Intent must be signed before a notary public, authorized by law to administer oaths that the statements and signatures contained in the notice are true ([NRS 306.015\(2\)\(b\)](#)).

o FILING A NOTICE OF INTENT

A Notice of Intent may be filed with the appropriate filing officer by hand delivery, mail or a fax machine. The date that the notice of intent is received by the proper filing officer is deemed to be the date filed.

The notice of intent is valid until the date on which the call for a special election is issued ([NRS 306.015\(2\)\(c\)](#)).

NOTE:

- Within one (1) day after the Notice of Intent is filed, the filing officer shall deliver a copy of the Notice of Intent to the Secretary of State ([NAC 306.007\(2\)](#)).
- Within two (2) days after the Notice of Intent is filed, the filing officer shall notify, in writing, the public officer sought to be recalled ([NAC 306.007\(1\)](#)).
- A list of County Clerks/Registrars and City Clerks is provided in the Appendix.

THE RECALL PETITION

o NUMBER OF SIGNATURES REQUIRED ON THE PETITION

The filing officer will inform the persons filing the notice of intent of the number of signatures required and the potential cost of signature verification (see, SB450 of the 2019 Legislative Session). The petition must contain the signatures of not less than 25% of the number of persons who actually voted in the state, county, district, or municipality, which the public officer represents, at the election in which he/she was elected ([Nev. Const. Art. 2, Sec. 9](#)). For an example of how the number of signatures required is determined, see the Appendix, page 46.

{Please note, NRS 306 Sec. 17 was recently amended by SB450 of the 2019 Legislative Session. A brief synopsis is included here. Title 24 updates will be codified in early 2020}

Sec.17.1 Except as otherwise provided in subsection 2:(a)If the persons filing a notice of intent to circulate a petition for the recall of a public officer submit the petition to the filing officer for signature verification pursuant to paragraph (b) of subsection 3 of NRS 306.015, the filing officer shall not submit the petition to the county clerk for signature verification pursuant to NRS306.035, unless the persons filing the notice of intent deposit in advance the estimated costs of the signature verification with the filing officer, including, without limitation, the estimated costs for the Secretary of State and the county clerk of each county from which signatures on the petition were gathered to perform the requirements set forth in NRS 293.1276 to 293.1279, inclusive.

The requisite number of signatures is determined by calculating 25% of the voter turnout in the relevant political division at the election in which the officer was elected, **not** 25% of the votes cast for the specific office. As the Nevada Supreme Court explained, the Nevada Constitution provides that 25% of the voters who cast votes in the relevant geographical area (the state, county, district or municipality that elected the officer) constitutes the requisite number of signatures for a recall petition (*Foley v. Kennedy*, 110 Nev. 1295, 1297, 1299 (1994)).

A public officer who was appointed to fill a vacancy in an elective office is determined by reference to the election at which the appointed officer's predecessor was elected ([NRS 306.020\(1\)](#)).

o WHO MAY SIGN THE PETITION?

Only registered voters of the county in which the petition is circulated may sign the petition. If the office is a district or a municipal office, only the registered voters of that district or municipality may sign the petition. Only registered voters who **actually** voted in the election in which the subject of the recall was elected, may sign a petition to recall ([Nev. Const. Art. 2, Sec. 9](#)) See [Strickland v. Waymire](#).

The County Clerk/Registrar will disregard any signature not signed in ink ([NRS 293.12758\(4\)](#)).

- PENALTY FOR MISREPRESENTING INTENT OR CONTENT OF PETITION FOR RECALL

Any person who misrepresents the intent or content of a petition for the recall of a public officer is guilty of a misdemeanor ([NRS 306.025](#)).

- SUBMITTING THE PETITION TO THE COUNTY CLERK / REGISTRAR FOR SIGNATURE VERIFICATION

The persons who signed the notice of intent must submit the petition to the filing officer. The filing officer shall not submit the petition to the county clerk for signature verification, unless the persons filing the notice of intent **deposit in advance the estimated costs of the signature verification** with the filing officer, including, without limitation, the estimated costs for the Secretary of State and the county clerk of each county from which signatures were gathered. See, SB450 (Sec. 17) of the 2019 Legislative Session.

