REPORT OF THE PROCEEDINGS  
OF THE  
Nevada State Board of Agriculture.

---

1892.

## PRESIDENT'S REPORT.

Reno, Nevada, January 10, 1893.

*To His Excellency, R. K. Colcord, Governor of Nevada :*

SIR: Herewith inclosed please find, carefully compiled and itemized, statements of the Secretary and Treasurer, containing full and complete transactions of the Board of Directors of the Nevada State Agricultural Society for the year 1892.

Respectfully submitted for your approval,

THEO. WINTERS,  
President.

## REPORT OF THE SECRETARY.

Reno, Nevada, February 1, 1893.

*To the Honorable State Board of Agriculture :*

GENTLEMEN: I herewith submit the following report for the fiscal year ending February 1, 1893.

The Board of Directors met on the 6th of February, 1892, and elected the following officers for the ensuing term, viz:

Theodore Winters	-----	President
C. H. Stoddard	-----	Secretary
C. T. Bender	-----	Treasurer

Director W. O. H. Martin was appointed Superintendent of the Pavilion, and Director W. H. Gould, Superintendent of the Grounds.

The date of the Eighth Annual Fair was set for September 19th to 24th, inclusive.

Directors Winters, Martin, Foley, Gould, Flint and Bailey were appointed as an Executive Committee.

At a meeting of the Board, held June 16, the President was

authorized to remodel the grand stand, as per plans and specifications presented at that time. It was also ordered that a 3-inch pipe be laid from the Orr ditch to the first tank, a distance of about 1,100 feet, all of which was carried out to the letter at a cost of \$3,626 05, including the building of twenty new box stalls for horses the purchasing of and planting shade trees, and various other minor improvements which were made during the summer and found to be absolutely necessary.

The remodeling of the grand stand has not only added greatly to the capacity of the structure but has added immensely to the comfort and convenience of visitors the seating capacity having been nearly doubled.

The laying of the water pipe from the Orr ditch not only gives a plentiful supply of water which could not be procured from the English Mill ditch, the former being some fifty feet higher, but saves a great amount of labor and expense.

As will be seen by the financial report herewith, the Secretary more than paid expenses of the last Annual Fair, there appearing the sum of \$226 61 in favor of the Society.

While twenty new stalls were built last spring, the experience of the last Fair, and former Fairs, fully demonstrates that the Society should have at least fifty more box stalls for horses, there being now only 280 cattle and horse stalls on the grounds.

Through the liberality of President Winters the grand stand is now furnished with chairs instead of wooden benches Mr. Winters having purchased the chairs and donated them to the Society. He also had the bar room and other rooms of the grand stand ceiled, at an expense to himself of \$265.

It will be seen by the statement herewith that the total indebtedness of the society is \$5,978 53. Of this amount there was a balance of \$1,096 19 due the Treasurer at the beginning of the fiscal year and \$1,152 90, which was expended upon the Pavilion in 1891, as per instructions of the Governor, he having recommended repairing and painting as absolutely necessary to preserve the property.

I would here state that the estimated value of the property belonging to the State and under control of this society is as follows:

Eighty acres land and eighty inches water .....	\$15,000 00
Buildings, improvements and personal property .....	12,000 00
Lots in Reno .....	2,000 00
Improvements on lots .....	6,000 00
	<hr/>
Total .....	\$35,000 00

No reports have been received from District Associations, as required by law, except that of District No. 6, which is herewith appended.

The following financial statement shows the receipts and disbursements of the last annual Fair and the present standing of the Society. I also submit a statement of purses and premiums awarded.

RECEIPTS.	Amounts.
From sale of season tickets .....	\$856 00