Once the costs for signature verification has been received, the filing officer shall then, immediately submit the petition to the County Clerk/Registrar for signature verification ([NRS 306.015\(3\)](#)).

The petition must be submitted to the filing officer within 90 days of filing the notice of intent.

Please note: SB450 of the 80th Legislative Session [NRS 306.015, sec. 20] requires that on or before the 48th day after the date on which the notice of intent was filed, all signatures collected during the first 45 days must be submitted to the county clerk and that these signatures are made available for public inspection.

If more than one document was circulated, all the documents must be submitted to the filing officer at the same time.

Even if the petition does not have enough signatures, the petition must still be filed with the filing officer within the 90-day period. Failure to file the petition as required is a misdemeanor ([NRS 306.015\(3\)](#)).

- DOES THE CIRCULATOR HAVE TO BE REGISTERED TO VOTE?

No. Pursuant to a recent U.S. Supreme Court ruling and an opinion issued by the Nevada Attorney General, the circulator is no longer required to be a registered voter ([Buckley v. American Constitutional Law Foundations \(ACLF\)](#), 525 U.S. 182 (1999); Attorney General Opinion 99-37, dated 12/1/99).

PETITION FORMAT

- Petition doesn't need to be filed with the filing officer, prior to circulating for signatures;
- Each petition must include the words "Recall Petition" at the top of each page and immediately above the signature line, in at least 10-point bold type; ([NRS 306.020\(2\)\(c\)](#))
- Each petition must have the designation: "Signatures of registered voters seeking the recall of _____ (name of public officer for whom recall is sought)" on each page; ([NRS 306.020\(2\)\(e\)](#))
- Each petition must bear the name of a county (together with the name of the district or the municipality, if applicable) on each page; ([NRS 306.030\(1\)](#))

- Each page of the document must be sequentially numbered, including blank pages. The County Clerk/Registrar cannot accept a petition unless each page of the petition is numbered; ([NRS 293.12758\(3\)](#); [NRS 306.030\(1\)](#); [NAC 293.182\(2\)\(a\)](#))
- The circulator is not required to be a registered voter in Nevada; ([NAC 293.182](#); Attorney General Opinion #99-37, dated 12/1/99; Buckley v. American Constitution Law Foundations (ACLF), 525 U.S. 182 (1999))
- Each document must contain sequentially numbered spaces for the name of each person who signs the document, the signature of the person signing, the address where the person actually resides, the name of the county where the person who signs is registered to vote, and the date of the signature; ([NRS 306.020\(2\)\(a\)](#); [NAC 293.182\(1\)\(a\)](#))
- Each signature on the petition must be printed and signed in ink. The County Clerk/Registrar will disregard any signature that is not signed in ink; ([NRS 293.12758\(4\)](#))
- Each document must contain an affidavit of the person who circulated the document. The affidavit must appear on the last page of each document and be signed before a person authorized by law to administer oaths in the State of Nevada (a notary public); ([NRS 293.247\(1\)](#); [NAC 293.182\(2\)\(b\)\(2\)](#))
- **THE SECRETARY OF STATE DOES NOT APPROVE THE LEGALITY OF THE PETITION LANGUAGE OR THE PETITION FORM.**

- **A PERSON SHALL NOT MISREPRESENT THE INTENT OR CONTENT OF A PETITION FOR RECALL; THE PERSON WHO VIOLATES THIS PROVISION IS GUILTY OF A CATEGORY E FELONY AND SHALL BE PUNISHED AS PROVIDED IN NRS 193.130. ([NRS 306.025](#)).**

- **NOTE:** SAMPLE PETITIONS ARE PROVIDED IN THE APPENDIX

All documents of a petition must be submitted to the appropriate filing officer(s) at the same time. The County Clerks/Registrars count the total number of signatures on the petition and forward that number to the Secretary of State; this is the “raw count” ([NRS 293.1276](#)).

Time frame: The County Clerks/Registrars must complete the raw count within four (4) working days after receipt of the petition ([NRS 293.1276\(1\)](#)).

Based upon the raw count information received from the County Clerks/Registrars, the Secretary of State determines whether or not the number of signatures is 100% of the required number of registered voters to qualify. If the raw count indicates that the petition contains less than 100% of the required signatures, the Secretary of State notifies the person who submitted the petition and the County Clerks/Registrars that no further action is to be taken on the petition. If the raw count indicates that the petition contains 100% or more of the number of signatures required, the Secretary of State notifies the County Clerks/Registrars to commence verification of signatures ([NRS 293.1276\(2\)](#), [NRS 293.1277\(1\)](#)).

Time frame: After receiving the raw count from all counties and determining if the petition contains the number of signatures needed to declare the petition sufficient, the Secretary of State immediately notifies the County Clerks/Registrars ([NRS 293.1276\(2\)](#); [NRS 293.1277\(1\)](#)).

If the Secretary of State notifies the County Clerks/Registrars that the petition contains the number of signatures needed for it to be sufficient, the County Clerks/Registrars begin examining the signatures. If more than 500 names have been submitted, the County Clerks/Registrars examine the signatures by sampling them at random for verification. The random sample must include an examination of at least 500 or 5% of the signatures, whichever number is greater. Upon completing the examination, each County Clerk/Registrar transmits a certificate of the results of the examination to the Secretary of State. The County Clerks/Registrars shall also notify the Secretary of State of requests to remove a name from the petition ([NRS 293.1277](#)).

Time frame: Signature verification must be completed within twenty (20) working days after notification by the Secretary of State ([NRS 293.1277\(1\)](#)). (See, SB450, Sec. 2)

For a Statewide petition (Elective Offices voted upon in the General Election by the registered voters of the entire state). If more than 500 signatures, the examination shall consist of a 25% random sampling of the signatures.

For a non-statewide petition, every signature must be verified.

REMOVAL OF SIGNATURES

- MAY A PERSON'S NAME BE REMOVED FROM THE PETITION?

Prior to Submission of the Petition for Signature Verification:

A person may request that the County Clerk/Registrar remove his/her name from the petition by submitting a request in writing to the County Clerk/Registrar at any time **before** the petition is submitted for the verification of the signatures ([NRS 306.015\(5\)](#)). See, SB 50, Sec. 23, 2019 Legislative Session), NRS 306.040... A person who signs a petition to recall may request the filing officer to strike the person's name from the petition on or before the date that is the later of: (a) Ten days, Saturdays, Sundays and holidays excluded, after the verification of signatures is complete; or (b) The date a complaint is filed pursuant to subsection 6.

After Signature Verification is Complete:

A person who signs a recall petition may submit a written request to the Secretary of State to strike his/her signature from the petition. (The person may not request that another person's name be stricken from the petition.) The person seeking to have his/her signature stricken from the petition must demonstrate good cause therefore, and he/she must sign the written request ([NRS 306.040\(2\)](#); [NAC 306.010](#)).

Time frame: The Secretary of State will accept a request to strike a signature no earlier than the day after he/she has made the determination that the petition is sufficient, and has provided the requisite notification thereof to the County Clerk/Registrar and the subject of the petition. The request to strike a name must be submitted not later than the date a complaint is filed challenging the sufficiency of the petition in district court, or the day before the call for a special election is issued by the filing officer, whichever is earlier. (The filing officer issues the call between ten (10) and twenty (20) days after the Secretary of State completes the notification of sufficiency, unless within five (5) working days after such notification, a complaint is filed in district court.) Requests to strike a signature from a recall petition may be transmitted to the Secretary of State, Elections Division, by fax machine at (775) 684-5718 or via mail to 101 North Carson Street, Suite 3, Carson City, Nevada 89701 ([NRS 306.040\(2\)](#); [NAC 306.010](#)).

DETERMINATION OF SUFFICIENCY

○ HOW THE SUFFICIENCY OF THE PETITION IS DETERMINED

The Secretary of State determines whether or not the petition is sufficient based on the County Clerks/Registrars certified results of the signature verification.

1. If the Secretary of State finds that the number of valid signatures is less than 100% of the number of registered voters required to declare the petition sufficient (or less than 90% if the verification was conducted pursuant to a random sampling of a statewide office):

Result: The petition fails to qualify, and the Secretary of State immediately notifies the petitioners and the County Clerks/Registrars. No further action is taken ([NRS 293.1278\(1\)](#); [NRS 306.040](#)).

2. If the Secretary of State finds that the number of valid signatures, not including those who requested their signature to be removed before verification is equal to or greater than 100% of the number of registered voters required to declare the petition sufficient:

Result: The petition is deemed qualified as of the date the Secretary of State receives the final certificates of results. The Secretary of State immediately notifies the County Clerks/Registrars, the petitioners, and the public officer who is the subject of the petition ([NRS 293.1278\(2\) & \(3\)](#); [NRS 306.040\(1\)](#)).

3. If the signature verification was conducted pursuant to a random sampling of the greater of 500 signatures or 25% of the total contained on the statewide petition, and the Secretary of State finds the number of valid signatures, not including those who requested their signature to be removed before verification is 90% or greater, but less than 100% of the required number of registered voters needed to declare the petition sufficient:

Result: The Secretary of State directs the County Clerks/Registrars to reexamine the signatures for verification. The County Clerks/Registrars will reexamine the signatures for verification until the earlier of: (a) Determining that the number of valid signatures is 100% of the number needed to declare the petition sufficient; or (b) Examining all the signatures on the petition. If the public officer sought to be recalled holds a statewide or multi-county office and the number of valid signatures in a particular county falls below a certain threshold, the Secretary of State may require the Clerk/Registrar of that County to examine every signature.

The County Clerks/Registrars must complete this process within twelve (12) working days after receiving the order of the Secretary of State.

After completing the reexamination of signatures for verification, the County Clerks/Registrars will forward an amended certificate of results to the Secretary of State ([NRS 293.1279](#)).

4. The petition may consist of more than one document and must be circulated for signatures and submitted to the filing officer in accordance with section Sec. 20 of SB450 from the 80th Session, 2019. The persons filing the notice of intent shall submit to the filing officer on or before the 48th day after the date on which the notice of intent was filed, all signatures that were collected on the petition [that was circulated for signatures to the filing officer within 90 days] during the period beginning on the date on which the notice of intent was filed and ending on the 45th day after the date on which the notice of intent was filed. ([NRS 306.040](#))

- WHEN IS THE SPECIAL ELECTION HELD?
The filing officer will issue a call for a special election in the jurisdiction represented by the public officer to be recalled not sooner than twenty (20) days nor more than thirty (30) days after the Secretary of State gives notification that the petition is sufficient, unless a court complaint has been filed. The special election must be held within thirty (30) days after the filing officer issues the call ([Nev. Const. Art. 2, Sec. 9](#); [NRS 306.040\(3\)](#)), SB450, Sec. 23 of the 2019 Legislative Session.
- MAY ANYONE RUN AGAINST THE PUBLIC OFFICER TO BE RECALLED?
Yes. A person may be nominated as a candidate for the office through the petition process. The nominating petition must be signed by registered voters of the state, county, district or municipality where the election is to be held. The nominating petition must contain signatures equal in number to 25% of the number of registered voters who voted in the State, or in the county, district or municipality holding the election at which the public officer sought to be recalled was elected. The petition may consist of more than one document, but each document must bear the name of only one county and be signed only by the registered voters of that county ([NRS 306.110\(1\)](#)).
- FILING THE PETITION TO NOMINATE OTHER CANDIDATES
The nominating petition must be filed with the filing officer at least twenty (20) days before the special election. The “filing officer” is the officer with whom the recall petition was filed, the same officer with whom the subject of the recall filed his/her declaration ([NRS 306.110\(2\)](#); [NRS 306.015\(7\)](#)).
- MUST THE NOMINATING PETITION BE SUBMITTED FOR SIGNATURE VERIFICATION?
Yes. Each document of the nominating petition must be submitted for signature verification pursuant to [NRS 293.1276](#) to [293.1279](#) to the County Clerk/Registrar of the county named on the document ([NRS 306.110\(2\)](#)).
- HOW DOES THE PERSON NOMINATED ACCEPT THE NOMINATION?
Each candidate who is nominated for office must file a declaration of candidacy and pay the fee required at least twenty (20) days before the date of the special election ([NRS 306.110\(3\)](#); [NRS 293.193](#)).
- MAY A CANDIDATE WITHDRAW HIS / HER CANDIDACY?
Yes, but the candidate must present a written withdrawal of candidacy in person to his/her filing officer not later than nineteen (19) days before the special election ([NAC 306.050](#)).
- WHAT HAPPENS IF THE PUBLIC OFFICER TO BE RECALLED RESIGNS?
If a public officer subject to a recall petition resigns his/her office within five (5) days after the petition is filed, a vacancy is thereby created in the office. No call for a special election is issued, and the vacancy must be filled in the manner provided by law ([Nev. Const. Art. 2, Sec. 9](#)).

FAILED RECALL PETITION

○ MAY THE RESULTS OF THE SIGNATURE VERIFICATION BE CHALLENGED?

1. If the Secretary of State determines that the total number of signatures certified by the County Clerks/Registrars is less than the number needed to make the petition sufficient, the persons submitting the petition may contest the signature verification by filing an appeal with the Secretary of State.

The appeal must:

- a. Be filed within five (5) working days after receipt of the Secretary of State's determination of sufficiency;
 - b. Include the reasons for appeal; and
 - c. Include a statement of the number of signatures, if any, that the County Clerk/Registrar determined were invalid.
2. If the persons submitting the petition file an appeal contesting the signature verification, the Secretary of State will consider the allegations in the appeal and conduct an investigation, if necessary. The Secretary of State shall also immediately notify the public officer.
 3. If the Secretary of State agrees with the persons who filed the appeal, he/she will direct the County Clerk/Registrar to recertify the petition to include all contested signatures that the Secretary of State determines are valid and should be verified.
 4. If the Secretary of State does not agree with the persons who filed the appeal, he/she will notify the County Clerk/Registrar and the persons filing the appeal that the petition remains insufficient.

Every public officer in the State of Nevada is subject, as herein provided, to recall from office by the registered voters of the state, or of the county, district, or municipality, which he represents. For this purpose, not less than twenty-five per cent (25%) of the number who actually voted in the state or in the county, district, or municipality which he represents, at the election in which he was elected, shall file their petition, in the manner herein provided, demanding his recall by the people. If he shall not resign within five (5) days after the petition is filed, a special election shall be ordered to be held within thirty (30) days after the issuance of the call therefore, in the state, or county, district, or municipality electing said officer, to determine whether the people will recall said officer. Upon determining that the number of signatures on a petition to recall is sufficient pursuant to NRS 293.1276 to 293.1279, inclusive, the Secretary of State shall notify the county clerk, the officer with whom the petition is to be filed pursuant to subsection 4 of NRS 306.015 and the public officer who is the subject of the petition.

2. After the verification of signatures is complete, but not later than the date a complaint is filed pursuant to subsection 5 or the date the call for a special election is issued, whichever is earlier, a person who signs a petition to recall may request the Secretary of State to strike the person's name from the petition. If the person demonstrates good cause therefor and the number of such requests received by the Secretary of State could affect the sufficiency of the petition, the Secretary of State shall strike the name of the person from the petition.

3. Not sooner than 10 days nor more than 20 days after the Secretary of State completes the notification required by subsection 1, if a complaint is not filed pursuant to subsection 5, the officer with whom the petition is filed shall issue a call for a special election in the jurisdiction in which the public officer who is the subject of the petition was elected to determine whether the people will recall the public officer.

4. The call for a special election pursuant to subsection 3 or 6 must include, without limitation:

(a) The last day on which a person may register to vote to qualify to vote in the special election;

(b) The last day on which a petition to nominate other candidates for the office may be filed; and

(c) Whether any person is entitled to vote in the special election pursuant to NRS 293.343 to 293.355, inclusive.

5. The legal sufficiency of the petition may be challenged by filing a complaint in district court not later than 5 days, Saturdays, Sundays and holidays excluded, after the Secretary of State completes the notification required by subsection 1. All affidavits and documents in support of the challenge must be filed with the complaint. The court shall set the matter for hearing not later than 30 days after the complaint is filed and shall give priority to such a complaint over all other matters pending with the court, except for criminal proceedings.

6. Upon the conclusion of the hearing, if the court determines that the petition is sufficient, it shall order the officer with whom the petition is filed to issue a call for a special election in the jurisdiction in which the public officer who is the subject of the petition was elected to determine whether the people will recall the public officer. If the court determines that the petition is not sufficient, it shall order the officer with whom the petition is filed to cease any further proceedings regarding the petition.

1. At each building that is open to the general public and occupied by the government of this State or a political subdivision of this State or an agency thereof, other than a building of a public elementary or secondary school, an area must be designated for the use of any person to gather signatures on a petition at any time that the building is open to the public. The area must be reasonable and may be inside or outside of the building. Each public officer or employee in control of the operation of a building governed by this subsection shall:

(a) Designate the area at the building for the gathering of signatures; and

(b) On an annual basis, submit to the Secretary of State and the county clerk for the county in which the building is located a notice of the area at the building designated for the gathering of signatures on a petition. The Secretary of State and the county clerks shall make available to the public a list of the areas at public buildings designated for the gathering of signatures on a petition.

2. Before a person may use an area designated pursuant to subsection 1, the person must notify the public officer or employee in control of the operation of the building governed by subsection 1 of the dates and times that the person intends to use the area to gather signatures on a petition. The public officer or employee may not deny the person the use of the area.

3. Not later than 3 working days after the date of the decision that aggrieved the person, a person aggrieved by a decision made by a public officer or employee pursuant to subsection 1 or 2 may appeal the decision to the Secretary of State. The Secretary of State shall review the decision to determine whether the public officer or employee violated subsection 1 or 2. If the Secretary of State determines a public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Secretary of State shall order that the deadline for filing the petition provided pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.

4. The decision of the Secretary of State is a final decision for the purposes of judicial review. Not later than 7 days after the date of the decision by the Secretary of State, the decision of the Secretary of State may only be appealed in the First Judicial District Court. If the First Judicial District Court determines that the public officer or employee violated subsection 1 or 2 and that a person was denied the use of a public building for the purpose of gathering signatures on a petition, the Court shall order that the deadline for filing the petition provided pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be extended for a period equal to the time that the person was denied the use of a public building for the purpose of gathering signatures on a petition, but in no event may the deadline be extended for a period of more than 5 days.

NRS 293.1276 County clerk to forward number of signatures to Secretary of State; notice of failure to file required number of signatures; handling of petition; regulations.

1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 2 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#), the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.

2. If the Secretary of State finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, the Secretary of State shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

3. After the petition is submitted to the county clerk, it must not be handled by any other person except by an employee of the county clerk's office until it is filed with the Secretary of State.

(Added to NRS by [1985, 1090](#); A [1987, 1361](#); [1993, 2665](#); [1997, 750](#); [1999, 2147](#); [2009, 2588](#); [2011, 1784, 3271](#); [2015, 3568](#))

NRS 293.1277 Verification of signatures by county clerks; regulations.

1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. After the notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county. This determination must be completed within 9 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 3 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#). For the purpose of verification pursuant to this section, the county clerk shall not include in his or her tally of total signatures any signature included in the incorrect petition district.

2. Except as otherwise provided in subsection 3, if more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater. If documents were submitted to the county clerk for more than one petition district wholly contained within that county, a separate random sample must be performed for each petition district.

3. If a petition district comprises more than one county and the petition is for an initiative or referendum proposing a constitutional amendment or a statewide measure, and if more than 500 names have been signed on the documents submitted for that petition district, the appropriate county clerks shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerks within the petition district is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures presented in the petition district, whichever is greater. The Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

4. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in

subsection 5, the county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

5. If:

(a) Pursuant to [NRS 293.506](#), a county clerk establishes a system to allow persons to register to vote by computer; or

(b) A person registers to vote pursuant to [NRS 293D.230](#) and signs his or her application to register to vote using a digital signature or an electronic signature,

↳ the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to [NRS 293.675](#).

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to [NRS 295.055](#) or [306.015](#).

8. A person who submits a petition to the county clerk which is required to be verified pursuant to [NRS 293.128](#), [293.172](#), [293.200](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#) must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

9. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

10. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

(Added to NRS by [1985, 1090](#); A [1987, 1361](#); [1993, 2665](#); [1995, 2257](#); [1997, 750](#); [1999, 2147](#); [2001, 641](#); [2009, 2588](#); [2011, 1784](#), [2083](#), [3271](#); [2013, 29](#); [2015, 3568](#))

[NRS 293.1278](#) Qualification or disqualification of petition upon receipt of certificates or amended certificates by Secretary of State.

1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#) and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#) shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

(Added to NRS by [1985, 1091](#); A [1993, 2666](#); [2001, 642](#); [2009, 2589](#); [2011, 1786](#), [3273](#))

[NRS 293.1279](#) Qualification or disqualification of petition upon verification of signatures; regulations.

1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#).

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to [NRS 295.055](#) or [306.015](#), the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to [NRS 295.055](#) or [306.015](#), the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#). In the case of a petition for initiative or referendum that proposes a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to [NRS 295.012](#) plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to [NRS 295.055](#), the Secretary of State may order a county clerk to examine every signature for verification.

3. After the receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. This determination must be completed within 12 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.128](#), [295.056](#), [298.109](#), [306.035](#) or [306.110](#), and within 5 days, excluding Saturdays, Sundays and holidays, after the receipt of an order regarding a petition containing signatures which are required to be verified pursuant to [NRS 293.172](#) or [293.200](#). If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition for initiative or referendum to propose a constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of [NRS 293.200](#), [306.035](#) or [306.110](#) for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section.

1. If the secretary of state determines that the total number of signatures that the county clerks have certified pursuant to [NRS 293.1277](#) or [293.1279](#) is less than 100 percent of the number of registered voters needed to make the petition sufficient, the person who submitted the petition may contest the verification of the signatures by filing an appeal with the secretary of state. The appeal must:

- (a) Be filed within 5 working days after receipt of notification of the determination of the secretary of state;
- (b) Include each reason for the appeal; and
- (c) Include a statement of the number of signatures, if any, that the county clerk determined were invalid.

2. The secretary of state shall:

(a) If the petition was circulated pursuant to [chapter 306 of NRS](#), immediately notify the public officer who is the subject of the petition of the appeal by the person who submitted the petition; and

(b) Consider the allegations and conduct an investigation, if necessary.

NRS 293.12795 Action by secretary of state upon review of appeal; judicial review of decision of secretary of state.

1. If an appeal is based upon the results of the verification of signatures on a petition performed pursuant to [NRS 293.1277](#) or [293.1279](#), the secretary of state shall:

(a) If he finds for the appellant, order the county clerk to recertify the petition, including as verified signatures all contested signatures which the secretary of state determines are valid. If the county clerk has not yet removed each name as requested pursuant to [NRS 295.055](#) or [306.015](#), the county clerk shall do so before recertifying the petition.

(b) If he does not find for the appellant, notify the appellant and the county clerk that the petition remains insufficient.

2. If the secretary of state is unable to make a decision on the appeal based upon the documents submitted to him, the secretary of state may order the county clerk to reverify the signatures.

3. The decision of the secretary of state is a final decision for the purposes of judicial review. The decision of the secretary of state may only be appealed in the first judicial district court.
